take a few really nice deep breaths

feel the muscles between your ribs expanding and contracting

observe the sensations of the breath

start by bringing your attention to your feet tense and release the muscles

release the muscles

imagine you're breathing into the pit of your stomach

spread to all of the muscles in your back

breathe into all the muscles in your back

breathe along the length of your spine

hunch and release your shoulders several times allowing

scrunch up all the muscles in your face a few times

breathe into your jaw and all the muscles in your face

breathe deep into your lungs

imagine your heart beating in the center of your chest

imagine breathing through the very top of your head

wiggle your fingers and toes
