A wise man makes his own decisions, an ignorant man follows the public opinion.
same as climbing a tree to catch a fish.
Better to light a candle than to curse the darkness.
If you've done nothing wrong, you shouldn't worry about devils
A man who chases two rabbits catches neither.
If you want happiness for a lifetime - help someone else.

Intro

To overcome a desperate situation, make a complete turn in one sudden burst.

Overtaken water doesn't return to the tray.

The smart hawk hides its talons..

A kite breeding a hawk.

Entering the village, obey the village.

The eyes are the mirror of the soul.

Giving birth to a baby is easier than worrying about it.

As the cherry blossom is considered foremost among flowers, so the warrior is foremost among men.

Good medicine is bitter to the mouth.

Early rising benefits you three pence.

Wisdom gotten from age is better than the shell of a tortoise.

One blind man leads the crowd.

Time flies like an arrow.

The winds of tomorrow will blow tomorrow.

One man's fault is another's lesson.

The mouth is the origin of disasters.

A journey of a thousand miles begins with a single step

Child of a frog is a frog.

Don't let your daughter-in-law eat your autumn eggplants.

Poke a bush, a snake comes out.

With the first glass a man drinks wine, with the second glass the wine drinks the wine, with the third glass the wine drinks the man.

The neighbour's lawn is always greener.

Drunken life, dreamy death.

Meeting is the beginning of parting.

Strength is weakness.

After the rain, the earth hardens.

Repentance never comes first

A bad wife spells a hundred years of bad harvest.
