In this thoughtful and well-documented treatise, Dr. T.L Lowery performs a valuable service for the church. Apostles, Prophets, Evangelists, Pastors, and Teachers Then and Now

In Ephesians 4:11, the apostle Paul tells us that Jesus gave apostles, prophets, evangelists, pastors, and teachers to the church. He did this in the days of the New Testament; the question is, does Jesus still give all of them to the church today? This book seeks to address this question. In this book you will find: . The ministries of apostles, prophets, evangelists, pastors, and teachers defined. . Names of people in the Bible who held these ministries. . Descriptions of each ministry from a biblical-historical perspective. . An examination of the contemporary expressions of the ministries of evangelists, pastors, and teachers. . Answers to objections about the presence of apostles and prophets in the church today. . A case for the continuance of the ministries of apostles and prophets in the modern church. . A description of the ministries of apostles and prophets in the contemporary church. John P. Lathrop is a graduate of Zion Bible College and Gordon-Conwell Theological Seminary. He is an Ordained Minister with the International Fellowship of Christian Assemblies and is currently active in pastoral ministry at the Christian Pentecostal Church in Newton, MA. In addition to pastoring, he regularly writes for Vista magazine, the official publication of the International Fellowship of Christian Assemblies, and for the Pneuma Review, a publication of the Pneuma Foundation. He has ministered overseas in the countries of Indonesia and Zimbabwe. He and his wife, Cynthia, are the parents of five adult children: Carrie, Joshua, Deborah, Stephen, and Daniel. The Lathrops also have two grandchildren.

Apostles and Prophets

What Are Apostles and Prophets and What Is Their Critical Role in an End-Times Church? These ministry gifts did not pass away with the last of Jesus' disciples. Christ gave them to the Church for all time, and they are still "alive and well" today. But what are apostles and prophets? Why is there so much controversy, error, and abuse in the Church concerning these ministry callings? In Apostles and Prophets — Their Roles in the Past, Present, and Last-Days Church, Rick Renner defines these ministry offices biblically and historically, tracing their roles from the Early Church all the way to the present. Filled with vivid illustrations that recount Church history as you have perhaps never seen it, this book answers such questions as: What signs accompany true apostles and prophets? What defines false apostles and prophets? Why does Scripture refer to the Church as a vineyard, a body, and a temple? Why you have a priestly ministry to fulfill How apostles and prophets equip you for priestly ministry What is God's real intention for a last-days Church? Are you weary from being tossed around by mind-bending doctrines that leave you weak and disappointed? Would you like to participate in fulfilling God's masterful plan for the age? This book will fortify you with revelation you can build on! It will equip you to better understand and cooperate with the ministry of the apostle and prophet in this critical hour of the last-days Church.

Fulfilling Your Personal Prophecy

Dr. Grudem discusses the relevance, purpose and function of prophecy in the church today. He provides fresh understanding that preserves the distinctive authority of Scripture, while giving the church space to enjoy Holy Spirit's most edifying gifts.

The Gift of Prophecy in 1 Corinthians

Arise, shine, for your light has come, and the glory of the Lord has risen upon you. For the darkness shall cover the earth and deep darkness the peoples; but the Lord shall rise upon you, and His glory shall be seen upon you. —Isaiah 60:1-2, MEV

Prophet, Arise

In the first century A.D., miraculous gifts occurred with the baptism with the Holy Spirit. These served as signs that God was no longer using the Israelite nation but that his approval now rested on the Christian church, which had been established by his Son. (Heb 2:2-4) On the day of Pentecost, miraculous gifts followed the outpouring of the Holy Spirit, and in each case mentioned in the New Testament where the miraculous gifts of the Spirit were given, at least one of the 12 apostles or Paul was present. (Ac 2:1, 4, 14; 8:9-20; 10:44-46; 19:6) With the death of the apostles, the transmittal of the gifts of the Spirit ended. Did the miraculous gifts of the Spirit cease? Is the gift of prophecy for today? It is imperative that we know the correct answer to that question.

Come and See: Prophets and Apostles

Contrary to popular belief, miracles did not pass away with the twelve apostles. If anything, the Pentecostal sparks that were lit by them continued to spread throughout the known world. In this first installment, the reader will learn how Jesus and the apostles established the concept of the Holy Spirit's abiding presence in the church laying the groundwork for a Christian initiation that included salvation and Spirit baptism. The reader will see how spiritual gifts operated through the twelve apostles as they spread Christianity into the known world. How bold witnesses, supernatural signs, and practical love resulted in massive expansion of the early church despite extreme persecution. How Montanism tried to revive the church from moral decay through strict living and prophetic gifts before it was rejected. How Emperor Constantine I reunited the Roman Empire under a new Christian-friendly regime. How the new state-run churches, overrun with sin, caused many to flee to the wilderness resulting in another intense spiritual revival. How the Middle Ages featured the mass conversion of much of northern Europe through miracle-working missionary monks, followed by a period of great jubilation, mystical faith, and charismatic revivals, and ending with the incredible healing ministry of Vincent Ferrer.

Pentecost To The Present

This book represents an almost fifty-year period of both study and practical training in Christian ministry. For the author, Dr. Howard W. Durfee, it has been his life's work. Howard's quest for Christian truth began

shortly after he was saved by the ministry of Campus Crusade for Christ. During his study at three of the leading seminaries of the world—Harvard Divinity School, The University of Edinburgh, and Fuller Theological Seminary—Howard was taught that the gifts and ministries of the New Testament had for the most part passed away after the New Testament era. There seemed to be a general confusion about why they had passed away. Regardless of all the theories, the important thing to Howard was that he could find no one in theological schools able to operate in the apostolic or prophetic ministries as described in the New Testament. The biggest shock to Howard was when he found less educated, nonseminary-trained ministers who claimed to be apostles and prophets. The problem was that these less scholarly ministers appeared to have both the gifts and ministries operating with the power of the Holy Spirit. In a search for truth, Howard determined to prove beyond any shadow of a doubt that there could be no modern apostles or prophets. The only problem was that Howard could not disprove the existence of modern apostles or prophets based on the New Testament or on church history. What follows in this book is the result of a lifetime of study on the apostolic ministry. After an introduction by Dr. Chuck Flynn, Howard defends the necessity of modern apostles. He then defines and describes what a New Testament apostle is. Next, Howard describes apostles as leaders to the church. Finally, Howard describes the three major historical functions of the apostolic ministry—to found churches, to govern churches, and to train the other New Testament ministries.

Apostles

Do God's prophets and apostles walk the earth today? Many popular teachers say yes, including Bill Johnson from Bethel Church (Redding, California), Mike Bickle from the International House of Prayer (Kansas City, Missouri), and Rick Joyner from Morningstar Ministries (Fort Mill, South Carolina). But when examined in the light of Scripture, their teachings about prophets and apostles fall short. Whether you know it or not, you've probably encountered the fast-growing religious movement involving these and other teachers—the New Apostolic Reformation. The New Apostolic Reformation is led by men and women who claim to be modern-day prophets and apostles. They seek to bring God's kingdom to earth through their new revelations, miraculous powers, and novel practices like -Treasure Hunting, - -Sozo ministry, - -24/7 prayer rooms, - and -schools of supernatural ministry.- Some groups embrace all of these, others only some. Designed for individuals or groups, this study guide—used with the full-length companion book, *God's Super-Apostles*—will help you understand this bewildering movement. You'll learn what New Apostolic Reformation leaders teach about topics like apostles, prophets, spiritual warfare, demons, and miracles. You'll learn how their teachings about these topics deviate from historic Pentecostal and charismatic teachings. Most importantly, you'll learn how to respond to their teachings with Scripture. It will also guide you in developing personal strategies for countering the New Apostolic Reformation's growing influence. Editorial Reviews for *God's Super-Apostles* -In two recent books, R. Douglas Geivett and Holly Pivec provide a balanced biblical critique of the New Apostolic Reformation.... Both books are well written, fairly argued, and amply documented.... As a classical Pentecostal, I see brothers and sisters among leaders and followers of the New Apostolic Reformation. Chances are, you, your family, or your church has heard of NAR's doctrines or have been influenced by them. With R. Douglas Geivett and Holly Pivec, I believe that NAR doctrines are not true because unbiblical and unhelpful because not true.- -George P. Wood, Executive Editor, Assemblies of God Publications; General Council of the Assemblies of God -*God's Super-Apostles* is a clear and winsome work that provides just the right depth of examination, and that comes to clear and biblical conclusions.- -Tim Challies, Author and blogger at Challies.com Endorsements for *God's Super-Apostles* -Given the explosion of the apostolic movements, *God's Super-Apostles* represents a concise and valuable survey of what is happening around the globe. Geivett and Pivec provide insightful biblical and historical analyses, which are useful for those wanting to understand these sometimes bewildering movements. Especially beneficial are the distinctions the authors make between the teachings of the historic Pentecostal churches and the more recent New Apostolic Reformation views of such leaders as C. Peter Wagner and others.- -Vinson Synan, Dean Emeritus, Regent University School of Divinity -The authors clearly and systematically describe the movement's origins and outworkings, and they offer a thoughtful, balanced, and biblical counterpoint to its many errors and excesses. Their work is eminently practical, desperately needed, and long overdue.- -Paul Carden, Executive Director, The Center for Apologetics Research

APOSTLES, PROPHETS, EVANGELISTS, PASTORS, AND TEACHERS

This Is What Apostles and Prophets Look Like Now Just before the end of the last century, the ministry and office of the Prophet were restored to the Church. Apostle Les was involved in helping pave the way for this, and he presented the first clear teachings on the Prophetic Office. A while later, as the new century dawned, the first signs of a new Apostolic Movement began to appear. And once again, he was there to present some of the first clear teachings on the Apostolic Office. But a lot has happened since then, and these two vital ministries have come into clearer focus in recent years. Now Apostles and Prophets are appearing everywhere. And it has become necessary for us to consolidate what exactly these ministries should look like, and how they should function. That is the main purpose for this new book on these ministries. Here you will find updated teachings on both of these ministries, and a clearer understanding of how they are meant to be in the end times in which we live. God is once again building His end times church on the foundation of these two essential ministry offices: Ephesians 2:19 Now therefore you are no more strangers and foreigners, but fellow citizens with the saints, and of the household of God; 20 And are built upon the foundation of the apostles and prophets, Jesus Christ himself being the chief corner [stone]; (GBMV) If this is where God is taking you, then this book is for you.

The Prophet

. In scriptures God will paint, on the canvas of anointed Words, things about His Words teachings, concerning His Holy Apostles and Prophets by the Spirit. God's written Word has given us the Church, certain teachings for specific reasons. Should not the Church, continue to keep and hold up the banner, of sound doctrines, and teachings of Jesus Christ. God's Children are being robbed for a lack of knowledge and spiritual treason, done by man's traditions. Man has denied Gods Word from being taught, in the Revelation that the Holy Ghost, has revealed and given. There are things that are not acceptable, unto God. God has raised up an elite force, of gifted and well educated, anointed, Holy Apostles and Prophets by the Spirit. By using the statement of elite, God is saying, specially taught by Him, by the ministry and power of the Holy Ghost and powers of Heaven. This little book is not your average book, to just read and then, simply dismiss it, as if it is not important, Gods Word does not return void. In your reading this book, keep in mind that God has ordained certain things for the Church of Jesus Christ and His followers. Yet man's traditions have robbed, stolen and taken away from the Bibles truths. In doing so, man has ignored Gods ways and has slowed down things that Gods Spirit, will supper naturally change, now. God's Word will go forth and accomplish, everything that God has ordained and prophesied, in the Word of God. Here Is the Apostle Paul's Anointed Words unto the Church As you read the scriptures of the Bible, as they are rightly divided, Gods written Word has established, Gods way of doing things, in the Church of Jesus Christ. Who is man but a small little ant, to try and change, the teachings of the Gospel and ordained truths? God's Word says not to add or take away from this book. God has things to say in this book, it is up to you, to Hear its teaching and come out of wrong teachings, as man has watered down the truth, of Gods written Words teachings. The blind shall remain blind and lead the blind. But the faithful shall receive their reward from God. God has His purpose for this little book, for true New Testament doctrines, to be taught by the Holy Ghost, unto the Church of Jesus Christ. Sometimes God has, to interrupt man's thinking, to straighten up doctrinal teachings, so that the truth may be taught unto Gods Children. This being Gods way of keeping the doctrines and teaching of Jesus Christ alive and the truth passed down through all generations, as the Bible teaches things. Apostles And Prophets Receive Revelations By The Spirit of God As God inserts scriptures, it is God talking unto you, as a reader of His teachings. He simply anoints, His servant by the anointing of the Holy Ghost. Gods' way of exercising one of the fivefold ministry gifts that is being set in the Church of Jesus Christ. The Word of God is for reproof, rebuke and correction. God has a purpose for this books teaching, in the Body of Christ. Listen to these verses of scripture that the Apostle Paul wrote, as an anointed vessel by the power of the Holy Ghost. Things concerning His knowledge of the mystery of the Gospel and how he was taught by Revelation. Then he goes on to teach, Gods way of teaching the Church the mystery of the Gospel through. God's Holy Apostles and Prophets by the Spirit, as the Bible teaches that Gods Holy Apostles and Prophet will receive Revelations by the Spirit of God. Gods will for His teachings to remain true and alive throughout all generations of time, is by the Holy Ghost, which scripture, is referring to by the Spirit. Which in other ages was not made known unto the sons of men, as it is now revealed unto His Holy Apostles and Prophets by the Spirit (Holy Ghost). He Gave Gifts Unto Men

The author is the only person ever declared medically dead to be resurrected by God and sent back with a message for God's people. Taken away from a life in the fast lane while earning fame and riches for all the wrong reasons, the author thought that when the government was done with him he would live the rest of his life comfortably along with all of his ill-gotten gains. That would not be the case because God in His mercy had answered his mother's prayers for her son to be returned to worshipping Jesus. When the government was finished God was just getting started, first stripping him of pride and wealth while teaching the author humility and obedience. Then through revelations, visions, and prophecies followed with signs and wonders, the author learned the truths that have not been taught to the church ever since the last apostle died. This book teaches what God wants you to learn. Overcoming sin, obtaining perfection, and living a holy life are the commandments from Jesus Christ to His church. When these commandments are fulfilled as the apostles fulfilled them, God will work the same signs and wonders through His people today that He did 1900 years ago in the first century apostolic church. Within this book is the knowledge the apostles had that will allow Christians to once again worship in spirit and in truth. Prophecy determined that the forgotten knowledge of the truth would return to the church and once again God would be glorified through His saints when people are healed and the dead are raised alive. Through acquiring the wisdom revealed in this book, you will gain the faith needed for miracles to happen and bring about the revival that will usher in the Kingdom of Heaven on earth.

If They Be Prophets

Are there still prophets in the church today? Too many people in the body of Christ assume the prophet is no longer a functioning member of the five-fold ministry simply because the office was vacant for about 400 years of biblical history. Those who recognize that Jesus ushered in a new era of prophets still do not understand the functionality of this office. The Office of a Prophet brings to light the responsibilities, gifts, and privileges bestowed on those who occupy this office. It details the assignments, obedience, strengths, and weaknesses of prophets in the Old and New Testament, as well as lays emphasis on pitfalls to be avoided by those called to this office. Whether you're called to The Office of a Prophet or just doubt the legitimacy of this office, Choice Nwachuku will enlighten you on importance of the prophet in the proper functioning of the five-fold ministry and the need for it in this dispensation of the end times.

Apostles and Prophets

“The Prophetic Matrix (in Christ)” is intended to be a practical teaching book using the Scriptures, what I have learned in 27+ years of ministry in churches throughout the nations, my experience as a mentor and discipler, my experience as a founding director and team member of our ministry, and my ministry knowledge as a servant apostle who teaches and preaches the word of God ... and occasionally ... has dreams, operates in discernment, and prophesies. I will be sharing teaching from Scripture, ministry experience, and testimonies, and along the way we will examine in much more detail the gift of prophecy, the matrix of prophecy within the New Testament, the role of New Testament prophecy and prophets, and how prophets can work together with apostles and other fivefold ministry gifts. Most importantly we will comprehend the importance of revelation, which Apostle Paul defines separately from prophecy (see 1 Corinthians 14:6). Through this process we will lay a foundation of Scriptural truth and Christological application that will help to bring the church into alignment with God's heart concerning the gift of prophecy. It's supernatural! The five offices (or ascension gifts) that Apostle Paul speaks of in Ephesians Chapter 4, verse 11, are given for the work of the ministry and to mature the church; our greatest ministry here on earth is to know Christ, and to make Christ known. On this positive and thought-provoking foundation, let's take a deep dive in the Word together to re-examine old truths, and establish new truth in Christ about the New Testament gift of prophecy and other gifts given by the Holy Spirit. We will consider them in individual and corporate application; as well as in the church and in the marketplace.

DIVINE PROPHECY

Is there a way to experience prophetic ministry in a God-honoring way—without all the mess and confusion? Prophetic ministry is the Holy Spirit's gift to the Church. Yet this gift has been abused, confused, and misused, making it difficult for today's Church leaders to embrace. With biblically sound delivery, Darin Slack offers a compelling perspective based on his thirty years of experience in prophetic ministry. He challenges indifference and complacency, while discouraging doctrinal disorder in the administration of the gift. Slack provides a powerful and much needed balance that will allow Church leaders to see the great potential for blessing in the prophetic while reducing the risk. Through Scripture, Slack offers leaders, from all doctrinal backgrounds, a faith-building process for realizing prophecy that leads to Church edification. (1 Cor. 14:3) This book is a must-have for every pastor or Church leader who desires to scripturally understand and implement prophetic ministry.

Karena, kewajiban merayakan Sabat tidak disebutkan dalam "Tabel Noach" (Tujuh Hukum Nuh), yang dirumuskan berdasarkan Kejadian 9:1-6 (Sanhedrin 56a), maka peraturan ini tidak berlaku bagi bangsa-bangsa non-Yahudi (cf. Kisah.dan 29). Sejak awal menurut data-data sejarah tidak ada kewajiban non-Yahudi merayakan Sabat. Sedangkan hukum-hukum lain dari 10 perintah Allah, seperti jangan membunuh, jangan mencuri, jangan berzina, dan sebagainya, berlaku universal, karena jenis hukumnya (peraturan-peraturan) bagi semua umat manusia.
