How Islam Created the Modern World

Mark Graham's book "How Islam Created The Modern World", is a befitting answer to those who willingly slip into a state of stupor for about a millenium, and want the world to believe that there existed nothing but "Darnkess of Ignorance" till the Europeans woke up to revive where the Greek and Romans had left.

How the Quranic revelations shaped the modern world - TRT World

It was there that an army of translators and scholars took the wisdom of the Greeks and combined it with their own cultural traditions to create a scientific, mathematical and philosophical golden age. Their accomplishments were staggering, including the development of modern medicine, chemistry, and algebra.
