The Challenge of the Red Unicorn

Chalice, the sacred supreme unicorn, has been captured with other unicorns, by the Weers- wolf-like monsters, whose evil leader, Rashark, is stealing all of their magic. And because Chalice has the most powerful of magic of all the unicorns, Rashark wants him the most. For the moment, Chalice's disguise is keeping him from Rashark's notice--but it won't hide him for long. In the meantime, a mysterious old man appears at an orphanage in Ireland. He tells a small boy named Eoin that he is the only one in all the lands with the power to rescue Chalice. When he reveals Eoin's secret powers, the boy reluctantly agrees to help. But will Eoin's magic be enough to rescue Chalice from Rashark's lair before it's too late?

Challenge of the Red Unicorn

Head Rider, Willow, confronts her past when the Unicorn Riders travel to Arlen to deliver a healing elixir to her dying uncle. But when old friends are betrayed and the town is attacked, the Riders and their unicorns must help the townspeople.

Willow's Challenge

The exciting sequel to Black Unicorn and Gold Unicorn! The young wanderer Tanaquil can mend anything that is broken - except her own heart. With the engagement of her beloved Honj to her sister, Empress Lizra, she returns home to her sorcerous mother - and her mother's new lover, the magician Worabex. Caught up in their combined magic, Tanaquil and her mischievous familiar - a literal pet peeve - find themselves in a parallel world where she meets Tanakil, a mirror-image princess with murder on her mind.

Red Unicorn

The enchanting, magical sequel to The Black Unicorn and The Gold Unicorn! After several years traveling, Tanaquil — a sorceress like her mother with the ability to mend — returns home only to discover that her true love has been betrothed to her sister, Empress Lizra. Broken-hearted and jealous of her sister's happiness, Tanaquil is lured by a red unicorn into a mirror world where she encounters Tanakil, a diabolical version of herself. She discovers also several new powers. Powers she will need to foil Tanakil's sinister plot of revenge.

Red Unicorn

Red Bull has driven all the unicorns to the brink of extinction and a drama unfolds for their rescue.

A Christmas Friendship Emergency! Sophie wants all the children of the world to be happy. So when her horn begins to glow ruby red on Christmas Day, she doesn't waste any time as she leaves her home of Unicornia in search of the friendship problem. When she finds the two upset children, Sophie helps them realize that the best gift they can have for Christmas is the gift of sharing and friendship. This will surely be a fun and adorable Christmas story to remember! Here, at Puppy Dogs & Ice Cream, we believe that children's books are more than just stories - they're vessels of inspiration, education, and imagination. Every book we publish is carefully selected to teach kids valuable lessons that will last a lifetime. From the publisher who brought to you "Fiona Flamingo"

This volume examines a variety of utopian writing for children from the 18th century to the present day, defining and exploring this new genre in the field of children's literature. The original essays discuss thematic conventions and present detailed case studies of individual works. All address the pedagogical implications of work that challenges children to grapple with questions of perfect or wildly imperfect social organizations and their own autonomy. The book includes interviews with creative writers and the first bibliography of utopian fiction for children.

Utopian and Dystopian Writing for Children and Young Adults

Warning: This novel contains excessive humor, a fire-breathing unicorn on a mission of destruction, magic, romance, and bodies. Proceed with caution. Catering to the magical is a tough gig on a good day, but Bailey has few other options. Spiking drinks with pixie dust keeps the locals happy and beats cleaning up the world's nastiest magical substances. She could live without serving Police Chief Samuel Quinn most days of the week, especially after destroying his marriage. But when she's targeted with a cell phone bomb containing gorgon dust capable of transforming her beloved home into a stone tomb, she's tossed head first into a mess with her sexiest enemy. Add in his ex-wife angling for revenge, and Bailey must use every trick up her sleeve to survive. The last thing she needs is to fall in love with Manhattan's Most Wanted Bachelor. Saving Manhattan will be tough enough.

Playing with Fire

"The Secret of the Unicorn's Power" embraces the challenge of forgiving and how it impacts the lives of the Unicorns and humans. The story is told in a fun and playful way to reveal a deeper and heartfelt meaning. Five Unicorn friends; Booba, Shinerbot, Furry Toes, Prancy and Ham, have fun together and are always up to something! This time one of them left a hose on, flooding the neighbor's basement.... In each fable an underlying message from the heart opens up that both children and adults will relate to. The "Unicorn Fables" series are engaging tales to read together, prompting further discussion and connection.

The Unicorn Fables

The true-life adventures of Stacy Kanner, a single school teacher working in various small Christian schools around the world, continue in Choices, Changes, and Challenges, Stephanie Kauffman's latest installment in her series of memoirs. As always, accident-prone Stacy witnesses the grace of God in her life in moments that could be pulled out of an action film. From riding a motorcycle with a freshly-plastered cast on her leg, to swimming with a shark in the Caribbean Sea, Stacy keeps you wondering what will happen next. Set in the 1990s, the story takes readers to various locales in Canada, the United States, Belize, Haiti, and New Zealand. Each new destination presents its share

of challenges and anxieties, all of which serve to fortify Stacy's faith and draw her closer to God. The book begins as Stacy returns to Red Lake in northern Ontario to commence a teaching position at a local church-school. At every school she bonds with students by throwing herself into their activities whole-heartedly, memorizing the Gospel of John, engaging in a fitness regimen, and even building tents in the "Arab desert." Her passion for people and creativity is contagious! Readers will experience Stacy's wide range of emotions as they walk with her through this time in her life, and they will also rejoice with her at the goodness of God. To be read as the fourth book in a series or as a stand-alone novel, Choices, Changes, and Challenges will inspire, delight, and challenge!

Justice may not be enough... Amidst a spree of violent murders targeting women in Denmark, Police Commissioner Cecilie Mars is pulled into the shadows of a hidden underworld. Tracing these heinous acts back to a long-forgotten rape, Mars is pointed towards a sinister group of men bound by a deep hatred for women: incels. As her relentless approach earns her foes within the police force and at home, Mars quickly becomes the target of the very rage she's hunting... A gripping scandi-noir exploring extremist responses to the MeToo movement, "Beast in the Night" is the standalone continuation to the critically acclaimed bestseller "Darkness Calls". Lauded for his multi-award-winning work by critics and readers alike, Michael Katz Krefeld (b. 1966) is one of Denmark's most widely read home-grown crime fiction authors, best known for the internationally bestselling detective series featuring his protagonist Ravn.

Beast in the Night - An Inspector Cecilie Mars Thriller

This serious, scholarly treatment of 20 imaginary beings, from dragon and phoenix to giants and fairies, discusses the origin of each as an idea, its symbolism and lore, and its appearances in art, literature, or film. . . . Extensive bibliographies follow the generally ambitious and erudite essays while a final catch-all article and selective bibliography cover still more ground, at a gallop. . . . [There] are a number of thoughtful and well-written interpretive investigations into the nature and history of some persistent types. Entries on the Basilisk, Harpies, Medusa, and the Sphinx are particularly fine: here one feels that the mystery and power of these imaginative creatures is not vitiated by scholarly taxidermy. Library Journal [This] book provides thorough documentation of the best-known creatures of fantasy with a breadth of coverage that is both impressive and delightful. Recommended for all libraries supporting research in mythology, fantasy, folklore, or popular culture. Choice

Mythical and Fabulous Creatures

Jarrold Courtak, Mage and friend of the Unicorns, faces new challenges when the unicorns take their leave and threats of new conflicts loom. Original.

The Unicorn Peace

Nobody knew where it had come from, or what it wanted. Not even Jaive, the sorceress, could fathom the mystery of the fabled beast. But Tanaquil, Jaive's completely unmagical daughter, understood it at once. She knew why the unicorn was there: It had come for her. It needed her. Tanaquil was amazed because she was the girl with no talent for magic. She could only fiddle with broken bits of machinery and make them work again. What could she do for a unicorn?

Black Unicorn

It is often assumed that picturebooks are for very young readers because of their emphasis on the illustrations and their scarcity of text; however, there are increasing numbers of picturebooks where the age of the implied reader is questionable. These are picturebooks whose controversial subject matter and unconventional, often unsettling style of illustration challenge the reader, pushing them to question and probe deeper to understand what the book is about. In addition to the book challenging the reader, the reader often challenges the book in an attempt to understand what is being said. These increasingly popular picturebooks work on many different levels; they are truly polysemic and worthy of in-depth analysis. They push the reader to ask questions and in many instances are intrinsically philosophical, often dealing with fundamental life issues. Challenging and Controversial Picturebooks examines these unconventional, non-conformist picturebooks, considering what they are, their audience and their purpose. It also considers: Children's and adults' thoughts on these kinds of picturebooks. How challenging and unsettling wordless picturebooks can play with the mind and promote philosophical thought. What creates non-conformity and strangeness ... is it the illustrations and their style, the subject matter or a combination of both? Why certain countries create, promote and accept these picturebooks more than others. Why certain picturebooks are censored and what factors are in play when these decisions are made. The role of publishers in translating and publishing these picturebooks. Children's creative and critical responses to strange, unsettling and often disturbing visual texts. This inspiring and thought-provoking volume explores the work of a number of highly respected, international picturebook experts and includes an exclusive interview with the legendary Klaus Flugge, Managing Director of Andersen Press, one of the few remaining independent children's book publishers in England. It is an indispensable reference for all interested in or working with picturebooks, including researchers, students in higher and teacher education, English advisors/inspectors, literacy consultants and classroom teachers.

Award-winning, #1 international bestselling author Kevin J. Anderson has published nearly 150 books, which have appeared in 30 languages worldwide, in genres ranging from science fiction, epic fantasy, humorous horror, gritty suspense, steampunk, and mystery. He has published over half a million words of short fiction, the best of which are gathered in this multi-volume series. This volume features Anderson's wide-ranging imagination in the fantasy genre. You will read of obsessed sea captains, shape shifters, enchanted loincloths, bumbling knights in shining armor, ghosts haunting Shakespeare's Globe Theater, a homeless mother and a troll under a bridge, Captain Nemo and his Nautilus, H.G. Wells's Martians, and a very strange Wisconsin small town. These tales showcase the breadth of Anderson's talent with a variety of works, written solo or with collaborators including Sherrilyn Kenyon, Kristine Kathryn Rusch, Sarah A. Hoyt, Neil Peart from legendary rock band Rush, and his wife Rebecca Moesta.

Red and Blue Unicorn

One morning, after seeing shooting stars, Amber wakes to all sorts of discoveries. Hennie, her favourite hen, has vanished; a strange white horse has appeared and Luke Foster, the unhappy new boy at school, confides in Amber his impossible wish.

The Night of the Unicorn

The blue unicorn is one of the last surviving members of the Tribe of Metal Horned Unicorns. Once, hundreds of their ancestors came to MarBryn to share their magic and learn from the natives. Something went wrong with their space-time craft. They were stranded. Many were slain by Magh, a sorcerer who uses unicorn horns and hooves in his spells and potions. Now, centuries later, there are only twelve unicorns left. They no longer have the technical skills or knowledge required to travel through space-time. One of them doesn't even have a metal horn. . . nor does he possess any magic. Yet, the Moon-Star Numen prophesized that the blue unicorn will be the one to save the tribe and bring the survivors back home to Unimaise. The others don't have much faith in Blue but he has an adventurous spirit and good old common sense so he takes on the challenge alone. He is soon joined by his mentor Gaiso, the Stag and his friend, Girasol the Firebird. Together, the companions save a Humongous Elutron from the Bugans and they rescue Gwyn the Pendragon from Yegwa, an evil spirit. Meanwhile, the rest of Blue's tribe has learned that all horns will be required to meet horn tip to horn tip in order for Blue to receive the Numen's magic. They race toward Muzika Wood in a desperate bid to reach him before the Moon-Star arrives. In their travels, they barely escape Magh's city of Kudos with their lives. One unicorn is nearly gummed to death by a Blind Blobber in the Caulis Caverns. With misadventures all around, will destiny prevail? This condensed picture book version of the Blue Unicorn's Journey To Osm is meant to introduce middle graders to the epic story of the Blue Unicorn and the Tribe of Metal Horned Unicorns. This rendition is presented in chapter book style in order to keep young reader's interest. Readers will follow the Blue Unicorn through the land of MarBryn as he seeks to meet the destiny the Moon-Star Numen has set for him in Muzika Woods.

The Blue Unicorn's Journey To Osm Illustrated Book

A short but comprehensive guide to the world of animation in the movies. Written by an expert in the field the book explores the origins of the form and its evolution through to the emergence of CGI. We see the masters of the art, the great studios and the characters who have generally outlived their creators. Features all the great movies (and some not-so-great ones too.).

Animated Movies Facts, Figures and Fun

In Dave the Unicorn: Team Spirit, the second entry in the laugh-out-loud illustrated chapter book series from Pip Bird and David O'Connell, Mira and her unicorn, Dave, tackle their greatest challenge yet: teamwork. Mira is excited for Unicorn School Field Day, even though her unicorn, Dave, loves donuts more than prancing. Mira's teammates are counting on them—especially when the prize for winning Field Day is revealed to be the chance to go on a Magical Rainbow Quest. As Mira struggles to get her UBFF (Unicorn Best Friend Forever) to hurry to the finish line, a series of mysterious mishaps make Mira wonder if everyone is playing fair. Can she and Dave track down who's sabotaging them before they end up in last place? This second book in the hilarious new chapter book series continues the story of Mira at Unicorn School and her unicorn Dave, who's not the statuesque stallion we're trained to expect. But Dave has a few tricks up his sleeve that remind Mira—and all of us—that friendship is more important than winning. Check out the other books in the Dave the Unicorn series!
