## Raising a Child with Soul

With the seemingly insurmountable pressures placed on families today, many parents lack the spiritual foundation and practical knowledge to chart a clear-cut course in child-rearing. Parents question whether nurturing their children's souls is even possible in the fast-paced materialistic culture in which we live. Utilizing the insight that springs from her knowledge of Torah wisdom, her personal experiences and the experiences of those she has counseled, Slovie Jungreis-Wolff, a longtime parenting coach and advisor to young couples and families teaches in detail how to approach the entire gamut of issues, with a special emphasis on strengthening the child's morality and character. Parents will learn how to:

- Instill simchas hachayim, "true joy," in their children
- Value chessed, kindness, in a self-absorbed world
- Create a mikdash me'at, a home filled with calm and reflection
- Teach children gratitude and appreciation
- And much more...

From discipline to sibling rivalry to effective communication skills, Raising a Child with Soul offers unique concepts and pragmatic ideas that can be understood and applied to both Jewish and non-Jewish households.

## Parenting Without Anger

As parents, we all want happy children. Ideally, we'd like to bask in the fun and camaraderie of family life, find it easy to love our children unconditionally and have them love us in return. Right? But when everyday activities like waking up on time, getting dressed, eating breakfast or sitting quietly in the car can turn your home into a hotbed of anger, yelling and daily punishments, we're guessing your dream of a happy, contented home and well-behaved kids is proving difficult. Know you are not alone – many of you report that you are more stressed, more tired and more angry with your children than ever before. In this essential book for modern parents of both children and teenagers, bestselling author and senior clinical psychologist Renee Mill shares practical and easy-to-apply solutions that will help you manage

your own anger, so you can successfully implement techniques that will create the contented home, and happy, cooperative family, of your dreams.

### Life is a Test

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

### I Love Jesus, But I Want to Die

National Book Award Finalist: “This man’s ideas may be the most influential, not to say controversial, of the second half of the twentieth century.”—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes’s still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. “Don’t be put off by the academic title of Julian Jaynes’s *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor.”—The New York Times “When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis.”—John Updike, *The New Yorker* “He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior.”—American Journal of Psychiatry

### The Origin of Consciousness in the Breakdown of the Bicameral Mind

A summer classic by two masters, reissued and redesigned for contemporary audiences. Wendell Minor’s elegant artwork and Charlotte Zolotow’s simple, evocative prose brings a day at the beach vividly to life as a boy and his mother imagine what it would be like to spend a day at the seashore. Hunting for seashells and building sandcastles, this tribute to the power of imagination and the tenderness of a mother-child connection is also a sweet ode to summer’s greatest pastimes. Perfect for storytime or bedtime.

### The Seashore Book

In *The Spiritual Child*, psychologist Lisa Miller presents the next big idea in psychology: the science and the power of spirituality. She explains the clear, scientific link between spirituality and health and shows that children who have a positive, active relationship to spirituality: \* are 40% less likely to use and abuse substances \* are 60% less likely to be depressed as teenagers \* are 80% less likely to have dangerous or unprotected sex \* have significantly more positive markers for thriving including an increased sense of meaning and purpose, and high levels of academic success. Combining cutting-edge research with broad anecdotal evidence from her work as a clinical psychologist to illustrate just how invaluable spirituality is to a child’s mental and physical health, Miller translates these findings into practical advice for parents, giving them concrete ways to develop and encourage their children’s—as well as their own—well-being. In this provocative, conversation-starting book, Dr. Miller presents us with a pioneering new way to think about parenting our modern youth.

### The Spiritual Child

"Child Training Tips is not just another book on parenting. It is a diagnostic tool comprised of bulleted symptom lists to help parents quickly diagnose their children's behavior issues and easily find biblical solutions. This updated edition of the original classic is an invaluable tool that will help parents raise happy, well-adjusted children who come the first time they are called, speak respectfully, and are less prone to sibling rivalry."--Page [4] cover.

### Child Training Tips

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F\*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

### Ask a Manager

We all know the stereotype of the Jewish mother: Hectoring, guilt-inducing, clingy as a limpet. In *Mamaleh Knows Best*, Tablet Magazine columnist Marjorie Ingall smashes this tired trope with a hammer. Blending personal anecdotes, humor, historical texts, and scientific research, Ingall shares Jewish secrets for raising self-sufficient, ethical, and accomplished children. She offers abundant examples showing how Jewish mothers have nurtured their children's independence, fostered discipline, urged a healthy distrust of authority, consciously cultivated geekiness and kindness, stressed education, and maintained a sense of humor. These time-tested strategies have proven successful in a wide variety of settings and fields over the vast span of history. But you don't have to be Jewish to cultivate the same qualities in your own children. Ingall will make you think, she will make you laugh, and she will make you a better parent. You might not produce a Nobel Prize winner (or hey, you might), but you'll definitely get a great human being.

### Raising Godly Tomatoes

From the bestselling author of *Kingdom Man* and *Kingdom Woman*, *Raising Kingdom Kids* equips parents to raise their children with a Kingdom perspective and also offers practical how-to advice on providing spiritual training as instructed in Scripture. Dr. Tony Evans begins with an overarching look at the need for Kingdom parenting, our roles and responsibilities in raising God-following children, and how to prepare children to take on the assignments God has for their lives. He then takes a practical turn, with examples and illustrations to help parents understand and provide specific training for kids in the power of prayer, wisdom, loving God's Word, getting through trials, controlling their tongues, developing patience, the surrender of service, and much more. This book is for every dad or mom who wants to fulfill the parenting role God has given them—not just in raising healthy kids intellectually, physically, and socially, but in contributing to their child's relationship with God and alignment under His plan.

### Mamaleh Knows Best

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes

toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

### Raising Kingdom Kids

Formation of Character is the fifth volume of Charlotte Mason's Homeschooling series. The chapters stand alone and are valuable to parents of children of all ages. Part I includes case studies of children (and adults) who cured themselves of bad habits. Part II is a series of reflections on subjects including both schooling and vacations (or "stay-cations" as we now call them). Part III covers various aspects of home schooling, with a special section detailing the things that Charlotte Mason thought were important to teach to girls in particular. Part IV consists of examples of how education affected outcome of character in famous writers of her day. Charlotte Mason was a late nineteenth-century British educator whose ideas were far ahead of her time. She believed that children are born persons worthy of respect, rather than blank slates, and that it was better to feed their growing minds with living literature and vital ideas and knowledge, rather than dry facts and knowledge filtered and pre-digested by the teacher. Her method of education, still used by some private schools and many homeschooling families, is gentle and flexible, especially with younger children, and includes first-hand exposure to great and noble ideas through books in each school subject, conveying wonder and arousing curiosity, and through reflection upon great art, music, and poetry; nature observation as the primary means of early science teaching; use of manipulatives and real-life application to understand mathematical concepts and learning to reason, rather than rote memorization and working endless sums; and an emphasis on character and on cultivating and maintaining good personal habits. Schooling is teacher-directed, not child-led, but school time should be short enough to allow students free time to play and to pursue their own worthy interests such as handicrafts. Traditional Charlotte Mason schooling is firmly based on Christianity, although the method is also used successfully by s

### Albion's Seed

Most Jewish communities continue to cite intermarriage as the most serious threat to Jewish continuity. Contrary to the view that intermarriage is a crisis for Judaism, *The A-Z of Intermarriage* reveals that intermarriage can be a force for good in the lives of Jewish families and communities. Written by Rabbi Denise Handlarski, an intermarried rabbi, *The A-Z of Intermarriage* is part story, part strategy, and all heart, as well as a coming together of religious source material, cultural context, and personal narrative. Fun to read and full of helpful and practical tips and tools for couples and families, this book is the perfect "how-to" manual for living a happy and balanced intermarried life. This book is for people who: - Are intermarried, open to intermarriage, or considering intermarriage - Have family members or friends who are intermarried or entering into an interfaith/intercultural relationship - Are seeking models, guidance, and tips about creating a happy relationship and family - Are interested in points of view about intermarriage and/or Judaism they have never heard or considered - Love "how-to" books - Want to know more about Jewish approaches to life, learning, and love

### Formation of Character

*For Your Own Good*, the contemporary classic exploring the serious if not gravely dangerous consequences parental cruelty can bring to bear on children everywhere, is one of the central works by Alice Miller, the celebrated Swiss psychoanalyst. With her typically lucid, strong, and poetic language, Miller investigates the personal stories and case histories of various self-destructive and/or violent individuals to expand on her theories about the long-term affects of abusive child-rearing. Her conclusions—on what sort of parenting can create a drug addict, or a murderer, or a Hitler—offer much insight, and make a good deal of sense, while also straying far from psychoanalytic dogma about human nature, which Miller vehemently rejects. This important study paints a shocking picture of the violent world—indeed, of the ever-more-violent world—that each generation helps to create when traditional upbringing, with its hidden cruelty, is perpetuated. The book also presents readers with useful solutions in this regard—namely, to resensitize the victimized child who has been trapped within the adult, and to unlock the emotional life that has been frozen in repression.

### A-Z of Intermarriage

When, if ever, should lying be permitted? If you've damaged a person's reputation unfairly, can the damage be undone? Is a person who sells weapons responsible for how those weapons are used? if the fetus is not a life, what is it? How, as an adult, can one carry out the command to honor one's

parents when they make unreasonable demands? What are the nine biblical challenges a good person must meet? What do the great Jewish writings of the last 3,500 years tell us about these and all other vital questions about our lives? Rabbi Joseph Telushkin has devoted his life to the search for answers within the teachings of Judaism. In *Jewish Wisdom*, Rabbi Telushkin, the author of the highly acclaimed *Jewish Literacy*, weaves together a tapestry of stories from the Bible and Talmud, and the insights of Jewish commentators and writers from Maimonides, Rashi, and Hillel to Einstein, Isaac Bashevis Singer, and Elie Wiesel. A richer source of crucial life lessons would be hard to imagine. Accompanying this extraordinary compilation is Telushkin's compelling commentary, which reveals how these texts continue to instruct and challenge Jews and all people concerned with leading ethical lives today. As he discusses these texts, Rabbi Telushkin addresses issues of fundamental interest to modern readers: how to live with honesty and integrity in an often dishonest world; how to care for the sick and dying; how to teach children to respect both themselves and others, how to understand and confront such great tragedies as antisemitism and the Holocaust; what God wants from humankind. Within *Jewish Wisdom*'s ninety chapters the reader will find extended sections illuminating Jewish perspectives on sex, romance, and marriage, what kind of belief in God a Jew can have after the Holocaust, how to use language ethically, the conflicting views of the Bible and Talmud on the death penalty, and much, much more. *Jewish Wisdom* adds a new dimension to the many widely read contemporary books that retell the stories and reveal the essence of classic religious and secular literature. Possibly the most far-ranging volume of stories and quotations from Jewish texts, *Jewish Wisdom* will itself become a classic, a book that not only has the capacity to transform how you view the world, but one that will might change how you choose to live your life.

### For Your Own Good

This easy-to-read, comprehensive guide contains what you need to know on how to parent with confidence. Packed with advice and powerful tips, using the latest research on child development and parenting techniques, it offers a mine of information on how to let children flourish, take the frustration out of parenting and develop happy family relations. Authors provide guidance on developing character, knowledge, values, and skills, as well as a faith-based outlook in children, benefitting parents with kids of all ages. ~~b~~ many strategies and techniques offered include: teaching children how to problem-solve, make decisions, and develop self-esteem. Raising God-conscious, moral, successful children, with a sense of civic responsibility in today's world is not easy. It is also not impossible. Effective parenting is the key.

### Jewish Wisdom

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

### Parent-Child Relations

**UNLOCK THE KEY TO SUCCESS** In this must-read for anyone seeking to succeed, pioneering psychologist Angela Duckworth takes us on an eye-opening journey to discover the true qualities that lead to outstanding achievement. Winningly personal, insightful and powerful, *Grit* is a book about what goes through your head when you fall down, and how that - not talent or luck - makes all the difference. 'Impressively fresh and original' Susan Cain

### The Advocate

"What does it mean to be lonely?" Dumm asks. His inquiry takes us beyond social circumstances into the deeper forces that shape our very existence as modern individuals. The modern individual, Dumm suggests, is fundamentally a lonely self. This book challenges us, not to overcome our loneliness, but to learn how to re-inhabit it in a better way.

### Grit

Understand where we came from. Whether you're an avid student of the Bible or a skeptic of its relevance, *The Book That Made Your World* will transform your perception of its influence on virtually every facet of Western civilization. Indian philosopher Vishal Mangalwadi reveals the personal motivation that fueled his own study of the Bible and systematically illustrates how its precepts became the framework for societal structure throughout the last millennium. From politics and science, to academia

and technology, the Bible's sacred copy became the key that unlocked the Western mind. Through Mangalwadi's wide-ranging and fascinating investigation, you'll discover: What triggered the West's passion for scientific, medical, and technological advancement How the biblical notion of human dignity informs the West's social structure and how it intersects with other worldviews How the Bible created a fertile ground for women to find social and economic empowerment How the Bible has uniquely equipped the West to cultivate compassion, human rights, prosperity, and strong families The role of the Bible in the transformation of education How the modern literary notion of a hero has been shaped by the Bible's archetypal protagonist Journey with Mangalwadi as he examines the origins of a civilization's greatness and the misguided beliefs that threaten to unravel its progress. Learn how the Bible transformed the social, political, and religious institutions that have sustained Western culture for the past millennium, and discover how secular corruption endangers the stability and longevity of Western civilization. Endorsements: "This is an extremely significant piece of work with huge global implications. Vishal brings a timely message." (Ravi Zacharias, author, *Walking from East to West and Beyond Opinion*) "In polite society, the mere mention of the Bible often introduces a certain measure of anxiety. A serious discussion on the Bible can bring outright contempt. Therefore, it is most refreshing to encounter this engaging and informed assessment of the Bible's profound impact on the modern world. Where Bloom laments the closing of the American mind, Mangalwadi brings a refreshing optimism." (Stanley Mattson, founder and president, C. S. Lewis Foundation) "Vishal Mangalwadi recounts history in very broad strokes, always using his cross-cultural perspectives for highlighting the many benefits of biblical principles in shaping civilization." (George Marsden, professor, University of Notre Dame; author, *Fundamentalism and American Culture*)

### Loneliness as a Way of Life

Based on the Book of Genesis, Dinah shares her perspective on religious practices and sexual politics.

### The Book that Made Your World

When a loved one dies we mourn our loss. We take comfort in the rituals that mark the passing, and we turn to those around us for support. But what happens when there is no closure, when a family member or a friend who may be still alive is lost to us nonetheless? How, for example, does the mother whose soldier son is missing in action, or the family of an Alzheimer's patient who is suffering from severe dementia, deal with the uncertainty surrounding this kind of loss? In this sensitive and lucid account, Pauline Boss explains that, all too often, those confronted with such ambiguous loss fluctuate between hope and hopelessness. Suffered too long, these emotions can deaden feeling and make it impossible for people to move on with their lives. Yet the central message of this book is that they can move on. Drawing on her research and clinical experience, Boss suggests strategies that can cushion the pain and help families come to terms with their grief. Her work features the heartening narratives of those who cope with ambiguous loss and manage to leave their sadness behind, including those who have lost family members to divorce, immigration, adoption, chronic mental illness, and brain injury. With its message of hope, this eloquent book offers guidance and understanding to those struggling to regain their lives. Table of Contents: 1. Frozen Grief 2. Leaving without Goodbye 3. Goodbye without Leaving 4. Mixed Emotions 5. Ups and Downs 6. The Family Gamble 7. The Turning Point 8. Making Sense out of Ambiguity 9. The Benefit of a Doubt Notes Acknowledgments Reviews of this book: You will find yourself thinking about the issues discussed in this book long after you put it down and perhaps wishing you had extra copies for friends and family members who might benefit from knowing that their sorrows are not unique... This book's value lies in its giving a name to a force many of us will confront--sadly, more than once--and providing personal stories based on 20 years of interviews and research. --Pamela Gerhardt, *Washington Post* Reviews of this book: A compassionate exploration of the effects of ambiguous loss and how those experiencing it handle this most devastating of losses ... Boss's approach is to encourage families to talk together, to reach a consensus about how to mourn that which has been lost and how to celebrate that which remains. Her simple stories of families doing just that contain lessons for all. Insightful, practical, and refreshingly free of psychobabble. --Kirkus Review Reviews of this book: Engagingly written and richly rewarding, this title presents what Boss has learned from many years of treating individuals and families suffering from uncertain or incomplete loss... The obvious depth of the author's understanding of sufferers of ambiguous loss and the facility with which she communicates that understanding make this a book to be recommended. --R. R. Cornellius, *Choice* Reviews of this book: Written for a wide readership, the concepts of ambiguous loss take immediate form through the many provocative examples and stories Boss includes. All readers will find stories with which they will relate... Sensitive, grounded and practical, this book should, in my estimation, be required reading

for family practitioners. --Ted Bowman, Family Forum Reviews of this book: Dr. Boss describes [the] all-too-common phenomenon [of unresolved grief] as resulting from either of two circumstances: when the lost person is still physically present but emotionally absent or when the lost person is physically absent but still emotionally present. In addition to senility, physical presence but psychological absence may result, for example, when a person is suffering from a serious mental disorder like schizophrenia or depression or debilitating neurological damage from an accident or severe stroke, when a person abuses drugs or alcohol, when a child is autistic or when a spouse is a workaholic who is not really 'there' even when he or she is at home...Cases of physical absence with continuing psychological presence typically occur when a soldier is missing in action, when a child disappears and is not found, when a former lover or spouse is still very much missed, when a child 'loses' a parent to divorce or when people are separated from their loved ones by immigration...Professionals familiar with Dr. Boss's work emphasised that people suffering from ambiguous loss were not mentally ill, but were just stuck and needed help getting past the barrier or unresolved grief so that they could get on with their lives. --Asian Age Combining her talents as a compassionate family therapist and a creative researcher, Pauline Boss eloquently shows the many and complex ways that people can cope with the inevitable losses in contemporary family life. A wise book, and certain to become a classic. --Constance R. Ahrons, author of *The Good Divorce* A powerful and healing book. Families experiencing ambiguous loss will find strategies for seeing what aspects of their loved ones remain, and for understanding and grieving what they have lost. Pauline Boss offers us both insight and clarity. --Kathy Weingarten, Ph.D, The Family Institute of Cambridge, Harvard Medical School

### The Red Tent

The Spiritual, Occult and Historical significance of the "Emerald Tablets" is almost beyond belief of modern man. Written around 36,000 B.C. by Thoth, an Atlantean priest-king, this manuscript dates far back beyond reach of any Egyptian writings ever found. The author, Thoth, a Master-Teacher of the early Egyptians, put this treatise to writing in his native Atlantean language and Dr. Doreal, by use of his expertise as an Occultist and Master of time and space, was given the directive to retrieve these Tablets and translate them into English for the edification of modern man. The powerful and rhythmic verse of Thoth is wonderfully retained in Doreal's translation. Contained within the pages of Thoth's masterpiece of Spiritual and Occult Wisdom is the synthesis of the Ancient Wisdom Teachings, the guideline for initiates of all ages, revealing the Knowledge and Wisdom hitherto held secret, but now in this New Age, revealed to all Seekers on the Path of Light. Dr. M. Doreal, Ms.D., Psy.D., is the Spiritual; Teacher of a multitude of Seekers of Light, having founded a Metaphysical Church and College - The Brotherhood of the White Temple, Inc. He is the author of all of the Organization's writings and teachings, having been given permission for the Esoteric Wisdom to be remitted in a public forum by the Great White Lodge, the Elder Brothers of mankind who shape and form the Spiritual evolution of earth's inhabitants. The Brotherhood of the White Temple, Inc. is a correspondence school, accredited through the State of Colorado, and mails out to its world-wide membership weekly Lessons of Truth. Its four and one-half year College Course unveils the secrets of the Symbolism of all Mystery Schools, giving precisely and beautifully, the step by step progression all Seekers have searched for in their quest for Oneness with God, and for attainment of Cosmic Consciousness. "Read, Believe or not, but read, and the vibration found therein will awaken a response in your soul." - Doreal

### Ambiguous Loss

An introduction to the science of neuroplasticity recounts the case stories of patients with mental limitations or brain damage whose seemingly unalterable conditions were improved through treatments that involved the thought re-alteration of brain structure.

### The Emerald Tablets of Thoth-The-Atlantean

Your job is obedience. God's job is everything else. If you've ever found yourself wondering...What is God's plan for my life? or Can He really use me? you're not alone. Lysa TerKeurst has wrestled through those same questions. But she's also learned that we were absolutely created to participate in God's divine activity and experience His rich blessings. We just have to say yes to Him! Through her own struggles, doubts, and honest vulnerability, Lysa will equip you to: Reignite your passion for the Lord by discovering the incredible opportunities He's already placed in front of you and the courage to say yes. Know what God is speaking personally to you with practical ways to listen for His voice. Overcome the fear that you're not doing the Christian life right by learning it's about perfect surrender, not perfect

performance. Apply key teachings to your own situation today with helpful study questions and reflection prompts. Get ready for a journey of joy and purpose—one that will radically bless you beyond what you can ask or imagine!

### The Brain That Changes Itself

How our collective intelligence has helped us to evolve and prosper Humans are a puzzling species. On the one hand, we struggle to survive on our own in the wild, often failing to overcome even basic challenges, like obtaining food, building shelters, or avoiding predators. On the other hand, human groups have produced ingenious technologies, sophisticated languages, and complex institutions that have permitted us to successfully expand into a vast range of diverse environments. What has enabled us to dominate the globe, more than any other species, while remaining virtually helpless as lone individuals? This book shows that the secret of our success lies not in our innate intelligence, but in our collective brains—on the ability of human groups to socially interconnect and learn from one another over generations. Drawing insights from lost European explorers, clever chimpanzees, mobile hunter-gatherers, neuroscientific findings, ancient bones, and the human genome, Joseph Henrich demonstrates how our collective brains have propelled our species' genetic evolution and shaped our biology. Our early capacities for learning from others produced many cultural innovations, such as fire, cooking, water containers, plant knowledge, and projectile weapons, which in turn drove the expansion of our brains and altered our physiology, anatomy, and psychology in crucial ways. Later on, some collective brains generated and recombined powerful concepts, such as the lever, wheel, screw, and writing, while also creating the institutions that continue to alter our motivations and perceptions. Henrich shows how our genetics and biology are inextricably interwoven with cultural evolution, and how culture-gene interactions launched our species on an extraordinary evolutionary trajectory. Tracking clues from our ancient past to the present, *The Secret of Our Success* explores how the evolution of both our cultural and social natures produce a collective intelligence that explains both our species' immense success and the origins of human uniqueness.

### What Happens When Women Say Yes to God

How to rewire your brain to improve virtually every aspect of your life-based on the latest research in neuroscience and psychology on neuroplasticity and evidence-based practices Not long ago, it was thought that the brain you were born with was the brain you would die with, and that the brain cells you had at birth were the most you would ever possess. Your brain was thought to be “hardwired” to function in predetermined ways. It turns out that's not true. Your brain is not hardwired, it's “softwired” by experience. This book shows you how you can rewire parts of the brain to feel more positive about your life, remain calm during stressful times, and improve your social relationships. Written by a leader in the field of Brain-Based Therapy, it teaches you how to activate the parts of your brain that have been underactivated and calm down those areas that have been hyperactivated so that you feel positive about your life and remain calm during stressful times. You will also learn to improve your memory, boost your mood, have better relationships, and get a good night sleep. Reveals how cutting-edge developments in neuroscience, and evidence-based practices can be used to improve your everyday life Other titles by Dr. Arden include: *Brain-Based Therapy-Adult*, *Brain-Based Therapy-Child*, *Improving Your Memory For Dummies* and *Heal Your Anxiety Workbook* Dr. Arden is a leader in integrating the new developments in neuroscience with psychotherapy and Director of Training in Mental Health for Kaiser Permanente for the Northern California Region Explaining exciting new developments in neuroscience and their applications to daily living, *Rewire Your Brain* will guide you through the process of changing your brain so you can change your life and be free of self-imposed limitations.

### The Secret of Our Success

Three-year-old Kwara'ae children in Oceania act as caregivers of their younger siblings, but in the UK, it is an offense to leave a child under age 14 ears without adult supervision. In the Efe community in Zaire, infants routinely use machetes with safety and some skill, although U.S. middle-class adults often do not trust young children with knives. What explains these marked differences in the capabilities of these children? Until recently, traditional understandings of human development held that a child's development is universal and that children have characteristics and skills that develop independently of cultural processes. Barbara Rogoff argues, however, that human development must be understood as a cultural process, not simply a biological or psychological one. Individuals develop as members

of a community, and their development can only be fully understood by examining the practices and circumstances of their communities.

### Rewire Your Brain

Written from a psychological perspective while integrating cross-disciplinary viewpoints, this fully updated Second Edition takes a parent-centered approach to exploring topics such as the reasons behind parental behavior, the effect parents and children have on one another, and social policy's ability to help families. Including the latest statistics on family functioning and with coverage of contemporary issues, George Holden's *Parenting* conveys the process of parenting in all its complexities.

### The Cultural Nature of Human Development

Race tensions ignite after a shocking and tragic event: During a school field trip, Zach, who is white & Jewish, and his best friend, Cyrus, who is black, are horsing around when, in a freak accident, Cyrus falls down a flight of stairs.

### Parenting

*Psychic Self-Defense* Dion Fortune - "Psychic Self-Defense" is one of the best guides to detection and defence against psychic attack from one of the leading occult writers of the 20th century. After finding herself the subject of a powerful psychic attack in the 1930's, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defence guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defence. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognise them.

### Upper West Side Story

One of the greatest gifts you can give your children is a strong sense of personal values. Helping your children develop values such as honesty, self-reliance, and dependability is as important a part of their education as teaching them to read or how to cross the street safely. The values you teach your children are their best protection from the influences of peer pressure and the temptations of consumer culture. With their own values clearly defined, your children can make their own decisions -- rather than imitate their friends or the latest fashions. In *Teaching Your Children Values* Linda and Richard Eyre present a practical, proven, month-by-month program of games, family activities, and value-building exercises for kids of all ages.

### Psychic Self-Defense

In this landmark guide to the spiritual journey, respected Zen teacher and psychotherapist John Tarrant brings together ancient Eastern traditions and the Western passion for the soul. Using real-life stories, Zen tales, and Greek myths, *The Light Inside the Dark* shows how our darkest experiences can be the gates to wisdom and joy. Tarrant leads us through the inevitable descents of our journey--from the everyday world of work and family into the treasure cave of the interior life--from which we return with greater love of life's vivid, common gifts. Written with empathy and a poet's skill, *The Light Inside the Dark* is the freshest and most challenging work on the soul to be published in years.

### Teaching Your Children Values

Dr. Michael Newton is world-famous for his spiritual regression techniques that take hypnotic subjects back to their time in the spirit world. His two best-selling books of client case studies, *Journey of Souls* and *Destiny of Souls*, have left thousands of readers eager to discover their own afterlife adventures, their soul companions and guides, and their purpose in this lifetime. Now, for the first time in print, Dr. Newton reveals his step-by-step methods. His experiential approach to the spiritual realms sheds light on the age-old questions of who we are, where we came from, and why we are here. This groundbreaking guidebook, designed for both hypnosis professionals and the general public, completes the afterlife trilogy by Dr. Newton.

### The Light Inside the Dark

Instant #1 New York Times Bestseller Listed as a Times Self-Help Book of the Year Discover the critical art of rethinking: how questioning your opinions can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, the most crucial skill may be the ability to rethink and unlearn. Recent global and political changes have forced many of us to re-evaluate our opinions and decisions. Yet we often still favour the comfort of conviction over the discomfort of doubt, and prefer opinions that make us feel good, instead of ideas that make us think hard. Intelligence is no cure, and can even be a curse. The brighter we are, the blinder we can become to our own limitations. Adam Grant - Wharton's top-rated professor and #1 bestselling author - offers bold ideas and rigorous evidence to show how we can embrace the joy of being wrong, encourage others to rethink topics as wide-ranging as abortion and climate change, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, and how a vaccine whisperer convinces anti-vaxxers to immunize their children. Think Again is an invitation to let go of stale opinions and prize mental flexibility, humility, and curiosity over foolish consistency. If knowledge is power, knowing what you don't know is wisdom.

#### Life Between Lives

**WINNER OF THE THURBER PRIZE** The compelling, inspiring, (often comic) coming-of-age story of Trevor Noah, set during the twilight of apartheid and the tumultuous days of freedom that followed. One of the comedy world's brightest new voices, Trevor Noah is a light-footed but sharp-minded observer of the absurdities of politics, race and identity, sharing jokes and insights drawn from the wealth of experience acquired in his relatively young life. As host of the US hit show *The Daily Show with Trevor Noah*, he provides viewers around the globe with their nightly dose of biting satire, but here Noah turns his focus inward, giving readers a deeply personal, heartfelt and humorous look at the world that shaped him. Noah was born a crime, son of a white Swiss father and a black Xhosa mother, at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the first years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, take him away. A collection of eighteen personal stories, *Born a Crime* tells the story of a mischievous young boy growing into a restless young man as he struggles to find his place in a world where he was never supposed to exist. *Born a Crime* is equally the story of that young man's fearless, rebellious and fervently religious mother - a woman determined to save her son from the cycle of poverty, violence and abuse that ultimately threatens her own life. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Noah illuminates his curious world with an incisive wit and an unflinching honesty. His stories weave together to form a personal portrait of an unlikely childhood in a dangerous time, as moving and unforgettable as the very best memoirs and as funny as Noah's own hilarious stand-up. *Born a Crime* is a must read.

#### Think Again

Offering guidance to teachers on including character education within their lessons, this book shows how teachers can provide an encounter with literature that enables students to be more responsive to ethical themes and questions.

#### Born A Crime

A groundbreaking exploration of the spiritual dimension of working with the enneagram by one of its earliest students and teachers in America. Here is one of the first books to explore in an authentic and comprehensive way the original spiritual dimension of the enneagram. Among the most knowledgeable teachers of the enneagram in America, Sandra Maitri shows how the enneagram not only reveals our personalities, but illuminates a basic essence within each of us. She shows how traversing the inner territory particular to our ennea-type can bring us profound fulfillment and meaning, as well as authentic spiritual development.

## Expressions of the Heart

Expressions of the Heart is a anthology of poetry based on Faith, Hope and Love. This volume was written to inspire people to reach for their destiny, live life To The fullest and love with true genuineness. Expressions of the Heart exudes an ambiance of relaxation and resonates with a voice for those struggling to be heard. Expressions of the Heart uplifts the body, mind, and soul, As well as rejuvenates the spirit. Expressions of the Heart will both mend and heighten the self esteem of the broken and abased. This volume of poetry will be an inspiration to all those who read it.

## Quotes from an Unspoken Soul

Within this newest Book Edition of, Quotes from an Unspoken Soul Vol.3 is a compilation of thoughts, hope, love, spiritual and inspirational words that will reach out and touch your imagination beyond any level of reading, along with the beautiful pictures that accommodate the words with a meaning through every quote that will reach out and touch your heart and your soul with an unforgettable message to

enlighten your deepest emotions. I always say, "to inspire myself," "is to inspire the world with hope." To all my readers across the globe, may you find enlightenment, and inspiration in all of these great writings and pictures that will touch your hearts, and inspire your souls for years to come just as much as it has mine.

### Soul Murmurs

From the author of Acts of Kindness from your Armchair and the uplifting Healing Words blog, comes this new offering for those seeking deeper meaning to life. Soul Murmurs is a must-have collection of poetry and prose imbued with spiritual wisdom from east and west. Each page, resonating with peace and calm, offers comfort and moments of reflection in a fast-moving world. In this compilation you will discover: meditative verses which speak to the heart and soul; silent cries of longing for meaning; joyful searching for the Divine within and in the wider world; autobiographical vignettes offering insight on aspects of human life that we all experience. Gathered under seasonal headings to echo the eternal cycle of life, each page reverberates with inspiration, spiritual encouragement and suggested action points to uplift the reader throughout the year.

### Awareness of the Heart

So often in many people's lives, there is an awakening. For some it comes out of nowhere, and for others it seems as though it has always been. Seemingly from darkness, a light turns on, and all that was once confusing becomes clear, and all that was once hidden is revealed. Some call this enlightenment. Some call this a revelation. Some call this peace. I call it an awareness of the heart. The following passages were written between late 2002 until 2010. Inspired by those around me, including loved ones, family, friends and strangers, and by the happenings of the world we share, my heart was poured onto paper. Though these words were written by my hand and sometimes spoken by my tongue, there is nothing unique about them, for the stirring in me is also in you. So whether you choose to read the following passages in order, read it backwards, or randomly allow yourself to pick a page, don't follow me. Instead, take a journey into your own heart and see where it takes you. Throughout these pages, you will find references to God, Allah, Great Spirit, The Divine, Elohim, Yahweh, Jehovah, He who has no name, and a myriad of other beliefs. Though our words and our thoughts may differ, today, allow yourself to read with an open mind, an open heart and an open spirit. Let your heart inspire you. Let God work through you by being you.

### Inspiring the Soul; Enlightening the Mind

Have you ever considered giving up and calling it quits because of the pressures of life? Life's challenges can weigh heavy on the mind, body and soul of those who are committed to living a Christian lifestyle. The need for encouragement and inspirational messages are essential to the faith journey. At whatever interval one might be in life, a well-timed word can make the difference. It can bring healing and hope; it can enlighten and cause excitement. It can bring consolation or confirmation. Whatever the need, an inspired word in season can penetrate the soul. By the grace of God, over the years, this author has penned the words of power that have inspired, not only others, but herself. It's always amazing how God downloads His thoughts into the mind of human beings in various ways to convey His message to everyone who will listen to it, read it and receive it. This collection of essays and messages convey the heart of God and His desire to inspire and encourage all who will receive the words of power to heal the brokenhearted and lift the bowed down soul.

### In 3 Words Or Less

Simple and inspiring, this book contains 173 aspirations written in 3 words or less.

### The Gospel trumpet. N.s., no

Words of Wisdom for The Heart and Soul "Lessons, Insights, and Guidance from 36 Women of Influence" is a compilation of encouragement, inspiration, and empowerment that will bless your life and spirit. The goal of this book is to inspire and encourage the reader through words to shape your heart and soul and offer spiritual comfort to guide you through your daily life. We've all lived through some challenging life lessons and have insight and but what if we shared that power to uplift and inspire one another? As you meet these powerful, phenomenal women of influence from across the globe, their words of wisdom will motivate, enlighten, encourage, and inspire the reader. The words of wisdom

breathed into this book are thoughts on optimism, success, fear, overcoming failure, persistence, and resilience that will change your life. Authors: Cathy Staton, Tanikwa S. Matthews, Shintina R. Garris, Latrice R. Mayes, Ronjeanna L. Harris, Clarissa Y. Law, Tanya D. Russell, Juanita N. Woodson, Maryann Rivera-Dannert, Letitia M. Council, Deborah Juniper-Frye, Kymberly Davidson, Natalie W. ### Words of Wisdom for the Heart and Soul

Spiritual Meditation Revealed Expressions The words in this book are simply the expressions from my heart. Encouraging others is the main goal. I feel this is much needed today. The expression of poetry and the expression through words. My soul cries out and rejoices in knowing that reading the poetry therein will enlighten someone's life and their heart. As I spend time meditating and thinking about my life, I know that I can conquer anything I put my mind to. The word says I can do ALL things not SOME things but ALL things through Christ which strengthens me. I encourage everyone who are faced with trials and problems in their life would appreciate life everyday and conquer those things that may seem impossible. I thank God for the inspiration and the words that flow through me not only through myself but by observing others. My expressions simply are expressions of love, hope and encouragement. I will seek to obtain all the riches that God will have for me in this world, so I place all my trust in him who created me and gave me this inspiration to do what I feel is my purpose in life. Life is filled with let downs and put downs and all other downs you may think of, but if we focus on the happier side of life we will realize the tremendous joy that can be found through peace and longevity this life has in store. I thank God for my family and friends for support and for encouraging me to publish this book. May we all search for our own love of life!! Tamala Coleman

### Spiritual Expressions

A Heart Unspoken by Mí(Chartina) A Spiritually Guided, Free Verse Inspirational Workbook based on biblical teachings and practices. A book of testimonial parables spoken to inspire to learn oneself inside and out through the testimony of A Heart Unspoken. Discover the scales and balances of life with biblical knowledge and discernment, living with good intentions and wisdom (Proverbs 8:12). Learn character, identity, and God's plan with written personal confessions and prayer. By writing it all down, making it plane, taking a real look in the mirror; with guidance from the Holy Spirit, you will understand and manifest the abundance of PURE LIFE with Jesus taking the wheel. After all, going the "self-route" seems to open big bags oh steaming hot bag of mess on your doorstep! ReCommit your words and deeds by changing your mind to change your life. ReProgram your spirit, and heart vibes to the Lord. For by fearing the Lord, you avoid evil. Now go and write down these issues to the personal power of freedom to get rid of those STD (Spiritually Transmitted Dis-ase. Write your heart in this book and discover your personal power. Thrive against storms, wind, and rain and call forward the power of healing. Time to witness the amazing signs and wonders of God! #BLESSUP #JESUSISLOVE THEIR WORDS AREN'T HEARD, THEIR VOICES AREN'T RECORDED, BUT THEIR SILENCE FILLS THE EARTH: UNSPOKEN TRUTH IS SPOKEN EVERYWHERE. PSALM 19:3

### A Heart Unspoken

'The Words of My Soul' is the in-direct telling of "my-story." It is a story told through a compilation of spoken-word pieces that I have written over the years. It includes memories from the earliest part of my life to the person I am today. I recall feeling as though I had stepped into a world shrouded in darkness, secrecy and in dirt and rightfully so since the circumstances that surrounded my young life were, indeed, violent and traumatic. My journey begins in a way that would take me years to understand and many more to begin talking about. The story I tell, through my spoken-word, is the uncovering of those secrets and the road traveled to find inner-peace and healing.

### The Words Of My Soul

Some literary expressions in the Dead Sea Scrolls led scholars to allege that their authors professed a dualistic and deterministic worldview of Zoroastrian origin and that the omission of Moses and Sinai from the Enoch writings evinces that a segment in Jewish society marginalized the Torah,

adopting Enoch's prophecies as its ethical guideline. This study challenges these allegations as utterly conflicting with essential biblical doctrines and the unequivocal beliefs and expectations of Qumran's Torah-centered society, arguing that scholars' allegations are erroneously based on interpreting ancient texts with a modern mindset and influenced by the interpreter's personal cultural background. The study interprets the relevant texts in a manner compatible with the presumed doctrines of ancient Jewish authors and readers.

### Challenges to Conventional Opinions on Qumran and Enoch Issues

>

### Dualism in Qumran

Okay, because I am a unique, multitalented, and multifaceted individual as you all are. All of my poems are written in different styles. Some are instructional. Some are encouraging. Some are tidbits of knowledge and wisdom to stimulate and motivate your thoughts. But all are meant to strengthen, enlighten and inspire you. I pray my sister and/or brother that you find what you seek through these words that were given to me by the Almighty Creator of life. I pray that it will aid you through life's journey and with learning life's lessons. Peace and Blessings to all that may read these words

### A Word or Two About You!

This book deals with coping with life and every day struggles. It is about giving praise for what God has done and will continue to do. This book deals with relationships, even getting over being hurt by those you love. It is inspiration that no matter where you are in life, God is actually there and He truly is concerned about you and your feelings as a child of God. God wants us to know that we are overcomers and we can always go through with the help of His divine Spirit. God has so much to offer us and we should be grateful in our hearts for all things, for they work together for the good of those who love God. This book is also about my personal expressions while I was going through changes in my life. I found inner strength from God as I wrote my feelings down and I was able to endure.

### Spiritual Expressions of the Heart

Getting to the Heart is a book filled with information that helps individuals understand the soul's journey and its importance. Many spiritual and personal growth topics are explained in short excerpts that can be easily read and understood. The main theme of this book is to transform soul consciousness through understanding and using the Aura and Chakra centers. This unique book gives a complete explanation of what chakras are and how to align and activate them to help oneself. Getting to the Heart also explains the Art of Meditation, the Astral Plane, The Soul's Journey and so much more. This book embodies teachings of Spiritual Initiation and Empowerment. Part two of Getting to the Heart is an amazing workbook designed and filled with exercises that walk individuals through step by step processes for clearing old emotional baggage and creating new feelings of love and joy in life. These powerful exercises cover Forgiveness, Affirmations, Re-Programming, Self-Dialog and Visualization. Rarely can one find all of these tools melded together to show how they work hand in hand with one another. Getting to the Heart is a must for those wishing to explore and expand consciousness.

### The Apologetics of the Christian Faith ... With an Introductory Notice by A. Duff, Etc

Just like how the vitamins nourish the body, build bones, maintain good balance, fight against illness, promote good vision, and prevent chronic diseases, Precious Daily Vitamins is a giant inspirational and motivational syrup for the nourishment of not only the body, but also the soul. It equips the reader with power and might to shine forth, to excel, and to exploit daily. This expository piece leaves the reader in an elevated realm of success in all activities he ventures into. It inspires and teaches the mind to stay in the consciousness of perfection in the finished work of grace—always in positivity! You are what you say you are. Don't say that you are anything below the standard you are aiming for; if you aim high, you go high. The higher you aim, the greater you become. So many people are derailed by uncertainties and fears of making it in life—even when the said uncertainty does not exist—because they refuse to acknowledge the truth. Precious Daily Vitamins is embedded in the inspiration from God and truth, and it will inspire and vitalize individual readers with the truth in totality by renewing their minds to live in truth and to better their world. It will strengthen an individual reader in his goals and will direct him in

being the best. When you discover that you've got no more reasons to lie and dedicate to live in truth and abide in it, you know you have overcome the powers of the world; and you're a fully grown human.

### The Apologetics of the Christian Faith

Vignettes to spiritually inspire you on life's journey. Apply these words of inspiration in your life or share them with anyone who you feel needs to hear them today. Begin reconnecting your body, mind and soul and your own spiritual relationship with our creator today.

### Olive Branch

Poetry and More by Ruth Olivia Bredbenner

### Getting to the Heart

For early civilizations, consciousness and the sense of self were experienced as located in the center of the body, most often near to or within the physical heart. Enlightenment was understood as the illumination of a transformed "spiritual heart." Thus the mind of the body as a whole was represented by the heart-soul. In contrast, modern culture places consciousness within the brain, resulting in a mind/body dualism. This separation of mind and body has recently been emphasized as characteristic of the psychopathologies of the modern self. This volume explores the understanding and experience of consciousness in the earliest civilizations before about 500 BCE. Beginning with a description of ancient Western and Eastern heart-consciousness, the psychological and spiritual manifestations of the ancient mature heart-soul are summarized. Ancestor worship, lineage identity, primitive consciousness and the ways in which the external world was mirrored by the inner world provide additional clues about the experience of heart-consciousness. Finally, the work addresses the fundamental changes in the experience of consciousness that led to the mind/body dualism of today.

### Good Words

The unique Soul to Soul Connection and Communication experience presents a positive, mindful, and compelling personal and intercultural communication global paradigm moving forward in the twenty-first century. Communication expert Ruth Lindeck Forman takes the reader through enlightening and light-hearted conversations. Her anecdotes enhance, inspire, and uplift to promote well-being, civility, and inclusion. This reader-friendly journey is supported by science, woven with connections to nature, and covers socio-political issues such as racism and diversity. These ideas encourage compassion and understanding for the reader and others. Ruth declares each person has the sole right to define who they are. This is best defined by what is in one's heart and soul as a member of the human race. She also affirms each person has the right to live their dreams and they matter. Ruth reminds us how we can always choose to respond positively or negatively and sensitively or insensitively. Likewise, we choose to honor or dishonor ourselves and others. Our choices are a formative facet of our character and the energy we radiate. The four sections of the book include Soul to Soul Connection, Soul to Soul Communication, Soul to Soul Intercultural Communication, and Appendix. Soul to Soul Connection presents core jewels that consist of source-connection, the essence of each person, and how to connect to that within ourselves and hopefully all others. The hand-dome concept reveals why each person solely feels, thinks, acts, speaks, and writes as they do. This also fosters inclusion. A significant chapter "Personal Lenses" is devoted to a multitude of negative lenses that block your and other's ultimate well-being. You learn to how to engage the time-tested Identify, Block, Move, Delete, Replace (IBMDR) Technique that reduces or erases troublesome thoughts and replaces them with positive, inclusive, and uplifting views. The private and nonjudgmental Forman Approach to Identify Prejudice Within Ourselves raises awareness. So, you have to be aware to care, and if you care you are aware. Soul to Soul Communication focuses on forty communication topics that benefit personal and virtual communication. These offer insightful, powerful, and practical tools. When combined, integrated, and applied, they provide a thoughtful and comprehensive command of communication to precisely express the meaning and intention of your message. Soul to Soul Intercultural Communication presents an uplifting chapter "Embracing Diversity." Necessary nuances, cultural styles, tables, and numerous topics enlighten to bridge communication gaps. These elevate comfort, trust, understanding, and appreciation so more people are willing to reach out to each other. Appendix includes "Positive Solutions to Maintain Harmony," "Thank You," and "Author's Journey," in which Ruth shares her eighty years' life's journey and sixty years in the field of speech pathology and communication. Initially, she served patients in stroke rehabilitation. Later, as a Specialist in Personal

and Intercultural Communication, she consulted with and lectured to individuals in varied walks of life and cultures. Overcoming medical challenges and sensitivities, she recounts adventuresome travels with husband Lee to thirty-five countries, and living among locals on the tiny, exotic Nevis-isle in the West Indies. Charming, engrossing stories of Nevis folks and fellow humanity highlight how they triumphed or serenely accepted their challenges. Appendix also offers "A Time to Pause and Reflect" that provides an opportunity after each chapter to integrate the information and create your personal transformative guide. For your pleasure, Photos Reflecting Selective Narratives; the broad, passionate, and thoughtful Epilogue; and References finalize your read. These pages empower you to value your ultimate best, foster healing to free your spirit, and champion self-worth and kindness. Comfort, joy, confidence, self-actualization, and community follow. The goal is to create a positive communication environment that invites others to enter and benefits you. As minor to major crises arise or days seem to unravel, Soul to Soul Connection and Communication serves as a valuable lifelong guide. Therefore, decency, gratitude, harmony, and inclusion are natural and positive consequences of a diverse human race whose members communicate comfortably, mindfully, and source-connected with each other.

### Precious Daily Vitamins

The Path to Enlightenment - The Spirit of the Earth is an invitation for those who seek not just to read, but to experience a profound connection with everything that exists. In this book, the author shares ancient knowledge affirming that the earth is a living being endowed with a powerful spirit, named by God himself to be the guardian of human souls. With an engaging narrative that weaves ancient wisdom and modern contemplation, guiding the reader on a journey to meet the Earth Guardian Spirit, this spiritual guide promises to be a path to enlightenment, opening doors to peace, physical, mental, and spiritual healing, as well as the prosperity that naturally flows when we are in harmony with the sacred. Throughout the pages, the author offers a holistic vision, anchored in celebrating the beauty and diversity of the natural world. He provokes a reflection on our responsibility as guardians of the Earth, inspiring actions that reflect love and respect for the home we share. This book is an essential tool for those in search of spiritual growth, environmental understanding, a sense of purpose, and connection with God.

### Divine Heart

The heart has its ways, and here are words that make way for the heart. "Echoes of the Heart" is a powerful collection of poetry, musings, and perspectives. Through its richness of thoughts, simplicity of language and emotive imagery, this book will transport you to a world of quiet contemplation. Through its words, you'll be drawn closer to the author's soul and your own, peeling away the layers of your being, to reveal new sides of yourself that you may have never known existed. At the heart of this book is the belief in the power of words - how they can comfort, transport, touch, enlighten, and even change the world around us. Throughout its pages, the author encourages you to experience the Hebrew word "Selah" - a voluntary and intentional pause for reflection - allowing you to connect with your innermost thoughts and feelings. "Echoes of the Heart" will touch your heart and transform your perspective. It will leave you feeling enriched, enlightened, and inspired.

### Poetry and More

This book is written to take others on my journey as I explore life as a woman of color. Hopefully it will inspire other black women from all over the world to achieve the highest level of greatness that they can achieve. Hopefully it will inspire others to know their self worth. I am hoping that we can truly unify this land to love and embrace ourselves while loving, caring and respected all people. There is only one race and that is the human race. Hopefully this book will inspire everyone to truly love themselves for who they really are. We must learn to look at the beauty in our different shades of skin color and not use it to divide us but rather to strengthen us. True and pure love does not see color, it embraces everyone. I want this book to teach us as black women and men that though we have darker skin, it does not make us any different and we should not settle to be treated any less. Our skin is beautiful, flawless, strong and represents love at it's highest form through Christ Jesus. Embrace our blackness with dignity, self love, beauty and greatness. Take my hand and allow me to take you on this journey to bring peace and harmony. Journey into my Blackness, I hope will enlighten people to not judge color and to look at a person's spirit, heart and soul. We need love so desperately today like no other time. Love covers a multitude of sins. Love heals and delivers us out of chains of hurt, bondage and pain. Journey Through My Blackness, Feel The Depth Of My Soul, will awaken those who dare to dream

giving you the power to know that God truly does make all things possible if you trust Him and take Him at His word. I am hoping that as you take this journey with me, you will begin to truly love all of who you are black skin and all. Never settle, always shine and inspire for greatness because it lives inside of each one of us from the lightest of skin shades to the darkest. Beauty is as beauty does, it has the power to heal and the power to love. Journey Into My Blackness Feel The Depth Of My Soul. I want to thank God, The Father, The Son and The Holy Spirit, for always being True Love for me. For loving me past me pain, hurts, mistakes and always seeing a winner is me. For given up your life so that I could live and have life and to have it more abundantly. Secondly, I dedicate this book to my late father, Mr. Vance Edward Bolden Sr., who will forever be the "The Wind Beneath My Wings". Thank you daddy, for showing me, how I am supposed to be treated as a woman, no less than like royalty and a queen. Thank you for showing me what a good and a real man looks like. I thank God, for allowing my grandmother to bring forth your life. Next to God, you are the best part of my life. Thank you for being a father and a daddy and for being the best there was and the best there is. Thank you for being that angel that was sent from God to always be there for me and for carrying and loving me unconditionally when I didn't even know how to carry and love myself. God is the greatest love that I have ever and will ever know but daddy, you are a beautiful second. Thank you just for being the highest form of love for me on earth and for being you. The memories that you have given me, will last forever in my heart til I leave this earthly journey. I will always love you daddy, more than words could ever say. Thank you for starting this journey with me and now your legacy and spirit will be there to guide me the rest of the way. You will forever be, one of my biggest inspirations, throughout the test of time." I Love You Daddy." This book is to thank Dr. Maya Angelou for giving me the courage and the okay to write. Her books always gave me strength and courage that I could write and bring my poetry to life. She will forever be embedded in my heart. Journey Into My Blackness, Feel The Depth Of My Soul

### The Seat of Consciousness in Ancient Literature

Jesus's words of wisdom can become a companion on your own spiritual journey. The gospels of Matthew, Mark, Luke and John are not the only record we have of the words spoken by Jesus. Designed to challenge, enlighten and inspire, they are also quoted in a wide variety of other ancient sources—including the Qur'an, writings by early Christian church fathers, and fragments of lost gospels only recently discovered. Some of these sayings are familiar; many are surprising; all expand our conventional understanding of the scope and essence of Jesus's original teachings. More than a "Christian" compilation, this collection of more than three hundred sayings reveals a Jesus whose words encapsulate spiritual truths that resonate across religious boundaries. From the encouraging "I am hope for the hopeless," to the wise and practical "Love those who hate you and you will not have an enemy," to the candid "Give no opportunity to the evil one," these pointed sayings not only reveal how Jesus was understood and portrayed across a wide variety of cultures long ago—they will also penetrate to your heart, challenge your assumptions, and energize your own spiritual quest. Now you can experience the wisdom and power of Jesus's sayings even if you have no previous knowledge of these little-known texts.

### Soul to Soul

Love-Life-Self Our Trinity of Power There are only three things in the universe: Love, Life, and Self. Love is a force that projects all things. Life is a force that reflects all things. Between these two forces, this binary code, is where we experience Self, source-energy love/life force, where we ARE angels radiating emotions-Generating Our Desires! Here is your "holy grail" you have been searching for to understand My Love for You My Love for you is here, within my heart, A Force of Life that moves your soul to build its memorable part Of a love story that unfolds from my MIND, Magnetically inspired numerical data I send for you to find Your dreams you choose are how I project my truths, In "living memories" for all of my youth I set aglow as children of the Light, Reflecting Love in games harnessing thoughts To show you what IS and what IS NOT Spiritual harmony of wisdom. Each of you resemble me, a spirit of universal love to be My fruits of Love on trees of Life, living in time to GROW Ever wiser, brighter still, gathering radiance of wisdom as my free will, Roaming Almighty Memory to download what is TRUE-My Love for you! Enter, my child, if you seek your Truth...BEWARE-you will not be the same when you leave! A collection of poems and essays downloaded through Divine Inspiration A book like no other-A MUST READ!

### Echoes of the Heart

Sprouted Soul: Whole- Souled Poems by Doobie Shemer is a soul-lifting compilation of short poems that will touch your heart and enlighten your life. It is a short book of poems yet powerful, very moving and beautifully written bringing comfort, joy, and inspiration into your life. Sprouted Soul is dedicated to all women, wherever they are. Theirs continuous struggle is Doobie's source of inspiration and his only motivation to write these poems. He wishes that by sharing the words of the poems every suffering soul will realize that she is not alone; united they are forceful and hopeful.

### Journey Into My Blackness, Feel The Depth Of My Soul

These preliminary writings and lyrical rainbow of poetic expressions are food for thought and inspiration. They charismatically link the authors real-life experiences and unique understanding of human and spiritual conditions to encourage and enlighten peace and hope in the minds and hearts of the most curious readers. It takes you on a short journey through the eyes of a senior citizens personal thoughts and emotions. It is a look at the world at an important stage of liferetirementwhen one has more time to reflect and share. As you read this book, let it genuinely lift your spirit and feed your soul.

### The Lost Sayings of Jesus

With a prolific career in both ministry and social causes, Ron Ovitt has provided a year long collection of devotionals that will guide to praise, reflection and worship. Through his years in the ministry, pastoral counseling and recovery coaching, Ron provides the insight and tenderness to take the scriptures and directly apply it to the heart.

### Good Words and Sunday Magazine

"ENJOY KINDNESS"ENJOY KINDNESS is an invigoratingly fresh look at the often overlooked notion of the decency in people. The authors have captured that rarest of elements in today's world -- bringing on a genuinely innocent smile. The intention of this unique tool is not to create a new law, a new mindset or set, of new ideas, but rather to gather and share information to enlighten and inspire people to remember that kindness is a fundamental part of their lives. If at any time one feels the depletion of their positive energy, they can use this book as a resource to motivate them to make kindness a primary act in their daily lives.Each planned or spontaneous act of human kindness, that the authors have been privileged to share, provides significant tangible and intangible returns that fill the reader's soul and hopefully make them want to do similar acts over and over.The book supports the philosophy that no one should claim to be perfect, but seek perfect harmony to achieve the balance from within, in order to enable society to live a life full of abundance.During the journey through life, it is essential to one day look back, and reflect on the humanity, and willingness to give unconditionally, and to ability to receive with deep gratitude.ENJOY KINDNESS is a work of art in which

the authors share a unique combination of self-expression, including soft, sincere, nurturing stories, gestures, comments, and writing style, which comfort the heart and calm the spirit; and powerful, honest, creative experiences, phrases, analogies, and direct communication, which ignite the mind and strengthen the soul. Combined together with a natural balance, they seek to provide a unique and harmonious opportunity in which the reader gains a diverse and open minded perspective on life and kindness. It is both pleasant and soothing to read, and fits in a variety of social environments and business professions. It's helpful in personal and business relationships, sales, customer service, operations, law enforcement, athletics and many other areas. This wonderfully simple book supports a worldwide movement sharing the principles contained within, and provides a creative and comfortable way to ensure that everyone can "Enjoy Kindness". Since the beginning of time the world has been full of many negative vices; and although there has been much positive evolution, there are still many negative factors that govern society including neglect, depression, addiction, drugs, abuse, crime, murder, terrorism, war, racism, hate, violence, bullying, sexism, rape, deception, incest, dishonesty. The influence from these horrific acts depletes the positive energy of the universe. It is up to society to replenish the world with peace, harmony, love, happiness, creativity, compassion, caring, acceptance, wisdom, strength, appreciation and gratitude. They all live within kindness. By sharing acts of kindness, we allow them to live on in a book, a thought, a feeling, a dream, an action, a reality, a blessing; as inspiration forever! ENJOY KINDNESS will inspire the reader to let their acts of kindness be the legacy of their life.

### The Great Computer Is Spirit Generating Our Desires

The Imitation of Christ has appeared in more editions and in more languages than any other book except the Bible. Samuel Johnson once remarked to Bowell that it "must be a good book, as the world has opened its arms to receive it." Others have praised it as well, including Thomas Carlyle, George Eliot, Thomas De Quincey, and Matthew Arnold. Among the religious, St. Ignatius Loyola translated it, and Pope John Paul I was said to have been reading it the night that he died. It has been standard fare in religious training and personal devotion for centuries. Yet today, few people know the Imitation and those who do more often than not think it hopelessly out of date, a pre-Vatican II relic, full of contempt for the world and self-loathing. It is a curious state of affairs, and one that reveals more about a contemporary audience's response to the book than it does about the book itself. When a contemporary reader encounters a line such as "this is the highest wisdom: through contempt of the world to aspire to the kingdom of heaven," his response is a very different one from that of a fifteenth - or nineteenth-century reader. For an "informed response" (as Stanley Fish would say) to the contemptus mundi theme, the reader must draw deeply on a vast complex of literary, linguistic, historical, and theological knowledge. Creasy's translation of the Imitation strives to recreate a text that provides an analogous experience to that of the fifteenth-century reader. Relying heavily on reader-response theory, he incorporates an "informed reader's" response into the text itself. Where possible, the text echoes both the deep structure and the surface structure of the Latin-even to the point of replicating sentence structures and rhetorical devices while avoiding any distortion of the reader's experience. Although the language and style of his translation has been crafted for modern readers, the fervor and power of the original text have not been lost. Dr. Creasy's work on the Imitation of Christ has become the standard translation of this spiritual classic, bringing it to life for a new generation of readers. Book jacket.

A Whisper to the Living

Inspector Porfiry Petrovich Rostnikov, an honest policeman in a very dishonest post-Soviet Union, and his team search for a serial killer who has claimed at least 40 victims while protecting a visiting British journalist who is working on a story about a Moscow prostitution ring that produces leads to a high-level source seemingly beyond Rostnikov's reach.

A Whisper to the Living

A new Inspector Rostnikov title from America's premier mystery writer, "A Whisper to the Living" continues the adventures of an honest policeman in a very dishonest post-Soviet Union.

A Whisper to the Living

An emotional and heart-warming saga set in the Lancashire cotton mills from The Sunday Times bestseller Ruth Hamilton, perfect for fans of Catherine Cookson. "Very much the successor to Catherine Cookson. Her books are plot driven, they just rip along; laughs, weeps, love, they've got the lot, and they're quality writing as well" - Sarah Broadhurst on Radio Four. "I love this woman's ability to draw me into a story where I can relate to the time and events in most of her tales." -- \*\*\*\*\* Reader review "Excellent. Could not put book down. Ruth Hamilton is a brilliant writer." -- \*\*\*\*\* Reader review "This is one book I will be keeping on my bookshelf to read again..." -- \*\*\*\*\* Reader review \*\*\*\*\* WILL HER FORTUNE EVER CHANGE? 1940. Lancashire. Annie Byrne is born during one of the toughest winters ever remembered. It's a fitting start to a life which will turn out to be full of trials and hardships. When her father dies during the war, her mother Nancy - a spinner in a cotton mill - marries Eddie Higson: a nightmare of a man who delights in tormenting the young Annie with one secret evil

after another. The years pass and Annie determines to fight the legacy of her childhood. Can she do this on her own and will her fortune ever change?

### A Whisper To The Living

People think I'm crazy. Maybe I am, since I've been able to talk to spirits for as long as I can remember. They are the forgotten, the souls who have unfinished business and can't cross over. I help them, or at least I try to. There's this one in particular, Jack, I call him, who's been following me around a lot. Usually they tell me what they need to do and move on. Not him. It isn't until he brings another spirit, Tracy, the victim of an unsolved hit-and-run accident, that I know for sure he's something more than just your average spirit. Then I start seeing him. And feeling his touch. And falling for him. In our quest to get justice for Tracy and help her move on, Jack and I become something more than just a dead boy and a living girl. I'm just waiting to see what happens next...Whisper is a young adult paranormal romance at approx, 84,000 words and is the first book in the Whisper Trilogy, and is suitable for ages 12 and up. The second book, Silence, will be out this Christmas and the third, Listen, will be out in 2013. A companion novella will be out next year. Other books by Chelsea M. Cameron: Nocturnal (Book One in The Noctalis Chronicles) Nightmare (Book Two in The Noctalis Chronicles) It isn't until he brings another spirit, Tracy, the victim of an unsolved hit-and-run accident, that I know for sure he's something more than just your average spirit. Then I start seeing him. And feeling his touch. And falling for him. In our quest to get justice for Tracy and help her move on, Jack and I become something more than just a dead boy and a living girl. I'm just waiting to see what happens next...

### The Living Age

**PUBLISHERS WEEKLY BESTSELLER •** The question isn't whether God speaks. The question is what does He have to say to you? The New York Times bestselling author of *The Circle Maker* teaches readers how to listen to God. **WINNER OF THE ECPA CHRISTIAN BOOK AWARD FOR CHRISTIAN LIVING** The voice that spoke the cosmos into existence is the same voice that parted the Red Sea, and made the sun stand still in the midday sky. One day, this voice will make all things new, but it's also speaking to you now! That voice is God's voice, and what we've learned from Scripture is that He often speaks in a whisper. Not to make it difficult to hear Him, but to draw us close. Many people have a tough time believing God still speaks. Sure, in ancient times and in mysterious ways, God spoke to His people, but is He still speaking now? Mark Batterson certainly believes so. And he wants to introduce you to the seven love languages of God; each of them unique and entirely divine. Some of them you might suspect but others will surprise you. By learning to tune in to and decipher each language, you'll be able to hear His guidance in simple as well as life-altering choices. God is actively speaking through: Scripture, Desires, Doors, Dreams, People, Promptings, and Pain. Batterson gives you the tools you need to unlock each of these languages. God's whisper can answer your most burning questions, calm your deepest fears, and fulfill your loftiest dreams. Discover how simple it is to hear God's voice in every aspect of your life! He's speaking, make sure you know how to listen!

### Littell's Living Age

A gorgeously lyrical journey of discovery across a reimagined Great Britain. Serendipity loves horses. No-one in Lahn Dan has ever seen one, apparently they died out before the Gases - but there are statues of them around the city, paintings and drawings too if you know where to look. And there's the little lost wooden horse Mama gave Serendipity when she was little. When Mama dies, Seren is taken under the wing of Professor Nimbus, a storyteller. Nimbus is kind and knowledgable, but Seren has started to question the Minister's rule and life beyond the high, impenetrable Emm Twenty-Five wall. Hidden among Mama's few possessions was a map which suggests there is life outside of Lahn Dahn, and a place where horses live and roam freely - out beyond the wall and the Minister's grip. So, with the help of a trader boy called Tab and his little dog Mouse, Serendipity heads into the unknown, searching for the beautiful creatures she's always dreamed of. But the Minister is behind them, determined to hunt her down. . .

### Living waters, conducted by S.M. Haughton

"A large part of the material used in this book was sent to the authors as representatives of the Society for Psychical Research; and the book is published with the sanction of the council of that Society ... Mr. Myers is solely responsible for the Introduction, and for the Note on a suggested mode of psychical interaction ... Mr. Gurney is solely responsible for the remainder of the book ... the collection,

examination, and appraisal of the evidence--has been a joint labour, of which Mr. Podmore has borne ... a share ..."--Preface.

### A Year Worth Living

Awaken your soul to the living Word of God. Reflect on the life-giving invitation of God's heart, gently whispered in this daily devotional, and let the light of his pure presence shine on you. Deepen your intimacy with the God of the Ages as he walks with you through the hills and valleys of life. Be refreshed in the waterfall of his loyal love. Soak in his wondrous wisdom, and let your faith be strengthened. Come alive in the waves of his grace as you hear him speak tenderly to your heart.

### Eclectic Magazine, and Monthly Edition of the Living Age

In this haunting novel, Martinez weaves an enchanting and lyrical tale whereby a whisper can become a shout heard by an entire people, and the voice of a child can be more powerful than that of a king. At fifteen, Esclarmonde realizes that the only way out of her betrothal is to renounce her freedom and a part of herself. Rather than accept the hand of a philandering knight, she cuts off her own ear and declares herself to be the mistress of Christ. She uses her dowry to build a stone chapel, where she entombs herself, inhabiting a magical place between the living and the dead. Out of the ashes of her former self arises the Virgin of Whispers—a mystical being whose prescient murmurs can alter the fate of a kingdom.

### Eclectic Magazine, and Monthly Edition of the Living Age

When ESL teacher Riko finds an old journal buried in the forests beneath Mt Fuji, a malevolent, untraceable force begins to threaten her at every turn. But is it all in her head? The more she studies the journal for answers, the more questions she uncovers. Worse, no-one takes her fears seriously and her best lead appears to be a belligerent old man, whose only care in the world is raking leaves deep in the forest. With her grip on reality shaken and friendships strained to breaking point, Riko must discover the truth about the journal in order to put ghosts of the past to rest before she loses everything. A mysterious ghost-story full of suspense!

### Living Or Dead

Chronicles a sequence of true-life events, and relays an account inspired by various individuals. The story is set in a small, rural Kansas town as events begin unraveling in September of 2000. Numerous names have been changed from those they depict to assume anonymity.

### Whisper

A Whisper from the Heart's Garden is filled with questioning, creativity, encouragement, and loss. At a very young age, Elizabeth discovers her talents, only to have them drowned out by voices of ridicule and doubt. Growing up we often experience moments of inspiration and creativity, but other voices quickly remind us of our shortcomings, which keep us from pursuing our dreams. The reader will not only discover how a young girl recalls the treasure held within her heart's garden, but will also be prompted to look within his or her own heart recalling dreams of youth. Tending one's garden is a lifetime work. No matter what age, the heart's garden waits for your discovery.

### Living and loving

Many books address how to live with the death of a loved one. Why Whisper, faces the more arduous task of living with yourself. Suicide seizes more than one life. It takes some life from everyone around it. When Joanne Mazzotta's 32 year old son Danny took his own life, part of her died with him. In this gripping account of one mother's journey alongside grief, Joanne bares her soul and her skeletons to bring us an honest and insightful look at addiction, loss, hope, suicide, and the enduring power of love.

### The Living Female Writers of the South

The child-in-jeopardy theme gets a wicked twist in this gripping novel of psychological suspense from the author of Nightmare. When the Bennetts move to the country to await the birth of their child, they discover an abused, eleven-year-old runaway girl living in the attic of their isolated house.

## Littell's Living Age

Full-throttle faith resides in fully yielded hearts. In "The Power of a Whisper: Hearing God, Having the Guts to Respond," Hybels reveals the attitudes and actions that help Christians hear directly from heaven as they navigate the most significant challenges on Earth.

## The Living Female Writers of the South. Edited by the Author of "Southland Writers" [Mary K. Tardy].

Lucy and Louie Lora are a husband and wife team, They live in California and have been blessed with three children. Lucy and her husband pastored a church in southern California for over 15 years. Lucy Lora Ministries believes in presenting the uncompromised "Word of God," and coming alongside Pastors, to help them in the so needed Restoration, for these Last Days. Lucy Lora, with over 29 years in Ministry, works with her husband to bring Hope, Restoration and Healing to all the areas in people's lives. This book is dedicated to all of the men and women who have been waiting to hear God's voice for a very long time, and find a new and refreshing season for their lives. There is an opening in the Atmosphere and fabric of Time. God wants to take you to His very Presence "To the Bridge of Holiness." Are you ready to change your garments? And put on your garments of Strength? The Kingdom of Heaven, is calling.

## Whisper

Herein lie a series of dialogues between a True Master and an Authentic Student. The Master has devoted his life to unraveling the secret cures to the ills that plague every human being. Put simply, the Master has discovered The Truth. The Truth about freedom from anxiety, curing emotional pain, achieving true success, attaining clarity, cultivating wisdom, mastering relationships, gaining complete control of one's mind, and so on. The Master speaks the raw truth. And the raw truth has no place for trite things such as prescriptions, how-to's, and cosmetic and ineffective remedies. This book is for those who are serious.

## A Whisper of Horses

More than a Whisper tells the intimate story of Anne Sano Keller's journey from the emptiness of being raised by parents who couldn't love her, to suffering a mother's greatest sorrow, and finally emerging into the fullness of grace. When her heart is shattered and she can no longer go on, the universe shows her its divine plan. After giving up all hope of reconciliation, Anne receives a letter from her estranged father, who is dying of cancer. She finds herself embarking on a ten-year journey into a world of surrender and forgiveness. As she tries to maintain her normal life, she finds herself living with one foot in this world and one foot in the spirit world. More than a Whisper started as a private journal meant only for her children to read someday. It became a book when Anne received "more than a whisper" from her spirit guide and departed loved ones, urging her to tell her story, with the hope that others might take from it the courage to face life's greatest challenges and ask, "What is this here to teach me?"

## Phantasms of the Living

Rhea's parents have died and after a year of living away from reality she is back to her house to only start receiving missed calls from several unknown numbers. She does not pay too much attention to it until she gets an envelope from an unknown person that makes her think twice about the life she has been living all along. Finding a crush amidst the entire ruckus in her life, how will she tackle the questions that have always been there in the back of her mind? Rhea is heading to find out the truth that has been hidden for years under the weight of lies.

## I Hear His Whisper for Women

Jessica Thornton is ready for a fresh start for herself and her irrepressible son, Splinter. An unexpected, unusual inheritance—a remote island mansion—seems like the opportunity of a lifetime. But when she arrives, she stumbles into a dangerous web of deception, greed, and murder. Even worse, she runs into the one person she never wanted to lay eyes on again: her long-lost husband, the man who coldly deserted her before their son was born. And the request he makes of her threatens to shake the very foundation of her life. . . . Formerly published as *The Treasure of Zanzibar*.

## Rural Living

We have come into this life for a purpose. The soul knows why, and where it is going. But we are asleep, cut off from its guidance. We're left uneasy, discontent, always searching for answers but only finding more questions. We know there is something more. But what? Unable to find it, we're left with a spiritual void that is leading our world toward a precipice and us into lives of discontent.
