Unlike any woman he has known before, shy, unworldly Ana seems to see right through him - past the business prodigy and the penthouse lifestyle to Christian's cold, wounded heart. Will being with Ana dispel the horrors of his childhood that haunt Christian every night? Or will his dark sexual desires, his compulsion to control, and the self-loathing that fills his soul drive this girl away and destroy the fragile hope she offers him? Darker Their scorching, sensual affair ended in heartbreak and recrimination, but Christian Grey cannot get Anastasia Steele out of his mind, or his blood. Determined to win her back, he tries to suppress his darkest desires and his need for complete control, and to love Ana on her own terms. But the horrors of his childhood still haunt him, and Ana's scheming boss, Jack Hyde, clearly wants her for himself. Can Christian's confidant and therapist, Dr. Flynn, help him face down his demons? Or will the possessiveness of Elena, his seducer, and the deranged devotion of Leila, his former submissive, drag Christian down into the past? And if Christian does win Ana back, can a man so dark and damaged ever hope to keep her? Freed You are cordially invited to the wedding of the decade, when Christian Grey will make Anastasia Steele his wife. But is he really husband material? His dad is unsure, his brother wants to organise one helluva bachelor party, and his fiancée won't vow to obey . . . And marriage brings its own challenges. Their passion for each other burns hotter and deeper than ever, but Ana's

defiant spirit continues to stir Christian's darkest fears and tests his need for control. As old rivalries and resentments endanger them both, one misjudgement threatens to tear them apart. Can Christian overcome the nightmares of his childhood and the torments of his youth, and save himself? And once he's discovered the truth of his origins, can he find forgiveness and accept Ana's unconditional love? Can Christian finally be freed?

#### Chain Letter

Now an original Netflix series! From the author of *The Wicked Heart* and *The Immortal* comes a beautiful and haunting novel about a group of five terminally ill teenagers whose midnight stories become their reality. Rotterham Home was a hospice for young people—a place where teenagers with terminal illnesses went to die. Nobody who checked in ever checked out. It was a place of pain and sorrow, but also, remarkably, a place of humor and adventure. Every night at twelve, a group of young guys and girls at the hospice came together to tell stories. They called themselves the Midnight Club, and their stories could be true or false, inspiring or depressing, or somewhere in-between. One night, in the middle of a particularly scary story, the teenagers make a secret pact with each other, which says, “The first one who dies will do whatever he or she can do to contact us from beyond the grave, to give us proof that there is life after death.” Then one of them does die...

Sheila Hardolt has lost her best friend to Dusty’s brutal attacks. It will be her task to probe the clues Dusty has left at the site of each of his murders. Clues that will point her into the past—to a time when a large portion of mankind lost all sense of decency. There she will find the seed of Dusty’s evil compulsion, the *Wicked Heart*, and the reason why it did not die the first time it was destroyed.

#### The Midnight Club

She didn't know what she had done. She awoke in the woods beside a dead body with a knife in her hand and blood on her clothes. Had she killed the young woman beside her? She couldn't remember anything--not even her own name. It was as if someone had stolen her mind--stolen her soul.

#### Strange Girl

She also knows things that are happening in faraway places when she looks in water that has sunlight shining

on it. She comes from a tradition of witches—good witches. But before Julia's mother died, she warned her daughter never to look in water that had moonlight shining on it. Unfortunately, almost by accident, Julia does. What she sees is a vision of the future, a scene in which a young man she doesn't know is shot and dies in her arms. Only later, when Julia attends a football game at school, does she meet the young man. He is her girlfriend's new boyfriend. Julia immediately falls for the guy, but it is an ill-fated love. She didn't even teach anything, not really, and she never told me anything I probably didn't already know. On the other hand, she didn't expect to be worshipped, nor did she ask for money. Given her high opinion of herself, some might call that a miracle. I don't know, maybe she was God. Her name was Sati and she had blonde hair and blue eyes. For all who meet her, Sati will change everything. Sati may change everything for you.

#### The Last Vampire

THEY CALLED HER A WANDERER. Shari Cooper is dead, the victim of a murderous attack. She is on the other side, in a place of spirits, an eternal realm of light and love. But she is given a rare offer. To return to Earth without having to be reborn. Into the body of a depressed teenage girl. A transfer of souls, they call it. Shari is given a chance to be a Wanderer, and to do a great service for humanity. It is an offer she gladly accepts. Then she is back, in a human body. Yet she does not remember being Shari Cooper. At first she recalls nothing of the afterlife. Perhaps it is just as well. Not everybody on Earth welcomes Wanderers. Of the few who know of their existence, some want them dead. And others, the truly evil ones, wish them much worse than that.

#### Until the End

#### The Tales of Terror

Anne McFarland is dead, and her best friend, Sharon McKay, stands accused even though no body has been found. Nevertheless, the prosecution is almost certain of victory, and Sharon must prove that her friend committed suicide--and unravel the vengeful scheme of an obsessed teenager.

### Remember Me 2 (Reissue)

An innocent man is attacked by a cult and buried alive. A pretty girl meets a fascinating guy, who hardly seems to blink or breathe, and emits a cool presence. They're both living in a weird realm where life and death mirror each other--where the grave no longer promises escape.

### Bound to You

Several high school students, transferred to a new school when their old one closes, invite classmates, new and old, to a party. One of the girls is found dead. Was it suicide or murder?

### See You Later

Pike explores the depth and breadth of human emotion through two brilliantly etched characters: Kelly Feinman, who pays a terrible price to understand the nature of true evil; and Matt Connor, a classic anti-hero. They should be enemies. Instead, they become friends, and together, they help each other become whole.

### Execution of Innocence

On a high-school graduation road trip to Las Vegas, Jessie, still in love with ex-boyfriend Jimmy, discovers that she possesses extraordinary powers and the ability to exist in both the real world and an alternate one.

### Fall Into Darkness

Another hit from the New York Times bestselling author of *Bury Me Deep*. Mary Carlson had wanted to kill more than the two people she blew away with a shotgun at the party. And when her best friend Angela asks her why, Mary responds, "Because they're no longer human". At first Angela thinks she's crazy. But soon she discovers a horror so unimaginable, she wonders if she should have let Mary go on killing.
