Knowing how we receive grace is as important as knowing how we lose it so that we not waste it but, instead, help it grow and bear fruit in our souls. Otherwise, we will always be in an immature, fruitless state, ignoring or even fighting against the true Orthodoxy. Consider the following example: let us assume that a man gives us a coin, but because our pocket has a hole, the coin falls out. Arriving home, we see that we do not have it any more, so we run back to get another coin. And that good man, full of benevolence, gives us one more coin, which we lose in the same way. After many years, what will be the use of much money passing through our hands if we end up without anything?! Some people might choose to defame the very person who has given them the money, calling him a deceiver. They might even hit or kill that man, claiming that he caused them to waste their time in vain! The coin, though, was real; you held it in your hands for a moment and saw that it was good. But now, you no longer have it. After experiencing this over and over again, it would be appropriate to investigate whether there is a way to not lose the money, for the grace received in the soul to not be lost but to grow and bear fruit. Otherwise, the state of continued scatterings of grace can lead us to a state of perplexity, unbelief, or revolt against God. Such states can increasingly be seen all around us: the Church and the Sacraments seem to have lost their power. Nevertheless, grace is the same; we simply don't know how to preserve it. Are You Sealed with the Seal of God?

Are You Sealed with the Seal of God? A Biblical Perspective on the Seal of God and How to Get It By: Heidi Rau There are many views in the world today regarding what people think the seal of God is. Are You Sealed with the Seal of God? focuses on a biblical view of the seal of God and why it cannot be some of the more traditional views many people believe today. Written in an easy-to-understand language, Heidi emphasizes the importance of the seal of God, as it determines who is saved and who is not at the coming of Jesus. Those who are not sealed will be deceived into obtaining the mark of the beast and will be eternally lost. It is vital that we are sealed now, before the coming deception that will deceive the whole world. Heidi's ultimate goal is for readers to understand what the seal of God is and take the necessary steps to be sealed before it is too late. Are you sealed with the seal of God?

Legend of the Rainbow Warriors is a journalist's account of one of the core myths of America, and an electrifying exploration of how that myth is playing out in real time. One dominant myth is formed by advertising images of vast, luxurious wealth-the myth of materialism. Another myth is conjured in the bloody, sorrowful images that pervade movies, music and computer games-the myth that the world is hate-filled and chaotic beyond redemption. The Legend of the Rainbow Warriors offers a spiritual alternative of hope and real possibility based upon respect, freedom and responsibility. As drawn from dozens of historical accounts, the Legend of the Rainbow Warriors relates that "when the Earth becomes desperately sick, people of all colors and faiths will unite, and rise to face the overwhelming challenges with insight, honesty, caring, sharing, and respect." Veteran writer Steven McFadden weaves the myths and the headlines together seamlessly in a rich work of literary journalism that is adroitly crafted, eye-opening, and soul-inspiring.

Immanuel's Bride and the Holy Spirit: Building a Whole New World is a riveting account of the Holy Spirit, which captures the glory of God. This compelling use of the scriptures, portrays God's dynamic nature through His Holy Spirit. It journeys from Genesis to Revelation and looks at the importance of Christians being in awe of God. It conveys how lowering one's self before God and others promotes the free flowing of God's Spirit in every facet of one's life. Both, novice readers of the Bible, as well as those well versed in it, will learn a new dimension of their connection to the Holy Spirit and how to depend on Him. Also, readers will see God's plan for the ultimate wedding between Immanuel and His Bride. Immanuel's Bride and the Holy Spirit is an uplifting and revealing profile about who the Holy Spirit is to God and to Christians, as well as how to allow faith in God to lead your actions, thoughts, emotions and spiritual strength. —Blair Townley Editor, Xulon Press

The Worst Journey in the World is a memoir of the 1910–1913 British Antarctic Expedition led by Robert Falcon Scott. It was written by a member of the expedition, Apsley Cherry-Garrard, and has earned wide praise for its frank treatment of the difficulties of the expedition, the causes of its disastrous outcome, and the meaning (if any) of human suffering under extreme conditions. In 1910, Cherry-Garrard and his fellow explorers travelled by sailing vessel, the Terra Nova, from Cardiff to McMurdo Sound, Antarctica. The second-in-command, Dr Edward Wilson had a personal goal in Antarctica to recover eggs of the Emperor penguin for scientific study. As the bird nests during the Antarctic winter, it was necessary to mount a special expedition in July 1911, to the penguins' rookery at Cape Crozier. Wilson chose Cherry-Garrard to accompany him and another crew member across the Ross Ice Shelf under conditions of complete darkness and temperatures of 40 °C and below. All three men, barely alive, returned from Cape Crozier with their egg specimens, which were stored.

At the age of twenty-four, Apsley Cherry-Garrard was one of the youngest members of the Terra Nova expedition. This was Robert F. Scott's second attempt to be the first to reach the South Pole. Cherry's application to join the expedition was initially rejected as Scott was looking for scientists, but he made a second application along with a promise of £1,000 (equivalent to £103,000 in 2019) towards the cost of the expedition. Rejected a second time, he made the donation regardless. Struck by this gesture, and at the same time persuaded by E.A. Wilson, Scott agreed to take Cherry-Garrard as assistant zoologist. The expedition arrived in the Antarctic on 4 January 1911. Scott and four companions eventually attained the pole on 17 January 1912, where they found that a Norwegian expedition led by Roald Amundsen had preceded them by 34 days. Scott's entire party died on the return journey from the pole; some of their bodies, journals, and photographs were found by a search party eight months later. After returning to England, Cherry-Garrard travelled to China and then volunteered to the First World War and commanded a squadron of armoured cars in Flanders. Invalided out in 1916, he suffered from clinical depression as well as ulcerative colitis which had developed shortly after returning from Antarctica. Although his psychological condition was never cured, the explorer was able to treat himself to some extent by writing down his experiences. In 1922, encouraged by his friend George Bernard

Shaw, Cherry-Garrard wrote *The Worst Journey in the World*, his memoir of the incredible 3 years he spent in Antarctica. Over 80 years later this book is still in print and is often cited as a classic of travel literature, having been acclaimed as the greatest true adventure story ever written.

"Logos 3 is the fourth of my ten-volume, Logos 1-7 work, each volume of which is able to stand alone as God's Book of Life. It took me over 3,000 pages in ten volumes to say How and What is Important to Believe. It seeks to explain by experience who Jesus is, who God is, who the Holy Spirit is, what the Bible is, why it is crucial to life that we believe in them, what "belief" is, what "to be saved" is, just how Salvation is effected, what the "take-away" benefits are, and how to find meaning and purpose in life. "As said, each of these ten volumes is able to stand alone as God's Book of Life, portraying Life with the Holy Spirit by belief in the Christ of Jesus as Savior to eternal life with God. The ten volumes relate my Story of Writing God's Book of Life, using nonfiction essays and poetry with daily help of divine intervention in producing the seven-Logos Work of ten volumes, and the four supporting volumes. All seek to fully understand and explain this work inspired by the Holy Spirit, the Christ of Jesus. "The action of God fulfilled for him in seven years all of Rodger Crafton's dreams of becoming a writer of poetry and prose, an armchair philosopher, and an artist working in his new, upstairs garage atelier."---R. All the Doctrines of the Bible

The Holy Spirit, which is the Third Person of the Godhead, will guide you in your daily life. Jesus says that He will send another comforter. The Holy Spirit gives you life. The Holy Spirit is the power of God. The Holy Spirit is a healer. Without the Holy Spirit, we are weak. We are spiritually dead at the birth of Jesus. It was the Holy Spirit at His ministry. It was the Holy Spirit that guided Him at His death. It was the Holy Spirit that kept Him at His resurrection. It was the Holy Spirit that raised Him from the dead. It is the same Holy Spirit that keeps the believer in this present world and keeps the church strong in the Lord. When I were to write my thesis, I was prompt to write on the Holy Spirit. I want to say that the Holy Spirit through the power of God is a healer because I have been healed from being in a wheelchair.

The Seven Seals of the Holy Spirit

As Christians, we've always been told about the mark of the Beast and the end time. We were never told about the mark of God in our foreheads. If you read in Revelations, you will find that the children of God are known by his mark in their forehead. On the front cover, you will find my portrait with the seal of God printed on my forehead. When I have left this earth, I wish to be known as a child of God. The work that you will find inside this book is a collection of messages from God, as I am a minister. You will also find poetry that has religious undertones. Some of the poems are uplifting, some of the poems or informative, and some of the poems are heart-wrenching. As a writer, I hope that in some way and somehow, my work will inspire you. Some, I hope, will help others and prevent children from being abused as I was abused from a very young age. Some of my work was difficult for me to write, but with God's help, I was able to do it. Some of my work will make you laugh, cry, and smile. Thank you for purchasing this book. I hope it will help you throughout your life. Remember to teach it to your children so that they can teach to their children. I hope that it will be a road map for those of you who have to live through the message of The Seal of God on Your Forehead.

Hubby, Your Fox Fairy Wants Everything 07 Anthology

What do you want to know about the work of the Holy Spirit in this century? In *1,001 Things You Always Wanted to Know About the Holy Spirit*, J. Stephen Lang provides information on people such as Dennis Bennett, Aimee Semple McPherson, C. Peter Wagner, and John Wimber as well as insight into movements such as the Azusa Street Revival, the growth of the Assemblies of God, the Full Gospel Business Men's Fellowship, the Keswick Convention, and the 1973 Notre Dame Conference. From Scripture songs to glossolalia, Charismatics to Pentecostals, this browse book is filled with important-and sometimes offbeat-information about what the Holy Spirit has (and has not) been doing in the twentieth century.

The Worst Journey in the World

Learn to Stand with Feet Rooted in Shadow and Hands Stretched to the Stars "In your hands is Raven Grimassi's most personal and powerful work to date. In it he shares profound Craft teachings that will transform your relationship with magick, and your work as a Witch. I wish I'd had access to this treasure earlier on my path."—Christopher Penczak, co-founder of the Temple of Witchcraft and author of the Plant Spirit Familiar For the first time in more than a decade, Grimassi introduces readers to a new system of witchcraft, one that draws upon the old ways and the old days. Rich with spells, rituals, and detailed illustrations of plant spirits, Grimassi dares readers to take the path that leads deep into the darkened woods—to traverse upon the Thorned Path. Meet the entities that dwell within the organic memory of the earth, the devas, the deities, the magical life force that lies within the wooded glen. Learn to work with these spirits, and use their wisdom to transform your life and your practice.

The Worst Journey in the World (Illustrated)

By using verse form and visual clues indicating pauses, intonations, and gestures, anthropologist Rodney Frey permits readers to hear the oral literature of narrators from the Coeur d'Alene, Crow, Klikitat, Kootenai, Nez Perce, Sanpoil, and Wasco people today in Washington, northern Idaho, and Montana. He places each of the twenty-three narratives in its larger cultural, literary, and expressive context, making this anthology an important resource both for American Indian people and for non-Native scholars and general readers. A glossary and a lesson-plan appendix facilitate the book's use in both secondary and college-level courses.

The Worst Journey in the World: new annotated edition

What happens in our brains and minds at the last hour of life? What occurs during the moment of separation between the human body and the unseen individual soul and spirit? In the third volume of the three-book series on Christianity and the human brain, author Ramsis F. Ghaly, MD, focuses on the brain and its final journey during the last moments of life. Every human soul will see death one day. But few of us know what occurs during the transitional time when the physical brain surrenders and the spiritual brain takes over. We also do not know what the human mind will see and interact with as it approaches the final moments of departure. A Coptic Orthodox Christian and American board-certified neurosurgeon, anesthesiologist, and pain specialist, Ghaly sheds light on this intriguing phenomenon. Drawing on his interaction with thousands of individuals who have entered this last hour of life, Ghaly offers examples and a realistic portrait of a human being's final moments. Christianity and the Brain, Volume III: The Christian Brain and the Journey to the Last Hour blends neuroscience and medical knowledge with the Bible of our loving Lord.

Spirit Tutor

A profound exploration of how to hold on to hope when our unchanging faith collides with a changing culture, from two respected Christian storytellers and thought leaders. "Offers neither spin control nor image maintenance for the evangelical tribe, but genuine hope."—Russell Moore, president of ERLC As the pressures of health warnings, economic turmoil, and partisan politics continue to rise, the influence of gospel-focused Christians seems to be waning. In the public square and popular opinion, we are losing our voice right when it's needed most for Christ's glory and the common good. But there's another story unfolding too—if you know where to look. In Gospelbound, Collin Hansen and Sarah Eekhoff Zylstra counter these growing fears with a robust message of resolute hope for anyone hungry for good news. Join them in exploring profound stories of Christians who are quietly changing the world in the name of Jesus—from the wild world of digital media to the stories of ancient saints and unsung contemporary activists on the frontiers of justice and mercy. Discover how, in these dark times, the light of Jesus shines even brighter. You haven't heard the whole story. And that's good news.

Light from the Spirit World

Have you ever wondered why life seems so easy for some people and yet very difficult for others? Would you like to know the secret to staying on the "easy-side" of life? If you can identify with these questions or simply want to satisfy your curiosity, this book is for you. Get ready for an adventure in God's Word that will completely revolutionize your life. The Overcomer's Secret will equip you with the knowledge of critical principles instituted by God to make His creation respond favorably to humanity. In this book you will discover concepts that will help you to further: 1. Appreciate the existence of laws and systems instituted by God to govern His creation. 2. Treat God's laws with respect so as to stay on the victory-side of life. 3. Understand how to activate one of the critical laws instituted by God, which is the law of the

spirit of life in Christ Jesus. 4.Appreciate the reason the law of the spirit of life is only operational inside Christ Jesus. 5.Recognize the need to activate the law of the spirit of life to overcome the vortex of another law known as the law of sin and death. 6.Identify two elements – Mercy and Grace – upon which the law of the spirit of life is built. 7.Understand how to practice attitudes of honesty, humility and faith to receive the Mercy and Grace of God to obtain a favorable response from God's creation. Concepts discussed in this book, along with other published resources on www.heroesmart.com will position you to stay on the "easy-side" of life. We invite you to discover details in The Overcomer's Secret.

The Empowerment of The Holy Spirit

If I want to become a Buddha or a Dragon Elephant, I'll have to become an ox or a horse, a mortal at the ninth level, and be reborn; I'll take the Nine Transformation of Spirit and fight for my life with the heavens; if I step into the Spirit Sea, then I can transcend the five elements of heaven and earth. A chess piece could point to the rivers and mountains, a chess piece could contain the heavens of all worlds, a chess piece could bring down countless stars, and within the chess board, there would be a chess game, and within the chess piece, there would be heaven and earth.

The Seal Of God On Your Forehead

This book delineates different manifestations of the vagabond spirit of poetry through the ages. In doing so, it makes claims for the efficacy of poetry in our industrialized world, where we are presented with environmental, political and economic challenges. The Vagabond Spirit of Poetry demonstrates that poems are vital now more than ever because they can transform our relations with each other and with the earth. It acknowledges the awesome power of poems by providing you with fresh ways to apprehend their profound spiritual insights. You will be surprised by how sharp your imagination becomes once you start following the paths opened by Edward Clarke's original readings. This region is full of unexpected turns and pleasant clearings. Beginning in the middle of things with Wordsworth, you will be taken on a journey from Shakespeare to Wallace Stevens. Significant older poets, including Homer, Virgil and Dante, will enliven conversations with the wisest British, Irish and American poets of the modern age. As you proceed, poetry will teach you how to put into practice its perennial wisdom.

1,001 Things You Always Wanted to Know About the Holy Spirit

Karun suspects that his childhood toy-a clown named Jokko-is out to get him. Even after he throws it away multiple times, it follows him around, standing at doorways, clapping its pudgy hands, smiling, staring, tripping him on wires and choking him in his sleep . . . Fearing for his life, Karun confides in The Fearless Four-a freshly minted paranormal investigation agency run by four brave youngsters. As the investigators delve deep into the case, they uncover a more sinister plan at play: More vengeful toys are coming to life, attacking their owners, and turning them into living zombies. Can The Fearless Four save Karun and the other children before it's too late?

Grimoire of the Thorn-Blooded Witch

Stories That Make the World

Star * Avatar

In a profound recollection Miranda* remembers her earthly mission. Under the guidance of Spirit and extra-terrestrials Miranda* undergoes years of training, in multiple dimensions and the synchronistic realm. With spiritual initiations as well as trials and suffering, Miranda* evolves, rapidly integrating lessons learned in other lifetimes, and developing the paranormal abilities needed for the monumental role she is to play as she fulfills her destiny. On a trip to Peru in 2001 she finds an ancient engraved stone, and when she unravels its message, it unveils a Truth so astonishing that she guards it in secret. Revealing the written prophecy too soon may unleash the greatest religious and political revolution in the history of mankind. Tuning in to the collective consciousness, Miranda* has waited to come forward until humanity was not only ready for this momentous message, but eagerly awaiting it. With the Mayan Calendar ending in 2012, that time is now. After "The Secret" which quickly spread around the world, this book is "The Revelation". Adventure, romance, magic and miracles all come together in an inspiring blend of spirituality, mythology and cosmic science. Incredulous as it may appear, this is a true story.

Songlines of the Soul

The title for this book comes from the ancient Aboriginal concept of “song lines” —pathways to another world reached through dreamtime and visionary insight, and encounters with the unknown realm of experience. Veronica Goodchild addresses how dreams, synchronicities, UFO/ET encounters, Crop Circle mysteries, and NDEs all point to the new unfolding vision of reality. She draws on ancient mystery traditions to explore how this metamorphosis is already reflected cross-culturally in Hopi, Aztec, Mayan, Hindu, Tibetan, Maori, Zulu, Dogon, and Egyptian cultures. *Songlines of the Soul* proposes a new paradigm of reality, a new worldview. The signatures of this new reality are arising both in our own experiences and all around us if only we can stretch wide our stubbornly held perceptions of what is “reality.” As we stand at a crucial turning point in our human history, this book offers hope, a call to awaken and expand our perceptions of the fundamental principles that orchestrate reality. In an age when the answers offered by governments and traditional religion are no longer sufficient, the quest for meaning must—as it always has in the past—arise first through visions, dreams, and journeys to other dimensions of consciousness.

The Maya End Times

According to the Maya Prophecies, the 5,000-year “Fourth Age” will come to its end in 2012. In a remarkable adventure which takes her all over Central South America and involves strange ceremonies at sacred pyramids, scaling an active volcano and chases with drug runners, Patricia Mercier attempts to discover whether 2012 will be the end of the world as we know it or the dawning of a new golden age.

The Hidden Maya

This work explains how Plains Indians used hand signs as symbols for communication, and that the graphic signs derived from hand gestures played an important role in the development of writing. The author deciphers Maya inscriptions to reveal their hidden messages.

Pyramid of Fire: The Lost Aztec Codex

The first translation of a previously unknown Aztec codex and its initiatory teachings for 2012 • Discloses the potential for great spiritual awakening offered at the end of the Aztec calendar cycle • Presents the only existing English-language transcription of the Aztec codex, with line-by-line commentary • Contains the epic poetry and metaphysical insights of Beat poet Marty Matz (1934–2001) In 1961 an unknown Aztec codex was revealed to Beat poet and explorer Marty Matz by a Mazatec shaman in the mountains of Oaxaca, Mexico. Originally intended for dramatic performance, this codex presents a profound metaphysical teaching describing how the end of time will bring about a visionary ascent. At the behest of his Mazatec teacher, Matz transcribed this pictorial codex into a literary form that would preserve its initiatory teachings and reveal its secret meanings to a wider audience. *Pyramid of Fire* is an epic poem that provides a vehicle to transport the initiate into the higher realms of consciousness. It represents a barely surviving thread of teachings that have been passed down in secret since the time of the Spanish Conquest. Revealed are the techniques by which man is transported to the stellar realm after death via the solar energy within what the ancients called the “serpent of consciousness.” Line-by-line commentary by Matz and John Major Jenkins provides insights into the perennial philosophy contained in the codex and its relevance to our times.

The Mayan Code

Bestselling author Barbara Hand Clow shows how the Mayan Calendar is a bridge to galactic wisdom that fosters personal growth and human evolution • Unearths the meaning behind the calendar, its message for modern civilization, and what will happen when the calendar ends • Reveals how time acceleration is a manifestation of the acceleration of consciousness • By the author of *The Pleiadian Agenda* *The Mayan Code* is a deep exploration of how, as we approach the end of the Mayan Calendar, time and consciousness are accelerating, giving us a new understanding of the universe. Using Carl Johan Calleman’s research, as well as the ideas of other Mayan Calendar scholars, Barbara Hand Clow examines 16.4 billion years of evolution to decode the creative patterns of Earth—the World Mind. These great patterns culminate in 2011, and then during 2012 major astrological influences will inspire us to attain oneness and enlightenment. *The Mayan Code* shows how the time cycles of the Calendar match important periods in the evolutionary data banks of Earth and the Milky Way Galaxy. These stages of evolution are converging during the final stage of the Calendar, the period between 1999 and 2011. War and territoriality, resource management and separation from nature, are all part of daily events we must process during these few short years: evidence of the tightening spiral of time that we

experience as time speeding up. Barbara Hand Clow counsels that our own personal healing is the most important factor as we prepare to make this critical leap in human evolution--now referred to as the awakening of the World Mind.

Astrology and Cosmology in the World's Religions

Time and the Technosphere

A groundbreaking study that distinguishes the natural time of the cosmos from artificial mechanistic time. • Reveals September 11 as the signal of the end of artificial time according to the Law of Time. • Long awaited sequel to the author's bestselling book *The Mayan Factor*. • Explains the Great Calendar Change of 2004 and its enormous potential for the future of humanity. In *Time and the Technosphere*, José Argüelles presents a groundbreaking study that distinguishes the natural time of the cosmos from the artificial mechanistic time under which we currently live. Argüelles defines the actual nature of time as the frequency of synchronization. Applying this Law of Time to an understanding of the entire system of life on Earth, he shows that in order to not destroy Earth's ability to sustain life, we must change our definition of time and adopt a natural harmonic calendar based on the 13-moon 28-day cycle. Until the creation of the Gregorian calendar and the 60-minute hour, most of humanity lived by the 28-day cycle of natural time. The adoption of artificial time has subjected us to a 12:60 time frequency that governs the entire global industrialized civilization--the technosphere. With the collapse of the Twin Towers on September 11, a fissure was created in this artificial technosphere, opening up the noosphere (Earth's mental envelope). Humanity has a golden opportunity to leave the strife of the past and enter a time of peace by adopting a harmonious natural calendar that will repair the damages caused by the irregular tempo of technospheric time. Our last best chance to adopt this natural time and step into the bright new future promised by the galactic shift of 2012 is the Great Calendar Change of 2004, a new discovery based on the author's mathematical research into the Mayan calendar first begun in his landmark work *The Mayan Factor*. In *Time and the Technosphere*, Argüelles reveals the clear distinction between third-dimensional astronomical time and the fourth-dimensional synchronic order of the Law of Time, which holds enormous potential for the future of humanity.

From Fear to Eternity

Whether you want quick tips to shift into higher vibration, or want to take a reflective journey along your spiritual path, this book provides the essential information you need. The author invites you to start your transformation today. Humanity is going through a rapid transformation. You may follow one of two paths: Be dragged through; stuck in overwhelmingly fearful and limiting beliefs, energy-draining thoughts, and painful feelings. OR Learn the tools that shift you into the higher-conscious life you've yearned for—where you experience improved health, connected and loving relationships, fulfilling work, and the knowledge that, no matter what happens around you, everything is ultimately right in your life! Dive into this book and discover: • How vibrational energy can connect you to everything around you; • How modifying your affirmations to bite-size, believable pieces helps prevent becoming overwhelmed; • How to prevent leaking your energy and keep energy vampires from depleting your vitality; • Tools to shift your energy almost instantaneously, • Why consciously adopting these new behaviors now is vital as we approach 2012 and move toward the next age of human evolution. "This important book shows how we have an opportunity to greatly improve our lives and, by this simple action, uplift humanity" —James F. Twyman, Peace Troubadour. "This book makes relevant to the reader the path of personal awakening and self-empowerment. Gina-Dianne's personal life experience and spiritual awakening has created this fine reference work for the seeker who wishes to improve their spiritual focus and avoid the many distractions of our time." —Richard Jelusich, PhD, author of *Eye of the Lotus: Psychology of the Chakras* "Gina-Dianne Harding's book becomes a bridge between the different theories about 2012 written by scientists and researchers of the Mayan culture. She shares her own Spiritual experiences which she lived during her visits to the Mayan ceremonial centers in the lands of Yucatan. Sacred Knowledge, practice, and experiences of the Maya worldview has left a deep imprint on her mind and soul, which gives this book a special stamp, written as a real experience of the heart and manifesting the messages that shape this magnificent example. ...Miguel Angel Vergara, Maya Wisdom Teacher

The Magickal Vitality in Nine Weeks

... Or When The Dreams Come True ...! The book will wake up your multiple potentials and enhance endurance and courage to let go the past and let go all that which no longer serves your purpose and your highest good and stimulate you to live your mission in the here and now. The Magickal Vitality in Nine Weeks is a magnificent tool for new beginnings, for launching and letting go of the old, no longer useful, for change and shift of attention, for a quantum leap of consciousness, for awakening from an enchanted dream and the unconscious vicious spell, and for the activation of your dormant DNA and sleeping potentials. It is the key to the door dimension of the heart, and when you unlock them, you find again the lost bond with yourself and with the whole universe. Become a Physical Architect and Spiritual Alchemist of your Life

Feminine Mysteries in the Bible

An exploration of the repressed, esoteric feminine mysteries in the Bible through the lives of four women, all archetypes of the sacred prostitute • Shows how these four archetypal women represent the four stages of development of soul consciousness • Reveals how the fear of the power of the sacred prostitute led to a rejection of female sexuality and a destructive dualistic notion of men and women • Explains how the dogma of the Immaculate Conception represents the repression of the divine feminine in Christianity In *Feminine Mysteries in the Bible*, Ruth Rusca unveils sacred mysteries of the feminine and the alchemical relationship of the male and female forces at the heart of the Judeo-Christian tradition. Drawing on over 30 years of research, she explores four archetypal women in the Bible: Tamar, the sacred prostitute; Rahab, the meretrix; Ruth, who redeems the soul; and Bathsheba, the daughter of the Goddess. These women--sacred prostitutes one and all--represent the indestructible feminine life force, the wisdom of the Goddess, and the transformative power of the soul, and they symbolize the four stages of the development of soul consciousness. Mary, mother of Jesus, is the quintessence of these four women, but Rusca shows that the dogma of the Immaculate Conception has repressed the significance of Mary and subverted the divine feminine in Christianity due to the church's fear of women and their life-giving energy. These women pass an imperishable feminine life force from generation to generation, and understanding their lives creates a path to overcoming the destructive tendencies of dualistic "male-female" thinking--a duality that profanes feminine sexuality and mysteries rather than revering and celebrating them.

The Pleiadian Workbook

The Pleiadian Workbook is a direct transmission from the Pleiadian Emissaries of Light--Light beings from the Pleiades--who say it's time now for spiritual growth, ascension, and healing. Through Amorah Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. These galactic healing techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating spiritual evolution and stimulating emotional healing.

Dolphins, ETs & Angels

Wyllie begins by interacting telepathically with dolphin intelligence (a perennial metaphor for the Wisdom of the Heart) and is lead to similar spiritual liaisons with extraterrestrials, angels, and others.

Red Rock Road, Light Blue Sea

Edging Spain, southern France, and Portugal, a midlife Canadian couple tracks landscapes between bliss and burnout, art and love. After the rigors of backpacking and wild camping, a Formentera cottage offers cozy comfort, honeymoon bliss, creative freedom. Noella sketches in watercolor, while Wilson skirts the boundaries of the postmodern novel. Amid the wild and picturesque beauty of landscape and sea, their refuge becomes a crucible of creative and romantic tension. Will it yield despair and separation—or, through willing embrace, a new intimacy, a new metafictional art?

Bringers of the Dawn

Compiled from more than four hundred hours of channeling by Barbara Marciniak, *Bringers of the Dawn* imparts to us the wisdom of the Pleiadians, a group of enlightened beings who have come to Earth to

help us discover how to reach a new stage of evolution. Master storytellers and humorists, they advise us to become media free, to work in teams, and to eliminate the words "should" and "try" from our vocabularies. We learn how to go beyond fear, how the original human was a magnificent being with twelve strands of DNA and twelve chakra centers, and who our "gods" are. Startling, intense, intelligent, and controversial, these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our collective conscious--and unconscious. By remembering that we are Family of Light, that we share an ancient ancestry with the universe around us, we become "bringers of the dawn," consciously creating a new reality, a new Earth.

How to Practice Mayan Astrology

A contemporary and practical guide to Mayan astrological techniques • Discusses the logic and meaning of the 20 day-signs of the Mayan calendar • Explains the many cycles of Mayan astrology, such as the 9-day cycle of the Night Lords and the 13-day trecena • Contains extensive tables of Mayan astrological data, allowing readers to cast their own Mayan horoscopes How to Practice Mayan Astrology presents a contemporary guide to one of the most sophisticated astrological systems ever developed. Like other ancient peoples, the Maya looked to the cycles of the planets as markers of time and designators of order. The predictable cycles they observed became codified in the Mayan calendar and astrological system as a way of organizing the seeming chaos of human life. Mayan astrology is based on 20 named days that are cycled 13 times to create a 260-day calendar, the Tzolkin. The authors explain the symbolism, logic, and meaning of the 20 day-signs; how these signs reflect 260 possible personality types; and how they can be used for divination. They also explain the important role of the Four Directions and the planet Venus in one's personality matrix and life issues. Included are extensive, easy-to-use tables of Mayan astrological data, allowing readers to determine their day-signs, to see how these signs are also influenced by the cycle of the Night Lords and the 13-day trecena, and to cast their own horoscopes.

Gaia's New DreamCoat

Gaia's New DreamCoat opens us to a story that unfolds simply by asking those wise shepherds of the Earth in the Devic and Faerie Realms, to assist us in learning how to transform Earth and ourselves. In the process, we will have to ask ourselves what will happen if we don't act in a timely way to support Gaia's greening. The Light Loom weaving that is being made by the various characters from the subtle realms must be complete and activated before Gaia can no longer sustain human life. Is there a more compelling discovery to be made right now on Earth? It's simply time to tune-up and listen to the amazing wisdom that each of these caretakers of the natural world holds! In that delightful exploration, we are awakened to the power we each hold to affect the outcome of the story that we are re-writing on Earth. Through the clues that the characters give in each exciting adventure into the Fae Realms, we are led to connecting the dots of the transformation that is emerging on the Light Loom of Earth. We see that each one of us is playing a lead role in this mythic reweaving of Gaia's story. We experience directly how reading/listening to these adventures, empowers us to feel and know more clearly what exactly our role in that transformation is!

Sojourns of the Soul

Sojourns of the Soul differs from other inspirational travel books by providing a rare mix of in-depth wisdom and literary insights from the holistic view of one experienced female traveler. Dana Micucci gives a compelling account of her growing spiritual illumination through visits to some of the most sacred places on earth. Her lively, engaging narrative takes us to seven sites in all: the Australian outback, Angkor in Cambodia, the Valley of the Kings in Egypt, Lhasa in Tibet, Chichen Itza in the Yucatan; the Monastery of Christ in the Desert in New Mexico, and Machu Picchu in Peru. Micucci links each visit with the awakening of a particular chakra- the chakras being the seven energy centers of the body associated in Hinduism with progressive enlightenment. In the afterword, she reflects on

how her experiences continue to shape her life after resuming her career as a journalist in New York City: she finds she is more tolerant, can engage in daily activities with more heart-centered awareness, and can sustain states of joy and gratitude for longer periods of time. The book will be a page turner for readers who yearn for long-delayed adventure, with the added benefit that it is not just a journey log but more of a seeker's manual; travel is simply the vehicle. Readers will find that they don't have to travel to far-flung places for the spiritual inspiration available in their everyday lives. As Micucci says, "Each day brings new remembrances of our divinity, of the Divine presence in all beings, and of our eternal connection to each other. I am so grateful to be here NOW . . . with you."

The Origin of Consciousness in the Breakdown of the Bicameral Mind

National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. "Don't be put off by the academic title of Julian Jaynes's *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor."—The New York Times "When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis."—John Updike, *The New Yorker* "He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior."—American Journal of Psychiatry

Shamanic Mysteries of Egypt

A book of wisdom teachings and rituals that invoke ancient Egyptian deities to awaken human consciousness • Provides guided shamanic visualizations to invoke 26 of the most significant gods • Takes the reader through shamanic portals of death, rebirth, and illumination • Reconciles internal conflict through a sacred marriage of heart and mind In *Shamanic Mysteries of Egypt*, Nicki Scully and Linda Star Wolf renew humanity's connection to the ancient gods of Egypt, the *neteru*. Voices from these divine ancestors remind us of the healing power of the heart, and call us to bring their consciousness into the present to help us remember our true nature as divine humans with sacred purpose. The authors provide rituals, meditations, and rites of passage to help us meet our personal and planetary challenges with grace, wisdom, and love. The shamanic initiations provided are invoked, directly experienced, and transformed into embodied wisdom that awakens consciousness and illumines the intelligence of the heart. Scully and Star Wolf focus their rituals on 26 of the primary divine entities that preside over the ancient mysteries whose roots are in Old Kingdom and pre-historic Egypt. This fresh interpretation of ancient mysteries unites the energies of Thoth and Anubis to guide us through the current cycle of Earth changes and to help us remember who we really are at heart. Through these passages, Anubis lives up to his ancient title as the Opener of the Way, and Thoth as the Architect of Higher Learning. Together they evoke their power to unite heart and mind in the sacred marriage that brings transformation, renewal, and the awakening of consciousness.

The Mayan Factor

"Mayan Calendar Astrology: Mapping Your Inner Cosmos" is the quintessential handbook to help you understand the art of Mayan astrology and how to harness it for a profound illumination of your personal lifepath. If you liked "Jaguar Wisdom," this book will take you even deeper into the powerful insights that Mayan astrology can offer, whether you're a seasoned expert or just a beginner. Included in the book are: - Complete information about the day signs and numbers - The importance of the Year Lord - The Mayan Destiny chart (also known as the Mayan Cross) - The complete nine-sign horoscope - Solar and lunar cycles - A unique method for determining the phases of human life - The personal compatibility matrices embedded within the Tzolk'in - A little-known technique for assessing human relationships by combining two horoscopes into a composite chart - Calendar diagrams and horoscope templates - A powerful and meditative technique called the "Path of Feathered Serpent," based on our own "personal lunar month" and designed, through a series of guided meditations, to awaken the koyopa or inner lightning we all possess. REVIEWS: "I am profoundly grateful to Kenneth Johnson for sharing his experientially based understanding of the Tzolk'in in this remarkable book. As a long-time lover of the Mayan world, 'Mayan Calendar Astrology' finally opened my eyes to the subtle workings of the 260-day calendar and led me to embrace it as a genuine path to self-understanding. The author's work is based upon his years of work with several aj q'ijab' in the Guatemalan highlands, primarily in Momostenango, the important center for contemporary Mayan calendar knowledge. Johnson's explanations of the significance of the 13 numbers, the Mayan Destiny chart, the Year Lords, and the Path of Feathered Serpent are unique in popular literature and will enrich the understanding of even dedicated scholars." - Robert Sitler, PhD, Director, Latin American Studies, Stetson University

The Mayan symbol Hunab Ku represents movement and energy—the principle of life itself—in a spiraling design reminiscent of the Eastern yin-yang symbol. As an embodiment of harmony and balance, Hunab Ku invites us into the age of consciousness, which is predicted to begin on December 21, 2012. HUNAB KU prepares us for this cosmic awakening by presenting 77 sacred symbols that create an interactive system for learning, healing, and meditation. Beautifully illustrated and exhaustively researched, this virtual pilgrimage invites us to explore artifacts, earthworks, numerological patterns, and archetypes from diverse traditions the world over: ancient Greece, the Americas, Africa, the British Isles, Babylon, India, and beyond. Hunab Ku waits for you at the book's center, the threshold between our present age and the coming age of enlightenment. Like runes, tarot, and other pathworking systems, the archetypes herein open doors, create bridges, and shed light on our past and our future. These spiritual signposts are all around us and within, waiting to be interpreted. Let HUNAB KU be your guide. A richly illustrated book that draws on cross-cultural ancient symbols, numerology, archetypes, and earthworks, and the chakras. Includes 77 vivid full-color illustrations placed within the framework and palette of the seven chakras. Builds on the growing popularity of José Arguelles's *The Mayan Factor* and Carl Johan Calleman's *The Mayan Calendar and the Transformation of Consciousness*.

Filmmaker Alejandro Jodorowsky's insights into the Tarot as a spiritual path • Works with the original Marseille Tarot to reveal the roots of Western wisdom • Provides the key to the symbolic language of the Tarot's "nomadic cathedral" • Transforms a simple divination tool into a vehicle for self-realization and healing

Alejandro Jodorowsky's profound study of the Tarot, which began in the early 1950s, reveals it to be far more than a simple divination device. The Tarot is first and foremost a powerful instrument of self-knowledge and a representation of the structure of the soul. The Way of Tarot shows that the entire deck is structured like a temple, or a mandala, which is both an image of the world and a representation of the divine. The authors use the sacred art of the original Marseille Tarot--created during a time of religious tolerance in the 11th century--to reconnect with the roots of the Tarot's Western esoteric wisdom. They explain that the Tarot is a "nomadic cathedral" whose parts--the 78 cards or "arcana"--should always be viewed with an awareness of the whole structure. This understanding is essential to fully grasp the Tarot's hermetic symbolism. The authors explore the secret associations behind the hierarchy of the cards and the correspondences between the suits and energies within human beings. Each description of the Major Arcana includes key word summaries, symbolic meanings, traditional interpretations, and a section where the card speaks for itself. Jodorowsky and Costa then take the art of reading the Tarot to a depth never before possible. Using their work with Tarology, a new psychological approach that uses the symbolism and optical language of the Tarot to create a mirror image of the personality, they offer a powerful tool for self-realization, creativity, and healing.

El código maya constituye una profunda exploración de la manera en que, a medida que nos aproximamos al final del calendario maya, el tiempo y la conciencia se aceleran y nos proporcionan una nueva comprensión del universo. Valiéndose de las investigaciones de Carl Johan Calleman, y de las ideas de otros expertos en el calendario maya, Barbara Hand Clow examina 16 400 millones de años de evolución y descodifica las pautas creativas de la Tierra, o sea, la conciencia mundial. Estas grandes pautas culminan en 2011 y luego, durante 2012, importantes influencias astrológicas nos inspirarán a alcanzar la unidad y la iluminación. El código maya muestra cómo los ciclos temporales del calendario coinciden con períodos importantes en los bancos de datos evolutivos de la Tierra y la Galaxia de la Vía Láctea. Estas fases de la evolución convergen durante la etapa final del Calendario, el período comprendido entre 1999 y 2011. Tanto la guerra y la territorialidad como la gestión de los recursos y la separación de la naturaleza son parte de los acontecimientos cotidianos que debemos procesar durante estos escasos años: son prueba de la espiral del tiempo cada vez más compacta que estamos experimentando debido a la aceleración del tiempo. Barbara Hand Clow nos asegura que nuestra propia sanación personal es el factor más importante al prepararnos para dar este salto crítico en la evolución humana. Esto se ha dado en llamar "el despertar de la conciencia mundial".

Bestselling author Barbara Hand Clow shows how the Mayan Calendar is a bridge to galactic wisdom that fosters personal growth and human evolution • Unearths the meaning behind the calendar, its message for modern civilization, and what will happen when the calendar ends • Reveals how time acceleration is a manifestation of the acceleration of consciousness • By the author of The Pleiadian Agenda

In this book, Barbara Hand Clow draws on the work of biologist Carl Johan Calleman and many other New Paradigm researchers to unearth the deeper meaning behind the Mayan Calendar and its message for modern civilization, especially during its final five years. As we approach the end of the calendar, time and consciousness are accelerating. Working with Calleman's time-acceleration theory, Barbara Hand Clow shows how the cycles of time marked by the calendar match important periods in the evolutionary data banks of Earth and the Milky Way Galaxy and that the calendar describes the evolutionary stage to come. She explores how our own personal healing is the most important factor as we prepare to make this critical leap in human evolution--now referred to as the awakening of the World Mind.
