Om Jai Sri Ganesh

This diary has a cool illustration of the Hindu deity Ganesh (aka Ganapati or Vinayaka) on the front cover and a mandala on the back that can be used as a focal point for your trataka meditation. The words in the title, "Om Jai Sri Ganesh" come from the lyrics of a popular kirtan / bhajan chant in Sanskrit (ancient language from India) that means "Hail Lord Ganesh." Ganesh is one of the most popular gods in Hindu mythology. His prevalence stretches beyond Hinduism to Buddhism and Jainism as well. He symbolizes a few things: remover of obstacles, new beginnings, master of wisdom and intellect and the patron of arts and sciences. Focus on Ganesh to remove obstacles in your life and focus on gaining knowledge! Om Jai Sri Ganesh!! This journal features: 200 lined pages (100 sheets) 5 x 8 inches (compact) 60 pound (90 gsm) white-colored paper Perfect bound matte softcover (10 pt stock) Ten percent of book sales go towards enabling youth in developing countries to access better educational opportunities. The Divinely-realized techniques of yoga are the key. Within this book, you will discover the basic theory, philosophy and practices of classical yoga as received by Sri Dharma Mittra from his beloved Guru and refined over his half-century of practice and teaching. Can a book enlighten the mind on its own? No, but this book will without a doubt aid in the process. Om Shanti Om.

A Tale of Two Truths

Dhobi-ka-Gadha, like most other donkeys, was born detached, blissfully ignorant of the great beyond. Food, his beloved Pyari and a day without a beating from the washerman were the only thoughts that

filled his mind. But then along came Toti, the Buddhist parrot from Sarnath, and in her wake Langu, the Hindu monkey from Varanasi, armed with the tenets of their religions. Both had one agenda: to convert the donkey. While one promised Nirvana, the other assured Moksha, words that a donkey could ignore. However, the promise of freedom, by leapfrogging a few steps up the karmic ladder to become a human being, was a carrot even Dhobi-ka-Gadha could not pass. And thus began his downfall.

This book examines the phenomenon of prime time soap operas on Indian television. An anthropological insight into social issues and practices of contemporary India through the television, this volume analyzes the production of soaps within India's cultural fabric. It deconstructs themes and issues surrounding the "everyday" and the "middle class" through the fiction of the "popular". In its second edition, this still remains the only book to examine prime time soap operas on Indian television.

Without in any way changing the central arguments of the first edition, it adds an essential introductory chapter tracking the tectonic shifts in the Indian "mediascape" over the past decade – including how the explosion of regional language channels and an era of multiple screens have changed soap viewing forever. Meticulously researched and persuasively argued, the book traces how prime time soaps in India still grab the maximum eyeballs and remain the biggest earners for TV channels. The book will be of interest to students of anthropology and sociology, media and cultural studies, visual culture studies, gender and family studies, and also Asian studies in general. It is also an important resource for media producers, both in content production and television channels, as well as for the general reader.

Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paean of triumph when universal Ananda is achieved.

Shri Ganesh Chalisa, Aarti, Stotra, Kahani Aur Mantra

This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesha's ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesha's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical

context for the GanesaPurana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

Shri Ganesh Mantras

Nine of India's 14 prime ministers have been elected from constituencies in Uttar Pradesh, the country's most populous state and most complex political battleground. The road to Delhi is said to go through Lucknow. Hence, elections in UP are among the most hotly debated and closely watched political contests in the nation. With the UP Legislative Assembly elections scheduled for the first quarter of 2022, UP Elections 2022: More Than a State at Stake raises the all-important question: who will emerge winner in UP in 2022? How will this victory impact the general elections in 2024? In the 2017 Assembly elections, the Bharatiya Janata Party (BJP) registered a massive win in UP, bagging 312 seats in the 403-seat Assembly. The Samajwadi Party (SP) won 47 seats and its ally, the Congress, only seven. The Bahujan Samaj Party (BSP) ended up with 19 seats, its worst tally ever. In UP Elections 2022: More Than a State at Stake, well-known journalist and political commentator Anil Maheshwari analyses the caste and religious factors that colour electoral outcomes while taking a hard look at the political alliances gearing up to wrest power back from the BJP. Teeming with insightful predictions about the future of UP, and by extension, the nation, this book is a must-read for those who are invested in Indian democracy.

Sai Baba lived in Shirdi, India in the late 18th and early 19th century. Countless miracles were experienced by his followers and devotees during this period. Even today, devotees all over the world continue to experience such miracles simply by mentally praying to Sai Baba. Sai Baba has an unlimited treasure trove of teachings to guide and help everyone on the path towards Spiritual Enlightenment. These are the same teachings found in the Hindu holy books of Vedas, Upanishads and Bhagavad Gita but in a much easier to understand way. Sri Sai Sat Charitra contains the miracles and teachings of Sai Baba. It was written from 1922 to 1929 by Raghunath Govind Dabholkar aka Hemadpant after he personally experienced miracles of and received permission from Sai Baba of Shirdi. Nagesh Vasudev Gunaji translated Hemadpant's Marathi edition into English in 1944. For the first time, this is a brand new 'For Kids' edition of Sri Sai Sat Charitra. Gunaji's edition has been simplified and retold to make it easy for Kids. This includes making the language simpler, explaining the background and concepts mentioned in the original text, splitting the chapters into smaller sections as well as adding questions and answers. Sri Sai Charitra is a guidebook to help your children start on an amazing spiritual journey of self discovery with Sai Baba.

Chanting, singing hymns, reciting mantras, or simply reading Sacred texts, and praying...all are found among many faiths and religious practices. These practices have always been tools for transcendence. Sing Angel Sing is no different. Rita has chosen several beautiful Sanskrit mantras for parents and

children alike to read aloud or sing together in order to enter into this Sacred space. By doing so, she believes that peace can be sustained on both personal and collective levels. Her vision is that we all join hands across cultures and faiths, to engage in acceptance and amity, and merge into this space of peace and rest in which we are cocooned in Love. There is no better time than now, to develop calming and grounding practices that help us remember--remember that Peace and Love are persistent and tenacious! Herein is a place where each of us might become more present to what is without becoming crushed by the sometimes harsh realities that can accompany the present. This is the invitation in Sing Angel Sing!
