The Door in the Hedge

From ensorcelled princesses to a frog that speaks, an enchanting collection of fairy tales from the Newbery Medal-winning author. The last mortal kingdom before the unmeasured sweep of Faerieland begins has at best held an uneasy truce with its unpredictable neighbor. There is nothing to show a boundary, at least on the mortal side of it; and if any ordinary human creature ever saw a faerie—or at any rate recognized one—it was never mentioned; but the existence of the boundary and of faeries beyond it is never in doubt either. So begins “The Stolen Princess,” the first story of this collection, about the meeting between the human princess Linadel and the faerie prince Donathor. “The Princess and the Frog” concerns Rana and her unexpected alliance with a small, green, flipper-footed denizen of a pond in the palace gardens. “The Hunting of the Hind” tells of a princess who has bewitched her beloved brother, hoping to beg some magic of cure, for her brother is dying, and the last tale is a retelling of the Twelve Dancing Princesses in which an old soldier discovers, with a little help from a lavender-eyed witch, the surprising truth about where the princesses dance their shoes to tatters every night.

Named and Shamed

Fairy tales were always thought to be childhood fancies. That is until the fairy folk returned. Named and Shamed is a dark and dirty erotic fairy tale that is definitely not for children.

Once Upon a Time

There are so many old, strange folk tales from Europe. The Grimm Brothers wrote some of them down, but they've been sanitized through the years. Herein, read a dozen stories with the filth written back in. A. Violet End has a wickedly perverse imagination and here she takes you by the hand and fills in how she thinks these stories should really have been told. The Juniper Tree, Lily and the Lion (Beauty & the Beast), The Wedding of Mrs. Fox, The White Snake, Chanticleer & Partlet, Rapunzel, Briar Rose (Sleeping Beauty), The Dog and the Sparrow, The Pink, Clever Elsie, The Blue Light, and The Frog Prince.

A Grimm and Dirty Omnibus

The Frog Prince What if the Swan Princess kissed the Frog Prince, and they helped each other to break their curse? Odette has been cursed by an evil wizard over a decade ago. She spends her days as a swan, and changes back to human during the night. When she kisses a frog, he turns in a handsome prince who wants to help her break her curse. Henry has been hopping around as a frog for more than two decades. When he gets kissed by a beautiful maiden princess, the curse is broken. Now he wants to do anything possible to help her break her curse, even if it means giving her all of him. The Genie

The Genie has been trapped in his lamp for an eternity. When he is roused by a beautiful princess to help her save her land, he will do anything in his power to obey her, even if her last wish asks more of him than he has ever given anyone. Peter & Pan What if Peter & Pan grew up and revisited Wendy? Wendy has grown up, and is living in London when she wakes up and finds her first love on her terrace asking for her help. Peter needs Wendy's help to find his shadow again. Pan wants to stay in London and grow old with Wendy. The Fae Guardian What if Cinderella didn't have a Fairy Godmother, but a Fae Guardian? Ella meets her Fae Guardian in the woods after she runs away from her stepfamily. He promises to grant all her wishes, but there is one wish that might ask too much of him. Varden has been Ella's Fae Guardian since she was born. He always kept an eye out on her, never realizing how badly her stepfamily treated her until they go too far, and hurt her. He will do everything in his power to make Ella happy, even if it means giving her his heart. The Dragon What if Rapunzel was guarded by a Dragon who fell in love with her, and helped her get out of her tower? Rapunzel has lived in her tower for all her life, never daring to dream of a life outside of it. But when her dragon offers her an opportunity, she can't turn it down. Tanwen has been cursed to be a dragon and guard the witch's tower. He watches Rapunzel grow up into a beautiful woman, and is determined to help her free herself from the tower. Bedtime Stories

***Final Story In Crimson Bells' (The Erotic Fairy Tales Series!)*--I must spin all this straw into gold, and I know not how," Amy stammered nervously. "I will take care of the spinning, but you must promise to do me a favor in return," the stranger said, tone serious. "What say you, tiny girl?" The young woman threw him a skeptical look. "What must I do in return for your help?" "You must do me a favor," was the infuriating reply. "Did you not hear me the first time, love?" She told herself that she didn't have much of a choice in the matter, for her life and her father's life were dangerously close to coming to a very gruesome end! "What is your decision? Will you take my help or not?" His impatient tone captured the full attention of the girl, had her blurting her next words, "Yes! Yes, I'll take your help, stranger." A devilish smile replaced his grin. **WARNING:** This work contains strong language and explicit sexual content such as graphic descriptions of bodily fluid. This work should be read by readers 18+

Amy Meets Rumpelstiltskin

What if Cinderella didn't have a Fairy Godmother, but a Fae Guardian? Ella meets her Fae Guardian in the woods after she runs away from her stepfamily. He promises to grant all her wishes, but there is one wish that might ask too much of him. Varden has been Ella's Fae Guardian since she was born. He always kept an eye out on her, never realizing how badly her stepfamily treated her until they go too far, and hurt her. He will do everything in his power to make Ella happy, even if it means giving her his heart. Excerpt: Suddenly I felt lighter, knowing that the burden of my stepfamily was gone. "There is something else I want," I said, daring to dream of something more. "Anything, Ella. Anything at all." "I want you," I said and slowly pushed up on my tiptoes, closing the distance between our lips. Varden tasted like the forest, and my dreams mixed in a delicious cocktail. His lips were soft but firm underneath mine, and after only a moment of hesitation, he took control of the kiss. He pulled me up in his arms, deepening the kiss. I opened my mouth in a gasp, and he immediately took advantage of it by plunging his tongue into my mouth. I moaned when our tongues met, and passion sparked. This was my first kiss, so I had

no possibility of comparing, but I just knew that this kiss was the start of something new, and amazing. Now that I was finally free, I would grab life with both hands and enjoy it how I wanted it, with Varden. He broke off the kiss, panting, holding my body flush against his. I could feel something hard digging in my stomach, and arousal coursed through me, imagining what would be underneath those layers of fabric. ----- Reader advisory: This story contains explicit sex scenes between a woman and a Fae Guardian. The Fae Guardian is a 3k words, steamy, hot, erotic, Cinderella fairytale retelling, short story. Explicit sex scenes, standalone, no cheating or cliffhangers. -----

Do you love fairy tales? Then don't miss these happily ever afters! In this modern version of the fairy tale classic, Gretel has never understood her father's choice of a second wife, and she and her brother Hans have high hopes of getting out from under the suspicious, spiteful eye of their penny-pinching

stepmother once Hans graduates from college with his degree in chemistry. But on Gretel's eighteenth birthday, when their stepmother insists they go on a cruise around the coast of Australia with a rich candy-heiress grandmother neither of them has ever met, the siblings' plan, in fact their whole world, is turned upside down. Hans is drawn into the lavish, opulent lifestyle on the yacht, easily seduced by their grandmother's riches and her plans for his future. Wary Gretel, on the other hand, finds herself seduced instead by Andrew, their grandmother's bodyguard and assistant. She begged to know the ways of men and women and he was fain to indulge her. But what great sin would it be to profane a heart so true? He touched the hand upon his trousers and whispered, "With all that I am, dearest Rapunzel, know that I love thee. But I cannot grant this wish. In the world you know not, disgrace follows women who are loved by men such as I." "Men such as you?" she asked. "A prince?" "A lie," he said. "I am a prince of thieves, no more. I scaled this tower in the hopes of plundering its vaunted treasures. Instead I have found the greatest treasure in the five kingdoms...and she has unmanned me with her goodness." Rapunzel's fingers touched Laertes' trousers. "That is another lie.

You are not unmanned, sir." "Any wretched criminal would ravish you in a heartbeat," he said. "I shall not. I swear it." He dared not look at her again. Rapunzel gasped to see the tears well in his sapphire eyes. Tenderly, she held his cheek. "Look upon me, Laertes. I bear the marks of your passion and know no shame. What you are a prince of makes no matter to me. I am a princess of despair! I would give you any treasure in this tower just to be rid of the smallest piece of my prison. And I would not interrupt this joyous union for the sake of a world I've never known. I promise you every treasure in this wretched tower if only you will take me too." Laertes laced his fingers through her own. "I will take you, Rapunzel, I swear it." "And will you show me your manhood?" she whispered. "I wish to," he groaned. "I want to! But I pledged to my lost mother's soul I'd never rob an unwed woman of her virtue." Rapunzel freed her hand from Laertes' grasp. "My virtue! If my virtue prohibits you from bestowing the knowledge I have waited my whole life to know, I charge you to plunder it as you would plunder my tower!" With haste, her nimble fingers began to unlace his trousers. "My virtue has gained me naught but sleepless nights," she scoffed. "I long to be rid of virtue!" Laertes seized her hand. "Rapunzel, I made a vow! As God as my witness, or even your precious moon, I shall not break it." Rapunzel wailed with fury. She clutched the man by his thick shoulders and searched his sky blue eyes. "Then do not break your vow!" she said. "Make me your wife." Laertes gaped at the girl. "What?" Rapunzel pushed herself into his lap and hung her arms about his tan neck. "Wed me, Laertes. Now! In this very moment." "I haven't the power to do that," he whispered. "Yes you do," she whispered back. She tugged at her ruined neckline and pushed her naked chest into his tunic. "Say I am your wife," she said. "Marry me now and we shall consummate it here in my bedroom." Laertes clasped Rapunzel's cheeks between his callused palms. "As God as my witness, and your moon, I declare that we are man and wife." Their kiss made the constellations gallop in the dimming sky.

Rapunzel & The Handsome Stranger

THE MAIDEN AND THE FROG-PRINCEThe frog gave a rather odd grin, while nodding vigorously up at her. "I want not your jewels or fine clothes; I only wish to hear you say that you will love me, will allow me to live with you and eat from your silver plate--to sleep upon your bed. Promise these things to me, and I shall bring you your locket again." Olivia's next words brought the frog the utmost joy. "Well, if you will bring me my locket, I will do all you ask." Without delay, the frog put his head down, and dived deep under the water. He came up again after a brief moment of time with the locket in his mouth. He then threw it near the edge of the spring. As soon as the young princess spotted her locket, she ran to pick it up, was pleased to see that all was well with the superbly crafted case and chain; she was so overjoyed to have it in her hand that she forgot her promise to the frog, innocently running home without a single thought of him. "Wait, princess, you've forgotten me," called the amphibian, words aimed at the girl's retreating back. ***WARNING: This work contains strong language and explicit sexual content such as graphic descriptions of bodily fluid and light bondage. As You Wish, a Cinderella Story

"A Thousand and One Fairy Lights" is an erotic fairy story about a young woman, Melanie who, while running away from an abusive relationship spies on a fairy gathering. She is discovered and banished to a fairy realm beyond this world forever. This is where she learns much about herself and a good deal more about sex.

A Thousand and One Fairy Lights

We all grew up hearing fairy tales - but these are fairy tales like you've never heard them before! Some of these stories have an ending, setting or twist you might not remember, or are modern versions of an old tale, but all of them are guaranteed to awaken the big bad wolf in you faster than you can say Rumpelstiltskin! Don't miss eXcessica's sexy anthology retelling erotic versions of classic fairy tales! ----- Stories included by: Gabriel Daemon, Elise Hepner, Giselle Renarde, Tessa Buxton, Karenn Colcroft, Phineas Magnus, Bekki Lynn, Dakota Trace and Ava James. ----- EXCERPT (From "Red Smoke" by Elise Hepner): "You are a sight to behold. You ache with desire and freshness. I will beat that out of you tonight. Claim you raw and redder than the hood that you use to hide. I know what you really want little Red, and I will spare nothing in giving it to you." My tongue swells, mouth clogging with dryness while his brown flecked pupils rake the silk along my breasts and lower still. His eyes are mental claws tearing me apart. A vulnerable part of me breaks into fragments when he gives me that look. It is special, just for me. His lips tremble with pleasure, teeth aching in a torpid smile, a baritone chuckle hitting me in the face. His lean, muscled body is well lit against the fire he has made previously within the clearing. He likes to watch me writhe against a backdrop of chaos and heat. As his nails grip into my scalp I know these little jaunts into the woods are getting more dangerous. A fine tremor along my bones makes my teeth chatter despite the warmth, licking up my sides from the rising flames. The tautness in my scalp makes a stinging moan escape my lips and I bite them quickly to suppress it. Any little noise of my submission will break his resolve for my flesh completely. Inside he is a powerless wolf on the prowl. Outside he is my calm, collected everything. I am the prey.

Adult Fairy Tales 3-Pack : Furry Tales 10 - 12

What happens when you've been under an uglification spell your entire life and it suddenly gets lifted? Well, read my book if you want to find out--it's what you might call a cautionary tale... I used to be plain, boring, forgettable Emma Plunkett...but that was back when I thought I was human. Now, I'm something completely different. I have raven hair, purple eyes, and the power to Fascinate--not to mention two gorgeous Fae warriors who have both sworn their undying love and loyalty to me. (How can I choose between them when I want them both?) I've heard the other students at Nocturne Academy whispering behind my back. Either I'm a lost Fairy Princess...or a creature so dark and evil I could change the fate of the Fae Realm forever--only I don't know which! But I have a bad feeling I'm about to find out...

Evangeline

This is an erotic storybook strictly for adults, with erotic illustrations. It includes a reimagining of five Grimm brothers' fairy tales: Rapunzel, Cinderella, Little Red Riding Hood, the Little Mermaid and Snow White can be read from a rather different perspective. In addition to the five short stories, fourteen erotic illustrations help you imagine the shield side of the fairy tale heroes.

Stone and Secret

You'll never look at fairy tales the same way again.

Grimm's Fairy Tales

There once existed a beautiful young princess who secretly yearned for the perfect husband - the one man who could bring her true happiness. But alas, no mortal man had proven sufficient for the fair young maiden. One day, the young girl stumbled across an unlikely sight - an infernal demon out to make a bargain! But in his demonic form, she managed to find something she'd never before seen in mortal men... Her own desire, lit aflame. --- This fantasy erotic romance features a fairy tale setting replete with magic, demonic bargains, and lost love. Excerpt: "...And in return I promise you anything you desire, anything in this wide world," the demon finished with a heavy breath. The princess tightened her hands together anxiously. "Really? You... mean that?" It seemed too good, and absurd, to be true. Still, it seemed wise to go along with it, at least for now. Certainly this was less dire than she had expected. "Well, what should I wish for...?" she began. Her eyes darted about searchingly as though she expected the answer to appear from the air. Suddenly she gave a dainty gasp and twittered in delight. The princess smiled sweetly, her eyes downcast, as she twirled a lock of hair around her finger. "Well...this may not be a very proper request, but I've very much wanted to find...you see...it's just that I, I've always hoped to find a perfect man to marry..." The demon straightened in mild surprise. His wiry frame rippled in toned muscles. "You wish a man to marry? Why would a human as fair as you want for a man?" his eyes moved over her appraisingly. Her confidence faltered under his intense, calculating gaze. He was a timeless creature that she was sure had seen many great beauties, and now she might be numbered among them. The princess felt a fire igniting in her loins unlike anything she had ever

before experienced. "Oh, I do not want for suitors. But I do want for the right man. No one has been..." she searched for words and finally shrugged, "...no one has been greater than ordinary." The demon's eyes widened and his head bobbed in a swift nod. A smile slowly curled up his lips. Her blush returned, more furious and hot than before.
