The Valerie Dearborn Trilogy

Discover Caroline Hanson's best-selling Valerie Dearborn Series. This box set contains three full-length novels. Love is Darkness Love is Fear Love is Mortal Love is Darkness-- Valerie Dearborn wants a cotton candy life, but it's more like a puffer fish: pointy, unusual, and--if not prepared exactly right--deadly. In London for graduate school, Val knows she's finally free. Her father and ex-almost-boyfriend are back in California and she's out of the Vampire hunting biz for good. Or is she? She draws the attention of Lucas, a 1600 year old Vampire, and King to his kind. He's also wicked hot. As golden as Lucifer, and just as tempting, he makes Valerie an offer she can't refuse-- help him find out if the Others (Empaths, Fey and Werewolves) still exist or he'll stop protecting those she loves. Lucas tells her that Empaths were a Vampire's biggest weakness before going extinct hundreds of years ago. While the Fey or a Werewolf might kill a Vampire, an Empath could enslave them, seducing or harming with emotions at will. The one detail he leaves out? Valerie is an Empath. And after 1600 years of an emotionless existence, Lucas wants Valerie like a recovering alcoholic wants a wine cooler. Can she keep those she loves alive, stop Lucas from munching on her, survive a fanged revolution and still find a way to have that boring, normal life she's always wanted? Probably not, but boy is she gonna try! Love is Fear- After a lot of swearing and only a little nookie, Valerie Dearborn has decided to make a change. No more lusting after Lucas, the hot, but emotionless, vampire king who can't commit. Instead she's going to make it work with Jack. After all, not only is he breathing, but he's the love of her life....Isn't he? Valerie is an Empath, with supernatural abilities that seem to do nothing more than give her the hots for Lucas. Once upon a time, Empath's had a purpose. They were ambassadors to the Others--Fey, Witches, Werewolves and Vampires. They could settle the emotions of a Werewolf and make Vampires feel again. But that was long ago. Lucas isn't about to let Valerie go. He needs her to help him find the Fey, last seen in the Colony of Roanoke, North Carolina, circa 1587. He still believes they are the key to restoring balance to the world and the only way to keep vampires under control. They won't trust him, but they will trust Val. Between Jack, Lucas and Rachel, Val knows life won't be dull. Nor will it be the normal, 2.5 kids kind of life she's always wanted. As their enemies close in, Val must ask herself what life is really about--trust, duty or mind-blowing orgasms? And even if she finds the answer, she may not live long enough to enjoy it. Love is Mortal- A determination to survive....Betrayed by everyone she loves,

Valerie Dearborn will do anything to get out of Fey and avoid becoming Cerdwellyn's queen. Even if it means she has to rely upon Lucas, the monster who betrayed her. A bid for redemption.... Lucas felt nothing for hundreds of years, but Valerie's blood has changed everything. Forced to confront his sins, he'll do what he can to help Valerie survive. Even if it costs him his life. A destiny cut short.... Cerdwellyn, King of the Fey lost his true queen centuries ago. He's determined to make Valerie her replacement, but ghosts from his past have other plans. The end of the story. As Valerie struggles to survive she must choose between reality and illusion, between sacrifice and love, all in hopes of figuring out the truth: that if you love someone you must be willing to make the ultimate sacrifice. "Action packed, fun-filled story with a sassy heroine, a hot-as-hell love interest and a bad-ass vamp whom you can't help but fall for." - Gothic Angel Book Reviews

Love Is Darkness

In London for graduate school, Valerie Dearborn draws the attention of Lucas, a 1600-year-old Vampire, who makes her an offer she can't refuse - help him find out if the Others (Empaths, Fey and Werewolves) still exist or he'll stop protecting those she loves.

Love is Fear

Love is Fear is the highly anticipated sequel to the Number One Fantasy Bestseller, Love is Darkness. After a lot of swearing and only a little nookie, Valerie Dearborn has decided to make a change. No more lusting after Lucas, the hot, but emotionless, vampire king who can't commit. Instead she's going to make it work with Jack. After all, not only is he breathing, but he's the love of her life.... Isn't he? Valerie is an Empath, with supernatural abilities that seem to do nothing more than give her the hots for Lucas. Once upon a time, Empaths had a purpose. They were ambassadors to the Others--Fey, Witches, Werewolves and Vampires. They could settle the emotions of a Werewolf and make Vampires feel again. But that was long ago. Lucas isn't about to let Valerie go. He needs her to help him find the Fey, last seen in the Colony of Roanoke, South Carolina, circa 1587. He still believes they are the key to restoring balance to the world and the only way to keep vampires under control. They won't trust him, but they will trust Val. Between Jack, Lucas and Rachel, Val knows life won't be dull. Nor will it be the normal, 2.5 kids kind of life she's always wanted. As their enemies close in, Val must ask herself what life is really about--trust, duty or mind-blowing orgasms? And even if she finds the answer, she may not live long enough to enjoy it. Please note--this novel is not YA and has lots of sass, swearing and sex. Not necessarily in that order.

Love Is Mortal

As we approach the thirtieth anniversary of Roe v. Wade, it's crucial to look back to the time when abortion was illegal. Leslie J. Reagan traces the practice and policing of abortion, which although illegal was nonetheless widely available, but always with threats for both doctor and patient. In a time when many young women don't even know that there was a period when abortion was a crime, this work offers chilling and vital lessons of importance to everyone. The linking of the words "abortion" and "crime" emphasizes the difficult and painful history that is the focus of Reagan's important book. Her study is the first to examine the entire period during which abortion was illegal in the United States, beginning in the mid-nineteenth century and ending with Roe v. Wade in 1973. Although illegal, millions of abortions were provided during these years to women of every class, race, and marital status. The experiences and perspectives of these women, as well as their physicians and midwives, are movingly portrayed here. Reagan traces the practice and policing of abortion. While abortions have been typically portrayed as grim "back alley" operations, she finds that abortion providers often practiced openly and safely. Moreover, numerous physicians performed abortions, despite prohibitions by the state and the American Medical Association. Women often found cooperative practitioners, but prosecution, public humiliation, loss of privacy, and inferior medical care were a constant threat. Reagan's analysis of previously untapped sources, including inquest records and trial transcripts, shows the fragility of patient rights and raises provocative questions about the relationship between medicine and law. With the right to abortion again under attack in the United States, this book offers vital lessons for every American concerned with health care, civil liberties, and personal and sexual freedom.

When Abortion Was a Crime

First published in 1979, *Inequality, Crime, and Public Policy* integrates and interprets the vast corpus of existing research on social class, slums, and crime, and presents its own findings on these matters.

It explores two major questions. First, do policies designed to redistribute wealth and power within capitalist societies have effects upon crime? Second, do policies created to overcome the residential segregation of social classes have effects on crime? The book provides a brilliantly comprehensive and systematic review of the empirical evidence to support or refute the classic theories of Engles, Bonger, Merton, Cloward and Ohlin, Cohen, Miller, Shaw and McKay, amongst many others. Braithwaite confronts these theories with evidence of the extent and nature of white collar crime, and a consideration of the way law enhancement and law enforcement might serve class interest.

Inequality, Crime and Public Policy (Routledge Revivals)

The author examines the evolution of the rape narrative in twentieth-century literature: What accounts for the persistence of the old story of male power and violence, and female passivity and penetrability? How has the story changed over the course of the twentieth century? She investigates the manner in which the violation of the female body serves as a metaphor for a synthesis of masculinity and political economy.

The Economics of Fantasy

This book explores an area of contemporary religion, spirituality and popular culture which has not so far been investigated in depth, the phenomenon of astrology in the modern west. Locating modern astrology historically and sociologically in its religious, New Age and millenarian contexts, Nicholas Campion considers astrology's relation to modernity and draws on extensive fieldwork and interviews with leading modern astrologers to present an invaluable contribution to our understanding of the origins and nature of New Age ideology. This book challenges the notion that astrology is either 'marginal' or a feature of postmodernism. Concluding that astrology is more popular than the usual figures suggest, Campion argues that modern astrology is largely shaped by New Age thought, influenced by the European Millenarian tradition, that it can be seen as an heir to classical Gnosticism and is part of the vernacular religion of the modern west.

Astrology and Popular Religion in the Modern West

When Sophia wins a post-graduate place at Ivy Drama College, she can't believe her luck. The college is owned by one of the most well-respected young actors in London, Marc Blackwell-- who not only founded the college, but teaches the students. Known for his strict classes and belief in discipline, Marc has a reputation for being arrogant and aloof, yet Sophia soon finds herself drawn to this cold, fascinating young man. Soon, Sophia is embarking on a journey of sexual discovery that promises to explore all that is forbidden between teacher and student.

The Ivy Lessons

In order to secure freedom for herself and her sister, shadow-walker Kori Daniels must complete one last assignment for the Tower syndicate--recruit Ian Holt, who is able to manipulate the dark, while he tries to kill her sister.

Shadow Bound

First published in 1998. Routledge is an imprint of Taylor & Francis, an informa company.

Encyclopedia of Comparative Iconography

What happens to politics when it takes the form of theatre? How has theatre both exploited and undermined politics both in society and on the stage? Theatre & Politics explores the complex relationship between theatre and politics, questioning some of the assumptions that often arise when they are brought together. Challenging ideas about 'entertainment' and 'communication', the book draws on a broad range of key writing from Plato to Rancière, and theatrical examples from Shakespeare and his adaptors through Peter Handke to debbie tucker green.

The Underwood Families of America

Vampires and ghosts lurk in the dark shadows of New Orleans. Join us on a journey through the historic French Quarter where the spirits of the dead linger just beyond the reach of the living. Five mysterious and thrilling stories from ten authors guaranteed to send a chill up your spine. Dark Shadows represents

the culmination of the "Authors on a Train" experience led by Zach Bohannon and J. Thorn--a writers' retreat beginning with an overnight train ride from Chicago to New Orleans and ending with a five-day residence in the French Quarter where authors collaborated on stories inspired by the history and culture of the Crescent City. Theatre and Politics

Cassandra Palmer recently defeated a god, which you'd think would buy a girl a little time off. But when your job is being Pythia - the world's chief clairvoyant - you don't get a lot of R&R. Cassie is busier than ever, discovering her power, figuring out her complicated relationship with enigmatic and sexy vampire Mircea, and preparing for her upcoming coronation. But someone is dead-set against Cassie becoming Pythia, and will go to any lengths to stop the coronation ceremony from happening - including making sure that Cassie is never born. Now, Cassie has to save herself - and the world, if she can find the time ...

Dark Shadows

Now a major motion picture nominated for nine Academy Awards. Narrative of Solomon Northup, a Citizen of New-York, Kidnapped in Washington City in 1841, and Rescued in 1853. Twelve Years a Slave by Solomon Northup is a memoir of a black man who was born free in New York state but kidnapped, sold into slavery and kept in bondage for 12 years in Louisiana before the American Civil War. He provided details of slave markets in Washington, DC, as well as describing at length cotton cultivation on major plantations in Louisiana.

Hunt the Moon: A Cassie Palmer Novel Volume 5

When an ancient tapestry bearing the likeness of her beloved Aedan MacKinnon arrives on her doorstep, novelist Jane Sillee is whisked back in time to fifteenth-century Scotland where she is given one chance to save her dream lover.

Into the Dreaming

Volume VII of the Cambridge History of American Literature examines a broad range of American literature of the past half-century, revealing complex relations to changes in society. Christopher Bigsby discusses American dramatists from Tennessee Williams to August Wilson, showing how innovations in theatre anticipated a world of emerging countercultures and provided America with an alternative view of contemporary life. Morris Dickstein describes the condition of rebellion in fiction from 1940 to 1970, linking writers as diverse as James Baldwin and John Updike. John Burt examines writers of the American South, describing the tensions between modernization and continued entanglements with the past. Wendy Steiner examines the postmodern fictions since 1970, and shows how the questioning of artistic assumptions has broadened the canon of American literature. Finally, Cyrus Patell highlights the voices of Native American, Asian American, Chicano, gay and lesbian writers, often marginalized but here discussed within and against a broad set of national traditions.

Descendants of George Puffer of Braintree, Massachusetts, 1639-1915

The Cambridge History of American Literature: Volume 7, Prose Writing, 1940-1990

Although the short story has existed in various forms for centuries, it has particularly flourished during the last hundred years. *Reader's Companion to the Short Story in English* includes alphabetically-arranged entries for 50 English-language short story writers from around the world. Most of these writers have been active since 1960, and they reflect a wide range of experiences and perspectives in their works. Each entry is written by an expert contributor and includes biography, a review of existing criticism, a lengthier analysis of specific works, and a selected bibliography of primary and secondary sources. The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory.

The Bordner and Burtner Families: And Their Bortner Ancestors in America

Named a Best Reference Work for 2009 by Library Journal *The Blackwell Encyclopedia of Sociology* is published in both print and online. Arranged across eleven volumes in A-Z format, it is the definitive reference source for students, researchers, and academics in the field. This ground-breaking project brings together specially commissioned entries written and edited by an international team of the world's best scholars and teachers. It provides: "This is an example of a reference book turned into an e-product intelligently and in a way that transcends the print." – Library Journal An essential reference for expert and newcomer alike, with entries ranging from short definitions of key terms to extended explorations of major topics Provides clear, concise, expert definitions and explanations of the key concepts Presents materials that have historically defined the discipline, but also more recent developments, significantly updating the store of sociological knowledge Introduces sociological theories and research that have developed outside of the United States and Western Europe Offers sophisticated cross-referencing and search facilities Features a timeline, lexicon by subject area, bibliography, and index 11 Volumes www.sociologyencyclopedia.com Updating

A Reader's Companion to the Short Story in English

Covers such topics as plant products, cooking terms, national and regional cuisines, food preservation, food science, diet, and cookbooks and their authors.

The Blackwell Encyclopedia of Sociology, 11 Volume Set

Charles Taylor is one of the most influential and prolific philosophers in the English-speaking world today. The breadth of his writings is unique, ranging from reflections on artificial intelligence to analyses of contemporary multicultural societies. This thought-provoking introduction to Taylor's work outlines his ideas in a coherent and accessible way without reducing their richness and depth. His contribution to many of the enduring debates within Western philosophy is examined and the arguments of his critics assessed. Taylor's reflections on the topics of moral theory, selfhood, political theory and epistemology form the core chapters within the book. Ruth Abbey engages with the secondary literature on Taylor's work and suggests that some criticisms by contemporaries have been based on misinterpretations and suggests ways in which a better understanding of Taylor's work leads to different criticisms of it. The book serves as an ideal companion to Taylor's ideas for students of philosophy and political theory, and will be welcomed by the non-specialist looking for an authoritative guide to Taylor's large and challenging body of work.

The Oxford Companion to Food

When you think of astrology, you may think of the horoscope section in your local paper, or of Nancy Reagan's consultations with an astrologer in the White House in the 1980s. Yet almost every religion uses some form of astrology: some way of thinking about the sun, moon, stars, and planets and how they hold significance for human lives on earth. *Astrology and Cosmology in the World's Religions* offers an accessible overview of the astrologies of the world's religions, placing them into context within theories of how the wider universe came into being and operates. Campion traces beliefs about

the heavens among peoples ranging from ancient Egypt and China, to Australia and Polynesia, and India and the Islamic world. Addressing each religion in a separate chapter, Campion outlines how, by observing the celestial bodies, people have engaged with the divine, managed the future, and attempted to understand events here on earth. This fascinating text offers a unique way to delve into comparative religions and will also appeal to those intrigued by New Age topics.

Charles Taylor

The Ballinger family immigrated from England to New Jersey in 1678. Includes Barrett, Haines, Hiatt, Taylor, Tuggle and related families.

Filled with examples, stories and exercises to help you put the skills and tools to work immediately, BrainFishing will help change your relationships from the ground up. And there's the neuroscience behind it all, too!

Astrology and Cosmology in the World's Religions

NEW YORK TIMES bestselling author Lynsay Sands, one of paranormal romance's original superstars, delivers a scorching and delightful story of a mortal man on a mission - and the Vamp who is his only hope. One late night leads to ... Kidnapped! When Jeanne Louise Argeneau left work, she never thought she'd end up tied down by a good-looking mortal. More attracted than annoyed, she quickly realizes there is more to her abductor than meets the eye. One desperate act leads to ... Love? Paul Jones has need of a vampire, and only Jeanne Louise will do. He just has to convince this beauty of a Vamp to help him ... never imagining that he would fall in love. But with the immortal world's answer to law enforcement hunting them, their time together is running out ... and Paul and Jeanne Louise will need to risk everything to spend an eternity together.

The Illio

Grace Hall is a society beauty surrounded by glamour, privilege and wealth - but her fortune has made her a glittering target. One by one, Manhattan's most influential women are being murdered, and Grace is on the killer's hit list. In order to protect herself, she demands the best in bodyguards - and gets so much more than she expects. John Smith is a hard-hearted security specialist who is as dedicated to his work as he is deadly. Moving into Grace's luxury penthouse is the last thing he wants, but saying no to her is something he can't seem to do. As he lays down the rules for his new client, sparks ignite between them - as does an incendiary desire. With Grace in his arms, John finds himself letting down his own defences to meet the terms of an intimate and unforgettable new assignment. As the warm nights grow hot and the canny killer closes in, Grace and Smith face a crucial choice: follow the rules or follow their hearts.

Three Centuries of Ballingers in America

Collects more than 1,400 English-language proverbs that arose in the 20th and 21st centuries, organized alphabetically by key words and including information on date of origin, history and meaning.

Indiana Source Book

After years of running, Quinn has finally found a place to settle down while she continues searching for the vampire who tore her life apart. Unfortunately, her small bit of solace is shattered when a group of vampires walk into her work and turn her world upside down. Julian never expected to stumble across someone like Quinn. He knows he shouldn't get involved with the prickly woman as her mysterious past, and the countless vampires hunting her only spell trouble, but he finds it impossible to stay away. However, it doesn't take him long to realize the vampires pursuing her are only a small part of a growing evil. The quiet little town is hiding a violent secret. Can they uncover the evil lurking there, or will it tear Julian and Quinn apart? ***The Fire and Ice series is a spinoff of The Kindred Series, but you do not

have to read The Kindred Series to enjoy this one. The maturity level of this series will grow with each book and is recommended for readers 17+***

What if you could do it all over again? Jennifer Wright is pretty sure her husband doesn't love her anymore. She and Max used to be the perfect couple, but the pressures of work and kids have pulled them in opposite directions. Now, Jen is full of "what if" questions about whether her bland, suburban existence is all she was ever destined for. When a terrible accident sends Jen into a coma, she is able to see what her life could have been if she had run off to Australia with the handsome, dangerous man she met on vacation in her twenties, or if she had stayed with her workaholic college boyfriend. Would she ever have loved another child as much as she loves her daughters? Could she have become rich? More than anything, Jen wants to do the right thing for her family. But what she discovers may leave her with even more questions about the choices she's made, and no easy answers about what to do next.

The Lady is a Vamp

Introducing Unrated!, the hottest—and naughtiest—new miniseries from Blaze! Sneak a playful peek with this sexy prequel novella from New York Times bestselling author Leslie Kelly... When she was eighteen, Emily Crowder was naughty for the first time in her life. She slipped naked into Rand McConnell's bed, experienced her first (and best) orgasm...and lost her heart. Then Rand disappeared without a word. Seven years later, Rand strides back into her life, now a famous ballplayer, every woman's lust-filled fantasy—and a guest at Emily's hotel. He says he wants to explain...and he wants to finish what they started. Emily's Good Girl side reminds her of the pain she felt when Rand left the last time. But Emily has played the Good Girl for far too long. Perhaps it's time she let her Very, Very Naughty side take over again. Only this time, Rand is going to play by her rules... Don't miss out on even more steamy Unrated! books from Harlequin Blaze!

An Unforgettable Lady

Being a goddess is a lot less fun than you might think. Especially when you're only a half goddess, and you only found out about it recently, and you still don't know what you're doing half the time. And when you've just used your not-so-reliable powers to burglarize the booby-trapped office of a vampire mob boss. Yeah, that part sucks. But that's just the tip of the iceberg for Cassandra Palmer, aka the Pythia, the freshly minted chief seer of the supernatural world. After all, Cassie still has to save a friend from a fate worse than death, deal with an increasingly possessive master vampire, and prevent a party of her own acolytes from unleashing a storm of fury upon the world. Totally just your average day at the office, right?
