The History and Antiquities of the City of St. Augustine, Florida, Founded 1565

The books in the Florida and the Caribbean Open Books Series demonstrate the University Press of Florida's long history of publishing Latin American and Caribbean studies titles that connect in and through Florida, highlighting the connections between the Sunshine State and its neighboring islands. Books in this series show how early explorers found and settled Florida and the Caribbean. They tell the tales of early pioneers, both foreign and domestic. They examine topics critical to the area such as travel, migration, economic opportunity, and tourism. They look at the growth of Florida and the Caribbean and the attendant pressures on the environment, culture, urban development, and the movement of peoples, both forced and voluntary. The Florida and the Caribbean Open Books Series gathers the rich data available in these architectural, archaeological, cultural, and historical works, as well as the travelogues and naturalists' sketches of the area prior to the twentieth century, making it accessible for scholars and the general public alike. The Florida and the Caribbean Open Books Series is made possible through a grant from the National Endowment for the Humanities and the Andrew W. Mellon Foundation, under the Humanities Open Books program.

The History and Antiquities of the City of St. Augustine, Florida

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

HIST & ANTIQUITIES OF THE CITY

Founded in 1565, St. Augustine remained in Spanish hands until the 1763 Treaty of Paris awarded Florida to Great Britain. This book explores the rich history of the longest continually occupied European settlement in the continental United States, and its captivating text and vibrant images are sure to draw readers into this volume of the Colonial Settlements in America set.

History and Antiquities of St. Augustine, Florida

Excerpt from Bloomfield's Illustrated Historical Guide, Embracing an Account of the Antiquities of St. Augustine, Florida, With Map: To Which Is Added a Condensed Guide of the St. John's, Ocklawaha, Halifax, and Indian Rivers St. Augustine has a great many Old houses. History and Antiquities of St. Augustine, Florida

In 1564, the French attempted to establish a colony, calling it Fort Caroline, along the May River (now St. Johns River). The original site is has been lost. Here, Thornton uses histories, documents, and maps in an effort to locate the elusive Fort Caroline, and to determine if it might be located in Georgia or Florida, which has been historically debated.

Bloomfield's Illustrated Historical Guide: Embracing an Account of the Antiquities of St. Augustine, Florida (1882)

"Here is the book lover's literary tour of Florida, an exhaustive survey of writers, books, and literary sites in every part of the state. The state is divided into ten areas and each one is described from a literary point of view. You will learn what authors lived in or wrote about a place, which books describe the place, what important movies were made there, even the literary trivia which the true Florida book lover will want to know. You can use the book as a travel guide to a new way to see the state, as an armchair guide to a better understanding of our literary heritage, or as a guide to what to read next time you head to a bookstore or library."--Publisher.

St. Augustine, Updated Edition

The Spanish Craze is the compelling story of the centuries-long U.S. fascination with the history, literature, art, culture, and architecture of Spain. Richard L. Kagan offers a stunningly revisionist understanding of the origins of hispanidad in America, tracing its origins from the early republic to the New Deal. As Spanish power and influence waned in the Atlantic World by the eighteenth century, her rivals created the "Black Legend," which promoted an image of Spain as a dead and lost civilization rife with innate cruelty and cultural and religious backwardness. The Black Legend and its ambivalences influenced Americans throughout the nineteenth century, reaching a high pitch in the Spanish-American War of 1898. However, the Black Legend retreated soon thereafter, and Spanish culture and heritage became attractive to Americans for its perceived authenticity and antimodernism. Although the Spanish craze infected regions where the Spanish New World presence was most felt—California, the American Southwest, Texas, and Florida—there were also early, quite serious flare-ups of the craze in Chicago, New York, and New England. Kagan revisits early interest in Hispanism among elites such as the Boston book dealer Obadiah Rich, a specialist in the early history of the Americas, and the writers Washington Irving and Henry Wadsworth Longfellow. He also considers later enthusiasts such as Angeleno Charles Lummis and the many writers, artists, and architects of the modern Spanish Colonial Revival in the United States in the late nineteenth and early twentieth centuries. Spain's political and cultural elites understood that the promotion of Spanish culture in the United States and the Western Hemisphere in general would help overcome imperial defeats while uniting Spaniards and those of Spanish descent into a singular raza whose shared characteristics and interests transcended national boundaries. With elegant prose and verve, *The Spanish Craze* spans centuries and provides a captivating glimpse into distinct facets of Hispanism in monuments, buildings, and private homes; the visual, performing, and cinematic arts; and the literature, travel journals, and letters of its enthusiasts in the United States.

Bloomfield's Illustrated Historical Guide

For nearly two hundred years, Floridians have eagerly exploited tourism as the key to economic prosperity. As a result, the state has constantly reshaped and remodeled itself as different types of tourist heavens, and many aspects of its history have become inseparable from the fantastic images created by the tourism industry. From spa retreats to nature preserves, from riverboat rides to roller coasters, and from railroads to theme parks, the state's dependence on tourism has greatly shaped its identity. *Sunshine Paradise* is the first book to focus exclusively on how--and why--tourism came to define Florida. Offering a concise look at the subject from the 1820s to the present, Tracy Revels demonstrates tourism's relevance to all other major aspects of Florida history, including the Civil War, the land boom, and civil rights. In this enjoyable and well-written history, Revels shows how Florida's tourism industry has remained adaptive and expansive, ready to sell the next version of paradise to northerners hungry for sunshine. She also explains why the state's business and political leaders must consider the history of tourism development as they plan for the state's future. A volume in the Florida History and Culture Series, edited by Raymond Arsenault and Gary R. Mormino

Florida: A Guide to the Southern-Most State

Reprint of the original, first published in 1873.

Bloomfield's Illustrated Historical Guide, Embracing an Account of the Antiquities of St. Augustine, Florida, With Map

John Milton-a true son of the South- endeavored to find ways in which to keep Florida relevant to the Confederate cause. Under Milton, Florida was a key contributor of supplies for the Confederate Army. supplies. By pledging men, beef, and salt among other supplies, Milton gave credence to Florida's war effort. However, poor strategizing, blockades, and lack of military might led to several failed attempts to overcome the Union armies infiltrating the Florida coast. Left to defend themselves from the enemy with little help from their Confederate compatriots, Floridians grew increasingly disenchanted with their government's dismissive attitude. Over the course of the war, they were caught between survival and secession. With little resources remaining, survival was the only way for the state to maintain itself. Left disillusioned, the embattled Milton took matters into his own hands, refusing to submit to the impending surrender secession and the ignominy of defeat. Warrior at Heart is an in-depth study of Florida's Southern history during the Civil War. Historian John Adams gives detailed analyses of not only the economic dynamics reasons for the South to wage war, but also the events that shaped John Milton's role in the war effort....

Bloomfield's Illustrated Historical Guide. Embracing an Account of the Antiquities of St. Augustine, Florida; (With Map)

Widely regarded as the antebellum South's foremost man of letters, William Gilmore Simms (1806-1870) wrote novels and poetry that recently have enjoyed a remarkable resurgence of interest. While scholars have previously considered Simms as primarily a poet, editor, and writer of fiction, Sean R. Busick contends that the author is more fully understood as a historian. In this fresh look at Simms and his contributions, Busick brings to light the lasting impact of the South Carolinian's efforts to comprehend American history and to preserve important pieces of the historical record. In *A Sober Desire for History*, Busick argues that Simms made five significant contributions to American historiography. Simms's achievements include his work as an archivist, preserving a wealth of primary source materials that probably would not exist today if not for his efforts; as a champion of accessible and well-wrought historical writing; and as an advocate for what he considered democratic history - history that recognizes individuals rather than impersonal forces as the impetus for historical events. Loyalists and women, traditionally neglected in the telling of American history. Finally, although Busick shows that Simms published historical romances, biographies, and a state history, he also made an important, lasting contribution to the writing of American history through his support and encouragement of other historians. Busick addresses, among other topics, Simms's ideas on the relationship between history and fiction, his work as a biographer, his writing of the text that would be used to teach history to generations of South Carolina schoolchildren, and his controversial 1856 Northern lecture series on South Carolina's role in the American Revolution.

In The Company Of The Courtesan

With their stomachs churning on the jewels they have swallowed, the courtesan Fiammetta and her companion dwarf Bucino escape the sack of Rome. It's 1527. They head for the shimmering, decadent city of Venice. Sarah Dunant's epic novel of sixteenth-century Renaissance Italy is a story about the sins of pleasure and the pleasures of sin, an intoxicating mix of fact and fiction, and a dazzling portrait of one of the worlds greatest cities at its most potent moment in history.

In the Company of the Courtesan

With their stomachs churning on the jewels they have swallowed, the courtesan Fiammetta and her companion dwarf Bucino escape the sack of Rome. It's 1527. They head for the shimmering, decadent city of Venice. Sarah Dunant's epic novel of sixteenth-century Renaissance Italy is a story about the sins of pleasure and the pleasures of sin, an intoxicating mix of fact and fiction, and a dazzling portrait of one of the worlds greatest cities at its most potent moment in history.

In the Company of the Courtesan

My lady, Fiammetta Bianchini, was plucking her eyebrows and biting color into her lips when the unthinkable happened and the Holy Roman Emperor's army blew a hole in the wall of God's eternal city, letting in a flood of half-starved, half-crazed troops bent on pillage and punishment. Thus begins In the Company of the Courtesan, Sarah Dunant's epic novel of life in Renaissance Italy. Escaping the sack of Rome in 1527, with their stomachs churning on the jewels they have swallowed, the courtesan Fiammetta and her dwarf companion, Bucino, head for Venice, the shimmering city born out of water to become a miracle of east-west trade: rich and rancid, pious and profitable, beautiful and squalid. With a mix of courage and cunning they infiltrate Venetian society. Together they make the perfect partnership: the sharp-tongued, sharp-witted dwarf, and his vibrant mistress, trained from birth to charm, entertain, and satisfy men who have the money to support her. Yet as their fortunes rise, this perfect partnership comes under threat, from the searing passion of a lover who wants more than his allotted nights to the attentions of an admiring Turk in search of human novelties for his sultan's court. But Fiammetta and Bucino's greatest challenge comes from a young crippled woman, a blind healer who insinuates herself into their lives and hearts with devastating consequences for them all. A story of desire and deception, sin and religion, loyalty and friendship, In the Company of the Courtesan paints a portrait of one of the world's greatest cities at its most potent moment in history: It is a picture that remains vivid long after the final page.

In The Company of the Courtesan

1570 in the Italian city of Ferrara. Sixteen-year-old Serafina is fipped by her family from an illicit love affair and forced into the convent of Santa Caterina, renowned for its superb music. Serafina's one weapon is her glorious voice, but she refuses to sing. Madonna Chiara, an abbess as fluent in politics as she is in prayer, finds her new charge has unleashed a power play - rebellion, ecstasies and hysterias - within the convent. However, watching over Serafina is Zuana, the sister in charge of the infirmary, who understands and might even challenge her incarceration.

Sacred Hearts

Anna packs her bags one day without telling anyone where and why she is going - just that she'll be back soon. Her thoughts as she boards a plane, are that this journey will give her time to think about her life - as a woman hitting forty, a journalist and a single mother. She has no premonition that she will become a statistic in a missing person file. Left at home is Anna's beloved six-year-old daughter Lily, her gay friend Paul, who is surrogate father to Lily, and her eccentric best friend Estella. When Anna doesn't return, they make uneasy excuses until, as time passes, the mind-numbing possibility that Anna might not be coming back becomes terrifyingly real. And while those closest to her battle with their imaginations, Anna is on a dark journey - in one scenario Anna is on a ravishing, sexual adventure, on the other, much darker voyage, she is the victim of a stranger's dangerous sexual fantasy. In a masterpiece of emotionally intelligent and nerve-wracking suspense, Sarah Dunant takes us to the very edge.

Mapping The Edge

Skilled in passion, artful in deception, and driven by betrayal, she is the glittering center of the royal court—but the most desired woman of Renaissance France will draw the wrath of a dangerous adversary. Paris, 1575. The consort of some of Europe's most influential men, Gabrielle Cheney is determined to secure her future by winning the heart of Henry, the Huguenot king of Navarre. As his mistress, Gabrielle hopes she might one day become the power behind the French throne. But her plans are jeopardized by Captain Nicolas Rémy, a devoted warrior whose love Gabrielle desires—and fears—above all. She will also incur the malevolence of the Dark Queen, Catherine de' Medici, whose spies and witch-hunters are legion, and who will summon the black arts to maintain her authority. With the lives of those she loves in peril, Gabrielle must rebel against her queen to fulfill a glorious destiny she has sacrificed everything to gain. Alive with vivid period detail and characters as vibrant as they are memorable, *The Courtesan* is a sweeping historical tale of dangerous intrigues, deep treachery, and one woman's unshakable resolve to honor her heart.

The Courtesan

After years of dangerous fighting on the Peninsula, Captain Jack Carrington has returned home to take up family duties and find himself a wife.

The Courtesan

'Irresistible...history at its most human. Elegant and addictively readable.' William Dalrymple During the course of the 18th- and 19th-century a small group of women rose from impoverished obscurity to positions of great power, independence and wealth. In doing so they took control of their lives - and those of other people - and made the world do their will. Men ruined themselves in desperate attempts to gain and retain a courtesan's favours, but she was always courted for far more than sex. In an age in which women were generally not well educated she was often unusually literate and literary, courted for her conversation as well as her physical company. Courtesans were extremely accomplished, and exerted a powerful influence as leaders of fashion and society. They were not received at Court, but inhabited their own parallel world - the demi-monde - complete with its own hierarchies, etiquette and protocol. They were queens of fashion, linguists, musicians, accomplished at political intrigue and, of course, possessors of great erotic gifts. Even to be seen in public with one of the great courtesans was a much-envied achievement. In *'Courtesans'* Katie Hickman, author of the bestselling *'Daughters of Britannia'*, focuses on the exceptional stories of five outstanding women. Sophia Baddeley, Elizabeth Armistead, Harriette Wilson, Cora Pearl and Catherine Walters may have had very different personalities and talents, but their lives exemplify the dazzling existence of the courtesan.

Courtesans

Alessandra is not quite fifteen when her prosperous merchant father brings a young painter back with him from Holland to adorn the walls of the new family chapel. She is fascinated by his talents and envious of his abilities and opportunities to paint to the glory of God. Soon her love of art and her lively independence are luring her into closer involvement with all sorts of taboo areas of life. On excursions into the streets of night-time Florence she observes a terrible evil stalking the city and witnesses the rise of the fiery young priest, Savonarola, who has set out to rid the city of vice, richness, even art itself. Alessandra must make crucial decisions about the shape of her adult life, as Florence itself

must choose between the old ways of the luxury-loving Medicis and the asceticism of Savanorola. And through it all, there is the painter, whose love will change everything.

The Birth Of Venus

"Scandalous but True! From the harsh streets of 18th century London, Lizzie Cane rose to become the most successful and sought-after courtesan in England! Mistress of earls, dukes and even the young Prince of Wales, she lived an exciting luxurious life that was not without its perils. A single misstep could spell disaster! Then, at the height of her career, she risked everything she had struggled to gain by breaking the courtesan's cardinal rule ... Never fall in love!"--Publisher.

Confessions of a Courtesan

Constable Will Danbury has infiltrated a school to investigate an alleged crime. What he finds is a deeper, darker mystery—and a potent attraction to the alluring headmistress, Jacqueline Trouvère. But a constable can't get romantically involved with a suspect; even one he thinks is innocent, without committing career suicide. As headmistress of a school devoted to saving the innocent daughters of London's soiled doves, Jacqueline's life is complicated. Will tempts her in ways she never thought to experience, but she believes no respectable gentleman could love a former courtesan. Despite their best efforts to fight it, a romance blossoms. When danger jeopardizes the school, however, his deceptions and her omissions come to light, threatening to destroy their love. They must look beyond the past to save both their future together and the lives of those they've sworn to protect. Each book in the Once Wicked series is **STANDALONE**: * To Love a Libertine * Once a Courtesan * A Wicked Reputation

Once a Courtesan

A sweeping historical epic of a young Chinese woman in imperial Europe - perfect for fans of *Memoirs of a Geisha* The year is 1881, the era of China's humiliation at the hands of imperialist Europe. Seven-year-old Sai Jinhua is left alone and unprotected, her life transformed after her mandarin father's summary execution for the crime of speaking the truth. Now an orphan, Jinhua is sold to a brothel and put to work as a 'money tree', enduring the very worst of human nature thanks to the friendship and wisdom of the crippled brothel maid. But when an elegant but troubled scholar takes Jinhua as his concubine, her world begins to expand. With him she will travel to Vienna, seeing things she has never imagined, and opening her heart to dreams she has never dared to dream . . . Based on the true story of Sai Jinhua, Alexandra Curry's debut novel, *The Courtesan*, travels from the depths of the Chinese empire to the palaces of Vienna, and tells the true story of one young woman's journey from the depths of poverty to the centre of Chinese history.

The Courtesan

A missing-persons case isn't what it seems in this page-turning thriller from CWA Silver Dagger Award-winning author Sarah Dunant Tough-talking PI Hannah Wolfe takes whatever cases she can get. This time, it's a missing person: Carolyn Hamilton, a twenty-three-year-old ballet dancer, has seemingly vanished into thin air. But while Hannah chases down dead-end leads, the dancer's body is fished out of the Thames. She was eight months pregnant. The police claim she committed suicide, but Hannah doesn't buy the official verdict. The private eye refuses to believe that Carolyn would kill herself and her unborn child, but she's convinced that her death is somehow connected to the pregnancy. Hannah's quest to find the baby's father takes her to France, where an unusual ad Carolyn answered leads to an old, moneyed family keeping monstrous secrets. And not even Hannah can guess at a deception that stretches back decades. Forced to confront her own ambivalent feelings about commitment and motherhood, Hannah won't rest until she gets justice for Carolyn—even if it means risking her own life. This thinking person's thriller from New York Times–bestselling author Sarah Dunant introduces a female sleuth—reminiscent of P. D. James's Cordelia Gray, Raymond Chandler's Philip Marlowe, and Sue Grafton's Kinsey Millhone—who readers are bound never to forget. *Birth Marks* is the 1st book in the Hannah Wolfe Crime Novels, but you may enjoy reading the series in any order.

Birth Marks

Valtesse de la Bigne was a celebrated nineteenth-century Parisian courtesan. She was painted by Manet and inspired Emile Zola, who immortalised her in his scandalous novel *Nana*. Her rumoured

affairs with Napoleon III and the future Edward VII kept gossip columns full. But her glamorous existence hid a dark secret: she was no Comtesse. She was born into abject poverty, raised on a squalid Paris backstreet; the lowest of the low. Yet she transformed herself into an enchantress who possessed a small fortune, three mansions, fabulous carriages, and art the envy of connoisseurs across Europe. A consummate show-woman, she ensured that her life – and even her death – remained shrouded in just enough mystery to keep her audience hungry for more. Catherine Hewitt's biography tells, for the first time ever in English, the forgotten story of a remarkable woman who, though her roots were lowly, never stopped aiming high.

The Mulberry Courtesan

Fanny Murray was an incomparable Georgian beauty and the most desired courtesan of the 1750s. The daughter of an impoverished musician from Bath, she took London society by storm, not only as the most prized 'purchaseable beauty' of her day, but also as a fashion icon and muse to poets, writers and artists. She counted princes, aristocrats and politicians among her friends and lovers, but relished the company of rogues, fraudsters and ne'er-do-wells. Barbara White presents evidence to suggest that Fanny Murray participated spiritedly in the sexual antics of the notorious 'Monks of Medmenham', the most infamous of the Hell-fire Clubs. After she retired from prostitution, Fanny Murray reinvented herself, entering a pragmatic marriage with the Scottish actor David Ross. Surprisingly, her virtues as a devoted and faithful wife became almost proverbial. Even so, Murray could not escape her disreputable past. In 1763, a scurrilous poem dedicated to her caused a national scandal that ended in the infamous trial of the radical politician John Wilkes for obscene libel. Barbara White's portrait of Fanny Murray takes readers from the brothels of Covent Garden to sex romps at Medmenham Abbey, from refined drawing rooms in London to marital respectability in Edinburgh. This is an illuminating contribution to the scholarly understanding and popular appreciation of a complex and intriguing period of British history. Fanny Murray's triumph – against almost insuperable odds – is a remarkable story, as rich in the telling as it is enthralling.

The Mistress of Paris

An unprecedented, provocative look at the extraordinary world of the great courtesans, from Veronica Franco, who graced the palazzi of sixteenth-century Venice, and Madame de Pompadour, the arbiter of all things fashionable at Versailles, to La Belle Otero of the Grand Boulevards of fin-de-siecle Paris, who frequently sported jewel-encrusted garters, and Marion Davies who took Hollywood by storm. The Book of the Courtesans enticingly illustrates the intricacies of their lavish lifestyles and their incredible life stories and further reveals how these cunning women seized the opportunity to become the West's first female liberators, free to choose their own lovers and command remarkable respect. 'A manifesto for flirtation. After all, the qualities that the courtesans exploited to achieve influence and riches are still those that are most likely to ensnare a man today. I intend to give a copy to all my singleton friends' Rowan Pelling, Mail on Sunday 'A eulogy to femininity, an essay on what sets certain women apart. Surrender to it: The Book of the Courtesans is as seductive as the women it describes' Lucy Moore, Sunday Times

Queen of the Courtesans

1868. In Japan's exotic pleasure quarters, sex is for sale and the only forbidden fruit is love ... Hana is just seventeen when her husband goes to war, leaving her alone and vulnerable. When enemy soldiers attack her house she flees across the shattered city of Tokyo and takes refuge in the Yoshiwara, its famous pleasure-quarters. There she is forced to become a courtesan. Yozo, brave, loyal and a brilliant swordsman, is pledged to the embattled shogun. He sails to the frozen north to join his rebel comrades for a desperate last stand. Defeated, he makes his way south to the only place where a man is beyond the reach of the law - the Yoshiwara. There in the Nightless City where three thousand courtesans mingle with geishas and jesters, the battered fugitive meets the beautiful courtesan. But each has a secret so terrible that once revealed it will threaten their very lives ...

The Book of the Courtesans

Colleen Hoover meets Bridgerton in this emotional, page-turning Regency romance!

The Courtesan and the Samurai

By the end of the fifteenth century, the beauty and creativity of Italy is matched only by its brutality and corruption. When Cardinal Rodrigo Borgia buys his way into the papacy, he is defined not just by his wealth, charisma and power, but by his blood: a Spanish Pope in a city run by Italians. If he is to succeed, he must use his Machiavellian son and innocent daughter. Stripping away the myths around the Borgias, *Blood & Beauty* breathes life into the astonishing family of Alexander VI and celebrates the raw power of history itself: compelling, complex, and relentless.

The Illicit Love of a Courtesan (The Marlow Family Secrets, Book 1)

****A Times (London) Best Book of the Year**** Before the Corleones, before the Lannisters, there were the Borgias. One of history's most notorious families comes to life in this riveting bestseller, as the House of Borgia crosses paths with a young diplomat named Niccolò Machiavelli. "Full to the brim with vivid historical details both gory and beautiful." —Library Journal It is 1502 and Rodrigo Borgia, a self-confessed womanizer and master of political corruption, is now on the papal throne as Alexander VI. His daughter Lucrezia, aged twenty-two—already three times married and a pawn in her father's plans—is discovering her own power. And then there is his son Cesare Borgia, brilliant, ruthless and increasingly unstable; it is his relationship with Machiavelli that gives the Florentine diplomat a master class on the dark arts of power and politics. What he learns will go on to inform his great work of modern politics, *The Prince*. But while the pope rails against old age and his son's increasingly maverick behavior, it is Lucrezia who must navigate the treacherous court of Urbino and another challenging marriage to create her own place in history. Bestselling novelist Sarah Dunant employs her remarkable gifts as a storyteller to bring to life the passionate men and women of the Borgia family, as well as the ever-compelling figure of Machiavelli, through whom the reader will experience one of the most fascinating—and doomed—dynasties of all time.

Blood & Beauty

'Beasts of a Little Land is a stunning achievement' TLS 'Spectacular' Lisa See, author of *The Island of Sea Women* 'I loved it' Brandon Hobson, author of *The Removed* 'Unforgettable' Nguyễn Phan Quế Mai, author of *The Mountains Sing* An epic story of love and war, set during the turbulent decades of Korea's fight for independence It is 1917, and Korea is under Japanese occupation; the country is yet to be divided into north and south. With the threat of famine looming, a young girl named Jade is sold by her family to Miss Silver's courtesan school in cosmopolitan Pyongyang, an act of desperation that will cement her place in the lowest social class. But the city's days as a haven are numbered. Jade flees to Seoul where she forms a deep friendship with an orphan boy called JungHo, who scrapes together a living begging on the streets. As Jade becomes a sought-after performer with unexpected romantic prospects, JungHo is swept up in the revolutionary fight for independence. Soon, Jade must decide between following her own ambitions or risking everyone for the one she loves. From the perfumed chambers of the courtesan school to the glamorous cafés of a modernising Seoul, the unforgettable characters of *Beasts of a Little Land* unveil a world where friends become enemies and enemies become saviours, where heroes are persecuted and beasts take many shapes.

In the Name of the Family

The year is 1348 and the first plague victim has reached English shores. Panic erupts around the country and a small band of travellers comes together to outrun the deadly disease, unaware that something far more deadly is -in fact - travelling with them. The ill-assorted company - a scarred trader in holy relics, a conjurer, two musicians, a healer and a deformed storyteller - are all concealing secrets and lies. And at their heart is the strange, cold child - Narigorm - who reads the runes. But as law and order breaks down across the country and the battle for survival becomes ever more fierce, Narigorm mercilessly compels each of her fellow travellers to reveal the truth ... and each in turn is driven to a cruel and unnatural death.

Beasts of a Little Land

Hermann Hesse wrote *Siddhartha* after he traveled to India in the 1910s. It tells the story of a young boy who travels the country in a quest for spiritual enlightenment in the time of Guatama Buddha. It is a compact, lyrical work, which reads like an allegory about the finding of wisdom.

Tales of Ming Courtesans

Shortlisted for the Costa First Novel Award 'A novel of fate and free will, forensic detection and blind love, crime and its justifications . . . finely tuned yet extravagantly complex' Evening Standard A cold October night, 1854. In a dark passageway, an innocent man is stabbed to death. So begins the extraordinary story of Edward Glyver, book lover, scholar and murderer. As a young boy, Glyver always believed he was destined for greatness. This seems the stuff of dreams, until a chance discovery convinces Glyver that he was right: greatness does await him, along with immense wealth and influence. And he will stop at nothing to win back a prize that he now knows is rightfully his. Glyver's path leads him from the depths of Victorian London, with its foggy streets, brothels and opium dens, to Evenwood, one of England's most enchanting country houses. His is a story of betrayal and treachery, of death and delusion, of ruthless obsession and ambition. And at every turn, driving Glyver irresistibly onwards, is his deadly rival: the poet-criminal Phoebus Rainsford Daunt. Thirty years in the writing, *The Meaning of Night* is a stunning achievement. Full of drama and passion, it is an enthralling novel that will captivate readers right up to its final thrilling revelation.

Company of Liars

Set amid the elegant châteaux of Belle époque France and the closely guarded world of nineteenth-century Persian women, *Courtesan* unfolds with the breathtaking cinematic sweep and stunning visual grandeur of an epic film. At its heart are three unforgettable women: Madame Gabrielle, the courtesan whose fateful liaison with the shah of Persia reverberates in the lives of her daughter, Françoise, and her rebellious and brave granddaughter, Simone, whose journey plunges her into the cutthroat diamond trade, where the secrets of an ancient culture may hold the truth she desperately seeks.

Siddhartha

Claiming the courtesan's child...

The Meaning of Night

"The Rossetti Letter" is a captivating debut that blends fact and fiction, past and present into a vibrant, richly imagined masterpiece that traces the adventures of a 17th-century Venetian courtesan and the contemporary historian researching her fate.

Courtesan

"Jo Beverley strains the boundaries of political correctness . . . There is no denying Ms. Beverley is a master storyteller and perhaps because of this political incorrectness she delivers a powerfully fresh stage for her story." ~Tara A. Green Ruined through her vile brother's schemes, Eleanor Chivenham is offered rescue by marriage to a rake with an infamous French mistress. Eleanor accepts, determined to treat the arranged marriage with cool dignity. Then she meets Nicholas Delaney. Not only does he stir her senses, but the trouble and pain beneath his smooth exterior reaches her heart. Nicholas is indeed troubled. While serving his country by seducing secrets out of a French spy, he is persuaded to marry Eleanor to protect his family's honor. But such chivalry runs counter to his carefully wrought rogue image, and extends the life-threatening plots shadowing him to Eleanor. To assist, Nicholas re-assembles the Company of Rogues, a schoolboy group he started years before. But not even they can dampen Eleanor's fighting wit that is quickly unmasking their enemy and testing Nicholas' formidable will. From The Publisher: Author Jo Beverley is known for her consummate attention to historical detail that wisks the reader back in time to a near first-hand experience. Fans of Regency romance and historical British fiction set in the 19th century, as well as readers of Jess Michaels, Mary Balogh, Christi Caldwell, Stephanie Laurens, Madeline Hunter and Mary Jo Putney will want to read every book by Jo Beverley. Best Regency Novel, Romantic Times BookRak Bestseller RITA, finalist "A splendid love story... a veritable feast of delight. Bravo!" ~Romantic Times

A Pregnant Courtesan For The Rake (Mills & Boon Historical) (The Society of Wicked Gentlemen, Book 3)

A beguiling portrait of the city of Venice from the bestselling author of the classic true crime *Midnight in the Garden of Good and Evil*. 'Glittering, entertaining' Sunday Times Beneath the exquisite facade of the world's most beautiful historic city, scandal, corruption and venality are rampant. Venice and its eccentric locals come to life in the words of exquisite storyteller, John Berendt. Ezra Pound and his

mistress, Olga; poet Mario Stefani; the Rat Man of Treviso; or Mario Moro - self-styled carabinieri, fireman, soldier or airman, depending on the day of the week. 'Funny, insightful, illuminating...[Venice] reveals itself, slowly, discreetly, under Berendt's gentle but persistent prying' Boston Globe City of Falling Angels is a mischievous, charming and compelling portrait of a beguiling city and its people.

The Rossetti Letter

Epic history and romance combine in a sweeping novel featuring the beautiful mistress of the last shogun emperor.

An Arranged Marriage (The Company of Rogues Series, Book 1)

The intrigue began with a triple homicide in a luxury apartment building just steps from the Champs-Élysées, in March 1887. A high-class prostitute and two others, one of them a child, had been stabbed to death—the latest in a string of unsolved murders targeting women of the Parisian demimonde. Newspapers eagerly reported the lurid details, and when the police arrested Enrico Pranzini, a charismatic and handsome Egyptian migrant, the story became an international sensation. As the case descended into scandal and papers fanned the flames of anti-immigrant politics, the investigation became thoroughly enmeshed with the crisis-driven political climate of the French Third Republic and the rise of xenophobic right-wing movements. Aaron Freundschuh's account of the "Pranzini Affair" recreates not just the intricacies of the investigation and the raucous courtroom trial, but also the jockeying for status among rival players—reporters, police detectives, doctors, and magistrates—who all stood to gain professional advantage and prestige. Freundschuh deftly weaves together the sensational details of the case with the social and political undercurrents of the time, arguing that the racially charged portrayal of Pranzini reflects a mounting anxiety about the colonial "Other" within France's own borders. Pranzini's case provides a window into a transformational decade for the history of immigration, nationalism, and empire in France.

The City of Falling Angels

Lady Lucinda Bowery has decided to cast off mourning attire and begin moving on from the loss of her husband. Hiring the gentleman courtesan known as an experienced dominant seems like just the thing to propel her out of bereavement and back to life. She intends for him to give her pleasure, and perhaps help her find a bit of the woman she was before being widowed. Aubrey Drake became a courtesan to help bolster his expanding business, as well as provide a trousseau and dowry for his ward. Over time he has grown bored catering to women who only see him as an exotic offering to be enjoyed temporarily and then discarded. Thus, the thrill of mastering a submissive bedmate has lost its luster, leaving him cold. When Lady Bowery is suggested as his new keeper, he expects to be as apathetic toward her as all the others. But, when sparks fly at their first meeting, Aubrey becomes determined to master Lucinda in every way possible—even though she seems intent on keeping him at arm's length. As she finds comfort and pleasure with her new courtesan, Lucinda finds it increasingly difficult to deny that what she feels for him goes beyond simple lust. Yet, embracing the possibility of a future with him means letting go of her past. Aubrey is determined to win Lucinda's heart, but she still clings to the memory of her first husband. Can Lucinda come to return Aubrey's love before it's too late?

Writers & Company

Terrifying, dark and bold, Sarah Dunant's breakthrough psychological thriller transcends genres and audiences; it crosses all boundaries, encroaching on the darker side of sex and fantasy, male and female. Elizabeth Skorvecky has just come out of a long-term relationship with her boyfriend. Alone in her Victorian house, her only companions are her cat, a trashy crime novel she's translating from Czech, and her music. As the summer ends and the days draw in, unsettling things begin to happen. First it's just a missing CD, then music playing in an empty kitchen at midnight, then a table laid for breakfast for two. Poltergeist? Insanity? When Elizabeth wakes at four in the morning to find a man sitting at the end of her bed, she knows, sickeningly, she's very sane - and being stalked. She also discovers that the means of surviving can be just as shocking as surrender.

A Suitable Boy

Amid the disapproving gossip of the Court, a royal romance defies all obstacles. The Court of François I is full of lust, intrigue, and bawdy bon temps—a different world from the quiet country life Diane de

Poitiers led with her elderly husband. Now a widow, the elegant Diane is called back to Court, where the King's obvious interest marks her as an enemy to the King's favourite, Anne d'Heilly. The Court is soon electrified by rumors of their confrontations. As Anne calls on her most venomous tricks to drive Diane away, Diane finds an ally in the one member of Court with no allegiance to the King's mistress: his teenage second son, Henri. Neglected by his father and disliked by his brothers, Prince Henri expects little from his life. But as his friendship with Diane deepens into infatuation and then a romance that scandalizes the Court, the Prince begins to discover hope for a future with Diane. But fate and his father have other plans for Henri—including a political marriage with Catherine de Medici. Despite daunting obstacles, Henri's devotion to Diane never wanes; their passion becomes one of the most legendary romances in the history of France. Also available as an eBook

The Last Concubine

USA Today Bestseller! From USA Today bestselling author Sophie Jordan comes a scandalously sensual romance in her beloved Rogue Files series. "Deliciously sexy!"—Sarah MacLean, New York Times bestselling author An urgent dilemma... To save her impoverished family, Marian Langley will become a mistress. But she will not be just any mistress. Marian intends to become so skilled, so coveted, that she can set her own terms, retaining control over her body and her fate. Only one problem remains: finding a tutor... A scandalous solution... Other men deprive themselves of pleasure for propriety's sake. Nathaniel, Duke of Warrington, would much rather be deprived. He slakes his desires with professionals who ask nothing of him but his coin. Marian's proposal—that he train her without taking her virtue—is an intriguing diversion, until their lessons in seduction spin out of control. And a most unlikely duchess... When Marian is blackmailed into engagement by a man she despises, Nate impulsively steals her away. Though he never intended to take a wife, he can't tolerate the idea of Marian forfeiting her freedom to another. But can he bear to give her what she demands—a real marriage?

The Courtesan and the Gigolo

What a Courtesan Wants

Legacies; An American Journey

Legacies; an American Journey, recounts the history of one family of Italian-American soldiers and policemen, and their long battle against the Mafia, Fascism and Communism. It details their sacrifices, triumphs and losses. This book recounts their flight to America to escape the Mafia's and Mussolini's vengeance, and their military service in the American army during World War II and Vietnam.

American Journey

Information gives us the power to paint a colorful picture of our predecessors as individuals, and the times in which they lived. This 21st Century man has endeavored to capture and contextualize the life and times of one 19th Century man, and the national catastrophe in which he played a part. Understanding the past is to understand the present. Understanding the past will also help each of us to illuminate our own path forward. Through this work, I have tried to create an honest accounting of my country's evolution, and to provide a greater understanding of the character of the United States in the early 21st Century. Through the lens of one 19th Century man and one 20th Century boy, I have tried to shine a light on my country's lineage, legacy, pride and change through this American Journey.

Legacies

One out of five Americans, more than 55 million people, are first-or second-generation immigrants. This landmark study, the most comprehensive to date, probes all aspects of the new immigrant second generation's lives, exploring their immense potential to transform American society for better or worse. Whether this new generation reinvigorates the nation or deepens its social problems depends on the social and economic trajectories of this still young population. In *Legacies*, Alejandro Portes and Rubén G. Rumbaut—two of the leading figures in the field—provide a close look at this rising second generation, including their patterns of acculturation, family and school life, language, identity, experiences of discrimination, self-esteem, ambition, and achievement. Based on the largest research study of its kind, *Legacies* combines vivid vignettes with a wealth of survey and school data. Accessible, engaging, and indispensable for any consideration of the changing face of American society, this

book presents a wide range of real-life stories of immigrant families—from Mexico, Cuba, Nicaragua, Colombia, the Dominican Republic, Haiti, Jamaica, Trinidad, the Philippines, China, Laos, Cambodia, and Vietnam—now living in Miami and San Diego, two of the areas most heavily affected by the new immigration. The authors explore the world of second-generation youth, looking at patterns of parent-child conflict and cohesion within immigrant families, the role of peer groups and school subcultures, the factors that affect the children's academic achievement, and much more. A companion volume to *Legacies*, entitled *Ethnicities: Children of Immigrants in America*, was published by California in Fall 2001. Edited by the authors of *Legacies*, this book will bring together some of the country's leading scholars of immigration and ethnicity to provide a close look at this rising second generation. A Copublication with the Russell Sage Foundation

Reagan

From New York Times bestselling biographer Bob Spitz, a full and rich biography of an epic American life, capturing what made Ronald Reagan both so beloved and so transformational. More than five years in the making, based on hundreds of interviews and access to previously unavailable documents, and infused with irresistible storytelling charm, Bob Spitz's *REAGAN* stands fair to be the first truly post-partisan biography of our 40th President, and thus a balm for our own bitterly divided times. It is the quintessential American triumph, brought to life with cinematic vividness: a young man is born into poverty and raised in a series of flyspeck towns in the Midwest by a pious mother and a reckless, alcoholic, largely absent father. Severely near-sighted, the boy lives in his own world, a world of the popular books of the day, and finds his first brush with popularity, even fame, as a young lifeguard. Thanks to his first great love, he imagines a way out, and makes the extraordinary leap to go to college, a modest school by national standards, but an audacious presumption in the context of his family's station. From there, the path is only very dimly lit, but it leads him, thanks to his great charm and greater luck, to a solid career as a radio sportscaster, and then, astonishingly, fatefully, to Hollywood. And the rest, as they say, is history. Bob Spitz's *REAGAN* is an absorbing, richly detailed, even revelatory chronicle of the full arc of Ronald Reagan's epic life - giving full weight to the Hollywood years, his transition to politics and rocky but ultimately successful run as California governor, and ultimately, of course, his iconic presidency, filled with storm and stress but climaxing with his peace talks with the Soviet Union that would serve as his greatest legacy. It is filled with fresh assessments and shrewd judgments, and doesn't flinch from a full reckoning with the man's strengths and limitations. This is no hagiography: Reagan was never a brilliant student, of anything, and his disinterest in hard-nosed political scheming, while admirable, meant that this side of things was left to the other people in his orbit, not least his wife Nancy; sometimes this delegation could lead to chaos, and worse. But what emerges as a powerful signal through all the noise is an honest inherent sweetness, a gentleness of nature and willingness to see the good in people and in this country, that proved to be a tonic for America in his time, and still is in ours. It was famously said that FDR had a first-rate disposition and a second-rate intellect. Perhaps it is no accident that only FDR had as high a public approval rating leaving office as Reagan did, or that in the years since Reagan has been closing in on FDR on rankings of Presidential greatness. Written with love and irony, which in a great biography is arguably the same thing, Bob Spitz's masterpiece will give no comfort to partisans at either extreme; for the rest of us, it is cause for celebration.

A Polish Son in the Motherland

Searching for the remnants of his family, Leonard Kniffel left Chicago in 2000 to live in Poland. *A Polish Son in the Motherland* is the story of a search for roots and for the reasons why one family's ties were severed more than fifty years ago. Along the way, we see what half a century of communism did to Poland and how the residue of World War II lingers. The author's search begins inauspiciously, but he soon meets a local wine merchant and her son, who are eager to reveal the secrets of Nowe Miasto Lubawskie, the town near which his grandmother was born. After he moves in with Adam, a local entrepreneur who trades in everything from shoes and cosmetics to computers and jam, he begins to master his ancestral language and learn the ways of the community from Adam's mother, who loves long walks in the woods—and meals made from what she picks there. Kniffel's search for a connection to Poland is propelled by memories of the stories his grandmother told him about her emigration to Michigan in 1913. While his family eludes him, the adventure becomes an investigation into the relationship between mothers and the legacy they give their sons. Poles who emigrated to America, the author concludes, must have been particularly good at assimilating into American culture. Less than fifty years after his maternal grandparents arrived in the United States, barely a trace of their Polishness existed in their grandchildren. Through his grandparents' struggles, their children became American

and created a new world for themselves and their descendants. In returning to Poland himself, Kniffel sought and found a bridge to the “Great Migration” that changed the lives of so many millions—and millions yet to come.

The Legacy of J.C. Kapteyn

Jacobus Cornelius Kapteyn (1851-1922) of the University of Groningen was one of the foremost astronomers of his time, resulting in a leading role internationally of Dutch astronomy throughout the twentieth century. This volume, which is the proceedings of a special ‘legacy’ symposium at the celebration of the 385th anniversary of the University of Groningen, addresses Kapteyn’s influence on the development of modern astronomy through studies of his pioneering work on statistical astronomy and the Structure of the Sidereal System, and his leadership in establishing international collaborations, in particular the Plan of Selected Areas. In addition to historical studies related to Kapteyn’s person, work, international collaborations and organisational efforts, the volume discusses the influence of Kapteyn on the internationalisation of astronomy and on contemporary astronomy. It also provides an inventory of Kapteyn’s correspondence.

American Myth and the Legacy of Vietnam

American Myth and the Legacy of Vietnam

Martin's Dream

On August 28, 1963 hundreds of thousands of demonstrators flocked to the nation's capital for the March on Washington for Jobs and Freedom, where Dr. Martin Luther King Jr. delivered his famous "I Have a Dream" speech. It was Clayborne Carson's first demonstration. A nineteen year old black student from a working-class family in New Mexico, Carson hitched a ride to Washington. Unsure how he would return home, he was nonetheless certain that he wanted to connect with the youthful protesters and community organizers who spearheaded the freedom struggle. Decades later, Coretta Scott King selected Dr. Carson—then a history professor at Stanford University-- to edit the papers of her late husband. In this candid and engrossing memoir, he traces his evolution from political activist to activist scholar. He vividly recalls his involvement in the movement's heyday and in the subsequent turbulent period when King's visionary Dream became real for some and remained unfulfilled for others. He recounts his conversations with key African Americans of the past half century, including Black Power firebrand Stokely Carmichael and dedicated organizers such as Ella Baker and Bob Moses. His description of his long-term relationship with Coretta Scott King sheds new light on her crucial role in preserving and protecting her late husband's legacy. Written from the unique perspective of a renowned scholar, this highly readable account gives readers valuable new insights about the global significance of King's inspiring ideas and his still unfolding legacy

The Legacy Journey

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There’s a lot of bad information in our culture today about wealth and the wealthy. Worse, there’s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God’s put in their care. They were able to build wealth using God’s ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

American Legacy

A dual portrait of JFK, Jr. and Caroline Kennedy draws on personal interviews to discuss such topics as the assassination attempt on Jackie Kennedy while she was giving birth, Caroline's reclusive lifestyle, and the unsettling results of John's and his wife's autopsies.

The NarrowRoad: A Guide to Legacy Wealth

Does the vision you hold for your life elude you? There may be a reason. According to Dr. Pamela Jolly's premise, you may not be using your natural gifts. What if we also told you that understanding the business of YOU is the key that unlocks the door to fulfilling your dreams. We all seek direction

in life to go forward toward things we want most to happen. What if you could find a way to tap into the crucial insights of who you really are? And what if you could guarantee yourself a winning chance of reaching your full potential in your lifetime? The NarrowRoad System invites you on a journey of self-discovery. When navigated, it reveals the path that leads to the wealth you desire and your ability to ensure your legacy continues. Using 24 unique NarrowRoad Identity (NRID) patterns developed from her data-driven research and engaging the five forms of capital available to us all—human, social, intellectual, cultural, and spiritual—Dr. Jolly shows a personal journey to true transformation.

Haunting Legacy

The United States had never lost a war—that is, until 1975, when it was forced to flee Saigon in humiliation after losing to what Lyndon Johnson called a "raggedy-ass little fourth-rate country." The legacy of this first defeat has haunted every president since, especially on the decision of whether to put "boots on the ground" and commit troops to war. In *Haunting Legacy*, the father-daughter journalist team of Marvin Kalb and Deborah Kalb presents a compelling, accessible, and hugely important history of presidential decisionmaking on one crucial issue: in light of the Vietnam debacle, under what circumstances should the United States go to war? The sobering lesson of Vietnam is that the United States is not invincible—it can lose a war—and thus it must be more discriminating about the use of American power. Every president has faced the ghosts of Vietnam in his own way, though each has been wary of being sucked into another unpopular war. Ford (during the Mayaguez crisis) and both Bushes (Persian Gulf, Iraq, Afghanistan) deployed massive force, as if to say, "Vietnam, be damned." On the other hand, Carter, Clinton, and Reagan (to the surprise of many) acted with extreme caution, mindful of the Vietnam experience. Obama has also wrestled with the Vietnam legacy, using doses of American firepower in Libya while still engaged in Iraq and Afghanistan. The authors spent five years interviewing hundreds of officials from every post war administration and conducting extensive research in presidential libraries and archives, and they've produced insight and information never before published. Equal parts taut history, revealing biography, and cautionary tale, *Haunting Legacy* is must reading for anyone trying to understand the power of the past to influence war-and-peace decisions of the present, and of the future.

The 44th Legacy

"A leader more focused on his legacy than meeting the demands of his office will fail in both." This review of Barack Obama's legacy as the forty-fourth president of the United States is no hymn of praise. Those who support him and believe he has left an admirable legacy will sharply disagree, and may even say it's motivated by prejudice and overly critical. They are, of course, entitled to their opinions. But, having voted twice for his presidency in 2008 and 2012, that is not an assessment with which H. H. Charles can agree. The impetus for undertaking this "chronicle" of Obama's "legacy" starts with the presidency of George W. Bush, the president who is first and foremost responsible for all the bloodshed, genocide, and crimes against humanity that plagues the Middle East to this day, and which continues unabated into the indefinite future.

The Teleological Discourse of Barack Obama

The Teleological Discourse of Barack Obama, by Richard Leeman, provides an in-depth analysis of President Barack Obama's speeches and writings to explain the power of the 44th president's speaking. Highly regarded for his eloquent and inspiring rhetoric, Obama is often compared to Roosevelt, Kennedy, and Dr. Martin Luther King, Jr. However, Leeman's study shows that Obama's teleological philosophy and discourse more closely resembles Ronald Reagan's rhetoric.

Legacy of a Refugee

The journey of an extraordinary man who escaped from communist Hungary to America, and refused to give up. Meszaros eventually founded an innovative tech company that was acquired by Intel. This story of a self-made man is an inspiration to those who have left their birth place behind in search of a better life.

Legacies

One out of five Americans, more than 55 million people, are first-or second-generation immigrants. This landmark study, the most comprehensive to date, probes all aspects of the new immigrant

second generation's lives, exploring their immense potential to transform American society for better or worse. Whether this new generation reinvigorates the nation or deepens its social problems depends on the social and economic trajectories of this still young population. In *Legacies*, Alejandro Portes and Rubén G. Rumbaut—two of the leading figures in the field—provide a close look at this rising second generation, including their patterns of acculturation, family and school life, language, identity, experiences of discrimination, self-esteem, ambition, and achievement. Based on the largest research study of its kind, *Legacies* combines vivid vignettes with a wealth of survey and school data. Accessible, engaging, and indispensable for any consideration of the changing face of American society, this book presents a wide range of real-life stories of immigrant families—from Mexico, Cuba, Nicaragua, Colombia, the Dominican Republic, Haiti, Jamaica, Trinidad, the Philippines, China, Laos, Cambodia, and Vietnam—now living in Miami and San Diego, two of the areas most heavily affected by the new immigration. The authors explore the world of second-generation youth, looking at patterns of parent-child conflict and cohesion within immigrant families, the role of peer groups and school subcultures, the factors that affect the children's academic achievement, and much more. A companion volume to *Legacies*, entitled *Ethnicities: Children of Immigrants in America*, was published by California in Fall 2001. Edited by the authors of *Legacies*, this book will bring together some of the country's leading scholars of immigration and ethnicity to provide a close look at this rising second generation. A Copublication with the Russell Sage Foundation

Legacy: An Ancestral Journey Through American History

This book profiles fifty American families and their ancestry including charts and colored renderings. Ancestors are introduced in their historical context, with emphasis on major key events.

Captain America and the American Journey, 1940-2022

Captain America made his debut in 1940, just two years behind the first comic book superheroes and five years before the United States' emergence as the world's primary superpower at the end of World War II. His journey has been intertwined with America's progress throughout the decades. Known as the "Sentinel of Liberty," he has frequently provided socio-political commentary on current events as well as inspiration and warnings concerning the future. This work explores the interconnected histories of the United States and Captain America, decade-by-decade, from the character's origins to Chris Evans' portrayal of him in the Marvel Cinematic Universe. It examines how Captain America's story provides a guide through America's tenure as a global superpower, holds a mirror up to American society, and acts as a constant reminder of what America can and should be.

An Unbroken Educational Apartheid Legacy

This is a thought-provoking book on the black-white academic achievement gap in Chicago's predominantly black communities of color and what highly effective school boards can do to change it. In this book, the reader will be powerfully enlightened by a civil and human rights debate that calls for effective leadership in our schools, beginning with effective school boards. The primary agenda of effective school boards is raising student achievement performance levels and engaging the school district community to attain that goal. These instructive analyses of effective school board leadership builds on the research and wisdom of great leaders. Simultaneously, it develops a breath of fresh air for school reformers who seek to implement a new model and escape the insanity and pathology inherent in school board dysfunctions and violations of our civil and human rights which prevents progress in Chicago's south suburban communities of color. In both highs and lows of awesome moments, as educational reform leaders and school board members, we are in a strategic leadership position to help school boards carry out their essential responsibilities for creating equity and excellence in public education. In doing so, highly effective school leaders can team with our school board leaders to lead our school district communities in preparing all students to succeed in a rapidly changing global society. School board members doing the same things over and over again and then expecting different results in academic outcomes is the definition for insanity. Education is freedom. In an era of mass educational apartheid with its consequent mass incarceration of blacks that has surpassed the enforced chattel bondage of slavery's peak numbers in 1860, this book addresses a subject that is critically essential, timely, and in need of immediate attention for the security, success, and ultimate survival of black America. As the problems of the academic under-achievement gap is addressed in this book, it is also essential that school boards, educators, and community and national leaders accept reality, to view the problem in its true perspective, to contemplate it as it is, in providing essential solutions

toward removing limiting and limited school boards' dysfunctions, obstructions, and other barriers to academic achievement in effective school board leadership. Supporting educational excellence will thereby produce more African American scholars in mathematics, science, and in many other disciplines. This book will provide information and focus on some key action areas that successful school boards in America and around the world have focused their attention on: Vision, Standards, Assessment, Resource Alignment, Climate, Collaboration, and Continuous Academic Improvement.

Legacy

American Exceptionalism and the Legacy of Vietnam examines the influence of the belief in American exceptionalism on the history of U.S. foreign policy since the Vietnam War. Trevor B. McCrisken analyzes attempts by each post-Vietnam U.S. administration to revive the popular belief in exceptionalism both rhetorically and by pursuing foreign policy supposedly grounded in traditional American principles. He argues that exceptionalism consistently provided the framework for foreign policy discourse but that the conduct of foreign affairs was limited by the Vietnam syndrome.

American Exceptionalism and the Legacy of Vietnam

Byron Johnson was an exceptional man who lived during a fascinating time. He was the grandson of a slave who overcame financial and social obstacles on his way to a college degree and a life devoted to education and to making the world a better place. Byron spent his life striving for greatness, both athletically and intellectually, and striving to instill it in others. He was a pioneer, paving the way for African Americans to enjoy equal rights and equal opportunities. Without Negro Leaguers like Byron demonstrating the extent of their skills, Major League Baseball would have taken much longer to integrate. Without educators like Byron, our nation's young people would not have had desperately needed role models to mold their characters and challenge their intellects. I am grateful for his inspiring life. President Bill Clinton Show more Show less

Legacy of a Monarch

The topos of the journey is one of the oldest in literature, and even in this age of packaged tours and mediated experience, it still remains one of the most compelling. This volume examines the ways in which the legacy of the Grand Tour is still evident in works of travel and literature. From its aristocratic origins and the permutations of sentimental and romantic travel to the age of tourism and globalization, the Grand Tour still influences the destinations tourists choose and shapes the ideas of culture and sophistication that surround the act of travel. The essays in this collection examine a wide variety of literature—travel, memoir, and fiction—and explore the ways travel and ideas of “culture” have evolved since the heyday of the Grand Tour in the 18th century. The sites of the Grand Tour remain a powerful cultural draw, and they continue to define ideas of taste and learning for those who visit them.

The Legacy of the Grand Tour

In this lavishly illustrated guide to the Smithsonian's National Museum of American History, Steven Lubar and Kathleen M. Kendrick tell the stories behind more than 250 of the museum's treasures, many of them never before photographed for publication. These stories not only reveal what America as a nation has decided to save and why but also speak to changing visions of national identity.

Legacies

Focusing on the Cold War and the post-Cold War eras, R. Gerald Hughes explores the continuing influence of Appeasement on British foreign policy and re-evaluates the relationship between British society and Appeasement, both as historical memory and as a foreign policy process. The Postwar Legacy of Appeasement explores the reaction of British policy makers to the legacies of the era of Appeasement, the memory of Appeasement in public opinion and the media and the use of Appeasement as a motif in political debate regarding threats faced by Britain in the post-war era. Using many previously unpublished archival sources, this book clearly demonstrates that many of the core British beliefs and cultural norms that had underpinned the Chamberlainite Appeasement of the 1930s persisted in the postwar period.

The Postwar Legacy of Appeasement

Russell Woolfe, a faded TV producer, is struggling with his father's death. Deeply uncomfortable with his own Jewish identity, he is torn between anger with his father—estranged over Russell's marrying a non-Jewish woman—and grief over their failure to reconcile. At his father's memorial Russell meets Joe Kuchinsky, a Polish survivor who unaccountably latches on to him. Kuchinsky claims to possess an ancient Hebrew manuscript that has been in his family for generations and which he wants to have translated before he dies. Kuchinsky believes fervently that the manuscript contains some important ancient wisdom—perhaps, even, the key to the survival of the Jewish people. Despite his doubts, Russell agrees to inspect the manuscript and tell Kuchinsky what it contains. Thus begins an international mystery that stretches a thousand years in the past, is wrapped in the tragedy of the Holocaust, and which comes to a startling conclusion that has dire personal consequences for everyone caught up in the saga. Filled with depth and pathos, *The Legacy* is destined to become one of the most important historical novels of the 21st century.

The Legacy

A revisionist interpretation of the post-war evolution of European integration and the European Union (EU), this book reappraises and reassesses conventional explanations of European integration. It adopts a federalist approach which supplements state-based arguments with federal political ideas, influences and strategies. By exploring the philosophical and historical origins of federal ideas and tracing their influence throughout the whole of the EU's evolution, the book makes a significant contribution to the scholarly debate about the nature and development of the EU. The book looks at federal ideas stretching back to the sixteenth century and demonstrates their fundamental continuity to contemporary European integration. It situates these ideas in the broad context of post-war western Europe and underlines their practical relevance in the activities of Jean Monnet and Altiero Spinelli. Post-war empirical developments are explored from a federalist perspective, revealing an enduring persistence of federal ideas which have been either ignored or overlooked in conventional interpretations. The book challenges traditional conceptions of the post-war and contemporary evolution of the EU, to reassert and reinstate federalism in theory and practice at the very core of European integration.

Federalism and the European Union

Structured as a patchwork of conversations, recollections, and lyrical encounters, this rich spiritual autobiography allows readers to eavesdrop on a restless soul in quest of self, God, and home. The memoir tells the story of an American who became intrigued by Buddhism through his love of Asian art and who decided to study the discipline in a Japanese Soto Zen monastery. In Part One, the author gives an account of his life in the Hosshinji monastery in Obama, Japan, detailing his daily routine and his participation in a traditional Takuhatsu almsgiving ceremony, a Sesshin period of intensive meditation, and a Jukai Buddhist initiation ceremony. Part Two describes the author's difficult search for a Buddhist temple to continue his religious practices upon returning to the United States. Part Three deals with the author's involvement in the International Institute for Field-Being and details how his Buddhist training helped prepare him for that venture. Part Four describes obstacles the author has encountered as a lone Buddhism practitioner since his training.

An American's Journey into Buddhism

Placing Alexander the Great's leadership, command skills, and grand strategy within the context of twenty-first century military challenges, and thus showing continuities in leadership and warfare since his time, this volume demonstrates how and why Alexander is relevant to the modern world by emphasizing the need for human leadership in our digital era. Not only does this volume explore Alexander's rich military history, but also it provides a robust exploration of the twenty-first century security environment. Theorists and policy-makers will gain insight into how Alexander's story informs our thinking about peace, war, and strategy, while practitioners and educators will encounter ways to improve their approaches to leader development and building curricula. Ferguson and Worthington set forth these lessons in a thematic framework that organises Alexander's reign into distinct parts, together with chapters discussing the lessons and warnings he brings to the modern world. Twenty-fifth National Security Advisor to the President of the United States, Lt. Gen. H. R. McMaster, provides a thoughtful conclusion to this fascinating volume. Alexander's timeless campaigns remain as germane to this age as any other and demonstrate the critical importance of dynamic leadership and historical studies in an era increasingly dominated by the culture of technology. *The Military Legacy of Alexander the Great* is expertly written for students and scholars in a variety of disciplines, including Classics,

Ancient History, Modern History, Peace Studies, and Military Studies. It is also of great interest to senior defence leaders, military academies, leadership- and management-focused academic programmes, intelligence organizations, and senior service colleges. The volume is also suitable for the general reader interested in warfare, military history, and history more broadly.

The American Journey Teaching and Learning Classroom Edition

A new examination of contemporary federalism and federation, which delivers a detailed theoretical study underpinned by fresh case studies. It is grounded in a clear distinction between 'federations', particular kinds of states, and 'federalism', the thinking that drives and promotes them. It also details the origins, formation, evolution and operations of federal political interests, through an authoritative series of chapters that: analyze the conceptual bases of federalism and federation through the evolution of the intellectual debate on federalism; the American Federal experience; the origins of federal states; and the relationship between state-building and national integration explore comparative federalism and federation by looking at five main pathways into comparative analysis with empirical studies on the US, Canada, Australia, India, Malaysia, Belgium, Germany, Austria, Switzerland and the EU explore the pathology of federations, looking at failures and successes, the impact of globalization. The final chapter also presents a definitive assessment of federal theory. This book will be of great interest to students and researchers of federalism, devolution, comparative politics and government.

The Military Legacy of Alexander the Great

The New Deal established the contours and character of modern American democracy. It created an anchor and a reference point for American liberal politics through the struggles for racial, gender, and economic equality in the five decades that followed it. Indeed, the ways that liberalism has changed in meaning since the New Deal provide a critical prism through which to understand twentieth-century politics. From the consensus liberalism of the war years to the strident liberalism of the sixties to the besieged liberalism of the eighties and through the more recent national debates about welfare reform and Social Security privatization, the prominent historians gathered here explore the convoluted history of the complex legacy of the New Deal and its continuing effect on the present. In its scope and variety of subjects, this book reflects the protean quality of American liberalism. Alan Brinkley focuses on the range of choices New Dealers faced. Alonzo Hamby traces the Democratic Party's evolving effort to incorporate New Deal traditions in the Cold War era. Richard Fried offers a fresh look at the impact of McCarthyism. Richard Polenberg situates Robert Oppenheimer, the father of the atomic bomb, in a tradition of liberal thought. And Melvin Urofsky shows how the Roosevelt Court set the legal dimensions within which the debate about the meaning of liberalism would be conducted for decades. Other subjects include the effect of the Holocaust on relations between American Jews and African Americans; the limiting effects of racial and gender attitudes on the potential for meaningful reform; and the lasting repercussions of the tumultuous 1960s. Provocative, illuminating and sure to raise questions for future study, *The Achievement of American Liberalism* testifies to a vibrant and vital field of inquiry.

Comparative Federalism

They caught Number One in Malaysia. Number Two in England. And Number Three in Kenya. They tried to catch Number Four in Ohio . . . and failed. I am Number Seven. And I'm ready to fight. I've seen him on the news. Followed the stories about what happened to John Smith. To the world he's a mystery, but to me . . . he's one of us. Nine of us came here, but sometimes I wonder if time has changed us, if we all still believe in our mission. There are six of us left. We're hiding, blending in, avoiding contact with one another, but our Legacies are developing, and soon we'll be ready to fight. Is John Number Four - and is his appearance the sign I've been waiting for? And what about Number Five and Six? Could one of them be the raven-haired girl with the stormy eyes from my dreams? The girl with powers that are beyond anything I could ever imagine? The girl who might be strong enough to bring the six of us together? Praise for Pittacus Lore: 'Tense, exciting, full of energy' Observer 'Relentlessly readable' The Times 'Tense, keeps you wondering' Sunday Times 'Set to eclipse Harry Potter and moody vampires. Pittacus Lore is about to become one of the hottest names on the planet' Big Issue Perfect for fans of The Hunger Games - The Power of Six is the second book in Pittacus Lore's Lorien Legacies series. The first book I Am Number Four is now a major Disney motion picture.

The Achievement of American Liberalism

Two centuries after their expedition awoke the nation both to the promise and to the disquiet of the vast territory out west, Lewis and Clark still stir the imagination, and their adventure remains one of the most celebrated and studied chapters in American history. This volume explores the legacy of Lewis and Clark's momentous journey and, on the occasion of its bicentennial, considers the impact of their westward expedition on American culture. Approaching their subject from many different perspectives—literature, history, women's studies, law, medicine, and environmental history, among others—the authors chart shifting attitudes about the explorers and their journals, together creating a compelling, finely detailed picture of the "interdisciplinary intrigue" that has always surrounded Lewis and Clark's accomplishment. This collection is most remarkable for its insights into ongoing debates over the relationships between settler culture and aboriginal peoples, law and land tenure, manifest destiny and westward expansion, as well as over the character of Sacagawea, the expedition's vision of nature, and the interpretation and preservation of the Lewis and Clark Trail.

The Power of Six

In Britain we have lost touch with the Great War. Our overriding sense now is of a meaningless, futile bloodbath in the mud of Flanders -- of young men whose lives were cut off in their prime for no evident purpose. But by reducing the conflict to personal tragedies, however moving, we have lost the big picture: the history has been distilled into poetry. In *The Long Shadow*, critically acclaimed author David Reynolds seeks to redress the balance by exploring the true impact of 1914-18 on the 20th century. Some of the Great War's legacies were negative and pernicious but others proved transformative in a positive sense. Exploring big themes such as democracy and empire, nationalism and capitalism and re-examining the differing impacts of the War on Britain, Ireland and the United States, *The Long Shadow* throws light on the whole of the last century and demonstrates that 1914-18 is a conflict that Britain, more than any other nation, is still struggling to comprehend. Stunningly broad in its historical perspective, *The Long Shadow* is a magisterial and seismic re-presentation of the Great War.

Lewis & Clark

The English born artist and writer Leonora Carrington (1917–2011) has received much critical acclaim and achieved stellar status in Mexico, where she lived and worked for most of her life, having fled Europe via Spain in tormenting circumstances. *Leonora Carrington: Living Legacies* brings together a collection of chapters that constitute a range of artistic, scholarly and creative responses to the realm of Carrington emphasizing how her work becomes a medium, a milieu, and a provocation for new thinking, being and imagining in the world. The diversity of contributions from scholars, early career researchers, and artists, include unpublished papers, interviews, creative provocations, and writing from practice-led interventions. Collectively they explore, question, and enable new ways of thinking with Carrington's legacy. Wishing to expand on recent important scholarly publications by established Carrington researchers which have brought historical and international significance to the artist's legacy, this volume offers new perspectives on the artist's relevance in feminist thinking and artistic methodologies. Conscious of Carrington's reluctance to engage in critical analysis of her artwork we have approached this scholarly task through a lens of give and return that the artist herself musingly articulates in her 1965 mock-manifesto *Jezzamathatics*: "I was decubing the root of a Hyperbollick Symposium ... when the latent metamorphosis blurted the great unexpected shriek into something between a squeak and a smile. IT GAVE, so to speak, in order to return." (Aberth, 2010:149). In adopting her playful conjecture, this publication seeks to bring Carrington and her work to further prominence.

The Long Shadow

Based on the life of Sherrod Mayes, the eighteenth century Tennessee pioneer. A young man's casual attempt to examine the character of his beloved grandfather became a life-long process of discovery. The long search for information about a lost hero led to the discovery of elders who preceded him. Sherrod Mayes and his descendants shed new light on a once faded view of the American experience. As the quest continued for final pieces of the historic puzzle, the search turned inward. The seasoning affects of time, experience and self-reflection eventually inspired a heightened appreciation for memories of this lifetime. Follow this journey and discover a bright perspective of people and events that shaped each of us while we were not looking.

Leonora Carrington: Living Legacies

An Indian Legacy: Every few years a novel depicting the agonies of being red in a sea of white faces must be written. An Indian Legacy is just such a novel. The legacy consists of a tomahawk, a peace pipe, banded eagle feathers, and some small human bones. The legacy was inherited years ago by Grant Someiset, but remained tucked away, almost forgotten. After being diagnosed with terminal cancer, the legacy and Grant's red roots not only shape his future, but shape the destinies of a mighty nation and a once mighty people. Each element of the legacy acts as a hook that takes the reader on a fantastic journey, from Northern Virginia, to New Mexico, to a sandy knoll on the giant Navajo Indian Reservation. During the journey, a U.S. Senator is murdered, the only suspect mysteriously escapes, five-hundred thousand Native Americans unite, and two white men violently die defending the red man. A final face-off between Washington and a determined Indian population test the courage of the American Indian and the integrity of Washington. The face-off could result in nothing less than a Presidential apology or yet another humiliating disgrace for the American Indian.

Sherrod's Legacy

Three meticulously researched works—including Pulitzer Prize winner Bearing the Cross—spanning the life of civil rights icon Martin Luther King Jr. This collection from professor and historian David J. Garrow provides a multidimensional and fascinating portrait of Martin Luther King Jr., and his mission to upend deeply entrenched prejudices in society, and enact legal change that would achieve equality for African Americans one hundred years after their emancipation from slavery. Bearing the Cross traces King's evolution from the young pastor who spearheaded the 1955–56 bus boycott in Montgomery to the inspirational leader of America's civil rights movement, focusing on King's crucial role at the Southern Christian Leadership Conference. Garrow captures King's charisma, his moral obligation to lead a nonviolent crusade against racism and inequality—and the toll this calling took on his life. Garrow delves deeper into one of the civil rights movement's most decisive moments in Protest at Selma. These demonstrations led to the landmark Voting Rights Act of 1965 that, along with the Civil Rights Act of 1964, remains a key aspect of King's legacy. Garrow analyzes King's political strategy and understanding of how media coverage—especially reports of white violence against peaceful African American protestors—elicited sympathy for the cause. King's fierce determination to overturn the status quo of racial relations antagonized FBI director J. Edgar Hoover. The FBI and Martin Luther King, Jr. follows Hoover's personal obsession to destroy the civil rights leader. In an unprecedented abuse of governmental power, Hoover led one of the most invasive surveillance operations in American history, desperately trying to mar King's image. As a collection, these utterly engrossing books are a key to understanding King's inner life, his public persona, and his legacy, and are a testament to his impact in forcing America to confront intolerance and bigotry at a critical time in the nation's history.

An Indian Legacy

This book, Legacy of Love, is an opportunity for my family and me to share portions of our life story with all humanity. Our hope is that it will help, inspire, motivate, and encourage all those who read it. Our life story is not a work of fiction . . . it is real. Journey with us and allow us to share with you how blessed we are, how good God is, and how great His love is for us . . . always!
