History of the Church of Jesus Christ of Latter-Day Saints

In 1820, a young farm boy in search of truth has a vision of God the Father and Jesus Christ. Three years later, an angel guides him to an ancient record buried in a hill near his home. With God's help, he translates the record and organizes the Savior's church in the latter days. Soon others join him, accepting the invitation to become Saints through the Atonement of Jesus Christ. But opposition and violence follow those who defy old traditions to embrace restored truths. The women and men who join the church must choose whether or not they will stay true to their covenants, establish Zion, and proclaim the gospel to a troubled world. The Standard of Truth is the first book in Saints, a new, four-volume narrative history of The Church of Jesus Christ of Latter-day Saints. Fast-paced, meticulously researched, Saints recounts true stories of Latter-day Saints across the globe and answers the Lord's call to write history "for the good of the church, and for the rising generations" (Doctrine and Covenants 69:8).

History of the Church of Jesus Christ of Latter Day Saints; Volume 1

History of the Church of Jesus Christ of Latter-day Saints (originally entitled History of Joseph Smith) is a semi-official history of the early Latter Day Saint movement during the lifetime of founder Joseph Smith. It is largely composed of Smith's writings and interpretations and editorial comments by Smith's secretaries, scribes, and after Smith's death, historians of The Church of Jesus Christ of Latter-day Saints. The history was written between 1839 and 1856. It was later published in its entirety with extensive annotations and edits by B. H. Roberts as History of the Church of Jesus Christ of Latter-day Saints. The first six volumes of this work cover the "History of Joseph Smith" from his birth in 1805 to his death in 1844. Volume seven covers the material from immediately after Smith's death in June 1844 until the church's first general conference in Salt Lake City. Volume 1: 1805 – December 1833 Volume 2: January 1834 – December 1837 Volume 3: January 1838 – July 1839 Volume 4: July 1839 – May 1842 Volume 5: May 1842 – August 1843 Volume 6: September 1843 – June 1844 Volume 7: June 1844 – October 1848

A Comprehensive History of the Church of Jesus Christ of Latter-Day Saints

The History of the Church of Jesus Christ of Latter-day Saints is also the history of the opening and progress of the Dispensation of the fullness of Times; and as that dispensation bears an important relation to all dispensations which have preceded it, let us here ascertain in what that relation consists. By doing so we shall have a better appreciation of the full import of those events which make up the history of the Church. In publishing the History of the Church of Jesus Christ of Latter-day Saints, it is felt that a solemn duty is being performed to the Saints and to the world. The events which make up the history of the Church in this age are the most important that history can chronicle. It is due therefore both to the Saints themselves and to the world that a faithful and complete history of the facts in which the Church of Jesus Christ of Latter-day Saints had its origin, together with the events through which it was subsequently developed, and all the circumstances, experiences and trials through which it passed be made known to mankind. Elder B. H. Roberts consulted diaries, printed sources, and remembrances of Church members to prepare a history of the Church that centered mainly on the life of Joseph Smith. Before it was published, Elder Anthon H. Lund and President Joseph F. Smith read and approved the work. The resulting seven volumes, over forty-five hundred pages, known as the History of the Church has since become a great resource to Church members and historians alike.

History of the Church of Jesus Christ of Latter-day Saints, Period 1 is the History of Joseph Smith the Prophet: Years 1838 – 1839. Volume Three concludes, for the present, the history of the Church in Missouri. I think it proper, therefore, that here should be considered the causes of the Missouri persecutions, which resulted in the expulsion of the entire Church from that state. From all these considerations may they be established in peace, hope, confidence and charity; knowing that God is their friend; that His arm is strong to protect; or, if in the course of God's economy in the management of the affairs of the world it must needs be that for a time they suffer at the hands of oppressors, that He will avenge them of their enemies; and amply reward them for their sufferings in His cause. The general reader and the student of our history will find in this volume a larger collection of documents, official and otherwise, covering this period, than will be found elsewhere. HISTORY OF THE CHURCH OF JESUS CHRIST OF LATTER-DAY SAINTS - VOLUME 3

The history of The Church of Jesus Christ of Latter-day Saints (LDS Church) is typically divided into three broad time periods: the early history during the lifetime of Joseph Smith which is in common with all Latter Day Saint movement churches, a "pioneer era" under the leadership of Brigham Young and his 19th-century successors, and a modern era beginning around the turn of the 20th century as the practice of polygamy was discontinued. The Church of Jesus Christ of Latter-day Saints traces its origins to western New York, where Joseph Smith, founder of the Latter Day Saint movement, was raised. Joseph Smith gained a small following in the late 1820s as he was dictating the Book of Mormon, which he said was a translation of words found on a set of "golden plates" that had been buried near his home in western New York by an indigenous American prophet. On April 6, 1830, in western New York, Smith organized the religion's first legal church entity, the Church of Christ. The church rapidly gained a following, who viewed Smith as their prophet. The main body of the church moved first to Kirtland, Ohio in the early 1830s, then to Missouri in 1838, where the 1838 Mormon War with other Missouri settlers ensued, culminating in adherents being expelled from the state under Missouri Executive Order 44 signed by the governor of Missouri. After Missouri, Smith built the city of

Nauvoo, Illinois, near which Smith was assassinated. After Smith's death, a succession crisis ensued, and the majority voted to accept the Quorum of the Twelve, led by Brigham Young, as the church's leading body. After continued difficulties and persecution in Illinois, Young left Nauvoo in 1846 and led his followers, the Mormon pioneers, to the Great Salt Lake Valley. The group branched out in an effort to pioneer a large state to be called Deseret, eventually establishing colonies from Canada to present-day Mexico. Young incorporated The Church of Jesus Christ of Latter-day Saints as a legal entity, and governed his followers as a theocratic leader serving in both political and religious positions. He also publicized the previously secret practice of plural marriage, a form of polygamy. By 1857, tensions had again escalated between Mormons and other Americans, largely as a result of church teachings on polygamy and theocracy. The Utah Mormon War ensued from 1857 to 1858, which resulted in the relatively peaceful invasion of Utah by the United States Army, after which Young agreed to step down from power and be replaced by a non-Mormon territorial governor, Alfred Cumming. Nevertheless, the LDS Church still wielded significant political power in the Utah Territory as part of a shadow government. At Young's death in 1877, he was followed by other powerful members, who continued the practice of polygamy despite opposition by the United States Congress. After tensions with the U.S. government came to a head in 1890, the church officially abandoned the public practice of polygamy in the United States, and eventually stopped performing official polygamous marriages altogether after a Second Manifesto in 1904. Eventually, the church adopted a policy of excommunicating its members found practicing polygamy and today seeks to actively distance itself from "fundamentalist" groups still practicing polygamy. During the 20th century, the church grew substantially and became an international organization. Distancing itself from polygamy, the church began engaging, first with mainstream American culture, and then with international cultures, particularly those of Latin America, by sending out thousands of missionaries across the globe. The church became a strong and public champion of monogamy and the nuclear family, and at times played a prominent role in political matters. Among the official changes to the organization during the modern era include the ordination of black men to the priesthood in 1978, reversing a policy originally instituted by Brigham Young.

- This book contains an introduction by B. H. Roberts This volume deals with the History of the Church from May 3, 1842, to 31st of August, 1843. It, therefore, covers a period of about sixteen months. The main external events may be set down as follows: First, exposure of the wickedness of John C. Bennett, and his departure from Nauvoo; (2) the charge against the Prophet Joseph of complicity in an attempted assassination of Ex-governor Lilburn W. Boggs, under whose celebrated exterminating order the body of the Church was driven from Missouri: (3) the attempt of the state of Missouri to extradite the Prophet from the state of Illinois, to be tried as an accessory before the fact to an assault on ex-Governor Boggs; (4) a second attempt on the part of Missouri to extradite the Prophet from the state of Illinois on the old charge of "murder, treason, burglary, arson, larceny, theft and stealing," first

brought against him in the year 1838; (5) a preliminary prospecting of the West, doubtless with a view to the contemplated removal of the Saints to the Rocky Mountains.

History of the Church of Jesus Christ of Latter-Day Saints

The events which make up the first volume of the History of the Church moved forward from the background of successive dispensations of the Gospel which preceded the Dispensation of the Fullness of Times. That volume covered the period from the birth of the Prophet Joseph Smith, 1805, to the close of the year 1833, and included as its chief events: the birth of the Prophet; his first vision of the father and the Son; the coming forth of the Book of Mormon; the organization of the Church, April 6th, 1830; the mission to the Lamanites; the gathering of the people from the state of New York, first to Kirtland, Ohio, and subsequently the gathering of many of them to Jackson county, Missouri; the location of the site of the future city of Zion and its temple; the introduction of the doctrine of consecration and stewardship; the experience of the Elders of Israel in their movements back and forth between Kirtland and Zion; the spread of the work throughout the states of the American Union and Canada; the Prophet's own mission to the latter place; the founding of the first Church periodical, The Evening and Morning Star; the selection of a number of the revelations of God for publication under the title, "The Book of Commandments;" the establishment of the Mercantile and Literary firms of Zion and Kirtland; the laying of the corner stones of the Kirtland Temple; the planting of a number of settlements in Jackson county, Missouri; the awakening jealousy of the old settlers against the more progressive Saints; the fanning of these flames of jealousy by sectarian priests; the rise of that religio-political persecution which culminated in the terrible suffering of the Saints—the destruction of their printing establishment, the burning of their homes, their final expulsion from Jackson county; also the negotiations between the Saints and the civil authorities of the state of Missouri for reinstatement of the exiles upon their lands. The first volume closed with the narration of these circumstances of discouragement which befell the Saints in their efforts to establish Zion in Missouri.

History of the Church of Jesus Christ of Latter-Day Saints

Excerpt from History of the Church of Jesus Christ of Latter Day Saints, Vol. 1: 1805-1835 This was duly considered and approved by the conference and a committee of examination and revision was appointed consisting of Joseph Smith, W. H. Kelley, Charles Derry, and Joseph R. Lambert in connection with the Board of Publication, with power to act when the manuscript was ready. At the time it was the design of the Board to enlist the services of a number of prominent writers who were known to be conversant with the history and work of the church, and arrange among them the work of preparation in equal periods, according to time and importance of events; but the meager encouragement received by the Board under this proposition led to the determination to arrange with competent writers who could and would give close and constant attention to the work until its completion. HISTORY OF THE CHURCH OF JESUS CHRIST OF LATTER-DAY SAINTS

Excerpt from History of the Church of Jesus Christ of Latter Day Saints, 1805-1890, Vol. 4: 1872-1890 With the publication of this the Fourth Volume of Church History we reach a point Of time wherein the events of the history are well known to many now living, and hence the events that follow may be supplied readily by those who were participants in the actions of the church both publicly and privately. It will not be necessary to publish another volume of the history for some years; and in the meantime the work may be taken up by others and our connection with this department may cease. We therefore take this occasion to say that though the work has been a perplexing one, and the Care and responsibility of it have weighed heavily upon our minds at times, we have taken pleasure in preparing these volumes; and we are not only pleased but surprised that we have received so little adverse criticism on the work done. We are conscious, however, that our work has not been perfect. We have Often been perplexed amid the confusion of dates and relation of events to get at the facts. We have understood it to be our duty to chronicle events as they occurred without reference to whom they re ected upon or justified. History of the Church of Jesus Christ of Latter-Day Saints

Collection #1 - Includes Volumes I, II, & III of Joseph Smith's written History of the Church. This history was produced by assignment from Church leaders at the beginning of the 20th century. The History editor was B. H. Roberts, a prominent LDS leader. Roberts' assignment was to take the manuscript history produced by Joseph Smith (1805-1844) and his clerks between 1838 and 1857 and publish it together with explanatory notes. The history was written as though dictated by Joseph Smith, however he dictated only a small portion of it. The bulk of the manuscript was based on Church records, Church newspaper excerpts and journals of Joseph Smith kept by various men who recorded his activities as well as the diary entries of men who were with Joseph Smith at various times and places or who performed Church missionary efforts, or other tasks of historical importance. The first six volumes of the history cover the life of Joseph Smith, while volume seven concerns the period of time from the death of Joseph Smith (1844) through 1847 and part of 1848. The purpose of volume seven was to cover various matters about and resulting from Joseph Smith's death as well as the important problem of who would succeed him as the leader of the Church. The manuscript history was completed only up to 1838 when Joseph Smith was killed. The bulk of the manuscript history text was written following his death.

History of the Church of Jesus Christ of Latter Day Saints, 1805-1890, Vol. 4

History of Joseph Smith, the Prophet and the Church of Jesus Christ of Latter-day Saints is a semi-official history of the early Latter Day Saint movement during the lifetime of founder Joseph Smith. It is largely composed of Smith's writings and interpretations and editorial comments by Smith's secretaries, scribes, and after Smith's death, historians of The Church of Jesus Christ of Latter-day Saints. The history was written between 1839 and 1856. It was later published in its entirety with extensive annotations and edits by B. H. Roberts as History of the Church of Jesus Christ of Latter-day Saints. The first six volumes of this work cover the "History of Joseph Smith" from his birth in 1805 to his death in 1844. Volume seven covers the material from immediately after Smith's death in June 1844 until the church's first general conference in Salt Lake City. Volume 1: 1805 – December 1833 Volume 2: January 1834 – December 1837 Volume 3: January 1838 – July 1839 Volume 4: July 1839

– May 1842 Volume 5: May 1842 – August 1843 Volume 6: September 1843 – June 1844 Volume 7: June 1844 – October 1848

History of the Church of Jesus Christ of Latter-Day Saints

Excerpt from History of the Church of Jesus Christ of Latter-Day Saints, Vol. 3: History of Joseph Smith, the Prophet In passing judgment upon such matters as these account must be taken of the age and country in which they occurred; likewise the pre tensions to right views of life, and devotion to freedom on the part of the perpetrators of the injustice. Undoubtedly a heavier debt is incurred to history, to humanity and to God, when the parties who resort to such acts of mob violence and injustice live in an enlightened age, and where the free institutions of their country guarantee both the free dom and security of its citizens.
