Temperance: Eat not to Dullness, drink not to elevation.

Silence: Speak not but what may benefit others or yourself. Avoid trifling Conversation.

Order: Let all your Things have their places. Let each Part

Resolution: Resolve to perform what you ought. Perform without fail what you resolve.

Frugality: Make no Expense but to do good to others or yourself: i.e. Waste Nothing

Industry: Lose no Time. Be always employ'd in something useful. Cut off all unnecessary Actions.

Sincerity: Use no hurtful Deceit. Think innocently and justly; and, if you speak; speak accordingly.

Justice: Wrong none, by doing Injuries or omitting the Benefits that are your Duty.

Moderation: Avoid Extremes. Forbear resenting Injuries so much as you think they deserve.

Cleanliness: Tolerate no Uncleanliness in Body, Clothes or Habitation.

Tranquility: Be not disturbed at Trifles, or at Accidents common or unavoidable.

Chastity: Rarely use Venery but for Health or Offspring; Never to Dullness, Weakness, or the Injury of your own or another's Peace or Reputation.

Humility: Imitate Jesus and Socrates.

De grote Kleyn

Essentiële kennis voor alle eters, koks en kokers van Nederland, dat is De grote Kleyn. Culinair compendium. Een dikke bijbel barstensvol informatie over ingrediënten en technieken, maar ook over smaken, achtergronden, historie, landenkeukens en etiquette. En dat genoteerd zoals alleen Onno Kleyn dat kan, op een no-nonsensemanier en met een bemoedigende dosis ironie. Fabels worden ontmaskerd, vooroordelen onderuitgehaald. Anekdoten, kaders en 125 recepten met wijnadvisen maken het boek af. Kleyn geldt al zeer lang als de man met de grootste culinaire kennis van ons land en is een waardige opvolger van Johannes van Dam. Vele jaren werkte hij aan zijn nu verschijnende magnum opus over de cultuur van eten en smaak. 'Onno schrijft zoals ik zou willen schrijven en weet alles wat ik nog zou willen weten.' – Yvette van Boven 'Veel beter [...] krijgt u het niet in Nederland. Laat daar geen discussie over bestaan.' – NRC 'Een genot én een must voor elke kookliefhebber.' – Trouw 'Prachtig, zo'n boek [...] waar je vele jaren vondsten in zult doen.' – De Standaard Onno Kleyn is al 28 jaar culinair en wijnjournalist. Hij heeft vaste rubrieken in de Volkskrant en publiceerde zo'n 40 boeken, vooral over Italië, Frankrijk en wijn. In 2011 startte hij met de Academie Culinair Schrijven, waar hij aankomende culinaire talenten begeleidt. Ook geeft hij colleges over culinaire geschiedenis.

De grote Kleyn

The basis for this additional volume are the three volumes of the handbooks Dictionaries. An International Encyclopedia of Lexicography (HSK 5.1–5.3), published between 1989 and 1991. An updating has been perceived as an important desideratum for a considerable time. In the present Supplementary Volume the premises and subjects of HSK 5.1–5.3 are complemented by new articles that take account of the practice-internal and theoretical developments of the last 15 years. Special attention has been given to the following topics: the status and function of lexicographic reference works, the history of lexicography, the theory of lexicography, lexicographic processes, lexicographic training and lexicographic institutions, new metalexicographic methods, electronic and, especially, computer-assisted lexicography.

Het Kleyn Vroetwijfs-boeck: Ofte Vermeerderden Roosengaert

First published in 1927, this book contains photographic reproductions of the fifteenth-century Flemish Reinaert Fragments, alongside transcriptions of the text and woodcut illustrations. The introduction sketches the development of the Reynard the Fox story from its origins in the medieval beast epic, examining the relationships between the various texts.

Groote christelyke zee-vaert, in XXVI predikationen, in maniere van een zee-postille

Reconstructie van de aankoop van Hollandse wetenschappelijke collecties door Peter de Grote ten behoeve van zijn museum de Kunstkamera en de modernisering van de wetenschapsbeoefening in zijn land.

Joannis Tauleri des hillige lerers Predige

Binnenvaart over de Zuiderzee is zeer belangrijk geweest voor de spectaculaire groei van de vroeg-moderne Nederlandse economie (1550-1700). Dat concludeert promovendus Wouter Waldus. Hij heeft voor zijn promotie de vloot van de turfschipperij op de Zuiderzee goed onderbouwd berekend en vergeleken met andere sectoren. Daarnaast heeft hij de Zuiderzee als maritiem transportlandschap volledig in kaart gebracht: vaarroutes, markeringen, redes, etc.. Zo kon hij het unieke karakter van het binnenvaartnetwerk duidelijk maken. Waldus vond tijdens zijn onderzoek ook aanwijzingen voor gezinsbewoning aan boord van binnenschepen rond 1650, veel vroeger dan tot nu toe werd aangenomen.

Dictionaries. An International Encyclopedia of Lexicography

Zijn artisjokken een recente aanwinst in het groenteschap? Kookte men in de Gouden Eeuw met yoghurt? Waarom werd kip van heel duur opeens goedkoop? Aan de hand van de rijke verzameling

kook- en receptenboeken van de Amsterdamse Universiteitsbibliotheek pakken Onno Kleyn en zijn dochter Charlotte onderhoudend en zintuiglijk uit over wat we gisteren en vandaag op tafel zetten. Thema's als groente, ongelijkheid, gevogelte, vet, presentatie en exotisme worden door de eeuwen heen gevolgd. Met curieuze details, smakelijke weetjes en meer dan zestig recepten uit kookboeken van 1580 tot en met 1980 gaat 'Luilekkerland' snoepend door de Hollandse keuken van weleer.
