Schaum's Outline of French Grammar

At last, a guide that explains points of French grammar and structure simply, then clarifies each with concrete examples. The examples use the language of real-life situations. This new edition also makes difficult topics, like the difference between mood and tense, even easier to understand. Numerous fill-in-the-blank and other exercises with delayed answers help cut down the time it takes readers to gain proficiency and confidence communicating in French.

Schaum's Outline of French Grammar

Master French vocabulary and ace your exams with Schaum's, the easy-to-follow guide that pumps up your language skills and reduces study time. The answered exercises will sharpen your test skills and result in a larger vocabulary, faster learning curves, and higher grades. Divided into units that are organized by theme—travel, services, and entertainment, to name a few—this outline puts the information you really need at your fingertips. Schaum's Outline of French Vocabulary is a comprehensive study guide that can be used with any textbook... but it's so complete it's ideal for independent study!

Schaum's Outline of German Grammar, 5th Edition

This 1999 reference grammar, written for advanced students of French, their teachers, and others who want a better understanding of the French language, combines the best of modern and traditional approaches. Its objective is not only practical mastery of the language, but familiarity with its structure. Taking into account modern linguistic research, Advanced French Grammar approaches the French language primarily through the study of syntactic structures, but without excessive emphasis on formalism. It provides a generous number of examples, based on the author's own experience of teaching French to English-speakers, to help the student to understand the different meanings of apparently similar syntactic alternatives. The norms of 'correct expression' are given together with current usage and deviations, and appendixes provide information on the 1990 spelling reforms and on numbers. A substantial index of French and English words and of topics provides easy access to the text itself.

Schaum's Outline of French Vocabulary, 3ed

Tough Test Questions? Missed Lectures? Not Enough Time? Fortunately, there's Schaum's. More than 40 million students have trusted Schaum's to help them succeed in the classroom and on exams. Schaum's is the key to faster learning and higher grades in every subject. Each Outline presents all the essential course information in an easy-to-follow, topic-by-topic format. Advanced French Grammar

A classic Schaum's bestseller, thoroughly updated to meet the emphasis in current courses. The ideal grammar review with clear, logical explanations that will build linguistic competency for the hundreds of thousands of college and Senior school students who enroll in Spanish language courses.

Schaum's Outline of German Grammar, Sixth Edition

(abridged and revised) This reference grammar offers intermediate and advanced students a reasonably comprehensive guide to the morphology and syntax of educated speech and plain prose in Spain and Latin America at the end of the twentieth century. Spanish is the main, usually the sole official language of twenty-one countries,} and it is set fair to overtake English by the year 2000 in numbers 2

of native speakers. This vast geographical and political diversity ensures that Spanish is a good deal less unified than French, German or even English, the latter more or less internationally standardized according to either American or British norms. Until the 1960s, the criteria of internationally correct Spanish were dictated by the Real Academia Espanola, but the prestige of this institution has now sunk so low that its most solemn decrees are hardly taken seriously - witness the fate of the spelling reforms listed in the *Nuevas normas de prosodia y ortografia*, which were supposed to come into force in all Spanish-speaking countries in 1959 and, nearly forty years later, are still selectively ignored by publishers and literate persons everywhere. The fact is that in Spanish 'correctness' is nowadays decided, as it is in all living languages, by the consensus of native speakers; but consensus about linguistic usage is obviously difficult to achieve between more than twenty independent, widely scattered and sometimes mutually hostile countries. Peninsular Spanish is itself in flux.

Schaum's Outline of Calculus, 5ed

Confusing Textbooks? Missed Lectures? Not Enough Time? Fortunately for you, there's Schaum's Outlines. Schaum's Outline of Italian Grammar, Third Edition

A Frequency Dictionary of French is an invaluable tool for all learners of French, providing a list of the 5000 most frequently used words in the language. Based on a 23-million-word corpus of French which includes written and spoken material both from France and overseas, this dictionary provides the user with detailed information for each of the 5000 entries, including English equivalents, a sample sentence, its English translation, usage statistics, and an indication of register variation. Users can access the top 5000 words either through the main frequency listing or through an alphabetical index. Throughout the frequency listing there are thematically-organized lists of the top words from a variety of key topics such as sports, weather, clothing, and family terms. An engaging and highly useful resource, the Frequency Dictionary of French will enable students of all levels to get the most out of their study of French vocabulary. Deryle Lonsdale is Associate Professor in the Linguistics and English Language Department at Brigham Young University (Provo, Utah). Yvon Le Bras is Associate Professor of French and Department Chair of the French and Italian Department at Brigham Young University (Provo, Utah).

Physics of Light and Optics (Black & White)

The third edition of this highly acclaimed undergraduate textbook is suitable for teaching all the mathematics for an undergraduate course in any of the physical sciences. As well as lucid descriptions of all the topics and many worked examples, it contains over 800 exercises. New stand-alone chapters give a systematic account of the 'special functions' of physical science, cover an extended range of practical applications of complex variables, and give an introduction to quantum operators. Further tabulations, of relevance in statistics and numerical integration, have been added. In this edition, half of the exercises are provided with hints and answers and, in a separate manual available to both students and their teachers, complete worked solutions. The remaining exercises have no hints, answers or worked solutions and can be used for unaided homework; full solutions are available to instructors on a password-protected web site, www.cambridge.org/9780521679718.

A New Reference Grammar of Modern Spanish

Revision of: Schaum's outline of theory and problems of linear algebra / Seymour Lipschutz. 3rd ed. 2002.

Schaum's Outline of Spanish Grammar

A few years ago, a magazine sponsored a contest for the comment most likely to end a conversation. The winning entry? "I teach English grammar." Just throw that line out at a party; everyone around you will clam up or start saying "whom." Why does grammar make everyone so nervous? Probably because English teachers, for decades – no, for centuries – have been making a big deal out of grammar in

classrooms, diagramming sentences and drilling the parts of speech, clauses, and verbals into students until they beg for mercy. Happily, you don't have to learn all those technical terms of English grammar – and you certainly don't have to diagram sentences – in order to speak and write correct English. So rest assured – English Grammar For Dummies will probably never make your English teacher's top-ten list of must-read books, because you won't have to diagram a single sentence. What you will discover are fun and easy strategies that can help you when you're faced with such grammatical dilemmas as the choice between "I" and "me," "had gone" and "went," and "who" and "whom." With English Grammar For Dummies, you won't have to memorize a long list of meaningless rules (well, maybe a couple in the punctuation chapter!), because when you understand the reason for a particular word choice, you'll pick the correct word automatically. English Grammar For Dummies covers many other topics as well, such as the following: Verbs, adjectives, and adverbs – oh my! Preposition propositions and pronoun pronouncements Punctuation: The lowdown on periods, commas, colons, and all those other squiggly marks Possession: It's nine-tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences (like this one) Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in everyday situations, such as writing a paper for school, giving a presentation to your company's big wigs, or communicating effectively with your family. You will not only gain the confidence in knowing you're speaking or writing well, but you'll also make a good impression on those around you!

A Frequency Dictionary of French

Managerial economics, meaning the application of economic methods in the managerial decision-making process, is a fundamental part of any business or management course. This textbook covers all the main aspects of managerial economics: the theory of the firm; demand theory and estimation; production and cost theory and estimation; market structure and pricing; game theory; investment analysis and government policy. It includes numerous and extensive case studies, as well as review questions and problem-solving sections at the end of each chapter. Nick Wilkinson adopts a user-friendly problem-solving approach which takes the reader in gradual steps from simple problems through increasingly difficult material to complex case studies, providing an understanding of how the relevant principles can be applied to real-life situations involving managerial decision-making. This book will be invaluable to business and economics students at both undergraduate and graduate levels who have a basic training in calculus and quantitative methods.

Introductory Functional Analysis with Applications

Designed for both undergraduate and postgraduate students of mechanical, aerospace, chemical and metallurgical engineering, this compact and well-knitted textbook provides a sound conceptual basis in fundamentals of combustion processes, highlighting the basic principles of natural laws. In the initial part of the book, chemical thermodynamics, kinetics, and conservation equations are reviewed extensively with a view to preparing students to assimilate quickly intricate aspects of combustion covered in later chapters. Subsequently, the book provides extensive treatments of 'pre-mixed laminar flame', and 'gaseous diffusion flame', emphasizing the practical aspects of these flames. Besides, liquid droplet combustion under quiescent and convective environment is covered in the book. Simplified analysis of spray combustion is carried out which can be used as a design tool. An extensive treatment on the solid fuel combustion is also included. Emission combustion systems, and how to control emission from them using the latest techniques, constitute the subject matter of the final chapter. Appropriate examples are provided throughout to foster better understanding of the concepts discussed. Chapter-end review questions and problems are included to reinforce the learning process of students.

Schaum's Outline of German Grammar, 4ed

The authors have revised and updated this bestseller to include both the Oracle8i and new Oracle9i Internet-savvy database products.

Petrol: 1.2 litre (1198cc) 3-cyl & 1.4 litre (1390cc, non-FSI) 4-cyl. Does NOT cover 1.4 litre FSI engines. Diesel: 1.4 litre (1422cc) 3-cyl & 1.9 litre (1896cc) 4-cyl, inc. PD TDI / turbo.

VW Polo Hatchback Petrol Service and Repair Manual

Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a

variety of areas have authored individual chapters. Contributing Authors David S. Bright, Wright State University Anastasia H. Cortes, Virginia Tech University Eva Hartmann, University of Richmond K. Praveen Parboteeah, University of Wisconsin-Whitewater Jon L. Pierce, University of Minnesota-Duluth Monique Reece Amit Shah, Frostburg State University Siri Terjesen, American University Joseph Weiss, Bentley University Margaret A. White, Oklahoma State University Donald G. Gardner, University of Colorado-Colorado Springs Jason Lambert, Texas Woman's University Laura M. Leduc, James Madison University Joy Leopold, Webster University Jeffrey Muldoon, Emporia State University James S. O'Rourke, University of Notre Dame

VW Polo and Derby Owners Workshop Manual

Service to Volkswagen owners is of top priority to the Volkswagen organization and has always included the continuing development and introduction of new and expanded services. Whether you're a professional or a do-it-yourself Volkswagen owner, this manual will help you understand, care for, and repair your Volkswagen. Volkswagen New Beetle Although the do-it-yourself Volkswagen owner will find this manual indispensable as a source of theory of operation and step-by-step maintenance and repair information, the Volkswagen owner who has no intention of working on his or her car will find that reading and owning this manual will make it possible to discuss repairs more intelligently with a professional technician. Engines covered: * 1.8L turbo gasoline (engine code: APH, AWV, AWP, BKF, BNU) * 1.9L TDI diesel (engine code: ALH, BEW) * 2.0L gasoline (engine code: AEG, AVH, AZG, BDC, BEV, BGD) * 2.5L gasoline (engine code: BPR, BPS) Transmissions covered: * 02J 5-speed manual * 02M 5- and 6-speed manual * 0A4 5-speed manual * 01M 4-speed automatic * 09G 6-speed automatic * 02E 6-speed direct shift gearbox (DSG)

Volkswagon Polo.

In spite of all the assistance offered by electronic control systems, the latest generation of passenger car chassis still relies on conventional chassis elements. With a view towards driving dynamics, this book examines these conventional elements and their interaction with mechatronic systems. First, it describes the fundamentals and design of the chassis and goes on to examine driving dynamics with a particularly practical focus. This is followed by a detailed description and explanation of the modern components. A separate section is devoted to the axles and processes for axle development. With its revised illustrations and several updates in the text and list of references, this new edition already includes a number of improvements over the first edition.

VW Polo Petrol & Diesel Service & Repair Manual

Kory was having enough trouble in high school. His girlfriend just dumped him, his poetry made him a target for ridicule, and college applications were looming. The very last thing he needed was to fall in love with another boy. Waterways is the complete novel from award-winning author Kyell Gold that includes his beloved story "Aquifers". Join Kory as his feelings and faith collide, washing away the life he knew. His brother Nick, friends Samaki and Malaya, and Father Joe are there to help, but it's Kory who has to navigate the thrills and perils of the new waterways that make up his life. At stake? Nothing much -- just a chance at true love and happiness. And he still has to graduate from high school...

VW Polo Owners Workshop Manual

A service and repair manual for the Land Rover series II, IIA & III.

VW Polo Owners Workshop Manual ...

Drawing on rich empirical material, this revealing book builds up a critical theory, arguing that brands have become an important tool for transforming everyday life into economic value. When branding lifestyles or value complexes onto their products, companies assume that consumers desire products for their ability to give meaning to their lives. Yet, brands also have a key function within managerial strategy. Examining the history of audience and market research, marketing thought and advertising strategy; the first part of this book traces the historical development of branding, whilst the second part evaluates new media, contemporary management and overall media economics to present the first systematic theory of brands: the brand as a key institution in information capitalism. It includes chapters on: consumption marketing brand management online branding the brand as informational capital. Richly illustrated with case studies from market research, advertising, shop displays, mobile

phones, the internet and virtual companies, this outstanding book is essential reading for students and researchers of the sociology of media, cultural studies, advertising and consumer studies and marketing.

Principles of Management

The two volumes of this Volkswagen Official Factory Repair Manual present the service and repair information for Volkswagen EuroVan, EuroVan MultiVan (including Weekender), and EuroVan CV Camper (commonly known as the Westfalia camper) models sold in the USA and Canada. Engines covered: * 2.8 Liter VR6 gasoline (engine code AES) * 2.5 Liter 5-cylinder gasoline (engine code AAF, ACU) * 2.4 Liter diesel (engine code AAB) Transmissions covered: * 02B and 02G 5-speed manual transmissions * 098 and 01P 4-speed automatic transmissions

Vw Golf Petrol & Diesel - (09 - 12) 58 to 62

"A real world tool for helping develop effective marketing strategies and plans." -- Dennis Dunlap, Chief Executive Officer, American Marketing Association "For beginners and professionals in search of answers." -- Stephen Joel Trachtenberg, President Emeritus and University Professor of Public Service, The George Washington University "A 'must read' for every business major and corporate executive." -- Clarence Brown, former Acting Secretary, U.S. Department of Commerce

The Biggest Companies. The Boldest Campaigns. THE BEST INSIDER'S GUIDE ON THE MARKET. The most comprehensive book of its kind, **The Big Book of Marketing** is the definitive resource for marketing your business in the twenty-first century. Each chapter covers a fundamental aspect of the marketing process, broken down and analyzed by the greatest minds in marketing today. For the first time ever, 110 experts from the world's most successful companies reveal their step-by-step strategies, proven marketing tools, and tricks of the trade—fascinating, exclusive, real-world case studies from an all-star roster of companies, including: ACNielsen * Alcoa * American Express * Amtrak * Antimicrobial * Technologies Group * APL Logistics * Arnold * AT&T * Atlas Air * Bloomingdale's * BNSF * Boeing * Bristol-Myers Squibb * Burson-Marsteller * BzzAgent * Carastar * Cargill * Carnival * Coldwell Banker * Colgate-Palmolive * Colonial Pipeline * Con-way * Costco * Dean Foods * Discovery Communications * Drafftcb * DSC Logistics * DuPont * Edelman * ExxonMobil * Fabri-Kal * FedEx Trade Networks * Fleishman-Hillard * Ford * Frito-Lay * GE * Greyhound * Hair Cuttery * Hilton * HOLT CAT * IBM * Ingram Barge * Ingram Micro * International Paper * John Deere * Kimberly-Clark * Kodak * Kraft * L.L.Bean * Landor * Long Island Rail Road * Lulu.com * Mars * MCC * McCann * McDonald's * McKesson * Nationals * NCR * New York Times * Nordstrom * Ogilvy Action * OHL * 1-800Flowers.com * Overseas Shipholding Group * Owens Illinois * P & G * Papa John's * Paramount Pictures * Patagonia * PepsiCo * Pfizer * Porter Novelli * RAPP * Ritz-Carlton * Safeway * Saks Fifth Avenue * Sara Lee * SC Johnson * Sealed Air * Sears * Silgan * Skyhook * Snap-on Tools * Southwest * Sports and Leisure * ResearchGroup * Staples * Stoner * Supervalu * Synovate * Tanimura & Antle * TBWA * Tenet Healthcare * Texas Instruments * 3M * ToysRUs * Trader Joe's * Tupperware * Under Armour * United Airlines * United Stationers * Verizon * VISA * Weyerhaeuser * Wilson Sporting Goods * Wunderman * Xerox * Y&R * Zappos.com

No matter what business you're in--from retail and manufacturing to service and nonprofit--**The Big Book of Marketing** offers the most practical, hands-on advice you'll ever find . . . from the best in the business. Anthony G. Bennett taught marketing at Georgetown University. With three decades of experience in the field, he has held a variety of key marketing positions at Fortune 500 companies, including AT&T and others. He resides in McLean, Virginia.

The impetus to publish a Handbook of Diesel change, development work continues to concentrate Engines grew out of ruminations on Rudolf Diesel's on reducing fuel consumption and utilizing alternative transformation of his idea for a rational heat engine fuels while keeping exhaust

as clean as possible as well into reality more than 100 years ago. Once the patent as further increasing diesel engine power density and was filed in 1892 and work on his engine commenced enhancing operating performance.

Chassis Handbook

'A stimulating, elegant yet pugnacious essay'—Observer In this highly acclaimed seminal work, Edward Said surveys the history and nature of Western attitudes towards the East, considering Orientalism as a powerful European ideological creation—a way for writers, philosophers and colonial administrators to deal with the 'otherness' of Eastern culture, customs and beliefs. He traces this view through the writings of Homer, Nerval and Flaubert, Disraeli and Kipling, whose imaginative depictions have greatly contributed to the West's romantic and exotic picture of the Orient. In the Afterword, Said examines the effect of continuing Western imperialism.

Waterways

An updated edition of the classic reference on the dynamics of road and off-road vehicles As we enter a new millennium, the vehicle industry faces greater challenges than ever before as it strives to meet the increasing demand for safer, environmentally friendlier, more energy efficient, and lower emissions products. Theory of Ground Vehicles, Third Edition gives aspiring and practicing engineers a fundamental understanding of the critical factors affecting the performance, handling, and ride essential to the development and design of ground vehicles that meet these requirements. As in previous editions, this book focuses on applying engineering principles to the analysis of vehicle behavior. A large number of practical examples and problems are included throughout to help readers bridge the gap between theory and practice. Covering a wide range of topics concerning the dynamics of road and off-road vehicles, this Third Edition is filled with up-to-date information, including: * The Magic Formula for characterizing pneumatic tire behavior from test data for vehicle handling simulations * Computer-aided methods for performance and design evaluation of off-road vehicles, based on the author's own research * Updated data on road vehicle transmissions and operating fuel economy * Fundamentals of road vehicle stability control * Optimization of the performance of four-wheel-drive off-road vehicles and experimental substantiation, based on the author's own investigations * A new theory on skid-steering of tracked vehicles, developed by the author.

Sustainable Energy

Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.

Land Rover Series II, IIA and III

In this weaving of radical political economy, *Omnia Sunt Communia* sets out the steps to postcapitalism. By conceptualising the commons not just as common goods but as a set of social systems, Massimo De Angelis shows their pervasive presence in everyday life, mapping out a strategy for total social transformation. From the micro to the macro, De Angelis unveils the commons as fields of power relations – shared space, objects, subjects – that explode the limits of daily life under capitalism. He exposes attempts to co-opt the commons, through the use of code words such as 'participation' and 'governance', and reveals the potential for radical transformation rooted in the reproduction of our communities, of life, of work and of society as a whole.

Brands

Presents a practical but unusual guide to mastering food and cooking featuring recipes and cooking tricks from world-renowned chefs.

Volkswagen EuroVan Repair Manual 1992-1999

You can see them, but you don't know them. Ultras are football fans like no others. A hugely visible and controversial part of the global game, their credo and aesthetic replicated in almost every league everywhere on earth, a global movement of extreme fandom and politics is also one of the largest youth movements in the world. Yet they remain unknown: an anti-establishment force that is transforming both football and politics. In this book, James Montague goes underground to uncover the true face of this dissident force for the first time. 1312: Among the Ultras tells the story of how the movement began

and how it grew to become the global phenomenon that now dominates the stadiums from the Balkans and Buenos Aires. With unprecedented insider access, the book investigates how ultras have grown into a fiercely political movement, embracing extremes on both the left and right; fighting against the commercialisation of football and society – and against the attempts to control them by the authorities, who both covet and fear their power.

Air Conditioning Service Manual

In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

The Big Book of Marketing

An extensive process of market research & product development has formed the basis for this new edition. It covers all of the underlying concepts, processes of development & analytical methods of corporate strategy within a variety of organisations.

Handbook of Diesel Engines

"What corporations fear most are consumers who ask questions. Naomi Klein offers us the arguments with which to take on the superbrands." Billy Bragg from the bookjacket.

Orientalism

No lavatory is complete without a Profanisaurus! After all, what else could you read whilst you're sitting on the 'chod bin' trying not to 'breach the hull' or commit a 'Wee-Harvey Oswald'? Don't know the difference between 'stabbing the cat' and 'feeding the ducks'? Don't know when to take a 'monkey's fag break? You need Roger's Profanisaurus - the ultimate in schoolboy humour (that is definitely not for children). Roger Mellie presents this updated dictionary of swearing that gives a hilarious new angle to many previously innocently-used words. New vastly expanded edition. Completely revised and updated. An entertaining glossary of vulgarity, expletives, colourful obscenity and downright filth; Ideal for use in the home and office

Australasian Anaesthesia 2019

The #1 New York Times Bestseller An Entertainment Weekly Top Ten Book of the Year Now a Major Motion Picture This is the true story of a boy who wanted to grow up with the Brady Bunch, but ended up living with the Addams Family. Augusten Burroughs's mother gave him away to be raised by her psychiatrist, a dead ringer for Santa Claus and a certifiable lunatic into the bargain. The doctor's bizarre family, a few patients and a sinister man living in the garden shed completed the tableau. In the perfect squalor of their dilapidated Victorian house, there were no rules and there was no school. The Christmas tree stayed up until summer and Valium was chomped down like sweets. And when things got a bit slow, there was always the ancient electroshock therapy machine under the stairs... 'This is the Brady Bunch on Viagra... it is impossible not to laugh at all the jokes; to admire the sardonic, fetid tone; to wonder, slack-jawed and agog, at the sheer looniness of the vista he conjures up' -- Rachel Cooke, Observer

Theory of Ground Vehicles

This one-stop Mega Reference eBook brings together the essential professional reference content from leading international contributors in the automotive field. An expansion the Automotive Engineering print edition, this fully searchable electronic reference book of 2500 pages delivers content to meet all the main information needs of engineers working in vehicle design and development. Material ranges from basic to advanced topics from engines and transmissions to vehicle dynamics and modelling. * A fully searchable Mega Reference Ebook, providing all the essential material needed by Automotive Engineers on a day-to-day basis. * Fundamentals, key techniques, engineering best practice and

rules-of-thumb together in one quick-reference. * Over 2,500 pages of reference material, including over 1,500 pages not included in the print edition

Fast Food Nation

Saloon, Hatchback & Coupe, inc. G40 (supercharged) Coupe & special/limited editions. Does NOT cover revised Polo range introduced September 1994. Petrol: 1.05 litre (1043cc) & 1.3 litre (1272cc).

Ford Fiesta

Perhaps the most charismatic automobile ever, the Volkswagen Beetle was the longest-running, most-manufactured automobile on a single platform of all time. From 1938 to 2003, more than 21.5 million "Bugs" were assembled, distributed, and sold on nearly every continent in the world. Throughout the Beetle's successful run, many of these cars have been relegated to project car status due to their age or condition. Airkooled Kustoms, a VW restoration shop in Hazel Green, Alabama, brings its expertise in restoring these cars to book form with this all-encompassing compilation. Restoring your Beetle is covered through step-by-step sequences from unbolting that first nut through polishing the paint on your freshly restored Bug. The specialists at Airkooled Kustoms walk you through the proper disassembly methods, restoring versus replacing components, and reassembling your restored Bug, covering everything related to the body, undercarriage, and interior along the way. It's about time a thorough, hands-on restoration book has been authored by authorities who know the Beetle like the back of their hands. With this book, you will have everything you need to bring your old or new VW Beetle project back to life. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial; color: #000000}

Omnia Sunt Communia

This is a book on how to think and act like a photographer, culled from practical experience and from the lives of many fine photographers past and present.

The 4-hour Chef

With its emphasis on real world, manager-oriented applications, this text shows students how managers apply theories and techniques to analyse and solve real-world business problems.

1312: Among the Ultras

I sat before my tambour hoop but I did not sew. I thought of split lips, flying teeth and red blood on white linen. Born in a Bristol brothel at the end of the eighteenth century, Ruth Webber, her toe upon the scratch, is ready to face all comers. Lady Charlotte Sinclair, scarred with small pox and bullied by her boorish brother, is on the verge of smashing the bonds of convention that have held her for so long. George Bowden, without inheritance or title, is prepared to do whatever it takes to make his way in the world. Let the fight begin . . .

Maximum city

Winner Of The 2005 Kiriya Prize For Non-Fiction Suketu Mehta Left Bombay At The Age Of 14. Twenty-One Years Later He Returned To Rediscover The City. The Result Is This Stunning, Brilliantly Illuminating Portrait Of The Megalopolis And Its People-A Book, Seven Years In The Making, That Is As Vast, As Diverse, As Rich In Experience, Incident And Sensation As The City Itself. Extraordinary . . . The Best Book Yet Written About That Great, Ruined Metropolis -Salman Rushdie Like One Of Bombay S Teeming Chawls, Maximum City Is Part Nightmare And Part Millennial Hallucination, Filled With Detail, Drama And A Richly Varied Cast Of Characters. In His Quest To Plumb Both The Grimy Depths And Radiant Heights Of The Continent That Is Bombay, Suketu Mehta Has Taken Travel Writing To An Entirely New Level. This Is A Gripping, Compellingly Readable Account Of A Love Affair With A City: I Couldn T Put It Down -Amitav Ghosh Bombay Gets Its Boswell, His Chronicle As Sprawling And Enchanting As His Subject'-India Today A Seething, Rumbling, Deeply Compassionate Break-Dance Of A Book -Hindu Narrative Reporting At Its Finest, Probably The Best Work Of Nonfiction To Come

Out Of India In Recent Years . . . Mehta Succeeds So Brilliantly In Taking The Pulse Of This Riotous Urban Jungle -New York Times Book Review Mehta S Tales, Pounding Along In The Present Tense, Read Like A Modern Arabian Nights, Only Crueller, More Poignant, More Real. . .Part Memoir, Part Journalism, Part Travelogue, Maximum City Is A Tour De Force -The Times The Mother Of All Mumbai Books . . . Stunningly Written -Time Out Mumbai

Bombay maximum city

De retour à Bombay en 1998, après une absence de vingt et un ans, Suketu Mehta est frappé par les métamorphoses de la ville tant aimée de son enfance : il décide d'en aborder tous les extrêmes et pour commencer, celui des émeutes de 1992-1993 entre hindous et musulmans. Ce conflit le propulse au cœur des violences de la guerre des gangs pour le contrôle de la vie politique et économique de la cité, une guerre souvent orchestrée par des parrains mafieux installés à Dubaï ou au Pakistan. L'auteur prend le risque de nouer des liens personnels, avec à la fois des tueurs sans merci et des indicateurs de la police, pour mieux nous guider dans le labyrinthe du crime organisé au sein d'une ville corrompue. Parmi les myriades de personnages du livre, il y a Mona Lisa qui, après une enfance de misère à l'image de celle des millions de déshérités des bidonvilles de Bombay, est devenue une belle danseuse, une entraîneuse capiteuse qui, la nuit venue, enflamme les désirs des hommes dans les bars chauds de la ville ; certains soirs on y rencontre même Honey/Manoj " une femme née homme par erreur \

This Land Is Our Land

An impassioned defence of global immigration from the acclaimed author of Maximum City. Drawing on his family's own experience emigrating from India to Britain and America, and years of reporting around the world, Suketu Mehta subjects the worldwide anti-immigrant backlash to withering scrutiny. The West, he argues, is being destroyed not by immigrants but by the fear of immigrants. He juxtaposes the phony narratives of populist ideologues with the ordinary heroism of labourers, nannies and others, from Dubai to New York, and explains why more people are on the move today than ever before. As civil strife and climate change reshape large parts of the planet, it is little surprise that borders have become so porous. This Land Is Our Land also stresses the destructive legacies of colonialism and global inequality on large swathes of the world. When today's immigrants are asked, 'Why are you here?', they can justly respond, 'We are here because you were there.' And now that they are here, as Mehta demonstrates, immigrants bring great benefits, enabling countries and communities to flourish. Impassioned, rigorous, and richly stocked with memorable stories and characters, This Land Is Our Land is a timely and necessary intervention, and literary polemic of the highest order.

Bombay, Meri Jaan

When King Charles II Of England Married Princess Catherine De Braganza Of Portugal In 1661, He Received As Part Of His Dowry The Isles Of Bom Bahia, The Good Bay. Reclaimed From The Sea, These Would Become The Modern City Of Bombay. A Marriage Of Affluence And Abject Poverty, Where A Grey Concrete Jungle Is The Backdrop To A Heady Potpourri Of Ethnic, Linguistic And Religious Subcultures, Bombay, Renamed Mumbai After The Goddess Mumbadevi, Defies Definition. Bombay, Meri Jaan, Comprising Poems And Prose Pieces By Some Of The Biggest Names In Literature, In Addition To Cartoons, Photographs, A Song And A Bombay Duck Recipe, Tries To Capture The Spirit Of This Great Metropolis. Salman Rushdie, Pico Iyer, Dilip Chitre, Saadat Hasan Manto, V.S. Naipaul, Khushwant Singh And Busybee, Among Others, Write About Aspects Of The City: The High-Rise Apartments And The Slums; Camaraderie And Isolation In The Crowded Chawls; Bhelpuri On The Beach And Cricket In The Gully; The Women'S Compartment Of A Local Train; Encounter Cops Who Battle The Underworld; The Jazz Culture Of The Sixties; The Monsoon Floods; The Shiv Sena; The Cinema Halls; The Sea. Vibrant, Engaging And Provocative, This Is An Anthology As Rich And Varied As The City It Celebrates.

China Underground

An American's experiences of the traditions, changes, and subcultures of 21st-century China—"a seamless portrait of a complex modern society" (Publishers Weekly). Formerly a student in Beijing, Zachary Mexico returned to China in 2006 to chronicle the immense changes in Chinese society ushered as it joined the world's headlong rush into the future. Focusing on the Chinese of his generation, Zach journeys into the vibrant subcultures of the marginalized and outcast that exist alongside China's

centuries of tradition. Talking to such varied personalities as a mafia kingpin, a prostitute, and a wannabe rock star, Zach offers a unique perspective on the radical shifts in Chinese society. Finding individuals with fascinating stories, he delves into topics ranging from culture to politics to environmental issues and sexual mores. Readers will meet a closeted graphic designer; a self-taught disaster photographer; a struggling punk band; a ladies' man who can't stay in one place; and many more faces of this unique country. This is a remarkable portrayal of a country undergoing rapid-fire change in a place where timeless historical legacies still line the streets.

Reimagining India

"From the world's premier management consultancy McKinsey & Company, a comprehensive collection of essays by the brightest experts on what the new global elite needs to know about modern India"--

Karachi Vice

Karachi. Pakistan's largest city is a sprawling metropolis of 20 million people. It is a place of political turbulence in which those who have power wield it with brutal and partisan force, a place in which it pays to have friends in the right places and to avoid making deadly enemies. It is a society where lavish wealth and absolute poverty live side by side, and where the lines between idealism and corruption can quickly blur. It takes an insider to know where is safe, who to trust, and what makes Karachi tick, and in this powerful debut, Samira Shackle explores the city of her mother's birth in the company of a handful of Karachiites. Among them is Safdar the ambulance driver, who knows the city's streets and shortcuts intimately and will stop at nothing to help his fellow citizens. There is Parveen, the activist whose outspoken views on injustice corruption repeatedly lead her towards danger. And there is Zille, the hardened journalist whose commitment to getting the best scoops puts him at increasing risk. As their individual experiences unfold, so Shackle tells the bigger story of Karachi over the past decade: a period in which the Taliban arrive in Pakistan, adding to the daily perils for its residents and pushing their city into the international spotlight. Writing with intimate local knowledge and a global perspective, Shackle paints a nuanced and vivid portrait of one of the most complex, most compelling cities in the world.

Mumbai Fables

Starting from the catastrophic floods and terrorist attacks of recent years, Prakash reaches back to the sixteenth-century Portuguese conquest to reveal the stories behind Mumbai's historic journey. Examining Mumbai's role as a symbol of opportunity and reinvention, he looks at its nineteenth-century development under British rule and its twentieth-century emergence as a fabled city on the sea. Different layers of urban experience come to light as he recounts the narratives of the Nanavati murder trial and the rise and fall of the tabloid Blitz, and Mumbai's transformation from the red city of trade unions and communists into the saffron city of Hindu nationalist Shiv Sena. Starry-eyed planners and elite visionaries, cynical leaders and violent politicians of the street, land sharks and underworld dons jostle with ordinary citizens and poor immigrants as the city copes with the dashed dreams of postcolonial urban life and lurches into the seductions of globalization. --

The Inheritors

'Lyrical, deep, chilling, and prescient, this is a book we will be talking about for years to come.' - Justice Malala, author and commentator. South Africans face a reckoning: mourn a miracle nation that never came into being, fight on to give it birth, or make something else out of 1994's ashes? In *The Inheritors*, award-winning writer Eve Fairbanks tells the stories of ordinary people facing this stupendous question. These are the kinds of lives rarely examined in such depth: political activist Dipuo, her born-free daughter Malaika, and Christo, one of the last Afrikaner men drafted to fight for the apartheid regime. All three have to remake their own lives while facing the questions: what do I owe to my forebears, and what does history owe to me? They tell of the unresolved rage, generational guilt, and enduring hope that many South Africans struggle to speak aloud to themselves in private, let alone share. Observing subtle truths about power and inheritance, Fairbanks explores questions that preoccupy so many South Africans today: how can one let go of one's past? How should historical debts be paid? And how can a person live an honourable life in a society that – for better or worse – they no longer recognise?

Portrait with Keys: The City of Johannesburg Unlocked

A lyrical series of portrait-style observations considers the city's dynamic, day-to-day transformations through descriptions of such subjects as the use of manholes as cupboards by the homeless, a public statue that is slowly dismantled for scrap, and the ways in which the post-apartheid period has prompted a growth in local security efforts. Original.

Homeland Elegies

A NEW YORK TIMES, WASHINGTON POST AND ECONOMIST BOOK OF THE YEAR 'I read it in a fever, swept up in the kind of rapture you fall into when your most audacious friend kicks off on a hilarious, outrageous, but deeply sincere rant' Torrey Peters, Guardian Books of the Summer 'A beautiful novel about an American son and his immigrant father that has echoes of THE GREAT GATSBY' New York Times A deeply personal novel of identity and belonging in a nation coming apart at the seams, HOMELAND ELEGIES blends fact and fiction to tell an epic story of belonging and dispossession in the world that 9/11 made. Part family drama, part satire, part picaresque, at its heart it is the story of a father and son, and the country they call home. Ranging from the heartland towns of America to palatial suites in Europe to guerrilla lookouts in the mountains of Afghanistan, Akhtar forges a narrative voice that is original as it is exuberantly entertaining. This is a world in which debt has ruined countless lives and the gods of finance rule, where immigrants live in fear and the unhealed wounds of 9/11 continue to wreak havoc. HOMELAND ELEGIES is a novel written in love and anger, which spares no one, least of all the author himself.

The Spirit of Cities

A lively and personal book that returns the city to political thought Cities shape the lives and outlooks of billions of people, yet they have been overshadowed in contemporary political thought by nation-states, identity groups, and concepts like justice and freedom. The Spirit of Cities revives the classical idea that a city expresses its own distinctive ethos or values. In the ancient world, Athens was synonymous with democracy and Sparta represented military discipline. In this original and engaging book, Daniel Bell and Avner de-Shalit explore how this classical idea can be applied to today's cities, and they explain why philosophy and the social sciences need to rediscover the spirit of cities. Bell and de-Shalit look at nine modern cities and the prevailing ethos that distinguishes each one. The cities are Jerusalem (religion), Montreal (language), Singapore (nation building), Hong Kong (materialism), Beijing (political power), Oxford (learning), Berlin (tolerance and intolerance), Paris (romance), and New York (ambition). Bell and de-Shalit draw upon the richly varied histories of each city, as well as novels, poems, biographies, tourist guides, architectural landmarks, and the authors' own personal reflections and insights. They show how the ethos of each city is expressed in political, cultural, and economic life, and also how pride in a city's ethos can oppose the homogenizing tendencies of globalization and curb the excesses of nationalism. The Spirit of Cities is unreservedly impressionistic. Combining strolling and storytelling with cutting-edge theory, the book encourages debate and opens up new avenues of inquiry in philosophy and the social sciences. It is a must-read for lovers of cities everywhere. In a new preface, Bell and de-Shalit further develop their idea of "civicism," the pride city dwellers feel for their city and its ethos over that of others.

Love and Longing in Bombay

Set in contemporary India, Love and Longing in Bombay confirms Vikram Chandra as one of today's most exciting young writers. In five haunting tales he paints a remarkable picture of Bombay - its ghosts, its passions, its feuds, its mysteries - while exploring timeless questions of the human spirit. 'When Midnight's Children first arrived on the scene, it became necessary to reevaluate stories from and about India. With Vikram Chandra's collection - his second book - it is time to take stock again . . . Breathtaking.' Observer

Family Matters

Nariman Vakeel is a seventy-nine-year-old Parsi widower beset by Parkinson's disease and haunted by memories of the past. He lives with his two middle-aged step-children. When Nariman's illness is compounded by a broken ankle, he's forced to take up residence with his daughter Roxana, her husband Yezad and their two young sons. This new responsibility for Yezad, who is already besieged by financial worries, proves too much and pushes him into a scheme of deception - with devastating consequences. Wise and compassionate, Family Matters has all the richness, the gentle humour and the narrative sweep that have earned Rohinton Mistry the highest accolades. 'It is rare to discover a

novel in which the characters are so well drawn that you feel wrapped up in their problems, rather than just privy to them.' Independent on Sunday 'A brilliant novel from one of India's finest living novelists.' Observer

Planet India

From the award-winning author of "Motiba's Tattoos" comes a lively exploration of America's stake in India's gambit to transform itself from a developing country to a global powerhouse in record time.

Sacred Games

An enormously satisfying, exciting and enriching book, Vikram Chandra's novel draws the reader deep into the lives of detective Sartaj Singh and Ganesh Gaitonde, the most wanted gangster in India. Sartaj, the only Sikh inspector in the whole of Mumbai, is used to being identified by his turban, beard and the sharp cut of his trousers. But 'the silky Sikh' is now past forty, his marriage is over and his career prospects are on the slide. When Sartaj gets an anonymous tip off as to the secret hideout of the legendary boss of the G-company, he's determined that he'll be the one to collect the prize. This is a sprawling, epic novel of friendships and betrayals, of terrible violence, of an astonishing modern city and its underworld. Drawing on the best of Victorian fiction, mystery novels, Bollywood movies and Vikram Chandra's years of first hand research on the streets of Mumbai, this novel reads like a potboiling page-turner but resonates with the intelligence and emotional depth of the best of literature.

Dreamers

A delectable collection of writing on food and its place in our lives that brings together some of the most significant Indian voices over the last century. From lavish meals, modern diets and cooking lessons that serve as a rite of passage to fake fasts and real ones, fish, feni, and fiery meals that smack of revenge, this book has something to satisfy every palate. Gandhi's guilt-ridden account of his failed flirtation with eating meat starkly complements Ruchir Joshi's toast to the senses as he describes his characters discovering a truly alternative use for some perfectly innocent shrikhand. In unique gastronomic takes on history, Salman Rushdie, Amitav Ghosh and Saadat Hasan Manto ensure that we will never look at chutney, a Tibetan momo or jelly in quite the same way again.

A Matter of Taste

Celebrated urban theorist Davis provides a global overview of the diverse religious, ethnic, and political movements competing for the souls of the new urban poor.

Planet of Slums

In Hydraulic City Nikhil Anand explores the politics of Mumbai's water infrastructure to demonstrate how citizenship emerges through the continuous efforts to control, maintain, and manage the city's water. Through extensive ethnographic fieldwork in Mumbai's settlements, Anand found that Mumbai's water flows, not through a static collection of pipes and valves, but through a dynamic infrastructure built on the relations between residents, plumbers, politicians, engineers, and the 3,000 miles of pipe that bind them. In addition to distributing water, the public water network often reinforces social identities and the exclusion of marginalized groups, as only those actively recognized by city agencies receive legitimate water services. This form of recognition—what Anand calls "hydraulic citizenship"—is incremental, intermittent, and reversible. It provides residents an important access point through which they can make demands on the state for other public services such as sanitation and education. Tying the ways Mumbai's poorer residents are seen by the state to their historic, political, and material relations with water pipes, the book highlights the critical role infrastructures play in consolidating civic and social belonging in the city.

Hydraulic City

"A literary thrill ride operated by complex and memorable characters . . . a plot worthy of Philip K. Dick, William Gibson, and Martin Cruz Smith." The murder of a friend. Conspiracy on a global scale. A near-future, dystopic world run by corporations, where nothing is as it seems and everything is part of something else. Technology and everyday life are inseparable, and information is a weapon that can save your life--or kill you. Exiled to a damp Southeast Asian republic, journalist True Ailey relentlessly

searches the war-ravaged peninsula for the killers and the truth. *Virtually True*, by award-winning journalist Adam Penenberg, is a non-stop roller-coaster ride for the mind. Now boarding.

Virtually True

In twenty-first-century India, tradition is colliding with Western culture, a clash that touches the lives of everyday Indians from the wealthiest to the poorest. While ethnicity, class, and religion are influencing the nation's development, so too are pop culture and technology—an uneasy fusion whose impact is most evident in the institution of marriage. *Love and Marriage in Mumbai* introduces three couples whose relationships illuminate these sweeping cultural shifts in dramatic ways: Veer and Maya, a forward-thinking professional couple whose union is tested by Maya's desire for independence; Shahzad and Sabeena, whose desperation for a child becomes entwined with the changing face of Islam; and Ashok and Parvati, whose arranged marriage, made possible by an online matchmaker, blossoms into true love. Elizabeth Flock spent close to a decade getting to know these couples—listening to their stories and living in their homes, where she was privy to marital joy, inevitable frustration, dramatic upheaval, and whispered confessions and secrets. The result is a phenomenal feat of reportage that is both an enthralling portrait of a nation in the midst of transition and an unforgettable look at the universal mysteries of love and marriage that connect us all.

Love and Marriage in Mumbai

India is teeming with a young population that was born post-liberalisation, grew up with the internet, witnessed the advent of smartphones and social media, and is well-versed in the many dialects of a globalised pop culture. But when it comes to love and marriage, they're often disconcertingly expected to adhere to the orthodoxy of a bygone era. It's this conflict between the parallel paths of alleged tradition and mutinous modernity that drives journalist Mansi Choksi's *The Newlyweds*. Through vivid, lyrical prose, Choksi shines a light on three young couples who buck against patriarchy-approved arranged marriages in the pursuit of love, illustrating the challenges, triumphs and losses that await them. Zigzagging through India and its smorgasbord of cultures, each chock-full of its own unwritten commandments and sanctions, Choksi introduces our brave newlyweds. First, there's the lesbian couple forced to flee for a chance at a life together. Then there's the Hindu woman and Muslim man who escaped their families under the cover of night after being harassed by a violent militia group. Finally, there's the inter-caste couple doing everything to avoid the horrifying fate of a similar duo murdered for choosing to love. Engaging and moving, *The Newlyweds* raises universal questions such as what are we really willing to risk for love? If we're lucky enough to find it, does it change us? For the better? Or for the worse?

The Newlyweds

'City of Gold', 'Urbs Prima in Indis', 'Maximum City': no Indian metropolis has captivated the public imagination quite like Mumbai. The past decade has seen an explosion of historical writing on the city that was once Bombay. This book, featuring new essays by its finest historians, presents a rich sample of Bombay's palimpsestic pasts. It considers the making of urban communities and spaces, the workings of power and the nationalist makeover of the colonial city. In addressing these themes, the contributors to this volume engage critically with the scholarship of a distinguished historian of this frenetic metropolis. For over five decades, Jim Masselos has brought to life with skill and empathy Bombay's hidden histories. His books and essays have traversed an extraordinarily diverse range of subjects, from the actions of the city's elites to the struggles of its most humble denizens. His pioneering research has opened up new perspectives and inspired those who have followed in his wake. *Bombay Before Mumbai* is a fitting tribute to Masselos' enduring contribution to South Asian urban history.

Bombay Before Mumbai

The author describes how, after moving to New Jersey at the age of twelve, he returned to Calcutta to work for an English language newspaper, where he encountered a chaotic, living city unchanged by time.

The Epic City

This New York Times bestseller intimately depicts urban life in a gripping book that slips behind cold statistics and sensationalism to reveal the true sagas lurking behind the headlines of gangsta glamour.

In her extraordinary bestseller, Adrian Nicole LeBlanc immerses readers in the intricacies of the ghetto, revealing the true sagas lurking behind the headlines of gangsta glamour, gold-drenched drug dealers, and street-corner society. Focusing on two romances—Jessica's dizzying infatuation with a hugely successful young heroin dealer, Boy George, and Coco's first love with Jessica's little brother, Cesar—*Random Family* is the story of young people trying to outrun their destinies. Jessica and Boy George ride the wild adventure between riches and ruin, while Coco and Cesar stick closer to the street, all four caught in a precarious dance between survival and death. Friends get murdered; the DEA and FBI investigate Boy George; Cesar becomes a fugitive; Jessica and Coco endure homelessness, betrayal, the heartbreaking separation of prison, and, throughout it all, the insidious damage of poverty. Charting the tumultuous cycle of the generations—as girls become mothers, boys become criminals, and hope struggles against deprivation—LeBlanc slips behind the cold statistics and sensationalism and comes back with a riveting, haunting, and true story.

Random Family

This study was the first systematically to cover those cities beyond the core that most clearly can be considered world cities: Bangkok, Cairo, Hong Kong, Jakarta, Johannesburg, Mexico City, Moscow, Mumbai, Sao Paulo, Seoul, Shanghai, and Singapore. Fourteen leading authorities from diverse backgrounds bring their expertise to bear on these cities across four continents and consider the major regional and global roles they play in economic, political, and cultural life. Conveying how these cities have followed various pathways to their present position, they offer multiple perspectives on the interplay of internal and external forces and demonstrate that any comprehensive discussion of world cities has to engage a multiplicity of perspectives. With an introduction by Josef Gugler and an afterword from Saskia Sassen, this substantial volume makes a major contribution to the world cities literature and provides an important impetus for further analysis.

World Cities Beyond the West

"[A] sharply observed study . . . richly detailed portraits."—Economist Somini Sengupta emigrated from Calcutta to California as a young child in 1975. Returning thirty years later as the bureau chief for *The New York Times*, she found a vastly different country: one defined as much by aspiration and possibility—at least by the illusion of possibility—as it is by the structures of sex and caste. *The End of Karma* is an exploration of this new India through the lens of young people from different worlds: a woman who becomes a Maoist rebel; a brother charged for the murder of his sister, who had married the "wrong" man; a woman who opposes her family and hopes to become a police officer. Driven by aspiration—and thwarted at every step by state and society—they are making new demands on India's democracy for equality of opportunity, dignity for girls, and civil liberties. Sengupta spotlights these stories of ordinary men and women, weaving together a groundbreaking portrait of a country in turmoil.

The End of Karma: Hope and Fury Among India's Young

One team. One year. Everything to lose. When Rishabh Bala reaches the tenth standard, life takes a turn for the complicated. The bewildered boy feels the pressure of the looming board exams and finds himself hopelessly-and hormonally-in love. But what he yearns for most is victory on the field: at least one trophy with his beloved school football team. Set in the suburban Thane of 2006, here is a coming-of-age story that runs unique as it does familiar. Hopscotching from distracted classrooms and tired tutorials to triumphs and tragedies on muddy grounds, this is the journey of Rishabh and his friends from peak puberty to the cusp of manhood.

Red Card

"A publishing phenomenon" *Sunday Times* It took me a long time and most of the world to learn what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured. *Shantaram* is a novel based on the life of the author, Gregory David Roberts. In 1978 Roberts was sentenced to nineteen years imprisonment as punishment for a series of robberies of building-society branches, credit unions, and shops he had committed while addicted to heroin. In July 1980 he escaped from Victoria's maximum-security prison in broad daylight, thereby becoming one of Australia's most wanted men for what turned out to be the next ten years. For most of this period he lived in Bombay. He set up a free health clinic in the slums, acted in Bollywood movies, worked for the Bombay mafia as a forger, counterfeiter, and smuggler and, as a gun-runner, resupplied a unit of mujaheddin guerrilla fighters in Afghanistan. This is the setting of *Shantaram*. Apart

from having this highly unusual personal background, Greg Roberts is a very gifted writer. His book is a blend of vivid dialogue, unforgettable characters, amazing adventures, and superb evocations of Indian life. It can be read as a vast, extended thriller, as well as a superbly written meditation on the nature of good and evil. It is a compelling tale of a hunted man who had lost everything - his home, his family, and his soul - and came to find his humanity while living at the wildest edge of experience. Gregory David Roberts retired from public life in 2014 to devote time to his family and new writing projects. The Mountain Shadow, sequel to Shantaram, is available now. PRAISE FOR SHANTARAM "A literary masterpiece ... at once erudite and intimate, reflective and funny ... it has the grit and pace of a thriller" Daily Telegraph "Powerful and original ... a remarkable achievement" Sunday Telegraph "Extraordinarily vivid ... a gigantic, jaw-dropping, grittily authentic saga" Daily Mail "At once a high-kicking, eye-gouging adventure, a love saga and a savage yet tenderly lyrical fugitive vision." Time Out Fans of Vikram Seth, John Irving and David Mitchell will love Shantaram.

Shantaram

'We were the usual: nine-to-fivers, investment-makers, mall-goers, office-trippers and city-slickers. We were life-going-to-seeders.' Living in a sunny barsati in south Delhi, Saurav Jha and Devapriya Roy are your average DINK couple, about to acquire a few EMIs and come of age in the modern consumerist world. Only, they don't. They junk the swivel chairs, gain a couple of backpacks and set out on a transformational journey across India. On a very, very tight budget: five hundred rupees a day for bed and board. And the Heat and Dust project begins. Joining the ranks of firang gap-year kids and Israelis fresh out of compulsory army service, they travel across a land in which five thousand years of Indian history seem to jostle side by side. It is, by turns, holy and hectic, thuggish and comic, amoral and endearing. In buses that hurtle through the darkness of the night and the heat of the day, across thousands of miles, in ever new places, the richness of this crowded palette spills over into their lives. From rooms by the hour to strange dinner invitations, from spectacular forts to raging tantrums, this is a youthful account of wanderlust and whimsy, of eccentric choices that unfold into the journey of a lifetime ... and a supreme test of marriage.

The Heat and Dust Project

A Pallava prince travels to Cambodia to be crowned king, carrying with him secrets that will be the cause of great wars many centuries later. A Buddhist monk in ancient China treks south to India, searching for the missing pieces of a puzzle that could make his emperor all-powerful. A Neolithic tribe fights to preserve their sacred knowledge, oblivious to the war drums on the Indo-China border. Meanwhile, far away in the temple town of Kanchipuram, a reclusive scientist deciphers ancient texts even as a team of secret agents shadows his every move. Caught in the storm is a young investigator with a complex past of her own, who must race against time to maintain the balance of power in the new world. Welcome back to the exciting and shadowy world of Ashwin Sanghi, where myth and history blend into edge-of-the-seat action.

The Vault of Vishnu

A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal Emergency." Through days of bleakness and hope, their circumstances – and their fates – become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, A Fine Balance is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

A Fine Balance

Wait now, light me up so we do this right, yes, hold me steady to the lamp, hold it, hold, good, a slow pull to start with, to draw the smoke low into the lungs, yes, oh my...Shuklaji Street, in Old Bombay. In Rashid's opium room the air is thick with voices and ghosts: Hindu, Muslim, Christian. A young woman holds a long-stemmed pipe over a flame, her hair falling across her eyes. Men sprawl and mutter in the gloom. Here, they say you introduce only your worst enemy to opium. There is an underworld whisper of a new terror: the Pathar Maar, the stone killer, whose victims are the nameless, invisible poor. In the broken city, there are too many to count. Stretching across three decades, with an interlude in Mao's

China, it portrays a city in collision with itself. With a cast of pimps, pushers, poets, gangsters and eunuchs, it is a journey into a sprawling underworld written in electric and utterly original prose.

Narcopolis

Warsaw is one of the most dynamically developing cities in Europe, and its rich history has marked it as an epicenter of many modes of urbanism: Tzarist, modernist, socialist, and—in the past two decades—aggressively neoliberal. Focusing on Warsaw after 1990, this volume explores the interplay between Warsaw's past urban identities and the intense urban change of the '90s and '00s. *Chasing Warsaw* departs from the typical narratives of post-socialist cities in Eastern Europe by contextualizing Warsaw's unique transformation in terms of both global change and the shifting geographies of centrality and marginality in contemporary Poland.

Chasing Warsaw

"Sisters of Mokama is proof that faith and courage does move mountains."—Abraham Verghese, author of *Cutting for Stone* The never-before-told story of six intrepid Kentucky nuns, their journey to build a hospital in the poorest state in India, and the Indian nurses whose lives would never be the same New York Times editor Jyoti Thottam's mother was part of an extraordinary group of Indian women. Born in 1946, a time when few women dared to leave their house without the protection of a man, she left home by herself at just fifteen years old and traveled to Bihar—an impoverished and isolated state in northern India that had been one of the bloodiest regions of Partition—in order to train to be a nurse under the tutelage of the determined and resourceful Appalachian nuns who ran Nazareth Hospital. Like Thottam's mother's journey, the hospital was a radical undertaking: it was run almost entirely by women, who insisted on giving the highest possible standard of care to everyone who walked through its doors, regardless of caste or religion. Fascinated by her mother's story, Thottam set out to discover the full story of Nazareth Hospital, which had been established in 1947 by six nuns from Kentucky. With no knowledge of Hindi, and the awareness that they would likely never see their families again, the sisters had traveled to the small town of Mokama determined to live up to the pioneer spirit of their order, founded in the rough hills of the Kentucky frontier. A year later, they opened the doors of the hospital; soon they began taking in young Indian women as nursing students, offering them an opportunity that would change their lives. One of those women, of course, was Thottam's mother. In *Sisters of Mokama*, Thottam draws upon twenty years' worth of research to tell this inspiring story for the first time. She brings to life the hopes, struggles, and accomplishments of these ordinary women—both American and Indian—who succeeded against the odds during the tumult and trauma of the years after World War II and Partition. Pain and loss were everywhere for the women of that time, but the collapse of the old orders provided the women of Nazareth Hospital with an opening—a chance to create for themselves lives that would never have been possible otherwise.

Keepers of the Kalachakra

In an age of social media and reality television, reading and consumption habits in India now demand homegrown pulp fictions. Ulka Anjaria categorizes post-2000 Indian literature and popular culture as constituting "the contemporary," a movement defined by new and experimental forms—where high- and low-brow meet, and genres break down. *Reading India Now* studies the implications of this developing trend as both the right-wing resurges and marginalized voices find expression. Anjaria explores the fiction of Chetan Bhagat and Anuja Chauhan as well as Aamir Khan's television talk show, *Satya* meev Jayate, plus the work of documentarian Paromita Vohra, to argue how different kinds of texts are involved in imagining new political futures for an India in transition. Contemporary literature and popular culture in India might seem artless and capitalistic, but it is precisely its openness to the world outside that allows these new works to offer significant insight into the experiences and sensibilities of contemporary India.

Sisters of Mokama

The best thing happened to her . . . but in the worst way possible . . . Prisha Srivastav turned eighteen two months back. Hailing from Faridabad, she studies mass communication in Bengaluru. She meets a mysterious man, double her age, who goes by the name 'the mean monster' in the Bengaluru party circuit. Intrigued, she pursues him and falls for him. However, there's a problem. Prisha doesn't know he kills the one who loves him. Literally. From the master of twists, Novoneel Chakraborty, comes another beguiling tale of dark romance and thrill that won't let you put the book down till the last page.
