

What Drowns The Flowers In Your Mouth

[#emotional suppression](#) [#silent suffering](#) [#finding your voice](#) [#inner turmoil](#) [#unexpressed feelings](#)

The poignant phrase "What Drowns The Flowers In Your Mouth" explores the hidden struggles that stifle our ability to express our true selves. It delves into the causes of emotional suppression and silent suffering, highlighting the devastating impact when our inner beauty, thoughts, and potential are metaphorically drowned before they can blossom into spoken words or actions, urging us to find and reclaim our authentic voice.

Our collection supports both foundational studies and cutting-edge discoveries.

McFly - Unsaid Things...Our Story

The intimate - and surprising - autobiography of Britain's most adored band Prepare to meet the real McFly ... In 2003, Tom Fletcher, Danny Jones, Harry Judd and Dougie Poynter came together and formed what would become one of the most popular and successful bands in the UK. Just teenagers at the time, they were catapulted into the limelight and had to adapt quickly to their new-found fame – and everything that came with it. Now, at last, they have decided to tell their story, in full and revealing detail. Speaking with candour and their trademark humour, Tom, Danny, Harry and Dougie share both the stories of their own lives and that of McFly. They give their personal insights into their contrasting childhoods, the individual paths that led them to the band, the struggles they have each overcome, their love lives and, of course, their music. Packed with previously untold stories, a lot of laughter and the occasional tear, Unsaid Things offers a privileged look into the lives of four guys who started out as bandmates and became best friends. Their unique camaraderie radiates from every page and by the end of the book, you'll know them almost as well as they know each other ... Tom Fletcher, Danny Jones, Harry Judd and Dougie Poynter have been together as McFly since 2003. They hold the record for being the youngest band to have a debut No 1 album in the UK. Their hits include: 'Five Colours in Her Hair', 'All About You', 'Please, Please' and 'Shine a Light'. They are one of the biggest bands in the UK.

The Dinosaur That Pooped Christmas!

Danny and Dino celebrate Christmas in the latest Dinosaur That Pooped story by Tom Fletcher and Dougie Poynter of the English pop punk group McFly. Danny wants everything for Christmas. But what he gets is a dinosaur, a very hungry dinosaur. Danny's new dino eats up all of Christmas, but as we all know, what goes in must come out. Danny is about to have the most explosive Christmas of his life! There's poop, presents, and prehistoric creatures in this festive feast! With a strong moral about the dangers of being greedy, The Dinosaur That Pooped Christmas! is sure to become a modern Christmas classic.

The Dinosaur That Pooped a Planet!

A hungry dinosaur in space eats Danny's space ship, and Danny must ride the dinosaur back to Earth.

Get Fit, Get Happy

Get Fit, Get Happy isn't about just transforming the way you look. It's about transforming the way you feel. Harry Judd is a member of the hugely successful bands McFly and McBusted who have headlined Hyde Park, notched up 19 hit singles - of which 7 went to number one - and 2 number-one albums. He is a much-loved former Strictly Come Dancing champion and has been crowned the nation's favourite ever winner of the show. And yet in spite of this success, there have been times when Harry has been prone to anxiety and other mental health issues. He's not alone. Today, anxiety, depression and other mental health problems affect more of us than ever before and we are all looking for ways to adapt, cope and survive the pressures of daily life. The one thing that Harry has turned to time and time again to

redress the balance in his life is fitness. Now, using a combination of exercise and dance, Harry makes the mood-boosting benefits of fitness accessible for everyone. Young or old, male or female, small or large, tall, short, thin, fat or somewhere in the middle: anyone will be inspired by Get Fit, Get Happy. Without any need for expensive kit or lots of time, Harry's approach is fun, fast, free. Part memoir in which Harry tells the life lessons that he has learned, and part richly researched fitness plan to get you feeling more positive, Get Fit, Get Happy is a fitness revolution to help people find a little more happiness in their lives.

A Cat, a Hat, and a Piece of String

An enthralling and enchanting collection of short stories from the bestselling author of *Chocolat* and *The Strawberry Thief*... Perfect for fans of Kate Atkinson and Kate Mosse as well as readers of Eve Chase and Stacey Halls. 'A vibrant tombola of stories...' -- Time Out 'Strongly plotted and written in registers that are variously comical, sad and surreal...' - Independent 'A jewel of a book' -- ***** Reader review 'Sublime and touching' -- ***** Reader review 'Unputdownable' -- ***** Reader review 'Compelling - you can lose yourself one story at a time' -- ***** Reader review ***** Stories are like Russian dolls; open them up, and in each one you'll find another story. Come to the house where it is Christmas all year round; meet the ghost who lives on a Twitter timeline; be spooked by a newborn baby created with sugar, spice and lashings of cake. Conjured from a wickedly imaginative pen, here is a new collection of short stories that showcases Joanne Harris's exceptional talent as a teller of tales, a spinner of yarns. Sensuous, mischievous, uproarious and wry, here are tales that combine the everyday with the unexpected; wild fantasy with bittersweet reality.

Ordinary Victories

Billy and Me

A gloriously romantic novel about fame, friendship and falling in love, from the No. 1 bestselling author and Queen of the Castle - perfect for fans of Jojo Moyes, Sophie Kinsella & Cecelia Ahern 'Gloriously romantic' JILL MANSELL 'Warm and romantic, this will brighten up your day' CLOSER Sophie May has a secret. One that she's successfully kept for years. It's meant that she's had to give up her dreams of going to university and travelling the world to stay in her little village, living with her mum and working in the local tearoom. But then Sophie unexpectedly meets the gorgeous Billy Buskin - a famous actor with ambitions to make it to the top. As they begin to grow closer, Sophie finds herself whisked away from the comfort of her life into Billy's glamorous - but ruthless - world. After years of shying away from attention, can Sophie handle the constant scrutiny that comes with being with Billy? How much is she prepared to give up along the way? And is their love strong enough to keep them together against the odds? Charming, heart-warming and utterly romantic, *Billy and Me* is an unforgettable story that will completely capture your heart. _____ 'Wonderfully warm and cosy. The perfect comfort read to curl-up with and enjoy' Ali McNamara 'Tons of charm and genuine warmth' Star Magazine 'A sweet and sparkling debut from a lovely lady. Sure to be a hit' Carole Matthews Only the most hard-hearted could fail to root for Sophie as she falls for A-lister Billy and must take on the mad, bad world of showbiz. This sweet debut reminded me of *Last Night at Chateau Marmont* Louise Candlish 'If you're looking for a romantic read and a summer treat that'll take you on a journey and leave you feeling like you've made a new friend, you'll love *Billy and Me*' Vanessa Greene 'This is one juicy read' Now 'Must read' Sunday Mirror

Mcfly

Em 2003, Tom Fletcher, Danny Jones, Harry Judd e Dougie Poynter se uniram para formar uma das mais populares e bem sucedidas bandas do Reino Unido. Ainda adolescentes, os integrantes do McFly foram parar direto sob os holofotes e tiveram que se adaptar depressa à fama recém-adquirida — e a tudo que a acompanhava. Agora, finalmente, eles contam sua história, com riqueza de detalhes. Com a sinceridade e o humor que são suas marcas registradas, Tom, Danny, Harry e Dougie compartilham histórias de sua vida e da trajetória do McFly. Eles relatam detalhes de suas infâncias, dos caminhos pessoais que levaram cada um à banda, das dificuldades que precisaram superar, de suas vidas amorosas e, é claro, de sua música. Recheado de histórias inéditas, divertidas e até emocionantes, McFly — Unsaid Things... Nossa história oferece uma visão privilegiada de quatro caras que começaram como parceiros de banda e se tornaram melhores amigos. Sua amizade única é percebida em cada página, fazendo com que, ao final deste livro, conheçamos os rapazes tão bem quanto eles mesmos.

The Case Against the Supreme Court

A preeminent constitutional scholar offers a hard-hitting analysis of the Supreme Court over the last two hundred years. Most Americans share the perception that the Supreme Court is objective, but Erwin Chemerinsky, one of the country's leading constitutional lawyers, shows that this is nonsense and always has been. The Court is made up of fallible individuals who base decisions on their own biases. Today, the Roberts Court is promoting a conservative agenda under the guise of following a neutral methodology, but notorious decisions, such as *Bush vs. Gore* and *Citizens United*, are hardly recent exceptions. This devastating book details, case by case, how the Court has largely failed throughout American history at its most important tasks and at the most important times. Only someone of Chemerinsky's stature and breadth of knowledge could take on this controversial topic. Powerfully arguing for term limits for justices and a reassessment of the institution as a whole, *The Case Against the Supreme Court* is a timely and important book that will be widely read and cited for decades to come.

There's a Monster in Your Book

From the bestselling author of *The Dinosaur That Pooped* and *The Christmasaurus*. A monster has invaded the pages of this original and super-fun bedtime picture book! Children need to read aloud and follow the interactive instructions to help free the pesky monster by tilting, spinning and shaking their book. After all that fun, there is a calming wind down end- perfect to send your own little monster off to sleep. Perfect for little fans of *The Very Hungry Caterpillar* and Julia Donaldson.

A Del of a Life

THE #1 SUNDAY TIMES BESTSELLER: a hilarious and heartfelt new autobiography from the national treasure Sir David Jason. 'There are British telly icons and then there is Sir David Jason. This book is such gold . . . an absolute delight' ZOE BALL. 'During my life and career I have been given all sorts of advice and learned huge amounts from some great and enormously talented people. I've been blessed to play characters such as Derek Trotter, Granville, Pop Larkin and Frost, who have changed my life in all sorts of ways, and taught me lessons that go far beyond the television set. And I've worked a few things out for myself as well, about friendship, ambition, rejection, success, failure, adversity and fortune. With any luck, some of these thoughts and observations will chime with episodes and challenges you have faced, or are facing, in your own life. And if they don't. . . well, hopefully, at the very least you'll get to have a good old laugh at my expense. So lean back, pour yourself a glass, and try not to fall through the bar flap . . .' 'An absolute delight . . . a romp with so much detail. Offers wisdom in difficult times . . . like being invited into his living room' BBC BREAKFAST 'It's beautifully written . . . so conversational and chatty . . . it's so lovely and warm' CHRIS MOYLES

Happy

'Wonderfully honest and relatable, and it's also extremely comforting and reassuring too' MIND, No.1 Mental Health charity 'I recommend this for anyone who's looking to find true consistent happiness' Craig David "This book is a way to release what's going on inside your head and to keep heading towards the good stuff. The simple stuff. The stuff that's going to really hit up that happiness on a deep and nourishing level. Whether you dip into these pages every now and then when you feel you need it, or use it daily as a positive exercise, I hope it brings you much relief, joy and calm. Amen to the pen." - Fearne Cotton For many of us, life can feel like it's moving too fast with pressure bearing down on us from all sides - whether that's from school or work, family or social media. As a result, we find ourselves frazzled, lost and - too often - feeling blue. It's a subject close to Fearne's heart. Drawing on her own experiences and including expert advice, HAPPY offers practical ways of finding joy each and every day. Happiness isn't a mountain to climb, it's just one foot in front of the other on the path of life, and here you'll find little steps that will help make the differences that count. With workbook elements to help you start and end the day well; get in touch with your creative side; and find peace through written exercises, simple practical ideas and visualisations, these are daily tricks and reminders to help you unlock that inner happiness.

Film Scriptwriting

This second edition of the widely acclaimed *Film Scriptwriting* is a truly practical manual for the working writer. It provides all the clear, step-by-step guidance you need to script both fact and feature film and video - from getting and developing ideas to the writing of master scene or shooting script. Featured

in this new edition are annotated excerpts from some of today's most successful films, selected to point up principles and techniques discussed. Interviews with working film specialists reveal the things professional directors, producers, story editor, and analysts look for in appraising the scripts that come across their desks.

The Creakers

A magical, mischievous adventure into an incredible new world, from Tom Fletcher, number-one-best-selling author of *The Danger Gang* and *The Christmasaurus*. Lucy wakes up one morning to discover something very strange indeed. All the grown-ups in her town have disappeared. All the other kids in Whiffington are so excited! No more grown-ups means no more school! No more bedtime! No more rules! But Lucy wants her mum back - and nothing is going to stop her. So - along with her friends Norman and Ella - Lucy sets off on an unbelievable adventure into a topsy-turvy, back-to-front and inside-out new world . . . The world underneath her bed. The world of . . . The Creakers! The number one bestseller, packed with amazing illustrations by Shane Devries. Praise for *The Creakers*: 'Stonkingly good . . . A compelling adventure and a nuanced celebration of friendship and family love' *The Guardian* '10 out of 10 bum trumps!' Guff the Creaker

The Christmasaurus

Bestselling author Tom Fletcher has re-invented his beloved Christmas story *The Christmasaurus* as a rhyming picture-book adventure for younger readers to enjoy - now in paperback! Santa and his reindeer live as north as you can go, in a place that's full of magic (and quite a lot of snow!). But Santa and his reindeer do not live there on their own, for there's a special dinosaur that also calls it home . . . The Christmasaurus wants more than anything to be able to fly, and help pull Santa's sleigh across the sky on Christmas Eve. But flying turns out to be much harder than he thought, even with Santa's help! One special Christmas, however, he falls down a chimney and meets a dinosaur-obsessed little boy who teaches him the magic of believing . . . With Shane Devries' breathtaking illustrations, a pitch-perfect, read-aloud rhyming text and two magical surprise gate-fold pages, *The Christmasaurus Picture Book* is the perfect Christmas gift.

Just Ignore Him

'A simply astonishing achievement. The quality, depth, emotional power and terrifying honesty of Alan Davies's story-telling take the breath away' Stephen Fry 'This hugely affecting book is brave, insightful and, at times, funny about things it is hard to be funny about' Jo Brand The story of a life built on sand. In the rain. In this compelling memoir, comedian and actor Alan Davies recalls his boyhood with vivid insight and devastating humour. Shifting between his 1970s upbringing and his life today, Davies moves poignantly from innocence to experience to the clarity of hindsight, always with a keen sense of the absurd. From sibling dynamics, to his voiceless, misunderstood progression through school, sexuality and humiliating 'accidents', Davies inhabits his younger mind with spectacular accuracy, sharply evoking an era when Green Shield Stamps, Bob-a-Job week and Whizzer & Chips loomed large, a bus fare was 2p - and children had little power in the face of adult motivation. Here, there are often exquisitely tender recollections of the mother he lost at six years old, of a bereaved family struggling to find its way, and the kicks and confusion of adolescence. Through even the joyous and innocent memories, the pain of Davies's lifelong grief and profound betrayal is unfiltered, searing and beautifully articulated. *Just Ignore Him* is not only an autobiography, it is a testament to a survivor's resilience and courage.

The Dinosaur that Pooped the Bed!

Discover the pooptastic world of Dino and Danny, from bestselling authors Tom Fletcher and Dougie Poynter! Danny and Dinosaur want to watch telly but Mum won't let them until they've tidied their room. So Danny thinks of a plan to make all the mess go away - he gets Dino to eat it all up! But just when they think they can get away with it, there's a rumble in Dino's tummy - another EXPLOSIVE adventure is about to begin! From the best-selling creators of *The Dinosaur That Pooped a Planet!*, *The Dinosaur That Pooped the Past!* and *The Dinosaur That Pooped a Princess!*

McFly: Unsaid things. nossa história

Uma das mais populares e bem sucedidas bandas do Reino Unido, o McFly lança sua biografia *McFly unsaid things...* nossa história, escrita pelos próprios integrantes da boy band: Tom Flechter, Danny Jones, Harry Judd, Dougie Poynter. No livro, os músicos contam as histórias da carreira do McFly, da vida pessoal e amorosa. Repleta de detalhes e histórias dos bastidores da turnê e do período em que moraram juntos, a biografia revela como os adolescentes se adaptaram à fama repentina e suas consequências. O encarte com fotos da infância, de shows, de turnê permite aos leitores e fãs se aproximarem da vida pessoal e da carreira do quarteto. Com sinceridade, o McFly revela os problemas enfrentados pelos membros da banda. O baixista Dougie Poynter, por exemplo, conta sobre a depressão profunda que o acometeu após o término do seu relacionamento com a cantora Frankie Sandford, da banda inglesa The Saturdays.

Wonderful Life

Centring on the discovery in the Burgess Shale of 530 million year old fossils unique in age, preservation and diversity, this book challenges perceptions about man's place in the history of life.

Of Body Snatchers and Cyberpunks

A lot has changed since 2015, and Ben Shapiro has something to say about it. In this curated sequel to "Facts Don't Care About Your Feelings," Shapiro breaks down American politics from 2015 to today like you've never seen before. Review political dog fights and the Democrats' radicalism problem through a poignant lens. Analyze the novel coronavirus and its economic implications through a perspective too often stamped out by the mainstream media. Explore the absurdities of "anti-racism," "mostly peaceful" protests and other leftist attempts to rewrite America. And discover pieces of the American identity—unity, free speech, capitalism and so much more—we have lost in the mayhem.

Facts (Still) Don't Care About Your Feelings

The spellbinding sequel to Tom Fletcher's bestselling magical adventure, *The Christmasaurus*. 'She is the best-kept Christmas secret of all,' whispered Santa Claus. 'Which is surprising, because Christmas itself would not exist without her. She is older than time itself, yet still as young as tomorrow. She is known only as the Winter Witch.' One year has passed since William Trundle's incredible adventure with the most extraordinary dinosaur: the Christmasaurus. Now, William is swept back to the magical North Pole, where he meets the mysterious, icy Winter Witch - whose power to control time allows Santa Claus to make the long journey all around the world every Christmas Eve. And when they learn that the fate of Christmas itself hangs in the balance, William and the Christmasaurus must work with the Winter Witch to protect it... Full of magic and music, humour and heart, and a friendship like no other, *The Christmasaurus and the Winter Witch* is the most enchanting Christmas read for the whole family by Tom Fletcher, star of BBC's *Strictly Come Dancing*

The Christmasaurus and the Winter Witch

Illustrating how the poems we love could have been written differently, or even badly, the author rewrites poems by authors ranging from Elizabeth Bishop to Shakespeare, and displays the reworked version side-by-side with the original, so one can gain a better understanding of the original work's merits.

De/Compositions

This nostalgic, fully-illustrated history of boy bands -- written by culture critic and boy band stan Maria Sherman -- is a must-have for diehard fans of the genre and beyond. The music, the fans, the choreography, the clothes, the merch, the hair. Long after Beatlemania came and went, a new unstoppable boy band era emerged. Fueled by good looks and even greater hooks, the pop phenomenon that dominated the '80s, '90s, and 2000s has left a long-lasting mark on culture, and it's time we celebrate it. Written by super fan Maria Sherman for stans and curious parties alike, *Larger Than Life* is the definitive guide to boy bands, delivered with a mix of serious obsession and tongue-in-cheek humor. *Larger Than Life* begins with a brief history of male vocal groups, spotlighting The Beatles, the Jackson 5, and Menudo before diving into the building blocks of these beloved acts in "Boy Bands 101." She also focuses on artists like New Edition, New Kids on the Block, Backstreet Boys, *NSYNC, One Direction, and BTS before ending with an interrogation into the future of boy bands. Included throughout are Tiger Beat-inspired illustrations, capsule histories of the swoon-iest groups, in-depth investigations into one-hit wonders, and sidebars dedicated to conspiracy theories, dating, in-fighting, haters, fan fiction,

fashion (Justin and Britney in denim, of course), and so much more. Informative, affectionate, funny, and never, ever fan-shaming, *Larger Than Life* is the first and only text of its kind: the ultimate celebration of boy bands and proof that this once maligned music can never go unappreciated.

Larger Than Life

In 1967, twelve young men attempted to climb Alaska's Mount McKinley - known to locals as Denali, -The High One- one of the most popular and deadly mountaineering destinations in the world. Only five survived. Journalist Andy Hall grew up in the mountain's shadow, the son of the ranger on duty at the time of the tragedy, and has spent years tracking down survivors, lost documents and recordings of radio communications to piece together the chain of events. In *Denali's Howl*, Hall reveals the full story of an expedition facing conditions conclusively established here for the first time: At an elevation of nearly 20,000 feet, these young men endured an eoeartctic super blizzard, with howling winds of up to 300 miles an hour and wind chill that freezes flesh solid in minutes. All this without the high-tech gear and equipment climbers use today. As well as the story of the men caught inside the storm, *Denali's Howl* is the story of those caught outside it trying to save them - Hall's father among them. The book gives readers a detailed look at the culture of climbing then and now and raises uncomfortable questions about each player in this tragedy. Was enough done to rescue the climbers, or were their fates sealed when they ascended into the path of this unprecedented storm?

The Farmer's Bride

A little girl discovers that eating ice cream from her grandfather's old ice-cream truck gives her the power to travel through time, in this brilliant, funny and heartwarming story from bestselling author Tom Fletcher.

Denali's Howl

The electrifying number one bestselling adventure from the author of *The Christmasaurus* and *The Creakers* and star of BBC's *Strictly Come Dancing* Tom Fletcher! Franky can't wait to move to his new town - although he wishes he didn't have to leave his best friend Dani behind. But everything changes after the storm, when strange green lightning and powerful thunder crash down on the town. From that night on, the kids who live on Franky's street start to change. One by one, they become a little odd. A little unusual. A little... magical. Franky's always wanted to be part of an amazing gang - just like his hero, super-spy Zack Danger! And soon, he realises that there's real danger in store for himself and his new friends. And so the Danger Gang is born...

Brain Freeze: World Book Day 2018

The concept of the five senses underpins all modern academic disciplines. Recent work has pushed forward the debate about their significance, and the extent to which our techniques of perception are not merely biological, but constructed and contestable. This book reflects the ways in which ordering of the senses informs law. Starting from the modern legal system's treatment of prohibitions, liabilities, properties and methods of proof and punishment, the contributors look at how understandings of the senses vary across a variety of legal areas, from intellectual property law to criminal law. It covers a range of issues including New Age travellers, consent in female circumcision and sadomasochism.

The Danger Gang

Between a fabulous promotion, stunning accessories, and celebrity parties, Ashley Albright is the luckiest girl around, but when that all changes Ashley learns that the best fortune might be lurking where she least expects.

Trailblazers and Unsung Heroes: A License To Thrill- All-time Football Greats of Yesteryear, focuses on forgotten stars from the glorious past. Author Danny Jones has dedicated most of his life, over 50 years preserving the legacy and memories of all-time legendary players from the past. They were outstanding players who somehow flew under the radar and slipped through the cracks of immortality. Most of these stars had the talent and credentials to be in the Pro Football Hall of Fame- but are not. Many of these guys were trailblazers, pioneers, and unsung heroes in the 50's, 60's, 70's, and 80's. Seven

out of 10 players in this book have waited over 40 years and still aren't in Canton, Ohio. A few of them have passed away. These unsung heroes defined an era with their brilliant performances. They were the biggest gate attractions in Pro Football. These legends of the fall have become distant memories. They were dedicated professionals who didn't play for money. These mavericks of yesteryear played because they loved the game. This book takes a glimpse back at the most memorable moments and best seasons of their illustrious careers. All 10 of these guys had a license to thrill. Hopefully, it's time for them to finally receive the recognition they deserve. I hope all of you get chosen to the Hall of Fame soon. That includes all 101 of the football legends I wrote about. Enjoy the book.

Just My Luck

'The man who coaches husbands on how to avoid divorce' The New York Times 'One husband's confession you might be tempted to hand to your other half next time he does something infuriating' Daily Mail 'Could genuinely help save a few rocky marriages' Literary Review One night during his divorce, after one too many vodkas and a phone-in-therapist's advice to 'journal his feelings,' Matthew Fray started a blog. As he tried to piece together how his ex-wife went from adoring to angry he realised that even though he was a decent guy, he was kind of a bad husband. From the raw, uncomfortable and darkly humorous stories he shared about the lessons he's learned from his failed marriage comes this strangely hopeful guide to saving relationships. This is How Your Marriage Ends offers immediately actionable advice to help readers identify toxic behaviour patterns in their own lives, and break them out of the cycles of dysfunction that ruin relationships. This is a must-read for people in any stage of a relationship, whether it's near the beginning or nearing the end. Good people can be bad partners - here's how to ensure that isn't you.

Trailblazers and Unsung Heroes

High and wild places have dominated Stephen Venables' life and now he has written a full autobiography which explores how and - more importantly - why he became a mountaineer, and reveals a series of never-recorded adventures on four continents. At its climax he revisits his dramatic success without oxygen on the Kangshung Face of Everest, described by Reinhold Messner as the most adventurous in Everest's history and by Lord Hunt as 'one of the most remarkable ordeals from which men or women have returned alive'. As Venables writes: 'Although we didn't go seeking deliberately an epic near-death experience, it did turn out that way - the ultimate endurance test for which all the previous adventures seemed, retrospectively, to be a preparation.'

This is How Your Marriage Ends

I Love You

The internationally bestselling book featuring the stuffed-animal cuteness of social media's favorite Pomeranian, one of the first-ever viral sensations. Everyone loved Boo! His signature fluffy head and teddy bear like persona were irresistibly adorable. With millions of Facebook fans, Boo became an international superstar. This charming book features exclusive photographs of Boo doing all his favorite things: lounging around, playing with friends, exploring the whole wide world, and making those famous puppy-dog eyes. To know Boo was to love him, and this book is for anyone who loved the cutest dog ever.

Eat, and Love Yourself

In this beautifully illustrated children's book, a heartwarming tale of motherly love unfolds in the Arctic north. In a timeless and universal story, a child tests the limits of independence and comfortingly learns that a parent's love is unconditional and everlasting. The lyrical text introduces young readers to a distinctively different culture, while at the same time showing that the special love that exists between parent and child transcends all boundaries of time and place. The story is complemented by graphically stunning illustrations featuring whales, wolves, puffins, and sled dogs. This tender and reassuring book is one that both parents and children will turn to again and again.

I Ruff You (Made with Love)

A young artist forges a path of self-discovery in an enriching novel about forgiving the past and embracing second chances, from the bestselling author of *An Unfinished Story*. Maine, 1969. After losing her parents in a car accident, aspiring artist Annalisa Mancuso lives with her grandmother and

their large Italian family in the stifling factory town of Payton Mills. Inspired by her mother, whose own artistic dreams disappeared in a damaged marriage, Annalisa is dedicated only to painting. Closed off to love, and driven as much by her innate talent as she is the disillusionment of her past, Annalisa just wants to come into her own. The first step is leaving Payton Mills and everything it represents. The next, the inspiring opportunities in the city of Portland and a thriving New England art scene where Annalisa hopes to find her voice. But she meets Thomas, an Ivy League student whose attentions--and troubled family--upend her pursuits in ways she never imagined possible. As their relationship deepens, Annalisa must balance her dreams against an unexpected love. Until the unraveling of an unforgivable lie. For Annalisa, opening herself up to life and to love is a risk. It might also be the chance she needs to finally become the person and the artist she's meant to be.
