Desired Too

Angel and Raquel possess two very strong personalities separately. They are alphas to the core. The problem comes when these two fire-filled individuals come together. One needs to be in control while the other refuses to be controlled. Angel Leonetti, the complete Alpha Male "Let me first address this 'using you' shit that you mentioned. To be clear, I asked you to be on the team for no other reason but that I trust you. You were actually the only one I trusted in that meeting, besides my father. I don't know what's up with Victor. I haven't a clue where the hostility he displayed stemmed from, but, best believe, if he says anything to me again, I won't hold back. He has you to thank for him breathing without assistance right now. Consider this his reprieve." Angel moved closer to her, as he continued, "And that ultimatum bullshit you just spat at me; that's not an option. I'm growing tired of repeating myself. I've told you already that you are who and what I want. I won't say it again." Raquel Waters, the uncontrollable Alpha Female... No matter how she felt about him, how much she wanted him, she wasn't taking his controlling caveman ways lightly. "You are so full of shit! You and I haven't seen or spoken to each other in three years; three-long-years. You know nothing about me, and I don't know shit about you. All I can say is that we know how to fuck each other's brains out with a skill that should be taught to the masses, but that's it. So what!" She moved closer to him. "I went away and grew up. I have likes and dislikes that you have no clue exist. So if you think I'm just going to sit here and let you claim me without me having something to say about it, you're sadly mistaken." Angel can't live without this woman. He refuses to. He's determined to have her no matter what. Raquel equally has a need that only Angel can fulfill. She wants him, there's no doubt about that. However, she doesn't want to sacrifice who she is to get what she wants. Will Angel be able to break down the walls of the woman he's desired since the moment they met? Will Raquel be able to surrender her free will for the man that has managed to dominated her mind, body, and soul? Can these two find a way to be together or will their fire consume them both?

Obsession

Her... Darkness wants me. I've been surrounded by darkness since the day I was born. It is all I've ever known. It consumes me, it suffocates me, and no matter how far I run, darkness is always at my heel threatening to devour me. My darkness is... fear! I never believed I could feel anything else until the moment he touched me. He has given me hope. He has allowed me to dream, to want, to desire more than I have ever thought possible. He's my protection... my safety... my future... I am his. But darkness always has a way of creeping up and casting its shadow. Will it consume me or will his love be strong enough to keep me in the light? Him.... She's my obsession and I can't seem to get her off my mind. It drives me crazy but I think about her constantly. I want her. No, I need her. I crave everything about her; her touch, her taste, her smile, her eyes, and her innocence. Just being close to her turns me on. No woman has ever made me feel this way and I can't get enough. I have to have her. Her body, her heart, her mind, and her desires belong to me. No one can ever take what's mine and make no mistake she IS mine. I know she has a past and I know she has secrets, but no matter what comes our way I will fight for her. Her secrets I can handle but with such uncertainty from her past, will it finally catch up to her and destroy the new life she has built before I can save her?

Obsession Too

Romantic thriller with a cliffhanger in the end.... You've been warned.... Her... This wasn't supposed to happen. I wasn't supposed to fall in love. Oh, who am I kidding? I had been in love with this man since the first day I laid eyes on him. This man was tall, muscular with chiseled features, a low beard, and these unbelievable blue eyes. He was a badass, and I wanted him. I had dreamt about what it would be like to touch him, to kiss him, and to feel him inside me. And when my dreams suddenly came true, oh, how I wanted more. I not only wanted him; I deserved him. But I knew better. I wasn't the woman he deserved. I wasn't the woman that could give him everything and, believe me, he deserved everything. I should have let him go. Despite how I was feeling, I should have just let him go. It would have been the right thing to do. And, yet, I couldn't bring myself to let go. He was my obsession. I couldn't breathe without him. My heart would beat out of control. I would start to hyperventilate and I would only be thinking about leaving him. Someone help me. Someone please show me how to let go when you know you should but can't seem to bring yourself to do it. Someone show me how not to love him. Him... I want her! Plain and simple. I want Grace Michelle King. Or shall I say that I want Misty. I've wanted this woman for quite some time now, but the timing in both of our lives wasn't right. Now, it was, and I was taking full advantage of this moment, but Misty was making it hard. For some reason, her stubborn ass was holding back from me. I wouldn't allow that to hold for long, however. I planned to break her defenses, and it would be easy. Her brown complexion seemed to glow every time I was near her. She was affected by me just as much as I was affected by her. Good! Now all I needed to do was show her that loving me was the only option she had to choose. I wasn't letting her go. No matter what, she would be MINE!

Does she think I'm a heartless b*****d? Then again, I have been growling at her (albeit unintentionally). She is probably scared of me. "I'm not going to get you in trouble," I say, only half-growling this time. "Um, then can you let go of my hand?" I look at our intertwined hands, cursing mentally. Professors aren't supposed to touch their students, and we're definitely not supposed to hold their hands. Still, I don't want to let go of her.

The Rational Male -

Building once more on the core works of The Rational Male by Rollo Tomassi, Positive Masculinity is the newest supplemental reading in the series designed to give men, not a prescription, but actionable information to build better lives for themselves based on realistic and objective intersexual dynamics between men and women. Rational and pragmatic, the book outlines four key themes: Red Pill Parenting, The Feminine Nature, Social Imperatives and Positive Masculinity. Free of the pop-psychology pablum about parenting today, Red Pill Parenting is primarily aimed at the fathers (and fathers-to-be) who wanted more in depth information about raising their sons and daughters in a Red Pill aware context. While not an instruction manual, it will give men some insight into how to develop a parenting style based on Red Pill principles as well as what they can expect their kids to encounter from a feminine-primary social order determined to 'educate' them. The Feminine Nature is a collection of essays, revised and curated, that specifically address the most predictable aspects of the female psyche. It outlines and explores both the evolutionary and socialized reasons for women's most common behaviors and their motives, and how men can build this awareness into a more efficient way of interacting with them. Social Imperatives details how the female psyche extrapolates into western (and westernizing) cultural narratives, social dictates and legal and political legislation. This is the Feminine Imperative writ large and this section explores how feminism, women's sexual strategy and primary life goals have molded our society into what we take for granted today. Also detailed is the 'women's empowerment' narrative, and the rise of a blank-slate egalitarian equalism masking as a form of female supremacism that has fundamentally altered western cultures. The last section, Positive Masculinity, is comprised of essays, reformed and expanded upon, that will give men a better idea of how to define masculinity for themselves from a conventional and rational perspective. In an era when popular culture seeks to dismiss, ridicule, shame and obscure masculinity, this section and this book is intended to raise men's awareness of how fluid redefinitions of masculinity have been deliberately used to disempower and feminize men by a feminine-primary social order. This book is the third in of series complements to The Rational Male, the fifteen-year core writing of author/blogger Rollo Tomassi from therationalmale.com. Rollo Tomassi is one of the most prominent voices in the globally growing, male-focused online consortium known as the "Manosphere" as well as one of the 'Godfathers' of intersexual Red Pill awareness.

Controlled 2

Control: the power to influence or direct people's behavior or the course of events. It is indicative to such words as power, command, dominance, and leadership. Hello, Let me introduce myself. My name is Andrew Pierce, known to everyone as A.P. I'm a corporate attorney on the fast-track to becoming partner at the Law Firm of Goldstein, Parker, & Foster. My tamed hair is blonde, and my eyes are blue. I stand above six feet with pure muscle covering my entire body. I exude confidence, strength, aggressiveness, power and most of all, control. Shit, if I'm to be honest here... I am the epitome of fucking control. Most people strive to have control, but they don't know the first thing about it. They use it as a means to harm, destroy or dominate. For me, control is like breathing. It's my lifeline. I must have control. I must be in control. It's not about my sick twisted need to dominate that's ingrained in me no matter what. No, control for me is simple, it's a matter of life or death. I've worked all of my life to master the art of control and believe me, it wasn't easy. I have been tested, measured, and judged, but I never allow myself to succumb to the loss of control. So imagine my damn surprise, my panic, when for the first time in forever my control falters. Shit, it happened so fast that I couldn't stop it. My breathing became erratic, and my heart beat raced so fast that I wasn't sure if I would be able to... control it. I thought this was it, and I looked around my surroundings, frantically looking for the source of my lapse, waiting to destroy the threat, when my eyes fell on...heaven. This beautiful, stunning, magnificent woman before me stole my breath away. She was the reason why my control faltered. This was dangerous for a man like me, losing control like this. I knew what I must do; however, I still couldn't move. It was that moment when I realized that for the first time in my life, I was fucked.

Secondhand Spirits

Love the vintage- not the ghosts Lily Ivory feels that she can finally fit in somewhere and conceal her "witchiness" in San Francisco. It's there that she opens her vintage clothing shop, outfitting customers both spiritually and stylistically. Just when things seem normal, a client is murdered and children start disappearing from the Bay Area. Lily has a good idea that some bad phantoms are behind it. Can she keep her identity secret, or will her witchy ways be forced out of the closet as she attempts to stop the phantom?

Secondhand Spirits

Lily Ivory is not the average witch. Her spell-casting powers tend to draw mischievous spirits while keeping normal humans at a distance. But now her vintage clothing store could give her a chance to make friends in San Francisco.

A Cast-Off Coven

San Francisco vintage clothing store owner Lily Ivory must put her more magical abilities to good use in this mystery in the New York Times bestselling Witchcraft series. When some students get spooked at the San Francisco School of Fine Arts, Lily Ivory is called in to search for possible paranormal activity. In exchange for her help, she's been promised a trunk full of Victorian era clothes recently discovered in a school storage closet. What she finds at the foot of the stairs leading to the bell tower is a body—a wealthy patron of the school who has been murdered. She uses her sleuthing skills in between running the store and seeing her new boyfriend, Max, a "mythbuster" uncomfortable with her witchcraft. Soon Lily senses something from the school's vintage clothes. But it's not the smell of mothballs—it's the unmistakable aura of evil intent...

Hexes and Hemlines

Lily gets called away from her vintage clothing store to give police a witch's take on how the leader of a rationalist society could be murdered, surrounded by superstitions he discredited. Evidence points to dark witchcraft. Lily's determined to use magic of her own to find the murderer, before everyone's luck runs out.

In a Witch's Wardrobe

Lily Ivory is living her dream of owning a vintage clothing store—and practicing magic on the side. But when she encounters a sinister sleeping spell, Lily comes face-to-face with a nightmarish evil... Taking a night off from running her successful San Francisco clothing store, Lily attends a local art deco ball where vintage fashions steal the show. But when a young woman at the event falls under a mysterious sleeping sickness, Lily senses that a curse was placed on the woman's corsage. Before Lily can solve the woman's magical ailment, she's asked to assist in investigating a string of poisonings in the Bay Area witchcraft community. She's gained the trust of the local covens by supporting women's charities through her clothing store. But soon, Lily suspects that one of her new acquaintances might not be so well intentioned and could be dabbling in dark magic and deadly botany...

A Toxic Trousseau

The New York Times bestselling author of Spellcasting in Silk continues as witch and vintage boutique owner Lily Ivory cracks open a Pandora's box when she investigates some alarming apparel... Even the most skilled sorceress can't ward off a lawsuit, and Lily is not at her enchanting best with her hands full as the temporary leader of San Francisco's magical community. So after her potbellied pig Oscar head-butts rival clothier Autumn Jennings, Lily tries to make peace without a costly personal injury case. But any hope of a quiet resolution is shattered when Autumn turns up dead. As one of the prime suspects, Lily searches for a way to clear her name and discovers a cursed trousseau among Autumn's recently acquired inventory. Lily must deal with a mysterious dogwalker and spend the night in a haunted house as she delves into the trunk's treacherous past. She's got to figure out who wanted to harm Autumn fast, before the curse claims another victim...

Tarnished and Torn

As the owner of a popular vintage clothing store, Lily Ivory can enjoy a day of antique jewelry shopping and still call it work. But as one of San Francisco's resident witches, searching for hidden treasures can sometimes lead to dangerous discoveries... When Lily arrives at an antique jewelry fair, her bargain sensors go off left and right—but she also picks up a faint vibration of magic. Could the hard-bargaining merchant Griselda be a fellow practitioner? It certainly seems that way when a sudden fire sends panic through the crowd, and Lily discovers Griselda murdered in a way that nods to an old-fashioned witch hunt... A crime that hits close to home turns into an unwelcome flash from the past when the police bring in their lead suspect—Lily's estranged father. Though he may not deserve her help, Lily is determined to clear her father's name and solve a murder that's anything but crystal clear.

A Vision in Velvet

Lily Ivory hopes to score some great vintage fashions when she buys an antique trunk full of old clothes. But she may have gotten more than she bargained for.... As soon as Lily opens the trunk, she feels strange vibrations emanating from a mysterious velvet cloak. When she tries it on, Lily sees awful visions from the past. And when the antiques dealer who sold her the cape is killed, Lily suspects a supernatural force might be behind his death. Then Lily's familiar, Oscar the potbellied pig, disappears. Lily will do anything to get him back—including battling the spirit of a powerful witch reaching out from the past. But even with the aid of her grandmother, unmasking a killer and saving Oscar might be more than one well-intentioned sorceress can handle.

Spellcasting In Silk

From the New York Times bestselling author of *A Vision in Velvet* comes more spooky sleuthing with Lily Ivory, vintage boutique owner and gifted witch... Lily would like nothing better than to relax, enjoy her friends, and take care of business at her store, which is booming thanks to San Francisco's upcoming Summer of Love Festival. But as the unofficial witchy consultant to the SFPD, she is pulled into yet another case. A woman has jumped off the Golden Gate Bridge, and her apparent suicide may be connected to a suspicious botanica in the Mission District. When the police investigate the shop, they ask Lily to look into its mysterious owner, whose granddaughter also appears to be missing. As Lily searches for the truth, she finds herself confronted with a confounding mystery and some very powerful magic...

Brush With Death

Since she went straight, Annie Kincaid's been applying her genius for fine art forgery to her own faux finishing business in San Francisco. She hasn't seen the inside of a jail cell since she was seventeen, although sometimes it takes all of her arts—fine or otherwise—to keep it that way... Annie knows that art security can be inadequate, but it's crazy to think that an Old Master painting could be hanging unguarded in the local columbarium where she's doing restoration work. Still, when she gets a tip that the chapel's copy of Raphael's exquisite *La Fornarina* might be the real thing, Annie has to take a look. And when she runs into a certain sexy art thief on the premises, alarm bells go off in her head as well as her heart. Tired of being an art world pariah, Annie hopes that if she can help return the masterpiece to Italy, she'll finally be redeemed. But when murder enters the picture, Annie realizes that it won't be so easy to put things at the cemetery to rest... INCLUDES ART TIPS!

Synchronized Sorcery

As witch and vintage store owner Lily Ivory steps into her new role as leader of the Bay Area's magical community, she's faced with a mysterious death of magical proportions... Strange things are happening

in Lily Ivory's San Francisco. First, she finds a vintage mermaid costume which dates from the 1939 San Francisco's Treasure Island World's Fair – and which gives off distinctly peculiar vibrations. Next, she stumbles upon a dead man in the office of her predecessor, and as the community's new leader, she feels compelled to track down the culprit. Just when Lily thinks things can't get any stranger, a man appears claiming to be her half-brother, spouting ideas about the mystical prophecy involving San Francisco and their family... When the dead man is linked to the mysterious mermaid costume, and then yet another victim is found on Treasure Island, Lily uncovers ties between the long-ago World's fair and the current murders, and begins to wonder whether the killer might be hiding in plain sight. But unless Lily can figure everything out in time, there may be yet another body floating in San Francisco Bay.

It Takes a Witch

FIRST IN THE NATIONAL BESTSELLING WISHCRAFT MYSTERY SERIES! Darcy Merriweather and her sister, Harper, hail from a long line of witches who have the power to grant wishes using spells. They've come to Enchanted Village in Salem, Massachusetts, to join the family business, but soon find themselves knee-deep in murder... Until three weeks ago, Darcy and her sister, Harper, were working dead-end jobs and trying to put their troubles behind them. Then their Aunt Velma delivered a bombshell: they're actually Wishcrafters—witches with the power to grant wishes with a mere spell. Wanting a fresh start, they head to their aunt's magic-themed tourist town to master their newfound skills. But their magic fails them when a wanna-be witch turns up dead—strangled with Aunt Ve's scarf—and Ve's sweetheart, Sylar, is found looming over the body. Ve is standing by her man, but Darcy overheard Sylar wish that the victim would disappear—forever. With Harper distracted by her handsome new crush, Darcy is determined to sleuth her way to the truth. But it'll take more than a wish to unravel this mystery...

Cast-Off Coven

In this all-new novella, New York Times bestselling author Juliet Blackwell's popular characters from her Witchcraft Mysteries and Haunted Home Renovation Mysteries find themselves joining forces to solve a supernatural dilemma... When Mel Turner is hired to rehab an old Victorian mansion to act as the eerie setting for a Halloween bash, she's expecting the normal challenges—old wiring, bad plumbing, maybe a ghostly specter or two. But when a young man is killed after spending the night in the house, and the mannequins in the attic start to come to life, it's clear that this is serious paranormal activity. Maybe this time, a real witch is needed. Recommended by a mutual friend, vintage clothes expert Lily Ivory arrives to offer her help with the mannequins. Armed with Lily's spells and Mel's know-how, the two women must figure out the cause of all of the ghostly commotion—before Mel's renovation project turns into even more of a deadly haunt... Includes previews of *Keeper of the Castle: A Haunted Home Renovation Mystery* and *Spellcasting in Silk: A Witchcraft Mystery*. Praise for the novels of Juliet Blackwell: "Blackwell's writing is like that of a master painter, placing a perfect splash of detail, drama, color, and whimsy in all the right places!"—New York Times bestselling author Victoria Laurie "Extraordinarily entertaining."—Suspense Magazine "A winning combination of cozy mystery, architectural history, and DIY with a ghost story thrown in."—The Mystery Reader "Blackwell mixes reality and witchcraft beautifully...outstanding storytelling skills."—Les's Book Critiques Juliet Blackwell is the pseudonym for the New York Times bestselling mystery author who also writes the Witchcraft Mystery series and, together with her sister, wrote the Art Lover's Mystery series as Hailey Lind. The first in that series, *Feint of Art*, was nominated for an Agatha Award for Best First Novel. As owner of her own faux-finish and design studio, the author has spent many days and nights on construction sites renovating beautiful historic homes throughout the San Francisco Bay Area. She currently resides in a happily haunted house in Oakland, California.

A Haunting Is Brewing

Witch and vintage store owner Lily Ivory faces her most difficult mystery to date with a case of mistaken identity that hits close to home... Lily Ivory and her friends are planning a 1950s-themed brunch to benefit the local women's shelter. When a figure from her past shows up unannounced, threatening her unless she returns something that belonged to him, Lily's fiancé, Sailor, steps in to defend her. After the same man is found dead later that day, Sailor is the primary suspect. He swears he's innocent, but multiple witnesses ID him as the perpetrator of the assault. Lily vows to clear his name...only she's not sure where to start with the mounting evidence against him. When she sees Sailor in the neighborhood

despite knowing he's in jail, Lily starts to wonder if there could be a doppelganger in San Francisco. When she's not busy helping customers find matching outfits for the upcoming event, searching for a vintage wedding dress for her own nuptials, and dealing with an ill-timed magical cold, Lily begins to suspect one of her magical foes is targeting her loved ones in an attempt to weaken her.

A Magical Match

Harper Connelly was struck by lightning as a teenager, and now she can find the dead. In her third case, Harper and Tolliver, her stepbrother, are hired to find a missing grandson. But the truth is far worse than a single dead child, for numerous teenage boys, all unlikely runaways, have disappeared from Doraville, North Carolina. Harper soon finds the eight bodies, buried in the half-frozen ground, but then, still reeling from coming into contact with her first serial killer, she is attacked and injured. Now she and Tolliver have no choice but to stay in Doraville while she recovers, and as she reluctantly becomes part of the investigation, she learns more than she cares to about the dark mysteries and long-hidden secrets of the town: knowledge that makes her the most likely person to be next to end up in an ice-cold grave.

An Ice Cold Grave

A major new manifesto for the end of capitalism Neoliberalism isn't working. Austerity is forcing millions into poverty and many more into precarious work, while the left remains trapped in stagnant political practices that offer no respite. *Inventing the Future* is a bold new manifesto for life after capitalism. Against the confused understanding of our high-tech world by both the right and the left, this book claims that the emancipatory and future-oriented possibilities of our society can be reclaimed. Instead of running from a complex future, Nick Srnicek and Alex Williams demand a postcapitalist economy capable of advancing standards, liberating humanity from work and developing technologies that expand our freedoms. This new edition includes a new chapter where they respond to their various critics.

Inventing the Future

When a guest dies in the B&B she helps her aunts run, a young witch must rely on some good old-fashioned investigating to clear her aunt's name in this magical and charming new cozy mystery. For four hundred years, the Warren witches have used their magic to quietly help the citizens of the sleepy New England town of Evenfall thrive. There's never been a problem they couldn't handle. But then Constance Graves--a local known for being argumentative and demanding--dies while staying at the bed and breakfast Brynn Warren maintains with her aunts. At first, it seems like an accident...but it soon becomes clear that there's something more sinister at work, and Aunt Nora is shaping up to be the prime suspect. There's nothing Brynn wants more than to prove Nora's innocence, and it hurts her to know that even two years ago that might have been easier. Brynn, after all, is a witch of the dead--a witch who can commune with ghosts. Ghosts never remember much about their deaths, but Constance might remember something about her life that would help crack the case. But Brynn hasn't used her powers since her husband died, and isn't even sure she still can. A runaway bestseller that made its way to Broadway, starring Sid Caesar in 1962 and Martin Short in 1998, *Little Me* is now reprinted--with all of the 150 historic, hysterical photographs depicting the funniest scenes from Belle's sordid life, including cameo appearances by the author and Rosalind Russell. The Graveyard Shift: A Charley Davidson Novella

In a society overrun by commercial clutter, religion has become yet another product sold in the consumer marketplace, and faiths of all kinds must compete with a myriad of more entertaining and more convenient leisure activities. Brands of Faith argues that in order to compete effectively faiths have had to become brands – easily recognizable symbols and spokespeople with whom religious prospects can make immediate connections. Mara Einstein shows how religious branding has expanded over the past twenty years to create a blended world of commerce and faith where the sacred becomes secular and the secular sacred. In a series of fascinating case studies of faith brands, she explores the significance of branded church courses, such as Alpha and The Purpose Driven Life, mega-churches, and the popularity of the televangelist Joel Olsteen and television presenter Oprah Winfrey, as well as the rise of Kaballah. She asks what the consequences of this religious marketing will be, and outlines the possible results of religious commercialism – good and bad. Repackaging religion – updating music, creating teen-targeted bibles – is justifiable and necessary. However, when the content becomes obscured, religion may lose its unique selling proposition – the very ability to raise us above the market.

The Possession

WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE Self-regard, in the works of Annie Ernaux, is always an excruciatingly painful and exact process. Here, she revisits the peculiar kind of self-fulfillment possible when we examine ourselves in the aftermath of a love affair, and sometimes, even, through the eyes of the lost beloved.

Consciousness And The Novel

Human consciousness, long the province of literature, has lately come in for a remapping - even rediscovery - by the natural sciences, driven by developments in Artificial Intelligence, neuroscience, and evolutionary biology. But as the richest record we have of human consciousness, literature, David Lodge suggests, may offer a kind of knowledge about this phenomenon that is complementary, not opposed, to scientific knowledge. Writing with characteristic wit and brio, and employing the insight and acumen of a skilled novelist and critic, Lodge here explores the representation of human consciousness in fiction (mainly English and American) in the light of recent investigations in cognitive science, neuroscience, and related disciplines. How, Lodge asks, does the novel represent consciousness? And how has this changed over time? In a series of interconnected essays, he pursues this question down various paths: how does the novel's method compare with that of other creative media such as film? How does the consciousness (and unconscious) of the creative writer do its work? And how can criticism infer the nature of this process through formal analysis? In essays on Charles Dickens, E.M. Forster, Evelyn Waugh, Kingsley and Martin Amis, Henry James, John Updike and Philip Roth, and in reflections on his own practice as a novelist, Lodge brings to light - and to engaging life

The Second Book of Swords

Figures of Earth is the second installment in James Branch Cabell's Biography of the Life of Manuel, set in the imaginary province of Poictesme. Young Manuel is a simple, well-liked swineherd who is often seen continually reshaping a small figure he made from the marsh clay from the pool of Haranton. One day, a stranger appears and tells Manuel of an adventure to save the Count of Arnaye's daughter from a wizard who carried her off to the gray mountain called Vraidex. Manuel accepts this adventure (and many more that follow)—and his life will never be the same. The book was originally published in 1921 and was dedicated to "six most gallant champions," each of whom were real persons who came to Cabell's defense during the legal battle over alleged obscenity in his previous novel, Jurgén. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Figures of Earth

In 'The Line of Love; Dizain des Mariages,' James Branch Cabell offers readers a rich tapestry of chivalric romance and sardonic wit, woven together in an exploration of love across different ages. Cabell's literary style is marked by an elegant, archaic prose that underpins the ironic commentary on the romantic ideals and societal mores of bygone eras. This work, structured as a sequence of interrelated stories, not only reflects the author's clear fascination with the Medieval period but also situates itself within the early 20th-century's revival of interest in chivalric tales, thus providing a complex interplay between past and present literary traditions. James Branch Cabell, an important figure in American literature, was known for his unique blend of fantasy and realism, his eloquent storytelling, and his finely-crafted satirical narratives. Cabell's passion for history, mythology, and his own Virginian heritage often inspired his works. In 'The Line of Love,' his background and interests manifest in his use of historical settings and the deconstruction of romantic myths, culminating in a book that both celebrates and questions the very nature of love and marriage. 'The Line of Love; Dizain des Mariages' is recommended for those who delight in literary craftsmanship that transcends time. Cabell's adept storytelling and intricate characterizations make this book an appealing read for lovers of classic literature. The novel's subtle irony and reflection on eternal themes of love and matrimony will resonate with modern readers, offering a nuanced perspective that challenges as much as it charms. It is a significant work that continues to merit scholarly attention and appreciation among connoisseurs of literary art.

Metaphor and Figurative Language

James Branch Cabell (1879-1958) wrote many of the Twentieth Century's finest fantasies, including the controversial "Jurgén," which was famously banned by the New York Society for the Suppression of Vice. It was only after the furor died down that readers and critics were fully able to appreciate that the author was no mere sensationalist, but a literary artist of very high calibre. Cabell was above all else, an elegant stylist, whose gently caustic, beautifully fantastic comedies struck a chord in the Jazz Age and still resonate today. He was an important influence on subsequent writers as diverse as Fritz Leiber and Neil Gaiman. "[He] is a delightful author . . . I like the sheer audacity and the scope [of his work]." -- Neil Gaiman "One of the all-time greats of fantasy, whose cynical yet romantic view of the human comedy is simultaneously hilarious, beautiful, and melancholy. A writer you must read." -- Darrell Schweitzer "From the Hidden Way" collects Cabell's poetry, which illustrates a mastery of a wide range of styles and forms, and is filled with sly allusions to Cabell's other books. It was included

in the famous Storisende Edition of the collected "Biography of Manuel," which Cabell considered to be the centerpiece of his art.

The Music from Behind the Moon

"The Devil's Own Dear Son" is Cabell's final philosophical comedy, about a man who discovers that his father was a demon and goes to Hell for a disquieting family reunion. James Branch Cabell (1879-1958) wrote many of the Twentieth Century's finest fantasies, including the controversial *Jurgen*, which was famously banned by the New York Society for the Suppression of Vice. It was only after the furor died down that readers and critics were fully able to appreciate that the author was no mere sensationalist, but a literary artist of very high calibre.
