Gerrard

Steven Gerrard is a hero to millions, not only as the inspirational captain of Liverpool FC, but as a key member of the England team. Here, for the first time, he tells the story of his lifelong obsession with football, in an honest and revealing book which captures the extraordinary camaraderie, the soul-destroying tensions and the high-octane thrills of the modern game as never before. Born in the Liverpool suburb of Huyton in 1980, Steven first joined Liverpool as a YTS trainee and played his first game for the first team aged just 18. His career has gone from strength to strength ever since and he is now the team's captain and its lynchpin. Liverpool's incredible comeback in the Champions' League final in Istanbul in May 2005, recovering from a 3-goal deficit against AC Milan to win on penalties, is testament to the amazing power Gerrard has over his team. His presence on the pitch is a force to be reckoned with and places him amongst the very first rank of players in the world. A relatively private figure, Steven has rarely spoken out in public. Now, his legions of fans will be allowed an intimate glimpse of what makes their hero tick. He speaks for the first time about the torturous will-he-won't-he Chelsea rumours and his undying passion for Liverpool. We experience first-hand the highs of winning in Istanbul and elsewhere, as well as the occasional lows of being parted from his much-loved family and friends. And of course, the book contains a full blow-by-blow account of England's world cup campaign in Germany 2006. Steven Gerrard's book is the definitive football autobiography. Like its subject, it's honest, passionate and exhilarating. If Steven Gerrard isn't your hero yet, by the time you've read this he will be...

Steven Gerrard: My Story

Steven Gerrard is a hero to millions as the inspirational captain of Liverpool FC and a key member of the England team. His bestselling autobiography, Gerrard, published in September 2006, is an honest and fascinating account of his life-long obsession with football and the tensions and thrills of playing at the top level. Now the book is available in this abridged version that is perfect for all young football fans.

Steven Gerrard: My Liverpool Story

Steven Gerrard is a genuine Liverpool legend. Captain at the age of 23. Two FA Cups. Three League Cups. One UEFA Cup. And that Champions League win. Gerrard embodies the spirit and passion of Liverpool football club like no other in the modern era. From the raw but talented youngster who made the jump from the Melwood training ground and took to the famous Anfield turf at 18, to the talismanic skipper who has led his beloved club through thick and thin, this stunningly illustrated book, complete with exclusive new photographs, is the story of his fifteen momentous seasons at Liverpool FC. Along with a foreword from Kenny Dalglish, this is Steven Gerrard's Liverpool story in his own words.

My Story

Steven Gerrard is the former captain of Liverpool football team and of the England national football team, and is the only player ever to have scored in a FA cup final, a league cup final, a UEFA cup final and a champion's league final. His entire career, since 1998, has been spent at Anfield with Liverpool. In this book he charts his full playing career, shedding light on the defining games, his life off the pitch as well as the players and managers he's encountered. Explosive, controversial and searingly honest, this will be the last word from an era-defining player.

Steven Gerrard

For the Anfield faithful, Jamie Carragher represents everything that is great about Liverpool Football Club, prompting the Kop to sing 'we all dream of a team of Carraghers'. This autobiography reveals what made him discard his blue Evertonian roots to become a fully fledged Red and how he mended his wild ways to become a true professional.

Carra

For twenty glorious years, Gary Neville has worn his heart on his sleeve. This is his story. No player has been more synonymous with the glory years of Manchester United Football Club over the past two decades than right-back Gary Neville. An Old Trafford regular since he attended his first match at the age of six, captain of the brilliant 1992 FA Youth Cup-winning team, outspoken representative of MUFC, Neville is the ultimate one-club man. He has been at the heart of it all and, at the end of an amazing career, is now ready to tell all. Neville reveals the behind-the-scenes secrets of his early days with the likes of Giggs, Scholes, and his best mate, David Beckham.

Red

Truth is stranger than fiction. And nowhere in literature is it so apparent as in this classic work, "The Autobiography of a Hunted Priest." This autobiography of a Jesuit priest in Elizabethan England is a most remarkable document and John Gerard, its author, a most remarkable priest in a time when to be a Catholic in England courted imprisonment and torture; to be a priest was treason by act of Parliament. Smuggled into England after his ordination and dumped on a Norfolk beach at night, Fr. Gerard disguised himself as a country gentleman and traveled about the country saying Mass, preaching and ministering to the faithful in secret always in constant danger. The houses in which he found shelter were frequently raided by priest hunters; priest-holes, hide-outs and hair-breadth escapes were part of his daily life. He was finally caught and imprisoned, and later removed to the infamous Tower of London where he was brutally tortured. The stirring account of his escape, by means of a rope thrown across the moat, is a daring and magnificent climax to a true story which, for sheer narrative power and interest, far exceeds any fiction. Here is an accurate and compelling picture of England when Catholics were denied their freedom to worship and endured vicious persecution and often martyrdom. But more than the story of a single priest, "The Autobiography of a Hunted Priest" epitomizes the constant struggle of all human beings through the ages to maintain their freedom. It is a book of courage and of conviction whose message is most timely for our age.

Steven Gerrard, Michael Owen and Me

Born in Liverpool in 1975, Robbie Fowler became a club icon by the time he was eighteen. Now, he takes us through the games that have shaped his life and football philosophy, more than 25 years after he first signed as a professional. Engaging, personal and revealing, Robbie opens up about his astounding achievements, the price of fame and the regrets and struggles of being a professional footballer. From Hillsborough to Madrid, via the cup treble, that goal line celebration, Houllier, Benítez, Klopp and more, Robbie explains his thinking about the modern game. Inviting readers inside the dressing room, he shares stories of legendary teammates like Rush, McManaman and Gerrard, as well as his rise to football's top table. What inspired him to play the beautiful game? How did he get back up after the injuries that blighted his career? What gave him the drive to keep going and pursue his dreams? My Life in Football is the inspiring story of a local boy who became a legend.

The Autobiography of a Hunted Priest

Graeme Souness is a Glasgow Rangers icon, and a Liverpool legend in the same bracket as Kenny Dalglish, Steven Gerrard and Jamie Carragher. He has racked up getting on for fifty years in and around the world of professional football. The game has been his life, and his enduring passion. Souness

has written a perceptive and opinionated autobiography. It chronicles one of the most successful and colourful careers in the history of British football. But it also provides an intriguing assessment of the game which has dominated his existence, drawing extensively on his incredibly rich and varied experiences as a player, manager and pundit. The result is a shrewd, incisive and hard-hitting memoir, at times tinged with hindsight and regret, which also grapples with many of the major talking points affecting the game today. It is shot through with Souness' trademark tenacity and wisdom, and with fantastic anecdotes from his glittering career. In many ways, *Football: My Life, My Passion* is the story of the last half-century of British football writ large.

Robbie Fowler: My Life In Football

Fowler: My Autobiography is a personal and honest account of a phenomenal life in football by goal-poacher Robbie Fowler. Pronounced as the greatest goal scoring talent since Jimmy Greaves, seventeen-year old Robbie Fowler was immediately catapulted to fame and fortune. The thin, baby-faced Toxteth lad, who had trampled the same streets as the rioters, was now a millionaire, an idol and inspiration to every kid who kicked a football. Yet his incredible potential was never quite realized. Injuries and persistent rumours of drug abuse and depression meant that though Fowler remains one of the most celebrated of Premiership stars, he never became the world-beater so many predicted. This is a fascinating and unbelievably frank insight into the beautiful game, taking us behind the closed doors of professional football to expose what really happens at both club and international level. This is a truthful and candid account of an incredible career, examining not just the records and the glory, but the low points and the miseries of a footballing life that many people now believe somewhere, somehow went wrong. Brilliance and controversy have stalked Robbie Fowler from his five goal performance in only his second full game for Liverpool, to his snorting of the touchline in the Merseyside derby. In this utterly compelling autobiography, Robbie Fowler looks back on what was, what wasn't and what might have been. This is the story of one of the game's true icons, and the story of the modern game itself.

Graeme Souness – Football: My Life, My Passion

Hello reader! In this book is a world. A world created by two awkward guys who share their lives on the internet! We are Dan and Phil and we invite you on a journey inside our minds! From the stories of our actual births, to exploring Phil's teenage diary and all the reasons why Dan's a fail. Learn how to draw the perfect cat whiskers, get advice on how to make YouTube videos and discover which of our dining chairs represents you emotionally. With everything from what we text each other, to the time we met One Direction and what really happened in Vegas... This is The Amazing Book Is Not On Fire!

My Captain's Book

'Very funny on almost every page, wonderfully self-deprecating and very sharp on the ludicrous behaviour of the modern player' - Sunday Times 'The funniest man in British sport' - Metro **A Sunday Times Sports Book of the Year** **Shortlisted for the National Book Awards** **Longlisted for the Telegraph Sports Book Awards Autobiography of the Year** You become a footballer because you love football. And then you are a footballer, and you're suddenly in the strangest, most baffling world of all. A world where one team-mate comes to training in a bright red suit with matching top-hat, cane and glasses, without any actual glass in them, and another has so many sports cars they forget they have left a Porsche at the train station. Even when their surname is incorporated in the registration plate. So walk with me into the dressing-room, to find out which players refuse to touch a football before a game, to discover why a load of millionaires never have any shower-gel, and to hear what Cristiano Ronaldo says when he looks at himself in the mirror. We will go into post-match interviews, make fools of ourselves on social media and try to ensure that we never again pay £250 for a haircut that should have cost a tenner. We'll be coached and cajoled by Harry Redknapp, upset Rafa Benitez and be soothed by the sound of an accordion played by Sven-Goran Eriksson's assistant Tord Grip. There will be some very bad music and some very bad decisions. I am Peter Crouch. This is How To Be A Footballer. Shall we?

Fowler

Sir Alex Ferguson's compelling story is always honest and revealing he reflects on his managerial career that embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United. Sir Alex Ferguson's best-selling autobiography has now been updated to offer reflections on events at Manchester United since his retirement as well as his teachings at the

Harvard Business School, a night at the Oscars and a boat tour round the Hebrides, where he passed unrecognised. The extra material adds fresh insights and detail on his final years as United's manager. Both the psychology of management and the detail of football strategy at the top level can be complex matters but no-one has explained them in a more interesting and accessible way for the general reader than Sir Alex does here. MY AUTOBIOGRAPHY is revealing, endlessly entertaining and above all inspirational.

The Amazing Book is Not on Fire

'Essential reading for players, fans and coaches' - Steven Gerrard 'A cracking read' - Chris Evans 'I couldn't put it down' - Joey Barton What are the greatest games ever played? From Jurgen Klopp to Gary Neville, Xavi to David Beckham, Jamie Carragher speaks with teammates, rivals, managers and legends of the sport to identify and analyse football's greatest encounters. As Carra and his contributors take you into the dressing rooms and out onto the pitches of the world's most celebrated stadiums, they relive some of the defining moments of their playing careers as well as many more from the greatest football matches ever played - from title deciders and cup finals to against-all-odds comebacks, tactical masterclasses and old school classics. Packed full of hilarious stories, exclusive anecdotes and refreshing appraisals, in The Greatest Games Jamie Carragher takes you into the heart of these matches, revealing new insights into the teams, players and coaches that have shaped football.

Craig Bellamy

Dominic Matteo has played alongside some of English football's biggest names. He remains one of the few internationals to have appeared for both England and Scotland. In this book, he charts the ups and downs of a career that began when he was spotted as a 10-year-old playing for his local boys' team by Kenny Dalglish.

How to Be a Footballer

THE CROSS SPORTS BOOK AWARDS AUTOBIOGRAPHY OF THE YEAR The Sunday Times bestseller is 'brilliant, gripping, beautifully written, real,' says Jonathan Northcroft. So, you think you know Joey Barton. Think again. No Nonsense is the raw yet redemptive story of a man shaped by rejection and the consequences of his mistakes. He has represented England, and been a pivotal player for Manchester City, Newcastle United, Queens Park Rangers, Marseille, Burnley and Glasgow Rangers, but his career has featured recurring controversy. The low point of being sent to prison for assault in 2008 proved to be the catalyst for the re-evaluation of his life. Barton reveals the formative influences of a tough upbringing in Liverpool, gives a survivor's insight into a game which, to use his phrase, 'eats people alive' and speaks frankly about the gambling addiction that has left him facing a hefty ban. In addition to dealing with his past, he also expands on his plans for the future, and explains how he has redirected his energies since the births of his children. Candid, challenging, entertaining and intelligent, No Nonsense, is the game-changing autobiography that redefines the most fascinating figure in British football. 'Compelling' Donald McRae, Guardian 'Brilliant' Matt Lawton, Daily Mail

ALEX FERGUSON My Autobiography

This is a personal account of Pepe's rise to the top of football. From winning the World Cup, FA Cup and European Championships to the agony of a Champions League final defeat and surviving the off-pitch drama that tore one of the country's greatest football clubs apart.

The Greatest Games

'Compelling, unconventional. Genius' Michael J. Fox, New York Times 'Up-ends received wisdom about disability, testifies to an uncrushable spirit and an ordinary, extraordinary family... Revolutionary' David Mitchell, author of Cloud Atlas 'A profound, contemplative work' New Statesman 'A powerful examination... a wonderful memoir' Independent _____ Jan Grue was diagnosed with spinal muscular atrophy at the age of three, along with the assumption that his life would be narrow and limited. In I Live a Life Like Yours, he confronts this spectacular failure to anticipate the life that he lives now - as a husband, a father, a professor - and sets out to forge a radical new way to tell his story. _____ FURTHER PRAISE FOR I LIVE A LIFE LIKE YOURS 'Stunning... restrained, dazzlingly intelligent' Observer 'A quietly brilliant book that warms slowly in the hands. Artful' New York Times 'This is a voice that has found inventive ways to imagine and frame disability and difference' Raymond Antrobus,

author of *All the Names Given* 'Sensitive and beautiful... Jan tells the story of how he came to his own understanding with exactness and poetry' Jarred McGinnis, author of *The Coward* 'Quietly but insistently radical, a book which demands space and leaves change behind' Jessie Greengrass, author of *Sight and The High House* 'A gift to read' Sunaura Taylor, author of *Beasts of Burden* 'All of us, whether we consider ourselves disabled or nondisabled, will understand more full what it means to be human if we accompany Jan Grue in his rich travels' Rosemarie Garland-Thomson, author of *Extraordinary Bodies* 'An elegant meditation... a tart and spare palate cleanser' Vulture

Dominic Matteo

The candid, revealing autobiography of soccer's greatest and most controversial star. "Sometimes I think that my whole life is on film, that my whole life is in print. But it's not like that. There are things which are only in my heart—that no one knows. At last I have decided to tell everything."—Diego Maradona A poor boy from a Buenos Aires shanty town, Diego Maradona became a genius with the soccer ball, kicking his way to the heights of South American, European, and world soccer, yet his struggles with the pressures of life inside and outside the game repeatedly threatened to tear him and his legend down. Hero or villain, one thing about Maradona is certain: He was the greatest soccer player of his generation—and perhaps of all-time. Never before has the legendary Maradona given us his extraordinary story in his own words—until now. From his poverty-stricken origins to his greatest glories on the field, Maradona recounts, with astonishing frankness and brilliant insight, the pivotal moments of his life—the pressures of being a child prodigy, the infamous semi-final game against England in the 1986 World Cup, an incredible turn-around and the dream-turned-sour at Napoli, and the shame and disgrace of his positive drug test at USA 1994. In this amazingly honest autobiography, we see inside the mind of one of the most talented, controversial, and complex sportsmen of our times—a man torn between the demands of corporate club bosses, the fans, the media, and his own tempestuous personal life. With a new epilogue exclusive to this paperback edition that brings Maradona's remarkable story up-to-date and more than eighty wonderful photographs, Maradona is a confessional, a revelation, an apology, and a celebration. 20 color and 63 black-and-white photographs

No Nonsense

The Sunday Times Bestseller and Number 1 Sport Book of 2016 'A tale that's truly inspirational' The Sun An ordinary lad from Sheffield, Jamie Vardy has become known as an against-the-odds footballing hero the world over. Yet a few years ago, things couldn't have been any more different. Rejected as a teenager by his boyhood club, Jamie thought his chance was gone. But from playing pub football and earning £30 a week at Stocksbridge Park Steels, while still working in a factory, his off-the-cuff performances saw him rise. Jamie had a wild and turbulent youth, but football became his saving grace and, once he filled his boots with goals at FC Halifax Town and Fleetwood Town, he moved to Leicester City. After the miracle of surviving relegation, the team of unlikely outsiders bonded together to achieve the unthinkable: Jamie set the record as the first player to score in 11 consecutive Premier League matches and Leicester beat odds of 5000-1 to become champions. Jamie has now been nominated for the Ballon d'Or, firmly establishing himself as one of England's leading goal scoring footballers. Not forgetting his roots, however, he has set up the V9 Academy in a bid to find the next big talent from non-league football. Defying all expectations, this is the story of the boy from nowhere who reached the top in his own unflinching, honest words.

Pepe

From the award-winning journalist and author, a lyrical, raw and humane investigation of dementia that explores both the journeys of the people who live with the condition and those of their loved ones After a diagnosis of dementia, Nicci Gerrard's father, John, continued to live life on his own terms, alongside the disease. But when an isolating hospital stay precipitated a dramatic turn for the worse, Gerrard, an award-winning journalist and author, recognized that it was not just the disease, but misguided protocol and harmful practices that cause such pain at the end of life. Gerrard was inspired to seek a better course for all who suffer because of the disease. *The Last Ocean* is Gerrard's investigation into what dementia does to both the person who lives with the condition and to their caregivers. Dementia is now one of the leading causes of death in the West, and this necessary book will offer both comfort and a map to those walking through it. While she begins with her father's long slip into forgetting, Gerrard expands to examine dementia writ large. Gerrard gives raw but literary shape both to the unimaginable loss of one's own faculties, as well as to the pain of their loved ones. Her lens is unflinching, but Gerrard

honors her subjects and finds the beauty and the humanity in their seemingly diminished states. In so doing, she examines the philosophy of what it means to have a self, as well as how we can offer dignity and peace to those who suffer with this terrible disease. Not only will it aid those walking with dementia patients, *The Last Ocean* will prompt all of us to think on the nature of a life well lived.

I Live a Life Like Yours

The Sunday Times no.1 bestselling memoir from Harry Redknapp 'From kicking a ball as a kid under the street lamps of Poplar and standing on Highbury's North Bank with my dad, to my first game at West Ham, I was born head over heels in love with football. It saved me, and 50 years on that hasn't changed one bit - I'd be lost without it...' Harry is the manager who has seen it all - from a dismal 70s Portakabin at Oxford City and training pitches with trees in the middle to the unbeatable highs of the Premiership, lifting the FA Cup and taking on Real Madrid in the Champions League. With his much loved, no-nonsense delivery, Harry brings us a story filled with passion and humour that takes you right inside every drama of his career. Harry finally tells the full story of all the controversial ups and downs - the pain and heartache of his court case, the England job, his love for Bobby Moore, his adventures at Portsmouth with Milan Mandaric, the Southampton debacle, Tottenham and Daniel Levy, and not forgetting his years at West Ham or the challenges at his current club QPR. It's the epic journey of one of the great managers and, along the way, the story of the British game itself over the last five decades. In an era now dominated by foreign coaches Harry is the last of an old-fashioned breed of English football man - one who has managed to move with the times and always come out fighting.

Reboot

America's greatest crime writer investigates his mother's murder. On 21 June 1958, Geneva Hilliker Ellroy left her home in California. She was found strangled the next day. Her ten year-old son James had been with her estranged husband all weekend and was informed of her death on his return. Her murderer was never found, but her death had an enduring effect on her son - he spent his teens and early adult years as a wino, petty burglar and derelict. Only later, through his obsession with crime fiction, triggered by his mother's murder, did Ellroy begin to delve into his past. Shortly after the publication of his groundbreaking novel *WHITE JAZZ*, he determined to return to Los Angeles and, with the help of veteran detective Bill Stoner, attempt to solve the 38-year-old killing. The result is one of the few classics of crime non-fiction and autobiography to appear in the last few decades; a hypnotic trip to America's underbelly and one man's tortured soul.

Maradona

One of the most talked about stars in the world of soccer, Wayne Rooney now talks about . . . Wayne Rooney—no-holds-barred. Wayne Rooney is barely twenty-two years old, and he's already one of the finest soccer players in the world. Colorful and controversial, he plays—and lives—with an intensity that's unmatched on and off the field. With remarkable candor, he now tells the true story of his life. From his working-class upbringing on the back streets of Liverpool and his Premiership debut as a sixteen-year-old phenom to his ebullient entrance on the international scene in the 2004 European tournament and the raw drama of the 2006 World Cup, *Wayne Rooney: My Story* is an honest and inspiring account of a prodigiously gifted youngster and his meteoric rise to fame and fortune. It is a riveting tale of adversity and triumph, of champions and championships, of a private life that never could escape the headlines . . . and of a remarkable athlete whose destiny was forever altered when Manchester United came calling in the summer of 2004.

Jamie Vardy: From Nowhere, My Story

When his autobiography *The Guv'nor* was published, it turned bareknuckle champion Lenny McLean into an unlikely cult hero. His widow here takes up the pen on his behalf, to reveal more colourful incidents - Lenny's winning match against the Mafia's best boxer, and his acting career.

The Last Ocean

'What we all need,' said Larry, 'is sunshine . . . a country where we can grow.' 'Yes, dear, that would be nice,' agreed Mother, not really listening. 'I had a letter from George this morning - he says Corfu's wonderful. Why don't we pack up and go to Greece?' 'Very well, dear, if you like,' said Mother unguardedly. Escaping the ills of the British climate, the Durrell family - acne-ridden Margo, gun-toting

Leslie, bookworm Lawrence and budding naturalist Gerry, along with their long-suffering mother and Roger the dog - take off for the island of Corfu. But the Durrells find that, reluctantly, they must share their various villas with a menagerie of local fauna - among them scorpions, geckos, toads, bats and butterflies. Recounted with immense humour and charm *My Family and Other Animals* is a wonderful account of a rare, magical childhood. 'Durrell has an uncanny knack of discovering human as well as animal eccentricities' *Sunday Telegraph*

Andy Robertson

The phenomenal *Sunday Times* bestselling autobiography by Kevin Keegan, one of the greatest players in English football history, famed for his style on the pitch, his relentless ambition and passion for the game. 'And I'll tell you, honestly, I will love it if we beat them. Love it!!!' Kevin Keegan, 1996 *In My Life in Football* Keegan tells the story of his remarkable rise through the sport, from the Peglers Brass Works reserve team in Doncaster to helping Liverpool become the kings of Europe, winning a Bundesliga title with Hamburg and captaining England. Keegan was recognized around the world as one of the sport's genuine superstars and remains the only Englishman to win the Ballon d'Or twice. As a manager, Keegan's five-year spell in charge at Newcastle is now legendary; he led the club from the depths of the old Second Division to the brink of the Premier League title with a breathtaking vision and flamboyant style that saw his team dubbed 'The Entertainers'. Fifty years since making his professional debut, Keegan tells the full story of the exhilarating highs and excruciating lows, from that epic battle with Sir Alex Ferguson and Manchester United in the 1995-6 season, as well as the pain of managing England and, finally, the shattering truth about his unhappy return to Newcastle in the controversial Mike Ashley era. Brilliant, funny, passionate, deeply moving and incredibly honest, *My Life in Football* is the story of the miner's son from Doncaster who became a superstar and was known to his adoring fans as 'King Kev'.

Always Managing

THE *SUNDAY TIMES* BESTSELLER 'Wrighty's characteristic honesty means his book is far more engrossing than most bland football memoirs' *Sunday Times* Ian Wright, Arsenal legend, England striker and TV pundit extraordinaire, is one of the most interesting and relevant figures in modern football. His journey from a South London council estate to national treasure is everybody's dream. From Sunday morning football directly to Crystal Palace; from 'boring, boring Arsenal' to inside the Wenger Revolution; from Saturday afternoons on the pitch to Saturday evenings on primetime television; from a week in prison to inspiring youth offenders, Ian will reveal all about his extraordinary life and career. Ian will also frankly discuss how retirement affects footballers, why George Graham deserves a statue, social media, why music matters, breaking Arsenal's goal-scoring record, racism, the unadulterated joy of playing alongside Dennis Bergkamp and, of course, what he thinks of Tottenham. Not a standard footballer's autobiography, Ian Wright's memoir is a thoughtful and gripping insight into a Highbury Hero and one of the greatest sports stars of recent years.

My Dark Places

THIS IS THE CLASSIC BOOK THAT STARTED AN ENTIRE GENRE – THE STORY OF THE MOST ICONIC HARDMAN OF THEM ALL. Lenny McLean was one of the deadliest bareknuckle fighters Britain has ever seen. He had dear, powerful friends, but he also had terrible enemies. So much so that he had two bullet wounds in his back – each from a different attack. He was also stabbed repeatedly – always from behind. But Lenny was also a warm, big-hearted grizzly bear of a man, whose main weakness was an overwhelming desire to put the welfare of his mates ahead of his own well-being. In his extraordinary autobiography, he tells of how the mafia flew him to New York to take on their greatest bareknuckle boxer in a multi-million pound illicit bout. The Mafia's man lasted less than three minutes. When the IRA fronted up a London gang in a money-laundering scam, Lenny was brought in to intimidate the terrorists. The IRA, not surprisingly, backed off. . . His most serious trial came when he was accused of murder. Fighting to prove his innocence against a minimum sentence of twenty-five years, Lenny never gave up – and went on to be found not guilty. This is a tale of one man's triumph against almost insurmountable odds, in a battle that Len fought every day for himself, and to 'put steam on the table' for his wife and kids.

Wayne Rooney

WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE An extraordinary evocation of a grown daughter's attachment to her mother, and of both women's strength and resiliency. I Remain in Darkness recounts Annie's attempts first to help her mother recover from Alzheimer's disease, and then, when that proves futile, to bear witness to the older woman's gradual decline and her own experience as a daughter losing a beloved parent. I Remain in Darkness is a new high water mark for Ernaux, surging with raw emotional power and her sublime ability to use language to apprehend her own life's particular music. A Washington Post Top Memoir of 1999

Married to the Guv'nor

The Cynster phenomenon continues with this new addition to the beloved series from the international bestselling author of "The Ideal Bride" and "The Perfect Lover."

My Family and Other Animals

'England invented football, codified it, became champions of the world in 1966 but humiliatingly then forgot how to play the greatest game of all. England took their eye off a ball they arrogantly thought they owned, allowing other nations to run off with it.' It was Fifty Years of Hurt from when Bobby Moore lifted the World Cup trophy at Wembley to arguably the nadir of the national game - defeat by Iceland at Euro 2016 and the most botched managerial appointment in FA history. In this groundbreaking book, a Sunday Times bestseller, Henry Winter addresses the state England are in as they celebrate, or rather not, the golden anniversary of their greatest moment. Part lament, part anatomy of an obsession, both personal and collective, it analyses the truth behind the endless excuses, apports the blame for the crimes against English football, but is also a search for hope and solutions. As well as players and managers, Henry Winter talks to the fans, to agents, to officials, to the governing bodies, about every aspect, good and bad, of English football over the past five decades to provide answers to the question: 'where did it all go wrong?'. It is a passionate journey by a writer with vast personal insight into the national team, with unprecedented access to all areas of the game, but also by a fan who wants his England back. The Fifty Years of Hurt must end.

My Life in Football

Morley revisits the past he has long struggled to forget: his childhood in Stockport, his teenage years, and the unfathomable suicide of his depressive father. He also considers how the deaths of Ian Curtis, Elvis Presley and Marc Bolan might have had an impact on the story.
