Tamed by the Billionaire

NEW YORK TIMES & USA TODAY Best-selling Author, Judy Angelo, presents: Volume 1: THE TAMING OF A PRINCESS... Serena Van Buren, the privileged daughter of a wealthy businessman, can't wait to begin her three-month tour of Europe with her college mates. Little does she know that fate has other

plans in store! Instead of dancing with handsome Italians and dining with charming Frenchmen Serena finds herself trapped in a six-month internship with overbearing business tycoon, Roman Steele - an arrangement orchestrated by her own father. Serena is determined to show Roman that she won't yield to the demands of any man, boss or no boss. She's a Van Buren, after all, known to wither a man with one look. But Roman Steele is like no man she's ever met before. Suave, sexy and stunningly handsome, there's something about him that she can't resist. It looks like Serena Van Buren has finally met her match. A sweet and saucy romance that will have you smiling...

The Billionaire Brothers Kent - # 4 (Ryder's story) Intent on freeing himself from the demons of his past, Ryder Kent sets off on a road trip alone. This is the only way he can find the peace of mind he so desperately craves. But on his way to Mexico a missed turn takes him to the remote southwest Texas town of Pequoia. There, an unfortunate turn of events puts him at the mercy of one of the most beautiful women he's ever met. Instead of his usual role as the 'big boss', in Pequoia he's lost power and prestige and ends up having to work for this Texas rose. But Ryder soon finds out that manual labor is the least of his problems. He hasn't even put his demons to rest and now he's falling for his boss...which, after what he's been through, is the last thing he needs... Blake Beaumont has had enough of men. She's been hurt by one who declared his undying love for her...until he turned around and stabbed her in the back. After that, how can she trust any other man? And then, out of the blue, the perfect one falls right into her hands. Does she dare trust her heart to another, or is he just too good to be true? A matter of trust, a matter of the heart. And, in the end, a matter of love...

Bossing the Billionaire

NEVER PIT AN ALPHA MAN AGAINST A FEISTY FEMALE Soledad Felix doesn't take guff from anyone, not even if that someone is the tall, dark and gorgeous hunk who moves in next door. Since the day he moves in he's a royal pain in the rear, going out of his way to make himself a nuisance. But then, as fate would have it, her big, bad and bossy neighbor falls right into her hands. And with him at her mercy, it's time to make him pay... Ransom Kent likes to mind his own business and lead a quiet life but tell that to his crazy neighbor next door. From the first day they meet it's like she's got this thing against him, a crazy vendetta of her own making. And it doesn't help that she's both beautiful and bewitching, with a whole lot of hot sauce on top. It's an alluring combination that he just can't resist. But when he gives in to the temptation and hands her his heart on a platter, that's when he realizes she's nothing like the woman he thought she was. The epic battle of fire and ice, and only one can be the victor...

The Billionaire Next Door

New York Times & USA Today best-selling author, Judy Angelo, presents: **The Billionaire Brothers Kent, Book 3 of 4 - Ridge's story** As a research scientist it is Lani Donatelli's dream to make a difference in the lives of people suffering from neurodegenerative diseases. There's only one problem, and it's a huge one - she's lost her funding from the big pharmaceutical companies and her research lab is in danger of closing down. Without funding her experiments are at a standstill. On top of that, she has one month to come up with the money to clear months of arrears with the leasing company before she and her team are evicted. In desperation, she turns to the one man she knows can save her skin. But is she willing to pay the price he demands? As co-member of a Houston school board, Ridge Kent has admired Lani Donatelli for months. She, however, can't stand him. According to her, he's nothing but a joker and an annoying one at that. Their disagreements at board meetings don't help since the constant conflict builds a brick wall between them. He wants to get to know her better but how can he, when all their interactions have been the polar opposite of positive? And then, like a heaven-sent miracle, lovely little Lani falls right into his hands. She has nowhere to turn but to him. He is willing to help, on one condition - Lani Donatelli must become his wife. **Bride by blackmail** - a recipe for disaster or an unexpected chance for love?

Billionaire's Blackmail Bride

NEW YORK TIMES and USA TODAY Best-selling Author, Judy Angelo, presents: Volume 2 WHO EVER SAID BILLIONAIRE BACHELORS AND MODEST MAIDS DON'T MIX? Celine Santini couldn't have been more shocked when billionaire bachelor Pierce D'Amato offers her a job as nanny to his four-year-old charge. After all, he hardly even knows her. But after finding herself thrown into an unexpectedly intimate encounter with him, are they really strangers? Celine is captivated by the

green-eyed heartthrob who takes her heart ransom but how can she give in to her feelings when they're from two totally different worlds? From the first day he lays eyes on the dark-eyed beauty, Pierce D'Amato knows he is lost. He immediately devises a plan to get her under his roof...and it works. But the more he gets to know the sweetly seductive Celine Santini the more he realizes there's a lot more to this woman than he could ever have imagined. Her intriguing combination of sophistication and innocence keeps him forever off-balance and, before he knows it, his bachelor heart turns traitor. The heart knows what the heart wants and it wants Celine Santini...whatever the cost. A thrilling romance with twists and turns that will keep you turning the pages...

Bad Boy Billionaires Collection II

A DADDY IN THE MAKING... A little girl, a wish, and a woman determined to stay out of his reach. How to reconcile the three? Billionaire investor, Drake Duncan, is at the top of his game. He decides to hire a ghostwriter to work on his memoir. Little does he know that the writer who will answer the call is truly a ghost - from his past. Meg Gracey is the proverbial 'starving artist', a writer down on her luck. When she is offered a contract as ghostwriter she jumps at the chance, only to later realize that the job will throw her directly in the path of the man she vowed never to 'touch with a long stick'. Caught between starvation and emotional torture she is forced to choose. Does she follow reason or give in to the desires of her heart?

Daddy by December

NEW YORK TIMES and USA TODAY Best-selling Author, Judy Angelo, presents: Volume 3: BAD BOY BILLIONAIRE VERSUS REBEL ISLAND BRIDE - AND THE WINNER IS... Normally shy and reserved, college student Erin Samuels goes to the island of Santa Marta where she breaks out of her shell and does things that shock even her. And, as if that weren't bad enough, she ends up trapped in a marriage by blackmail! Dare DeSouza is used to women throwing themselves at him and he lumps Erin Samuels in the same category. Gold-diggers, that's what they all are, but this time he has a plan. He sets out to teach Erin a lesson she'll never forget...and ends up learning the greatest lesson of his life. An island romance that will keep readers guessing every step of the way...

Billionaire's Island Bride

SLEEPING WITH YOUR BOSS – CAN ANY GOOD EVER COME OF THAT? Dana Daniels considers herself to be the consummate professional and she would never, under any circumstances, mix work with pleasure. She's got the reputation of being the 'office bulldog' and has killed the hopes of many an interested male co-worker. But when her kindly boss is replaced by a rigid block of stone, that's when she knows that she's in trouble. Because the man who now runs the show, a man she would love to hate, is the only one who has ever made her want to forget the rules and partake of forbidden fruit. But how can she give in to her desires? The man is her boss, after all. From the first day he lays eyes on her, Rockford St. Stephens is blown away by his executive assistant. Much good that will do him, though. The woman hates him from day one...and she says so. But although he knows how she feels, he can't resist the pull of attraction. Boss or not, he wants Dana Daniels. And if ever there were a situation that could lead to trouble, this is it. Can he afford to go down that road? Conflict meets passion – a heady combination...

Bedding Her Billionaire Boss

BABIES for the BILLIONAIRE The Billionaire Brothers Kent, Book 2 of 4 - Rafe's Story Anya Petersen has always been described as gentle, understanding and quiet. The last thing she'd be called is a bully. But when a certain handsome stranger walks into her life her defense instincts go into overdrive and she does whatever it takes to protect her heart - by keeping him far away from her. Then he turns up in the last place she would expect - and that's when she knows, where the battle for her heart is concerned, she's already lost the fight. Rafe Kent is so entranced by the German beauty he meets while touring Europe that he will do anything it takes to be with her, even if it means moving halfway across the world. But there's no way he could have known that getting close to the woman who's stolen his heart would mean he'd need a crash course in handling tiny tots...and fast!

Babies for the Billionaire

GIVE ME A BABY...NO STRINGS ATTACHED Melanie Parker is at the top of her game. Thirty-three years old, owner and CEO of Parker Broadcasting Corporation, with assets totaling over a billion dollars. There are many who would die to be in her shoes. But there's one thing Melanie feels is missing from her life. A child. She's always dreamed of one day being a mother but just never found the time to fall in love. And now time is running out. So she seeks out the one man who she knows can give her what she wants and will demand nothing in return, a man who's a billionaire himself. Sloane Quest can't believe it when the owner of Parker Broadcasting Corporation – his biggest competitor in the media business – makes him the craziest of all proposals. The decision he makes is quick, and it probably defies all reason, but he has an ulterior motive which will not be denied. Complications, intrigue and a baby bargain in the middle. Can love conquer all?

Her Indecent Proposal

HOW DO YOU CATCH A MAN...IN 30 DAYS? Indiana Lane is in a pickle. She must find a man, fall in love and get married...all within the space of thirty days. How in the world can she pull this off? And then she runs into Stone Hudson - or, more accurately, he runs into her - and that's when the adventure begins. Stone Hudson has met his match. He is used to women fawning over him and then he meets Indie, a woman who tells it like it is. And worse, she dares to tease him wherever and whenever she desires. Stone is intrigued, to say the least, but then his heart is snagged on a wire from which there is no escape. Will the wedding bells ring for Indie, and will they ring in time? Thirty days is not a lot of time...

To Catch a Man (in 30 Days or Less)

SEDUCTION SO SWEET... Jake McKoy moves to a tiny town in upstate New York to escape a painful past. He has no idea that it is here that he will find healing and strength and a new start in life. And that healing comes in the form of a fresh-faced woman who steals his heart. Samantha Fox was only a month away from her wedding day when her fiance broke the engagement. He'd found a more 'suitable' bride. Haunted by the constant fear that she's not 'good enough', Sam finds it hard to give her heart to another man. And when that man happens to be a billionaire who can't let go of his past, things become complicated indeed. Can Jake and Samantha overcome their difficult pasts to forge a bright future together?

Sweet Seduction

A PRINCE TO THE RESCUE? Golden Browne is the victim of a fate that, while not worse than death, is almost more than a girl can bear. Having no way out, she resigns herself to her sad fate. And then she meets a man who is like a prince from a fairy tale, her knight in shining armor who will rescue her from the wicked wizard, A.K.A. Dunstan Manchester, the stepfather she just can't stand. But just when Golden thinks her story will have a happy ending, fate takes a nasty turn and she finds out that the man she'd hoped would be her savior is not the man she thought he was. Reed Davidoff is entranced when a girl with hair like sunset runs out of his fashion show leaving behind a golden slipper, his only clue to who she is. He is determined to find this enchanting creature but when he does he realizes he has bitten off more than he can chew. Because, after all, how can he give Golden what she wants when he's in a prison of his own? Will this fairy tale have a happy ending?

Married by Midnight

NEW YORK TIMES and USA TODAY Best-selling Author, Judy Angelo, presents: Volume 4: TO CATCH A COMMITTED BACHELOR... When Dani Swift put on her chauffeur's uniform, with her hair tucked under her hat and her face make-up free, she looks like a clean-shaven young man. It's while wearing her little disguise that she meets the man of her dreams, billionaire businessman Storm Hunter. But how can she compete in his world of wealth and women who will do anything to snag this eligible bachelor? Storm Hunter loves motorcycles and fast cars. And then he meets Dani Swift. Bold and independent, she's like no woman he's ever met. And when their little game of deception leads to him losing his heart that's when he knows that, in her, he's found his greatest love .

Dangerous Deception

WHO EVER SAID BILLIONAIRE BACHELORS AND MODEST MAIDS DON'T MIX?Celine Santini couldn't have been more shocked when billionaire bachelor Pierce D'Amato offers her a job as nanny to his four-year-old charge. After all, he hardly even knows her. But after finding herself thrown into an unexpectedly intimate encounter with him, are they really strangers? Maid in the USA

The Billionaire Brothers Kent, 1 - 4 THE BILLIONAIRE NEXT DOOR - #1 Ransom Kent - The owner of a multinational construction company who lives a simple, peaceful life. Or, so he thinks, until he moves next door to the most cantankerous woman he's ever met. BABIES FOR THE BILLIONAIRE - #2 Rafe Kent - The software entrepreneur, adventurer and rolling stone who finds his new calling in life, one he would never have thought he could manage - taking care of a whole lot of babies. BILLIONAIRE'S BLACKMAIL BRIDE - #3 Ridge Kent - The oil tycoon who blackmails his love interest into marrying him, only to find out...you'd better be careful what you wish for. You just might get it...and it may not be as 'sweet' as you thought it would be. BOSSING THE BILLIONAIRE - #4 Ryder Kent - The dairy industry giant who ends up at the mercy of bold and independent Blake Beaumont...who, in no uncertain terms, let's him know who's the boss.

The Billionaire Brothers Kent

When CEO David Strong is strong-armed into demonstrating Kama Sutra yoga poses for a couples class—which is as awkward as it sounds—he's put in one compromising position after another. On top of that, the co-instructor gets him all worked up, and she's totally off-limits. At least she should be. Sophie DeFino has fantasized about David for over a decade. If only he weren't so uptight and didn't have so many rules. Of course, all those rules sure make it fun to push his buttons. And if she can get him bent out of shape enough; maybe he'll give in to the temptation of whatever's sparking between them. Each book in the Invested in Love series is STANDALONE: *Compromising Positions *The Billionaire's Runaway Fiancee *The Billionaire's Private Scandal *The Billionaire's Holiday Engagement *The Billionaire's Reluctant Fiancee

Compromising Positions

A lively and personal book that returns the city to political thought Cities shape the lives and outlooks of billions of people, yet they have been overshadowed in contemporary political thought by nation-states, identity groups, and concepts like justice and freedom. The Spirit of Cities revives the classical idea that a city expresses its own distinctive ethos or values. In the ancient world, Athens was synonymous with democracy and Sparta represented military discipline. In this original and engaging book, Daniel Bell and Avner de-Shalit explore how this classical idea can be applied to today's cities, and they explain why philosophy and the social sciences need to rediscover the spirit of cities. Bell and de-Shalit look at nine modern cities and the prevailing ethos that distinguishes each one. The cities are Jerusalem (religion), Montreal (language), Singapore (nation building), Hong Kong (materialism), Beijing (political power), Oxford (learning), Berlin (tolerance and intolerance), Paris (romance), and New York (ambition). Bell

and de-Shalit draw upon the richly varied histories of each city, as well as novels, poems, biographies, tourist guides, architectural landmarks, and the authors' own personal reflections and insights. They show how the ethos of each city is expressed in political, cultural, and economic life, and also how pride in a city's ethos can oppose the homogenizing tendencies of globalization and curb the excesses of nationalism. The Spirit of Cities is unreservedly impressionistic. Combining strolling and storytelling with cutting-edge theory, the book encourages debate and opens up new avenues of inquiry in philosophy and the social sciences. It is a must-read for lovers of cities everywhere. In a new preface, Bell and de-Shalit further develop their idea of "civicism," the pride city dwellers feel for their city and its ethos over that of others.

The Spirit of Cities

NEVER PIT AN ALPHA MAN AGAINST A FEISTY FEMALE Soledad Felix doesn't take guff from anyone, not even if that someone is the tall, dark and gorgeous hunk who moves in next door. Since the day he moves in he's a royal pain in the rear, going out of his way to make himself a nuisance. But then, as fate would have it, her big, bad and bossy neighbor falls right into her hands. And with him at her mercy, it's time to make him pay... Ransom Kent likes to mind his own business and lead a quiet life but tell that to his crazy neighbor next door. From the first day they meet it's like she's got this thing against him, a crazy vendetta of her own making. And it doesn't help that she's both beautiful and bewitching, with a whole lot of hot sauce on top. It's an alluring combination that he just can't resist. But when he gives in to the temptation and hands her his heart on a platter, that's when he realizes she's nothing like the woman he thought she was. The epic battle of fire and ice, and only one can be the victor...

The Billionaire Next Door

Everyone in Green Valley, Tennessee knows that the six bearded Winston brothers have been imbued with an unfair share of charm and charisma... and are prone to mischief. Dr. Strange Beard, the fifth book in the Winston Brothers series, from USA TODAY bestselling author Penny Reid publishes in July 2018!

A little girl, a wish, and a woman determined to stay out of his reach. How to reconcile the three? Billionaire investor, Drake Duncan, is at the top of his game. He decides to hire a ghostwriter to work on his memoir. Little does he know that the writer who will answer the call is truly a ghost - from his past. Meg Gracey is the proverbial 'starving artist', a writer down on her luck. When she is offered a contract as ghostwriter she jumps at the chance, only to later realize that the job will throw her directly in the path of the man she vowed never to 'touch with a long stick'. Caught between starvation and emotional torture she is forced to choose. Does she follow reason or give in to the desires of her heart?

THE TAMING OF A PRINCESS...Serena Van Buren, the privileged daughter of a wealthy businessman, can't wait to begin her three-month tour of Europe with her college mates. Little does she know that fate has other plans in store! Instead of dancing with handsome Italians and dining with charming Frenchmen Serena finds herself trapped in a six-month internship with overbearing business tycoon, Roman Steele - an arrangement orchestrated by her own father. Serena is determined to show Roman that she won't yield to the demands of any man, boss or no boss. She's a Van Buren, after all, known to wither a man with one look. But Roman Steele is like no man she's ever met before. Suave, sexy and stunningly handsome, there's something about him that she can't resist. It looks like Serena Van Buren has finally met her match. A sweet and saucy romance that will have you smiling...

Tamed by the Billionaire

New York Times & USA Today best-selling author, Judy Angelo, presents: BABIES FOR THE BILLIONAIRE Anya Peterson has always been described as gentle, understanding and quiet. The last thing she'd be called is a bully. But when a certain handsome stranger walks into her life her defense instincts go into overdrive and she does whatever it takes to protect her heart - by keeping him far away from her. Then he turns up in the last place she would expect - and that's when she knows, where the battle for her heart is concerned, she's already lost the fight. Rafe Kent is so entranced by the German beauty he meets while touring Europe that he will do anything it takes to be with her, even if it means moving halfway across the world. But there's no way he could have known that getting close to the woman who's stolen his heart would mean he'd need a crash course in handling tiny tots...and fast!

Babies for the Billionaire

The Billionaire Brothers Kent #4 Ryder's Story Intent on freeing himself from the demons of his past, Ryder Kent sets off on a road trip alone. This is the only way he can find the peace of mind he so desperately craves. But on the way to Mexico a missed turn takes him to the remote southwest Texas town of Pequoia. There, an unfortunate turn of events puts him at the mercy of one of the most beautiful women he's ever met. Instead of his usual role as the 'big boss', in Pequoia he's lost power and prestige and ends up having to work for this Texas rose. But Ryder soon finds out that manual labor is the least of his problems. He hasn't even put his demons to rest and now he's falling for his boss...which, after what he's been through, is the last thing he needs... Blake Beaumont has had enough of men. She's been hurt by one who declared his undying love for her...until he turned around and stabbed her in the back. After that, how can she trust any man? And then, out of the blue, the perfect one falls right into her hands. Does she dare trust her heart to another, or is he just too good to be true? A matter of trust, a matter of heart. And, in the end, a matter of love...

Bossing the Billionaire

"MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him

around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."--Amazon.com

Punk 57

Enjoy this bad boy billionaire romance at a terrific discount. Five years ago, my father died when his car's brakes gave out on a cliffside road just outside Monterey. It was no accident. Armand Rossini, high-ticket international assassin, replaced my father's mechanic that day and did something to that car. And I've been hunting him ever since. But now that I've caught him ... why can't I tear my eyes away from him? How can I be so attracted to the man who killed my dad? And why is he trying to tell me that I'm in danger? One hot night of passion and some really ugly truths turn my world upside down as I realize that neither Armand nor my father were the people I thought. But when I find out I'm carrying the assassin's child, it's not the only revelation that rocks my world. It turns out that Dad wasn't the only one in the family who was keeping secrets. The ultimate behind-the-curtain look at the hedge fund industry, unlocking the most valuable stories, secrets, and lessons directly from those who have played the game best. Written by Maneet Ahuja, the hedge fund industry insider, *The Alpha Masters* brings the secretive world of hedge funds into the light of day for the first time. As the authority that the biggest names in the business, including John Paulson, David Tepper, and Bill Ackman, go to before breaking major news, Ahuja has access to the innermost workings of the hedge fund industry. For the first time, in *Alpha Masters*, Ahuja provides both institutional and savvy private investors with tangible, analytical insight into the psychology of the trade, the strategies and investment criteria serious money managers use to determine and evaluate their positions, and special guidance on how the reader can replicate this success themselves. There are few people with access to the inner chambers of the hedge fund industry, and as a result it remains practically uncharted financial territory. *Alpha Masters* changes all that, shedding light on star fund managers and how exactly they consistently outperform the market. The book: Contains easy-to-follow chapters that are broken down by strategy--Long/Short, Event Arbitrage, Value, Macro, Distressed, Quantitative, Commodities, Activist, pure Short, Fund of Funds. Includes insights from the biggest names in the trading game, including Ray Dalio, Marc Lasry, Jim Chanos, Sonia Gardner, Pierre Lagrange, and Tim Wong. Features contributions from industry icon Mohamed El-Erian. Many of the subjects profiled in this groundbreaking new book have never spoken so candidly about their field, providing extremely provocative, newsworthy analysis of today's investing landscape.

Emily I tried to say no. I did more than try, I flat out turned him down. Repeatedly. But Tate Winters doesn't take no for an answer. He's smart, hot, and he knows how to get to me. Before I can stop myself, I'm falling for him. But Tate doesn't know my secrets. He doesn't understand that we can't be together, no matter how much we both want it. Tate like things easy, at least when it comes to women. I'm Tate Winters - I've never had to work for a female in my life. Emily is worth the effort, I know she is. She's beautiful, brilliant, and real. The only woman I've ever known who can match me. She keeps

running from me, but I won't let her get away. Emily Winslow is mine. I just have to prove it to her. The Billionaire's Secret Love is a standalone romance with a happy ending. It's the second book in the Scandals of the Bad Boy Billionaire's series, and reveals more about the notorious men of the Winters family. You can read it on its own, everything you need to know from the first book is explained, but you might want to read the others once you get a taste of the Winters men ;}

The Billionaire's Curse

Gerald Wilkins never considered himself a particularly exceptional thirteen-year-old. But that was before he inherited twenty billion pounds, a Caribbean island, a yacht, and three estates from a great-aunt he never knew. With this fortune, however, comes a letter. One from his great-aunt Geraldine. One that tells Gerald that she was murdered, and that it's up to him to find out why. Along with his friends Ruby and Sam, Gerald embarks on a journey that will lead him from the British Museum to dodgy social clubs for the disgustingly rich to mansions in the English countryside to secret places far underground. Who was Geraldine Archer? And what secrets was she hiding? Unless Gerald, Sam, and Ruby can find out before the killer does, they may be next.

The Billionaire's Curse

Gerald has just become the richest thirteen-year-old on the planet, the world's most valuable diamond has been stolen, and it seems there has been a murder. When the Valentine twins rescue Gerald from the clutches of the sinister thin man they set off on a thrilling adventure.

The Billionaire's Curse with Bonus Material

Book description to come.

Billionaire's Curse

Hello, Gerald. I hope this isn't too weird for you--a letter from beyond the grave! By now you are my heir and worth a good deal of money. I hope you don't mind. . . . I expect you've figured out that I was murdered. I would like you to find out who did it. Gerald Wilkins had only been hoping for a ski holiday, but plans change when a great aunt he's never met leaves him her entire estate worth twenty billion pounds!). Whisked by his parents to London, England, Gerald is given a letter and told not to open it until after the funeral. Now he's got a mystery to solve. With the help of his new friends, Sam and Ruby Valentine, Gerald follows the clues into secret passageways, a musty jumbled bookshop, an ancient crypt and a colossal cavern where the secret of a priceless treasure lies protected by deadly booby traps.

The Crystal Code

Gerald Wilkins, the world's youngest billionaire, is about to get more than he expected for Christmas. Gerald, Ruby and Sam are meeting up with Alisha and Gerald's Australian school friend Ox for two weeks of snowboarding in the mountains of California. It's a dream vacation. But soon after they arrive - by helicopter, with Gerald's butler Mr Fry at the controls, of course - the private chalet is attacked. Gerald and the gang escape through a secret passage, only to be pursued on snowmobiles by men with guns across frozen lakes and into the path of a cascading avalanche. Could this be the work of Gerald's nemesis Sir Mason Green, recently escaped from prison? Or is someone else behind the attack? Does the old dry cleaning ticket Gerald found amongst Green's belongings hold the key? And how does an invitation to join the secretive Billionaire's Club land Gerald in so much trouble? Join Gerald and his friends in the USA, the Czech Republic and a tiny island in Sweden for a new thrilling adventure. After all, with all that money, there's got to be more to the story.

The Emerald Casket

Gerald, Sam and Ruby fly to India in Gerald's private jet for a holiday at the home of Alisha Gupta, looking forward to getting away from the exhausting business of stolen gems, bejewelled caskets, thieves and bumbling police officers. But their holiday soon turns to a desperate quest to outwit a deadly cult; it's now a fast-paced race to beat Mason Green to the Emerald Casket. Full of suspense, humour and twists and turns, The Emerald Casket is an exciting instalment in Richard Newsome's award-winning mystery trilogy.

The Mask of Destiny

The police have finally caught the evil murderer Sir Mason Green. The third casket and whatever treasure it contains can remain a secret just as the Fraternity wished. And Gerald can relax and enjoy his billions. Or can he? At his trial, Green drops dead in the dock. Forensics show he was poisoned by a dart—and Gerald's DNA is on the blowgun. Then a mysterious cat woman steals the ruby, the key to the third casket. A mysterious woman with a store of poison darts, who happens to be Sir Mason Green's niece, Charlotte. Now Gerald is on the run, with Ruby and Sam, wanted for murder. Can they beat Charlotte to the ruby casket and prove that she killed Green? It's a quest that takes them to caverns beneath the island castle of Mont St Michel in France, locked rooms in the Vatican and the ancient hidden city of Delphi in Greece to discover the secret of the three caskets and the great power they hold.

The Emerald Casket

What do you do when you're a billionaire, you're thirteen and you've just discovered your family tree goes back a thousand years to a pact made by three brothers to carry three caskets to three secret locations and to protect them for centuries to come? What do you do when you know a bloodthirsty criminal holds the contents of one of those caskets and will stop at nothing to discover the others? Gerald, Sam and Ruby fly to India in Gerald's private jet for a holiday at the home of Alisha Gupta, looking forward to getting away from the exhausting business of stolen gems, bejewelled caskets, thieves and bumbling police officers. But their holiday soon turns to a desperate quest to outwit a deadly cult, and to beat Mason Green to the Emerald Casket in a fast-paced race against time and tide. With all the suspense, humour and twists and turns of The Billionaire's Curse, The Emerald Casket will delight readers waiting for the sequel and send new readers clamouring for the first book of the Billionaire series.

The Mask Of Destiny

The police have finally caught the evil murderer Sir Mason Green. The third casket and whatever treasure it contains can remain a secret just as the Fraternity wished, and Gerald can relax and enjoy his billions. Or can he? At his trial, Green drops dead in the dock. Forensic testing shows that he was poisoned by a dart—and Gerald's DNA is on the blowgun. Then a mysterious cat woman steals the ruby, the key to the third casket—a mysterious woman with a store of poison darts, who happens to be Sir Mason Green's niece, Charlotte. Now Gerald is on the run with Ruby and Sam, wanted for murder. Can they beat Charlotte to the ruby casket and prove that she killed Green? Their quest takes them to caverns beneath the island castle of Mont St. Michel in France, locked rooms in the Vatican and the

ancient hidden city of Delphi in Greece to discover the secret of the three caskets and the great power they hold.

The Billionaire's Curse

When thirteen-year-old Gerald finds himself the heir to twenty billion pounds from an aunt he never met, he inherits with it a mystery surrounding his aunt's death and various artifacts in the British Museum.

The Mask of Destiny

More money, more mystery and more murder. Will Gerald ever be able to enjoy his billions? The police have finally caught the evil murderer Sir Mason Green. The third casket and whatever treasure it contains can remain a secret, just as the Fraternity wished, and Gerald can relax and enjoy his billions. Or can he? At his trial, Green drops dead in the dock. Forensic testing shows that he was poisoned by a dart, and Gerald's DNA is on the blowgun. Number Games

Number Games | 9/11 to Coronavirus was written for the purpose of educating the people of the world about the agendas that are being carried out against us, and the very clear plan that went into motion in 1968, when coronavirus was coined, World Trade Center construction in New York began, and 9-1-1 was made the United States' national emergency dialing code. As the reader will learn, these agendas, as well as many others that are related, have been executed by a numerical code, known as Gematria, and they are for the sake of building a surveillance state across the world, so that powerful interests can peer into and keep tabs on the lives of the masses, for the sake of continued power and control. Number Games | 9/11 to Coronavirus also names the parties responsible, with definitive evidence. To put it mildly, this is the type of book that the Vatican wishes was locked away in one of their vaults, but fortunately for the reader, it is not.

The Extraordinary Education of Nicholas Benedict

When nine-year-old Nicholas Benedict is sent to a new orphanage, he encounters vicious bullies, selfish adults, strange circumstances - and a mind-bending mystery. Luckily, he has one very important thing in his favour: he's a genius.

The Psychology of Silicon Valley

Misinformation. Job displacement. Information overload. Economic inequality. Digital addiction. The breakdown of democracy, civility, and truth itself. This open access book explores the conscious and unconscious norms, values, and characteristics that drive behaviors within the high-tech capital of the world, Silicon Valley, and the sector it represents. In an era where the reach and influence of a single industry has the potential to define the future of our world, it has become apparent just how little we know about the organizations driving these changes. The Psychology of Silicon Valley offers a revealing look inside the mind of world's most influential industry and how the identity, culture, myths, and motivations of Big Tech are harming society. The book argues that the bad values and lack of emotional intelligence borne in the vacuum of Silicon Valley will have lasting consequences on everything from social equality to the future of work to our collective mental health. Katy Cook expertly walks us through the psychological landscape of Silicon Valley, including its leadership, ethical, and cultural problems, and artfully explains why we cannot afford to ignore the psychology and values that are behind our technology any longer.

The Mask of Masculinity

At 30 years old, Lewis Howes was outwardly thriving but unfulfilled inside. He was a successful athlete and businessman, achieving goals beyond his wildest dreams, but he felt empty, angry, frustrated, and always chasing something that was never enough. His whole identity had been built on misguided beliefs about what "masculinity" was. Howes began a personal journey to find inner peace and to

uncover the many masks that men – young and old – wear. In *The Mask of Masculinity*, Howes exposes the ultimate emptiness of the Material Mask, the man who chases wealth above all things; the cowering vulnerability that hides behind the Joker and Stoic Masks of men who never show real emotion; and the destructiveness of the Invincible and Aggressive Masks worn by men who take insane risks or can never back down from a fight. He teaches men how to break through the walls that hold them back and shows women how they can better understand the men in their lives. It's not easy, but if you want to love, be loved and live a great life, then it's an odyssey of self-discovery that all modern men must make. This book is a must-read for every man – and for every woman who loves a man.

The Curiosity Machine

The Billionaire Series Book 6. With the strange plans for an even stranger machine in his possession, along with a coded message from a long-dead castaway that could be the key to unlocking its secrets, Gerald finds himself at the centre of a web of mystery and danger. Masked gunmen have taken over his luxury yacht. His parents have been kidnapped. And one of his closest friends has betrayed him. His old enemy Sir Mason Green seems to be pulling all the strings. Or is he? Gerald, Ruby, Sam and Felicity take off on their final exciting adventure, from glaciers to jungles and the depths of the Pacific Ocean to an island teeming with the most bizarre creatures on earth. Richard Newsome lives in Brisbane with his family. He won the inaugural Text Prize for Young Adult and Children's Writing for *The Billionaire's Curse*, the first book in the acclaimed Billionaire series. It was soon followed by *The Emerald Casket*, *The Mask of Destiny*, *The Crystal Code*, *The House of Puzzles*, and, finally, *The Curiosity Machine*, which brings the boy billionaire's thrilling adventures to a satisfying close. 'Move over, Tomb Raider, and stand back Indiana Jones. Gerald and his friends are hot on the action and exotic adventure in this pacey final installment of the Billionaire series.' Reading Time 'Ridiculously entertaining fun...A fast-paced, tongue-in-cheek romp.' Magpies

The House of Puzzles

A mysterious coded message. A search for a fabled perpetual motion machine. A horse ride from hell. And a night in the exclusive Billionaire's Club House of Puzzles. If Gerald thought his term in a Scottish Highlands school camp was going to be all snow-covered heather and tartan rugs he couldn't have been more wrong. With Professor McElderry in the clutches of Gerald's nemesis Sir Mason Green and a seemingly impossible task required to save his life, the stakes are high and the heat is on. In *The House of Puzzles*, the fifth book of the Billionaire Series, Gerald, Ruby Sam and Felicity face their greatest challenge yet. Richard Newsome lives in Brisbane with his family. He won the inaugural Text Prize for Young Adult and Children's Writing for *The Billionaire's Curse*, the first book in the acclaimed Billionaire series. Praise for the Billionaire Series: 'What do you get when you mix Tintin, James Bond, and The Famous Five together? You get Richard Newsome's Billionaire series...The Crystal Code is Richard Newsome at his best!' Christchurch Kids Blog 'Filled with secret passageways and deadly booby traps, you'll be on the edge of your seat!' K-Zone 'Weird dreams, kidnapping, attacks by bandits, hectic chases and eerie explorations in archaeological sites...slapstick humour, verbal wit and a pervasive spirit of youthful exuberance.' Magpies 'A rollicking good yarn.' Weekend Herald 'I loved this book. I really did. Ever since I got the first book in this series, I was on the lookout for more! The characters - Gerald getting tangled up in relationships - and the plots were just fantastic.' YAAR-A reviews Corinna, age 13, Canberra, Australia 'An irresistibly fun-tastic tale that's virtually guaranteed to keep youngsters reading, chuckling and desperately waiting for the next book in the series.' Independent Weekly 'It has humour that is just off centre enough to appeal to children as well as a few pearls of wisdom thrown into the mix. Fans of the series will lap it up and those who haven't read the earlier books will no doubt want to go back and read the rest. Good fun that could equally be enjoyed by anyone young at heart.' OrangeDale blog 'Plenty of plot twists to keep readers guessing and eager for Gerald's next adventure.' Magpies

Google Speaks

In many ways, Google is the prototype of a successful twenty-first-century company. It uses technology in new ways to make information universally accessible; promotes a corporate culture that encourages creativity among its employees; and takes its role as a corporate citizen very seriously, investing in green initiatives and developing the largest corporate foundation in the United States. Following in the footsteps of Warren Buffett Speaks and Jack Welch Speaks—which contain a conversational style that successfully captures the essence of these business leaders—Google Speaks reveals the amazing story behind one of the most important new companies of our time by exploring the people and

philosophies that have made it a global phenomenon in less than fifteen years. Written by bestselling author Janet Lowe, this book offers an engaging look at how Google's founders, Sergey Brin and Larry Page, transformed their vision of a better Internet search engine into a business colossus with about \$16 billion in annual revenue. Lowe discusses the values that drive Brin and Page—for example, how they both live fairly modest lives, despite each having a net worth in excess of \$15.9 billion—and details how they have created a culture that fosters fun while, at the same time, keeping Google at the forefront of technology through relentless R&D investments and imaginative partnerships with organizations such as NASA. In addition to examining Google's breakthrough business strategies and new business models—which have transformed online advertising and changed the way we look at corporate responsibility and employee relations—Lowe explains why Google may be a harbinger of where corporate America is headed. She also addresses controversies surrounding Google, such as copyright infringement, antitrust concerns, and personal privacy and poses the question almost every successful company must face: as Google grows, can it hold on to its entrepreneurial spirit as well as its informal motto, "Don't do evil"? What started out as a university research project conducted by Sergey Brin and Larry Page has ended up revolutionizing the world we live in. *Google Speaks* puts these incredible entrepreneurs in perspective and shows you how their drive and determination have allowed them to create one of today's most powerful companies.

Recall Newsom

California's response to COVID-19 has been the worst in America, with incomparable economic destruction, loss of life, and violations of democratic norms. In this devastating critique, California Legislator Kevin Kiley traces these tragic outcomes to the self-interested and lawless actions of Governor Gavin Newsom, who expressly set out to use the virus as an "opportunity" for a "new progressive era." Kiley successfully prosecuted the legal case against Newsom, winning a judgment from a California Superior Court that the Governor abused his emergency powers and violated the Constitution. Now, using the same engaging and evidence-rich style that has attracted millions to his Capitol Quagmire blog, Kiley offers an alarming inside-the-Capitol account of how Newsom seized absolute power more to hype his presidential ambitions than to protect the California public. This urgently needed book makes the case for not only the removal of the most corrupt Governor in America, but the revival of liberty and self-government in the Golden State: a new politics of sanity and decency to save the California Dream before it's too late. About The Author: Kevin Kiley was reelected to the State Assembly with the highest vote total for a Republican in California history. A graduate of Harvard and Yale Law School and former high school teacher in South Central Los Angeles, he is the only 100 percent citizen-backed California Legislator, refusing all funding from the Special Interests that spent millions electing Gavin Newsom.

Wealth and Poverty in Jewish Tradition

Economic inequity is an issue of worldwide concern in the twenty-first century. Although these issues have not troubled all people at all times, they are nonetheless not new. Thus, it is not surprising that Judaism has developed many perspectives, theoretical and practical, to explain and ameliorate the circumstances that produce serious economic disparity. This volume offers an accessible collection of articles that deal comprehensively with this phenomenon from a variety of approaches and perspectives. Within this framework, the fourteen authors who contributed to *Wealth and Poverty in Jewish Tradition* bring a formidable array of experience and insight to uncover interconnected threads of conversation and activities that characterize Jewish thought and action. Among the questions raised, for which there are frequently multiple responses: Is the giving of tzedakah (generally, although imprecisely, translated as charity) a command or an impulse? Does the Jewish tradition give priority to the donor or to the recipient? To what degree is charity a communal responsibility? Is there something inherently ennobling or, conversely, debasing about being poor? How have basic concepts about wealth and poverty evolved from biblical through rabbinic and medieval sources until the modern period? What are some specific historical events that demonstrate either marked success or bitter failure? And finally, are there some relevant concepts and practices that are distinctively, if not uniquely, Jewish? It is a singular strength of this collection that appropriate attention is given, in a style that is both accessible and authoritative, to the vast and multiform conversations that are recorded in the Talmud and other foundational documents of rabbinic Judaism. Moreover, perceptive analysis is not limited to the past, but also helps us to comprehend circumstances among today's Jews. It is equally valuable that these authors are attuned to the differences between aspirations and the realities in which actual people have lived.

Cultural Evolution

Leading scholars report on current research that demonstrates the central role of cultural evolution in explaining human behavior. Over the past few decades, a growing body of research has emerged from a variety of disciplines to highlight the importance of cultural evolution in understanding human behavior. Wider application of these insights, however, has been hampered by traditional disciplinary boundaries. To remedy this, in this volume leading researchers from theoretical biology, developmental and cognitive psychology, linguistics, anthropology, sociology, religious studies, history, and economics come together to explore the central role of cultural evolution in different aspects of human endeavor. The contributors take as their guiding principle the idea that cultural evolution can provide an important integrating function across the various disciplines of the human sciences, as organic evolution does for biology. The benefits of adopting a cultural evolutionary perspective are demonstrated by contributions on social systems, technology, language, and religion. Topics covered include enforcement of norms in human groups, the neuroscience of technology, language diversity, and prosociality and religion. The contributors evaluate current research on cultural evolution and consider its broader theoretical and practical implications, synthesizing past and ongoing work and sketching a roadmap for future cross-disciplinary efforts. The Door to Time

Eleven-year-old twins Jason and Julia have just moved from London to an old mansion on the English coast. Their new home is filled with twisting tunnels and strange artifacts from around the world, and the twins can't wait to discover all its secrets. Before long, Jason, Julia, and their friend Rick stumble upon a mysterious-looking door hidden behind an old wardrobe. But none of the keys in the house will open it. What lies behind the door? And why has someone tried to conceal it? Jason, Julia, and Rick are determined to find out, no matter what it takes. . . .

Black Iron

It's 1855, but not as we know it. The schism between the One True French Catholic Church and the heretical Italian Catholic Church has stoked three centuries of conflict, imploding the dream of European ascendancy. Thousands flee the Spanish Inquisition for havens in Germany, France, Britain and the colonies of the New World. The face and character of London has been indelibly altered by generations of refugees. Tasked with keeping order and preserving the ecumenical vision of the Holy French Catholic Church in the face of throngs clamoring for traditional British values, the London police find themselves in an awkward position. And nobody is quite sure how to deal with the technological innovation of animates: mindless laborers crafted from the body parts of the dead. A murderous plot with far-reaching implications casts a city torn between renaissance and tyranny as the unwitting catalyst for unspeakable global calamity. The fate of this world lies, as it often does, in the hands of a motley and disparate crew brought together by inglorious serendipity. Ironworks and iron fists will take London, and the Old World with it, to the cutting edge of a treacherous new century.

Owly & Wormy, Friends All Aflutter!

Owly and Wormy want some butterflies. But when they come home from the nursery with a plant that will attract some fluttering friends, all that show up are fat, green bug things. Bug things are NOT butterflies! But, they are nice and fun and good at sleep outs under the stars and always up for a game of checkers. Fat, green bug might even be better than butterflies. Let's be friends forever! But, the bug things can't stay. When the bugs build their cocoons, Owly and Wormy think they have no friends left at all. They wait. And wait. And wait. And one day...their dreams have come true...and all a flutter! Owly's friends are back...AND they've turned into butterflies. Bold, graphic and full of fun, this wordless storybook will give pre-readers the wings they need to start reading on their own, and a firm footing on the idea of metamorphosis.

Making Great Decisions in Business and Life

The phrase "work smarter, not harder" has been repeatedly ridiculed in the Dilbert comic strip and elsewhere, not because it is a bad idea, but because it is thrown like a brick lifesaver to drowning employees. To tell someone to work smarter is like telling someone to be happier, healthier, and richer. It's not much help to merely repeat the objective; what people need is a plan for achieving the objective. In Making Great Decisions, we show our readers how to achieve their objectives. We write to help those in business and those in the business of life--i.e., everyone--to work smarter. Our ideas are both simple and powerful. We offer a better way to look at problems so that the solutions are easier to find. We help supplement our readers' clear thinking by summarizing some of the most powerful techniques we have discovered. Have you ever driven through corn country? From a distance, all you see are corn stalks and more corn stalks in a jumbled mess. Then suddenly, when you get closer, your perspective changes, and you can see down the rows and realize that the corn was planted perfectly in straight lines. Your perception of the crop changes from a messy jumble to a clear picture simply because you're in the right spot. This book puts readers in that ideal spot. So many problems seem like hopeless jumbles but then, when you start using the techniques we discuss here, they start to look as straightforward as the straightest line in an Iowa cornfield. What motivated us to write this book is that, over the years, both of us have regularly come across people in organizations--often bright people with MBAs or other graduate degrees--who don't think they have time, energy, or skills to make good decisions. They have many clues but don't know how to put them together. They regularly face situations that they could analyze with some of the tools they learned in their courses, but they don't realize that. We don't hold ourselves apart from this group, and stories of our successes and failures are sprinkled throughout Making Great Decisions in Business and Life.

The World According to China

An economic and military superpower with 20 percent of the world's population, China has the wherewithal to transform the international system. Xi Jinping's bold calls for China to "lead in the reform of the global governance system" suggest that he has just such an ambition. But how does he plan to realize it? And what does it mean for the rest of the world? In this compelling book, Elizabeth Economy reveals China's ambitious new strategy to reclaim the country's past glory and reshape the geostrategic

landscape in dramatic new ways. Xi's vision is one of Chinese centrality on the global stage, in which the mainland has realized its sovereignty claims over Hong Kong, Taiwan, and the South China Sea, deepened its global political, economic, and security reach through its grand-scale Belt and Road Initiative, and used its leadership in the United Nations and other institutions to align international norms and values, particularly around human rights, with those of China. It is a world radically different from that of today. The international community needs to understand and respond to the great risks, as well as the potential opportunities, of a world rebuilt by China.

100 Cupboards (100 Cupboards Book 1)

Readers who love Percy Jackson, the Unwanteds, and Beyonders will discover that 100 cupboards mean 100 opportunities for adventure! The bestselling and highly acclaimed 100 Cupboards series starts here. What dangers are locked behind the cupboard doors? Henry isn't brave, but when he hears a thumping and scratching on the other side of his bedroom wall, he can't ignore it. He scrapes off the plaster and discovers mysterious doors—cupboards of all different shapes and sizes. Through one he sees a glowing room and a man strolling back and forth. Through another he sees only darkness and feels the cold sense that something isn't right. When his cousin Henrietta boldly travels into the worlds beyond the cupboards, it's up to Henry to follow her. Now that he's opened the doors, can he keep the evil inside from coming through? "A must-read series." —The Washington Post

Insurgency

NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE • How did the party of Lincoln become the party of Trump? From an acclaimed political reporter for The New York Times comes the definitive story of the mutiny that shattered American politics. "A bracing account of how the party of Lincoln and Reagan was hijacked by gadflies and grifters who reshaped their movement into becoming an anti-democratic cancer that attacked the U.S. Capitol."—Joe Scarborough An epic narrative chronicling the fracturing of the Republican Party, Jeremy Peters's *Insurgency* is the story of a party establishment that believed it could control the dark energy it helped foment—right up until it suddenly couldn't. How, Peters asks, did conservative values that Republicans claimed to cherish, like small government, fiscal responsibility, and morality in public service, get completely eroded as an unshakable faith in Donald Trump grew to define the party? The answer is a tale traced across three decades—with new reporting and firsthand accounts from the people who were there—of populist uprisings that destabilized the party. The signs of conflict were plainly evident for anyone who cared to look. After Barack Obama's election convinced many Republicans that they faced an existential demographics crossroads, many believed the only way to save the party was to create a more inclusive and diverse coalition. But party leaders underestimated the energy and popular appeal of those who would pull the party in the opposite direction. They failed to see how the right-wing media they hailed as truth-telling was warping the reality in which their voters lived. And they did not understand the complicated moral framework by which many conservatives would view Trump, leading evangelicals and one-issue voters to shed Republican orthodoxy if it delivered a Supreme Court that would undo *Roe v. Wade*. In this sweeping history, Peters details key junctures and episodes to unfurl the story of a revolution from within. Its architects had little interest in the America of the new century but a deep understanding of the iron will of a shrinking minority. With Trump as their polestar, their gamble paid greater dividends than they'd ever imagined, extending the life of far-right conservatism in United States domestic policy into the next half century.
