Billionaire Romance

BILLIONAIRE ROMANCE Three bad boys from the streets of Chicago turn military service into a billion dollar business. When one of them goes missing, can these bad boys do what it takes to get him back?
Book 1 (Callie & Tag) She was a pampered princess about to marry the wrong man My life wasn't my own. Father had chosen the man who was to become my husband even though I loathed him. Then a blast from the past hands me the ticket out of a life of misery and I grab on with both hands. When Tag lets me join him on the road, I learn the bad boy from high school has grown up quite nicely. But will he want to keep me around once the dust settles? He was in the city looking for his brother, not a high school crush I hadn't thought about Callie in years, since that hot kiss the day we graduated high school. Who would have thought a surprise encounter in the bathroom would lead me right to her door? A road trip and one hot night, but can I trust she's not with me for my money? If not, would she want to stay forever?

Bad boy

"I need you to go to New York and pretend to be your twin sister." But after being jilted in a previous betrothal, Laila had only one wish, which is to never be the second choice in love again. So, eager to go back to her sheltered life in Sicily and unwilling to do what her father commands, Laila comes clean to Nikos about the farce, hoping he would call off the wedding. However, Nikos had other plans, and he might just be willing to grant her wish.

The Bad Boy

Post-Cinematic Affect is about what it feels like to live in the affluent West in the early 21st century. Specifically, it explores the structure of feeling that is emerging today in tandem with new digital technologies, together with economic globalization and the financialization of more and more human

activities. The 20th century was the age of film and television; these dominant media shaped and reflected our cultural sensibilities. In the 21st century, new digital media help to shape and reflect new forms of sensibility. Movies (moving image and sound works) continue to be made, but they have adopted new formal strategies, they are viewed under massively changed conditions, and they address their spectators in different ways than was the case in the 20th century. The book traces these changes, focusing on four recent moving-image works: Nick Hooker's music video for Grace Jones' song Corporate Cannibal; Olivier Assayas' movie Boarding Gate, starring Asia Argento; Richard Kelly's movie Southland Tales, featuring Justin Timberlake, Dwayne Johnson, and other pop culture celebrities; and Mark Neveldine and Brian Taylor's Gamer.

Bad Boy

The Champ Bad Boys Book 5

"MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."--Amazon.com

And now that her too-busy parents and their respective new spouses don't seem to have time for her, Tansy has been sent to live with her semi-neurotic grandmother. After one incident involving a bad date, a can of spray paint, and the police, Tansy fears she is doomed for life. Enter Chrissy Everstar, Tansy's fairy in shining er... high heels. With three wishes to help set her life right, Tansy is taken along for a ride that includes Robin Hood and his Merry Men, who turn out to be trouble when they steal from the rich in her town. When the police chief's son, Hudson, sees Tansy hanging out with these fairy tale criminals, she'll have some serious explaining to do. That's if Tansy can find a way to stop spinning gold and undo the "help" that Chrissy has bestowed.

Dr. Strange Beard

"I will come back for my revenge." That was Tatiana Rostova's promise to herself as she fought for her life one cold night out at sea, after the two people she loved the most betrayed her and watched as the ruthless ocean tried to swallow her whole. She would even sell herself to the devil-even if the devil came in the form of a six-foot-two, silver-eyed Italian duke named Lucca Cavelli. She would take everything that was rightfully hers-and this will be the start of the wallflower's revenge.

The Purification Ceremony

This collection includes eighteen essays that introduce the concept of unpopular culture and explore its critical possibilities and ramifications from a large variety of perspectives. Proposing a third term that operates beyond the dichotomy of high culture and mass culture and yet offers a fresh approach to both, these essays address a multitude of different topics that can all be classified as unpopular culture. From David Foster Wallace and Ernest Hemingway to Zane Grey and fan fiction, from Christian Rock and Country to Black Metal, from Steven Seagal to Genesis (Breyer) P-Orridge, from The Simpsons to The Real Housewives, from natural disasters to 9/11, from thesis hatements to professional sports, these essays find the unpopular across media and genres, and they analyze the politics and the aesthetics of an unpopular culture (and the unpopular in culture) that has not been duly recognized as such by the theories and methods of cultural studies.

The Wallflower's Revenge

This study models the skyscraper as a complex network of actors and retraces its initial assemblage during the 19th century to its evolution into a smart structure from the mid-20th century onwards by looking at a great number of US-American novels and movies. It connects classic spatial theories with concepts and methods of ANT and Urban Studies.

Unpopular Culture

It also shows how work with a connection to Vienna by international stars like David Bowie, Wes Anderson, and Christoph Schlingensiefel has absorbed the same principles. While the overwhelming scale of technological development and the ensuing problems and crises may not have been deliberately designed to induce resignation, passivity, and despair, those who benefit from the related hyperobjects of financialization and climate change must find it convenient that they do, as demoralization reduces resistance to their profit-making machinations. It is in this context that Red Vienna's proud tradition of social engagement and long tradition of resistance and radicality deserves to be better known. Susan Ingram is Professor in the Department of Humanities at York University, Toronto, where she coordinates the Graduate Diploma for Comparative Literature and is affiliated with the Canadian Centre for German and European Studies and the Research Group on Language and Culture Contact. .

The Post-Conflict Environment

You're beautiful and kind and very smart. But best of all, you're mine. Do you remember the stories your Grandma used to tell you every night about cursed beasts, village beauties, girls in red capes and wolves in disguises? Well, maybe, just maybe... they actually do happen. Maybe, beasts do exist. They do. I would know. I am bound to one. Whom, you may ask? Well, I am mated to the Alpha King. How? You will see. You will live through it with me. I am Theia Anderson. I am just like any one of you,

human, alive, and breathing. But unlike any one of you, I've stumbled upon a world that until yesterday... I couldn't even fathom into existence. This is my story.

A collection of essays by presidents of prominent liberal arts colleges and leading intellectuals who reflect on the meaning of educating individuals for leadership and how it can be accomplished in ways consistent with the missions of liberal arts institutions.

The 18th Emergency

Will is my fiancé. The shy man I met years ago in college. The person I'm supposed to spend the rest of my life with. This is the life I've always wanted until finding a picture of four men changes everything... Étienne says he's my husband and the year is 1912. He can't stand the sight of me, but I don't know why. Oh, and he's one of the men from the picture. I've done the impossible and have become trapped in time and I know Étienne is my key to going home. The more time I spend with Étienne, the further I fall for him until I'm questioning which time I belong in and if the life I left behind is the one I truly desire. All I know for certain is I need to survive time. I need to survive love. And I need to make it out on the other side alive." *The Surviving Trace* was twisty, decadent, heart racing, must read perfection." -Carey Heywood, NYT Bestselling Author "This book, y'all ... this book. It's smart and romantic, twisty and mysterious, and I couldn't put it down. If I could give it ten stars, I would in a heartbeat." -Emily Snow, NYT & USA Bestselling Author "I savored every single poetically crafted word and became obsessed with this breathtaking romance. Calia Read is a true mastermind and I'm sure it's safe to say that *The Surviving Trace* is a masterpiece and my favorite read of 2018." -Shanora Williams, NYT & USA Bestselling Author

Siting Futurity

A standalone, contemporary romance story

A Sicilian Marriage

This collection of essays focuses on the representations of a variety of “bad girls”—women who challenge, refuse, or transgress the patriarchal limits intended to circumscribe them—in television, popular fiction, and mainstream film from the mid-twentieth century to the present. Perhaps not surprisingly, the initial introduction of women into Western cultural narrative coincides with the introduction of transgressive women. From the beginning, for good or ill, women have been depicted as insubordinate. Today's popular manifestations include such widely known figures as Lisbeth Salander (the “girl with the dragon tattoo”), *The Walking Dead*'s Michonne, and the queen bees of teen television series. While the existence and prominence of transgressive women has continued uninterrupted, however, attitudes towards them have varied considerably. It is those attitudes that are explored in this collection. At the same time, these essays place feminist/postfeminist analysis in a larger context, entering into ongoing debates about power, equality, sexuality, and gender.

Japanese Cinema

Gator Fontenot of the Special Forces paranormal squad can't refuse an urgent request to save the elusive Iris Johnson, a victim of the same horrific experiments that warped Gator. Now unleashed, she's a flame-haired weapon of unimaginable destructive powers, a walking time bomb bent on revenge in the sultry bayous of New Orleans, and hunted by a shadowy assassin. It's Gator's job to reel Iris in. But can two people haunted by violent betrayals trust the passion that soon ignites between them? Or is one of them just playing another seductive and deadly night game?

Mated to the Alpha King

Lady Ophelia Darby exists in two worlds. In one, she is the impudent, willful daughter of a powerful marquess and darling of the ton. In the other, she moves through the underworld's shadows as songstress Lady Starlight, protected only by the notoriously wealthy scoundrel Devlin Byrne. But when

she stumbles upon her beloved father's darkest secrets, the line between her two worlds quickly blurs. Now she needs the help of the one man a lady should never trust. Devlin Byrne stands on the edge of London society, knowing he will never be accepted. No one else knows that his obscene wealth and ruthlessness aren't without purpose. Or that his purpose has golden-brown eyes that shimmer with mischief, the palest of skin, and a lush mouth that beckons to be kissed, and deeply. But having Ophelia is only the beginning of Devlin's plans. It's undeniable that Devlin Byrne is a dangerous temptation—but just as Ophelia begins to trust him, maybe even fall for him, she discovers she's not the only one with secrets. And his would lead her down more than just the path of scandal... Each book in the Sinful Wallflowers series is STANDALONE: * My Darling Duke * Her Wicked Marquess * A Scoundrel of Her Own

The Encyclopedia of Great Popular Song Recordings, Volumes 1 and 2 covers the full range of popular music recordings with virtually unprecedented breadth and depth. In this 2-volume encyclopedia, Sullivan explores approximately 1,000 song recordings from 1889 to the present, telling the stories behind the songs, recordings, performers, and songwriters. From the Victorian parlor ballad and ragtime hit at the end of the 19th century to today's rock classics, the Encyclopedia progresses through a parade popular music styles, from jazz to blues to country Western, as well as the important but too often neglected genres of ethnic and world music, gospel, and traditional folk. This book is the ideal research tool for lovers of popular music in all its glorious variety.

This book is a collection of most of my songs, recast as poems. They were written over a fifty-year period, and, over that time, my experiences have grown and my sensibilities have shifted in various ways. And my hope is that there is something in here for you—that the songs on the wind that have come to me, moved me, carried me, will help sing you homeward as well.

Second Chance

In life and love, it's never too late for a second chance... As editor-in-chief of New York's leading fashion magazine, Fiona Monaghan was utterly content with her life, jetting back and forth between Manhattan and Europe-until the day John Anderson strolled into her office. A widower with two daughters, John was as conservative as Fiona was freewheeling, and was both amused and appalled by her world of high-strung designers, anorexic models, and Sir Winston, her snoring bulldog. But after Fiona impulsively invited John to the Paris couture shows, somewhere between the magic of the catwalk and the stroll along the Seine, she let him into her heart. Within weeks of their return to New York, John was making friends with Sir Winston - and Fiona was making room in her closets. A dazzling tale of modern misadventures, career-crossed relationships, the heady magic of instant attraction and the hope that comes when we dare to do it all over again...

Again with You

He may be the successful lawyer in town, but now Jake Sutton's biggest challenge is negotiating a second chance after an unexpected reunion... I don't have time for romance. I tend to skip dinner and head straight to dessert. It's not like I'm a complete jerk, I know how to be romantic—it happened once. My friends have been trying to set me up on a blind date for months with the new bakery owner in town, to no avail. But when we end up at the same party, and our eyes meet, it all comes back. Turns out Avery is no stranger. Avery and I had a summer together a few years back in a different city. We were so many things... then one day, we were not. Yet seeing each other again, well, it's a struggle—the not jumping into bed or lying her down on the kitchen counter kind of struggle. But closure and a second chance are not the same things, and we'll need both if we want to try again. And we are about to realize that finding our way back to one another could just be bittersweet... Swoony, with heartwarming moments, *Again with You* is the fourth standalone novel from the interconnected Sage Creek series. Readers who enjoy small-town, second-chance romance with a determined hero will enjoy Jake and Avery's journey to a HEA! *Like all Sage Creek books, this story is filled with 99.9% banter, steam, and swoon. There is, however, one scene that may pull at your heartstrings a little extra in relation to loss. Author's Note: This is the 2nd edition which includes previously exclusive bonus material and small reworks of scenes. The story remains unchanged.

Secret Baby

What happened when I fell for my hot, billionaire boss? More than I ever bargained for! I'm Anastasia Penland. Midwest girl with big dreams. Moving to Massachusetts with hopes of operating my own business, how could I turn down the salary Ross Worthington offered me? I couldn't. Then he offered me even more—a scorching hot office romance. We couldn't get enough of each other. Then I found out I was pregnant. Thinking that Ross could never want a child, I bolted back to Kansas without telling him. Nearly four years later, he unknowingly hired my company to cater a dinner party. Imagine my surprise when I saw him there. Imagine his surprise when he found out he was a father. His secret and my unexpected pregnancy drove us apart. An unexpected reunion and revelations spark our romance years later. Will our child be enough to keep us together this time? Or, will fatherhood prove to be too much for Ross?

Have Mercy

He's huge, growly, and takes what he wants. And oh yeah, he left me pregnant with his son seven years ago. Jace and I were sweethearts during high school. He was the proverbial bad boy from the wrong side of the tracks: hardened, fierce, with rough, strong hands, perfect lips, and a devastating need to claim. The man was huge. Irresistible. ... and all mine. But Jace left our small town to seek his fortune in the big city, leaving me pregnant from our steamy encounters stolen at midnight. Now he's back and the minute he sees our son's blue eyes, every cell in his body turns insanely possessive. He's back to take what's his. To claim what belongs only to him. To brand me as his with a searing kiss. And god help me, but I want to give him everything. Jace isn't going away because with two fierce words, the man has staked his claim: you're mine. Craving an alpha AF, growly bad boy with a sinful stare and a taste for curvy women? Love secret babies and single dads with a crazy-as-hell possessive streak? Then click READ for a book that will spontaneously combust in your inbox. Reader beware. Not responsible for e-readers that short circuit. As with all my books, this one is safe, with no cheating, and a HEA guaranteed.

I didn't even know he had a sister. Kate was everything I could ever want, and against all odds, she even wanted me back. Too bad her brother would murder me if he knew. I've come home to find that the girl I've never been able to forget has forgotten me. I guess I should have told her the truth. Kate's convinced it'll never work, and she's just as convinced I never wanted her. She's still stubborn as hell and I don't deserve her, but I've always loved a challenge. This time, I'm not playing games.

The world never granted me much. No warm and cozy home to rest my head, no loving parents to cheer at my games or remember my birthday, and certainly no finer things in life. Just a damn good arm to throw a football and a hunger inside of me that I hoped would lead me straight to the NFL. I was twelve years old when the universe finally delivered its first gift. All it took was one look at her face, and I knew she had been made for me and me alone. From that day forward, my soul was hooked, taken, a slave to hers. Nothing could come between us. I was headed to college and then pro ball, and she would be by my side, where she belonged. Until one day, she disappeared without a word. The love of my life, my best friend, was suddenly gone, vanished, evaporated into thin air. Almost as if she were never even here. Now, over a year later, at Brooks College in Georgia, she's back. I want vengeance for her leaving me so callously. But one look into her stormy-blue eyes, and I'm enamored yet again. But she's keeping secrets. Pushing me away so that they remain buried in the past. She's forgetting one thing though-when it comes to her, I'll stop at nothing. She can't keep me at arm's length forever. After all, she is mine. This is a complete stand alone in the Brooks University series. Second Chance Sports Romance
