Zero's Return

With over 23-million views on YouTube, the multi-award-winning Zero short film is a hit with viewers. Watch it free - <https://youtu.be/LOMbySJTKpg> Now, read the epic conclusion of the Zero story in this beautifully illustrated 100-page graphic novel. Join Zero and his family in a tale of unity, injustice, and revolution. Synopsis: There once was a town in a far-away land where the folk were made entirely from yarn, woven from top-to-toe complete with a big bold number on their chests. The law of their land decreed that these fabric digits determined everyone's value and place in society. That is until a forbidden union between two Zeros lead to the birth of conjoined twins, fused with the mark of Infinity. This powerful symbol challenged everything the townsfolk thought they knew.

Life couldn't be better for Elliott Harkness. Next Gen, his very own team of kid superheroes, is being coached by the Freedom Force, the greatest Meta team on the planet! But unfortunately for Elliott, even the best coaching couldn't prepare him for what's come back from the past. Before the Freedom Force, the Protectors of the Planet defended the globe from evil. They were the greatest Meta team of their time, until they were betrayed by one of their own leading to tragedy. In the aftermath, Meta-Man, the most powerful hero of them all, abandoned his adopted home of Earth and the Protectors disbanded. But now, decades later, an unstable Meta-Man has returned for revenge against his former teammates-and it's up to Elliott to stop him! But who really betrayed the Protectors? And can Elliott find Meta-Man's archenemy in time to help defeat the former hero? When the most powerful hero of all time has gone crazy, can Elliott become the epic hero he's always wanted to be--or will he always be just an Epic Zero?
