Korean and English Nursery Rhymes

A charming collection of fourteen well-loved verses, Korean and English Nursery Rhymes is an excellent introduction to Korean language and culture for young children. This enchanting, beautifully illustrated book featuring well-known Korean children's songs and rhymes makes a beautiful gift for kids and families who are interested in the Korean way of life. The highlighted verses, presented in both Korean hangeul script and English, are arranged in a clear side-by-side format that encourages successful and fun language learning. Korean and English Nursery Rhymes also includes downloadable audio with recordings of kids singing in both languages. These songs are so lively and sweet you'll soon find yourself singing right along! Many of the songs accompany everyday play activities like jumping rope and hand clapping games. Others speak to a child's simple view of nature and a deep love of home. The fourteen favorite rhymes and songs featured include: "Little One" "Monkey's Bottom" "Twirling Round" "Spring in My Hometown" And more! For preschoolers and beyond, this book will provide lasting pleasure for the mind, the eye, the ear, and the heart--an exquisite celebration of Korean folk songs and heritage.

My First Book of Korean Words

My First Book of Korean Words is a beautifully illustrated book that introduces young children to Korean language and culture through everyday words. The words profiled in this book are all commonly used in the Korean language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Korean Words are multiple: to familiarize children with the sounds and structure of Korean speech, to introduce core elements of Korean culture, to illustrate the ways in which languages differ in their treatment of everyday sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural and linguistic notes, and appreciate how the book is organized in a familiar ABC structure. Each word is presented in Hangeul, as well as in its Romanized form. With the help of this book, we hope more children (and adults) will soon be a part of the nearly 80 million people worldwide that speak Korean!

Japanese and English Nursery Rhymes

****Creative Child Magazine Media of the Year Award Winner**** "Fifteen rhymes, one per spread, celebrate the changing seasons, flora and fauna, and idyllic rural life, providing an enchanting window into a culture that cherishes its close relationship with nature...This collection holds appeal for anyone interested in the country and would be a wonderful addition to an international-themed story time."
--School Library Journal This delightful collection of beloved Japanese nursery rhymes, Japanese and English Nursery Rhymes is the perfect introduction to Japanese language and culture for young readers ages 4 to 8. This beautifully illustrated bilingual children's book features songs and rhymes in both English and Japanese. Companion downloadable or streamable audio contains recordings of all the rhymes by native Japanese speakers. It's impossible not to sing along! The popular Japanese songs and rhymes include: My Hometown Bubbles The Rabbit Dance The Cradle Lullaby And many more! "Did You Know" notes about Japanese culture are included throughout the book, with an introduction to Japanese for parents, teachers, and librarians at the back.

Korean Folk Songs

In Korean Folk Songs, music teacher Robert Choi shares 14 of Korea's best-loved classic children's songs—with musical scores and lyrics in both Korean and English. Born and bred in Chicago, Choi's parents raised their son with a keen appreciation for their native Korean culture. The traditional melodies they taught him left a deep impression. Included in this collection are well-known children's songs such as "Splashing Around" and "Mountain Rabbit" that incorporate fun actions and gestures. Also traditional standards that have been passed down from generation to generation, such as "Blue Birds" and "Arirang." Each Korean children's song features a musical score with the lyrics in Korean script and romanized form, and an English version of the lyrics. Historical and cultural notes are included and for the children's songs, Choi describes the accompanying actions. An audio CD contains recordings of all the songs, along with tracks that allow you to sing along. Every page has beautiful full-color illustrations of traditional Korean scenes by the talented Korean artist SamEe Back. Just as songs like "Home on

the Range" or "Oh! Susanna" are part of traditional American culture, the songs in Korean Folk Songs are a valuable resource for anyone with an interest in Korean culture, history and language.

100 First Words for Toddlers: English-Korean Bilingual: D « 100È ´\m´

Help little ones ages 1 to 3 start learning English and Korean words Make it fun for toddlers to learn all kinds of new words in both English and Korean. Taking them from "airplane" and "Door" and "Window" and "Fire" this book allows children to build their understanding of both languages and discover new ways to communicate and express themselves. This educational Korean book features: 100 first words--Grow your toddler's vocabulary with everyday words presented in English and Korean, plus phonetic pronunciations for the Korean words. Adorable artwork--Engage young readers and help them better understand each word's meaning with large, colorful images. Teaching tips--Make learning even more effective with easy tips (in both languages) for getting toddlers to remember each word. Start your little one learning their second language early with this standout among Korean children's books.

Korean Children's Favorite Stories

This colorfully illustrated multicultural Korean children's book presents Indian fairy tales and other folk stories—providing insight into a rich literary culture. Korean Children's Favorite Stories is a captivating collection of Korean folktales for children which are still being told, just as they have been for generations. Some are Korean-specific, while others echo those told in other countries. Written with wit and pathos, they unveil the inevitable foibles of people everywhere and expose the human-like qualities of animals and the animal-like qualities of humans. Pulsating with the rhythm of life and the seasons, these Korean fables transport the reader to a wonderland where ants talk, a baby rabbit outwits a tiger, a tree fathers a child, and a toad saves a whole village. Korean stories include: The Story Bag The Pheasant, the Dove, and the Magpie The Bridegroom's Shopping The Bad Tiger The Great Flood The Pumpkin Seeds The Grateful Tiger The Three Princesses And more... The Children's Favorite Stories series was created to share the folktales and legends most beloved by children in the East with young readers of all backgrounds in the West. Other multicultural children's books in this series include: Asian Children's Favorite Stories, Indian Children's Favorite Stories, Indonesian Children's Favorite Stories, Japanese Children's Favorite Stories, Singapore Children's Favorite Stories, Filipino Favorite Children's Stories, Favorite Children's Stories from China & Tibet, Chinese Children's Favorite Stories, Balinese Children's Favorite Stories, and Vietnamese Children's Favorite Stories.

Beautiful Short Stories in English and Korean - Bilingual / Dual Language Picture Book for Beginners

A little mouse has lost something precious, but can only speak Korean. Can you help Mr and Mrs Frog figure out what's gone missing. Laugh as you learn 50 Korean words with this fun, heartwarming story book that is a unique and charming way to introduce kids to Korean, or to build confidence of those already learning.

The Fabulous Lost & Found and the Little Korean Mouse: Laugh as You Learn 50 Korean Words with this Korean Book for Kids. Bilingual Korean English Boo

A sweet story that shows how one small act of kindness can help those around you. Little Mo and her family always compete in their village's annual lantern competition, but this year she has no new ideas and doesn't know where to begin. Little Mo finds herself wishing for help in front of a lamp post, when a thunderstorm suddenly rolls in. Worried that the rain will put the lamp's flame out, Little Mo uses her own umbrella to cover the lamp. Little did she know, an unexpected recipient of her selfless act would guide Little Mo to victory in the lantern competition in return. Not only does this book emphasize the importance of kindness, but presents the story in both English and Chinese. Children and parents will love learning about Chinese New Year's Lantern Festival and Mid-Autumn Festival.

My lantern and the fairy

This book offers the term 'ecophobia' as a way of understanding and organizing representations of contempt for the natural world. Estok argues that this vocabulary is both necessary to the developing area of ecocritical studies and for our understandings of the representations of 'Nature' in Shakespeare.

Ecocriticism and Shakespeare

Do you know what the hardest thing for a Korean learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! You may have found the best teacher in town or the most incredible learning app around, but if you don't put all of that knowledge to practice, you'll soon forget everything you've obtained. This is why being engaged with interesting reading material can be so essential for somebody wishing to learn a new language. Therefore, in this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Korean language. How Korean Short Stories for Beginners works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to learn a bit more about the Korean culture. - Having trouble understanding Hangul? No problem - we provide you with the same story twice - one version fully in Korean and the other version with English translation added below each paragraph, allowing you to fully grasp what you are reading! - The summaries follow a synopsis in Korean and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. - At the end of those summaries, you will be provided with a list of the most relevant vocabulary from that chapter, as well as slang and sayings that you may not have understood at first glance. - Finally, you'll be provided with a set of tricky questions in Korean, giving you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning Korean; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Korean Short Stories for Beginners and level up your Korean language skills right now!

Korean Short Stories for Beginners

A definitive compilation of more than two hundred traditional fairy tales, compiled by the Brothers Grimm, includes the stories of Cinderella, Rapunzel, Snow-White, Hansel and Gretel, Little Red-Cap, and Briar Rose, among others, accompanied by explanatory and historical material, as well as commentary by Joseph Campbell. Reissue. 10,000 first printing.

The Complete Grimm's Fairy Tales

Young readers are encouraged to lift the flaps to find out where the baby is hiding

Lion and Dragon in Northern China

It's never a good idea to be overly-reliant on technology while traveling! Look-up words quickly and easily with this Korean travel dictionary. Tuttle's Mini Korean Dictionary is ideal for any application where a handy and portable dictionary is required. This pocket-sized dictionary is intended for use by tourists, students, and business people traveling to Korea, or as a Korean language study reference. Mini Korean Dictionary is an essential tool for communicating, and a great way to learn Korean. In addition to being an excellent English to Korean dictionary and Korean to English dictionary, Mini Korean Dictionary contains essential notes on the Korean language, Korean grammar, and Korean pronunciation. All words are written in a Romanized form as well as Korean script (hangul) so that, in case of difficulties, the book can directly be shown to the native speaker you're trying to communicate with. This mini dictionary contains the following essential features: Bidirectional Korean to English and English to Korean Over 12,000 crucial Korean words, as well as useful Korean expressions and idioms A basic overview of Korean grammar and pronunciation All the latest Korean social media and computer terms May be used for all U.S. ESL standardized testing

Mini Korean Dictionary

All over the world parents entertain and comfort children with play rhymes and lullabies and every country has a unique store of them. Floella Benjamin has selected the best of these from six continents and 23 countries, some familiar, some never before written down. This rich diversity and Sheila Moxley's stunning, vibrant illustrations make this a special collection for parents and children to enjoy together.

Skip Across the Ocean

Oni, ubiquitous supernatural figures in Japanese literature, lore, art, and religion, usually appear as demons or ogres. Characteristically threatening, monstrous creatures with ugly features and fearful habits, including cannibalism, they also can be harbingers of prosperity, beautiful and sexual, and especially in modern contexts, even cute and lovable. There has been much ambiguity in their character and identity over their long history. Usually male, their female manifestations convey distinctively gendered social and cultural meanings. Oni appear frequently in various arts and media, from Noh theater and picture scrolls to modern fiction and political propaganda. They remain common figures in popular Japanese anime, manga, and film and are becoming embedded in American and international popular culture through such media. Noriko Reider's book is the first in English devoted to oni. Reider fully examines their cultural history, multifaceted roles, and complex significance as "others" to the Japanese.

Japanese Demon Lore

Jean Baudrillard meets Cookie Mueller in this gathering of French theory and new American fiction. Compiled in 2001 to commemorate the passing of an era, *Hatred of Capitalism* brings together highlights of Semiotext(e)'s most beloved and prescient works. Semiotext(e)'s three-decade history mirrors the history of American thought. Founded by French theorist and critic Sylvère Lotringer as a scholarly journal in 1974, Semiotext(e) quickly took on the mission of melding French theory with the American art world and punk underground. Its *Foreign Agents*, *Native Agents*, *Active Agents* and *Double Agents* imprints have brought together thinkers and writers as diverse as Gilles Deleuze, Assata Shakur, Bob Flanagan, Paul Virillio, Kate Millet, Jean Baudrillard, Michelle Tea, William S. Burroughs, Eileen Myles, Ulrike Meinhof, and Fanny Howe. In *Hatred of Capitalism*, editors Kraus and Lotringer bring these people together in the same volume for the first time.

A History of Chinese Literature

From James Beard Best Chef-nominee Rachel Yang, *My Rice Bowl* is a cookbook with 75 recipes based on her deeply comforting Korean fusion cuisine, inspired by cultures from around the world. As co-owner of the popular Seattle restaurants, Joule, Trove, and Revel, and Portland's Revelry, chef Rachel Yang delights with her unique Korean fusion—think noodles, dumplings, pickles, pancakes, and barbecue. Along with her husband, Seif Chirchi, Yang serves food that exemplifies cross-cultural cooking at its most gratifying. In the cookbook you'll find the restaurants' kimchi recipe, of course, but there's so much more—seaweed noodles with crab and crème fraîche, tahini-garlic grilled pork belly, fried cauliflower with miso bagna cauda, chipotle-spiked pad thai, Korean-taco pickles, and the ultimate Korean fried chicken (served with peanut brittle shards for extra crunch). There are rice bowls too—with everything from lamb curry to charred shiitake mushrooms—but this book goes way beyond bibimbap. In many ways, the book, like Yang's restaurants, is analogous to a rice bowl; underpinning everything is Yang's strict childhood in Korea and the food memories it engrained in her. But on top you'll taste a mosaic of flavors from across the globe, plus a dash of her culinary alma maters, Per Se and Alain Ducasse. This is the authentic, cutting-edge fusion food of a Korean immigrant who tried everything she could to become an American, but only became one when she realized that her culture—among many—is what makes America so delicious today.

Dutch Fairy Tales for Young Folks

Sometimes I feel silly. Sometimes I feel like eating pizza for breakfast. Sometimes I feel brave. Sometimes I feel like trying something new... *The Feelings Book* vibrantly illustrates the wide range of moods we all experience. Kids and adults will appreciate Todd Parr's quirky intelligence as he pays special attention to the ever-changing, sometimes nonsensical emotions that we all feel. Targeted to young children first beginning to read, this book will inspire kids to discuss their multitude of feelings in a kid-friendly, accessible format, told through Parr's trademark bold, bright colors and silly scenes.

Hatred of Capitalism

My First Book of Chinese Words introduces young children to basic words and concepts in the Chinese language through colorful rhymes and beautiful imagery. It is a book that parents and young children will enjoy reading together. The Chinese words in the book are all common, everyday items, and the rhymes are informative and fun for children. The goal of *My First Book of Chinese Words* is to familiarize children with the basic sounds and written characters of Chinese, to introduce core concepts of Chinese culture and to illustrate the ways in which Chinese sounds differ from English ones. Teachers and parents will

welcome the cultural notes at the back of the book and appreciate how the book is organized using a familiar ABC structure. Each word is presented in Chinese characters (both Simplified and Traditional) as well as Romanized Pinyin for easy pronunciation. With the help of this book, we hope more children (and adults) will soon join the more than one billion people worldwide who speak Chinese!

My Rice Bowl

An illuminating account of how history shapes our diets—now in a new revised and updated Third Edition Why did the ancient Romans believe cinnamon grew in swamps guarded by giant killer bats? How did African cultures imported by slavery influence cooking in the American South? What does the 700-seat McDonald's in Beijing serve in the age of globalization? With the answers to these and many more such questions, *Cuisine and Culture*, Third Edition presents an engaging, entertaining, and informative exploration of the interactions among history, culture, and food. From prehistory and the earliest societies in the Fertile Crescent to today's celebrity chefs, *Cuisine and Culture*, Third Edition presents a multicultural and multiethnic approach to understanding how and why major historical events have affected and defined the culinary traditions in different societies. Now revised and updated, this Third Edition is more comprehensive and insightful than ever before. Covers prehistory through the present day—from the discovery of fire to the emergence of television cooking shows Explores how history, culture, politics, sociology, and religion have determined how and what people have eaten through the ages Includes a sampling of recipes and menus from different historical periods and cultures Features French and Italian pronunciation guides, a chronology of food books and cookbooks of historical importance, and an extensive bibliography Includes all-new content on technology, food marketing, celebrity chefs and cooking television shows, and Canadian cuisine. Complete with revealing historical photographs and illustrations, *Cuisine and Culture* is an essential introduction to food history for students, history buffs, and food lovers.

The Feelings Book

This multicultural children's book contains both English and Japanese script along with beautiful, colorful illustrations. *Circus Day in Japan* is the warmly-illustrated story of an exciting day spent by two Japanese children, Joji-chan and Koko-chan, at a circus. Joji-chan and Koko-chan delight at the new sights of their first circus, and young readers are gently introduced to Japanese customs and sites. Perfect for those interested in retro books, the simple text and artwork provide a nostalgic window into Japanese family life in the early 1950s. Originally written by Eleanor Coerr, author of the popular *Sadako and the Thousand Paper Cranes*, this English translation of a classic Japanese children's book accessible to a new generation of both English and Japanese speaking readers.

My First Book of Chinese Words

In a new edition of this special book, 22 nursery rhymes from Iran to Iceland and Samoa to Switzerland have been carefully chosen and beautifully illustrated by Mique Moriuchi. A celebration of cultural diversity, each poem appears in its original language (19 languages are included) next to an English translation so young children can delight in quirky, touching and funny verses from all over the world.

Cuisine and Culture

This title was originally published in 1998. *Play It Again, Sam* is a timely investigation of a topic that until now has received almost no critical attention in film and cultural studies: the cinematic remake. As cinema enters its second century, more remakes are appearing than ever before, and these writers consider the full range: Hollywood films that have been recycled by Hollywood, such as *The Jazz Singer*, *Cape Fear*, and *Robin Hood*; foreign films including *Breathless*; and *Three Men and a Baby*, which Hollywood has reworked for American audiences; and foreign films based on American works, among them Yugoslav director Emir Kusturica's *Time of the Gypsies*, which is a "makeover" of Coppola's *Godfather* films. As these essays demonstrate, films are remade by other films (Alfred Hitchcock went so far as to remake his own *The Man Who Knew Too Much*) and by other media as well. The editors and contributors draw upon narrative, film, and cultural theories, and consider gender, genre, and psychological issues, presenting the "remake" as a special artistic form of repetition with a difference and as a commercial product aimed at profits in the marketplace. The remake flourishes at the crossroads of the old and the new, the known and the unknown. *Play It Again, Sam* takes the reader on an eye-opening tour of this hitherto unexplored territory. This title is part of UC Press's *Voices Revived* program, which commemorates University of California Press's mission to seek out

and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1998.

Circus Day in Japan

In this action-packed adventure and coming-of-age story that finely weaves fact and fiction, thirteen-year-old Ming lives in a small village in Maoist China in the 1970s. His father is convinced that Emperor Qin's tomb—and the life-size terra-cotta army created to serve and protect the emperor in the afterlife—lies hidden in the hills around them. But if Ming's father doesn't prove it soon, the town's Political Officer will condemn him to the brutal labor camps. From the stories of a terra-cotta soldier who has survived through the centuries, Ming learns the history of Emperor Qin, known for building the Great Wall of China, and how and why the terra-cotta soldiers came to be. As their unlikely friendship develops, Ming experiences the mysterious tomb firsthand, braving deadly traps and witnessing the terra-cotta army in action. Most importantly, he comes to see how he can save both the terra-cotta soldiers and his father from the corrupt Political Officer and his Communist cronies. The book is illustrated with photographs of Communist Chinese village life in the 1970s, the Great Wall, and, of course, the excavated tomb with its many terra-cotta soldiers. It also features a special recipe from the story. Praise for *Secrets of the Terra-Cotta Soldier* "Historical photos and Indiana Jones–style adventure enrich this tale of an unusual meeting between the Qin Dynasty and the 20th century." --Kirkus Reviews "Despite the hardships, both courageous characters work to uphold their respective duties: Shi to protect the tomb and Ming to protect the cultural legacy of China's people. With archival art, recipes, and end notes, this title is sure to be a hit in the classroom." --Booklist

My Village

Since its first appearance in 1962, the impact of *The Gutenberg Galaxy* has been felt around the world. It gave us the concept of the global village; that phrase has now been translated, along with the rest of the book, into twelve languages, from Japanese to Serbo-Croat. It helped establish Marshall McLuhan as the original 'media guru.' More than 200,000 copies are in print. The reissue of this landmark book reflects the continuing importance of McLuhan's work for contemporary readers.

Play It Again, Sam

****Winner Creative Child Magazine 2018 Book of the Year Award**** ****2017 Freeman Book Award Honorable Mention for Children's Literature**** *My First Book of Vietnamese Words* is a beautifully illustrated book that introduces Vietnamese language and culture to young children through everyday words. This Vietnamese children's book teaches in a playful way—combining the familiar ABC rhyming structure with vivid illustrations to encourage young children's natural language learning abilities. Words kids use every day in English are joined by words unique to Vietnamese culture to give kids a glimpse of Vietnamese life and to show how, despite cultural differences, children all over the world have a lot in common. Linguistic and cultural notes are added to enhance the kids' adventure in a land that's modern yet filled with beautiful traditions.

Secrets of the Terra-Cotta Soldier

Exploit your offshore status to build a robust investment portfolio Most of the world's 200 million expats float in stormy seas. Few can contribute to their home country social programs. They're often forced to fend for themselves when they retire. The *Global Expatriate's Guide to Investing* is the world's only book showing expats how to build wealth overseas with index funds. Written by bestselling author, Andrew Hallam, it's a guide for everyone, no matter where they are from. Warren Buffett says you should buy index funds. Nobel prize winners agree. But dangers lurk. Financial advisors overseas can be hungry wolves. They don't play by the same set of rules. They would rather earn whopping commissions than follow solid financial principles. The *Global Expatriate's Guide To Investing* shows how to avoid these jokers. It explains how to find an honest financial advisor: one that invests with index funds instead of commission paying windfalls. You don't want an advisor? Fair enough. Hallam shows three cutting edge index fund strategies. He compares costs and services of different brokerages, whether in the U.S. or offshore. And he shows every nationality how to invest in the best products for them. Some people want stability. Some want strong growth. Others want a dash of both. This book also answers the following questions: How much money do I need to retire? How much should I be saving each month? What investments will give me both strong returns, and safety? *The Global Expatriate's Guide To Investing*

also profiles real expats and their stories. It shows the mistakes and successes that they want others to learn from. It's a humorous book. And it demonstrates how you can make the best of your hard-earned money.

The Gutenberg Galaxy

A Korean American girl celebrates food and family in this cheerful book about cooking a special meal by Newbery Medalist Linda Sue Park. In bouncy rhyming text, an excited and hungry child tells about helping her mother make bee-bim bop: shopping, preparing ingredients, setting the table, and finally sitting down with her family to enjoy a favorite meal. The energy and enthusiasm of the young narrator are conveyed in the whimsical illustrations, which bring details from the artist's childhood in Korea to his depiction of a modern Korean American family.

My First Book of Vietnamese Words

Readins in high & low

The Global Expatriate's Guide to Investing

This book is designed to help anyone, including a complete beginner with zero knowledge in Korean, learn the fundamentals of Korean language on your own using our step-by-step courses with supplementary quizzes. Audio files included.

Bee-Bim Bop!

Bilingual Edition English-Igbo "Am I small?" - Tamia is not sure and keeps asking various animals that she meets on her journey. Eventually she finds the surprising answer... Reviews "This is baby's favorite book!" -Amazon Customer Review from the United States "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures."-Kirkus Reviews "This has been my daughter's favourite book since she was 4 months old. The sentences are nice and short so she doesn't lose interest in the pictures while I'm reading each page." -Amazon Customer Review from the UK "Muito legal esse livro. Singelo, divertido e relacionado ao universo da criança. Bom pra desenvolver o vocabulário. As ilustrações são lindas. Meu filho adorou." -Amazon Customer Review from Brazil "You are small or big depending on with what you relate to. [...] Estamos muy satisfechos con la compra." -Amazon Customer Review from Spain "I got this book to read with my granddaughters, one from the US and one from Portugal. It is so incredibly cute! They loved it, and I did too. I highly recommend this book!" -Amazon Customer Review from the U.S. "Ce petit livre est tout ce que j'aime !!! Le graphisme, les couleurs, tout y est magnifiquement soigné, poétique et charmant !!! [...] Une merveille de beauté et de magie à ne pas louper !!!" -Amazon Customer Review from France "My little boy loves this as a bedtime story. It's colourful and quirky. [...] I thought it would be uninteresting to a child, to be read to in another language, but he asks for 'Bin ich klein' and it melts my heart!" -Amazon Customer Review from the United Kingdom "readers will emerge from this book feeling slightly more confident about themselves-whatever their size."-ForeWord Clarion Reviews "This is done with simplicity at its finest. The art is whimsical, the message is clear and most of all my grandson loves it. I would recommend this book to any child provider as part of their reading library." -Amazon Customer Review from the U.S. Languages Available for every country in at least one official language. Please note: This book is a bilingual picture book with a 1:1 translation created by human translators (see translator's credits for details).

High & Low

Korean Celebrations takes young readers on an exciting exploration of Korea's colorful festivals and family celebrations--wonderful days that are filled with exciting activities and delicious foods. This book allows children to experience Korean culture firsthand by involving them in games, crafts, stories, foods and other activities like the following: Preparing and enjoying delicious Songpyeon--sweet dumplings that everyone loves to eat on Chuseok (Korea's version of Thanksgiving) Folding a paper carnation--a favorite Parent's Day gift! Making your own board game to play Yut-Nori--a game of luck and strategy that's played during Seollal, Korea's all-important New Year celebrations Writing simple Korean phrases using the Hangul alphabet, Korea's written language--which is celebrated with its own holiday (Hangul Day)! Making a paper fan--something kids always like to do when the hot summer holidays roll around! Making your own Pepero chocolate cookies or pretzel treats--which have their own just-for-fun festival day called Pepero Day In this book, kids will learn about many special Korean celebrations and festivals such as: Dano--the end of the planting season which is full of fun competitions like wrestling and swinging contests Children's Day--a spring day off from school, when parents take their kids out for a day of fun Daeboreum--a holiday to celebrate the moon, filled with special dances, twirling fire, lots of walking and, of course, special foods Special birthdays--(like turning one, or turning sixty) and other family celebrations. Buddhist and Christian holidays--like Christmas and Buddha's Birthday. ...And plenty more. Because in Korea, a holiday or celebration is always just around the corner! Korean Celebrations allows kids to immerse themselves in the lives of their Korean counterparts with these interactive multicultural activities.

Korean For Everyone - Complete Self-Study Program

The mischievous Monkey King attempts to achieve immortality the easy way, gains god-like powers, and wreaks havoc in heaven.

Am I Small? Adim Obere?

"... features two young Korean American siblings who take a trip through a magical portal into a land filled with characters from old Korean fables. . . Kim is making a statement about the loss of culture among children of immigrants while also writing a book that returns some of that to them." —Jay Caspian King, The New York Times Beautifully illustrated and told by debut author Julie Kim, this authentic voices picture book in graphic-novel style follows a young Korean girl and boy whose search for their missing grandmother leads them into a world inspired by Korean folklore, complete with mischievous goblins (dokkebi), a greedy tiger, a clever rabbit, and a wily fox. Two young children pay a visit to Halmoni (grandmother in Korean), only to discover she's not home. As they search for her, noticing animal tracks covering the floor, they discover a window, slightly ajar, new to their grandmother's home. Their curiosity gets the best of them, and they crawl through and discover an unfamiliar fantastical world, and their adventure begins. As they continue to search for their grandmother and solve the mystery of the tracks, they go deeper into a world of Korean folklore, meeting a number of characters who speak in Korean along the way, and learn more about their cultural heritage. This beautifully illustrated graphic picture book is filled with a number of Easter eggs for readers of all ages to discover, and is inspired by the Korean folktales that author and illustrator Julie Kim heard while growing up. Translations to Korean text in the story and more about the folktale-inspired characters are included at the end.

Korean Celebrations

The Toddler's Handbook introduces 17 basic concepts. Included are numbers, colors, shapes, sizes, ABCs, animals, opposites, sounds, actions, sports, food, tableware, clothes, engines, emotions, body, and time. This book develops early language skills using 174 words that every kid should know. Vibrant colors and images are designed to attract the attention of babies and toddlers. This book will help children learn a variety of important concepts before preschool.

The Magical Monkey King

Where's Halmoni?
