Lizzie Leigh, a domestic tale, from "Household Words", by Charles Dickens. [In fact by Mrs. Gaskell.]

A poignant tale about illicit love and regrets, ending in delight. It deals with the story of a young girl Lizzie who commits sin and has to face the repercussions. Gaskell brilliantly portrays the deep and true relations of a family and ends the story with a moving reunion. Touching and emotional!...

Lizzie Leigh

This volume, arranged alphabetically by original author, provides basic information about stage and screen productions based upon the novels of 40 women writers before 1900. Each entry includes the novel and its publication date, the published texts or dramatizations based upon the book, and the performances of the piece in live theater and film versions, including the location, dates, and playwright or screenwriter (if there was one). For some of the performances the author includes a brief annotation listing the actors and describing the production.

Lizzie Leigh

When Death is present in a household on a Christmas Day, the very contrast between the time as it now is, and the day as it has often been, gives a poignancy to sorrow-a more utter blankness to the desolation. James Leigh died just as the far-away bells of Rochdale Church were ringing for morning service on Christmas Day, 1836. A few minutes before his death, he opened his already glazing eyes, and made a sign to his wife, by the faint motion of his lips, that he had yet something to say. She stooped close down, and caught the broken whisper, "I forgive her, Annie! May God forgive me!" "Oh, my love, my dear! only get well, and I will never cease showing my thanks for those words. May God in heaven bless thee for saying them. Thou'rt not so restless, my lad! may be-Oh, God!" For even while she spoke he died. They had been two-and-twenty years man and wife; for nineteen of those years their life had been as calm and happy as the most perfect uprightness on the one side, and the most complete confidence and loving submission on the other, could make it. Milton's famous line might have been framed and hung up as the rule of their married life, for he was truly the interpreter, who stood between God and her; she would have considered herself wicked if she had ever dared even to think him austere, though as certainly as he was an upright man, so surely was he hard, stern, and inflexible. But for three years the moan and the murmur had never been out of her heart; she had rebelled against her husband as against a tyrant, with a hidden, sullen rebellion, which tore up the old landmarks of wifely duty and affection, and poisoned the fountains whence gentlest love and reverence had once been for ever springing. But those last blessed words replaced him on his throne in her heart, and called out penitent anguish for all the bitter estrangement of later years. It was this which made her refuse all the entreaties of her sons, that she would see the kind-hearted neighbours, who called on their way from church, to sympathize and condole. No! she would stay with the dead husband that had spoken tenderly at last, if for three years he had kept silence; who knew but what, if she had only been more gentle and less angrily reserved he might have relented earlier-and in time?

Lizzie Leigh

Elizabeth Cleghorn Gaskell's collection of short stories offers a glimpse into the lives of everyday people in 19th century England. From the struggles of working-class families to the complexities of love and family dynamics, these tales are both relatable and illuminating. Women Writers Dramatized

A selection of texts by Elizabeth Gaskell, accompanied by annotations. It brings together Gaskell academics to provide readers with scholarship on her work and seeks to bring the crusading spirit and genius of the writer into the 21st century to take her place as a major Victorian writer.

Lizzie Leigh, the Original Classic Short Story

Critical analysis of the magazines established and edited by Charles Dickens.

Payne Elizabeth Gaskell (1810-1865) was an English novelist and short story writer. Her novels offer a detailed portrait of the lives of many strata of Victorian society, including the very poor, and are of interest to social historians as well as lovers of literature. Some of Gaskell's best known novels are Cranford, North and South, and Wives and Daughters.

Nineteenth Century Short-title Catalogue: phase 1. 1816-1870

This collection includes 10 classics by this notable Victorian author, whose novels shown brutal and detailed portraits of lives of the poor, the orphans and the working class people in mid Victorian England. "Mary Barton" is set in the English city of Manchester and deals with the difficulties faced by the Victorian working class. "The Moorland Cottage" – Maggie Browne, a daughter of a deceased clergyman, is asked to give up her future and sacrifice herself for the good of her selfish brother. "Cranford" – Marry Smith, likes to remember the stories of Cranford's illustrious citizens, sympathetically portraying transformation of a small town customs and values. "Ruth" – A young orphan girl gets a job at a ball to repair torn dresses. There she meets a handsome aristocrat and falls in love, but instead of living happily ever after, she ends up abandoned and pregnant. "North and South" – Margaret Hale's family settles in Milton where she witnesses the brutal world wrought by the Industrial Revolution, seeing employers and workers clashing in the first strikes. "Sylvia's Lovers" is a sad story of love and betrayal set in the time of Napoleonic Wars. "Wives and Daughters" – An attractive Molly Gibson gets send away from home as she arouses interest of her father's associates. But when she falls in love, her loved one chooses her step sister. "A Dark Night's Work" is a story of a country lawyer, Edward Wilkins, who tries to live a rich life like his clients, but ends up in debt, and eventually commits a crime. "My Lady Ludlow" recounts the daily lives of the widowed Countess of Ludlow of Hanbury and the spinster Miss Galindo, and their caring for other single women and girls. "Cousin Phillis" – A 19-year-old Paul Manning moves to the country and befriends his mother's family and his cousin Phillis, who is confused by her own placement at the edge of adolescence. "Mrs. Gaskell and Knutsford" is a biography of Elizabeth Gaskell.

Charles Dickens and the Mid-Victorian Press, 1850-1870

A bibliography of 6200 entries of short fiction by women writers in English, defined to include both traditional forms such as the novella, short story, prose character and the sketch, and other forms such as moral tales, collections of legends and folklore, prose allegories and proverb stories.

Lizzie Leigh; and other tales by the author of 'Mary Barton'. by mrs. Gaskell. Illustr. ed

Colonial domestic literature has been largely overlooked and is due for a reassessment. This essay collection explores attitudes to colonialism, imperialism and race, as well as important developments in girlhood and the concept of the New Woman.

Lizzie Leigh

Elsie B. Michie here provides insightful readings of novels by Mary Shelley, Emily and Charlotte Brontë, Elizabeth Gaskell, and George Eliot, writers who confronted definitions of femininity which denied them full participation in literary culture. Exploring a series of abhorrent images, Michie traces the links between the Victorian definition of femininity and other forms of cultural exclusion such as race and class distinctions.

XIX Century Fiction, Volume One

This book re-locates Elizabeth Gaskell's 'smaller stories' in the literary and cultural context of the nineteenth century. While Gaskell is recognised as one of the major novelists of her time, the short stories that make up a large proportion of her published work have not yet received the critical attention they deserve. This study re-claims them as an indispensable part of her literary output that enables us to better contextualize and assess her achievement holistically as a highly-skilled woman of letters. The periodicals in which Gaskell's shorter pieces were published offer a microcosm of nineteenth-century society, and Gaskell took full advantage of the medium to apply a consistent and barbed challenge to cultural and gendered constructs of roles and social behaviour. Although her eminently readable prose still flows easily in her short stories, it is less likely to elide the sharp corners of domestic violence, the disabling experiences of women, the pain of death and loss, and the complications of family life.

The Complete Short Stories of Elizabeth Gaskell
