Keys of Ocat

The Keys of Ocat reveals the never before published Saturn rites, seals, and theophantic gate opening rituals of Ocat, the abyssal gatekeeper of the dead. Behind His gates dwell the Daemons of death including Euronymous, Balberith, Bune, Hekate, Frucisierre, and many others. These blood magick rituals, talismans and seals will aid the advanced magician in conjuring Daemons to speak with the dead, commune with death, and discover the true meaning of mortality and spiritual immortality. Be forewarned, however, Ocat is not known to be a friendly gatekeeper to all magi who approach Him, and the Daemons behind His gates are some of the most terrifying of their nature.

Keys of Death

This booklet is ultimately a supplement to Keys of Ocat: A Grimoire of Daemonolatry Nygromancye and nothing more. It was created as a way to get the death tablets out to my readers in the manner I intended for readers to see them --- large and in full color. They lose something in the transition to black and white. Due to budget concerns, we were unable to have them printed in Keys of Ocat in full color. They're "Keys" for a reason. Having the plates in full color goes a long way to that end.

Necromantic Sacraments

This chapbook is a companion ritual and invocation book to Honoring Death: The Arte of Daemonolatry Necromancy. It also serves as a supplement to Keys of Ocat: A Grimoire of Daemonolatry Nygromancye and completes the Daemonolatry triad of necromantic texts. All three books are currently being used for Funerary Priest Seminary Training within TTS.

The Complete Book of Demonolatry

1907 a critical essay upon the works of Aleister Crowley. Contents: the Looking Glass; the Virgin; the Harlot; the Mother; the Old Cottle; the Cup; the New Wine.

The Star in the West

Learn the ins and outs of psychic self-defense and protection magick with Daemonolatress S. Connolly. In this compilation of protection, learn how to shield, thwart curses, avert the evil eye, create protection charms, and bring to life protective servitors. This book pairs well with S. Connolly's other books: Curses, Hexes & Crossings The Preeminent Curse How to Draw Friends and Sacrifice Toxic People

Psychic Self-Defense and Protection Magick

Last Year at Betty and Bob's: A Novelty is the first in a series of novellas emerging from a writing practice that taps the cusp of consciousness between dreaming and waking. A storyline, or genealogy, tinted a shade of RGB blue, is fashioned by thinking through the felt unthought of this between space. A fabulation, an anarchive of what passes through. Lucid dreaming of this type is rife with allusions to conceptual and material goings-on, manifesting in awkward imaginaries. The dream personas are rendered as complex character amalgams with nomadic ages, sexes, genders and phenotypes. Occurrences of lived "fact" elide with a hallucinatory real as speculation. In A Novelty, Bette B, an ageing quasi-academic artist researcher, and BØB, attuned urban rodent, are palindromic variants of a generic cast of Betty's and Bob's. The happenstance of their meeting on the super slick POMOC (PostOffice MotionCorridor) affects a trans-special contagion. These are the facts of the matter. The matters that come to concern both B's are more slippery and elusive

Last Year at Betty and Bob's

This open access book provides a comprehensive overview of the application of the newest laser and microscope/ophthalmoscope technology in the field of high resolution imaging in microscopy and ophthalmology. Starting by describing High-Resolution 3D Light Microscopy with STED and RESOLFT, the book goes on to cover retinal and anterior segment imaging and image-guided treatment and also discusses the development of adaptive optics in vision science and ophthalmology. Using an interdisciplinary approach, the reader will learn about the latest developments and most up to date technology in the field and how these translate to a medical setting. High Resolution Imaging in Microscopy and Ophthalmology – New Frontiers in Biomedical Optics has been written by leading experts in the field and offers insights on engineering, biology, and medicine, thus being a valuable addition for scientists, engineers, and clinicians with technical and medical interest who would like to understand the equipment, the applications and the medical/biological background. Lastly, this book is dedicated to the memory of Dr. Gerhard Zinser, co-founder of Heidelberg Engineering GmbH, a scientist, a husband, a brother, a colleague, and a friend.

High Resolution Imaging in Microscopy and Ophthalmology

Considering a move to Ireland? C L Mitchell uses her first hand knowledge and experience of relocating to Ireland to provide this easy to read, comprehensive guide. Packed with practical and essential information including immigration, housing, work, education, and culture, it provides everything you need to settle into your new life in Ireland. Included in this guide: - Essential information about moving to Ireland, including immigration, costs and considerations, preparing for the move, and relocating with

pets. - Practical information on setting up your daily life, including renting or buying property, setting up utilities, healthcare, banking, and shopping. - Information about childcare and education options available in Ireland. - Guide to working and studying in Ireland. - Detailed guide on getting around Ireland by public transport, bicycle, and vehicle, including information about owning a vehicle and obtaining an Irish drivers licence.

Moving to Ireland

This is a thorough presentation of the Rosicrucian system of initiation by Dr. Paul Foster Case. He explains that Rosicrucianism is based upon earthly organizations, but on personal unflodment, and clearly describes the distinctive marks of a Rosicrucian. The treatise is divided into two main parts by Dr. Case. The first is a careful examination and interpretation of the principle Rosicrucian maneifestos, the Fama Fraternitatis and the Confessio Fraternitatis. The second part is an explanation of the Rosicrucian grade system, as applied to the diagram of the Tree of Life and tarot attributions. By participating in the outlined procedures, aspirants are put on the right track of preparing themselves for union with the Higher Self, which may or may not include group work with an outer order or fraternity. The first editions of 1927, 1928 and 1933 were of limited publication. The fourth and most complete expansion of the text by Paul Case was finished in 1937, revised by him in 1953 just before his death and published in by Weiser in 1985. It represents the full maturity of his thought on this subject.

True and Invisible Rosicrucian Order

This book covers the techniques and practice of Daemonolatry Necromancy covering everything from working with the Daemonic in tandem with the dead, speaking with the dead, dealing with loss and death, to divination techniques.

Honoring Death

You're about to learn secrets that most magicians will NEVER know about Spirits of the Dead. Learn to perform rituals to master the Crossroads of the Afterlife with the Gods and Goddesses of Death on the Path of the Descended Masters. In THE NECROMANCER, you will learn... Dangers of necromancy & proven safeguards How to construct and consecrate high-powered Tools of Death, Altar & Temple Traditional, necromantic, and hybrid approaches to gnosis with Santa Muerte, Saint of Death Recipe for the Necromantic Elixir of Azrael Science of utilizing necromantic Spirit Traps Blood Moon Invocation of Death Queen, Az Jahi 5 gnosis initiations with Az Jahi and Druj Nasu Azazel, Abaddon & Beelzebub's death magick rituals and Azazel's "Devil Masks" Eye of Death with Anuas the Descended Master Vessels to summon the Devouring Jinns & Nergal Ereshkigal's Rites of Exorcism for Dead Spirits Necromantic Yoga & Black Steeple Meditation to magnify vital prana power Death scares every mortal human, even the strongest black magician. Death remains the ultimate mystery to the uninitiated. Does life exist after death? Can you contact spirits of the dead? Can a black magician or witch summon the forces of death magick to accelerate their ascent toward immortality in life? Early on in my magick journey, I discovered a couple priceless epiphanies that revolutionized my pathworking with Necromancy forever... What if you became magick allies with the Gods & Goddess of Death instead of alienating and hating them? What if you entered into magick gnosis with the Death Current, instead of fearing and fleeing from it? What if you became the MASTER of death itself, would you not become the MASTER of life too? Learn to perform rituals with the Gods & Goddesses of Death to master the Afterlife Crossroads with over 305 pages of hardcore, no-nonsense Necromancy. View the Tablet of Necromancy below: Front - Introduction Ch. 1 - Dangers of Necromancy Ch. 2 - The Foundation of Necromantic Preparation Ch. 3 - Tools of Death Ch. 4 - Santa Muerte: Working with the Saint of Death Ch. 5 - The Death Current Ch. 6 - Az Jahi: The Dark Goddess Ch. 7 - Initiations of the Master Necromancers Ch. 8 - The Infernal Book of Necromancy Ch. 9 - Anuas: The Dark Descended Master Ch. 10 - The Devouring Jinns of Death Ch. 11 - Nergal: The Ancient Mesopotamian God of Death & War Ch. 12 - Ereshkigal: The Queen of Death & Consort of Nergal Ch. 13 - New Era of Necromancy & Death Magick To fully master LIFE, you need to master DEATH too - the magick forces of life and death are united together and you CANNOT dominate one without the other. These two forces act simultaneously in harmony. As new life sparks from nature, old life extinguishes to free space. This core principle of black magick and the metaphysics is known as the Unity of Opposites and Creative Destruction. Only when you have mastered death, can you truly master life.

The Great Grimoire of Pope Honorius

A step-by-step guide to Goetia from a Daemonolatry perspective. Starts from the beginning of Goetia and discusses preparation, the creation of the circle, triangle of art, brass vessel, and sigils, discusses the invocations, then gives correspondences, Enns, Sigils, and additional insight into The Four Kings and the 72 Goetic Spirits.

The Necromancer

Linda Falorio, creator of the Occult bestseller, *The Shadow Tarot*, is an internationally recognized artist and writer. *The Shadow Tarot*, first published in 1988 has been distributed in countries all around the world and is in use on every continent of the Planet. This newly released and much anticipated edition of *The Shadow Tarot* includes full color images of all seventy-eight cards representing both Major and Minor Arcana. The Major Arcana cards are based on the twenty-two paths of the Qliphoth described by Aleister Crowley in his *Liber 231* and further embellished by Kenneth Grant in his *The Nightside Of Eden*. The Minor Arcana of this new edition arise from the entities described in the *Goetia*. The *Shadow Tarot* has been created as an exploration tool for delving into those areas of the psyche that find their reflection in the Collective Unconscious and the Archetypal Shadow. The images represent the Nightside of consciousness as opposed to our ordinary "dayside" reality. Through her art and writing Linda seeks to create a direct outré experience in the viewer of transforming states of self-awareness; to open Gates into vast, unexplored inner geographies of the psyche, finding beauty and power in the twistings and turnings of the Inner Labyrinth. The artist is also known for her magickal altarpieces, for magickal portraits and for interpreting personal symbols and dreams on canvas.

Daemonolatry Goetia

For the fourth consecutive year, the Association of Geographic Information Laboratories for Europe (AGILE) promoted the edition of a book with the collection of the scientific papers that were submitted as full-papers to the AGILE annual international conference. Those papers went through a competitive review process. The 13 AGILE conference call for full-papers of original and unpublished fundamental scientific research resulted in 54 submissions, of which 21 were accepted for publication in this volume (acceptance rate of 39%). Published in the Springer Lecture Notes in Geoinformation and Cartography, this book is associated to the 13 AGILE Conference on Geographic Information Science, held in 2010 in Guimarães, Portugal, under the title "Geospatial Thinking". The efficient use of geospatial information and related technologies assumes the knowledge of concepts that are fundamental components of Geospatial Thinking, which is built on reasoning processes, spatial conceptualizations, and representation methods. Geospatial Thinking is associated with a set of cognitive skills consisting of several forms of knowledge and cognitive operators used to transform, combine or, in any other way, act on that same knowledge. The scientific papers published in this volume cover an important set of topics within Geoinformation Science, including: Representation and Visualisation of Geographic Phenomena; Spatiotemporal Data Analysis; Geo-Collaboration, Participation, and Decision Support; Semantics of Geoinformation and Knowledge Discovery; Spatiotemporal Modelling and Reasoning; and Web Services, Geospatial Systems and Real-time Applications.

The Shadow Tarot

CMH Publication 70-56-1. This study describes how the United States Army, Europe (USAREUR), under the command of General Crosbie E. Saint, supported the armed response of the United States and the United Nations to Iraq's August 1990 invasion of Kuwait at the very time it was managing a fundamental transition in its fifty-year history of defending Central Europe. Discusses the complicated planning for the deployment and the rapid-fire implementation.

Geospatial Thinking

This book discusses the various open issues of blockchain technology, such as the efficiency of blockchain in different domains of digital cryptocurrency, smart contracts, smart education system, smart cities, cloud identity and access, safeguard to cybersecurity and health care. For the first time in human history, people across the world can trust each other and transact over a large peer-to-peer networks without any central authority. This proves that, trust can be built not only by centralized institution but also by protocols and cryptographic mechanisms. The potential and collaboration between organizations and individuals within peer networks make it possible to potentially move to a global collaborative network without centralization. Blockchain is a complex social, economic and technological phenomenon. This questions what the established terminologies of the modern world

like currency, trust, economics and exchange would mean. To make any sense, one needs to realize how much insightful and potential it is in the context and the way it is technically developed. Due to rapid changes in accessing the documents through online transactions and transferring the currency online, many previously used methods are proving insufficient and not secure to solve the problem which arises in the safe and hassle-free transaction. Nowadays, the world changes rapidly, and a transition flow is also seen in Business Process Management (BPM). The traditional Business Process Management holds good establishment last one to two decades, but, the internal workflow confined in a single organization. They do not manage the workflow process and information across organizations. If they do so, again fall in the same trap as the control transfers to the third party that is centralized server and it leads to tampering the data, and single point of failure. To address these issues, this book highlights a number of unique problems and effective solutions that reflects the state-of-the art in blockchain Technology. This book explores new experiments and yields promising solutions to the current challenges of blockchain technology. This book is intended for the researchers, academicians, faculties, scientists, blockchain specialists, business management and software industry professionals who will find it beneficial for their research work and set new ideas in the field of blockchain. This book caters research work in many fields of blockchain engineering, and it provides an in-depth knowledge of the fields covered.

From the Fulda Gap to Kuwait

Blockchain Technology: Applications and Challenges

A pianist/therapist loses access to a crucial memory. Neither able to play, nor to relinquish her dream, she finds herself in an agonizing limbo. Filled with piercing insights, this is a thrilling book about overcoming depression and reclaiming one's creativity. Jakob inspires her clients to see their dreams as an indication of unrealized potential.

The Architecture of Open Source Applications

Almost 4 years have elapsed since Dr. Ken Sakamura of The University of Tokyo first proposed the TRON (the realtime operating system nucleus) concept and 18 months since the foundation of the TRON Association on 16 June 1986. Members of the Association from Japan and overseas currently exceed 80 corporations. The TRON concept, as advocated by Dr. Ken Sakamura, is concerned with the problem of interaction between man and the computer (the man-machine interface), which had not previously been given a great deal of attention. Dr. Sakamura has gone back to basics to create a new and complete cultural environment relative to computers and envisage a role for computers which will truly benefit mankind. This concept has indeed caused a stir in the computer field. The scope of the research work involved was initially regarded as being so extensive and diverse that the completion of activities was scheduled for the 1990s. However, I am happy to note that the enthusiasm expressed by individuals and organizations both within and outside Japan has permitted acceleration of the research and development activities. It is to be hoped that the presentations of the Third TRON Project Symposium will further the progress toward the creation of a computer environment that will be compatible with the aspirations of mankind.

Keys to Harmony: Memoir of Depression, Daring, and Creativity

This book offers a comprehensive set of principles that lead to ideal outcomes following treatment for Head and Neck Cancers, especially in those patients who need major reconstructive procedures. It goes beyond the scope of basic Head and Neck Cancer textbooks, or of reconstructive surgery texts, in that the essential focus is on optimal outcomes beyond fundamental evaluation and management. The book addresses a range of essential aspects: the chapters on Functional and Aesthetic considerations underscore crucial basics that should be understood by all surgeons, while other chapters relevant to all members of the Head and Neck team address Imaging, Robotics, Radiation Morbidities, Prosthetics and Quality of Life. Throughout the book, particular attention is given to high-quality photographs, flow diagrams and tables wherever possible, combined with crisp writing to achieve effective communication. The book is unique in the completeness of its approach: from the time of initial presentation, to the time patients resume their normal lives. Although written primarily for surgeons, its value extends to all members of the multi-disciplinary team managing Head and Neck Cancer patients today.

TRON Project 1987 Open-Architecture Computer Systems

Next to Luther himself, Ulrich Zwingli (1484-1531) was probably the most important and certainly the most influential of the early Protestant reformers. His Commentary on True and False Religion, addressed to King Francis I of France and published by the printer Froschauer in Zurich in 1525, contrasted what Zwingli regarded as the true religion of the Protestants, grounded in Scripture, with the false religion of tradition and reason advocated by the opponents of the Reformation. In twenty-nine chapters Zwingli discussed all of the principal topics of Christian theology, from the meaning of the word "religion" itself to the role and place of images in Christian worship. All the disputed issues of the early Reformation--the doctrine of Church and ministry, baptism, penance, eucharist, the nature of civil authority--are explained lucidly and concisely. The Commentary makes clear not only the grounds for Zwingli's break with the medieval Catholic tradition in which he had been raised but also the nature of his disagreements with Erasmus, Luther, and the Swiss Anabaptists. The result is the most significant dogmatic work which Zwingli ever wrote and the most important systematic statement of Reformed theology before Calvin's Institutes.

The Reign of Saturn Transformed Into an Age of Gold

The classic, bestselling reference on architecture now revised and expanded! An essential one-volume reference of architectural topics using Francis D.K. Ching's signature presentation. It is the only dictionary that provides concise, accurate definitions illustrated with finely detailed, hand-rendered drawings. From Arch to Wood, every concept, technology, material and detail important to architects and designers are presented in Ching's unique style. Combining text and drawing, each term is given a minimum double-page spread on large format trim size, so that the term can be comprehensively explored, graphically showing relations between concepts and sub-terms. A comprehensive index permits the reader to locate any important word in the text. This long-awaited revision brings the latest concepts and technology of 21st century architecture, design and construction to this classic reference work. It is sure to be by the side of and used by any serious architect or designer, students of architecture, interior designers, and those in construction.

Restoration, Reconstruction and Rehabilitation in Head and Neck Cancer

The Abyssal Angels: Infernal Colopatiron Redux is a stripped-down-for-public-consumption version of the limited edition grimoire Infernal Colopatiron. While the paperback version doesn't include the more dangerous parts of the text, nor the detailed intricate instructions, it does give the advanced magician enough information about gate opening, theophany, and magick to facilitate personal experimentation. The Nuctemeron Gates is a good companion for this text. Publisher's Note: This text does not include some commentary, one chapter, and two key rituals from the original Infernal Colopatiron, all of which will never see a reprint.

The Book of Smokeless Fire

PHP is rapidly becoming the language of choice for dynamic Web development, in particular for e-commerce and on-line database systems. It is open source software and easy to install, and can be used with a variety of operating systems, including Microsoft Windows and UNIX. This comprehensive manual covers the basic core of the language, with lots of practical examples of some of the more recent and useful features available in version 5.0. MySQL database creation and development is also covered, as it is the developer database most commonly used alongside PHP. It will be an invaluable book for professionals wanting to use PHP to develop their own dynamic web pages. Key Topics: - Basic Language Constructs - Manipulating Arrays and Strings - Errors and Buffering - Graphic Manipulation - PDF Library Extension - MySQL Database Management - Classes and Objects Concepts Features and Benefits: Explains how to use PHP to its full extent - covering the latest features and functions of PHP version 5.0, including the use of object-oriented programming Describes how to link a database to a web site, using the MySQL database management system Shows how to connect PHP to other systems and provides many examples, so that you can create powerful and dynamic web pages and applications Contains lots of illustrated, practical, real-world examples - including an e-commerce application created in PHP using many of the features described within the book The scripts used in the examples are available for download from www.phpmysql-manual.com

Commentary on True and False Religion

Learn how to perform the most dangerously powerful rituals of Saturnian Necromancy. Raise the demonic forces of black magick to exploit the spirits of the dead and contact the Other Side with the forbidden rites of death magick. A Visual Dictionary of Architecture

This 1921 classic supplies various names of each stop in different languages, traces their origins, and describes their construction, tonal characteristics, and value in artistic combination and registration. Includes 5 plates of illustrations.

The Abyssal Angels

The Daemonolater's Guide to Daemonic Magick is a thorough compendium of high and low magick for the practicing Daemonolatri magician. Includes a brief look into the many methods of working with the Daemonic using Daemonolatri magick techniques and explains how to modify other systems to a more respectful Daemonolatri method.

PHP and MySQL Manual

This book outlines the core theory and practice of data mining and knowledge discovery (DM & KD) examining theoretical foundations for various methods, and presenting an array of examples, many drawn from real-life applications. Most theoretical developments are accompanied by extensive empirical analysis, offering a deep insight into both theoretical and practical aspects of the subject. The book presents the combined research experiences of 40 expert contributors of world renown.

Necromantic Sorcery

Take control of your reality with the immense power of Enochian Angels and Demons. Using the secret Words of Power, you can tune this magick to bring whatever results you desire. In some books, you find hundreds of powers that you'll never need. With Universal Magick, you get ten Primary Powers that can be tuned to get whatever you want. You remove all the confusion and find a quick and easy way to get your magickal results. Using beautiful sigils and the ancient Words of Power, you will activate this magick with ease. The ten Primary Powers can be adapted in thousands of ways, and they are: Healing - to heal yourself and others. Corruption - to damage enemies with pain, weakness, misfortune, or disease. Belonging - to forge, maintain, or improve connections between people. Prosperity - to support efforts to attract money. Fortune - to attract good financial luck. Protection - to bring protection to yourself and others. Truth - to see truth, express truth, expose deception, and keep secrets. Transformation - to remove personal flaws or find strength where there was weakness. Decay - to weaken or remove a strength or ability in your enemy. Creation - to imagine the possible and to manifest possibility. In this book, you get a form of Enochian Magick that arose from clues and codes hidden within the old texts. This magick was created to cause change without pain and can be used without fear. You don't have to spend hours hunting through obscure lists to find the exact ritual you need. You can shape a power to work in the way you choose. That makes this much easier than most magick. You will discover: Clear instructions on exactly what to do. Solutions to every possible challenge. A system that can be as general or specific as you like. The secret Words of Power for safe Enochian Magick. Powerful effects without any equipment. Magick that brings fast results and long-term solutions. Rituals to change your life, or affect other people. Stunning Enochian sigils that were secret until now. Prepared over many years, Universal Magick focuses on the practical knowledge you need, with just enough background material for you to understand what's happening. If you want magick that works, open the book and get started.

Organ-Stops and Their Artistic Registration

According to an old story, a woman concealed her sex and ruled as pope for a few years in the ninth century. Pope Joan was not betrayed by a lover or discovered by an enemy; her downfall came when she went into labor during a papal procession through the streets of Rome. From the myth of Joan

to the experiences of saints, nuns, and ordinary women, *The Oldest Vocation* brings to life both the richness and the troubling contradictions of Christian motherhood in medieval Europe. After tracing the roots of medieval ideologies of motherhood in early Christianity, Clarissa W. Atkinson reconstructs the physiological assumptions underlying medieval notions about women's bodies and reproduction; inherited from Greek science and popularized through the practice of midwifery, these assumptions helped shape common beliefs about what mothers were. She then describes the development of "spiritual motherhood" both as a concept emerging out of monastic ideologies in the early Middle Ages and as a reality in the lives of certain remarkable women. Atkinson explores the theological dimensions of medieval motherhood by discussing the cult of the Virgin Mary in twelfth-century art, story, and religious expression. She also offers a fascinating new perspective on the women saints of the later Middle Ages, many of whom were mothers; their lives and cults forged new relationships between maternity and holiness. *The Oldest Vocation* concludes where most histories of motherhood begin—in early modern Europe, when the family was institutionalized as a center of religious and social organization. Anyone interested in the status of motherhood, or in women's history, the cultural history of the Middle Ages, or the history of religion will want to read this book.

The Daemonolater's Guide to Daemonic Magick

Data Mining and Knowledge Discovery Approaches Based on Rule Induction Techniques

Solomon wrote *The Greater Key* for his son Rehoboam, and commanded him to hide the book in his sepulchre upon his death. After many years the book was discovered by a group of Babylonian philosophers repairing Solomon's tomb. None could interpret the text, until one of them, Iohé Grevis, suggested that they should ask the Lord for understanding. The Angel of the Lord appeared to him and extracted a promise that he would keep the text hidden from the unworthy and the wicked, after which he was able to read it plainly. Iohé Grevis then placed a spell on the book that the unworthy, the unwise or those who did not fear God would not attain the desired effect from any of the workings contained in the book. *The Lesser Key of Solomon*, also known as *Salomonis Regis* or *Lemegeton*, is an anonymous grimoire on demonology. It was compiled in the mid-17th century, mostly from materials a couple of centuries older.

Universal Magick

Using the case of an industrial accident involving a killer robot, the author successfully combines technical and ethical concepts to present to students and professionals real-life issues that they may one day have to confront.

The Greater and Lesser Keys of Solomon the King

Forbidden

USA Today bestselling author Beverly Jenkins returns with the first book in a breathtaking new series set in the Old West. Rhine Fontaine is building the successful life he's always dreamed of—one that depends upon him passing for White. But for the first time in years, he wishes he could step out

from behind the façade. The reason: Eddy Carmichael, the young woman he rescued in the desert. Outspoken, defiant, and beautiful, Eddy tempts Rhine in ways that could cost him everything . . . and the price seems worth paying. Eddy owes her life to Rhine, but she won't risk her heart for him. As soon as she's saved enough money from her cooking, she'll leave this Nevada town and move to California. No matter how handsome he is, no matter how fiery the heat between them, Rhine will never be hers. Giving in for just one night might quench this longing. Or it might ignite an affair as reckless and irresistible as it is forbidden . . .

The Forbidden

As the blood settles into the snow, Rebaa's life will never be the same again. Lost, alone and damingly burdened with her murdered lover's Forbidden offspring, Rebaa must learn to survive in a freezing and hostile world. Hunted by a murderous chieftain, a man hell-bent on possessing her mysterious powers for his own, Rebaa calls upon all of her cunning and extraordinary gifts to evade capture. Facing relentless danger, Rebaa must attempt to reach the one place that surely promises salvation; she can only hope that her ancestral home is the haven she needs it to be... But can any haven truly exist for one who bears...The Forbidden?

Tempest

From USA Today Bestselling Author Beverly Jenkins comes a new novel in a mesmerizing series set in the Old West, where an arranged marriage becomes a grand passion . . . What kind of mail-order bride greets her intended with a bullet instead of a kiss? One like Regan Carmichael—an independent spirit equally at home in denims and dresses. Shooting Dr. Colton Lee in the shoulder is an honest error, but soon Regan wonders if her entire plan to marry a man she's never met is a mistake. Colton, who buried his heart along with his first wife, insists he only wants someone to care for his daughter. Yet Regan is drawn to the unmistakable desire in his gaze. Regan's far from the docile bride Colton was expecting. Still, few women would brave the wilds of Wyoming Territory for an uncertain future with a widower and his child. The thought of having a bold, forthright woman like Regan in his life—and in his arms—begins to inspire a new dream. And despite his family's disapproval and an unseen enemy, he'll risk all to make this match a real union of body and soul.

Cowboys of the Old West -

Four of Elizabeth Rose's short Westerns in one book! The Outlaw - A man leaves town as an outlaw and returns as their sheriff. The Bounty Hunter - A bounty hunter's horse is stolen by one of the East Gang - a woman disguised as a boy. The Gambler - A gambler wins a mail-order bride in a poker game, not knowing it is a flame from his past. The Drifter - A man who's mistaken for a bandit, stumbles into a woman's stagecoach relay station, wounded.

One Forbidden Evening (Lady Rivendale's Connections, Book Two)

A Night of Forbidden Desire Unleashes a Web of Secrets in One Forbidden Evening, a Historical Regency Romance from Jo Goodman Haunted by the memory of her husband's tragic death, Cybelline Caldwell is torn between her roles as a mother and a woman. Longing for the embrace of a man, she succumbs to the allure of a masquerade party hosted by the mysterious Christopher Hollings, Earl of Ferrin. Behind the veil of anonymity, Cybelline seeks a night of passionate abandon, choosing Ferrin as her willing partner in this forbidden game. But, when unexpected passion excites desires neither could have foreseen, Ferrin cannot resist the urge to uncover the identity of his mysterious lover. When he eventually learns Cybelline's true identity, he launches a quest to earn her trust. Cybelline, however, has no desire to be found by anyone. The mysterious letters she's been receiving accuse her of a sinister crime—the murder of her husband. Terrified and desperate to protect her young daughter, she flees London, hoping to escape her past and the dangerous accusations against her. In his determination to unravel the mystery surrounding the captivating Cybelline Caldwell, Ferrin gains her household's trust and captures her daughter's heart. As their connection deepens, Cybelline can't deny her growing feelings for the persistent earl even as they inch closer to the shocking truth concealed within the sinister letters that threaten to destroy them. Breathless

A strong-willed beauty finds herself in the arms of the handsome drifter from her past, in this second book in the sizzling series set in the Old West, from USA Today bestselling author Beverly Jenkins. All it takes is one touch . . . As manager of one of the finest hotels in Arizona Territory, Portia Carmichael has respect and stability—qualities sorely missing from her harsh childhood. She refuses to jeopardize that by hitching herself to the wrong man. Suitors are plentiful, but none of them has ever looked quite as tempting as the family friend who just rode into town...and none has looked at her with such intensity and heat. Duchess. That's the nickname Kent Randolph gave Portia when she was a young girl. Now she's a stunning, intelligent woman—and Kent has learned his share of hard lessons. After drifting through the West, he's learned the value of a place to settle down, and in Portia's arms he's found that and more. But convincing her to trust him with her heart, not just her passion, will be the greatest challenge he's known—and one he intends to win...

The Forbidden Book

An esoteric thriller full of sex, magic, and politics. This gripping page-turner has something for every fan of occult fiction: a murder mystery set against religious extremism with symbolism, alchemy, and magic fueling the action. The evocative setting of Venice and the Veneto region of Italy dominates the plot, along with vivid scenes in Santiago de Compostela, Provence, Washington, and the Vatican.

A Forbidden Love Affair

For Ruby James, life is pretty great right now. Her fledgling business is thriving, she has the love and support of her family and she's happy and contented. But when the wife of a rich businessman calls upon Ruby to design and landscape her garden at their grand mansion, Ruby's life is soon turned upside down. Matthew Lockhart has it all. He's handsome, full of charm and very successful. When Ruby walks into his life, he's completely taken aback by her. He wants her no matter what. His marriage to his wife, Erica has been on the rocks for a very long time ever since she cheated on him. He wants a clean break, he wants a new life. What Matthew Lockhart wants, Matthew Lockhart gets.

Forbidden Passion

998 A.D. Desperate to flee Greenland, beautiful Yngveld Sveinsdatter buys a Viking ship and its captive crew, unaware she is sailing into dark and dangerous waters... Thomas Lachlan, half-Viking, half-Irish, arrives in Greenland with a crew of battle-hardened men on a mission to locate one Yngveld Sveinsdatter and bring her to Ireland to marry his military commander. But a treacherous betrayal finds Thomas, his men, and his ship sold to the very woman he seeks. Now the mission turns deadly: Thomas must retake his ship, or he and his men will die. And as a forbidden passion grows between Thomas and Yngveld, they must choose: will their passion lead them to a triumphant love ... or to a soul-destroying dishonor and death?

A Love Forbidden (Heart of the Rockies Book #2)

Moved by the desire for adventure and a yearning to help the Ute Indians, twenty-year-old Shiloh Wainright impulsively accepts a teaching position at the White River Indian Agency in northwestern Colorado. The new job, however, isn't what she imagined it would be, and Shiloh soon finds herself caught in the cross fire between the Utes, their unyielding Indian Agent, and the unrealistic demands of the US government. Her unexpected encounter with Jesse Blackwater, an embittered half-breed Ute and childhood friend, only complicates matters as they battle their growing feelings for each other amidst the spiraling tensions threatening to explode into a catastrophic Indian uprising. Set amongst the wilds of the Colorado Rockies in 1879, this is a tale of a forbidden love and a faith tested in the cauldron of intolerance and the harsh realities of life on the untamed frontier. Bestselling author Kathleen Morgan deftly explores themes of mercy, fidelity to one's beliefs despite what others think or do, and compassion for those different from oneself as she plumbs the depths of the human heart and the healing power of God's love.

Runaway Devil

Marc and Debra seemed to have it all—a lovely home in the Prairie town of Medicine Hat, fulfilling careers, a supportive marriage, and two beautiful children: eight-year-old Jacob and twelve-year-old JR. After years of struggle to reach this point, they finally felt their future held promise. But on April 23, 2006, their bodies were discovered in their basement, covered in savage stab wounds. Upstairs, Jacob lay dead on his bed, his toys spattered with blood. Investigators worried for JR's safety, but unknown to them, the pretty honour roll student had been developing a disturbing alter ego online. Runaway Devil professed a fondness for a darker world of death metal music, the goth subculture, and a love for Jeremy Steinke, a twenty-three-year-old high-school dropout who lived in a rundown trailer park. Soon, shocking evidence in JR's school locker—printed here for the first time—led police to believe the girl was a suspect in her family's murders. The case horrified parents everywhere. Journalists Robert Remington and Sherri Zickefoose have been covering it from the beginning, and in *Runaway Devil*, they reveal what really happened: the unlikely young love, the teenage rebellion, a troubling world of adolescent drifters, and a small community torn apart by an unthinkable crime. A modern cautionary tale, *Runaway Devil* is also a chilling portrait of an approval-seeking man smitten with a manipulative young girl—who would stop at nothing to get what she wanted.

Native Gold

Mathilda Hardwicke, a rebellious artist rejected by her family and New York society, heads west to Gold Rush California as a mail-order bride. But when fate leaves her at the altar, she's drawn to Sakote--a fierce Konkow warrior whose tribe is threatened by the encroaching white men--in whose arms she discovers a savage new Paradise and a forbidden love more precious than gold.

In the Old West, Vol. 1 (Classic Reprint)

Excerpt from *In the Old West, Vol. 1* When we bought the Louisiana Territory from Napoleon, in 1803, it was not from any pressing need of land, for we still had millions of fertile acres east of the Mississippi. The purchase was made to forestall complications with foreign powers, either with the arch-conqueror himself, whose ambition was supposed to be the mastery of the whole world, or with Great Britain, to which the western country was sure to fall in case France should be defeated. Possession of Louisiana was essential to our free navigation of the Mississippi. The vast domain thus added to our boundaries was term incognito. Aside from its strategic importance no one knew what it was good for. So Lewis and Clark were sent out from the frontier post of St. Louis to find a route to the Pacific and to report on what the new country was like. Forbidden Friends

When Lizzie and Bee meet on holiday, it feels as if they were always meant to be friends. Escaping their parents and exploring, everything seems perfect in the hot summer sun. As the two girls grow closer, strange questions rise to the surface... Is Lizzie an only child? Why has Bee's dad disappeared? And why, as the holiday comes to an end, are the two girls forbidden from seeing each other again? Could one dark secret from the past hold the answer? Could one fateful night keep Lizzie and Bee apart... for ever? From the author of *Butterfly Summer* comes the unforgettable story of a new friendship, a terrible tragedy and long-buried lie.

My Forbidden Face

Latifa was born into an educated middle-class Afghan family in Kabul in 1980. She dreamed of one day of becoming a journalist, she was interested in fashion, movies and friends. Her father was in the import/export business and her mother was a doctor. Then in September 1996, Taliban soldiers seized power in Kabul. From that moment, Latifa, just 16 years old became a prisoner in her own home. Her school was closed. Her mother was banned from working. The simplest and most basic freedoms - walking down the street, looking out a window - were no longer hers. She was now forced to wear a chadri. *My Forbidden Face* provides a poignant and highly personal account of life under the Taliban regime. With painful honesty and clarity Latifa describes the way she watched her world falling apart, in the name of a fanatical interpretation of a faith that she could not comprehend. Her voice captures a lost innocence, but also echoes her determination to live in freedom and hope. Earlier this year, Latifa and her parents escaped Afghanistan with the help of a French-based Afghan resistance group.

Forbidden History

Challenges the scientific theories on the establishment of civilization and technology • Contains 42 essays by 17 key thinkers in the fields of alternative science and history, including Christopher Dunn, Frank Joseph, Will Hart, Rand Flem-Ath, and Moira Timmes • Edited by Atlantis Rising publisher, J. Douglas Kenyon In *Forbidden History* writer and editor J. Douglas Kenyon has chosen 42 essays that have appeared in the bimonthly journal *Atlantis Rising* to provide readers with an overview of the core positions of key thinkers in the field of ancient mysteries and alternative history. The 17 contributors include among others, Rand Flem-Ath, Frank Joseph, Christopher Dunn, and Will Hart, all of whom challenge the scientific establishment to reexamine its underlying premises in understanding ancient civilizations and open up to the possibility of meaningful debate around alternative theories of humanity's true past. Each of the essays builds upon the work of the other contributors. Kenyon has carefully crafted his vision and selected writings in six areas: Darwinism Under Fire, Earth Changes--Sudden or Gradual, Civilization's Greater Antiquity, Ancestors from Space, Ancient High Tech, and The Search for Lost Origins. He explores the most current ideas in the Atlantis debate, the origins of the Pyramids, and many other controversial themes. The book serves as an excellent introduction to hitherto suppressed and alternative accounts of history as contributors raise questions about the origins of civilization and humanity, catastrophism, and ancient technology. The collection also includes several articles that introduce, compare, contrast, and complement the theories of other notable authors in these fields, such as Zecharia Sitchin, Paul LaViolette, John Michell, and John Anthony West.

From Blood and Ash

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the

shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. Take me back!" - New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either." - Brigid Kemmerer, New York Times Bestselling Author of *A Curse So Dark and Lonely* "Action, adventure, sexiness, and angst! *From Blood and Ash* has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!" - Tijan NYT bestselling author "From Blood and Ash is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read." Kayleigh, K-Books "If you think you are ready for *From Blood and Ash*, think again. Jennifer L. Armentrout has woven a new fantasy universe that will leave you reeling. Filled with action, heart wrenching twists and the most delicious romance, this unputdownable novel comes with a warning: keep a fan close by, because the temperatures are about to rise." Elena, The Bibliotheque Blo "In this exciting new novel by Jennifer L. Armentrout, she introduces a fantastical world filled with immense detail, and characters who are poignant and fierce, Jennifer truly has out done herself!" – BookBesties "From Blood and Ash is a fantastic fantasy that will hook you immediately from the very first page! I loved every single moment and all of the characters are ones you will fall in love with! Jennifer L. Armentrout has done it again with her amazing writing skills and lots of detail! Get this book immediately!!!" - Amanda @Stuck In YA Books "Jennifer has stepped into the fantasy genre with this absolutely amazing novel. With characters you will love and more than a few twists and turns, get ready for one amazing adventure." - Perpetual Fangirl "This magnificent book has so many pieces in it: fantasy, mystery, forbidden romance, supernatural, lies, deceit, betrayal, love, friendship, family. And so, so, so many secrets your head will be spinning. Jennifer L. Armentrout has created another masterpiece that I will be rushing to buy, and will be telling everyone to read it ASAP!" ~Jeraca @My Nose in YA Books "From Blood to Ash is the first high fantasy book from Jennifer L Armentrout, but hopefully not the last. Like all her other works, her ability to create worlds, create swoon worthy men, and feisty strong female characters is amazing. Fantasy, mystery, romance, betrayal, love, and steamy scenes, this book has it all." - Lisa @ The Blonde Book Lover "From Blood & Ash is everything we love about JLA's fantasy writing...pumped up on steroids. There's epic world building and plot twists, a strong female lead, a swoon worthy book hottie, a steamy forbidden love story, and side characters that can't help but steal your heart. My mind was blown by the end of this book." - Kris S. (frantic4romantic) "Step into an exciting new fantasy world by Jennifer L. Armentrout, *From Blood And Ash* takes you on a fantastic ride with twists and turns galore. Characters you will love to laugh and cry with. A phenomenal start to an exciting new series." - Lori Dunn an avid reader "From Blood and Ash was everything I wanted in a high fantasy novel. The myths, the legends, the epic romance, and an adventure that will keep you on your toes beginning to end. I couldn't put the book down. Truly a brilliant start to what I believe will be yet another amazing series by Jennifer L. Armentrout." –Sabrina, Books Are My Life "Jennifer L. Armentrout takes her first step into the high fantasy genre with *From Blood and Ash*. A story of forbidden love, lies, secrets, and betrayal - it will leave you wanting more after the very last page." - Love Just Is Books "From Blood and Ash is like reading my favorite book for first time." - Raquel Herrera "With *From Blood and Ash*, Jennifer Armentrout successfully takes on the genre of high fantasy, proving, once again, that she is a master of her craft. Filled with epic adventure, forbidden romance, deceit, lies, and betrayal, FB&A draws you in from page one and refuses to let go!" - Erica, The Rest Just Falls Away "Jennifer L. Armentrout comes trough once again with *From Blood and Ash* as it kept me enthralled throughout the full book. You won't be able to put down this epic story once you start." - Julalicious Book Paradise "From Blood and Ash strikes the perfect balance between fantasy and romance elements leaving the world feeling live in and full while allowing the relationship between the main characters feeling real and authentic." - Nads Book Nook, Nadine Bergeron "Be prepared to spend your whole day reading *From Blood and Ash*. Once you start reading this high fantasy novel, you won't want to put it down." - Love Book Triangle "From Blood and Ash is absolutely breath taking. JLA does what she does best by creating a fantastical world filled with romance, lies, betrayal, adventure and all things we love and expect from JLA characters that melt our hearts and steal our hearts and souls. I cannot wait for the next one!" - Pia Colon "From Blood and Ash, Jennifer L. Armentrout brought to life a high fantasy that is enthralling. Another masterful addition to my collection. Get ready to stay on your toes from start to end." - Amy Oh, Reader by the Mountains "From Blood and Ash is the first high fantasy novel by

Jennifer L Armentrout and she absolutely nails it. This is fantasy for skeptics and unbelievers because it makes you want to be a fantasy fan! This page turner makes you want to devour it in one night and at the same time savor every detail. Heart stopping and inspiring and grips you from page one.” – Tracy Kirby “An intriguing puzzle of a world, a ruthless hero, a determined heroine, and a plot that will keep you up late, this book is one of the best I've read this year.” – Valerie from Stuck In Books “From Blood and Ash, a thrilling high fantasy that packs a punch, each page will leave you wanting more!” - Tracey, Books & Other Pursuits

Moby Dick

In Herman Melville's classic tale of revenge, Ishmael tells his story of becoming a whaler on the Pequod. When Ishmael and his unexpected friend Queequeg join Captain Ahab's hunt for Moby Dick, the voyage of a lifetime turns into tragedy. The adventures of sailing the seas on the hunt for the great white whale is retold in the Calico Illustrated Classics adaptation of Melville's Moby Dick. Calico Chapter Books is an imprint of Magic Wagon, a division of ABDO Group. Grades 3-8.

The Last of the Old West

Prue McKeel is keeping out of trouble. Or trying to. Then her baby brother is abducted by crows and hauled off to the woods beyond the city. It is up to Prue to bring him back. On her mission she is plunged into the world of Wildwood and there she meets more trouble - and magic - than she ever thought possible.

Wildwood

A DVF Book Club Pick! True love never fades—and old secrets never die... Nora hasn't looked back. Not since she fled Texas to start a new life. Away from her father's volatile temper and the ever-watchful gaze of her claustrophobically conservative small town, Nora has freed herself. She can live—and love—however she wants. The only problem is that she also left behind the one woman she can't forget. Now tragedy calls her back home to confront her past—and reconcile her future. Sophie seems to have everything—a wonderful daughter, a successful husband and a rewarding career. Yet underneath that perfection lies an explosive secret. She still yearns for Nora—her best friend and first love—despite all the years between them. Keeping her true self hidden hasn't been easy, but it's been necessary. So when Sophie finds out that Nora has returned, she hopes Nora's stay is short. The life she has built depends on it. But they both find that first love doesn't fade easily. Memories come to light, passion ignites and old feelings resurface. As the forces of family and intolerance that once tore them apart begin to reemerge, they realize some things may never change—unless they demand it.

The Secret of You and Me

The Harlot by the Side of the Road is the first book to shed light on strange biblical passages which have largely been ignored by ministers, priests and rabbies because they seemed too awkward to examine. Johnathan Kirsch retells these 'forbidden' stories in contemporary English, alongside the original text, and demonstrates that the people in biblical times were as vulnerable, confused and prone to weakness of the flesh and failure of the spirit as any character in Homer, Shakespeare or Dostoevsky, and wrestled with the same problems of the heart and mind that still confront us today. He also explains how each story found its way into the Bible, why it was originally suppressed and examines the rituals, customs and politics that bring these extraordinary tales alive for the contemporary reader.

The Harlot By The Side Of The Road

Miners, loggers, railroad men, and others flooded into the American West after the discovery of gold in 1848, and entertainers seeking to fill the demand for distraction from the workers' daily toil soon followed. Actors, actresses and traveling troupes crisscrossed the American frontier, performing in tents, saloons, fancy theaters, and the open air. This exploration of the heyday of popular theater in the Old West chronicles its emergence and growth from 1850 to the early twentieth century. Here is the story of the men and women who provided myriad types of entertainment in the Old West, and brought excitement, laughter and tears to generations of pioneers.

Entertainment in the Old West

BONDED BY BLOOD, BIRACIAL BY BIRTH AND HEROINES BY CHOICE...THE WILDES OF THE WEST !It's Mexican mayhem as sinister sex traffickers, banditos and a murderous, masked mad man are only the beginning when beauties, bad hombres and plenty of bullets mix it up in the part one of the Danger Down Mexico Way trilogy.Settling into her new life in 1913 Arizona, Allie Mastluehr is plunged deeper into the 1870's escapades of the Wilde sisters and their forays south of the border fraught with danger, intrigue and a healthy dose of sexual adventuring.Enthralled by Catalina and Cassandra's battle to stop the terror of The Reaper of the Rio Sangre Allie also finds herself in a war of her own...against the family of her new love Connor Kincaid and before all is said and done the Wildes will live or die as the shocking secret of Cedar Ledge will be revealed...the very secret that helped lead Allie to the desolate ruins of Half Breed Haven. ***With sharp wits and guns blazing, the fair-skinned Cassandra, Asian Lijuan, mulatto Honor Elizabeth, and Mexican Catalina-The Daughters of Half Breed Haven, were a force to be reckoned with as they fought and loved their way from the deserts and streets to the bedrooms of 1870's Arizona and beyond.The Reaper of the Rio Sangre is the latest installment of a female lead novel series, The Wildes of the West, where action, sibling suspense and bawdy romance combine in this female adventure novel forming a tale worthy of the wicked Wild West. PLEASE BE ADVISEDThe Sister's escapades, be it braving the sometimes-violent west or their romantic escapades are recommended for readers, who like the Wildes, are 18+ years of age and above.If you are ready to "Get Wilde" return to the top and join the sisters in WOTW #2!

The Wildes of the West #2: the Reaper of the Rio Sangre (the Danger Down Mexico Way Trilogy Book 1)

The bestselling Journey to the West comic book by artist Chang Boon Kiat is now back in a brand new fully coloured edition. Journey to the West is one of the greatest classics in Chinese literature. It tells the epic tale of the monk Xuanzang who journeys to the West in search of the Buddhist sutras with his disciples, Sun Wukong, Sandy and Pigsy. Along the way, Xuanzang's life was threatened by the diabolical White Bone Spirit, the menacing Red Child and his fearsome parents and, a host of evil spirits who sought to devour Xuanzang's flesh to attain immortality. Bear witness to the formidable Sun Wukong's (Monkey God) prowess as he takes them on, using his Fiery Eyes, Golden Cudgel, Somersault Cloud, and quick wits! Be prepared for a galloping read that will leave you breathless!

Journey to the West

In this third “thrilling” (Kirkus Reviews) installment in the New York Times bestselling series from Edgar Award winner James Ponti, the young group of spies help a fellow agent in another international adventure perfect for fans of Spy School and Mrs. Smith’s Spy School for Girls. After taking down a mole within their organization, the City Spies are ready for their next mission—once again using their unique skills and ability to infiltrate places adults can’t. The sinister Umbra has their sights set on recruiting a North Korean nuclear physicist by any means necessary, and the City Spies plan to keep an eye on his son by sending Paris to the chess prodigy’s tournaments in Moscow and Beijing. Meanwhile, Sydney’s embedded as a junior reporter for a teen lifestyle site as she follows the daughter of a British billionaire on tour with the biggest act on her father’s music label to uncover what links both the band and the billionaire have to a recent threat from an old Soviet missile base. From a daring break-in at one of London’s most exclusive homes to a dangerous undercover mission to a desperate search and rescue operation on the streets of Beijing, the City Spies have their work cut out for them on their most dangerous mission yet.

Forbidden City

A haunting account by an award-winning cultural historian that addresses still pertinent issues, such as nature vs. nurture, the acquisition of language in children, and the socialization of deaf and mute children.

The Forbidden Experiment

BEAT THE BAD GUYS, SAVE THE DAY & LASSO UP LOVE In this DELUXE addition combining parts 1 & 2 of WILDE-FIRE a gun battle on the streets of a fiery ghost town is only the beginning as the Wildes of the West plunge headlong into danger in another exciting western adventure. It's do or die against some of the baddest men in the west and the price for failure will mean certain death and the end to their fight for justice along with their scorching escapades with the willing men of the west. Saddle up for the ride and be immersed in all the action, adventure, romance and family drama that comes

with being the formidable foursome known to friends and foes alike as THE DAUGHTERS OF HALF BREED HAVEN. A stunning multiracial quartet whose bravery, thirst for justice and love for each other is matched only by their unbridled appetite for the most casual and sizzling encounters with the opposite (or in Catalina's case, the same) sex. With sharp wits and guns blazing, these four strong women heroines -the fair-skinned Cassandra, Asian Lijuan, mulatto Honor Elizabeth, and Mexican Catalina, all half-sisters, will risk it all as they face off against the most fearsome array of bank robbers, kidnappers, rustlers and murderers the old west has to offer. Bad Guys will fall to their hail of bullets and Good Guys will fall as well...under their spell and into the nearest bed whenever any of these four capable, daring sexy female heroes come calling. Wilde-Fire is the first installment of a female lead novel series, Half Breed Haven, where action, sibling suspense and bawdy romance combine in this female adventure novel forming a tale worthy of the wicked Wild West. PLEASE BE ADVISED The Sister's escapades, be it braving the sometimes-violent west or their romantic escapades are recommended for readers, who like the Wildes, are 18+ years of age and above. If you are ready to "Take a walk on the WILDE side" return to the top and join the sisters in HBH #0!

Half Breed Haven #0 Wilde-Fire (Deluxe Edition) Parts 1 & 2 Combined

When a woman's body is discovered at a lighthouse in the Icelandic town of Akranes, investigators discover shocking secrets in her past. First in the disturbing, chillingly atmospheric, addictive new Forbidden Iceland series. ****WINNER of the CWA New Blood Dagger**** ****WINNER OF THE CWA JOHN CREASEY NEW BLOOD DAGGER**** ****WINNER of the Storytel Award for Best Crime Novel 2020**** ****WINNER of the Blackbird Award for Best Icelandic Crime Novel**** ****SHORTLISTED for the Amazon Publishing Readers Award for Best Independent Voice**** ****SHORTLISTED for the Amazon Publishing Readers Award for Best Debut Novel**** 'Eva Björg Ægisdóttir's accomplished first novel is not only a full-fat mystery, but also a chilling demonstration of how monsters are made' The Times 'Fans of Nordic Noir will love this moving debut from Icelander Eva Björg Ægisdóttir's. It's subtle, nuanced, with a sympathetic central character and the possibilities of great stories to come' Ann Cleeves 'An exciting and harrowing tale from one of Iceland's rising stars' Ragnar Jónasson

When a body of a woman is discovered at a lighthouse in the Icelandic town of Akranes, it soon becomes clear that she's no stranger to the area. Chief Investigating Officer Elma, who has returned to Akranes following a failed relationship, and her colleagues Sævar and Hörður, commence an uneasy investigation, which uncovers a shocking secret in the dead woman's past that continues to reverberate in the present day ... But as Elma and her team make a series of discoveries, they bring to light a host of long-hidden crimes that shake the entire community. Sifting through the rubble of the townspeople's shattered memories, they have to dodge increasingly serious threats, and find justice ... before it's too late. For fans of Yrsa Sigurdardóttir, Ruth Rendell, P D James, Sarah Hilary and Camilla Lackberg

'Elma leaves Reykjavik CID for a job with the police in her hometown of Akranes, deeming it "every bit as quiet as it appeared to be" — until the discovery of a murdered woman starts to unravel a thread of long-buried crimes hidden deep in the community. Elma is a fantastic heroine' Sunday Times 'We're used to Icelandic writers lowering the temperature — in more ways than one — and Ægisdóttir proves to be adept at this chilly art as any of her confrères (and consœurs). Elma is a memorably complex character, and Victoria Cribb's translation is (as usual) non-pareil' Financial Times 'A deserted lighthouse and a murdered woman set the scene for this haunting and compelling mystery where the dark secrets of a small town are shockingly exposed. As chilling and atmospheric as an Icelandic winter' Lisa Gray, author of Thin Air 'The setting in Iceland is fascinating, the descriptions creating a vivid picture of the reality of living in a small town. The Creak on the Stairs is a captivating tale with plenty of tension and a plot to really get your teeth into' LoveReading 'At each stage, Ægisdóttir is not giving us information but asking things of us. She's getting us to think through the implications: what if it's him, what if it's her, what would it mean? We're involved, we've got skin in the game and we can't ask for more as readers' Café Thinking

The Creak on the Stairs

Sham & Shel (the beginning of a totally fictitious old west love story, Book 1) is a story where a young man and young woman meet and fall in love. Shamrock "Sham" Jones was a decorated former United States Army captain. He had been granted a large plot of land located in the Oregon territory by the United States government. The land plot was in recognition of heroic actions Sham had performed as an Army sniper. Shelton "Shel" Johnston and her family were among the travelers of a wagon train traveling through the Nevada desert, also on its way to the Oregon territory. Sham and Shel had met when Sham had come upon the wagon train as it was being robbed by seven outlaws. Sham had used

his sniper skills to rescue the wagon train and its travelers. His actions had also captured Shel's heart forever. Sham & Shel Book 1 is the beginning of what should have been a forbidden love affair. They both knew it, but their passionate desires for each other would not allow them to accept it. 1

Sham & Shel Book 1

Mary Borden worked for four years in an evacuation hospital unit following the front lines up and down the European theater of the First World War. This beautifully written book, to be read alongside the likes of Sassoon, Graves, and Remarque, is a collection of her memories and impressions of that experience. Describing the men as they march into battle, engaging imaginatively with the stories of individual soldiers, and recounting procedures at the field hospital, the author offers a perspective on the war that is both powerful and intimate.

The Forbidden Zone

I thought this new job would be the fresh start I desperately needed. I didn't expect the woman who broke my heart to be my new coworker. Do you believe in love at first sight? I didn't. Not until the night I looked up from my book and saw Lucy Dillard sitting in the same noisy bar as me with her nose buried in her own book. It felt like we were made for each other. When I fell for Lucy, I fell hard. Everything was perfect between us—until she suddenly dumped me. The worst part was she wouldn't even tell me why. Now, not only am I stuck staring at my ex's face in the office all day long, but she's also the one assigned to train me. As if there's not already enough tension between us, she thinks I'm here to steal the promotion she's been promised. But the more we're forced to work together, the better I understand her. And the more I realize how much we kept hidden from each other. Now that I know what Lucy's had to go through and how different her world is from mine? I'm more in love with her than ever. I just need to convince the girl who got away that I'm worth a second chance—and pray she doesn't break my heart all over again. CREAM AND PUNISHMENT is a swoony, full-length second chance romance packed with small town feels and messy family shenanigans. Featuring an unforgettable menstrual cup mishap, a nerdy book-loving heroine who's in over her head, and a cinnamon roll hero with a spicy side, it stands alone and promises an HEA ending.

Cream and Punishment

The first novel in USA Today Bestselling Author Beverly Jenkins's compelling new series follows a Northern woman south in the chaotic aftermath of the Civil War . . . Valinda Lacy's mission in the steamy heart of New Orleans is to help the newly emancipated community survive and flourish. But soon she discovers that here, freedom can also mean danger. When thugs destroy the school she has set up and then target her, Valinda runs for her life—and straight into the arms of Captain Drake LeVeq. As an architect from an old New Orleans family, Drake has a deeply personal interest in rebuilding the city. Raised by strong women, he recognizes Valinda's determination. And he can't stop admiring—or wanting—her. But when Valinda's father demands she return home to marry a man she doesn't love, her daring rebellion draws Drake into an irresistible intrigue.

Rebel

Explore the mind and world of the brilliant neurosurgeon-turned-Sorcerer Supreme Doctor Stephen Strange. Marvel Comics legends Stan Lee and Steve Ditko first introduced Doctor Stephen Strange to the world in 1963—and his spellbinding adventures have wowed comic book fans ever since. Over fifty years later, the brilliant neurosurgeon-turned-Sorcerer Supreme has finally travelled from the pages of comics to the big screen, introducing a new generation of fans to his mind-bending mysticism and self-sacrificing heroics. In *Doctor Strange and Philosophy*, Mark D. White takes readers on a tour through some of the most interesting and unusual philosophical questions which surround Stephen Strange and his place in the Marvel Universe. Essays from two-dozen Philosophers Supreme illuminate how essential philosophical concepts, including existentialism, epistemology, metaphysics, and ethics, relate to the world of Doctor Strange. Fans will find answers to all their Strange questions: How does Doctor Strange reconcile his beliefs in science and magic? What does his astral self say about the relationship between mind and body? Why is he always so alone? And what does he mean when he says we're just "tiny momentary specks within an indifferent universe"—and why was he wrong? You won't need the Eye of Agamotto to comprehend all that is wise within. *Doctor Strange and Philosophy* offers comic book fans and philosophers alike the chance to dive deeper into the world of one of Marvel's most mystical superheroes.

Doctor Strange and Philosophy

Bohemia in America, 1858–1920 explores the construction and emergence of "Bohemia" in American literature and culture. Simultaneously a literary trope, a cultural nexus, and a socio-economic landscape, *la vie bohème* traveled to the United States from the Parisian Latin Quarter in the 1850s. At first the province of small artistic coteries, Bohemia soon inspired a popular vogue, embodied in restaurants, clubs, neighborhoods, novels, poems, and dramatic performances across the country. Levin's study follows *la vie bohème* from its earliest expressions in the U.S. until its explosion in Greenwich Village in the 1910s. Although Bohemia was everywhere in nineteenth- and twentieth-century American culture, it has received relatively little scholarly attention. *Bohemia in America, 1858–1920* fills this critical void, discovering and exploring the many textual and geographic spaces in which Bohemia was conjured. Joanna Levin not only provides access to a neglected cultural phenomenon but also to a new and compelling way of charting the development of American literature and culture.

Paradise Lost

This book explores the role and influence of drink and drugs (primarily opium) in the Old West, which for this book is considered to be America west of the Mississippi from the California gold rush of the 1840s to the closing of the Western Frontier in roughly 1900. This period was the first time in American history that heavy drinking and drug abuse became a major social concern. Drinking was considered to be an accepted pursuit for men at the time. Smoking opium was considered to be deviant and associated with groups on the fringes of mainstream society, but opium use and addiction by women was commonplace. This book presents the background of both substances and how their use spread across the West, at first for medicinal purposes--but how overuse and abuse led to the Temperance Movement and eventually to National Prohibition. This book reports the historical reality of alcohol and opium use in the Old West without bias.

Bohemia in America, 1858–1920

This carefully crafted ebook: "WESTERN CLASSICS Boxed Set - 12 Novels in One Volume" is formatted for your eReader with a functional and detailed table of contents.
