## Sherlock Holmes: The Boscombe Valley Mystery

We were seated at breakfast one morning, my wife and I, when the maid brought in a telegram. It was from Sherlock Holmes and ran in this way: "Have you a couple of days to spare? Have just been wired for from the west of England in connection with Boscombe Valley tragedy. Shall be glad if you will come with me. Air and scenery perfect. Leave Paddington by the 11:15." "What do you say, dear?" said my wife, looking across at me. "Will you go?" "I really don't know what to say. I have a fairly long list at present." "Oh, Anstruther would do your work for you. You have been looking a little pale lately. I think that the change would do you good, and you are always so interested in Mr. Sherlock Holmes' cases." "I should be ungrateful if I were not, seeing what I gained through one of them," I answered. "But if I am to go, I must pack at once, for I have only half an hour." My experience of camp life in Afghanistan had at least had the effect of making me a prompt and ready traveller. My wants were few and simple, so that in less than the time stated I was in a cab with my valise, rattling away to Paddington Station. Sherlock Holmes was pacing up and down the platform, his tall, gaunt figure made even gaunter and taller by his long grey travelling-cloak and close-fitting cloth cap. "It is really very good of you to come, Watson," said he. "It makes a considerable difference to me, having someone with me on whom I can thoroughly rely. Local aid is always either worthless or else biassed. If you will keep the two corner seats I shall get the tickets." We had the carriage to ourselves save for an immense litter of papers which Holmes had brought with him. Among these he rummaged and read, with intervals of note-taking and of meditation, until we were past Reading. Then he suddenly rolled them all into a gigantic ball and tossed them up onto the rack.

## Sherlock Holmes and the Boscombe Valley Mystery

James McCarthy is the only suspect in his father's murder. Yet Sherlock Holmes and James's childhood friend Alice Turner believe he is innocent. Can Holmes unveil the real story behind the murder in Boscombe Valley in time?

### The Case-Book of Sherlock Holmes

In *The Case-Book of Sherlock Holmes* we read the last twelve stories Conan Doyle was to write about Holmes and Watson. They reflect the disillusioned world of the 1920s in which they were written, and he can be seen to take advantage of new, more open conventions in fiction. Suicide as a murder weapon and homosexual incest are some of the psychological tragedies whose consequences are unravelled by the mind of Holmes before the eyes of Watson. That said, the collection also includes some of the best turns of wit in the series, and indeed in the whole of English literature. The editor of this volume, W.W. Robson, is Emeritus David Masson, Professor of English Literature at the University of Edinburgh and the author of *Modern English Literature*. The general editor of the Oxford Sherlock Holmes, Owen Dudley Edwards, is Reader in History at the University of Edinburgh and author of *The Quest for Sherlock Holmes. A Biographical Study of Sir Arthur Conan Doyle*. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Holmes had been informed about next murder in Herefordshire and went to Boscombe Valley in that community. Mr. Charles McCarthy had been killed by his own son. ### The Boscombe Valley Mystery

Sherlock Holmes, the world's 'only unofficial consulting detective', was first introduced to readers in *A Study in Scarlet* published by Sir Arthur Conan Doyle in 1887. It was with the publication of *The Adventures of Sherlock Holmes*, however, that the master sleuth grew tremendously in popularity, later to become one of the most beloved literary characters of all time. In this book series, the short stories comprising *The Adventures of Sherlock Holmes* have been amusingly illustrated using only Lego® brand minifigures and bricks. The illustrations recreate, through custom designed Lego models, the composition of the black and white drawings by Sidney Paget that accompanied the original publication of these adventures appearing in *The Strand Magazine* from July 1891 to June 1892. Paget's iconic illustrations are largely responsible for the popular image of Sherlock Holmes, including his deerstalker cap and Inverness cape, details never mentioned in the writings of Conan Doyle. This uniquely illustrated collection, which features some of the most famous and enjoyable cases investigated by Sherlock Holmes and his devoted friend and biographer Dr. John H. Watson, including *A Sandal in Bohemia* and *The Red-Headed League*, is sure to delight Lego enthusiasts, as well as fans of the Great Detective, both old and new. *The Boscombe Valley Mystery*: Inspector Lestrade of Scotland Yard summons Sherlock Holmes and Dr. Watson to Herefordshire to investigate the murder of a wealthy landowner named Charles McCarthy. Holmes, donning his travelling-cloak and close-fitting cloth cap, carefully examines the crime scene and soon unravels the mystery involving a secret criminal past, thwarted love, and blackmail.

#### Elementary Stories Sherlock Holmes Library the Boscombe Valley Mystery

Sherlock Holmes IV is a direct descendant of the famed detective whose daring exploits were so vividly chronicled by Dr. John Watson and related to us by Arthur Conan Doyle. This new Sherlock Holmes owns a small hotel on Miami's South Beach, and is just as renowned in the present day as his ancestor was in his. In "The Boscombe Valley Mystery," Sherlock Holmes and Watson are called to a remote area of Florida overlooking Lake Okeechobee to investigate a murder where all the evidence points to the victim's son as the killer. Holmes, however, is not so sure. "Imagine Sherlock Holmes—or rather, his great-great-great-grandson—living on South Beach and solving crimes and mysteries with the same aplomb as his famous forebear and you'll get the picture of what's going on here..." --Bartholomew Fox, author of "Deadlock" "Witty and clever, with a whole new cast of characters to support this new Holmes and this new Watson. They live in a small boutique hotel on Lincoln Road called Fleming House (named after Sherlock the IV's love for James Bond author Ian Fleming). Holmes paces about in the penthouse while Watson (yes, he's a direct descendant of Dr. Watson) manages Fleming House. The cast of supporting characters, from the unseen tempestuous Chef Hilario to the gay manager of the Crown Colony restaurant in the hotel, Bjorn Karlsen, who has to put up with the chef, are refreshing and contemporary."--Renee Rodgers, author of "A Tuned Body" "You'll like not only this new Sherlock Holmes, but the hip new world he finds himself living in... South Beach. Lady Gaga even makes an appearance in 'The Red-haired Man!'"--Sophie Charpentier, author of "Country Club Tennis Rules"

## The Boscombe Valley Mystery

First appearing in print in 1887 (in *A Study in Scarlet*), the character's popularity became widespread with the first series of short stories in *The Strand Magazine*, beginning with "A Scandal in Bohemia" in 1891; additional tales appeared from then until 1927, eventually totalling four novels and 56 short stories. All but one are set in the Victorian or Edwardian eras, between about 1880 and 1914. Most are narrated by the character of Holmes's friend and biographer Dr. Watson, who usually accompanies Holmes during his investigations and often shares quarters with him at the address of 221B Baker Street, London, where many of the stories begin. Though not the first fictional detective, Sherlock Holmes is arguably the best known, with Guinness World Records listing him as the "most portrayed movie character" in history. Holmes's popularity and fame are such that many have believed him to be not a fictional character but a real individual; numerous literary and fan societies have been founded that pretend to operate on this principle. Widely considered a British cultural icon, the character and stories have had a profound and lasting effect on mystery writing and popular culture as a whole, with the original tales as well as thousands written by authors other than Conan Doyle being adapted into stage and radio plays, television, films, video games, and other media for over one hundred years.

Indisputably the greatest fictional detective of all time, Sherlock Holmes lives on—in films, on television, and of course through Sir Arthur Conan Doyle's inimitable craft. These twenty-two stories show Holmes at his brilliant best. THE ADVENTURE OF THE SPECKLED BAND A SCANDAL IN BOHEMIA THE RED-HEADED LEAGUE THE ADVENTURE OF THE BLUE CARBUNCLE THE NAVAL TREATY THE FINAL PROBLEM THE ADVENTURE OF THE DANCING MEN THE ADVENTURE OF THE COPPER BEECHES THE CROOKED MAN THE RESIDENT PATIENT THE GREEK INTERPRETER THE ADVENTURE OF THE NORWOOD BUILDER THE ADVENTURE OF THE SOLITARY CYCLIST THE ADVENTURE OF THE EMPTY HOUSE THE FIVE ORANGE PIPS THE BOSCOMBE VALLEY MYSTERY THE ADVENTURE OF THE SIX NAPOLEONS THE ADVENTURE OF THE PRIORY SCHOOL THE MUSGRAVE RITUAL THE MAN WITH THE TWISTED LIP THE ADVENTURE OF THE SECOND STAIN THE ADVENTURE OF THE ABBEY GRANGE

### The Boscombe Valley Mystery

Ein Fall von Identität" ist leicht zu lesen, rasant und unterstreicht die Fähigkeiten von Sherlock Holmes, aber trotzdem ist es eine Geschichte, die im Kanon der Holmes-Geschichten oft übersehen wird. Mary Sutherland, eine junge Frau, sucht Holmes auf und bittet ihn um Hilfe, um herauszufinden, was mit Hosmer Angel geschehen ist, einem Mann, in den sie sich verliebt hatte und den sie gerade heiraten wollte, als er verschwand. Sie erklärt, dass sie bei ihrer Mutter und ihrem Stiefvater, James Windibank, lebt und die drei von dem Geld ihres verstorbenen Vaters gut leben. Als Mary Sutherland von ihrem Problem erzählt, ist Dr. Watson völlig ratlos. Wird es Holmes gelingen, den Fall zu lösen, ohne die Baker Street 221B zu verlassen?
