Roommates felt like such a safe proposition until Ramsey's lingering touches and wicked smile light a fire in me I don't think will ever be extinguished. And he feels it, too... That's a Lie

Seth is back. When he walked back into my life, it almost felt like the pieces of my broken heart could be fixed. I thought we could go back to being best friends, but then I started to feel what I had been blocking out for years. I tried. Boy, did I try! But once I started to let him in, I wanted nothing more than to cross that line from friendship into something more... Just when I think I can move on and let myself be happy, an ugly reminder from my past comes storming in and threatens to destroy the sliver of hope that's been growing since Seth came back. Do I even deserve to be loved? "I'm not asking to fix your heart. I'm not asking to mend you. I love each and every shattered piece of you. I'm asking that you let me love you. Let me love each piece of your broken heart, and I swear to you I will make up for every heartache you have ever experienced." I came back for Josie. I knew I'd have to fight for her, but with the loss of her dad and the truth about what happened with her and Blake, I quickly realized that making her mine was going to be a lot harder than I first thought. The problem is, I can't pretend like she's just my best friend. I can't pretend I don't want more. I'm willing to do anything to get her to admit she has the same passionate feelings for me, because I know once she opens up and stops lying to herself, I can show her what it really means to be loved. It's a battle of wills, but my love for her is stronger than her will to stop me. So I fight for her. I fight because I know she deserves it. ***New Adult Contemporary Romance - Recommended for readers 18+ due to explicit language and sexual themes. This is book two in a series. Until a stranger became a friend who became the glue that might finally piece together the jagged fragments of her life, of her heart. How far would you be willing to go for someone you love? Brant Matthews never wanted to fall in love again; he had worked diligently to avoid emotional entanglements at all costs. He knew what it was to lose the one you loved, to fail them so irrevocably that the entire trajectory of your life shifted. But seeing the broken look in Lauren's crystal-blue eyes, feeling that old pain flare anew and knowing from experience exactly how much she was hurting... he never stood a chance. She had him, whether she was ready to accept that or not. And when her childhood tormentor set his sights on her once more, Brant knew exactly how far he would go to keep her safe. He would die for her or kill for her. There would be no middle ground.

Not My Heart to Break

From USA Today bestselling author Willow Winters comes a heart-wrenching, edge-of-your-seat gripping, romantic suspense. I ran from him, even though my heart knew better. Love was one thing, but survival another. I should have known he'd come for me. Men like him always get what they want. The temptation in his eyes, the heat of his touch . . . it's all still there, but his gaze is harsher now and his grasp unrelenting. He's not the boy I fell in love with, although pieces of what we once had are still

there. I can feel it. I know what he wants from me, and I know it comes with a steep price. I'll pay it though, if for no other reason than to touch him again. Just once more. I'll close my eyes and forget about the risks that come with this life and with him. I only hope he doesn't do the same. "...the darker side of romance with epic twists of passion, lust, want, need, love, hate and epic suspense!" - The Sass Nerd Blog
Not Not My Heart to Break is the complete collection of the USA Today bestselling, Hard to Love series.

The Wrong Heart

When my husband died, he left my broken heart behind. He left another heart behind, too-his. I know it's wrong. I shouldn't be contacting the recipient of my husband's heart. I don't even expect him to reply... But there's a desperate, twisted part of me that hopes he will. No names. No personal details. Just a conversation. The only thing I have left of my husband is inside him. WARNING: This book contains heavy themes, such as loss of a loved one and suicide. Please read responsibly. REVIEWS "Mind-blowing. Body-heating. Heart-stealing. He's a tortured hero, and she's a beautiful broken melody, colliding together in death and resurrecting from places within, where 'the beats are loud and songful.' All the damn stars!" Pam Godwin, New York Times, Wall Street Journal, and USA Today Bestselling Author "They say there is no reward without pain, and that's how we'd describe The Wrong Heart. This author shredded our hearts to pieces, then stitched them back together with love, sincerity, and a whole lot of clever and insightful storytelling. The Wrong Heart has left an indelible mark on our hearts, as we're still living every moment of this unforgettable emotionally stirring story of love, grief, and second chances." Totally Booked Blog "There are books where you read the last page and then move on with your life, and then there are BOOKS which even after the last page, stays with you forever. THIS is one of those books." Lilith Seven Reviews "This is a beautifully woven tale of the greatest of losses, consisting of well-developed, beautifully broken characters and a heartbreakingly hopeful story that not only turned my emotions inside out and upside down, but forever changed me because it was so impactful! After reading this book, I am forever changed, not just by Parker and Melody, but in the way Jennifer magnifies real-life lessons that she imparts throughout the novel. After reading this, I have a deeper appreciation for all I have in my life and the value of small moments." Jennifer Hahn, Goodreads Reviewer

This isn't the end of the story. It's only the beginning, and it is brutal. There's a reason enforcers are considered too deadly to love. "We have to be better than them. Stronger. Faster. Smarter. Will a shared passion for art—and, increasingly, each other—be enough to keep them together? Or will it be the thing that ultimately tears them apart? The epic saga is just one click away...

Heart Melter

Mills & Boon are proud to present a thrilling digital collection of all Sharon Kendrick's novels and novellas for us to celebrate the publication of her amazing 100th book! Many of these books are available as e books for the first time.

Romancing His Heart

Heart Of Courage Kat Martin Under the pert pen name 'Lady Smart', opinionated Lindsey Graham crusades for social change among London's elite. But her greatest campaign begins when her brother Rudy, a notorious rake, is accused of murdering a string of prostitutes. Bolstered by an anonymous letter naming Viscount Merrick as the killer, Lindsey launches her own investigation, earning herself an unwelcome bodyguard in the process... Though she can barely conceal her attraction to rugged Norseman Thor Draugr, the pair are like oil and water. Then, an attempt on her life reveals not only the

lengths someone will go to prevent her interference, but also that she can no longer deny her desire for the warrior by her side.

Mated to the Pride

The series readers made a New York Times and USA Today bestseller! See why fans love Tristan and Nina and Gage and Jordan! The Heart of Stone Volume Two contains Ever After, Unforgettable, Unbreakable, and A Heart of Stone Christmas. Ever After Ever After is the story of what happens with Tristan and Nina after they say "I do." For readers who read Give In To Me and want to know if Tristan's dream of their future comes true, this novella answers that question. Unforgettable What do you do when the one you love is the one you can't have? Gage Varo had accepted being alone for what he'd done. No one else should be hurt because of him. Then one day Jordan showed up and he fell hard for the beautiful blond who made him believe in love again. But his past returned with a vengeance and forced him to make the hardest choice of his life. He never stopped loving her, though, even as he watched her move on without him. What do you do when the one you love is the one you shouldn't want? Jordan Wright thought she found real love with Gage, but it all ended one night with a phone call. Now she's got a chance to have the life she's always wanted with a man who can give her everything. All she needs to do is forget about Gage and she can be happy. The problem is she can't forget the one man who loved her unlike anyone else ever had. They'll have to put the past behind them if they ever want to have a future, but the past isn't going away that easy. Unbreakable For Gage, the past never goes away. All he's done to protect Jordan doesn't erase the failure he can't forget. But he'll have to find a way to overcome those demons that still haunt him to be the man she needs him to be or risk losing her forever. The only thing Jordan knows to be true is Gage loves her. She doesn't know why Hailey wants her dead or why a billionaire wants to help her kill her, but together with the man she loves, they'll work to unravel the mystery behind Hailey's plan. But will it be in time, or will she lose him again, this time for good? A Heart of Stone Christmas Tristan Stone has made all of Nina's dreams come true. Three beautiful children, a gorgeous home, and everything she could ever ask for is hers. But now he needs to show her that even domestic bliss can use a little surprise every so often, and what better time to do that than Christmas? Join your favorite couple and see how Tristan shows Nina just how much he loves her in A Heart of Stone Christmas.

The Rourkes Boxed Set Books 1-3 (Royal Romantic Comedy)

Dive into sexy, royal romantic comedy with the Rourkes! USA Today Bestselling Series! The Rourkes Boxed Set includes three full-length novels: Royal Catch, Royal Hottie, and Royal Darling. Book 1: Royal Catch Gabriel I'm the crown prince of Villroy, heir to a kingdom, bound by duty to marry and produce an heir. I expected a quiet arrangement through royal channels, instead I got a palace full of women vying for my hand. And how do they "win" this barbaric game set up by my crafty mother? By figuring out how to save the kingdom's faltering economy through a series of challenges. This undignified circus is beneath a man of my stature! Proof being that a saucy, ill-mannered woman wearing body-hugging clothes is in the lead. I could never love someone like that, let alone marry her. Anna The plan sounded simple. I pose as my friend, pick up her inheritance, and return with the cash to keep her out of jail. (Apparently, being a princess in hiding is no excuse for identity theft.) So, yeah, I'm not exactly royal. I'm an orphan, a self-made woman, and proud of it. Suddenly I'm in a battle royale with a bunch of crazy competitive women for "riches beyond our dreams." I'm in a time crunch, which means I need to win this competition fast. Only, that means winning over the judge; the smoldering hot grim-faced Gabriel. And now I find myself wanting to compete for more than just the money. But could a royal prince ever fall for a commoner like me? Book 2: Royal Hottie Phillip I never expected to be the prime target of a bachelor auction, compliments of my outrageous sister-in-law, the new queen. I don't care if the internet has turned me into a royal hottie meme, I am not a piece of meat. So when the first eager single woman arrives at the palace, I send her packing. Only the damn woman refuses to leave. Ruby Why would I want to buy a date with an arrogant rude prince? I'm here to do a job, which I desperately need, and no delusional prince is going to stand in my way. Obviously, the "royal hottie" believes the hype. So how did I end up winning the top prize in a royal bachelor auction, and what will I do with him? I can't let myself fall for a playboy. Besides, we're heading in opposite directions. He's going on an international tour for a year or more, and I absolutely have to get back to the US. Only this prince is used to getting what he wants, and now he wants me. Book 3: Royal Darling Jackson Being a rock god isn't all it's cracked up to be. It's become a soulless grind. Which is why I'm now on my mate's houseboat, far away from the spotlight, hoping to find my way back to the music. Yeah. Not gonna happen. I've just discovered a stowaway on board, and I can't believe who she is. A bloody princess? And the prim little woman won't leave the boat, so I make an offer to scare her off—a no-strings fling. Only she says yes. I say no, and she promptly locks herself in my bedroom. I swear I'm dropping her off at the next port. She's trouble wrapped in a pretty virginal package, and I know I shouldn't touch. Emma I'm a runaway bride trying to make a clean escape. But when Jackson Walker discovers me hiding on his boat—after I get over the shock of stumbling upon a rock star's hideaway—I immediately know he's exactly what I need. He's wild, rough around the edges, perfect. My family would never approve. The press would skewer us. I still want him. He's the antidote to my tightly prescribed life. But can he ever see past my title to the woman I long to be? The series continues with Royal Charmer, where Lucas meets his queen! The Rourkes Series Royal Catch (Book 1) Royal Hottie (Book 2) Royal Darling (Book 3) Royal Charmer (Book 4) Royal Player (Book 5) Royal Shark (Book 6) Rogue Prince (Book 7) Rogue Gentleman (Book 8) Rogue Rascal (Book 9) Rogue Angel (Book 10) Rogue Devil (Book 11) Rogue Beast (Book 12) Keywords: contemporary romance, romantic comedy, chick lit, funny romance, humorous romance, humorous fiction, women's fiction, royal romance, prince romance, royalty, series romance, series, romance, romantic, family life, dating, boxed set, box set, romance boxed set, anthologies, romance

This contemporary romance boxed set includes 3 full length novels: GAME OF LOVE STROKE OF LOVE FLAMES OF LOVE Sneak Peek, SLOPE OF LOVE *** In GAME OF LOVE... Ellie Parker is a master at building walls around her heart. In the twenty-five years she's been alive, Dex Remington has been the only person who has always believed in her and been there for her. But four years earlier, she came to Dex seeking comfort and then disappeared like a thief in the night, leaving him a broken man. Dex Remington is one of the top PC game developers in the United States. He's handsome, smart, and numb. So damn numb that he's not sure he'll ever find a reason to feel again. A chance encounter sparks intense desires in Ellie and Dex. Desires that make her want to run--and make him want to feel. A combination of lust and fear leads these young lovers down a dangerous path. Is it possible to cross a burned bridge, or are they destined to be apart forever? *** In STROKE OF LOVE Kate Paletto runs a volunteer program in Belize for Artists for International Aid, where she deals with self-centered artists who use the program as a means to repair their marred reputations. She loves the country, the people, and what AIA stands for, but too many diva volunteers have turned her off to press-seeking celebrities altogether and left her questioning the value of the volunteer program. When she meets incredibly handsome and charming Sage, he stirs emotions she hasn't felt for ages, even though he represents the things she despises. Laid-back artist Sage Remington escapes his wealthy lifestyle in the Big Apple for a two-week journey of self-discovery to figure out how a guy who has so much can feel so empty. When he meets ultra-organized Kate, who lives her life the way he's always dreamed of living his, the attraction is too hot to ignore, but Sage is there to figure out what's missing in his life, not to find a woman. Every look, and every late-night chat in the romantic jungle brings them closer together, but Sage can barely think past stripping away Kate's misconceptions about him. Kate fights him every step of the way--even though she finds it hard to ignore the strikingly handsome, generous-to-a-fault artist who wants to do nothing more than right the wrongs of the world--and love her to the ends of the earth. *** IN FLAMES OF LOVE... As one of New York's Finest, firefighter Cash Ryder is always prepared. When a woman's car skids off the side of a mountain during a snowstorm, he's there to rescue her. Cash is totally focused on the woman's well-being, but within minutes of getting her to safety, he realizes that he's nowhere near prepared for the heat that rolls off of sensual, smart-mouthed, and stubborn Siena Remington. As a model, Siena Remington has dated some of the wealthiest, most handsome men in the industry, and she's made peace with the idea that most men are just looking for eye candy and they wouldn't know how to romance a woman to save their lives. When she's rescued by a tall, handsome stranger, she thinks that maybe, just maybe, she's found her own real-life romantic fairy tale--until he opens his mouth and everything that comes out is gruff, ornery, and aggravatingly sexy. Thrown together during an annual firehouse calendar photo shoot, the passion between Cash and Siena sizzles, and neither one

knows how to control the flames. After an evening of verbal sparring followed by a sinfully sensual night, their darkest secrets are revealed--and so is Cash's warm, romantic heart. But Siena's secret might be too much for big, strong, always-prepared Cash to handle--and Siena is forced to choose between a man who's everything she's ever dreamed of and an opportunity of a lifetime. *** The Remingtons are the third installment of the Love in Bloom Series (Voted BEST BOOK SERIES by Supportive Business Moms, UK) written by New York Times & USA Today bestselling and award-winning author Melissa Foster. A Train Through Time Boxed Set Books 1-3

A historical time travel romance series set in and around Seattle and Montana in the early 1900s. The first three bestselling time travel romances of the Train Through Time Series are now available in a boxed set at a discounted price! Book 1: A Train Through Time Book 2: Together Forever Across Time Book 3: A Smile in Time A TRAIN THROUGH TIME: College teacher Ellie Standish thinks she's on a sleek modern train heading to a conference on women's studies in Seattle, but she awakens from a night's doze to find herself on a bizarre historical train full of late Victorian era reenactors who refuse to come out of character. When the leader of the group—one handsome, green-eyed Robert Chamberlain—finally convinces her the date is indeed 1901, a skeptical Ellie rejects any eccentric theories of time travel and presumes she is smack dab in the middle of a very interesting historical dream. She turns the directorial reins of her dream over to one smitten and willing Robert, only to realize that dreams cannot last forever. Someday, she must wake up to reality, though Ellie no longer has any idea what reality is. She only knows that Robert must play an important part in her future. But how can he...if he's only a figment of her imagination or worse yet...a man who belongs to an era long past? TOGETHER FOREVER ACROSS TIME: Stephen Sadler reluctantly attends the Seattle wedding of Robert Chamberlain to Ellie Standish, the woman who had captured his interest. There he says goodbye to the woman he thought he had fallen for. Only a few weeks later while traveling on a train, Stephen is confronted by the vision of a strange wild-haired woman in a pair of snug-fitting trousers called "jeans" who claims she doesn't know where she is or how she came to be on his train—until she sees the date on the newspaper, that is. Dani Douglas cannot travel through time! Her mother in Montana is ill, and she has to get back to her. But the crystal clear blue eyes of handsome Stephen Sadler hold her captive in 1901, and she doesn't know how to leave him...perhaps forever. Stephen realizes that Dani and Ellie have much in common, but where Ellie simply captured his interest, Dani has captured his imagination and his heart. Unlike Ellie though, Dani cannot stay, her mother is ill. Stephen doesn't know how he can let her leave him...perhaps forever. As the train hurtles back and forth across the rails, Stephen and Dani struggle to find a way to be together forever across time. A SMILE IN TIME: Annie St. John and her sister, Marie, decide that the three-day train ride from Chicago to Seattle to catch their Alaskan cruise was a bit too much, and they swear that next time, they'll fly. But "a bit too much" doesn't begin to describe what they find when they wake up from a short doze on their sleek modern train. Over a hundred years before, Rory O'Rourke heads back to Seattle from a photo shoot in Montana on the Oriental Limited. When a young woman in tight clothing called 'capris' falls into his arms, Rory finds his hands full with not one, but two young women who claim they must have traveled back in time. Rory scoffs at the idea, but his innate chivalry will not allow him to resist the pleas of the young women for help. Available Now: Finding You in Time, Book 4 of the Train Through Time Series

While Danica has exchanged letters and phone calls with Lacy, Kaylie has fervently tried to pretend she doesn't exist. Lacy is sweet, fun, and nearly a mirror image of Kaylie. To make matters worse, not only is Lacy looking forward to meeting her sisters, but she idolizes them, too. As the countdown to the wedding date ticks on, their parents are playing a devious game of revenge, and there's a storm brewing over the island, threatening to cancel their perfect wedding. Oil Kings Collection Books 1-3

Books 1-3 of the Oil Kings series. A widowed oil tycoon with four adult kids learns each son needs to marry before they get the oil trust money their mother left them, and they're running out of time. King's Crown I've made a promise to myself—no more women. It's not like I'm a love 'em and leave 'em kind of guy. They all know the score, and they're all looking for the same thing I am. But I have to set a better example for my grown sons, who seem to be making all the wrong decisions when it comes to their relationships. The last thing I need is to be stranded in a snowstorm with Kendall, twenty years my junior and unintentionally alluring. We're stuck in very close quarters. With no electricity. And no heat other than what we can generate... King's Ransom It was supposed to be a simple case of revenge: get to know King Tech owner and CEO Beckett King, learn his secrets, and ruin his life like he ruined my brother's. But Beckett King offers me a deal I can't refuse. Not only does he want me to pretend to be engaged to him, he needs to marry me to get his grandmother off his back. And at the end of the year, we can go our separate ways, only I'll be a whole lot richer. I won't fall for his irresistible good looks, or that aw, shucks country-boy charm he still possesses from growing up on a ranch. I'm smarter than that. He has a lesson to learn and I'm the best one to teach him. But that's the tricky thing with revenge. It doesn't always go as planned. King's Treasure I take one look at Savvy and know I could spend the rest of my life with her. The feeling is mutual...until she figures out who I am after our impromptu Vegas wedding. I didn't mean to hide my identity, and I thought a desire to get out from under the weight of familial baggage was something we had in common. But with Savvy just moments from proposing divorce, I offer her the one thing I'd been ready to walk away from: A trust fund worth millions. All Savvy has to do is stay married to me for a year and then she'll get half—except I have no intention of letting her go after 365 days. I've spent a decade running from my father's disapproval and my brothers' successes. Now I'm willing to spend a lifetime convincing the woman I love to stay put by my side. MacLarens of Fire Mountain Contemporary Boxed Set Books 1-3

Second Summer, Book One The Chairman of both the MacLaren Cattle Co. and MacLaren Land Development, Heath MacLaren is a success professionally—his personal life is another matter. Following a divorce after a long, loveless marriage, Heath spends his time with women who are beautiful and passionate, yet unable to provide what he longs for . . . It's been two years since Annie's husband died, leaving her to build a new life. He was her soul mate and confidante. She has no desire to find a replacement, yet longs for male friendship. . . . A chance meeting with Heath turns into an offer to join the MacLaren Foundation Board. The platonic friendship that builds between Annie and Heath points to a future where each may rely on the other without the bonds a romance would entail. However, without consciously seeking it, each yearns for more Annie's acceptance of the deep, yet passionless friendship with Heath sustains her, lulling her to believe it is all she needs. At least until Heath drops a bombshell, forcing Annie to realize that what she took for friendship is actually a deep, lasting love. One she doesn't want to lose. Each must decide to settle—or fight for it all. Hard Landing, Book Two Trey "Cowboy" MacLaren is a confident, poised Navy pilot. He's focused, loyal, ethical, and a natural leader. He is also on his way to what he hopes will be a lasting relationship and marriage with fellow pilot, Jesse Evans. Jesse has always been driven. Her graduation from the Naval Academy and acceptance into the pilot training program are all she thought she wanted—until she discovered love with Trey MacLaren Trey and Jesse's lives are filled with fast flying, friends, and the demands of their military careers. Lives each has settled into with a passion. At least until the day Trey receives a letter that could change his and Jesse's lives forever. It's been over two years since Trey has seen the woman in Pensacola. Her unexpected letter stuns him and pushes Jesse into a tailspin from which she might not pull back. . . . Each must make a choice. Will the choice Trey makes cause him to lose Jesse forever? Will she follow her heart or her head as she fights for a chance to save the love she's found? Will their independent decisions collide, forcing them to give up on a life together? One More Day, Book Three Cameron "Cam" Sinclair is smart, driven, and dedicated, with an easygoing temperament that belies his strong will and the personal ambitions he holds close. His job as head of IT at the MacLaren Cattle Company and his work as a Search and Rescue volunteer are all he needs. At least that's what he believes until he meets fellow SAR volunteer, Lainey Devlin. Lainey is compassionate, independent, and ready to break away from her manipulative and controlling fiancé. Just as her decision is made, she's called into a major search and rescue effort, where once again, her path crosses with the intriguing, and much too handsome, Cam Sinclair. But Lainey's plans are set. An opportunity to buy a flourishing preschool in northern Arizona is her chance to make a fresh start, and nothing, not even her fierce attraction to Cam Sinclair, will impede her plans. As Lainey begins to settle into her new life, an unexpected danger arises—threats from an unknown assailant—someone who doesn't believe she belongs in Fire Mountain. The more Lainey begins to love her new home, the greater the danger becomes. Can she accept the help and protection Cam offers while ignoring her consuming desire for him? Even if Lainey accepts her attraction to Cam, will he ever be able to come to terms with his own driving ambition and allow himself to consider a different life than the one he's always pictured? A life with the one woman who offers more than he'd ever hoped to find?

Wrecked Beginnings

Author Catherine Cowles brings you an addictive small-town romance series full of protective heroes and suspenseful twists and turns. Wrecked Beginnings contains the first three standalone novels in the Wrecked series. RECKLESS MEMORIES I loved him before I knew what the word meant. From skinned knees to first dates and everything in between. But he was never mine to love. I settled for friendship, even though I always wanted more. That was before. Before he ripped my world apart and didn't bother sticking around to help me pick up the pieces. I knit every last shred back together all on my own. And I've all but forgotten his name. Now, he's back, and everything is torn apart once more. But he's not the only one doing the tearing this time. And there might be no stopping the person who has it out for us both. PERFECT WRECKAGE My past taught me to play it safe. To stay far away from handsome men who promised it all. My life was good without them. Stable, secure, predictable. But one kiss showed me that I'd been playing it safe for far too long. One night and all I wanted was more of his wildfire. One challenge and my carefully constructed walls tumbled down. Amidst the rubble, I realized there was more to this man than I ever dreamed. When everything fell apart, he showed me what it meant to stay. How to truly live. But some demons don't stay buried. The past can come knocking when you least expect. And the life he's showing me might be shorter than either of us expected... WRECKED PALACE One night was all it took for everything to change. From college student to guardian in a single breath. My siblings became my world. No time for date nights or romantic dreams. I traded quiet weekends for sleepless nights. Giving my all to make sure they were cared for. But Griffin had a brokenness that called to me—one that mirrored my own. Gruff and just a little bit reckless. He was the last thing I needed. But everything I wanted. Only someone isn't happy about this new life I'm building. Deciding to set fire to everything I hold close. And when the smoke clears, there might be only ashes left behind...
