Shadow Lane Volume 4

Ever since the 1950's, spanking has been practiced for the pleasure of adults in Random Point. The present era finds Hugo Sands at the center of its scene. Formerly a stern and imperious dom, his persistent love for Laura has all but civilized him. But instead of enchanting his favorite submissive, Hugos' sudden tameness has the opposite effect on Laura, who breaks every rule of their relationship to provoke him into reacting like the strict martinet she once knew and loved. Meanwhile, Ivy League brat Susan Ross selects Sherman Cooper as the proper dominant to provide her naughty friend Diana Stratton with the discipline she craves. Finally, all the young women of Random Point conspire to rescue a delightful submissive from a cruel master. About the Author: In Random Point, everything is linked to spanking and this is true for the author of the Shadow Lane novels as well. Eve Howard has been writing and producing spanking erotica since the 1980's. Eve has written, directed and produced over 140 spanking videos. Female-friendly and designed to make people feel good, rather than guilty, about being into spanking, Eve suggests an irreverent alternative to the all or nothing B&D subculture portrayed in such beloved classics as The Story of O. Many spanking fans have discovered the real life spanking scene by following the same patterns of social networking as described in the Shadow Lane novels. And for almost twenty years, Eve's company Shadow Lane has been one of the primary social organs of the real life spanking scene. There are nine titles in the Shadow Lane series and Eve is currently working on Volume 10. She lives with her husband Tony Elka and their three cats in Las Vegas.

Shadow Lane

The ninth volume of Shadow Lane is something of a time machine, with its opening story set in The Summer of Love, when a tough marine recruiter falls hard for the adorable hippie girl he has just spanked even harder. (Long time fans will appreciate the fact that the Sergeant is Michael Flagg's dad.) The history of Hugo Sands begins in the 1980's, with a series of spanking romances between the esoteric magazine publisher and the playfully submissive young women who cross his path seeking adventure and fortuitously fall into his well-tailored lap. Cut to Random Point at the Millennium, where handsome former-detective Michael Flagg acquires a tavern and inches ever closer to the conquest of his elusive Marguerite, pausing only to civilize his tomboy of a barmaid along the way. Elsewhere in the village the contrary Pamela is taken up by the master she deserves, the irreverent Susan Ross receives a long awaited comeuppance from an unexpected quarter, and the amiable Sloan Taylor finds the love of his life in the aisles of his enchanted bookshop. Meanwhile, on the West Coast, bold Brooke Neuman finances her freshman year at film school working at a Hollywood dungeon, where her insolence arouses the interest of a cynical screenwriter whom she infuriates, bewitches and neatly slays on the alter of love. B&D fireworks of every description illuminate the battle of the sexes in Random Point on New Year's Eve. About the Author: In Random Point, everything is linked to spanking and this is true for the author of the Shadow Lane novels as well. Eve Howard has been writing and producing spanking erotica since the 1980's. Eve has written, directed and produced over 150 spanking videos. spanking, Eve suggests an irreverent alternative to the all or nothing B&D subculture portrayed in such beloved classics as *The Story of O*. Many spanking fans have discovered the real life spanking scene by following the same patterns of social networking as described in the Shadow Lane novels. There are nine titles in the Shadow Lane series and Eve is currently working on Volume 10. She lives with her husband Tony Elka and their three cats in Las Vegas.

Shadow Lane Volume 6

A sophisticated but sweet group of spanking enthusiasts enact fantasies replete with well-bred perversity from Cape Cod to Southern California in Eve Howard's latest collection of interlocking stories. Five quietly seductive young women enjoy their first cataclysmic encounters with suitable dominant males as: a girl is propositioned by her masterful boss, Hugo Sands discovers an interesting female relation in the scene, a gentleman rectifies a bad first impression made on a lovely submissive, a pretty psychoanalyst gives her patient enough confidence to turn her over his knee, a difficult beauty is conquered by Sloan Taylor, a tempestuous actress moves to Random Point and discovers she's not the only one into spanking and her hitherto clueless husband sees the good of this. About the Author: In Random Point, everything is linked to spanking and this is true for the author of the Shadow Lane novels as well. Eve Howard has been writing and producing spanking erotica since the 1980's. Eve has written, directed and produced over 140 spanking videos. The Chronicles of Random Point

Hugo Sands, at the center of the pleasure scene at Random Point, has suddenly become disturbingly tame. In frustration, his lover Laura breaks every rule of their relationship to get him to behave like the strict martinet he once was. Meanwhile Susan Ross selects the perfect dominant for her naughty friend Diana Stratton, and all the ladies of Random Point conspire to rescue a delightful submissive from her cruel master.

Shadow Lane Volume 7

Hollywood High School teacher David Lawrence falls madly in love with a stunning blonde B&D club girl, marries her and they move to Random Point, Massachusetts. Sexy and mischievous Hope Lawrence begins to run the coffee bar at Marguerite Alexander's bookshop and soon has Hugo, Michael, Malcolm and Sloan mad to spank her. David begins teaching at the local prep school and rapidly uncovers the hidden bad girl in a voluptuous female guidance counselor. Meanwhile, his most sexually precocious student sets her cap for her affable instructor, not counting on finding a strict disciplinarian in lieu of a lover, but eager to feel the good of it. The handsome new couple in the small New England village radiate a Santa Ana's worth of California heat as they captivate the equally provocative locals with their hard-wired spanking ways. Meanwhile, the charming school counselor finds herself being courted by a masterful department store owner, sadly lacking in political correctness but suave to a fault when it comes to turning a beautiful woman over his knee. Shadow Lane Volume 8

If there's a spanking scene to be found in Poughkeepsie, Lupe Freeman will find it; with the sophisticated Diana Stratton as her mentor, the precocious prep school girl hits the Ivy League determined to supply herself with a dominant boyfriend by Thanksgiving break. Susan Ross, now 23 and ever the darling of Anthony Newton, begins her career at an ad agency while irreverently recording her ongoing spanking adventures in a diary. Her growing passion for Anthony, fueled by jealousy, leads her to commit several errors of relationship etiquette, which cry out for and receive harsh correction. Back in Random Point, polymorphously perverse Alison Albrecht engages in her first spanking love affair; but will the quite amiable gentleman be firm enough to tame her waywardness? Conversely, hyper-critical husband Ambrose Bartlett pushes perfectionism a little too far with his independent bride and almost outsmarts himself. Best of Shadow Lane

Ever since the 1950s, spanking has been practiced for the pleasure of adults in the Cape Cod village of Random Point. These stories detail the blossoming and increasing sophistication of young women's interest in the underground world of submission and dominance. As characters experiment as tops and bottoms, perfect their chosen roles, and investigate the benefits and drawbacks of various partners, the theme remains the same: submissive women searching masterful men who will turn them over their knees. At the center lies the mischievous Susan Ross, an Ivy League brat who is testing many men to see if any are what she needs: a handsome dominant to give her the spanking she deserves.

Shadow Lane Volume 10

Charming young spanking enthusiast Amanda Sands begins her college education in Boston, but not before making a pilgrimage to Random Point, to surprise magazine publisher Hugo Sands with the fact of her existence. Completely disarmed by the engaging coed, Hugo not only helps Amanda get connected in the scene, but also verges on being a bad influence on the well-bred and willowy blonde. Laid siege to by the alpha males in her dorm, the intelligent Amanda knows what she likes and selects only those young men who seem likely to turn a girl over a knee. Playing at school with her classmates and at large in Boston and out on the cape with more seasoned dominant men, Amanda begins piling up enough spanking adventures to keep an extremely racy diary, which the reader will follow with interest. Amanda's friend Thalia develops a strong crush on Hugo that resolves itself in bad behavior all around and seriously impedes Hugo's campaign to win Laura Random's hand. Meanwhile, Amanda artfully pulls the strings of her most unlikely suitor, a gruff Harvard jock that suffers keenly at her whim until the day the tables turn. The tenth volume in the Shadow Lane series abounds in traditional over the knee spanking, luxurious fetishism, seductive repartee, virile sexuality and irrepressible romance. Shadow Lane Volume 1 And 2

Shadow Lane Volume 1: When Susan and Laura Ross become the protegees of sophisticated magazine publisher Hugo Sands, their adventures in the spanking scene begin. In search of the perfect dominant-submissive relationship, the two sisters, along with their glamorous friend and mentor, Marguerite Alexander, experience the most voluptuous disciplinary encounters imaginable with a series of disarmingly masterful men from Cape Cod to Boston to New York. The female libertines of Random Point seek a standard of excellence in their tops that combines forcefulness and chivalry in equal parts and the search proves a complete education in the culture of corporal punishment. Shadow Lane Volume 2: All Susan Ross ever wanted was a handsome and masterful lover who would turn her over his knee now and then without trying to control her life. She ends up with three of them in the second volume of Shadow Lane, the ongoing chronicle of romantic discipline set in a village on Cape Cod. Bad girl

episodes include: the old-fashioned schooling of Jane by Hugo, the sensuous surrender of Marguerite to Michael, the impertinent seduction of Sherman by Susan, Laura's naughtiness and subsequent correction, the radical adventure of Damaris in the Hollywood B&D house and Susan's public spanking from Anthony at the Hellfire Club, NYC. The final chapter brings all together for a dramatic climax in which Susan plays an unexpected role. Shadow Lane

It's June in Random Point and 18-year-old Amanda Sands has been left in charge of Hugo's antiques shop and his spanking magazine. Pursued by gallery owner Raphael Price as well as married photographer Pascal Robbins, the charismatic Harvard coed cuts her blonde hair short, turns sophisticated Pamela Bartlett into her adoring submissive and continues to ravish the senses of her love-struck boyfriend Colby Hodge. Pascal's wife, singer-actress Phoebe Casper, develops a mad crush on composer Anthony Newton that threatens to ruin her marriage and dislodge Susan Ross as the queen of Newton's heart. Meanwhile Pamela's husband, department store owner Ambrose Bartlett, lays siege to voluptuous, former dominatrix Polyxena Guzman, which completely distracts him from noticing the worshipful court being paid to his glamorous wife by the youthful Dru Baxter. Marguerite Alexander creates the Venus Club to bring all her local girlfriends in the scene closer together, but doesn't foresee that including Jane Eliot in the circle will ignite a dangerous flame of desire in the girl who was once so in love with her husband, Michael Flagg. The romance of discipline wafts through Random Point like a balmy summer breeze as its animated denizens discover just how much pleasure, passion and corporal punishment eroticism can be fit into one small month. About the Author A lifelong enthusiast, Eve Howard has been writing, editing and creating spanking erotica since the 1980's. And for over 20 years, Eve's company Shadow Lane has been one of the primary social organs of the real-life spanking scene, throwing annual gala events for fellow enthusiasts to come together and celebrate the spicy variation that has preoccupied them for so long. Kingdom of Shadow and Light

NEW YORK TIMES BESTSELLER • MacKayla Lane faces the ultimate threat when war breaks out between the kingdoms of shadow and light, as the Fever series races to an explosive revelation. From the moment MacKayla Lane arrived in Dublin to hunt her sister's murderer, she's had to fight one dangerous battle after the next: to survive, to secure power, to keep her city safe, to protect the people she loves. The matter of who's good and who's evil can be decided by the answer to a single question: Whose side are you on? Now, as High Queen of the Fae, Mac faces her greatest challenge yet: ruling the very race she was born to hunt and kill—a race that wants her dead yesterday, so they can put a pure-blooded Fae queen on the throne. But challenges with her subjects are the least of her concerns when an ancient, deadly foe resurfaces, changing not only the rules of the game but the very game itself, initiating a catastrophic sequence of events that have devastating consequences and leave Mac questioning everything she's ever learned and everyone she's ever loved. Now begins an epic battle between Mortal and Fae, Seelie and Unseelie, would-be kings and would-be queens, with possession of the Unseelie King's virtually unlimited power and the fate of humanity at stake. From the exquisite, deadly gardens of the High Queen's court, to long-forgotten truths found in the Sacred Grove of Creation, from the erotic bed of her enigmatic, powerful lover to the darkest, seductive reaches of the Unseelie kingdom, Mac's final journey takes her places no human has been before, and only one human could possibly survive . . . One who's willing to sacrifice everything.

He may have met Tommy Halloran in the world of gay-for-pay—where the number of lovers doesn't matter as long as the come-shot's good—but if he wants the healing that Tommy's love has to offer, he'll need the courage to leave the shadows for the sunlight. That may be too much to ask from a man who's spent his entire life hiding his true self. Chase knows all too well that the only things thriving in a heart's darkness are the bitter personal demons that love to watch us bleed.

House of Leaves

THE MIND-BENDING CULT CLASSIC ABOUT A HOUSE THAT'S LARGER ON THE INSIDE THAN ON THE OUTSIDE • A masterpiece of horror and an astonishingly immersive, maze-like reading experience that redefines the boundaries of a novel. "Simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —Michiko Kakutani, *The New York Times* "Thrillingly alive, sublimely creepy, distressingly scary, breathtakingly intelligent—it renders most other fiction meaningless." —Bret Easton Ellis, bestselling author of *American Psycho* "This demonically brilliant book is impossible to ignore." —Jonathan Lethem, award-winning author of *Motherless Brooklyn* Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth—musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies—the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices, the story remains unchanged. Similarly, the cultural fascination with *House of Leaves* remains as fervent and as imaginative as ever. The novel has gone on to inspire doctorate-level courses and masters theses, cultural phenomena like the online

urban legend of “the backrooms,” and incredible works of art in entirely unreal mediums from music to video games. Neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of the impossibility of their new home, until the day their two little children wandered off and their voices eerily began to return another story—of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

The Road

The post-apocalyptic modern classic with an introduction by novelist John Banville. In a burned-out America, a father and his young son walk under a darkened sky, heading slowly for the coast. Attempting to survive in this brave new world, the young boy and his protector have nothing but a pistol to defend themselves. They must keep walking. Winner of the Pulitzer Prize for Fiction, *The Road* is an incandescent novel, the story of a remarkable and profoundly moving journey. In this unflinching study of the best and worst of humankind, Cormac McCarthy boldly divines a future without hope, but one in which, miraculously, this young family finds tenderness. An exemplar of post-apocalyptic writing, *The Road* is a true modern classic, a masterful, moving and increasingly prescient novel. This edition is part of the Picador Collection, a series of the best in contemporary literature, inaugurated in Picador’s 50th Anniversary year.

Shadow Lane presents an exquisite photo album depicting the art of spanking in the 21st century. A spanking video production company and publishing house since the late 1980's, Shadow Lane is headed by Eve Howard, a former spanking model, editor of both "Spank Hard" and "Stand Corrected" magazines and author of the Shadow Lane novel series. Shadow Lane has always identified with the "romance of discipline" and this has long rendered its products of particular interest to female spanking enthusiasts chary of the harsher profile of contemporary BDSM. The photography in this soft cover book is wholly devoted to spanking perfection, ranging from the classically traditional to the evocatively fetishistic, with the emphasis on fully clad good looking man spanking enchanting bare bottomed girl, in the most popular American spanking position, over the knee. Departments include: the world's most bewitching female spanking submissives, counter posed with their handsomest tops, a gallery of never before published Brian Tarsis spanking illustrations, girls spanked in uniform, cheeky views from the rear, nude spanking, clinical spanking, double spankings and women who spank women. "Shadow Lane's The Art of Spanking Volume One" is a 64-page, all color portfolio of genuine corporal punishment erotica for the discriminating viewer of the whole spanking picture, including those meaningful expressions that say so much about the general attitude of a scene. This is not a book of disembodied bottoms, but of human beings with personality and heart, interacting in a fabulous action fetish that includes an entire sub-culture of its own. Many spanking people who discover Shadow Lane for the first time feel as though they've come home to friends. These charming images, along with Eve's explanatory notes, which put the scenarios into a cultural perspective, will speak to the spanking enthusiast who knows deep down that there is absolutely no reason not to feel good about being into spanking in the 21st century. Eve has written, directed and produced over 155 spanking videos and hosted over thirty gala balls for enthusiasts.
