Science, Technology, Engineering and Math Education by The Obama White House 6,386 views

13 years ago 29 minutes - Dr. Sally Ride takes your questions on the importance of education in

science,, **technology**,, engineering and math. September 16 ...

Introduction

What was the best class he took at high school

What was it like to be the first woman in space

What made you so interested in science

How did your education prepare you for your first trip into space

How did you get involved in extracurricular activities

What is the coolest thing you ever did in zero gravity

How does the technology change in the space program

How did your education influence your decision to become an astronaut

Why do you think so many kids worry about math

Did you ever think of giving up

Was there any part of your education that was missing

Would you like your graduation speaker

The Oil Well Drilling Process - How Oil is Formed - Animated Diagrams - The Oil Well Drilling Process - How Oil is Formed - Animated Diagrams by 16mm Educational Films 242,426 views 4 years ago 21 minutes - This video shows the **oil well drilling**, process including animated diagrams. Examines how oil is found, how it is formed and the ...

drill through the soft surface layers down to one thousand feet

remove the coarse cutting

add pipe over 300 times

keep the casing central in the hole

reaches a point just above the bottom of the hole

followed by drilling mud to the bottom of the casing

cap the top of the casing with a set of safety valves

close off the gap between the drill string

connect the rig directly to the blowout preventers

replace the mud with a new supply of an entirely different composition

pull the whole string 90 feet at a time

close the blowout preventers

run a special instrument probe

perforate both the casing and the cement

find out the full extent of the oil reservoir

drill a third well in line with the other

driving the oil to the surface

using the technique of deviation drilling
