Praise to the Lord, the Almighty, the King of creation (Lobe den herren)

Thine be the glory, risen, conquering Son (Maccabaeus)

Jerusalem the golden, with milk and honey blest (Ewing)

Love Divine, all loves excelling (Blaenwern)

The Church's one foundation (Aurelia)

Immortal, invisible, God only wise (St Denio)

Abide with me, fast falls the eventide (Evening)

I heard the voice of Jesus say (Kingsfold)

O Praise ye the Lord (Laudate Dominum)

Dear Lord and Father of mankind (Repton)

The Lord's my shepherd (Crimond)

How shall I sing that majesty (Coe Fen)

Eternal Father, strong to save (Melita)

All my hope on God is founded (Michael)

Drop, drop slow tears (Song 46)

He who would valiant be (Monk's Gate)

Tell out, my soul, the greatness of the Lord (Woodlands)

Praise my soul the King of Heaven (Praise my soul)

Come down O love Divine (Down Ampney)

Soul of my Savior, sanctify my breast (Anima Christi)

Guide me, O my great Redeemer (Cwm Rhondda)

O thou who camest from above (Hereford)

Be thou my vision, O Lord of my heart (Slane)

And did those feet in ancient time (Jerusalem)

The Acts of the Apostles

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

St. Augustin

"The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity. For the first time, doctrines were organized into a single creed. The Nicene and Post-Nicene Fathers did most of their writing during and after this important event in Church history. Unlike the previous era of Christian writing, the Nicene and Post-Nicene era is dominated by a few very important and prolific writers. In Volume III of the 14-volume collected writings of the Nicenes and Post-Nicenes (first published between 1886 and 1889), readers will find a complete collection of Saint Augustines writings concerning Christian doctrine and ethics. On the Holy Trinity is one of his most important works, and Augustine spent a significant amount of time crafting it. Among the ethical considerations covered in the second half of the book readers will find essays on virginity, lying, patience, and proper care for the dead."

Nicene and Post-nicene Fathers First Series, St. Augustine

Philip Schaff's classic work colloquially known as The Early Church Fathers is an invaluable resource filled with the primary documents and early theological building blocks for the Christian church. Comprised of thirty-eight volumes, it is broken into three parts: the Ante-Nicene Fathers, and Nicene and Post-Nicene Fathers, First and Second Series.

A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: St. Augustin: On the Holy Trinity. Doctrinal treatises. Moral treatises

"A magnificent history of doctrine."—New York Review of Books "In this volume Jaroslav Pelikan continues the splendid work he has done thus far in his projected five-volume history of the development of Christian doctrine, defined as 'what the Church believes, teaches, and confesses on the basis of the word of God.' The entire work will become an indispensable resource not only for the history of doctrine but also for its reformulation today. Copious documentation in the margins and careful indexing add to its immense usefulness."—E. Glenn Hinson, Christian Century "This book is based on a most meticulous examination of medieval authorities and the growth of medieval theology is essentially told in their own words. What is more important, however, than the astounding number of primary sources the author has consulted or his sovereign familiarity with modern studies on his subject, is his ability to discern form and direction in the bewildering growth of medieval Christian doctrine, and, by thoughtful emphasis and selection, to show the pattern of that development in a lucid and persuasive narrative. No one interested in the history of Christianity or theology and no medievalist, whatever the field of specialization, will be able to ignore this magnificent synthesis."—Bernhard W. Scholz, History "The series is obviously the indispensable text for graduate theological study in the development of doctrine, and an important reference for scholars of religious and intellectual history as well. . . . Professor Pelikan's series marks a significant departure, and in him we have at last a master teacher."—Marjorie O'Rourke Boyle, Commonweal
