Un château en Irlande

Reproduction of the original: Castle Rackrent by Maria Edgeworth

Un château en Irlande ; La forêt des secrets

The Collected Works of W. B. Yeats, Volume IX: Early Articles and Reviews is part of a fourteen-volume series under the general editorship of eminent Yeats scholars Richard J. Finneran and George Mills Harper. This first complete edition includes virtually all of the Nobel laureate's published work, in authoritative texts with extensive explanatory notes. Coedited by John P. Frayne and Madeleine

Marchaterre, *Early Articles and Reviews* assembles the earliest examples of Yeats's critical prose, from 1886 to the end of the century -- articles and reviews that were not collected into book form by the poet himself. Gathered together now, they show the earliest development of Yeats's ideas on poetry, the role of literature, Irish literature, the formation of an Irish national theater, and the occult, as well as Yeats's interaction with his contemporary writers. As seen here, Yeats's vigorous activity as magazine critic and propagandist for the Irish literary cause belies the popular picture created by his poetry of the "Celtic Twilight" period, that of an idealistic dreamer in flight from the harsh realities of the practical world. This new volume adds four years' worth of Yeats's writings not included in a previous (1970) edition of his early articles and reviews. It also greatly expands the background notes and textual notes, bringing this compilation up to date with the busy world of Yeats scholarship over the last three decades. *Early Articles and Reviews* is an essential sourcebook illuminating Yeats's reading, his influences, and his literary opinions about other poets and writers.

Castle Richmond

When a long-time servant of the Rackrent family decides to write about family members whom he has served, the result is a stylishly entertaining exploration of master/servant relationships. Edgeworth's brilliant satire of early-19th-century Anglo-Irish landlords pioneered the regional novel and changed the focus of conflict in Ireland from religion to class.

Castle Richmond

Anthony Trollope (1815 – 1882) was an English novelist of the Victorian era. Among his best-known works is a series of novels collectively known as the *Chronicles of Barsetshire*, which revolves around the imaginary county of Barsetshire. "Castle Richmond" is the third of five Trollope's novels set in Ireland. The plot of the novel features the competition of two Protestant cousins of English origin, Owen Fitzgerald and Herbert Fitzgerald, for the hand of Clara Desmond, the noble but impoverished daughter of the widowed Countess of Desmond.

Castle Rackrent, an Hibernian Tale

Comme le soleil brillait joyeusement après la pluie, sur les grands arbres qui abritaient le vieux château Daly et sur la pelouse verte qui descendait jusqu'à la route, au bord du lac Carrib ! Le vaste horizon était bordé par les têtes sombres des montagnes, qui se reflétaient sur les eaux bleues du lac. Les habitants du château erraient avec délices dans les allées détrempées du jardin, sans s'inquiéter que le déjeuner fût servi, car l'inexactitude ajoutait pour eux un certain charme au plaisir de se passer une si douce fantaisie que de courir sans chapeau jusqu'au bord du lac. Fruit d'une sélection réalisée au sein des fonds de la Bibliothèque nationale de France, Collection XIX a pour ambition de faire découvrir des textes classiques et moins classiques dans les meilleures éditions du XIX^e siècle.

Castle Rackrent [by M. Edgeworth].

Lorsqu'il emménage avec ses parents dans une demeure léguée par une vieille tante, Sam Chicotte, huit ans, se lie instantanément d'amitié avec Edgar, le gentil fantôme qui hante les lieux. Et le garçonnet ne recule devant rien afin de protéger son nouveau copain de la sorcière madame Kelleur, une voisine qui est prête à tout afin de se débarrasser de lui. Il peut heureusement compter sur l'aide d'Alice, sa grande complice, ainsi que sur le notaire Legrand, un ami de la famille... Sous ce titre: madame Kelleur invite Alice et toute la famille Chicotte à l'accompagner en Irlande, dans le manoir de sa famille, soi-disant pour célébrer leur bon voisinage qui dure depuis maintenant un an. Or, les enfants se doutent bien que ce n'est qu'une machination pour éliminer Edgar une fois pour toutes. Et ils en ont la preuve lorsqu'ils découvrent que le château de Dublin est l'un des seuls endroits au monde où il est possible de faire disparaître les fantômes en les touchant à trois reprises lors du jeu de la tague paralysante. Heureusement, un trèfle à quatre feuilles, l'aide du docteur Legrand et une formule magique permettent d'éviter le pire... [SDM].

"Castle Richmond" by Anthony Trollope is set in southwestern Ireland at the beginning of the Irish famine. Castle Richmond is situated on the banks of the Blackwater River in County Cork. The plot features the competition of two Protestant cousins of English origin, Owen Fitzgerald and Herbert Fitzgerald, for the hand of Clara Desmond, the noble but impoverished daughter of the widowed

Countess of Desmond, providing the novel's principal dramatic interest. Castle Richmond was the first of several novels by Trollope in which bigamy played an important role.

Castle Rackrent and The Absentee

Castle Richmond is the third of five novels set in Ireland by Anthony Trollope. Castle Richmond was written between 4 August 1859 and 31 March 1860, and was published in three volumes on 10 May 1860. It was his tenth novel. Trollope signed the contract for the novel on 2 August 1859. He received £600, £200 more than the payment for his previous novel, *The Bertrams*, reflecting his growing popular success. Castle Richmond is set in southwestern Ireland at beginning of the Irish famine. Castle Richmond is situated on the banks of the Blackwater River in County Cork. Trollope's work in Ireland from 1841 to 1859 had given him an extensive knowledge of the island, and Richard Mullen has written that "All the principal strands of his life were formed in Ireland." The plot, unusually complicated among Trollope's novels, features the competition of two Protestant cousins of English origin, Owen Fitzgerald and Herbert Fitzgerald, for the hand of Clara Desmond, the noble but impoverished daughter of the widowed Countess of Desmond, providing the novel's principal dramatic interest. Castle Richmond was the first of several novels by Trollope in which bigamy played an important role. The Irish famine and efforts by authorities to mitigate its effects are the subject of many scenes and the object of abundant commentary throughout. The famine also occasions more explicit religious commentary than is typical in novels by Trollope. The critical reception to the novel was limited but generally favourable. However, Castle Richmond did not sell particularly well

Castle Rackrent

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Castle Rackrent

This reference brings to life every aspect of castles and castle life: why and how they were built, the weapons that were used in them, their social life in ordinary and extraordinary times, their provisioning, their maintenance and their changing role in a continually evolving political climate.

Castle Richmond 1

Moore spares neither landlords nor tenants, priests or nationalists in his narrative.

L'Irlande il y a quarante ans

Castle Richmond is about the fortunes and relationships of two families of the Irish aristocracy, set against the harrowing background of the Great Famine. Sir Thomas Fitzgerald is being blackmailed by two disreputable men over the question of his children's legitimacy. His relative, who stands to inherit should the children prove illegitimate, is caught between the girl he loves and the girl's mother, who loves him.

Le Trèfle D'Irlande

Although known for its lush green vistas and glorious countryside, Ireland also boasts an architectural trove of 18th- and 19th-century country houses. Great Houses of Ireland reveals 26 of these wonderful castles and county seats, many never published before in full color.

Petit Poilu - Tome 13 - Au château de Crotte de Maille

Intoxiqué par de drôles de rochers péteurs, Petit Poilu se réveille dans le royaume de Crotte de Maille, le roi débonnaire d'un étrange château en forme de cuvette de W.-C. Mais le roi et sa cour sont en bien mauvaise posture : l'infâme Cacagnou le Puant fait régner la terreur au château... et voit d'un très mauvais oeil l'arrivée de notre gentil Petit Poilu. Ulcéré par l'excellent accueil que le roi, la reine et tous leurs sujets réservent à Petit Poilu, Cacagnou le Puant décide de l'attaquer, avec de bien curieux projectiles. Mais face à tant de méchanceté, tous vont aider Petit Poilu et s'unir pour chasser une bonne fois pour toutes Cacagnou le Puant.

Au château de Crotte de Maille

Rapetissé lors de son passage dans un étrange chemin, Petit Poilu atterrit dans un garde-manger bien rempli. Installé sur une part de gâteau, il y rencontre Soussou, une gentille souris. Mais voici que Profitroll, l'enfant troll, saisit la part de gâteau et l'enfourne dans sa grande bouche de glouton ! Assis sur la langue de Profitroll, au cœur d'une bande de dents plus cariées et cassées les unes que les autres, Petit Poilu va tout faire pour sauver les pauvres petites dents de lait ! Un album sous le signe de l'aide et l'entraide !

Dans la bouche de Profitroll

C'est dans le magnifique palais des mille et une gemmes que Petit Poilu fait la rencontre d'une farouche petite princesse nommée Suzette. Dans un univers un brin psychédélique, cette petite éléphante va accueillir notre héros comme un prince ! Mais, malheureusement, Petit Poilu se rendra rapidement compte que la princesse peine à s'amuser... L'anxiété de Suzette l'empêche de jouer comme elle le voudrait. La peur du noir, la peur de l'eau, la peur des autres sont autant de blocages qui empêchent la princesse de profiter de ces moments partagés... Une histoire de Petit Poilu touchante, dans une ambiance scintillante, pour parler avec votre enfant des peurs en tout genre. De ses peurs à lui, bien sûr, mais, qui sait, peut-être aussi des vôtres...

Petit Poilu - Tome 28 - T'inquiète Suzette !

Petit Poilu découvre le monde merveilleux du cirque. Sans le vouloir, il surgit en plein numéro du clown Pignouf et il fait rire tout le monde ! Immédiatement adopté par Pignouf, notre Petit Poilu se heurte à l'hostilité de Félicien, le directeur du cirque, qui le met dehors. Le pauvre clown Pignouf est affreusement déçu ! Lui qui était si content de s'être trouvé un ami, le voilà tout triste... Mais c'est mal connaître Petit Poilu, qui va retrouver son nouvel ami Pignouf et s'entraîner en secret avec lui. Au programme, jonglerie, acrobatie et rigolade, mais ce n'est pas toujours facile, et notre Petit Poilu se décourage parfois. Grâce au soutien de Pignouf, cela ne dure pas, et après bien des efforts, Petit Poilu donne un spectacle grandiose et hilarant, dont il sort fier et heureux, sous une pluie d'applaudissements. Un récit tout en images et sans paroles, idéal pour les petits qui ne savent pas encore lire, sur la persévérance et la témérité.

Petit Poilu - Tome 14 - En piste les andouilles !

Place à l'action ! Dans "Superpoilu"

Petit Poilu - Tome 18 - Superpoilu

Petit Poilu est un gourmand : quand de belles fraises sont sur son chemin, il ne résiste pas à l'envie de les croquer ! Au bout du tunnel où poussent ces fruits savoureux, il découvre une minuscule maison au milieu d'un jardin tout aussi minuscule. C'est le monde de Madame Minuscule, qui habite là avec sa chèvre Biquette Tagada. Madame Minuscule est aux anges. Généreuse et accueillante, elle s'empresse d'inviter Petit Poilu à partager son goûter. Mais, pour une fois, Petit Poilu est bien trop grand pour ce monde miniature. Madame Minuscule est très embêtée. Elle qui se réjouissait d'avoir un invité... Heureusement, notre petit-grand héros a de la suite dans les idées. Trop grand ou trop petit, peu importe, rien n'empêchera ces deux-là de se régaler ! Avec tendresse et humour, Madame Minuscule est une belle histoire au charme désuet pour aborder la notion de grandeur et parler logique avec les enfants.

Petit Poilu - Tome 20 - Madame Minuscule

Petit Poilu découvre le pays d'Allume et d'Allumette, un petit couple en détresse. Dans leur univers brûlant, des boules explosent à tour de bras, des filets de lave rouge et brûlante dégoulinent de-ci de-là, il est grand temps de quitter cette terre hostile avant de ressembler à un véritable poulet rôti ! Petit Poilu et ses deux nouveaux amis se lancent à l'aventure en espérant vivre des jours meilleurs. Après une épuisante traversée, le trio aborde le rivage du paisible village de Chandelle-sur-Trouille. Mais pas de chance, les Chandellains et les Chandellaines semblent être extrêmement trouillards et finissent par chasser les trois rescapés à coups de fourche ! Petit Poilu et ses amis sont obligés de partir en laissant derrière eux le rêve d'un avenir plus doux... Et pour aller où ? La peur de l'autre est au cœur de cette histoire forte qui parle de la problématique des réfugiés et de l'exil avec humour et poésie. Un sujet d'actualité sensible qu'il est possible d'aborder avec les enfants et ce dès leur plus jeune âge.

Petit Poilu - Tome 21 - Chandelle-sur-Trouille

Dans le monde des oiseaux où Petit Poilu s'est cette fois retrouvé parachuté règne un prince bien malheureux. Prisonnier d'une grande cage dorée, le prince comme le décor qui l'entoure sont en noir et blanc. La faute à Topor, un sinistre corbeau qui le suit à la trace. Petit Poilu essaie tant bien que mal d'insuffler un peu de joie au prince avec des jouets colorés, mais le satané corbeau les détruit à chaque fois... Inébranlable, notre petit héros préféré sort alors de son sac à dos peintures et palette et entreprend de repeindre le triste prince et son monde. Avec succès : les couleurs s'étalent, la vie

reprend ! Et, cette fois, le prince ne se laissera pas faire. En quelques habiles coups de pinceau, il transforme le vilain Topor en oiseau rose à pois verts et s'affranchit même de sa cage ! Avec cette nouvelle fable juste, sensible et ludique, Petit Poilu apprend aux petits lecteurs comment réagir aux influences néfastes.

Petit Poilu - Tome 19 - Le prince des oiseaux

Petit Poilu explore les coulisses d'un théâtre de marionnettes. Il y rencontre les mains de Nono le marionnettiste qui, très inspiré, fabrique une marionnette à l'image de notre Petit Poilu fort intrigué... Et plus encore quand ce double de chiffon se met à copier toutes ses attitudes, provoquant chez notre petit héros des réactions pour le moins étonnantes ! Une fable muette et burlesque qui parle de l'image de soi, pour les tout jeunes lecteurs, dès 4 ans.

Petit Poilu - Tome 17 - A nous deux !

Torsades et spirales emportent Petit Poilu dans le monde de la diva Kary Cole, championne des plus belles bulles du royaume des escargots ! Petit Poilu se prend au défi de supplanter la diva, mais la belle, tenant à son titre, est prête à tout pour garder son statut de championne. Petit Poilu parviendra-t-il à se hisser à la première place et à devenir le créateur des plus grandes, des plus belles et des plus scintillantes bulles du royaume ?

Petit Poilu - tome 23 - Duel de bulles

Un étrange robinet géant, duquel s'écoule une chute d'eau suspendue dans le ciel ? Et voilà Petit Poilu précipité dans un magnifique jardin japonais ! Tout sali par son voyage, notre héros va heureusement arriver dans les thermes de la proprette Savonnette, qui va le rendre beau comme un sou neuf ! Mais voilà que débarque Antidouche le cracra qui, lui, ne l'entend pas de cette oreille... Accumulant les bêtises salissantes, Antidouche et Petit Poilu vont chambouler la pauvre Savonnette... Pas de bain pour Antidouche ! : un album sur le plaisir de se laver et... de se salir !

Petit Poilu - Tome 25 - Pas de bain pour Antidouche !

Petit Poilu, infiltré malgré lui dans un étonnant laboratoire, fait la rencontre de Miss Divine. Cette savante folle et déjantée, avide d'expériences en tous genres, va se servir de Petit Poilu comme d'un véritable cobaye ! Heureusement qu'il n'est pas le seul dans cette galère, la petite Ève fait aussi partie de l'aventure. Les bras mécaniques, Tchak Tchak et Kling Kling, actionnés par Miss Divine présentent aux enfants des jouets de toutes sortes. Lorsque Petit Poilu et la petite Ève s'emparent des jouets correspondant à leur sexe, tout va bien, Miss Divine est aux anges ! Mais lorsque Petit Poilu s'empare d'un bébé au couffin rose et que la petite Ève s'émerveille devant une belle voiture rouge, Miss Divine se transforme en un véritable démon ! Et la savante contrariée va dès lors mettre en place son expérience extraordinaire...

Petit Poilu - Tome 15 - L'expérience extraordinaire

Alors ça ! Voilà que Petit Poilu dégringole dans une nuit noire saupoudrée d'étoiles brillantes, jusqu'à rebondir sur le ventre mou d'un bien drôle de dormeur : Grosso Modo. Ouf... Mais le souci, c'est que ce dernier décide de faire de Petit Poilu son nouveau doudou favori ! Notre héros parviendra-t-il à échapper au ronfleur sensible sans lui briser le cœur (et le sommeil) ? Car lui préférerait jouer avec Papiloum, un sympathique papillon de nuit, plutôt que de rester coincé dans les bras de ce fameux ronfleur... Pierre Bailly et Céline Fraipont nous surprennent à nouveau en explorant la nuit avec cette merveilleuse histoire de doudou et d'endormissement. Une atmosphère nocturne magique, favorisant la discussion avec les enfants autour d'un univers qui les fascine et les inquiète tout à la fois.

Petit Poilu - Tome 26 - Grosso Modo

Dans cette nouvelle aventure, Petit Poilu va rencontrer Grignard et Bégu, deux adorables petits écureuils vivant au cœur d'une magnifique forêt nordique. Ces deux sympathiques bestioles sont très accueillantes mais, très vite, Bégu laisse transparaître les signes d'un égoïsme certain. Ce qui finit par taper sur les nerfs de notre héros au grand cœur. D'autant que Grignard, lui, vit dans la pauvreté la plus totale... Une histoire pour parler avec votre enfant du partage, de la soif de posséder, du plaisir de recevoir et de la joie de donner ! L'égoïsme et la soif de possession, deux problématiques aussi intemporelles qu'actuelles, traitées avec douceur par Pierre Bailly et Céline Fraipont, dont le Petit Poilu chuchote si bien aux oreilles des enfants...

Petit Poilu - Tome 27 - Tout pour moi, rien pour tous !
