A Year in the Country

This is a book about Christmas. But it's also a book about belonging, connection, self-care, joy and ordinary magic. *Calm Christmas* and *a Happy New Year* offers inspiration for a new kind of holiday season - one where you radiate calm and cultivate delight. Spanning late November to early January, *Calm Christmas* embraces the festive build-up, the celebrations and the turn of the year in a holistic, nurturing way. Beth Kempton will whisk you away from the frenetic energy of the high street and invite you to come sit awhile by the fire, pausing to explore what a more mindful festive season could mean for you. Full of personal stories, tips and advice for slowing down, staying calm and connecting with others, it offers a welcome retreat from the pressure to create 'the perfect Christmas'. At its heart *Calm Christmas* is about a book about wellbeing in winter, which will encourage you to use this time of natural hibernation to germinate new dreams and nurture a beautiful life in the year ahead. Instead of entering January exhausted, further in debt, and already regretting broken resolutions, you will begin the New Year with precious memories, feeling rested, rejuvenated and inspired. This atmospheric book will lead you through the darkness of winter, back to the enchantment of an authentic and meaningful Christmas and New Year.

"Mix in one part Diane Mott -Davidson's delightful culinary adventures with several tablespoons of Jan Karon's country living and quirky characters, bake at 350 degrees for one rich and warm romance."
--Library Journal A full-hearted novel about a big-city baker who discovers the true meaning of home—and that sometimes the best things are found when you didn't even know you were looking. When Olivia Rawlings—pastry chef extraordinaire for an exclusive Boston dinner club—sets not just her flambéed dessert but the entire building alight, she escapes to the most comforting place she can think of—the idyllic town of Guthrie, Vermont, home of Bag Balm, the country's longest-running contra dance, and her best friend Hannah. But the getaway turns into something more lasting when Margaret Hurley, the cantankerous, sweater-set-wearing owner of the Sugar Maple Inn, offers Livvy a job. Broke and knowing that her days at the club are numbered, Livvy accepts. Livvy moves with her larger-than-life, uberenthusiastic dog, Salty, into a sugarhouse on the inn's property and begins creating her mouthwatering desserts for the residents of Guthrie. She soon uncovers the real reason she has been hired—to help Margaret reclaim the inn's blue ribbon status at the annual county fair apple pie contest. With the joys of a fragrant kitchen, the sound of banjos and fiddles being tuned in a barn, and the crisp scent of the orchard just outside the front door, Livvy soon finds herself immersed in small town life. And when she meets Martin McCracken, the Guthrie native who has returned from Seattle to tend his ailing father, Livvy comes to understand that she may not be as alone in this world as she once thought. But then another new arrival takes the community by surprise, and Livvy must decide whether

to do what she does best and flee—or stay and finally discover what it means to belong. Olivia Rawlings may finally find out that the life you want may not be the one you expected—it could be even better
