Bill Evans' 1970s repertoire

Playing ballads as "ballads"

Savoring each note

Listening to the shifting harmonies under a repeated note

Intro using a repeating melody note

Impressionistic voicings harmonizing Miles Davis-like phrases

Melody begins

Linear motion in "alto" voice under melody

Increasing inner-voice movement

Bridge

Return to A section with melodic imitation and development

8th note texture a la Ravel and Gil Evans

Improvised solo begins

Ascending inner-voice melody in right hand

A more expansive feel, with repeated rhythmic voicings in right hand

Developing motifs from the tune's melody

Wide intervallic leaps inspired by the melody

Return to the main melody, with lots of embellishment

Developing the final motif into an extended ending
