A World of Art (6th Edition) - Sayre, Henry M.

Why A World of Art? Henry Sayre wrote the first edition of World of Art because he wanted to use a text in his own art appreciation course that truly represented all artists, not just the Western canon found at that time in the other texts. He also wanted a text that fostered critical thinking through looking at, ...

A World of Art (6th Edition) by Sayre, Henry M.

Great seller, easy to communicate. The item wasn't entirely as described, but this was due to the manufacturer putting the wrong size in the boxes and mislabeling. This is no fault of the seller. I had to return the product, but the seller was fast and communicative. A+. Cariloha Resort Bamboo Pillowcase Set - Blue ...

Mazes for Children - Super Fun Activity Book

Mazes are super fun! They confuse your child but at the same time, encourage creative and analytic thinking too. There are other benefits to mazes, of course! And one of these is the development of fine

motor skills for improved grip and control of small objects like the pencils. Let your child discover other benefits by encouraging him/her to work on mazes today!

Mazes For Kids Ages 4-8

Keep Your Child Busy With Hours of Super FUN Mazes (An Activity Book That Brings Joy To Children & Boosts Their Logical Skills). When parents want to amuse their children, they usually put a movie on the TV or let the child play video games. But why would you increase your child's screen time when there are so many other interesting things to do?! One of the best activities for kids is, believe it or not, activity books. As wonderful as reading books can be for stimulating the imagination, youngsters need more than that. Children's activity books are ideal for providing kids with more than just the early reading experience that is essential to their later academic strength. Activity books for kids that encourage children to solve mazes, join the dots, spot the difference, find the matching symbol, and even make basic cut-out models or crafts can strengthen various skills. They even can help young readers cultivate habits that will stand them in good stead for the rest of their lives. Here are all the benefits of this activity book: Beautifully illustrated mazes that will entertain, stimulate, and challenge your child Three difficulty levels (easy, medium, hard) Boosts creativity and stimulates the logic skills with interesting activities Improves concentration and fine motor skills development Helps parents spend more quality time with their children Activity books are one of the best early childhood education tools and Mazes will provide hours of fun for boys & girls. Besides having fun, the various exercises will help your child develop critical skills such as problem-solving, visual perception, and fine motor skills. It's never too early to start helping your child build key logical and analytical capabilities. With the help of this book, that process has never been more fun!
