A Touch of Immortality

A young gypsy is tasked with the fate of the world and her heart in this enthralling new novel full of passionate adventure, magic, and supernatural legend... The knowledge of a prophecy her family has kept secret, will bring her closer to discovering the truth about herself. Nadya CooperSmith must face a series of bizarre events, and decide on true love while fighting forces of evil. Determine to fulfill her destiny and follow her own heart, Nadya is willing to do anything. But is it enough? "A beautiful gypsy, two immortals, and the choice that will change her life forever."

A Touch of Immortality 1

Radiation from the universe reaches a group of scientists who start a daring experiment. They create people who do not know duality. Some with an absolutely positive attitude and their opponents who have an absolutely negative attitude to morality. Both godfathers strive to win the game.

A Touch of Immortality 2

Radiation from the universe reaches a group of scientists who start a daring experiment. They create people who do not know duality. Some with an absolutely positive attitude and their opponents who have an absolutely negative attitude to morality. Both godfathers strive to win the game.

Immortality

There is a cloud-capped peak where gods and immortals while away their infinite days, and since the dawn of humanity everyone - whether they know it or not - has been trying to climb that mountain. But there are only four paths up its treacherous slope. Throughout history, people have wagered everything on their choice and fought wars against those who've decided differently. Each of these four paths - simply staying alive indefinitely, through magic or medicine; being resurrected; persisting as a soul; or living on through one's legacy - is revealed to us by a historical figure who serves as our guide. It is through these diverse individuals - such as the Egyptian queen Nefertiti; vitamin-obsessed Nobel

Laureate Linus Pauling; author Mary Shelley; and Alexander the Great - that we come to understand how many of civilisation's greatest achievements have been born of our need to see our essence endure. As optimistic about the human condition as it is insightful, *Immortality* takes the reader on an eye-opening journey from the beginnings of civilisation to the present day. Bringing together history and philosophy, this fascinating book both enlightens and entertains, investigating whether it just might be possible to live forever, and whether that's something we should actually aspire to. But its most powerful and arresting argument is this - that it is our very preoccupation with defying mortality that has made our civilisation what it is.

Immortality

This breathtaking, reverberating survey of human nature finds Kundera still attempting to work out the meaning of life without losing his acute sense of humour. It is one of those great unclassifiable masterpieces that appear once every twenty years or so. 'It will make you cleverer, maybe even a better lover. Not many novels can do that.' Nicholas Lezard, GQ

The Book of Immortality

An exploration of one of the most universal human obsessions charts the rise of longevity science from its alchemical beginnings to modern-day genetic interventions and enters the world of those whose lives are shaped by a belief in immortality.

A Touch of Immortality 3

Radiation from the universe reaches a group of scientists who start a daring experiment. They create people who do not know duality. Some with an absolutely positive attitude and their opponents who have an absolutely negative attitude to morality. Both godfathers strive to win the game. Later on, they find a diamant Quarsar as their Home.

Bitten & Smitten

Blind dates can be bad, but Sarah Dearly's date is a true contender for worst ever. His neck nibbling didn't just leave a bruise; it turns her into a vampire - and the newest target for a pack of zealot vampire hunters. With her date now their latest victim, Sarah runs for her immortal life - straight into Thierry de Bennicoeur, a master vampire who is just a wee bit suicidal. Thierry can't resist a damsel in distress and agrees to teach Sarah how to live the vampire life if she'll help him end his own. But as it turns out, Sarah may be his best reason for living.

Being a Green Mother

Orb had a rare gift--the magic which manifested whenever she sang or played her harp. No one could resist her music. But she knew that greater magic lay in the Llano, the mystic music that controlled all things. The quest for the Llano occupied Orb's life. Until she met Natasha, handsome and charming, and an even finer musician. But her mother Niobe came as an Aspect of Fire, with the news that Orb had been chosen for the role of Incarnation of Nature--The Green Mother. But she also warned of a prophecy that Orb was to marry Evil. Could she be sure that Natasha was not really Satan, the Master of Illusion, laying a trap for her...?

The Immortal Highlander

Enter a world of timeless seduction, of ancient intrigue and modern-day passion. Enter the dazzling world of Karen Marie Moning, whose acclaimed Highlander novels have captivated readers, spanning the continents and the centuries, bringing ancient Scotland vividly to life. In a novel brimming with time-travel adventure and sensual heat, the bestselling author of *The Dark Highlander* delivers a love story that will hold you in thrall—and a hero you will most certainly never forget. BEWARE: lethally seductive alpha male of immense strength, do not look at him. Do not touch him. Do not be tempted. Do not be seduced. With his long, black hair and dark, mesmerizing eyes, Adam Black is Trouble with a capital T. Immortal, arrogant, and intensely sensual, he is the consummate seducer, free to roam across time and continents in pursuit of his insatiable desires. That is, until a curse strips him of his immortality and makes him invisible, a cruel fate for so irresistible a man. With his very life at stake, Adam's only hope for survival is in the hands of the one woman who can actually see him. Enter law student Gabrielle O'Callaghan, who is cursed with the ability to see both worlds: Mortal and Faery. From

the moment she lays eyes on this stunning male, Gabby is certain of one thing: He could be her undoing. Thus begins a long, dangerous seduction. Because despite his powerful strength and unquenchable hungers, Adam refuses to take a woman by force. Instead, he will tease his way into Gabby's bed and make her want him just as he wants her. Now, no matter how hard Gabby tries to avoid him, Adam is everywhere, invisible to all but her—perched atop her office cubicle in too-tight jeans, whispering softly from behind the stacks of the law library, stealing her breath away with his knowing smile...all the while tempting her with the promise of unimaginable pleasure in his arms. But soon danger will intrude on this sensual dance. For as Adam's quest to regain his immortality plunges them into a world of timeless magic and the deadly politics of the Faery queen's court, the price of surrender could be their very lives. Unless they can thwart the conspiracy that threatens both mortal and Faery realms...and give them a shot at a destiny few mortals ever know: glorious, wondrous, endless love.

A Touch of Mortality

Nadya CooperSmith trusted her heart and endured a prophecy. She finally became immortal. While her bodyguard struggles in a battle inside his own soul about his true nature; craving the impossible. There is a new enemy lurking in the shadows, a perverse creature more powerful, wicked and mischievous. The circumstances bring her to make a drastic decision, triggering a series of dangerous events where everyone is in danger to facing extinction. Will Nadya embrace her immortality in time to save the ones she loves? From the novel A Touch of Immortality Nadyas story continues in this Sequel filled with more danger, magic and mythical creatures. Leading to a dramatic conclusion you wont expect.

Pilgrim

Ageless. Sexless. Deathless. Timeless. Pilgrim is a man who cannot die, an astounding character in a novel of the cataclysmic contest between creation and destruction. Pilgrim is Timothy Findley's masterwork, a finalist for the Giller Prize, and a national bestseller that has smashed the author's own impressive sales records. It is 1912 and Pilgrim has been admitted to the Burghölzli Psychiatric Clinic in Zürich, Switzerland, having failed—once again—to commit suicide. Over the next two years, it is up to Carl Jung, self-professed mystical scientist of the mind, to help Pilgrim unlock his unconsciousness, etched as it is with myriad sufferings and hopes of history. Is Pilgrim mad, or is he condemned to live forever, witness to the terrible tragedy and beauty of the human condition? Both intimate and expansive in its scope, with an absorbing parade of characters—mythic, fictional and historical—Pilgrim is a fiercely original and powerful story from one of our most distinguished artists.

Immortal: Last Call

"I'm something like sixty-thousand years old, and I've probably thought more about my own death than any living being has thought about any subject, ever. I used to be unduly preoccupied with what might constitute a "good death", although interestingly, this has always been an after-the-fact analysis. What I mean is, following a near-death experience, I'll generally perform a quiet review of the circumstances and judge whether that death would have been objectively good, by whatever metric one uses for that kind of thing. I'm not nearly that self-reflective while in the midst of said near-death experience. Facing death, the predominant thought is always not like this." A disease threatening the lives of everyone—human and non-human—has been loosed upon the world, by an arch-enemy Adam didn't even know he had. That's just the first of his problems. Adam's also in jail, facing multiple counts of murder, at least a few of which are accurate. He may never see the inside of a courtroom, because there remains a bounty on his head—put there by the aforementioned arch-enemy—that someone is bound to try to collect while he's stuck behind bars. Meanwhile, Adam's sitting on some tantalizing evidence that there might be a cure, but to find it, he's going to have to get out of jail, get out of the country, and track down the man responsible. He can't do any of that alone, but he also can't rely on any of his non-human friends for help, not when they're all getting sick. What he needs is a particularly gifted human, who can do things no other human is capable of. He knows one such person. He calls himself a fixer, and he's Adam's—and possibly the world's—last hope. That's provided he believes any of it. Immortal: Last Call is the sixth book in the Immortal Novel Series, and also the end of a long journey for one immortal man.

Trap of Immortality

In the north of Redbree, in a peasant-infested kingdom, Eliza, a young, unpredictable girl, quickly infuriated lives. She visualizes the day she can escape the firm grasp of her loathsome parents,

wondering what it would feel like to run through the free lands hand in hand with her brothers. Her dream comes true, when she hears the weak voice of a prince she knows to be long dead.

Bearing an Hourglass

Like *On a Pale Horse*, this second, complete-in-itself novel of the Incarnations of Immortality is a richly imagined and always fascinating story. And again, Piers Anthony adds to his gripping plot a serious, though-provoking study of good and evil. When life seemed pointless to Norton, he accepted the position as the Incarnation of Time, even though it meant living backward from present to past. The other seemingly all-powerful Incarnates of Immortality—Death, Fate, War, and Nature—made him welcome. Even Satan greeted him with gifts. But he soon discovered that the gifts were cunning traps. While he had been distracted, he had become enmeshed in a complex scheme of the Evil One to destroy all that was good. In the end, armed with only the Hourglass, Norton was forced to confront the immense power of Satan directly. And though Satan banished him to Hell, he was resolved to fight on.

The Immortals

James Gunn's masterpiece about a human fountain of youth collects the author's classic short stories that ran in elite science-fiction magazines throughout the 1950s. New material accompanies this updated edition, including an introduction from renowned science-fiction writer Greg Bear, a preface from Gunn himself, and "Elixer," Gunn's short story that introduced Dr. Pearce to another Immortal. What is the price for immortality? For nomad Marshall Cartwright, the price is knowing that he will never grow old. That he will never contract a disease, an infection, or even a cold. That because he will never die, he must surrender the right to live. For Dr. Russell Pearce, the price is eternal suspicion. He appreciates what synthesizing the elixir vitae from the Immortal's genetic makeup could mean for humankind. He also fears what will happen should Cartwright's miraculous blood fall into the wrong hands. For the wealthy and powerful, no price is too great. Immortality is now a fact rather than a dream. But the only way to achieve it is to own it exclusively. And that means hunting down and caging the elusive Cartwright, or one of his offspring.

The Physics of Immortality

Is there a higher power in the universe? What happens to us when we die? Leading physicist Frank J. Tipler tackles these questions and more in an astonishing and profoundly important book that scientifically proves the existence of God and the physical resurrection of the dead.

The Book of Immortality

A "wonderful" (Harper's), "engrossing" (Parade) exploration of the most universal of human obsessions: immortality—from an author who is "part Mary Roach, part Joe Strummer of The Clash" (The Wall Street Journal). What have we not done to live forever? Adam Leith Gollner, the critically acclaimed author of *The Fruit Hunters*, weaves together religion, science, and mythology in a gripping exploration of the most universal of human obsessions: immortality. Raised without religion, Adam Leith Gollner was struck by mankind's tireless efforts to cheat aging and death. In a narrative that pivots between profundity and hilarity, he brings us into the world of those whose lives are shaped by a belief in immortality. From a Jesuit priest on his deathbed to antiaging researchers at Harvard, Gollner—sorting truth from absurdity—canvasses religion and science for insight, along with an array of cults, myths, and fringe figures. He journeys to David Copperfield's archipelago in the Bahamas, where the magician claims to have found "a liquid that reverses genes." He explores a cryonics facility, attends a costume party set in the year 2068 with a group of radical life-extensionists, and soaks in the transformative mineral waters at the Esalen Institute. Looking to history, Gollner visits St. Augustine, Florida, where Ponce de León is thought to have sought the Fountain of Youth. Combining immersive reporting, rigorous research, and lyrical prose, Gollner charts the rise of longevity science from its alchemical beginnings to modern-day genetic interventions. He delves into the symbolic representation of eternal life and its connection to water. Interlaced throughout is a compelling meditation on the nature of belief, showing how every story we tell about immortality is a story about the meaning of death. "Part journalist, part detective, part scientist." (New York Post). Adam Leith Gollner has written a rollicking and revelatory examination of our age-old notion of living forever.

Immortal City

What if angels not only walked among us - but were our celebrities? What if they saved people for money? That's the reality in Angel City, where hot young Jackson Godspeed is the angel everyone's dying to date. Everyone except for Madison Montgomery, that is. She's too busy studying and waitressing to pay attention to the gossip blogs. Then Jackson tumbles into the diner where she works, and they forge an instant, unforgettable connection. But as Maddy is reluctantly drawn into Jackson's glamorous world, Jackson fears he's exposing her to more than just the paparazzi. A serial killer is murdering one angel at a time. Not only could Jackson be next - but it seems the killer's got sights set on Maddy...

The Assurance of Immortality

This Is A New Release Of The Original 1913 Edition.

The Price of Immortality

In the tradition of Jon Ronson and Tim Wu, an absorbing and revelatory journey into the American Way of Defying Death . . . As longevity medicine revolutionizes the lives of many older people, the quest to take the next step—to live as long as we choose—has spurred a scientific arms race in search of the elixir of life, funded by Big Tech and Silicon Valley. Once the stuff of Mesopotamian mythology and episodes of Star Trek, the effort to make humans immortal is becoming increasingly credible as the pace of technological progress quickens. It has also empowered a wild-eyed fringe of pseudo-scientists, tech visionaries, scam-artists, and religious fanatics who have given their lives over to the pursuit of immortality. Starting off at the Church of Perpetual Life in Florida and exploring the feuding subcultures around the cryonics industry, Peter Ward immerses himself into an eccentric world of startups, scam artists, scientific institutions, and tech billionaires to deliver this deeply reported, nuanced, and sometimes very funny exploration of the race for immortality — and the potentially devastating consequences should humanity realize its ultimate dream.

The price for immortality

Alan Murphy is an ordinary man fighting as hard as he can to provide for his family and keep his mental health floating in his tank of sanity. When his problems get the best of him, his only way out is by doing the unthinkable. A decision few people can muster the courage to make. As he leaves the realm of the living to embrace the other side, a part of him still fights for survival, splitting him in two beings of immense power. One has the strength to survive by any means necessary, the other just wants to get back to his own life. Waking from his slumber buried deep underground he discovers something horrifying and amazing at the same time. A short story build with tools of fear, agony, despair and power.

Immortal Beloved (Book One)

'After some of the events I've witnessed I felt like I was a shell with nothing alive left in me. I hadn't been going around killing people, but people were hurt – the memories just kept trickling in like rivulets of fresh acid dripping into my brain until I wanted to scream. It was in my blood, I knew. A darkness. The darkness. I had inherited it, along with my immortality and my black eyes.' New name, new town, new life. Nastasya has done it too often to count. And there's no end in sight. Nothing ever really ends . . . when you're immortal. Captivating, intense and with an incredible and original voice, IMMORTAL BELOVED is a haunting story of friendship, love and secrets, tragedy and loss.

Immortal Life

An ancient mogul has bought the power to live forever, but the strong young body he plans to inhabit has other ideas. The battle for immortal life begins in Stanley Bing's "stimulating, satirical and perhaps even visionary novel" (Wall Street Journal). Immortal life. A fantasy, an impossible dream—or is it? The moguls of Big Tech are pouring their mountain of wealth into finding a cure for death and they are determined to succeed. None of these titans is richer than Arthur Vogel. The inventor, tech tycoon, and all-round monster has amassed trillions of dollars and rules over a corporate empire stretching all the way to Mars. The newest—and most expensive—life extension technology has allowed him to live to 127 years, but time is running out. His last hope to escape the inevitable lies with Gene, a human specifically created for the purpose of housing Arthur's consciousness. The plan is to discard his aged body and come to a second life in a young, strong host. But there's a problem: Gene. He may be artificial, but he is a person—and he has other ideas. As Arthur sets off to achieve his goal of world domination,

Gene hatches a risky plan of his own. The forces against him are rich, determined, and used to getting what they pay for. The battle between creator and creation is heightened as the two minds wrestle for control of one body. Mixing brisk action, humor, and wicked social commentary, author Stanley Bing has crafted “an engaging and cautionary tale about the direction in which spaceship Earth is hurtling” (USA Today). Welcome to a brave new world that is too familiar for comfort—and watch the struggle for humanity play out to the bitter end.

Science and Immortality

Tod.

Death and the Serpent

Don't miss Evermore, the first book in Alyson Noël's #1 New York Times bestselling The Immortals series. Enter an enchanting new world where true love never dies. . . After a horrible accident claimed the lives of her family, sixteen-year-old Ever Bloom can see people's auras, hear their thoughts, and know someone's entire life story by touching them. Going out of her way to avoid human contact and suppress her abilities, she has been branded a freak at her new high school—but everything changes when she meets Damen Auguste. Damen is gorgeous, exotic and wealthy. He's the only one who can silence the noise and random energy in her head—wielding a magic so intense, it's as though he can peer straight into her soul. As Ever is drawn deeper into his enticing world of secrets and mystery, she's left with more questions than answers. And she has no idea just who he really is—or what he is. The only thing she knows to be true is that she's falling deeply and helplessly in love with him.

Evermore

These vampires don't sparkle...they bite. Book 1 of the Blood of Eden trilogy by Julie Kagawa, New York Times bestselling author of The Iron Fey, begins a thrilling dark fantasy series where vampires rule, humans are prey...and one girl will become what she hates most to save all she loves. Allison Sekemoto survives in the Fringe, where the vampires who killed her mother rule and she and her crew of outcasts must hide from the monsters at night. All that drives Allie is her hatred of vampires, who keep humans as prey. Until the night Allie herself dies...a becomes one of the monsters. When she hears of a mythical place called Eden that might have a cure for the blood disease that killed off most of civilization, Allie decides to seek it out. Hiding among a band of humans, she begins a journey that will have unforeseen consequences...to herself, to the boy she's falling for who believes she's human, and to the future of the world. Now Allie must decide what—and who—is worth dying for...again. “A fresh and imaginative thrill ride.” —Publishers Weekly, starred review Books in the Blood of Eden series: The Immortal Rules The Eternity Cure The Forever Song

The Immortal Rules

The electrifying new thriller from the author of the acclaimed The First Fifteen Lives of Harry August. Kepler is like you, but not like you. Touch

New, from the bestselling author of The Spaceship Next Door!"I thought I'd miss the world." --Adam the immortal Adam is on vacation in an island paradise, with nothing to do and plenty of time to do nothing. It's exactly what he needed: beautiful weather, beautiful girlfriend, plenty of books to read, and alcohol to drink. Most importantly, either nobody on the island knows who he is, or, nobody cares. "This probably sounds boring, and maybe it is. It's possible I have no compass to help determine boring, or maybe I have a different threshold than most people. From my perspective, though, the vast majority of human history has been boring, by which I mean nothing happened, and sure, that can be dull.

On the other hand, nothing happening includes nobody trying to kill anybody, and specifically, nobody trying to kill me. That's the kind of boring a guy can get behind." --Adam the immortal Nothing last forever, though, and that includes the opportunity to do nothing. One day, unwelcome visitors arrive in secret, with impossible knowledge of impossible events, and then the impossible things arrive: a new species. It's all impossible, especially to the immortal man who thought he'd seen all there was to see in the world. Now, Adam is going to have to figure out what's happening and make things right before he and everyone he loves ends up dead in the hot sun of this island paradise. *Immortal and the Island of Impossible Things* is the fourth book in Gene Doucette's acclaimed Immortal novel series, and the start of a new adventure for Adam the immortal man! Catch up on all that's come before, with *Immortal*, *Hellenic Immortal*, *Immortal at the Edge of the World*, and the novellas in *The Immortal Chronicles* and *Immortal Stories: Eve*. Other books by Gene Doucette include the sci-fi thriller *Fixer*, and the bestseller *The Spaceship Next Door*.

Immortal and the Island of Impossible Things

Computer technology and modern science have produced a way for humans to live forever, but has modern medicine created a monster? In a gripping tale about the significance of human mortality, Roque tells the amazing story of the results of one man's attempts to achieve immortality.

The Immortal

At the end of *DARKNESS FALLS*, the second Immortal Beloved novel, Nastasya has fought back against the dark immortals with her own brand of magick... but can she fight against true love? In the exhilarating finale to the Immortal Beloved trilogy, Nastasya ends a 450-year-old feud and learns what 'eternally yours' really means.

Athanasia

"What if God is only a ghost in a cosmic machine?"

Eternally Yours (Immortal Beloved Book Three)

"Vivid and elliptical... If you've ever asked yourself what would have happened if Philip Marlowe had been Odysseus... here is a clue to the answer." —New Worlds THE HUGO AWARD-WINNING FIRST NOVEL EVER WRITTEN BY THE BESTSELLING AUTHOR OF THE CHRONICLES OF AMBER! Conrad Nomikos has a long, rich personal history that he'd rather not talk about. And, as Arts Commissioner, he's been given a job he'd rather not do. Escorting an alien grandee on a guided tour of the shattered remains of Earth is not something he relishes—especially when it is apparent that this places him at the center of high-level intrigue that has some bearing on the future of Earth itself! "Roger Zelazny [was] the compleat New Wave author, so daring he could pen nothing without perturbing some creaky icon... so strong a writer, so moving in the sweep of his plots and imagery."—David Brin

Immortality

Jax Stone is stranded on an alien planet, a planet that changes him. He now sees pop-up windows, receives quests, and is being attacked by creatures. Together with his intriguing companion Kala, they set forth to explore this mysterious new world. They must learn how to play this very real game, or die.

This Immortal

If a vampire really exists, it has to be something scientifically explainable. It was! . . . and Dr. Sehwick found the answer!

Synthesis

Reveals the evidence of life beyond death • Examines 125 years of scientific research into reincarnation, apparitions, and communication with the dead showing these phenomena are real • Reveals the existence of higher planes of consciousness where the souls of the dead can choose to advance or manifest once again on Earth • Explains how these findings have been ignored and denied because they are incompatible with materialist doctrines In this book, Chris Carter shows that evidence of life beyond death exists and has been around for millennia, predating any organized religion. Focusing on three key phenomena--reincarnation, apparitions, and communications from the dead--Carter reveals

125 years of documented scientific studies by independent researchers and the British and American Societies for Psychical Research that rule out hoaxes, fraud, and hallucinations and prove these afterlife phenomena are real. The author examines historic and modern accounts of detailed past-life memories, visits from the deceased, and communications with the dead via medium and automatic writing as well as the scientific methods used to confirm these experiences. He explains how these findings on the afterlife have been ignored and denied because they are incompatible with the prevailing doctrine of materialism. Sharing messages from the dead themselves describing the afterlife, Carter reveals how consciousness exists outside the parameters of biological evolution and emerges through the medium of the brain to use the physical world as a springboard for growth. After death, souls can advance to higher planes of consciousness or manifest once again on Earth. Carter's rigorous argument proves--beyond any reasonable doubt--not only that consciousness survives death and continues in the afterlife, but that it precedes birth as well.

One Immortality

We live in an age when billionaires are betting their fortunes on laboratory advances to prove aging unnecessary and death a disease that can be cured. Researchers are delving into stem cells and sequencing genomes, determining what it means to grow old and how to keep those processes from happening. This isn't science fiction--it's real, it's serious, and it's on track to revolutionize our definitions of life and mortality.

Vial of Immortality

Science and the Afterlife Experience

Fern-seed and Elephants

This collection of seven essays show C.S. Lewis at his most vigorous, defending his vision of a full-blooded, orthodox Christianity in his matchless prose style.

Fern-seed and Elephants, and Other Essays on Christianity

This collection contains fourteen of Lewis's theological papers on subjects such as Christianity and literature, Christianity and culture, ethics, futility, church music, modern theology and biblical criticism, the Psalms, and petitionary prayer. Common to all of these varied essays are Lewis's uniquely effective style and his tireless concern to relate basic Christianity to all of life.

Christian Reflections

The World's Last Night and Other Essays is a collection of essays by C. S. Lewis published in the United States in 1960. The title essay is about the Second Coming of Jesus Christ. The volume also contains a follow-up to his The Screwtape Letters in the form of "Screwtape Proposes a Toast." The second, fourth and fifth pieces were published in the U.K. in a volume called Screwtape Proposes a Toast and other pieces (1965); the first, sixth and seventh were published in the U.K. in Fern-seed and Elephants and other essays on Christianity (1975). Contents "The Efficacy of Prayer" "On Obstinacy in Belief" "Lilies That Fester" "Screwtape Proposes a Toast" "Good Work and Good Works" "Religion and Rocketry" / "Will We Lose God in Outer Space" "The World's Last Night" / "Christian Hope - Its Meaning for Today"

The World's Last Night

A vital Bible resource used in classrooms and churches worldwide now revised and updated. 40 Questions about Interpreting the Bible, now in a revised second edition, probes the most pressing problems encountered by churchgoers and beginning Bible students when they try to read and understand the Bible. Using feedback received from pastors, professors, and Bible teachers, New Testament professor Robert L. Plummer includes updated information about Bible translations, biblical interpretation, and Bible study technology and streamlines previous portions to make room for a handful of new issues. This second edition, updated regarding Bible translations, biblical interpretation trends, and Bible-related technology, will continue to serve professors, pastors, and Bible study leaders as a go-to guide or textbook. New Testament scholar Robert L. Plummer covers historical, interpretive, practical, and theological matters such as: Were the ancient manuscripts of the Bible transmitted accurately? Why can't people agree on what the Bible means? How do we interpret the Psalms? How

can I use the Bible in daily devotions? Does the Bible teach that God wants Christians to be healthy and wealthy? 40 Questions about Interpreting the Bible provides crucial assistance for students ready to engage with biblical scholarship and for teachers eager to lead Bible studies with confidence.

40 Questions About Interpreting the Bible

The classic *Weight of Glory* by C.S. Lewis, the most important Christian writer of the 20th century, contains nine sermons delivered by Lewis during World War Two. The nine addresses in *Weight of Glory* offer guidance, inspiration, and a compassionate apologetic for the Christian faith during a time of great doubt.

Weight of Glory

DigiCat Publishing presents to you this special edition of "The World's Last Night and Other Essays" by C. S. Lewis. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The World's Last Night and Other Essays

This is an extensive collection of short essays and other pieces by C.S. Lewis brought together in one volume for the first time. As well as his many books, letters and poems, C.S. Lewis also wrote a great number of essays and shorter pieces on various subjects. He wrote extensively on Christian theology and the defence of faith, but also on various ethical issues and on the nature of literature and story-telling. In the ESSAY COLLECTION we find a treasure trove of Lewis's reflections on diverse topics.

C.S. Lewis

A survey and summary of the whole of Lewis's vast output.

C.S. Lewis

New collection of literary-critical essays and reviews of C. S. Lewis, including previously unpublished and long-unavailable works.

Image and Imagination

This volume includes over twenty of C. S. Lewis's most important literary essays, written between 1932 and 1962. The topics discussed range from Chaucer to Kipling, from 'The Literary Impact of the Authorized Version' to 'Psycho-Analysis and Literary Criticism,' from Shakespeare and Bunyan to Sir Walter Scott and William Morris. Common to each essay, however, is the lively wit, the distinctive forthrightness and the discreet erudition which characterizes Lewis's best critical writing.

Selected Literary Essays

Eighteen respected modern Christian apologists respond to the popular writings of New Atheists and others who doubt God's existence, the historical Jesus, and Christian doctrines.

Contending with Christianity's Critics

DigiCat Publishing presents to you this special edition of "Beyond Personality: The Christian Idea of God" by C. S. Lewis. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Beyond Personality: The Christian Idea of God

"Screwtape Proposes a Toast" by C.S. Lewis is a satirical and thought-provoking work that serves as an addendum to Lewis's earlier masterpiece, "The Screwtape Letters." In this sequel, Lewis revisits the demonic bureaucracy of Hell, presenting the senior demon Screwtape delivering a toast to a group of

graduating demons. Through this imaginative and allegorical narrative, Lewis explores themes of human weakness, societal trends, and the subtle ways in which evil can infiltrate everyday life. *Screwtape's* toast becomes a darkly humorous commentary on the dangers of contemporary ideologies, societal norms, and the erosion of traditional values. This brief yet impactful work offers readers a satirical lens through which to examine the complexities of human behavior and the ever-present temptations that may lead individuals away from a virtuous path. "*Screwtape Proposes a Toast*" showcases Lewis's keen wit and insightful observations, inviting readers to reflect on the moral challenges of their own time and consider the timeless principles that shape human character.

Screwtape Proposes a Toast

'*God and My Neighbour*' is an agnostic work on the Christian faith by Robert Blatchford. Blatchford seeks to explain his stand as an agnostic. He opines, "I cannot believe that any religion has been revealed to Man by God. Because a revealed religion would be perfect, but no known religion is perfect; and because history and science show us that the known religions have not been revealed, but have been evolved from other religions. There is no important feature of the Christian religion which can be called original. All the rites, mysteries, and doctrines of Christianity have been borrowed from older faiths."

God and My Neighbour

Most scholars believe that Mark wrote his Gospel to the Romans. True: but in addition to presenting the Gospel to the Romans, Mark actually contextualized his Gospel by challenging the leading propaganda of his day, Virgil's *Aeneid*. The Roman poet, Virgil, wrote his masterpiece epic poem, the *Aeneid*, to promote the myth that Caesar Augustus was the son of god. The *Aeneid* went viral almost immediately upon publication in 19 BC, becoming Rome's premier piece of propaganda that promoted Augustus as the emperor who would bring peace to the world. Within the first century, the *Aeneid* reached from Masada to northern Britain and became a foundational piece of Roman education. Mark's mother, Mary, and his uncle, Joseph/Barnabas, raised him in wealth, and educated him in the four languages of Hebrew, Aramaic, Greek, and Latin. They drew him to Jesus, and Barnabas took Mark on the first missionary journey. Mark spent time with Peter in Rome, where Mark wrote his Gospel in Greek. Mark most certainly had direct access to the most influential piece of Latin literature, the *Aeneid*, and he wrote his masterpiece Gospel comparing Augustus with Jesus, the true Son of God.

Mark Challenges the Aeneid

Provides three complete works and selections from Lewis's autobiography, adult fiction, religious and philosophical writings, criticism, poetry, and letters

Essential C. S. Lewis

Portraying themselves as challenging blind religious dogma with evidence-led skepticism, the neo-atheist movement claims that the New Testament contains unreliable tales about a mythical figure who, far from being the resurrected Lord of life, may not even have lived. This comprehensive critique documents the falsehood of these neo-atheist claims, correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus.

Getting at Jesus

Even mature Christians have trouble defending the person and divinity of Christ. *The Jesus Legend* builds a convincing interdisciplinary case for the unique and plausible position of Jesus in human history. He was real and his presence on the planet has been well-documented. The authors of the New Testament didn't plant evidence, though each writer did tell the truth from a unique perspective. This book carefully investigates the Gospel portraits of Jesus--particularly the Synoptic Gospels--assessing what is reliable history and fictional legend. The authors contend that a cumulative case for the general reliability of the Synoptic Gospels can be made and boldly challenge those who question the veracity of the Jesus found there.

The Jesus Legend

J. R. R. Tolkien, the beloved author of *The Hobbit* and *The Lord of the Rings*, brings to his work a great treasure--his Christian faith. Tolkien's literary works are so popular in part because, in some sense, they

pertain to the real world. This present volume is an attempt to understand better the deep Christian influences on his work but also to explore the relevance of Tolkien's work for theology today. After examining Tolkien's fiction in order better to appreciate Christian influences, this volume takes a closer look at Tolkien's theology of fantasy, his response to the more skeptical origins of religion research, and applies his work to contemporary questions about method in biblical studies. Tolkien's Christianity informed all he wrote. Moreover, his own theology of fantasy holds great promise for contemporary theology.

Seeking the Lord of Middle Earth

Following up on his acclaimed *Redeemer in the Womb*, John Saward returns to the mystery of Christ's Incarnation. He draws upon the rich traditions of the Church, as well as the writings of the great Christian mystics, to create a work that is both new and old, revolutionary and orthodox. This profoundly moving meditation will aid any contemplation on the life of Christ. The subject of this book is the objective and divinely revealed truth of the Nativity of Christ, as proclaimed by His infallible and immaculate Bride. It is the splendor of this truth, of "Love's noon in Nature's night"

Cradle of Redeeming Love

The beloved *Chronicles of Narnia* are only the "top layer" of the rich treasure trove of C.S. Lewis's writing. This brilliant Oxford don made a tremendous impact on contemporary Christian thought and has deeply influenced generations of followers of Jesus in the half-century since his death. The authors in this collection examine Lewis's many contributions and reflect deeply on their significance for theology, spiritual imagination, and the challenge of Christian discipleship today. From Narnian adventures to *Screwtape's* letters, through studies of Lewis's collaborators (like J.R.R. Tolkien) and inspirations (like George MacDonald), and by way of reflection on deeper theological themes like human will, joy, and the End of Days, this book will inspire and provoke contemplation of God's presence in your life and in our world. CONTRIBUTORS: Chris Armstrong, Laurence DeWolfe, Brenton Dickieson, Sarah Grondin, David Hawkesworth, Carol Kuzmochka, David Purdy, Allen B. Robertson, Wayne Smith, Michael Tutton

The Efficacy of Prayer

Christopher Bryan reflects on the often-difficult relationship between academic study of the Bible and the Church, and suggests a way forward in which scientific questions are not to be ignored, but in asking them we are not to ignore the texts' setting-in-life, which is and has always been the believing community.

Both Sides of the Wardrobe

A crucial responsibility for Christian interpreters of Scripture today, Richard Bauckham insists, is to seek to understand our contemporary context and to explore the Bible's relevance to it in ways that reflect serious critical engagement with that context. In *The Bible in the Contemporary World* Bauckham models how this task can be carried out. Bauckham calls for our reading of Scripture to lead us into increased engagement with the important issues of today's world, including globalization, environmental degradation, and widespread poverty. He works to bring biblical texts into relationship with these contemporary realities by means of the Bible's metanarrative of God and the world, in which God's purpose takes effect in the salvation and fulfilment of the world as his cherished creation.

Listening to the Bible

This bibliography and resource consists of a chronological introduction to the development of Lewis's works, a copious bibliography and a guide to the study of Lewis, an introductory essay on Christology in Lewis, and a glossary for those unfamiliar with some of the background and terms to Lewis's understanding of revelation and the Christ. It will be an invaluable resource for all scholars of C. S. Lewis. The bibliography stands alone but it also serves to complement the three volumes of the series *C. S. Lewis, Revelation, and the Christ*.

The Bible in the Contemporary World

Clives Staples Lewis (1898-1963) called his theological writings as that "of a layman and an amateur" who merely attempted to restate "ancient and orthodox doctrines." However, S. Steve Park argues that Lewis's theological reflections are well-informed, thoughtful and weighty. For instance, Lewis's

notion of "mere Christianity" consistently shows his commitment to "supernaturalism" (vs. naturalism) and "eucatastrophic salvationism" (vs. ethical developmentalism) in sharp contrast to many prevailing theologians of his time. In this book, the author expounded Lewis's theological writings rather comprehensively and organized the results according to Lewis's signature literary motif of the journey towards home, in four stages: "Away from Home," "Homeward Turning," "Home Away from Home," and "The Final Home." Under these headings, Lewis's major theological and literary themes find illuminating treatments with rich contents and penetrating analyses. In so doing, the author presents to the readers, probably for the first time, a systematic theology of C. S. Lewis. It turns out that Lewis, more than just a storyteller, was a significant participant in the world of theological reflections, demonstrating himself to be a rather formidable theological mind to be reckoned with.

C.S. Lewis--An Annotated Bibliography and Resource

Sehnsucht: The C. S. Lewis Journal, established by the Arizona C. S. Lewis Society in 2007, is the only peer-reviewed journal devoted to the study of C. S. Lewis and his writings published anywhere in the world. It exists to promote literary, theological, historical, biographical, philosophical, bibliographical and cultural interest (broadly defined) in Lewis and his writings. The journal includes articles, review essays, book reviews, film reviews and play reviews, bibliographical material, poetry, interviews, editorials, and announcements of Lewis-related conferences, events and publications. Its readership is aimed at academic scholars from a wide variety of disciplines, as well as learned non-scholars and Lewis enthusiasts. At this time, Sehnsucht is published once a year.

Journey Towards Home

This useful and practical book provides the college student, seminarian, church study group, and interested lay person with a much-needed introductory guide on the "how" (method) and the "what" (message) of Jesus' teachings. In this revised edition, Robert Stein updates his classic work, adds a new bibliography, and introduces use of the New Revised Standard Version of the Bible, bringing this important text to a new generation of students.

Sehnsucht: The C. S. Lewis Journal

"Every year you grow, you will find me bigger." --Aslan to Lucy in Prince Caspian C. S. Lewis was, of course, a brilliant apologist, and his books contain much to feed your intellect. But Lewis was also very concerned about Christian formation and strongly desired to help believers deepen their faith and broaden their vision of God. In this book Peter Schakel opens to you the more practical parts of Lewis's wonderful writings. Covering areas of potential struggle such as prayer, suffering, doubt and love, Schakel draws principles from Lewis's nonfiction as well as illustrations from the Chronicles of Narnia to stir your imagination and soul so that you might see God in new ways. In addition, the author quotes from contemporaries of Lewis, showing how their thinking fit with Lewis's. With reflection questions included, this deeper look at Lewis's formational writings is valuable for your personal devotions or for group discussions. Either way, as you read you will find God bigger and bigger.

The Method and Message of Jesus' Teachings

C.S. Lewis presents an eloquent and colorful defense of Christianity for both devotees and critics . . . in a collection of essays composed over the last twenty years of his life. * On Christianity and culture * On religion -- is it reality or substitute? * On ethics * On the Psalms * On the language of religion * On petitionary prayer * And more! "An excellent introduction to the thought and personality of this engaging Christian writer." -- Christianity Today

Is Your Lord Large Enough?

Not since David Strauss' Life of Jesus shook European Christianity to its foundations in the nineteenth century has any scholarly discussion of the historical Jesus made the impact on a popular level that the Jesus Seminar is presently making in America. Popular magazines have provided a remarkable amount of space for the Jesus Seminar, including Time and Newsweek which made their work cover stories. At the forefront of the movement lies the work of John Dominic Crossan and Burton L. Mack, who have popularized the Jesus as Cynic sage view. The growing popularity of this new paradigm should be of significant concern for all who hold to the historic Christian faith. To date, however, no thorough evangelical response has been provided to these revisionist views of the historical Jesus. This book

is written to fill this void. It provides a serious critique of the Cynic thesis, accessible to laypeople and of interest to thoughtful observers. With interest in the quest for the historical Jesus continuing anew, Boyd's *Cynic Sage or Son of God?* provides an orthodox defense of the biblical Jesus.

The Seeing Eye

This book examines the way in which the fictional writings of C.S. Lewis reveal much about the man himself and his quest for psychological and spiritual wholeness. There is new material dealing with C.S. Lewis's political writings, especially the correspondences between his thriller, *That Hideous Strength* and George Orwell's *Nineteen Eighty-Four*, and some new insights into Lewis's attitudes to women.

Cynic Sage or Son of God?

"It's hard to be the only one." That single sentence from a teenage congregant sums up the conviction that motivated *Christian Theology for a Secular Society*. In these dying days of Christendom, the reality that most Western Christians face is living out their faith as a minority in the midst of a culture that is at every level--personal, institutional, and societal--secular in nature. While most living in Western societies still affirm belief in God and often other vaguely recognizable Christian beliefs, these affirmations frequently have little to do with how daily life is lived. The idea that the God best known to us in Jesus Christ is actually in charge of life is foreign. For most, Christianity simply does not form an overarching system of meaning that shapes life. Instead, life is lived largely without reference to God. And to live any other way is often "hard." In this volume, Mark McKim sets out to "do" theology in this context. How does one explain the core historic Christian doctrines in a way that makes sense in a secular culture--and in a way that will gain a hearing? What does it mean to be the church in this new situation? Throughout, McKim asks the question, so what? as he relates Christian teachings to a secular society and to what is actually happening in the local church. McKim's goal is to enable the singing of the Lord's song in the new and strange land of a secular society.

The Fiction of C. S. Lewis

A highly regarded New Testament scholar offers a substantive commentary on Mark in the award-winning BECNT series.

Christian Theology for a Secular Society

Has God said? Has God actually spoken, declared himself and his purposes to us? Historically the Christian faith has affirmed God's redemptive, revelatory speaking as historical, contentful, redemptive, centrally in Jesus Christ and, under Christ and by the Spirit, in the text of Holy Scripture. But in the past three centuries developments in Western culture have created a crisis in relation to historical, divine authority. The modern reintroduction of destructive dualisms, cosmological and epistemological, via Descartes, Newton, Spinoza, and Kant have injured not only the physical sciences (e.g., positivism) but Christian theology as well. The resulting eclipse of God has permeated Western culture. In terms of the Christian understanding of revelation, it has meant the separation of God from historical action, the rejection of God's actual self-declaration, and especially in textual form, Holy Scripture. After critical analysis of these dualistic developments, this book presents the problematic effects in both Protestant (Schleiermacher, Bultmann, Tillich) and Roman Catholic (Rahner, Dulles) theology. The thought and influence of Karl Barth on the nature of Scripture is examined and distinguished from most Barthian approaches. The effects of dualistic Barthian thought on contemporary evangelical views of Scripture (Pinnock, Fackre, Bloesch) are also critically analyzed and responses made (Helm, Wolterstorff, Packer). The final chapter is a christocentric, multileveled reformulation of the classical Scripture Principle, via Einstein, Torrance, and Calvin, that reaffirms the church's historical identity thesis, that Holy Scripture is the written Word of God, a crucial aspect of God's larger redemptive-revelatory purpose in Christ.

Mark

This "miscellany" puts readers around the table with a teacher who has provided the church with wisdom and passion and introduces a new voice to the ongoing conversation about the relationship between the gospel and culture. Andrew Walker's "ecclesial intelligence" and broad interdisciplinary approach to theology and sociology will undoubtedly capture the imagination of many who are curious about the church's mission in the modern West. Notes from a Wayward Son represents a

broad sampling of Walker's writings from a distinguished forty-five-year career--from explorations of Pentecostalism and Charismatic Renewal to Eastern Orthodoxy, C. S. Lewis, and Deep Church; from the impact of modernity on the ecclesia to mission and ecumenism in the West today. In a world and a church often driven by the latest fashions, Walker's is a voice to which we will want to listen!

Has God Said?

In this intimate, candid, and ; sometimes surprising ; community biography of the celebrated author and Christian ; apologist, twenty-four men and women who knew C.S. Lewis as ; teacher, colleague, friend offer their reminiscences and ; impressions of the complex man behind the critical and ; academic acclaim. Through their recollections, we ; see "Jack" Lewis dazzling Oxford as he takes on atheists, ; materialists, and a host of other challengers. Most ; poignantly, we see him in everyday settings: striding up ; and down the platform at a railroad station, presiding over ; leisurely dinners with students, expounding on the virtues ; of the pub. "The net effect of this collection," said ; the Catholic Review, "is to make us feel that we know Lewis ; as well as [his] friends." And to quote the New Yorker, ; "The heterogeneity of the contributors assures a variety of ; Lewises, but certain traits appear in all these accounts: ; intelligence, imagination, gusto, a sense of fun, and, most ; frequently, magnanimity." "An unexpected ; delight." ùWashington Post "A grand banquet of ; personal insights." ùSan Diego Union "An ; invaluable, indeed an indispensable, addition to the ; burgeoning sphere of Lewis scholarship." ùJoseph ; Pearce, Author, C.S. Lewis and the Catholic ; Church

Notes from a Wayward Son

Fifty years after his death, C. S. Lewis fascinates his readers still. Well established as a key figure in children's literature he is increasingly recognized as a significant Christian thinker. The authors in this volume are from a wide range of Christian traditions--testimony to the reach and significance of Lewis's legacy. The essays return to Lewis's devotional and theological works, assessing their place in his own thought and in the theology of the twentieth century. Lewis emerges as an insightful and creative theologian whose ideas continue to surprise in their sophistication and fecundity. Indeed, it is suggested that he represents a way of doing theology--"mere theology"--which suggests ways in which Christian thought may reengage the complex cultural debates of the contemporary world.

Remembering C.S. Lewis

"What happens when new scientific research meets traditional Christian doctrines? How does the big bang theory fit with Genesis 1:1? What does quantum mechanics have to do with the doctrines of predestination and the omniscience of God? How does the anthropic principle square with a biblical notion of a designed and purposeful universe? What are the implications of the doctrine of redemption in Jesus Christ for the search for extraterrestrial intelligence?" "Addressing these and other questions, John Jefferson Davis brings together a well-informed understanding of current scientific issues with Christian teaching. He demonstrates that the meeting of the frontiers of science with the frontiers of faith calls for a proper relationship with the God of the universe and a humility that acknowledges the fundamental limits of human knowledge."--BOOK JACKET. 12 Harsh Truths You Need To Accept To Live a Happy Life - 12 Harsh Truths You Need To Accept To Live a Happy Life by BRAINY DOSE 2,779,945 views 2 years ago 7 minutes, 33 seconds - There are some harsh truths about **life**, people don't like to hear, but if you want to be **happy**., you need to accept them. We all want ...

Intro

NOT EVERYONE IS GOING TO LIKE YOU

YOU ARE NOT DEFINED BY WHAT YOU HAVE

YOU ALWAYS HAVE A CHOICE

YOUR FEELINGS ARE CAUSED BY YOUR THOUGHTS

IF YOU DON'T LEARN TO BE ACCOUNTABLE, YOU WILL BE HELD ACCOUNTABLE

PEOPLE WANT YOU TO DO WELL, BUT NOT BETTER THAN THEM

THERE IS NO PERFECT TIME TO DO ANYTHING

FEAR WILL KEEP YOU FROM LIVING

YOUR EXPECTATIONS ARE WHAT CAUSE DISAPPOINTMENT

YOU LIVE THE LIFE YOU CREATE FOR YOURSELF

Schubert: "Der Wanderer", D. 493 Fischer-Dieskau, Moore - Schubert: "Der Wanderer", D. 493 Fischer-Dieskau, Moore by FiDiTanzer528 693,116 views 15 years ago 6 minutes, 7 seconds - Franz Schubert's song "Der **Wanderer**," with visual art by Caspar David Friedrich.

Franz Schubert

es braust das Meer the sea roars.

Immer "Wo?" Always "Where?"

Die Blüte welk, das Leben alt, The flowers faded and life old

Wo bist du, mein geliebtes Land? Where are you, my beloved land?

Das Land, wo meine Rosen blühen. The land where my roses bloom.

Wo meine Toten auferstehn. Where my dead rise up

Ich wandle still, bin wenig froh, I wander, silent and joyless

Und immer fragt der Seufzer, wo? And my sighs always ask "Where?"

dort ist das Glück." there is your joy!"

Text Georg Philipp Schmidt von Lübeck

Sung by Dietrich Fischer-Dieskau

Gerald Moore

Paintings Caspar David Friedrich
