Snowbird Christmas Vol. 3

Poetry, short stories and some longer stories called novelettes, all share these covers this year. Don't know exactly what a novelette is? That's a story shorter than a novella and too long to be a short story. And this year, we've got two of those! You will laugh and cry, sit on the edge of your seat, and enjoy many good old-fashioned memories, some of which you'll recognize. As always, we wish you a very Merry Christmas, one filled with happy memories, laughter, and peace. Whether your holiday is Hanukkah, Christmas, Kwanza or other, the blessings available are the same for us all. Be sure to claim your share.

Snowbird Christmas

While we can't always be together for the holidays, we're still together in our hearts. That's what Snowbird Christmas: Volume 1 is all about. We hope you enjoy our Christmas short stories and make some memories of your own!

Snowbird Christmas Vol 2

From our hearts to yours - no matter where you might be - we wish you a Merry Christmas and a Happy New Year! In 2012, we introduced Snowbird Christmas Vol 1, a collection of short holiday stories to warm your heart! Well, we've done it again, because you asked us to! We know that Christmas is all about love and we wish you the kind of Christmas that will make wonderful memories for you and yours. Rated G

Over the course of the last six decades, Elvis Presley has sold more than a billion records; his music has touched nearly every modern listener. Despite an avalanche of books on his life, there are, surprisingly, few about his musical creativity. In *Counting Down Elvis: His 100 Finest Songs*, Mark Duffett urges readers to put aside the misleading stereotypes and rumor-filled debates about Elvis and listen once again to the legend who emerged from Memphis. Elvis had a unique approach to music—one that was both powerful and versatile. In a career stretching across more than twenty years, Presley changed the face of popular music, drawing together genres—from country and blues to contemporary folk—and placing a unique stamp on all of them. *Counting Down Elvis: His 100 Finest Songs* explores the full range of Presley recordings, from his earliest numbers to posthumous hits, combing through gold records and unpolished gems to distill the best that Presley has to offer.
