Raising My Voice

"Some of the pieces in this book were previously published in Voices, which began as the weekly [congregation] Kolot Chayeyinu newsletter and evolved into a journal publishing Kolot's many writers"--Preface.

Raise Your Voice

The Lord is calling His people to break their silence and proclaim the Gospel to everyone—right now. The Spirit of God is moving in people's hearts, prompting them to speak out against the sins and atrocities in our world. Speaking out comes with a cost. It can be challenging, unpopular, and downright lonely. You will be misunderstood. But those who speak in God's voice find peace for being faithful to his call. God has always looked for people who are willing to do what He needs done. He takes those imperfect people and baptizes them with passion to do His will. They cannot escape its clutches. God wants to say something to you and through you. He is looking for a trumpet; the raised voices of His remnant are the sounds of revival. Revival happens when repentance happens. Repentance happens when people speak the heart of God. God has voices ready to speak and bring revival to earth. Are you one of them? If you are looking for a way to unlock the words of God from deep in your soul, this book is for you.

Sermons on Selected Lessons of the New Testament

May He, beloved, fulfil your expectation who hath awakened it: for though I feel confident that what I have to say is not my own, but God's, yet with far more reason do I say, what the Apostle in his humility saith, "We have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us." I do not doubt accordingly that you remember my promise; in Him I made it through whom I now fulfil it, for both when I made the promise, did I ask of the Lord, and now when I fulfil it, do I receive of Him. Selected Sermons, Volume 3

By the mid-sixteenth century, Jews in the cities of Italy were being crowded into compulsory ghettos as a result of the oppressive policies of Pope Paul IV and his successors. The sermons of Jewish preachers during this period provide a remarkable vantage point from which to view the early modern Jewish social and cultural landscape. In this eloquent collection, six leading scholars of Italian Jewish history reveal the important role of these preachers: men who served as a bridge between the ghetto and the Christian world outside, between old and new conventions, and between elite and popular modes of thought. The story of how they reflected and shaped the culture of their listeners, who felt the pressure of cramped urban life as well as of political, economic, and religious persecution, is finally beginning to be told. Through the words of the Italian ghetto preachers, we discover a richly textured panorama of Jewish life more than 400 years ago.

Memoir of the Late A. Ross ... And a Selection of His Sermons ...

The Sermons of St. Augustine, besides their other excellencies, furnish a beautiful picture of perhaps the deepest and most powerful mind of the Western Church adapting itself to the little ones of Christ. In them, he who has furnished the mould for all the most thoughtful minds for fourteen hundred years, is seen forming with loving tenderness the babes in Christ. Very touching is the child-like simplicity, with which he gradually leads them through what to them were difficulties, watching all the while whether he made himself clear to them, keeping up their attention, pleased at their understanding, dreading their approbation, and leading them off from himself to some practical result. Very touching the tenderness with which he at times reproves, the allowance which he makes for human infirmities and for those in secular life, if they will not make their infirmities their boast, or in allowed duties and indulgences forget God. But his very simplicity precludes the necessity of any preface. His Sermons explain themselves. They appear from a passage in the Commentary on the Psalms to have been often taken down in writing at the time by the more attentive sort of hearers (as were those of St. Chrysostom); Possidius states that this was done from the commencement of his presbyterate, and that "thence through the body of Africa, excellent doctrine and the most sweet savour of Christ was diffused and made manifest, the Church of God beyond seas, when it heard thereof, partaking of the joy."

Have a Heart for God

What Role Does God Play in Your Life

And Gandhi Is Saying that Prayer Is Not an Act of a Request It's Not It's Not a Request for Something It's an Admission It's an Admission that Your Soul Makes of a Certain Weakness in a Certain Yearning So if We Can Kind Of Declutter Our Mind a Little Bit and Just Say Hey How Do I Open Up My Heart To Be You Know What I Think Is an Act of Faith We all Know People Right Who Say Hey How You Doing You Know How's It Going How Are You I'M Great Are You Doing and Then You May Encounter that Person Who Says How Are You Yeah

It's an Admission that Your Soul Makes of a Certain Weakness in a Certain Yearning So if We Can Kind Of Declutter Our Mind a Little Bit and Just Say Hey How Do I Open Up My Heart To Be You Know What I Think Is an Act of Faith We all Know People Right Who Say Hey How You Doing You Know How's It Going How Are You I'M Great Are You Doing and Then You May Encounter that Person Who Says How Are You Yeah and You Stop and You Look and They Look Right through You And He Talked about the Gospel of Luke and Jesus Saying to His Disciples that They Should Cast Deep after a Day When They've Been Fishing and Caught Nothing and They Decide Sure Okay We'll Do It Again and Their Baskets Fill Up the Point Is that There There Is a Still Small Voice inside of Us You Know if You Understand that Is the Voice of God or Something Else the Point Is There There's Powerful Voices and the Whispers and if We Open Ourselves Up We Can Hear We Can Hear the Voice To Try To Be Better than We Are Now and I Think I Think There's Room for that as We Think about You Know Journalism and Politics in Our Political Discourse

I Certainly Understand You Know Why So Many Jews Moved Away from God either Real Belief in God or Even Speaking about God Which Is Not a Very Jewish Thing To Do a Lot of Jews Don't Like To Talk about God and There's Reasons for that So No I Don't Find Myself Arguing As Much I Try To Get to a Different Place of of Acceptance and Just You Know Experiencing God's Presence and Trying To I Guess Trying to You Know To Understand that that that Again There Can Be There Can Be a Lot of Pain in the World but They Can Also Be Joy and that Just because There's So Much Pain Doesn't Mean that I Want To Give Up on the on the Joyful Parts that There's Something Very Tangible What I Find Disappointing about Our Discussion of Faith in Public Life Is that It Evitable Becomes So Divisive Is that if You Are You Know a Person of Faith and We Get Side Trial Were Talking about Abortion We're Talking about Gay Marriage and What the Church Says You Can Believe and Not Believe or What Is a Jew You Can Believe or Not Believe or How You Treat Women and All the Rest That's Just Not My Thing I Mean I Like To Explore the Extent to Which Religious Life in an Individual Has for a Politician Has Formed Their Sense of the Common Good about Service to Other People about How They Approach Other People

We all Fail I Fail All the Time I Fail in My Prayer Practice I Fail To Be the Person That I Think God Expects Me To Be I Fail All the Time but the Only Thing I'M Comforted by Is that I Think I Have a Greater Awareness That I Have of My Own Weaknesses and My Own Vulnerabilities and I've Gained some Real Humility through that and So Maybe that Humility Can Extend as a Kind of Gift That We Give Other People Which Is Everybody's Fighting Their Own Battle and if We Can Hold that We Might Really Get Somewhere It Would Allow Us To Be a Little Bit More Patient

And I've Gained some Real Humility through that and So Maybe that Humility Can Extend as a Kind

of Gift That We Give Other People Which Is Everybody's Fighting Their Own Battle and if We Can Hold that We Might Really Get Somewhere It Would Allow Us To Be a Little Bit More Patient with People Even the Leaders Who Presume To Tell Us You Know How To Live and How To Guide Our Lives We See Them as Failed Human Beings - that to Me Is the Path David Brooks Has this Wonderful Line in the Road to Character Which Is You Know True Humility Is Understanding You're Always an Underdog in that Struggle against Your Own Weakness

But in Fact It's It's about Trying To Experience the Divine and and There's So Many Ways To Experience and I Wanted To I Wanted To Work Harder To Experience that through Prayer through Relationship through Study through Self-Examination You Know a Lot of People Don't Know I Mean We Have the Example of Jesus Christ Certainly and in His Teachings but You Know Medieval Jewish Scholars Were Obsessed with these Questions of Character Refinement and Self-Improvement I Mean It's like Reading Tony Robbins I Mean It's You Know It's How To Deal with Anger How To Be More Humble How to You Know Live a Kind of Cleaner Better Life

And So in that Way It's Been Really Meaningful I Think You're Exactly Right I Mean with Regard to Shopping for any Kind of Community of Worship It's about Having a Relationship and You Know We Want a Relationship with Clergy That's Different You Know We Want Them To Be Friends but They're Different We Want Them To Help Us on a Path to Holiness and I Think You Have a Right To Seek that Out and To Lovingly Demand that of Your Institution Which Is both the People Who Are Showing Up that You Feel Fellowship with but Also Your Clergy That Has To Be Have To Be Giving Enough To Speak to You Know To Really Speak to Your Heart
