The Big Book of Christmas Mysteries

The first clue to the mysteries surrounding a scientist's disappearance and a banker's death is provided when 6-year-old Austen Fisher writes a letter to Santa questioning his existence. Her doubt sets in motion a chain of events that places her and her family at the center of a plot to kill Santa Claus, hijack Christmas and exploit mankind's focus on greed and exploitation of the holiday season. Paying homage to Charles Dickens classic tale, 'A Christmas Carol', 'Spirits in a Material World' picks up where he left off by cleverly re-imagining the original roles of the Ghosts of Christmas Past, Present and Future. In spectacular detail, it transforms the tiny, toy-making hamlet of North Pole into a technologically advanced metropolis, home to Christmas Industries and its CEO, Santa Claus. Along the way, it delivers a witty, yet biting commentary on today's 'greed is good' economy, while relaying a powerful message of love, hope, charity, and faith in everything Christmas represents.

In *Six Geese A-Slaying*, Donna Andrews fans delivers another zany Meg Langslow mystery---this one filled with outrageous Christmas spirit...and mayhem. Meg and Michael's house is serving as the marshaling point for the annual Caerphilly Christmas parade. The theme is "The Twelve Days of Christmas," and it features twelve drummers from the school marching band, eleven bagpipers, ten leaping lords costumed in medieval finery from the college drama department, etc. There are also assorted Christmas-themed floats, a live nativity scene on a flatbed truck, the Three Wise Men on Caerphilly zoo camels, and Santa Claus in a bright red horse-drawn sleigh (eight reindeer were beyond the zoo's scope). Meg has been volunteered to organize the parade, which is to proceed from her house to the local campus, where Santa will take up residence to hear the Christmas wishes of the town's children. Of course, getting all the camels, pipers, leapers, and drummers in order is proving every bit as difficult as Meg feared it would be. Then her nephew Eric, wide-eyed and ashen-faced, whispers, "Meg, something's wrong with Santa." The local curmudgeon, whose beard and belly made him a natural for the role, has been murdered. Now Meg and Chief Burke, who is playing one of the wise men, are faced with the two-fold mission of solving the murder and saving Christmas!
