Indian Tales (World Classics, Unabridged)

This book is a collection of Kiplings best stories on India. This collection was first published in 1890. This collection of classic short stories from Rudyard Kipling includes the following Indian stories: "The Finest Story in the World," With the Main Guard, Wee Willie Winkie, The Rout of the White Hussars, and many other.

Tales from Indian Classics Book I

Collected works set in Colonial India from the 'defender of British imperialism' and author of 'Jungle Book'. iBoo World's Classics iBoo Press House uses state-of-the-art technology to digitally reconstruct the work. We preserve the original format whilst repairing imperfections present in the aged copy. All titles are designed with a nice cover, quality paper and a large font that's easy to read.

Tales from Indian Classics

The Pañcatantra is the most famous collection of fables in India and was one of the earliest Indian books to be translated into Western languages. It teaches the principles of good government and public policy through the medium of animal stories, providing a window onto ancient Indian society. This new translation vividly reveals the story-telling powers of the original author, while detailed notes illuminate aspects of ancient Indian society and religion to the non-specialist reader.

Indian Tales

This was Kipling's first published volume of fiction. The stories with their brevity and concentration of effect are a landmark in the history of the short story.

Pañcatantra

A collection of 20 stories from India's rich folklore heritage. From wicked magicians to wise old priests, charming princes and beautiful princesses, to greedy tigers and wily jackals, these magical tales are full of adventure and trickery, and infused with deeper messages about morality, Life and the world around us. Founded on the work of folklorist, Joseph Jacob, and from tales from India's Mughul period, award-winning author Bali Rai's lively retellings are a delight for readers of all ages. The book includes endnotes with a glossary, additional information as well as ideas for activities that children can do to explore the stories further.

Tales from Indian Classics

A collection of 20 stories from India's rich folklore heritage. From wicked magicians to wise old priests, charming princes and beautiful princesses, to greedy tigers and wily jackals, these magical tales are full of adventure and trickery, and infused with deeper messages about morality, Life and the world around us. Founded on the work of folklorist, Joseph Jacob, and from tales from India's Mughul period, award-winning author Bali Rai's lively retellings are a delight for readers of all ages. The book includes endnotes with a glossary, additional information as well as ideas for activities that children can do to explore the stories further.

Plain Tales from the Hills

The magical story of how Ganesh, the son of Shiva and Parvati, was brought back to life with the head of an elephant • The story of one of the most beloved characters in Indian lore, made accessible for Western children • Illustrated throughout with paintings from the classic Indian tradition Any Indian child can tell you how the beloved god Ganesh got his elephant's head--now American children can know as well. For centuries Indian children have grown up hearing Ganesh's story--how his mother, Parvati (an incarnation of the great mother goddess), created a small boy from sandalwood soap and commanded that he guard the palace against all intruders while she took her bath. How her husband, Shiva (the fearsome god of destruction), didn't take kindly to being barred from his own home. How Shiva beheaded the boy during the cosmic war that followed, but then, when he realized that the balance of the entire universe was at stake, brought the boy back to life by grafting an elephant's head onto his body and made him the people's intercessor against the powers of destruction. Ganesh's timeless story teaches children about the steadfast power of dedication to duty, the awe-inspiring power of a mother's love for her child, and the gentle power of compassion, which holds the world together. Accompanied by rich, color illustrations prepared according to the traditional Hindu canon, How Ganesh Got His Elephant Head will transport children to a magical world filled with ancient wisdom.

Tales from India

Beautifully told retellings of classic stories from India. Full of richness and warmth, these tales of tender love, great heroism, acts of sacrifice, foolishness and friendship come vividly to life. There is an epic battle in which monkeys and bears help rescue the beautiful princess Sita from evil demons and a simple fable about a jackal who tries to become king. This tapestry of stories is as colourful and diverse as India itself. Sources in selecting the stories have been Sanskrit and Pali, the classical languages of the Brahmins and the Buddhists. Many of these tales were current centuries before the Christian era and were given a sophisticated form by the storytellers of classical times. * The subject of myths and legends ties in with the National Curriculum. * Classic retellings have continued to sell for over thirty years. * Before his death the author lived in Maidstone in Kent.

Tales from India

A collection of classic stories from every region of the world. Suggested level: primary, intermediate.

Tales from India

Seven beautifully illustrated traditional stories that immerse the reader in the ancient culture of India as well as impart important life lessons • Shares classic tales from India, including stories drawn from the Mahabharata, the Ramayana, and the Puranas, translated by the authors • Illustrated throughout with glowing full-color paintings in traditional Indian style prepared according to the traditional Hindu canon With this full-color illustrated collection of classic tales from India, you will learn about the playful, loyal, strong, loving, and wise gods, goddesses, and heroes of India. You will discover how the deity Ganesh, the remover of obstacles, got his elephant head, how the goddess Parvati won the heart of the great god Shiva, and how the goddess Ganga came to Earth from Heaven in the form of the holy Ganges River. You will discover how Krishna's childhood as superhero and mischievous boy prepared him to fulfill his destiny as an avatar of the god Vishnu. In two tales drawn from the Ramayana, you will learn about prince Ram and his victory over the ten-headed demon king Ravana and how the monkey-god Hanuman moved a medicine mountain to save Ram's brother. In two stories from the famous epic the Mahabharata, you will discover how Karna became the greatest archer in the world to help good triumph over evil and how Arjuna compassionately fought his own cousins to bring peace to the kingdom of Hastinapur. The glowing illustrations, executed in transparent watercolors and tempera paints, are done in a centuries-old method traditional to India. Richly detailed, they bring to life the colorful cast of characters--humans, gods, and demons alike--and allow the reader to become immersed in the mystical world of ancient India.

How Ganesh Got His Elephant Head

This book is part of the TREDITION CLASSICS series. The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again - worldwide. At tredition we believe that a great book never goes out of style. Several mostly non-profit literature projects provide content to tredition. To support their good work, tredition donates

a portion of the proceeds from each sold copy. As a reader of a TREDITION CLASSICS book, you support our mission to save many of the amazing works of world literature from oblivion.

Tales from India

This is an authentic retelling of Valmiki's great epic Ramayana that chronicles Lord Rama's heroism, and Sita's grit and devotion. Flying chariots, magical weapons and a raging battlefield are brought to life in this timeless retelling by Shubha Vilas that will take young readers on an enchanting adventure, and also impart important values. Filled with vibrant illustrations by award-winning illustrator Ishan, this book is a lucid narration of the triumph of good over evil.

Tales from Indian Classics Book III

Soils and national characters differ, but fairy tales are often the same in plot and incidents, if not in style. Most of the 27 illustrated tales in this volume of Indian fairy tales are known in the West in some form or other; how can we account for their simultaneous existence in both Europe and Asia? In this volume we find stories about Punchkin, the evil magician, and the quaint myth: "How Sun, Moon, and Wind went out to Dinner," the magic fiddle, the broken pot, the tiger, the Brahman, the Jackal, and more. In short, Jacobs has made this book a representative collection of all the fairy tales of India. Some have declared that India is the home of the fairy tale, and that all European fairy tales have been brought from thence by crusaders, Mongol missionaries, Gypsies, Jews, traders, and many other travellers. After all, India is on one branch of the fabled Silk and Spice Routes, over which Europeans and Asians have been travelling for several millennia. We should be prepared, within certain limits, to hold a brief for India. The common fairy stories of the children of Europe, which form a greater part of their stories as a whole, are derived from Indian tales. In particular, the majority of the Drolls, or comic tales and jingles, can be traced without much difficulty back to the Indian peninsula. To assemble this volume, Jacobs has selected the best from the Jatakas, the Bidpai, the Tales of the Sun, the Baluchi folk-tales, and the folk-tales of Kashmir. It is only a further proof that fairy tales are something more than Celtic or Hindoo—they are human. So curl up with a sliver of the Indian sub-continent and lose yourself in a culture and lifestyle of the ancient, Eastern past. Part of a Social Enterprise Program 33% of the net profit from the sale of this book will be donated to organisations, charities and schools around the world.

Tales from Around the World

An illustrated collection of over forty folk tales from India, many of them based on Hindu mythology.

Classic Tales from India

Plain Tales from the Hills (published 1888) is the first collection of short stories by Rudyard Kipling. Out of its 40 stories, "eight-and-twenty\

The Talking Thrush and Other Tales from India

Beauty and intelligence were the princess Savitri's, and eyes that shone like the sun. So splendid was she that people thought her a goddess. When at last she found a man worthy to wed her, no one could sway her from her heart's path -- not even the god of death. This lovely retelling, now in a 30th Anniversary Edition, presents a classic tale of devotion, courage, wit, and will from India's national epic, the Mahabharata. (Original picture book title: "Savitri: A Tale of Ancient India.") TEACHERS AND LIBRARIANS -- A READER'S THEATER SCRIPT OF THIS BOOK IS AVAILABLE IN AARON'S BOOK "FOLKTALES ON STAGE," OR FREE ON AARON'S WEB SITE. //////////////////////////////////////

Aaron Shepard is the award-winning author of "The Baker's Dozen," "The Sea King's Daughter," the Skyhook World Classics series, and many more children's books. Once a professional storyteller, Aaron specializes in lively retellings of folktales and other traditional literature, which have won him honors from the American Library Association, the New York Public Library, the Bank Street College of Education, the National Council for the Social Studies, and the American Folklore Society. Vera Rosenberry has written and/or illustrated over 30 children's books, including eight "Vera" books about her own childhood experiences. She was especially eager to work on this book as her husband is from India and grew up with tales from the Mahabharata. Also, she has always been fascinated by Indian miniature paintings—especially those of the Akbar period, which were produced as illustrations but, with their beautiful colors and intricate detail, stand on their own as works of art. //////////////////////////////////////

1997 & 2000 California Collection Selection "Unique and noteworthy . . . Shepard breathes new life into the sleeping archetype of the Indian heroine. Like ancient heroic myth, [Shepard's interpretation] renews deep strains of potential within the reader." -- Publishers Weekly, Mar. 9, 1992 "A smooth retelling." -- Kirkus Reviews "Delicately rendered in both adaptation and illustration . . . A book that will open children's eyes and ears to an unfamiliar lore, and provide rich contrast to Western parallels." -- Bulletin of the Center for Children's Books "Profoundly moving." -- Children's Bookwatch "Will enhance the social studies curriculum." -- Children's Book Review Service "Reads aloud very well . . . Readers will enjoy the perspicacity and tenacity of this feisty heroine [and] be fascinated by the uniquely Indian cultural details." -- School Library Journal "Portrays a woman of great intelligence and courage, as well as virtue . . . The story and pictures show great sensitivity to Hindu lore and culture." -- Deva and Gayatri Rajan, *Hinduism Today* "Powerfully told, with a magic all its own. Savitri's purity of spirit will touch the hearts of all readers, young and old." -- Meera Lester, *India West* "Fresh and respectful . . . Could be useful as an introduction to Indian classics for young adult readers, in a course on ancient cultures, or in any broad-based collection." -- Fran Stallings, *Territorial Tattler* "Looking for a painless dose of Hindu mythology? Here it is, with beautiful illustrations to boot." -- *Ours* (Adoptive Families of America)

Illustrated Ramayana for Children

he Bodhisatta was at one time born in the region of Himavanta as a white crane; now Brahmadata was at that time reigning in Benares. Now it chanced that as a lion was eating meat a bone stuck in his throat. The throat became swollen, he could not take food, his suffering was terrible. The crane seeing him, as he was perched on a tree looking for food, asked, "What ails thee, friend?" He told him why. "I could free thee from that bone, friend, but dare not enter thy mouth for fear thou mightest eat me." "Don't be afraid, friend, I'll not eat thee; only save my life." "Very well," says he, and caused him to lie down on his left side. But thinking to himself, "Who knows what this fellow will do," he placed a small stick upright between his two jaws that he could not close his mouth, and inserting his head inside his mouth struck one end of the bone with his beak. Whereupon the bone dropped and fell out. As soon as he had caused the bone to fall, he got out of the lion's mouth, striking the stick with his beak so that it fell out, and then settled on a branch. The lion gets well, and one day was eating a buffalo he had killed.

INDIAN FAIRY TALES

"This admirably produced and well-translated volume of stories from the Sanskrit takes the Western reader into one of the Golden Ages of India. . . . The world in which the tales are set is one which placed a premium upon slickness and guile as aids to success. . . . Merchants, aristocrats, Brahmins, thieves and courtesans mingle with vampires, demi-gods and the hierarchy of heaven in a series of lively or passionate adventures. The sources of the individual stories are clearly indicated; the whole treatment is scholarly without being arid."—The Times Literary Supplement "Fourteen tales from India, newly translated with a terse and vibrant effectiveness. These tales will appeal to any reader who enjoys action, suspense, characterization, and suspension of disbelief in the supernatural."—The Personalist

The Puffin Book of Classic Indian Tales for Children

Set and published during the time of the British Raj, a time of subalterns and tea planters, the 40 stories in *Plain Tales From The Hills* are played out under an unforgiving sun, revealing the deceit, faithlessness, shallowness, despair, mistrust, hate, and petty jealousies rife amongst the British inhabitants of India. Fascinating, funny, tragic, immensely readable, and witty, these stories provide an invaluable insight into life in India during the British Raj, introducing us to the work of one of the most beloved writers of the 20th century.

Plain Tales from the Hills

Agastya Sen, known to friends by the English name August, is a child of the Indian elite. His friends go to Yale and Harvard. August himself has just landed a prize government job. The job takes him to Madna, "the hottest town in India," deep in the sticks. There he finds himself surrounded by incompetents and cranks, time wasters, bureaucrats, and crazies. What to do? Get stoned, shirk work, collapse in the heat, stare at the ceiling. Dealing with the locals turns out to be a lot easier for August than living with himself. English, August is a comic masterpiece from contemporary India. Like *A Confederacy of Dunces* and *The Catcher in the Rye*, it is both an inspired and hilarious satire and a timeless story of self-discovery.

Princess of India

Plain Tales from the Hills (published 1888) is the first collection of short stories by Rudyard Kipling. Out of its 40 stories, "eight-and-twenty," according to Kipling's Preface, were initially published in the *Civil and Military Gazette* in Lahore, Punjab, British India, between November 1886 and June 1887. "The remaining tales are, more or less, new." (Kipling had worked as a journalist for the CMG--his first job--since 1882, when he was not quite 17.)

Indian Fairy Tales

HEART OF DARKNESS * AN OUTPOST OF PROGRESS * KARAIN * YOUTH The finest of all Conrad's tales, 'Heart of Darkness' is set in an atmosphere of mystery and menace, and tells of Marlow's perilous journey up the Congo River to relieve his employer's agent, the renowned and formidable Mr Kurtz. What he sees on his journey, and his eventual encounter with Kurtz, horrify and perplex him, and call into question the very bases of civilization and human nature. Endlessly reinterpreted by critics and adapted for film, radio, and television, the story shows Conrad at his most intense and sophisticated. The other three tales in this volume depict corruption and obsession, and question racial assumptions. Set in the exotic surroundings of Africa, Malaysia, and the east, they variously appraise the glamour, folly, and rapacity of imperial adventure. This revised edition uses the English first edition texts and has a new chronology and bibliography. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Tales of Ancient India

'Narayan's fictions have shown India to the world in a way no other writing has' an enchanting collection from India's foremost storyteller, rich in wry, warmly observed characters from every walk of Indian life--merchants, beggars, herdsmen, rogues- all of whose lives are microcosms of the human experience.

Plain Tales from the Hills

Just So Stories for Little Children is a 1902 collection of origin stories by the British author Rudyard Kipling. Considered a classic of children's literature, the book is among Kipling's best known works.

English, August

"This admirably produced and well-translated volume of stories from the Sanskrit takes the Western reader into one of the Golden Ages of India. . . . The world in which the tales are set is one which placed a premium upon slickness and guile as aids to success. . . . Merchants, aristocrats, Brahmins, thieves and courtesans mingle with vampires, demi-gods and the hierarchy of heaven in a series of lively or passionate adventures. The sources of the individual stories are clearly indicated; the whole treatment is scholarly without being arid."—The Times Literary Supplement "Fourteen tales from India, newly translated with a terse and vibrant effectiveness. These tales will appeal to any reader who enjoys action, suspense, characterization, and suspension of disbelief in the supernatural."—The Personalist

Plain Tales from Hills (World Classics, Unabridged)

This colorfully illustrated multicultural children's book presents Indian fairy tales and other folk stories that the whole family will enjoy! *Indian Children's Favorite Stories* is a charming selection of eight Indian

tales that provide an insight into traditional Indian culture. They make perfect new additions for story time or bedtime reading. Retold for an international audience, the beautifully illustrated stories will give children of all ages a glimpse into the fables and folklore of India, including tales of how Lord Krishna escapes the evil Kamsa's repeated attempts to kill him, and how the elephant keeper's daughter, Rani, humbles an unwise and unjust king by emptying his storehouses of rice. Featured Indian stories include: The Story of Rama, the ancient Indian tale of a prince's exile and return to his homeland Sukhu and Dukhu, two sisters--one kind, one selfish--and their different fates Munna and the Grain of Rice, how a good and clever girl saves her people from hunger And five more wonderful tales to delight story lovers everywhere. A glossary is also included, so that everyone can understand and appreciate the Indian words scattered throughout the stories. The Children's Favorite Stories series was created to share the folktales and legends most beloved by children in the East with young readers of all backgrounds in the West. Other multicultural children's books in this series include: Asian Children's Favorite Stories, Indonesian Children's Favorite Stories, Japanese Children's Favorite Stories, Singapore Children's Favorite Stories, Filipino Children's Favorite Stories, Favorite Children's Stories from China & Tibet, Chinese Children's Favorite Stories, Korean Children's Favorite Stories, Balinese Children's Favorite Stories, and Vietnamese Children's Favorite Stories.

Heart of Darkness and Other Tales

The Law of the Jungle, which never orders anything without a reason, forbids every beast to eat Man except when he is killing to show his children how to kill, and then he must hunt outside the hunting grounds of his pack or tribe. The real reason for this is that man-killing means, sooner or later, the arrival of white men on elephants, with guns, and hundreds of brown men with gongs and rockets and torches. Then everybody in the jungle suffers. The reason the beasts give among themselves is that Man is the weakest and most defenseless of all living things, and it is unsportsmanlike to touch him. They say too-and it is true -that man-eaters become mangy, and lose their teeth. The purr grew louder, and ended in the full-throated "Aaarh!" of the tiger's charge. Then there was a howl-an untigerish howl-from Shere Khan. "He has missed," said Mother Wolf. "What is it?" Father Wolf ran out a few paces and heard Shere Khan muttering and mumbling savagely as he tumbled about in the scrub. "The fool has had no more sense than to jump at a woodcutter's campfire, and has burned his feet," said Father Wolf with a grunt. "Tabaqui is with him." "Something is coming uphill," said Mother Wolf, twitching one ear. "Get ready." The bushes rustled a little in the thicket, and Father Wolf dropped with his haunches under him, ready for his leap. Then, if you had been watching, you would have seen the most wonderful thing in the world-the wolf checked in mid-spring. He made his bound before he saw what it was he was jumping at, and then he tried to stop himself. The result was that he shot up straight into the air for four or five feet, landing almost where he left ground. "Man!" he snapped. "A man's cub. Look!" Directly in front of him, holding on by a low branch, stood a naked brown baby who could just walk-as soft and as dimpled a little atom as ever came to a wolf's cave at night. He looked up into Father Wolf's face, and laughed. "Is that a man's cub?" said Mother Wolf. "I have never seen one. Bring it here." A Wolf accustomed to moving his own cubs can, if necessary, mouth an egg without breaking it, and though Father Wolf's jaws closed right on the child's back not a tooth even scratched the skin as he laid it down among the cubs. "How little! How naked, and-how bold!" said Mother Wolf softly. The baby was pushing his way between the cubs to get close to the warm hide. "Ahai! He is taking his meal with the others. And so this is a man's cub. Now, was there ever a wolf that could boast of a man's cub among her children?" "I have heard now and again of such a thing, but never in our Pack or in my time," said Father Wolf. "He is altogether without hair, and I could kill him with a touch of my foot. But see, he looks up and is not afraid." The moonlight was blocked out of the mouth of the cave, for Shere Khan's great square head and shoulders were thrust into the entrance. Tabaqui, behind him, was squeaking: "My lord, my lord, it went in here!" "Shere Khan does us great honor," said Father Wolf, but his eyes were very angry. "What does Shere Khan need?" "My quarry. A man's cub went this way," said Shere Khan. "Its parents have run off. Give it to me."

Under the Banyan Tree and Other Stories

'The best business book I've ever read.' Bill Gates, Wall Street Journal 'The Michael Lewis of his day.' New York Times What do the \$350 million Ford Motor Company disaster known as the Edsel, the fast and incredible rise of Xerox, and the unbelievable scandals at General Electric and Texas Gulf Sulphur have in common? Each is an example of how an iconic company was defined by a particular moment of fame or notoriety. These notable and fascinating accounts are as relevant today to understanding the intricacies of corporate life as they were when the events happened. Stories about Wall Street

are infused with drama and adventure and reveal the machinations and volatile nature of the world of finance. John Brooks's insightful reportage is so full of personality and critical detail that whether he is looking at the astounding market crash of 1962, the collapse of a well-known brokerage firm, or the bold attempt by American bankers to save the British pound, one gets the sense that history really does repeat itself. This business classic written by longtime New Yorker contributor John Brooks is an insightful and engaging look into corporate and financial life in America.

Just So Stories (World Classics, Unabridged)

Focusing on significant and cutting-edge preoccupations within children's literature scholarship, *The Routledge Companion to Children's Literature and Culture* presents a comprehensive overview of print, digital, and electronic texts for children aged zero to thirteen as forms of world literature participating in a panoply of identity formations. Offering five distinct sections, this volume: Familiarizes students and beginning scholars with key concepts and methodological resources guiding contemporary inquiry into children's literature Describes the major media formats and genres for texts expressly addressing children Considers the production, distribution, and valuing of children's books from an assortment of historical and contemporary perspectives, highlighting context as a driver of content Maps how children's texts have historically presumed and prescribed certain identities on the part of their readers, sometimes addressing readers who share some part of the author's identity, sometimes seeking to educate the reader about a presumed "other," and in recent decades increasingly foregrounding identities once lacking visibility and voice Explores the historical evolutions and trans-regional contacts and (inter)connections in the long process of the formation of global children's literature, highlighting issues such as retranslation, transnationalism, transculturality, and new digital formats for considering cultural crossings and renegotiations in the production of children's literature Methodically presented and contextualized, this volume is an engaging introduction to this expanding and multifaceted field.

Tales of Ancient India

Traditional Indian lore through the eyes of two artists. "Their collaboration is nothing short of phenomenal. The illustrations take you into another world." —Medium A shape-shifting tiger and a pretentious rat. A generous goddess and a powerful demon. A clever princess and a prince who returns from the dead. This collection of sixteen traditional tales transports readers to the beguiling world of Indian folklore. Transcribed by Indian and English folklorists in the nineteenth century, these stories brim with wit and magic. Fans of fairy tales will encounter familiar favorites—epic quests and talking animals—alongside delightful surprises—an irreverent sense of humor and an array of bold, inspiring heroines. Each tale in this ebook comes alive alongside exquisite artwork by a pair of contemporary Indian artists.

Indian Children's Favorite Stories

As rich and varied as India itself, these accounts bring to the reader the Indian perspective on the British Raj. Included are the memories and experiences of more than fifty Indian men and women who worked under the British, made friends with them, and then fought to throw them out. They describe the role of apprentice under the sahibs, the complex racial barriers that divided the rulers from the ruled, the Western education which eventually encouraged rebellion, and the ways in which liberal British political arguments were turned against the Raj by nationalist campaigns to force the British to quit India.

Business Adventures

This collection brings together seventeen of Kipling's early stories, written between 1885 and 1888, when Kipling was working as a journalist in India. Wry comedies of British officialdom alternate with glimpses into the harsh lives of the common soldiers and the Indian poor, revealing Kipling's legendary powers of observation and, in 'Baa Baa, Black Sheep' his own miserable childhood. From

Mrs Hauksbee's Simla drawing-room to Mulvaney's cot in barracks, to the wild hills of Kafiristan, Kipling re-creates the India he knew in stories by turns ironic and sentimental, compassionate and bitter, displaying the brilliance that has captivated readers for over a century. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Routledge Companion to Children's Literature and Culture

In "the very best book about Hindu mythology that anyone has ever written" (The New Republic) Calasso plunges Western readers into the mind of ancient India. He begins with a mystery: Why is the most important god in the Rg Veda, the oldest of India's sacred texts, known by a secret name—"Ka," or Who? What ensues is not an explanation, but an unveiling. Here are the stories of the creation of mind and matter; of the origin of Death, of the first sexual union and the first parricide. We learn why Siva must carry his father's skull, why snakes have forked tongues, and why, as part of a certain sacrifice, the king's wife must copulate with a dead horse. A tour de force of scholarship and seduction, Ka is irresistible.

Tales of India

No ordinary collection of tales, this anthology was the result of extensive research that led Shah to conclude that there is a certain basic fund of human fictions which recur again and again throughout the world and never seem to lose their compelling attraction. This special paperback version of World Tales concentrates on the essentials, the text of the stories, and omits the illustrations which were part of a previous edition.
