Stepbrother: Impossible Love (Stepbrother Romance)

Imagine a kingdom where uniformly beautiful women and handsome men enjoy the blessings of a Holy God who ensures their lifelong well-being and prosperity. The small price the deity asks of his worshippers is they conform to his plans for the ideal man and woman. The men become calm and authoritative, while the women are passionate and in need of a firm masculine hand to guide them. Daily spankings on shapely female bottoms are culturally prescribed. Once this customary discipline is administered, erotic rewards follow for both the dispenser of the correction and the recipient. After nearly dying from a riding accident, the beautiful Princess Natalie is exempted from the kingdom's customs. As a result, she becomes a very spoiled young woman. Realizing their mistake, the royal parents marry her to the handsome Captain of the Royal Guards. With their blessing, he undertakes to tame this wild filly. He knows just how such an outcome can best be achieved on a long honeymoon at a secluded royal hideaway. A novel filled with intriguing erotic adventure in a spanking-oriented culture.

The Punished Princess

Every girl needs a papa. Orphaned and living on the streets of London, life held little hope for Cammie. That is, until Miss Wickersham took her to Talcott House, where the unfortunate are given everything they need...and then some...to become proper little ladies for the papas selected for them by Miss Wickersham. Ever since her arrival at Talcott House, Cammie has dreamed of the day she would belong to a papa of her very own. A husband to love and protect her for the rest of her days. Lord Alexander Cavendish has longed for a little girl to spoil and cherish. When Miss Wickersham introduces him to nineteen-year-old Cammie, it's love at first sight. However, he is not one to spare the rod and when Cammie disobeys, he does not hesitate to bare her bottom and impose proper punishment. In Papa's arms...and bed...Cammie finally experiences the love and safety she has craved. And when Papa takes his bride over his knee for well-deserved discipline, Cammie's body responds in a most unladylike manner. Despite his words of devotion, Cammie wonders if a high-born man such as Lord Cavendish can truly be happy with a girl from the streets. In order to secure his love, she is determined to follow Papa's Rules.

Papa's Rules

An introduction to the science of neuroplasticity recounts the case stories of patients with mental limitations or brain damage whose seemingly unalterable conditions were improved through treatments that involved the thought re-alteration of brain structure.

The Brain That Changes Itself

Two billionaires determined to claim her. And a war fought on the most dangerous battlefield—the heart. “What an incredible book! Survival of the Richest has everything — Skye Warren’s beautiful writing, a sexy, compelling story; intricate characters, and a provocative love triangle that will captivate you until the very end.” - New York Times bestselling author Nina Lane My story starts with a plunge into the cold water of Massachusetts Bay. A strong hand hauls me back onto the deck of the luxury yacht. Christopher was supposed to be my enemy. Instead he protects me with fierce determination. That should have been my happily ever after, but then Sutton appeared—ruthless and seductive. He doesn't care that my heart belongs to someone else, because he's determined to win. No matter the cost. It's an impossible choice, but I can't have them both.

Survival of the Richest

The power of monarchs has traditionally been as much symbolic as actual, rooted in popular imagery of sovereignty, divinity, and authority. In *Mystifying the Monarch*, a distinguished group of contributors explores the changing nature of that imagery—and its political and social effects—in Europe from the Middle Ages to the present day. They demonstrate that, rather than a linear progression where perceptions of rulers moved inexorably from the sacred to the banal, in reality the history of monarchy has been one of constant tension between mystification and demystification.

Mystifying the Monarch

Be a good girl for papa. Twenty-two year old Hyacinth is finally getting married. She eagerly looks forward to life with a papa who will love and care for her. She hopes he will be a patient teacher, since no one will tell her what actually happens between married people. Fortunately, her friend Cammie has sent a letter with some explanations in it. However, Hyacinth can't help but wonder if Cammie is making up tales. Men have what? And they put it where? A chance encounter with the exceedingly tall and handsome Lord Grayson gives Hyacinth a funny feeling in her lady parts and she starts to wonder if there's some truth in her friend's rather explicit letter. But, why is Hyacinth thinking about Lord Grayson in that way, instead of her betrothed, Lord Kensington? When a twist of fate results in Hyacinth marrying Lord Grayson instead of Lord Kensington, she is both nervous and overjoyed. Her new papa gently introduces her to the secrets of the marital bed and awakens desires she never expected. He's as loving as she imagined a papa should be, but he's also strict and won't hesitate to redden her bottom cheeks when she's been a naughty little girl, among other intimate punishments that leave her both blushing with shame and craving his touch. As time goes on, she cannot help but think that she has been truly blessed and a lifetime of love and happiness awaits her. But what will happen when Papa discovers his little bride has been keeping secrets?

Papa's Desires

This volume offers introductions to the work of fifteen avant-garde American women filmmakers.

Women's Experimental Cinema

Tiernan grew up with wealth and privilege, but not love or guidance. After her parents' deaths, she goes to live with her father's stepbrother and his two sons. As the three of them take her under their wing, teach her to work and survive in the remote woods, she slowly finds her place among them. And she realizes that lines blur and rules become easy to break when no one is watching.

Credence

The last woman on earth he would ever touch . . . Declan, the Duke of Banbury, has no interest in ushering Rosalie Hughes, his stepsister, into society. Dumped on him with nowhere else to go, he's determined to rid himself of the headstrong debutante by bestowing on her an obscenely large dowry . . . making her the most sought-after heiress of the Season. . . . is about to become the only one he wants But Rosalie isn't about to go along with Declan's plans. Surrounded by fortune hunters, how is she supposed to find a man who truly wants her? Taking control of her fate, Rosalie dons a disguise and sneaks into Sodom, a private club host to all manner of illicit activity—and frequented by her infuriatingly handsome stepbrother. In a shadowed alcove, Declan can't resist the masked temptress who sets his blood afire . . . any more than Rosalie can deny her longing for a man who will send her into ruin.

A Good Debutante's Guide to Ruin

>

The Sexual Politics of Meat (20th Anniversary Edition)

I've been harboring a dark secret for two long years. I've been fantasizing about my fiancé's father, thinking filthy thoughts that a good daughter-in-law should not be indulging in. So when I catch my fiancé cheating on me, there's only one revenge that will fulfill all my needs. I'm going to seduce his father. It's dirty and it's wrong, and I don't care. I want him, so I mean to have him. After this weekend, my ex won't be the only one who calls his father Daddy. In *Your Dad Will Do*, you'll find: - Revenge sex - (former) Father-In-Law - Daddy Stuff - Age Gap Romance

Your Dad Will Do

A fresh look at Anne of Cleves' life as a German noblewoman, and the Continental politics that affected her marriage. Did the doomed union really cause the fall and execution of Thomas Cromwell?

Anna, Duchess of Cleves

of older children, adults, and the family unit as a whole. These moral evaluations are, in turn, influenced by such external contingencies as population demography, social and economic factors, subsistence strategies, household composition, and by cultural ideas concerning the nature of infancy and childhood, definitions of personhood, and beliefs about the soul and its immortality. **MOTHER LOVE AND CHILD DEATH** Of all the many factors that endanger the lives of young children, by far the most difficult to examine with any degree of dispassionate objectivity is the quality of parenting. Historians and social scientists, no less than the public at large, are influenced by old cultural myths about childhood innocence and mother love as well as their opposites. The terrible power and significance attributed to maternal behavior (in particular) is a commonsense perception based on the observation that the human infant (specialized as it is for prematurity and prolonged dependency) simply cannot survive for very long without considerable maternal love and care. The infant's life depends, to a very great extent, on the good will of others, but most especially, of course, that of the mother. Consequently, it has been the fate of mothers throughout history to appear in strange and distorted forms. They may appear as larger than life or as invisible; as all-powerful and destructive; or as helpless and angelic. Myths of the maternal instinct compete, historically, with myths of a universal infanticidal impulse.

Child Survival

Western Heritage Award, Best Western Nonfiction Book, National Cowboy and Western Heritage Museum Nothing can change the terrible facts of the Sand Creek Massacre. The human toll of this

horrific event and the ensuing loss of a way of life have never been fully recounted until now. In *Sand Creek and the Tragic End of a Lifeway*, Louis Kraft tells this story, drawing on the words and actions of those who participated in the events at this critical time. The history that culminated in the end of a lifeway begins with the arrival of Algonquin-speaking peoples in North America, proceeds through the emergence of the Cheyennes and Arapahos on the Central Plains, and ends with the incursion of white people seeking land and gold. Beginning in the earliest days of the Southern Cheyennes, Kraft brings the voices of the past to bear on the events leading to the brutal murder of people and its disastrous aftermath. Through their testimony and their deeds as reported by contemporaries, major and supporting players give us a broad and nuanced view of the discovery of gold on Cheyenne and Arapaho land in the 1850s, followed by the land theft condoned by the U.S. government. The peace treaties and perfidy, the unfolding massacre and the investigations that followed, the devastating end of the Indians' already-circumscribed freedom—all are revealed through the eyes of government officials, newspapers, and the military; Cheyennes and Arapahos who sought peace with or who fought Anglo-Americans; whites and Indians who intermarried and their offspring; and whites who dared to question what they considered heinous actions. As instructive as it is harrowing, the history recounted here lives on in the telling, along with a way of life destroyed in all but cultural memory. To that memory this book gives eloquent, resonating voice.

Sand Creek and the Tragic End of a Lifeway

This book will be of interest not only to students and scholars of medieval French literature but also to students and specialists of other medieval European languages, as well as to medieval historians, and those working in gender studies."--BOOK JACKET.

French Romance of the Later Middle Ages

"I want to be a good man. In every aspect of my life I'm a model citizen except when it comes to you." Once upon a time, he was her everything—protector, best friend, hero. She looked up to him and trusted him with her life. In one selfish move, he ruined everything and broke her in the process. It's been five years and the moment she hoped to avoid is here. She's about to come face to face with her step-brother, Jesse Sampson, corrupt idol and her personal nightmare. She's going to show him how little he affects her. She'll never let him back in. ...But he has other plans. Author's Note: This is a dark, taboo romance novel with triggers and mature themes that may make some readers uncomfortable.

Corrupt Idol

The first full-length scholarly study of *Peyton Place*, Grace Metalious's classic story of New England indiscretion

Dirty Whites and Dark Secrets

I am Caesar. Broken and conflicted. I am a man who gives false goodness to those who crave it. I provide solace to the ones who beg to be saved, giving them the goodbyes they want. But, my quiet little world is about to be shattered by the whispers from heaven and hell. I am Mateo. Unlovable and unworthy. I am the boy everyone runs from. I keep love close to me in little jars of perfection, reminding me of a thousand goodbyes I never had to say, because I left them before they could leave me. I am Svetlana. Dirty and Used. Birthed into brutality while still trying to comprehend my version of normal. I am an injured lamb, eaten by filthy wolves day after day. Just as salvation seems like it's within reach, a goodbye from this awful world is all that I wish for.

The Red Market

This study of New German cinema identifies different styles of historical remembrance in which music participates. It concentrates on how listeners are urged to interact with difference - including Germany's difficult past - rather than try to 'master' or 'get past' it.

The New German Cinema

This groundbreaking volume showcases the exciting work emerging from the ethnography of media, a burgeoning new area in anthropology that expands both social theory and ethnographic fieldwork to examine the way media—film, television, video—are used in societies around the globe, often in places that have been off the map of conventional media studies. The contributors, key figures in this new field,

cover topics ranging from indigenous media projects around the world to the unexpected effects of state control of media to the local impact of film and television as they travel transnationally. Their essays, mostly new work produced for this volume, bring provocative new theoretical perspectives grounded in cross-cultural ethnographic realities to the study of media.

Media Worlds

Stepdaddy Savage is a smutty Taboo novella featuring an over-the-top alpha. Read at your own risk You do not say no to Graham Savage, because Graham Savage doesn't ask. Just like his name suggests, he takes, and right now, he believes I'm his. He is a cold, calculated, ruthless, formidable Irish mobster, and... my step-dad. Regardless of the fact that it's nothing more than a business transaction, he's technically married to my mom. Even still, I find myself scared to be caught, yet even more terrified of being cut loose. They say love is like a butterfly; well, we are about to prove to the world that it's also like a punch in the face. Sometimes inevitable; and always painful

Stepdaddy Savage

A compelling blueprint for deep healing in the 21st century. Dr. Robin Kelly draws from current science and 30 years of experience in conventional medicine to show that our bodies are truly human antennae, bound together by connective tissue that acts as a conductor of information from the universe around us.

The Human Antenna

This short collection of poems can be described as an elegiac apostrophe. In three sections--bud, bloom, and blood--it explores the growth of love in childhood, the loss of innocence, and the fallout of that loss. Flower Press does not claim to offer answers, but the consolation of the act of remembering.

Flower Press

This interdisciplinary collection of essays examines the important and paradoxical relation between women and the French Revolution. Although the male leaders of the Revolution depended on the women's active militant participation, they denied to women the rights they helped to establish. At the same time that women were banned from the political sphere, "woman" was transformed into an allegorical figure which became the very symbol of (masculine) Liberty and Equality. This volume analyzes how the revolutionary process constructed a new gender system at the foundation of modern liberal culture.

Rebel Daughters

Eighteen-year-old Lady Penelope Lennox always considered herself destined for life as a nun, and she is shocked when her father arranges for her to marry Lord Alton Westcott, a man she's never met. Determined to avoid the sinful pleasures of the world, Penelope decides to do the unthinkable. In the hope that persistent disobedience will force her future husband to send her back to the convent, she will put aside her meek demeanor and defy him at every opportunity. Lord Westcott's insatiable appetite for the fairer sex and his finely-honed skill in the bedchamber are both well-known, but after years of avoiding marriage, his desire for a lasting love leads him to look beyond the jaded women of his social circle. His particular tastes demand a young lady unspoiled by the world, one suitable to become not only his wife but his little girl as well. Penelope's unruly behavior offers Lord Westcott the perfect opportunity to take her in hand, and it isn't long before the beautiful, headstrong maiden is lying naked over his knee for a sound spanking. A sore bottom is only the beginning of his plans for Penelope, however, and soon enough she is blushing crimson as her bare body is intimately and thoroughly explored. But though Lord Westcott quickly proves more than capable of bringing his innocent little girl to one powerful climax after another, can he truly teach her to cast her shame and inhibitions aside and yield herself fully to his loving dominance? Publisher's Note: Claiming Her Innocence is an erotic romance novel that includes spankings, sexual scenes, age play, anal play, elements of medical play, and more. If such material offends you, please don't buy this book.

Claiming Her Innocence

Musical Women in England, 1870-1914 delineates the roles women played in the flourishing music world of late-Victorian and early twentieth-century England, and shows how contemporary challenges

to restrictive gender roles inspired women to move into new areas of musical expression, both in composition and performance. The most famous women musicians were the internationally renowned stars of opera; greatly admired despite their violations of the prescribed Victorian linkage of female music-making with domesticity, the divas were often compared to the sirens of antiquity, their irresistible voices a source of moral danger to their male admirers. Their ambiguous social reception notwithstanding, the extraordinary ability and striking self-confidence of these women - and of pioneering female soloists on the violin, long an instrument permitted only to men - inspired fiction writers to feature musician heroines and motivated unprecedented numbers of girls and women to pursue advanced musical study. Finding professional orchestras almost fully closed to them, many female graduates of English conservatories performed in small ensembles and in all-female and amateur orchestras, and sought to earn their living in the overcrowded world of music teaching.

Musical Women in England, 1870-1914

VICE VERSA is a bilingual book of poetry in English and French with Canadian roots. Cosmopolitan and intimate at the same time, it consists of brief reflections on life, death and everything in between.

Vice Versa

Buried deep below the everyday life of our society lives an underground world of nightmares-of violence and murder no one dares speak about. Contracts and laws weave the web of our culture together. Our Masters walk amongst us. They can be our friends, or the ones to make us disappear forever. Where I once had found peace within my existence, it all ended with the death of my cruel, yet caring owner. My world shattered and I was taken back to the one place I had hoped to never see again-the cells of Whitlock-a subterranean fortress for slaves who await their new placement. Now I have no rights. I have no say. My feelings and wellbeing are meaningless. Escape is impossible, but I have nothing left to lose. To stand any chance of survival, I must give my life as collateral to the highest bidder: Soul for Sale. slave 24690

24690

Twenty-two essays from academics working primarily in Ireland examine the construction of cultural memory in examples of European discourse from the 17th century to the present. The volume is structured around five main themes: memory as counter-history; narrative and remembering; locating memory; remembering and renewal; and remembering as trauma.

Cultural Memory

Presents literary criticism of one hundred plays of world literature, providing plot summaries for each play, a profile of the author, and an assessment of the play's characters and major themes.

The Drama 100

When a Little girl fantasizes about having two Daddies, will her dreams come true? Shelby discovers that a beautiful blue dress is not the only prize she finds on her lunch shift. Her boss, Jeremy Andrews, is enchanted by the young lady who becomes his Little girl. When she feels a special connection with his best friend, will the two men be able to accept that Shelby needs both of them to be fully happy? As she sat in the deep seat, Shelby's mind was racing. "What kind of punishment is he talking about?" she asked herself as a picture of her nude body stretched over Jeremy's strong thighs flashed into her brain. Just as her fantasy portrayed Jeremy's hand about to spank her bottom, he opened the door. He paused with his lower half framed in the open doorway for several seconds as if he knew she had been picturing his thighs under her body. Leaning in, he unbuckled her seat belt and helped her out of the car. Silently, he escorted her into the restaurant. Jeremy watched her face as the waiter listed the specials and asked if they wished anything to drink. Realizing that Shelby was lost in her thoughts, he ordered drinks for the two of them. Placing his hand over hers that moved restlessly in her lap, Jeremy watched her jump slightly before she lifted her eyes to meet his. "What kind of punishment?" she whispered urgently. "Most Little girls find a spanking helps them learn to stop bad habits," Jeremy said conversationally as he looked over the menu. Pepper North introduces you to a new age play community. Shelby's story introduces you to the first residents in this community that is isolated from the surrounding world. Here Littles can be Little and Daddies can take care of their Little ones carefully. Pepper's books feature a power exchange in the form of age play (adults who choose to live as a Little

or a parent of a Little) and possibly dubious consent. If you are offended by this dynamic, this is not the book for you.

Sharing Shelby

Some lines should never be crossed. But sometimes the temptation is too good to resist... Mason Black was everything to me: my father, my provider, my protector. But then one day, he vanished, leaving me lost and alone. I was devastated. Years later, just when I thought I had put the pieces of my life together, my world splintered apart again. Everything I thought I knew about my biological father and Mason's role in my life? Turns out, it was all a lie. Every. Last. Word. Now Mason's back. However, he offers no excuses, no explanations. He just wants me to be what he claims I've always been: his little girl. But the ache inside me won't be denied. The longing I feel isn't one of a little girl who misses her father. No. I need Mason to be more than just a father figure. More than a loving protector. I need him to be my Daddy. ***Brace yourself for a twisty, forbidden romance so deliciously devious, it'll tie you up by your heartstrings and then drag you along for the ride. Like my Quick-and-Dirty Reads, it features a guaranteed melt-your-heart ending. But unlike those shorter stories, this is hardly a light-hearted romp. If you're a fan of very taboo older man/younger woman pairings, broody, protective Daddy figures, and contemporary Gothic vibes, then this book was tailor-made for your Kindle.

Pretty, Dark and Dirty

Bess of Hardwick is a biography about a notable figure in Elizabethan English society. Bess is well-known for her building projects, the most famous of which are Chatsworth, now the seat of the Dukes of Devonshire, and Hardwick Hall. Contents: The Red-Haired Girl, The Mistress Builder, "A Great Gentleman," Hubbub, cont.

Bess of Hardwick and Her Circle

They're craving something sweet. She likes it spicy. Devi Malik knows how to heat things up. She does it every night as head chef in her family's Indian restaurant. Her love life, though, is stuck in the subzero freezer. Now, with a chance to fulfill a secret fantasy with her long-time crush and his brother, it's time to put her desire on the front two burners. For Marcus Callahan, a love-'em-and-leave-'em attitude isn't only a necessary evil of their kink. It's a protective device. Lately, though, his brother Jace has been making noises about craving something more. Jace's dissatisfaction with their lifestyle grows with every glimpse of sweet little Devi. Yet Marcus is too haunted by the pain of their shared past to give love a chance. Despite their reputation for vanishing with the dawn, they discover one night with Devi isn't nearly enough. And Devi finds herself falling in love with two very different men. It'll take more than explosive sex to light up the shadows surrounding the Callahan brothers' secrets. But Devi's never been afraid of the dark... Warning: This title contains two sizzling men for the price of one, ménage à trois, oral sex, anal sex, fun toys, great food, and creative uses for syrup and dressing rooms."

Glutton for Pleasure

Unspeakable ShaXXXspeares is a savvy look at the wide range of adaptations, spin-offs, and citations of Shakespeare's plays in 1990s popular culture. Documenting a fascinating array of Shakespearean citations that are so far from their originals that they no longer count as interpretations of the plays. Burt considers what Shakespeare enables American popular culture to do that it couldn't otherwise do without him, and scrutinizes academic fantasies about fandom and stardom. This book puts Shakespearean studies on the front burner of popular culture.

Unspeakable ShaXXXspeares

Did you know that 44-year-old Frank Sinatra had an affair with 14-year-old Tuesday Weld? And that Elvis started dating Priscilla when she was 14? The Allure of Nymphets chronicles famous and infamous age-discrepant relationships from Emperor Augustus to Woody Allen and man's fascination with very young women (i.e., nymphets) as shown in literature, films, plays, television, music and the advertising industry.

The Allure of Nymphets

Strong, sexy and dirty-as-hell! Twelve, panty-melting romances starring Daddy Doms who command total surrender and the women who don't stand a chance of resisting. Penned by some of the best authors

in the genre, this deliciously naughty collection of all-new stories is bursting with HOT, raw, Daddy Dom action that's sure to leave you breathless. Surrender now. Get Dirty Daddies today! Featuring: Forbidden Sweets by Maggie Ryan Long Distance Daddy by Rayanna Jamison & Allysa Hart Sylvie: Dr. Richards' Littles 26 by Pepper North Detective Daddy by Kara Kelley Little Leigh by Golden Angel Daddy's Little Liar by Maren Smith Daddy's Precious Girl by Katie Douglas An Odd Little Girl by J.M. Dabney Cry For Daddy by Aubrey Cara Lindsay's Secret by Emily Tilton Dom Fitness by Brianna Hale Daddy's Naughty Darling by Laylah Roberts

Dirty Daddies

Postmodern Crises collects previously published and yet unpublished Mark Lipovetsky's articles on Russian literature and film. Written in different years, they focus on cultural and aesthetic crises that, taken together, constitute the postmodern condition of Russian culture. The reader will find here articles about classic subversive texts (such as Nabokov's *Lolita*), performances (Pussy Riot), and recent, but also subversive, films. Other articles discuss such authors as Vladimir Sorokin, such sociocultural discourses as the discourse of scientific intelligentsia; post-Soviet adaptations of Socialist Realism, and contemporary trends of "complex" literature, as well as literary characters turned into cultural tropes (the Strugatsky's progressors). The book will be interesting for teachers and scholars of contemporary Russian literature and culture; it can be used both in undergraduate and graduate courses.
