A Heart for the Taking (The Reluctant Brides Series, Book 1)

Slow-burn historical women's fiction with a splash of romance—think: the love child of books like *Bridgerton* mixed with *Pirates of the Caribbean*. As the first full-length novel in The White Sails Series, *DISCERNING GRACE* captures the spirit of an independent woman whose feminine lens blows the ordered patriarchal decks of a 19th century tall ship to smithereens. Wilful Grace Baxter, will not marry old Lord Silverton with his salivary incontinence and dead-mouse stink. Discovering she is a pawn in an arrangement between slobbery Silverton and her calculating father, Grace is devastated when Silverton reveals his true callous nature. Refusing this fate, Grace resolves to stow away. Heading to the docks, disguised as a lad to ease her escape, she encounters smooth-talking naval recruiter, Gilly, who lures her aboard HMS *Discerning* with promises of freedom and exploration in South America. When Grace's big mouth lands her bare-bottomed over a cannon for insubordination, her identity is exposed. The captain wants her back in London but his orders, to chart the icy archipelago of Tierra del

Fuego, forbid it. Lieutenant Seamus Fitzwilliam gallantly offers to take Grace off the fretting captain's hands by placing her under his protection. Grace must now win over the crew she betrayed with her secret, while managing her feelings towards her taciturn protector, whose obstinate chivalry stifles her new-found independence. But when Grace disregards Lieutenant Fitzwilliam's warnings about the dangers of the unexplored archipelago, it costs a friend his life and she realises she is not as free as she believes. Does he view her as nothing more than an expendable weapon in his fight to save his world from lethal alien plagues? Or will Lord Verek find himself wavering, when it comes time to dispose of his fiery water-sylph? Praise for the Books of Waterspell: "An impressively immersive quality in Deborah J. Lightfoot's writing draws you in and keeps you there as the pages turn ... engaging the enduring interest and sympathy of the reader as they follow the twists and turns of the plot. Lightfoot creates a detailed and convincing world in which to set her story." —Martin Dukes "First off there's the writing itself, the quality of the prose, the effortless way that Lightfoot sets the stage and calls the shots, with none of the ponderous, overblown verbiage that weighs down so much high fantasy. Then there are the characters, each determined to leap off the page. But what most sets this book apart is its wild premise, an inspired bit of imagination." —Brian T. Marshall "An extremely well written fantasy story ... flows well with a very readable style that holds your interest throughout. The world building is solid and intriguing, the magical aspects well drawn and versatile and characterisation is energetic so that you are immediately invested in their future. All in all a marvellous addition to the fantasy genre and I would recommend it for lovers of magical mystical tales." —Liz Wilkins "Waterspell blew my expectations out of the ballpark. What a brilliant and unforgettable story! I devoured it ... literally consumed by the originality and depth Deborah brings to her characters. She provides a strong balance between action, adventure, fantasy, and romance and Carin's combination of pride and vulnerability make her a fabulous character! Quite frankly, I am just astounded by the emotions this book stirred in me. It is simply extraordinary." —Lady Vigilante "If you like epic fantasy that sweeps you to amazing, immersive worlds and while following intriguing characters,

be sure to add this series to your to-read list.” —Once Upon a YA Book “The story just keeps getting bigger and bigger.” —Book Briefs Book 1: The Warlock Book 2: The Wysard Book 3: The Wisewoman Book 4: The Witch

Little did she know, the dragon was going to be the least of her troubles... After finding the proof they needed in the charred remains of Cattaling, the three friends set out on a journey across the realm to find the answers that they seek. But the road is often perilous and filled with creatures that would kill them just as easily as a dragon. When the bonds between them are tested, they're found to be new—easy to splinter and break. The journey seems endless and time is not on their side. It's only a matter of time before the creature returns, and when it does, they need to be ready. How does one fight such an enemy? Where could it have been hiding all this time? Can just three lone companions make a difference? Or are the fates simply not on their side? Book 3 - Scrutiny How do you answer, when the devil comes to call? When a swarm of monsters crashed out of the forest, Kiera thought it would be a struggle just to stay alive. But it's not enough to survive, one must also defend. And as fate would have it, there was an ever greater danger lurking in those trees. Old enemies surface and ancient grudges come to light, as a new player enters the field. One that could bring ruin to them all. One whose intentions are never quite what they seem. The newfound fellowship is shaken to the core, but as they are constantly reminded, time is not on their side. Other places in the realm have felt the burn of the dragon. A strange change is coming over the land, creeping like a shadow, silent as a dream. With no kingdoms there to stop it, no massing armies to fight back, such a darkness could consume them. The friends need answers. But will they get them in time...? BEGINNING'S END SERIES Beginnings Curiosity Scrutiny Foresight Disavow Trickery Wisdom Decree Influence Prevail Dignified Honored

Beginning's End Series Box Set Books #1-3

Rough justice has often been served in the pages of serial novels, notably beginning with Don Pendleton's *The Executioner* in 1969. This is the first overview of the serial vigilante genre, which featured such hard-boiled protagonists as Nick Carter, Mark Stone, Jake Brand and Able Team among the 130 series that followed Pendleton's novel. Serial vigilantes repeatedly take the law into their own hands, establishing and imposing their own moral standards, usually by force. The book examines the connections between the serial vigilante and the pulp hero that preceded him and how the serial vigilante has influenced a variety of tough guys, private eyes, spies and cops in different media. A complete bibliography for each series is featured.

Traps of the Dark World

Introduction: Patricia A. Borelli is author, Novelist, Illustrator, and Poet. Also known as Independent artist, songwriter, singer, keyboards, arranger. This book was part of my written Christian testimony. I've personally haven't been in an occult myself. I'm a born again Christian believer of Jesus Christ. I want to tell all the readers about the grace of Jesus Christ and how they can be delivered from evil and hell coming. The events I've written about in my book had taken place at prayer meetings, nursing homes and people homes that I knew, who was into the occult, practicing Black Magic and witchcraft. Satan will trap people who are vulnerable, insecure or searching for love, money and power. Spells, riches, enchantment, powers that will only be given to them temporarily. What Satan doesn't tell his members is that they are selling their souls to suffer in hell for eternity in the lake of fire. Many real chilling stories to read about in this book of people who fall into the deepest roots of sin. This book is not recommended for children or for the timid in mind. Check me out on the search engines.

God vs Money Satan and the World

Your Actions Speak Louder than Your Words: Hell Is Waiting for You! About This Book: This book will tell you and teach you everything that you need to know about God and his Son and also about Satan and his son. This world has always been dark, and many of us have spent our whole lives walking and living in the dark, because we refuse to turn on that light inside of us. This book will remind many of you where you are headed if you don't open your eyes, and let your light shine so you can see what's in front of you. This book will tell you why Satan is here and why God put us here with Satan. It will tell you why God allows all these good things and bad things to happen to us, or what we think is good but may be bad. And what we think is bad may not be as bad as what we think. This book will tell you and everyone who reads it the reason we treat people the way we do when it comes to hurting someone or helping someone, and why we should love everyone. It will tell you why your husband, your wife, your family, your friends, and everyone you love treat you so bad when you're trying so hard to be good to them, or why they are so good to you no matter how bad you treat them. This book will also show and tell you what to do when you don't know what else to do, and what you should think about when you have nothing but bad thoughts. This book will tell you why the people of this world will try taking everything you got until there's nothing left. It will also tell you why family, friends, and loved ones kill themselves. This world is not what you think it is! It's a fantasy land for the ones who are blind, but it's a death trap for the ones who can see. This book will tell you why 90 percent of the people in this world serving Satan and why only 10 percent truly serve God, it will also tell you everything you need to know about the law, God's laws and Satan laws. And why the people who live by God's laws suffer, and why

the ones who obey Satan laws live so well. This book will tell you why our flesh will never heal, and why our Spirit will never die. This book has all the answers to life that you can think of or need to know while living here on earth. But a lot of you may not like the answer that will be given to you, because it's the truth, and a lot of you can't handle the truth because Satan will not let you. It's only because you were not told the truth, which means this world is lost and a lot of you don't really know God. You just think you do! A about This Book: The reason that I choose any title for my books is that the truth will set you free, and also because there's nothing great about no book in the whole wide world if God is not a part of that book. Anyone who writes about God or tells anyone anything about God but does not live for God themselves, there's nothing in this world great about them either. And they all will pay a very heavy price for telling and living a lie. And no one, no matter who you are, no one can spread the good news about God and his Son and receive Money, glory, or praises for their works if it's a gift from God, who lives in heaven. Not even a nation leader who serve the gods of this world, no matter what religion you are, and especially a church leader whom Jesus calls the kings of the earth, who chose to become the enemies of God. And no one can say that they love and honor God if they're living by the evil laws, rules, and regulations of this world. The Bible teaches us that if anyone who has received the gift of God has been chosen by God, all the schools in the world can't teach us anything about God unless he wanted them to know about him. You can't pay for a gift that only God can give, which comes from heaven. Because we are taught by the Holy Spirit, not by man! That's why we give all glory, praises, and honor to God, and our reward is in heaven, not on earth! Satan shouldn't be paying you for something that God gave you, but he does, every day, because if you didn't know, all talent comes from God. And when God gives anyone or has given anyone any kind of talent, it is all good, but the evil and sinful desires of this world have taken that talent that God has given us to serve Satan. Anything that's not good comes from the world, everything that we learn in school about the world comes from the holy spirit, but everyone who chooses to live for the world will become one with the world, and everyone who becomes one with the world are the ones who are caught in the trap of trying to get the best of everything in the world. They go to the best school to get the best jobs or an occupation that pays a lot of Money so they can live a good life here on earth, which brings destruction. They are the ones who are searching for a better career and future here on earth. But I got news for you and everyone who think just like you. There isn't one! Never has been! Life doesn't begin until the time and date that God has already planned. This sinful life is temporary. We are only here to choose the one we want to live our future with, and a lot of us will not have a job, occupation, career, or future because many of you choose to serve Satan and his son and the world! The reason that so many of you have chosen to serve them is because we took God out of the schools, the church buildings, and the world a long, long time ago. Everything we learn from God is a gift from God, which comes from heaven. This is why we can't serve God for Money and we can't serve God with Money and we can't serve God and Money. But there will be very many in hell with Satan because God showed me that this world is very much in love with Money. Everywhere I go, the people are calling out Satan's son name all over the world. (Money, Money, Money, Money, Money, Money, Money, Money.) The church leaders of this world are now using God and his Son as a front to make all kinds of Money from the people who are lost, but why! When some of them want very much and trying very hard to find God and his Son. So if someone receiving Money to make a living by telling you something good or bad that they say God gave them to give to the world to make their life better might not have come from God, who's in heaven. Because there's nothing to laugh or smile about when someone discovers the truth. If the Holy Spirit tells or shows someone that everyone is doing what Satan wants instead of doing what God wants, that along is devastating. How do you explain to your Creator how much you love Money and the world, which are his enemy? If you were told something that you didn't know or were shown something that others can't see will bring tears to anyone's eyes, if only they knew the truth. Every time I leave my house, I walk around with tears in my eyes all day long because I hardly see anyone out there or on TV living for God. I even see church leaders and churchgoers who should be close to God but are now very far from God than anyone; it's because Satan has blinded them all and leading them down the wrong road. It doesn't take an educated person or a lot of books with a lot of educated words to tell the ones who are lost and unfaithful to God where they're headed if they don't turn back to God. It just takes the truth! It takes a true servant that is chosen by God to tell the ones who are lost the truth. The whole truth and nothing but the truth! I am your servant, who was chosen by God, not by man! And I write only what is true to help everyone get through the narrow gate that leads to God. That's more love than anyone can ever give to one another or to anyone in the whole wide world. It's because he's the only way to heaven. This world is now filled with all kinds of temptation that it's almost unstoppable to the flesh. What that means is; if the people of this world are already lost, then so will the ones who are coming in the world will also be lost, because it will be hard for them to see, hear, or understand anything with all this garbage

that Satan's people keep coming up with. God said it himself that if he doesn't send his Son soon, Satan will have more followers than there are grains of sand along the beach. And now until this day, Satan has more followers than man can count. But God knows every last one by name. And if you or your family, friends, and loved ones choose to live for the world, most likely the names of everyone you love may be among that list. This book will give you the wisdom, knowledge, and understanding of true life, a life that only a few have ever experienced outside the flesh here on earth. But to get this gift, you will have to give up the world and everything that belongs to the world for God, the greatest love of all. So please, before you read this book, I would like to ask you to go somewhere private in your home or somewhere that you won't be interrupted, because you will need to focus on the gift that the Holy Spirit gives you to fight Satan. Get down on your hands and knees, and from the bottom of your heart, I want you to ask God to give you the wisdom, knowledge, and understanding of his will. It may not come right away, but it will come. And also, take a Bible with you that you can understand; we are not here to prove to anyone how smart we are by reading big words that we can't understand. Believe or not, 90 percent of the people in this world can't understand the Bible as it is. If they did, the world wouldn't be in the shape it's in today. People with all the knowledge of the world can't understand the Bible, only the ones that are chosen, to get the Word out. So if you claim to be one of the chosen ones, or a follower of Christ, then do your job! Give up this world and give God your heart, AMEN! To all who call themselves a servant of God who's in heaven? Please quit changing, adding, and taking away what's in God's will. All I ask is for you to correct the ones who do wrong and help the ones who need our help. I write what a lot of people can't see, hear, or understand yet, but the time will come when all shall know God. Sometime it's best to get piss off than to get piss on, I know who you are! Be very careful Satan!

Why Jesus Is the Only Way to God

Why Jesus is the Only Way to God is about the real Jesus. In a world where truth is relative and not absolute. It begins with the Biblical character of God, and how people, even some Christians, view Him. Then I have differences between relative and absolute truth in the next chapter and how people tend to look at everything as relative. I also give examples of what we know is true. For example, George Washington was the first president of the US. In chapters 3 and 4, I compare world religions and the occult with Biblical Christianity and how Christianity is uniquely different among other religions. There's also a chart that lays out the differences among them. I've also included the lie that people usually use when they don't want to submit to righteousness like: All Faiths are the same or that's your belief/opinion

that Jesus is the only way. It's also another way satan's been successful. In Chapter 5, I wrote how satan's been successful in deceiving peoples' minds since the beginning of Adam. I even used the book The Da Vinci Code and evolution as examples in just how blind people, and even some Christians, are. There are commits from famous inventers' opinions on evolution. Then the following chapter explains why He is the way to God. I included past followers of Christ who have been persecuted for His sake and how most people respond to the gospel today. In chapter 7, is about the reason people deny Christ due to pride and ignorance. I also wrote what former president said about the Bible to prove it's fact. The last two chapters are about Heaven and Hell along with a gospel message. I end it with the understanding of God, Man, and Free Will.

From Tears to Joy

This book is relevant to all those who don't follow or believe God, to all who have tried God but the help from Him didn't come or has yet to come, to all who do not see any other way out of their problems, afflictions, addictions, or other, to whoever is experiencing relationship breakdown, lack of communication in their marriage, stress, worry, confusion, financial difficulties and so on, for nothing is impossible to God. The key is repentance and to believe, meaning when one truly turns around to seek the direction and instructions of a universal heavenly Father that has gone to great lengths to give us a way out from our worldly problematic ways to His ways, through Jesus Christ His Son and the power of His Holy Spirit. God has given us the manual that corrects, instructs, informs, guides explains and reveals what is contrary to our way of life. The Bible is a Holy book with all the answers to our problems, those that will be solved and those that won't be without the application of having faith trust and obedience to Him. The outcome when one has to put faith in action can vary, oftentimes it is like getting a train ticket but when the train arrives we don't get on it. It is based on my true life story and the events which unfolded as I began to respond positively to the warnings of a God that speaks, hear and sees everything in this world, Who when I was at a desperate time of low self-esteem, lost in all the ways that this world offers and therefore walking in a web of sinful living, by my own choices, God came to my rescue whilst I was driving one night back to my place. As I was crying in desperate regret of my actions, situation, addiction and useless attempts to break free from it, I just cried out for His help and as I was yet speaking I experienced God in the most memorable and profound life-changing way, something extraordinary happened that night, and for the first time, in 3 years, I was able to sleep so very peacefully, as if I had been going through a spiritual power transfusion of peace, love, cleansing, healing and deliverance from the stronghold which was trapping me with invisible chains of penalty born from my own actions. Sin indeed traps us into a web of deceitfulness and darkness that is not understood nor believed in by millions of people walking on earth. Darkness and light, good and bad, heaven and hell, God and men, Jesus and the Holy Spirit, holy angels and dark ungodly angels are as real as we are. For several months I could not contain this supernatural love from above, I was insatiable with wanting to read, hear and discover all I could find on God, Jesus and everything to do with Him, I was drawn to Him like a bee on pollen and so many joyful events took place but also trials and tribulations, which in time, I understood that we go through such things, with the rearing of a loving Father, to get us to trust Him more, have faith in Him more and be persevering in maintaining a relationship with Him, through the reading and application of His Word, the Bible, with the intention and meaning to get us to grow in Him and become acquainted with overcoming certain situations and circumstances, thus becoming close to Him and getting to know Him. In the times that were lost battles, He was teaching me things, the times that were really tough, but somehow I got through, it is because He does make a way out of the problem, or He starts us up on something better, and one way or another, our life goes on, getting enriched by His encouragement and rearing, just like a loving dad would rear his children. As I continued to pursue, make changes and endure come what may, I have enriched my spirit and soul in such a clutter-free mind, and a heart that constantly seeks to feed on God's Word for more of the same. He really is a Holy and perfect God, merciful and loving, and to be found so by anyone who learns to love Him with all their strength and might. God is good. Lucifer is not.

The Touch of the Sacred

All over the world Christian communities meet on Sunday morning for worship. But what really happens during a worship service? How do worshipers participate in the service? What does it mean to sing, pray, and celebrate the Lord's Supper together? What do worshipers do when they listen to a sermon? In The Touch of the Sacred Gerrit Immink offers thoughtful theological reflection on the religious practice of worship services in the Protestant tradition. He develops a theology of worship with a clear focus on the death and resurrection of Jesus Christ as he explores the meaning of worship, the mystery of

Christ, the sacraments, prayer, and preaching. Ultimately, he says, something dynamic happens when a church congregation speaks and acts: it is touched by the sacred, by a very encounter with the living God.

A Divine Light in a Dark World

There is much emphasis placed on the Gospel of Jesus Christ and the biblical commandment to share it with others. As Christians and evangelicals we are taught that we must share the gospel with others. The problem I find is that there is a great lack of understanding among Christian believers of what the real gospel is and an even greater lack of understanding of how to share it with someone else. Over the last 20 years of studying and researching the many models and methods of witnessing, I have found some to be good and some that were totally off the mark. Nothing I studied seemed to quite cover all the bases and often gendered more questions than answers. A Divine Light in a Dark World was written to address this issue. Within the pages of this book the reader will learn exactly what the real, true, and complete Gospel of Jesus Christ is and what it is not. The reader will also learn how to consistently and effectively share the gospel with someone else. A Divine Light in a Dark World will guide the believer in Christ in a real-time way of sharing their Christian faith properly and appropriately without fear or reservation.

American Pharisee

Americans are in constant pursuit of happiness, comfort, and success. Many people who claim a faith in Jesus Christ fall into the trap of preferring these values over their pursuit of God. 'American Pharisee' is a story of how one man fell into this trap, and his only way out was through the dark path of suffering. But did he ever find freedom?

Spending Time with the Father

The Spear Temple's Key: Vol. II The Spear Temple's Key: Vol. II is a book of parables and figures of speech, similar to Vol. I. It is a book that explains the life of the saint, and the genesis of heaven. The world today makes gold miniatures of all its favorite things, yet the life from God is being separate. It gives them their proper value. These things will keep you from genesis –the beginning and end of all things. Jesus came from somewhere, otherwise why did he say his Father was greater? Heaven too, has to start someplace. God is brilliant, his stories have no end, but this is the beginning; and it only gets better. God offers redemption at any stage, best to start while the day is young. So take up the second key, passage requires your watch and cell phone. You have no need of knowing time. A cherub has returned to guard the entrance. He is hidden in the air, he wields the biggest flaming sword, and demons hate his cut because it will not heal; at least until they sear it by a sun. The Spear Temple's Key: Vol. III The Spear Temple's Key: Vol. III is a book of stories and figures of speech, similar to the Bible. They come in parable, and they come in strings, let them ease your soul. This is a book of grace, glory, and growth. God has been preparing these things since he was the only one like Him. The riddle can be solved by children, yet a man will have an educated guess. The deep things of God will take time to understand. The heavens are a mystery, yet the key will guide you. The heroes are here. They speak in the Spirit, God's crew is full of life. I've had many crosses in my life, the temptation had to grow; and the end had to come.

The Spear Temple's Key: Vol. II and III

It's been a while that this book was planted in the authors heart due to the compassion and the great love he has seen in the Bible that God has for His persecuted children. From the Garden of Eden the devil has been dedicated to persecute the children of God. He uses all kinds of deceitfulness, lies and all kinds of possible traps to destroy the redeemed. Persecution is real today just like it always has been for the believers. The Bible says in 2nd Tim 3:12, "Yea, and all that will live godly in Christ Jesus shall suffer persecution". The Lord said that we will have afflictions in this world, non the less when we look around us it does not seem like there is persecution for many. Let me assure you that all of the redeemed are being persecuted one way or another this very moment. The devil is using all kinds of ways, he knows them all and works 24/7/365 and it's like a shadow that is always behind the believers. A lot of Christians without knowing have fallen in the trap of the devil. It's sad to see defeat in so many people that should live in continual victory over what's wrong, and the flesh because of what the Lord did for us on the Cross of Calvary. His main purpose is that everyone who reads this book will be blessed and have a positive reaction. No matter where you are in any part of the world, even if you are in prison because of your faith in Jesus Christ. Today there are children of God in prison, and their only crime is to believe in their Lord and Savior Jesus Christ with all their heart.

Persecution

Humanity Is Consumed by Relentless Transformation Like a thief in the night, artificial intelligence has inserted itself into our lives. It makes important decisions for us every day. Often, we barely notice. As Joe Allen writes in this groundbreaking book, "Transhumanism is the great merger of humankind with the Machine. At this stage in history, it consists of billions using smartphones. Going forward, we'll be hardwiring our brains to artificial intelligence systems." The world-famous robot, Sophia, symbolizes a rising techno-religion. She takes her name from the goddess—or Aeon—whose fall from grace is described in the Gnostic Gospels. With an academic background in both science and theology, Allen confronts the paradox of what he calls "good people constructing a digital abomination." Dark Aeon is nothing less than a *cri de coeur* for humanity itself. He takes us on a roller coaster ride through history and the emergence of Scientism, and from government-mandated mRNA vaccines to the weird visions of cyborg billionaires like Elon Musk. From Silicon Valley to China, these globalists' visions of humanity's future, exposed and described in Dark Aeon, are dire and terrifying. But Joe Allen argues that humanity's salvation is within our grasp. Only if we refuse to avert our eyes from the impending twilight before us.

Dark Aeon

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

I Love Jesus, But I Want to Die

A Christianity Today 1999 Book of the Year Every reader of the Bible has encountered the powerful, comforting and sometimes puzzling imagery of Scripture. These concrete pictures with their hidden force have struck sharp and lasting impressions on our minds. Their imprint has etched itself on the language and grammar of Christian faith and Western culture. Why then do traditional Bible dictionaries and reference works offer so little help to explorers of the Bible's galaxy of verbal pictures? They excel in describing the climate, borders and location of Galilee or Sinai. But they are often blind to the artistic expressions and deaf to the musical meanings that echo from within the world of the biblical text.

The Dictionary of Biblical Imagery is the first contemporary reference work dedicated to exploring the images, symbols, motifs, metaphors and literary patterns found in the Bible. More than that, it examines the Bible's universal archetypes or master images--including the plot motifs and character types that recur throughout life, literature and the Bible. This unique dictionary explores the dazzling variety in which the Word of God comes dressed in clothes of everyday life. It traces the trail of images from Eden to the New Jerusalem. It captures the plotted patterns of biblical narrative. It surveys the imaged texture of each book of the Bible. In short, The Dictionary of Biblical Imagery is an inviting, enlightening and indispensable companion to the reading, study, contemplation and enjoyment of the Bible.

The authors candidly break down the reality of mortality and life on the other side. They challenge the thought boxes of tradition and religious cliché and expose the counterfeits that are currently common. (Social Issues)

Writing in an approachable and anecdotal style, Tom Wright helps us to understand from the beginning of the letter that something unexplained yet terrible had happened. We feel the pain of Paul from the very opening lines, as he confronts dreadful issues of sorrow and hurt, emerging with a clearer picture of what it meant to say that Jesus himself suffered for us and rose in triumph. The letter itself moves through tragedy and from there leads into the sunlight. Each short passage is followed by a highly readable discussion, with background information, useful interpretation and explanation, and thoughts as to how it can be relevant to our lives today. No knowledge of technical jargon is required. The series is suitable for personal or group use. The format makes it appropriate also for daily study.

Jesus Didn't Die on a 'Holiday'

In Job, one of the godliest men who ever lived, God shows us first that no saint is exempt from suffering. Second, he teaches us that because the faith of his children is precious to him, he throws it in the roaring fires of affliction, to remove its impurities and to reveal its heavenly quality. Third, and when we ask God why, his answer is, "For My glory." Armed with these three truths, we can face suffering with confidence in our Father's wisdom and love, overcome the world by faith that looks to the power of Jesus Christ in us, and endure the fires by holding fast to his promises.

The Waging War Within-A Devotional For Winning The Daily War

Too often, women hold each other back, bad mouthing and making unflattering comparisons. Social media give extra opportunities for negative comment. Are we trapped in our own battles, or entertained by the wars of other women, to the detriment of our own freedom and well-being? What would happen, asks Helen Roberts, if women ceased to compete and compare? What if we settled our conflicts and resolved instead to champion one another? To celebrate each other's victories? Helen explores the complexities of female relationships in workplaces, families and friendship circles, using contemporary, historical, personal and biblical examples. She investigates Scripture to see how, through the work of the Holy Spirit, we can cease the all-too-frequent "she wars". She helps us recognise our own destructive tendencies and establish healthy habits which will enable women and their relationships to thrive. This will help us live more confidently as the daughters the Father intends us to be, free from envy or comparison.

God's Kingdom First is written for all the folks who really want to see true success in their Christian lives. One of the secrets to living a truly successful godly life is by knowing what God's children are expected to do and doing it. In Matthew 6:10, Jesus prayed for God's kingdom to come and that God's will would be done on earth as it is done in heaven. He advised us to seek first the kingdom and righteousness of God, and then all the other things we need in life would be given to us as well. Many of God's children do not think about this important topic and then wonder why their lives are often in a state of doldrums, uninteresting, and disordered. This book discusses what the kingdom of God is, why it is important, and how we can seek it. The contents of this book are not new but have revealing secrets to a Christian's successful life in the Kingdom of God.

The Comparison Trap

This major collection of essays, a sequel to *Modernity at Large* and *Fear of Small Numbers*, is the product of ten years' research and writing, constituting an important contribution to globalization studies. Appadurai takes a broad analytical look at the genealogies of the present era of globalization through essays on violence, commodification, nationalism, terror and materiality. Alongside a discussion of these wider debates, Appadurai situates India at the heart of his work, offering writing based on firsthand research among urban slum dwellers in Mumbai, in which he examines their struggle to achieve equity, recognition and self-governance in conditions of extreme inequality. Finally, in his work on design, planning, finance and poverty, Appadurai embraces the "politics of hope" and lays the foundations for a revitalized, and urgent, anthropology of the future.

Passenger's Side - Putting Jesus Christ in Charge of Your Life

There is an important truth too many Christians don't know: we are called to actively participate in the redemption Christ won for us on the Cross. This is at once simple and complex—how can we be co-redeemers? With a clear and lively style, *How Christ Saves Souls—with Us: The Mystery of Co-Redemption* calls the everyday Catholic to embrace their role as a partaker in Christ's redeeming grace. Fr. Michael Giesler uses sound theological and scriptural backing to illustrate, in practical terms, how each of us can truly be another Christ, Christ Himself (*ipse Christus*), in our words and actions. Jesus shared His redeeming power with His followers from the beginning of the Church, and He continues doing so throughout the centuries. We see co-redemptive grace in the lives of the Church's greatest saints, but it also radiates in the lives of countless unknown and unsung followers of Christ in many different places and times. A little-known topic with a transforming message, *How Christ Saves Souls—with Us* shows us that by bringing Christ's truth and joy to society, we help to establish His kingdom on earth. We aid in preparing for His glorious second coming, the Parousia, when He will establish His definitive Kingdom, the new Heavens and earth, where God will be all in all.

The Gospel Trumpet

The Land Beyond Time is a non-stop, fast paced, action packed adventure that takes place in the jungles of the Amazon River. It is a story about traitors, sabotage, espionage, greed, hate, love and romance, cold blooded murder, and justice. It is the story about the trials and tribulations of a dozen human beings whos sabotaged aircraft crashes into the Amazon jungle. The crash survivors, 6 men and 6 women, including 2 drug cartel bosses, being extradited to the US, now must compete against their individual fears, each other and those unknown unexplained challenges facing them in the hot, wet, dangerous jungle. The terrifying but strange animals that abound there, like the giant spiders, boars, anacondas, and crocodiles; two hostile tribes and the headhunters; a Colombian drug cartel group of professional killers coming to rescue their bosses; and a small, but elite team of US Marines conducting search and rescue operations for the crash survivors; all are tossed together in the jungles of the Amazon. Our adventure begins during December 1999, in Lima, Peru, when a US military aircraft (C141) preparing to take a number of government passengers back to the US, is commandeered by an Embassy official. He orders the aircraft to take on 10 additional passengers, including two recently captured Colombian drug lords being extradited to the US. Hours into the flight the plane is sabotaged by someone onboard and it crashes into the Amazon River dumping the survivors into the hostile terrain north of Manaus, Brazil. Two of the 12 crash survivors are immediately separated from the main group and have adventures of their own to contend just to remain alive. The remaining survivors are captured by one of two hostile tribes (the Ingou and Sangou). The survivors are taken to the Ingou village and interrogated, while second tribe prepares to attack the Ingou village to pre-empt an escaped prisoners arrival there, who possesses information which could change the delicate balance of power in the jungle. Back in Peru, an Embassy official is fingered as an espionage agent for the major drug cartel. The official gets nervous and runs to his new bosses in Colombia. Meanwhile, the cartel sends 24 professional killers to retrieve their two drug bosses from the sabotaged aircraft. Their additional instructions are to eliminate all the remaining passengers. When the aircraft fails to show up at Manaus as planned, the cartels killers immediately begin a search pattern, and within hours of finding the crashed aircraft, their journey begins. Back in Lima, the Non-Commissioned Officer in Charge (NCOIC) of the Marine Security Guard (MSG) Detachment, a friend of Al Ranlom, a former Marine who is aboard the missing aircraft, hears of the espionage and the plane crash. Not one to stand by and watch, the NCOIC forms an unofficial search and rescue team, which picks up the trail of the missing craft and her survivors. The dangers to all involved: the survivors, the cartels professional killers and the Marine Security Detachment rescuers, are found in every turn they take. They are all around them, in the trees, at ground level, on, under and above the waterways, swamps and mangroves. These hazards eat away at their self confidence, and tears at their moral fabric. They are tested continuously, passing one test only to encounter another challenge. If it isnt attacks by giant spiders, anacondas, and crocodiles, its tigers, flesh eating worms and blood sucking bats. Or its problems from hostile tribes or from the natural environment, like earthquakes and lava flows or from the failure of their sophisticated equipment, like the GPS systems, radios, and walkie-talkie
