Thunderclap

THE PLAYER HAS MET HIS MATCH... Sam... I admit it. I'm a player. I adore women and they love me. I've never met a woman that I couldn't wrap around my body with only a smile and a sexy wink. Until Lila blew into town. For the first time in my life, my tricks aren't working. I want her and she thinks I'm nothing more than a two-bit thug. It's time for the player to up his game. Lila... I can sketch Sam Mason with my eyes closed. Every line of his tattoos, every muscle in his arms. Even the crinkle around the corners of his blue eyes with every easy smile. I know him well...every detail. He's been my mark for weeks. Nobody said going undercover as an agent for the Alcohol, Tobacco, Firearms and Explosives special units division was going to be easy. Working my way into the Steel Infidels Motorcycle Club's inner circle will take time. Then again I'm a patient and determined woman. Sam Mason may be the sexiest man alive but he's still going down. This time the player has met his match. Thunderclap is a fully complete standalone motorcycle club romance novel with no cheating and a HEA! Throttle's Seduction

Throttle, Road Captain of the Insurgents Motorcycle Club, likes his women willing, stacked, and no strings attached. His life and needs are simple: riding his Harley, bedding as many women as can fit in his bed, and scorching his throat with whiskey. The tall, rugged outlaw is a magnet for women who love life on the wild and dangerous side. They know not to expect anything from the tattooed biker but sheer pleasure. Life couldn't be better. Until he meets Kimber. The black-haired mechanic at Hawk's bike shop. What the f@#k? In his world, the only thing a woman should do on a Harley is spread her

pretty legs wide. She is sassy-mouthed, aggravating, and not his type at all. And he doesn't need any woman-let alone a chick in mechanic coveralls-messing with his head. It's a shame all he can think about is doing nasty things to her on his motorcycle. Kimber Descourts has had to fight to be accepted in a man's world and she is not a quitter. Always attracted to the bad boy biker, she has had her share of unfaithful, jerk boyfriends. Swearing off all bikers since her last boyfriend made her his punching bag, she's content with working on Harleys, taking a few business classes, and being blissfully alone. Then she meets Throttle. He's a cocky, chauvinistic bastard. Oh yeah... he's also incredibly handsome, built, and sexy as all hell. He's exactly her type. She should run far away from him, but her body wants him in the worst way. They say opposites attract, but when a hardened biker and a tough free-spirit ignite, their world combusts. Will their differences bring them together or pull them apart? In the midst of Throttle and Kimber's tug of war, a Peeping Tom has been creeping around Pinewood Springs watching ladies behind the shadows of the night. He spots Kimber Descourts and is drawn to her. And he's beginning to grow bored of just watching.... Can Kimber put her pride aside and ask for Throttle's help? Is Throttle ready to let the feisty mechanic melt his icy heart? The Insurgents MC series are standalone romance novels. This is Throttle and Kimber's love story. This book contains violence, sexual assault (not graphic), strong language, and steamy/graphic sexual scenes. It describes the life and actions of an outlaw motorcycle club. If any of these issues offend you or are triggers, please do not read the book. HEA. No cliffhangers! The book is intended for readers over the age of 18.

Steel Justice

One taste of her sweet lips and I swore I'd make her mine... Bikers, babes, and booze. Three things I lived for, all in one dirty package when I decided to throw my brother's bachelor party at the Panama City Bike Rally. Then she came along and screwed up everything. The plan was simple. Familiar. Take her home, wreck her for other men, then kick her to the curb by daylight, spent and breathless. It would've been the perfect night making her scream my name if she hadn't hidden one little fact. She's Big Roy's property, and he owns her. The Prez of the Liberators MC is used to getting what he wants, and he won't let her go without a fight. Neither will I. I'll see him burn in hell before I let him touch her ever again... Puck's Property: A Second-Chance Biker Prison Romance

Enjoy this scorching hot and steamy Bad Boy Biker series by International Best-Selling Contemporary Romance author, Monique Moreau. A lonely social worker. A biker behind bars. Can their red-hot passion set them free? Ava What if your first love was your one true love? Eight years ago, Puck broke Ava's heart. She picked up the pieces, patched them together, and kept going. Yet she never forgot him. When Puck saunters through her office, she's shocked to find a brawny, tatted-up biker dressed in an orange jumpsuit with the word INMATE stamped on the back. Puck What if you rediscover the passion you carelessly threw away in your youth? For Puck, the only good thing about his trip to the jailhouse social worker was finding Ava again. All grown up, she looks luscious, and he bet, tastes even better. Breaking up seemed like the right thing to do at the time, but no other woman could replace Ava. Fate brought them together again and Puck wouldn't make the same mistake twice. Ava was his property and he'd bring her to heel—no matter what it took. If that included a little blackmail, so be it. A biker never won by playing fair. But what happens in jail doesn't always stay in jail when dark forces conspire to divert destiny and tear these lovers apart. Will their love survive a second trial? Looking for a scorching, hot second-chance romance with a splash of power exchange? Look no further and get it now with one click! This is book 1 of the Road Rage MC romance series! Books 2 and 3 of this dark motorcycle club romance series are available everywhere now! I came home from exile to put a baby in her belly. SLICK Two years at the hands of your enemies is a long time. By the time I arrive back at the Road Rage MC, I'm ready for a tune-up – and a second chance at becoming VP. But my plans are derailed the moment my eyes land on Bri. She's the daughter of the club's president, and she's looking fine as hell these days. And she might just be my ticket to getting what I want. But claiming her will be more than just business. It'll be raw, savage seduction. I want her pinned beneath me, moaning and slick with the need for more. I want to show her what she's been missing in the two years I've been gone. And, most of all... I want her to tell me if I was the one who fathered her baby girl. But my return upsets the fragile balance inside the club. Now, Bri is caught in the crossfire. I hope she knows how to hang on tight, because it's a slippery slope from Heaven down to Hell...

Tumbleweed and Daggers

Terry Tumbleweed was having a weird day. The attempted robbery was bad enough. But then the beginning of a war in her parking lot, becoming a target in the same war and then falling for two guys at once - it was not what she had planned for her day, she would have remembered. Of course she then had to defend herself from all of those things, including her desire for the president and second-in-command of the Daggers. The Daggers were a motorcycle club that counted her store as inside their territory. If only the Dragons, another club, did not want the territory as well, all things would be good. Of course they did want it and she was the pawn. She just could not figure out if she was the pawn of her desires for love or excitement. Either way, the mixture of Tumbleweed and Daggers would be unpredictable she knew. --- KEYWORDS: MC Biker Romance, MC biker romance, biker romance, motorcycle club romance, bad boy romance, biker romance, bad boy biker romance, Billionaire, menage romance, threesome romance, bisexual romance, mfm romance, menage story, mfm with mm, a trois romance, Billionaire Romance, Love Scenes, Young Adult Romance, Romantic Suspense, Bad Boy Romance, Contemporary Romance, Bad Boy Billionaire, Billionaire Romance, Billionaire Romance Books, Office Romance, Alpha Male Romance, Dominant Possessive Book, Contemporary Love Sex, Forbidden Romance, Boss Romance Novels, New Adult Romance Ebooks

Savage Monster

This is book 3 and the finale of the Prophets MC romance series! He's a savage beast – and he's here to drag me back, kicking and screaming. VAL It's been almost two months since I took my baby daughter and ran for the hills. We had to get away from my abusive ex. He'd given me enough black eyes and sleepless nights to last a lifetime. And my little girl deserves a better father than a devil like him. For a little bit, it seems like we'd made it out safe. I might be stripping to pay the bills. But it's worth it if that's what it takes to feed my daughter, to keep a roof over our heads. And there's something liberating about getting on that stage. Up there, with my legs around a pole and pounding music in my ears, I can be anybody. I can be anonymous. Powerful. Free. And then it all comes crashing down. It started with a simple request for a dance. But when I saw who was asking, my blood froze in my veins. The outlaw biker waiting in the champagne room was like something out of a romance novel: Rugged, tatted, leather-bound, unbelievably huge. I gave him what he wanted. And that might just be the last thing I ever do. MERCER She looked more innocent than I expected. It's easy to rationalize killing most of my victims – it's kind of necessary when you're a biker hitman like me. The scum on my hit list are usually criminals of some kind: low life thugs, dirty drug dealers – you get the idea. They deserve what's coming to them. But Val was different. There was something in her eyes – something fragile. Special. Worth protecting. And when I find out she has a baby girl at home... The job gets that

much harder. But my employer tells me I don't have a choice. Get it done, he says. Put her down and move on with your life. So I go through the steps. I find her at the club where she dances. Take her to a room in the back. Tell her I know who she is – who she really is. Her jaw drops. I can see her eyeing the door. Getting ready to run. And then I tell her the ugly, bloody truth: I'm the man who's been sent to kill her. *** STOP what you're doing and check out this bad boy motorcycle club MC romance with a twist! It's got all the ingredients for an instant classic: a hot, dominant alpha male biker, a motorcycle club with a dark secret, and an innocent girl caught in the middle. It's dark, it's hot, it's passionate, and it can be YOURS right now! So check out SAVAGE BEAST!

Her Wild Ride

I'm not a hero. I'm a bad dude who's done bad things. And the sooner she understands that, the better off we'll be. I've just got out of prison and I'm running from my MC, so my step-sister's best friend has agreed to drive me across the country. Summer's my ride. That's all. But she captivates me, and I don't have a damn clue why. She's a distraction I can't afford. Is it because I've been told she's forbidden? Is it because she's preppy and freakin' beautiful, so not a part of my world? With every mile of our trip, every spark of connection, she seems to inch closer to me. The temptation is too much to resist. But she has no idea just how dangerous life would be with me. I broke club rules. I betrayed my brothers to save a woman's life. If the Red Dragons find us we'll be in trouble. And if I give into my desires, she'll be in deeper than she realises... This is the first in the Red Dragon MC series featuring an addictive alpha biker. Guaranteed HEA, no cliffhangers and no cheating. Fans of Kristen Ashley, Joanna Wylde and Madeline Sheehan will fall in love. What readers are saying about Her Wild Ride 'Oh my goddddd... The Perfect Hope

The Montgomery brothers have been the talk of Boonsboro, ever since they decided to renovate the old Inn into an intimate and handsome new Bed and Breakfast. Beckett and Owen have both found love in the process, but what of Ryder, the third Montgomery brother? Can the Inn Boonsboro weave its magic one more time? Ryder is the hardest Montgomery brother to figure out - with a tough-as-nails outside and possibly nothing too soft underneath. He's surly and unsociable, but when he straps on a tool belt, no woman can resist his sexy swagger. Except, apparently, Hope Beaumont, the innkeeper of his own Inn BoonsBoro. Hope may not be perfect, but could she be the perfect match for Ryder...? The Inn BoonsBoro trilogy comes to a triumphant and richly satisfying close in this warm, witty and captivating novel.

You probably shouldn't read it to your children.

Nora Roberts' The Three Sisters Island Trilogy

'What would cause someone to want so many people, surely many of them strangers, to slaughter each other?' The scene that greets Lieutenant Eve Dallas one terrible evening in New York is more shocking than she has ever witnessed. The downtown bar is strewn with bodies - office workers who have been sliced, bludgeoned or hacked to death with the nearest weapon available, turning on each other in a desperate blinding rage. As Eve and her husband Roarke - who owns the bar among his many properties - investigate the city, they link the attacks back to the Urban Wars and the chemical warfare used all those years ago. With another slaughter imminent, Eve must turn to unexpected sources to stop a killer pursuing revenge by creating mass carnage . . .

But she didn't see what everyone else did: that handsome, charismatic Logan Kelly was a manipulator and a user. Then one cold December, Kristine got a chilling wake-up call when Logan vanished, along with the eight-million-dollar trust fund she had naively given him the power to control. Just when Kristine's life was at its lowest point, banker Aaron Dunwoodie offered her passion, a strong shoulder to lean on, and a relationship to believe in. But a woman once fooled is twice wary, and very vulnerable. There were still too many questions Kristine needed to answer before she could commit her heart again: what really happened to Logan . . . what did she truly want for herself . . . and what would she do if Logan—a dangerous seductive, and yet irresistible man—walked back into her life? Praise for Fern Michaels "Prose so natural that it seems you are witnessing a story rather than reading about it."—Los Angeles Sunday Times "She never disappoints."—RT Book Reviews

The Awakening

#1 New York Times bestselling author Nora Roberts weaves together passion and obsession, humor and heart, in a novel of two people opening themselves up to the truth—and to each other. For more than three hundred years, Bluff House has sat above Whiskey Beach, guarding its shore—and its secrets. But to Eli Landon, it's home. A Boston lawyer, Eli has weathered an intense year of public scrutiny and police investigations after being accused of—but never arrested for—the murder of his soon-to-be ex-wife. He finds sanctuary at Bluff House, even though his beloved grandmother is in Boston recuperating from a nasty fall. Abra Walsh is always there, though. Whiskey Beach's resident housekeeper, yoga instructor, jewelry maker and massage therapist, Abra is a woman of many talents—including helping Eli take control of his life and clear his name. But as they become entangled in each other, they find themselves caught in a net that stretches back for centuries—one that has ensnared a man intent on reaping the rewards of destroying Eli Landon once and for all.

And when she lands a job at the local riding school she is soon drawn to its owner - the charismatic, fiercely independent Boyle McGrath. Perhaps she has found her true home at last... But Iona's arrival is no accident. The three cousins have each inherited a dangerous gift from an ancestor known as the Dark Witch. And they are about to discover that some old legends can return to haunt the present. The first in a magical new trilogy, Dark Witch is a captivating story of love, family and destiny.

The Last Honest Woman As the widow of an infamous race car champion, Abby O'Hurley is left with two sons and lots of secrets. Cynical journalist and biographer Dylan Crosby plans to uncover everything Abby is hiding about her former life, no matter what it takes. Living with Abby to observe her everyday life, Dylan is surprised to find that she's not the entitled person he expected her to be. She's a kind woman and a loving mother, and though she has no reason to protect her late husband, there are certain truths she won't give up--no matter how charming Dylan is. But if Dylan is willing to open up first, he just might get the story he's looking for...and a connection he wasn't expecting. Dance to the Piper Maddy O'Hurley has been in the spotlight since she was five years old. Now she's a dancer on Broadway, and her passionate performances have made her a much-admired artist--and have captured the interests of recording mogul Reed Valentine. Reed's always had careful control over his emotions and he's never been interested in much past his business. But something about Maddy intrigues Reed, and Maddy can feel their connection, too. The two agree to be friends, only tempting the romantic tension between them. Reed's wary of romance thanks to his painful past, but can companionship really be enough?

The Perfect Hope - Book 3 - Inn at Boonsboro Trilogy

From #1 New York Times bestselling author Nora Roberts comes the second novel in a trilogy about the land we're drawn to, the family we learn to cherish, and the people we long to love... Book Two of The Cousins O'Dwyer Trilogy Shadow Spell With the legends and lore of Ireland running through his blood, falconer Connor O'Dwyer is proud to call County Mayo home. It's where his sister, Branna, lives and works, where his cousin, Iona, has found true love, and where his childhood friends form a circle that can't be broken. A circle that is about to be stretched out of shape—by a long-awaited kiss. Meara Quinn is Branna's best friend, a sister in all but blood. Her and Connor's paths cross almost daily, as Connor takes tourists on hawk walks and Meara guides them on horseback across the lush countryside. She has the eyes of a gypsy and the body of a goddess...things Connor has always taken for granted—until his brush with death propels them into a quick, hot tangle. Plenty of women have found their way to Connor's bed, but none to his heart until now. Frustratingly, Meara is okay with just the heat, afraid to lose herself—and their friendship—to something more. But soon, Connor will see the full force and fury of what runs in his blood. And he will need his family and friends around him when his past rolls in like the fog, threatening an end to all he loves...
