SHE'S GOT NOTHING TO LOSE AND EVERYTHING TO PROVE Growing up on the wrong side of the tracks in Bend, Mississippi, Becky Lynn Lee doesn't have the luxury of dreaming. With an abusive father and a broken mother, she always thought that this was it. But after the ultimate betrayal, Becky Lynn can no longer live the nightmare. Determined never to go back, Becky Lynn escapes to Hollywood. As a photographer's assistant, she discovers a talent for spotting beauty and capturing the perfect shot. When the camera eventually turns on her, the awkward, shy Becky Lynn of her childhood disappears. But when the success she's achieved is threatened, Becky Lynn must find the strength to embrace her new identity and put the ugliness of her past behind her forever.

Bone Cold

Twenty-three years ago Anna North survived a living nightmare.

Dead Run

"I'm in trouble, Liz. I've uncovered something....They're watching...." That panicked message on her answering machine is the last time Liz Ames hears from her sister Rachel, pastor of Paradise Christian Church in Key West, Florida. Compelled to uncover the truth about her sister's disappearance, she heads to Key West. Within hours of her arrival a successful banker jumps to his death. Then a teenage girl whom Rachel was counseling is found brutally murdered. The ritualistic style of the killing is hauntingly similar to that used by the notorious "New Testament" serial killer—now on death row. Could the teen's murder be related to Rachel's disappearance? Is a copycat killer at work? And why do the police refuse to help? For answers, Liz turns to Rick Wells, a former Miami cop who worked the fringes of the "New Testament" investigation. Together they peel away layers of deception to reveal a terrifying adversary—and the unspeakable evil at the heart of this island paradise.

Shocking Pink

Three women haunted by an erotic crime they witnessed as teens are stalked by a murderer in this thriller from a New York Times–bestselling author. They were only watching The mysterious lovers the three girls spied on were engaged in a deadly sexual game no one else was supposed to know about. Especially not Andie and her friends, whose curiosity had deepened into a dangerous obsession. . . . Now, fifteen years later, someone is watching Andie. Someone who won't let her forget the unsolved murder of "Mrs. X" or the disappearance of "Mr. X." Suddenly Andie doesn't know who her friends are . . . because loyalty can be murder. Andie. Julie. Raven. Three very different women bound by more than friendship. "Ingenious twists and turns in a story that features friendship, obsession . . . and murder will long be remembered by this reviewer." —The Mystery Reader

Watch Me Die

Stained-glass artist Mira Gallier finds her perfect life unraveling when she begins seeing evidence that her believed-dead husband is still alive and is framed for her assistant's murder.

The First Wife

'Pulse-pounding, page-turning, absolutely can't put it down.' Lisa Gardner THE OUTSTANDING THRILLER FROM NEW YORK TIMES BESTSELLER ERICA SPINDLER What have readers been saying about The First Wife? 'This is a must read. Truly outstanding as always.' Amazon reviewer, 5***** 'A real page turner that kept me guessing throughout.' Amazon reviewer, 5***** 'Spindler fans should relish this latest release, as should anybody looking for a first class thriller!' Amazon reviewer, 5***** Perfect for fans of Karin Slaughter and Karen Rose, Erica Spindler is master of classic crime fiction and the twist you won't see coming. Despite the ten-year age gap and the differences in their backgrounds, Bailey was meant to be with Logan - she's sure of it. It's natural that they should marry as soon as they can. But when Logan brings Bailey home to his magnificent estate on ninety wooded acres, her dreams of happily-ever-after begin to unravel. She can't ignore the rumours about what happened to Logan's first wife and then when a local woman goes missing, all signs point to her husband. Has Bailey made a terrible mistake trusting Logan? What happened to his first wife? Suddenly Bailey is facing an impossible decision: should she believe what everyone is saying, or should she bet her life on the man she loves, but hardly knows? Praise for Erica Spindler: 'Pulse-pounding, page-turning, absolutely can't put it down.' Lisa Gardner 'Neat, taut and written with panache that forces you to turn each page.' Daily Mail 'I can put Spindler on my growing list of favourite crime-fiction authors.' Evening Standard 'Has enough twists to keep you riveted right to the final page.' Image

Copycat

Five years ago, three young victims were found murdered, posed like little angels. No witnesses, no evidence left behind.

Last Known Victim

Rediscover this thrilling mystery from New York Times bestselling author Erica Spindler. In 2005, hurricane rescue workers made a grisly discovery at one of the massive refrigerator "graveyards"—six female hands. Captain Patti O'Shay, a by-the-books cop, is assigned to the case. But with the evidence lost to time and the elements, the heinous incident goes unsolved. The perpetrator, known only as "The Handyman," remains at large. Two years later Patti is still haunted by her own personal tragedy—her husband and fellow police captain was murdered in the post-storm chaos. But when a female victim missing her right hand is unearthed, Patti prepares to return to The Handyman investigation. She is unprepared, however, for what she finds at the crime scene—the victim's bones beside her husband's police badge. Casting aside all the rules, Patti is fearless in her quest to find the truth...because if she isn't, she could become The Handyman's last known victim.

See Jane Die

Nearly killed as a teenager by a hit-and-run boater, Jane Killian is a woman with everything to live for. A series of surgeries restored her lovely face. She's the toast of the Dallas art community, her sculptures lauded as both disturbing and beautiful. And Jane and her husband, plastic surgeon Dr. Ian Westbrook, are expecting their first child. Then a woman with ties to Ian is found brutally slain and the police make him their prime suspect. At first determined to prove her husband's innocence, Jane cannot escape her own growing doubts. Then her nightmare escalates. She begins receiving anonymous messages and quickly becomes convinced they're from him—the boater she always believed deliberately hit her and got away with it. Now Jane must face a terrifying truth. Her tormentor knows everything about her—her likes, her dislikes, her daily routine and, most frightening of all, her deepest fears. And he will use them mercilessly until he sees Jane dead.

The Final Seven

The first Saturday in July. A missing woman. The number seven carved into her door. The countdown has begun . . . Detective Micki Dare is a seasoned, no-nonsense cop. She doesn't need a partner, especially an irreverent charmer like Detective Zach Harris, who's fresh out of an 'experimental' FBI training programme. And Micki's assignment, to keep Zach alive while he fights crime using his special skills, is not what she signed up for. But the decision's been made and there's nothing she can do about it. Micki soon realises that there's more to her partner than meets the eye - and there's more at stake than just catching bad guys and closing cases. Because there's a new kind of evil lurking, something more cunning than she's ever encountered before. And she and Zach may be the only ones who can

stop it. As another victim goes missing and the darkness closes in, Micki acknowledges a terrifying truth: they might not make it. This time the evil they're facing might destroy them all . . . Full of twists and drama, *The Final Seven* is a compulsive and heart-pounding thriller that will keep you on the edge of your seat until the very last page.

Cause For Alarm

Nineteen-year-old Julianna Starr has chosen Kate and Richard to be more than the parents of her child.

Justice for Sara

A WOMAN DETERMINED TO UNCOVER THE TRUTH ABOUT HER PAST. When rebellious seventeen-year-old Katherine McCall awakened one morning to find her sister, Sara, viciously murdered, her whole life changed in the blink of an eye. Kat was named the prime suspect, charged, and tried—and found innocent. But not everyone agreed with the verdict, and Kat's only choice was to leave her family behind and go into hiding. She carried a dark secret with her for years...until, on the tenth anniversary of Sara's death, Kat receives an anonymous letter that reads: What about justice for Sara? **A KILLER WHO WILL STOP AT NOTHING TO KEEP THE TRUTH BURIED...** When Kat returns to her Louisiana hometown to investigate the days surrounding Sara's death she learns that the cost of justice may be too high. The murderer, who seems to have never left Liberty, is on her trail. In a place filled suspicion and secrets, Kat has only one ally: Sergeant Luke Tanner. He is the son of Liberty's former police chief, the very man who led the rush to judgment against her. With no one to trust and a killer fighting to keep a dark secret from coming to light, Kat must decide if justice is worth fighting—or dying—for. "Spindler's [novels] boast fast-paced action and emotional tension...for readers who like to keep guessing all the way to the end."—RT Book Reviews

The Look-Alike

From Erica Spindler, the New York Times bestselling author of *The Other Girl* and *Justice for Sara* comes *The Look-Alike*, a thrilling psychological drama about a woman who believes she escaped a brutal murder years ago—but does anyone else believe her? Sienna Scott grew up in the dark shadow of her mother's paranoid delusions. Now, she's returned home to confront her past and the unsolved murder that altered the course of her life. In her mother's shuttered house, an old fear that has haunted Sienna for years rears its ugly head—that it was she who had been the killer's target that night. And now, with it, a new fear—that the killer not only intended to remedy his past mistake—he's already begun. But are these fears any different from the ones that torment her mother? As the walls close in, the line between truth and lie, reality and delusion disintegrate. Has Sienna's worst nightmare come true? Or will she unmask a killer and finally prove she may be her mother's look-alike, but she's not her clone?

Don't Look Back

'I don't know why you came back to Liberty, Ms. McCall, but little towns have long memories. People don't forget. You'd be wise to keep that in mind.' Some secrets won't stay buried . . . Ten years ago, Kat McCall left her home town in Louisiana after being accused of murdering her sister. Now, despite the fact there are those in the town who are still convinced of her guilt, she has returned, determined to unearth the real killer. With the help of police officer Luke Tanner, Kat starts to get to the truth about who really killed her sister, but there are plenty of people who don't like her digging up secrets from the past... Utterly gripping and compulsively readable, *Don't Look Back* is the sensational new thriller from internationally bestselling author Erica Spindler.

All Fall Down

Murder? Or justice...? Men are dying unexpectedly in Charlotte, North Carolina – all victims of bizarre accidents. Or so it seems, until Detective Melanie May realises these men had something in common: they all slipped through the fingers of the justice system, accused of abuse but allowed to walk free.

Killer Takes All

Fortune

In this “high adventure of love’s triumph over twisted obsession” from a New York Times bestseller, a woman confronts her abusive past (Publishers Weekly). A mother’s ultimate sacrifice . . . A brother’s dark obsession . . . And one woman’s desperate fight for survival . . . Something dark and dangerous had long shadowed Skye Dearborn’s life. She had seen the fear of it in her mother’s eyes. It was there, locked in her memories of blood spilling across a gleaming floor. In the sound of her own screams. And in the terror she’d felt the night her mother disappeared. Then fortune smiled on Skye. With help she was able to put the horror behind her and look to the future. But now that same fortune is leading her into the arms of danger—and back into the nightmare of her past. For the evil that has haunted her dreams has a human form—a man obsessed with Skye since her birth. A man who alone knows who Skye Dearborn really is. And now that he has found her, he will do anything to keep her.

A Winter's Rose

The South comes alive in Book three of New York Times bestselling author Erica Spindler's fan-favorite Blossoms of the South series. A Winter's Rose Rugged Jackson Reese has a heartful of scars to prove you shouldn't trust a society princess. So his troubled daughter's latest "sitter" is worse than merely a thorn in his side—pampered, privileged Bentley Cunningham is the whole damn rose...complete with perfumed petals and a darkly rooted determination to succeed where others have failed. She might work magic on a pouty preteen, but can she convince Jackson she's the right woman for him?

Breakneck

Detective MC Riggio can't wait to get married. She is desperately in love with her fiancé Dan, and is counting down the days until the wedding. Best of all, her big Italian family have welcomed Dan with open arms, her mother ecstatic at the thought of more grandchildren. But MC never does marry Dan or have his children. A few weeks before the wedding day he is shot dead - and MC's world crumbles into pieces. Detective Kitt Lundgren is there to support her colleague. She knows grief only too well - her only daughter has recently died - and she knows that MC's only concern now will be to find out who killed her fiancé. So the two women work day and night to discover what happened to Dan. But there is a ruthless killer on the loose, a killer who knows no fear. And Kitt and MC have put themselves right in the firing line...

The Other Girl

From the New York Times bestselling author of Justice for Sara and The First Wife Erica Spindler comes The Other Girl, a chilling new thriller about a ritualistic murder of a college professor that sends a small town cop back into the trauma she thought she'd put behind her. "Explosive." —Publishers Weekly (starred review) "A fantastic thriller from one of the best in the genre!" —RT Reviews A horrific crime. One witness—a fifteen year old girl from the wrong side of the tracks, one known for lying and her own brushes with the law. Is it any surprise no one believed her? Officer Miranda Rader of the Harmony, Louisiana PD is known for her honesty, integrity, and steady hand in a crisis—but that wasn't always so. Miranda comes from the town of Jasper, a place about the size of a good spit on a hot day, and her side of the tracks was the wrong one. She's worked hard to earn the respect of her coworkers and the community. When Miranda and her partner are called to investigate the murder of one of the town's most beloved college professors, they're unprepared for the brutality of the scene. This murder is unlike any they've ever investigated, and just when Miranda thinks she's seen the worst of it, she finds a piece of evidence that chills her to the core: a faded newspaper clipping about that terrible night fifteen years ago. The night she'd buried, along with her past and the girl she'd been back then. Until now that grave had stayed sealed...except for those times, in the deepest part of the night, when the nightmares came: of a crime no one believed happened and the screams of the girl they believed didn't exist. Then another man turns up dead, this one a retired cop. Not just any cop—the one who took her statement that night. Two murders, two very different men, two killings that on the surface had nothing in common—except Miranda.

Slices of Night

A psychopath flies under the radar, moving from city to city, preying on the lost and forgotten. Three investigators - Detective Stacy Killian from the New Orleans P.D., Nashville Homicide Lieutenant Taylor Jackson, and FBI profiler Maggie O'Dell - collaborate to catch the killer. But can they succeed when he has slipped through the grasp of so many others? From three of today's most acclaimed thriller writers, Slices of Night offers readers a sneak peek into the lives of three very different investigators, in three very different settings, as they hunt for a killer who's able to disappear into the night.

Another high-society thriller from New York Times bestselling author Jane Stanton Hitchcock, Trick of the Eye is a tale of art, intrigue, and murder in a world where evil tarnishes privilege and nothing is what it appears to be. Trompe l'oeil artist Faith Cromwell is hired to paint the famed ballroom of an opulent Long Island estate, but her patron is obsessed with the long-unsolved murder of a daughter, and soon Faith begins to piece together the details of the grisly, shocking crime. The deeper Faith delves into the house's mystery, the more she realizes that she has inadvertently stepped into the starring role of a bizarre, and quite possibly fatal, charade. Like Social Crimes and One Dangerous Lady, Trick of the Eye is another highly sophisticated and deeply compelling mystery from master writer Jane Stanton Hitchcock.

Trick of the Eye

There is little dispute within the scientific community that humans are changing Earth's climate on a decadal to century time-scale. By the end of this century, without a reduction in emissions, atmospheric CO₂ is projected to increase to levels that Earth has not experienced for more than 30 million years. As greenhouse gas emissions propel Earth toward a warmer climate state, an improved understanding of climate dynamics in warm environments is needed to inform public policy decisions. In Understanding Earth's Deep Past, the National Research Council reports that rocks and sediments that are millions of years old hold clues to how the Earth's future climate would respond in an environment with high levels of atmospheric greenhouse gases. Understanding Earth's Deep Past provides an assessment of both the demonstrated and underdeveloped potential of the deep-time geologic record to inform us about the dynamics of the global climate system. The report describes past climate changes, and discusses potential impacts of high levels of atmospheric greenhouse gases on regional climates, water resources, marine and terrestrial ecosystems, and the cycling of life-sustaining elements. While revealing gaps in scientific knowledge of past climate states, the report highlights a range of high priority research issues with potential for major advances in the scientific understanding of climate processes. This proposed integrated, deep-time climate research program would study how climate responded over Earth's different climate states, examine how climate responds to increased atmospheric carbon dioxide and other greenhouse gases, and clarify the processes that lead to anomalously warm polar and tropical regions and the impact on marine and terrestrial life. In addition to outlining a research agenda, Understanding Earth's Deep Past proposes an implementation strategy that will be an invaluable resource to decision-makers in the field, as well as the research community, advocacy organizations, government agencies, and college professors and students.

Understanding Earth's Deep Past

A time to think about lives lived, choices made. A time for friends... Every week, four women have an unmissable appointment in their calendars: they meet for breakfast. Clare has just been through a devastating divorce. She's driven by anger and revenge—until she learns something that forces her to question her own actions and to look deep inside for the person she used to be. Elizabeth is a successful professional. A widow, she's determined not to waste another second of her life. And maybe that includes romantic possibilities... Karen is in her twenties, and she believes these should be the years for taking risks. She's working on her dream of being an actor, despite her mother's severe disapproval. Julia is turning forty this year. Her husband's career is established, her kids are finally teenagers and she's just started her own business. Everything's going according to plan—until she discovers she's pregnant. Over a meal and coffee, the friends talk, tell their stories, and offer each other encouragement and unfailing support. They share the truths they've discovered about their lives.

In this spinoff cozy mystery series opener, a small-town Georgia grandmother reminisces about the murder of the local floozy in the 1980s. As the Moonlight Magnolia Agency revisits old memories on Christmas Eve, Savannah Reid's grandmother, Granny Reid, looks back to the 1980s—back when she went by Stella, everyone's hair was bigger, and sweaters were colorful disasters. But murder never went out of style . . . Christmas has arrived in sleepy McGill, Georgia, but holiday cheer can't keep temperamental Stella Reid from swinging a rolling pin at anyone who crosses her bad side—and this season, there are plenty. First an anonymous grinch vandalizes a celebrated nativity display. Far worse, the scandalous Prissy Carr is found dead in an alley behind a tavern. With police puzzled over the murder, Stella decides to stir the local gossip pot for clues on the culprit's identity . . . Turns out Prissy held a prominent spot on the naughty list, and suspects pile up like presents on Christmas morning. Unfortunately, the more progress Stella makes, the more fears she must confront. With a neighbor in peril and the futures of her beloved grandchildren at risk, Stella must somehow set everything straight and bring a cunning criminal to justice before December 25 . . . Praise for *Murder in Her Stocking* "Tender . . . Other story lines . . . pack an emotional punch and add a poignant layer to this enjoyable cozy. Readers will look forward to Stella's further adventures." —Publishers Weekly "McKevett gives us a sometimes sassy and sometimes stern yet always relatable protagonist in Stella, whose juxtaposition of strength and vulnerability beautifully embodies the complexities and dynamism of real, everyday women." —Criminal E

The Innocent is another action-packed thriller from David Baldacci, one of the world's most popular writers. He could no longer remember the names of all the people whose lives he had ended . . . Master assassin Will Robie is the man the US government call to eliminate their most ruthless enemies at home or abroad. He never questions his orders, and he never misses his mark. He's just returned from a covert assignment in Edinburgh to neutralize a growing threat, having drawn upon all his expertise to complete his mission and disappear without a trace. The odds were stacked against him, but that's never made a difference before. But now he's facing the most difficult operation of his career. Dispatched to kill a US government employee, he does the unthinkable when things don't add up – he refuses to pull the trigger. In doing so, Robie finds himself becoming the target. On the run from his own government and with everything on the line, does he need to change sides to save lives – including his own? The Innocent is the first novel in David Baldacci's blockbuster Will Robie series. Continue the series with The Hit.

Murder in Her Stocking

The history of chemistry and pharmaceutical sciences is an impressive success story. The products of chemical and pharmaceutical industries are present everywhere in our everyday life. They help to pursue the modern way of living and they contribute to our high standard of living and safety, mobility, communication technologies, food, health, textiles and drinking water treatment, among many others. These products are labeled under the categories: pharmaceuticals, pesticides, detergents, fertilizers, dyes, paints, preservatives, food additives and personal care products, to name a few. Within these categories, groups of chemicals with similar structures can be found. However, often groups of chemicals with very different structures belong to the same category. For a long time the production of chemicals and pharmaceuticals, their usage and application was connected with the heavy pollution of the environment and serious health effects. At the end of the last century, it was realised that the

products of chemical and pharmaceutical industries are presenting a new type of environmental pollution that may also pose a health risk to the consumer. Most chemicals are used in so-called open applications in excessive amounts e. g. for personal care, hygiene, plant protection, health and in textiles. In many cases such as scents, detergents, textile chemicals, surface disinfectants, pesticides and others it is unavoidable that these chemicals are released into the environment according to their intended use.

The Innocent

Wanted: One roommate to share a 3-bedroom house, split the rent, and ideally not be the guy I can't stop thinking about. I'm a man with too many secrets, so the last thing I need is a new roommate with a sexy smile and blue eyes that see right through me. Eight years ago, Roderick left town after high school. We're not friends. I owe him nothing. But back then, I let one of my secrets slip, and he's the only one who noticed. Part of me knows I should run far, far away. But the other part wants him to come upstairs and spend the night. But if I let him in, I could lose everything. Seeking: a room to rent in town. I'm tidy, have no pets, and I will feed you homemade bread. I should probably add: Gay AF, and has no filter. It's no wonder my new landlord is so wary of me. A smarter man would ignore those hot glances from Kieran Shipley. The broody lumberjack wants more from me than another homemade pretzel, but if I push my luck, I'll end up back on the street. Too bad I've never been smart with my heart... Passionate, sexy, and emotional, Roommate brings all the feels and all the delicious heat! Lauren Blakely, #1 NYT Bestselling Author of One Time Only You'll want to curl up with this page turner all night long! New York Times bestselling author Kendall Ryan ***** For fans of: Annabeth Albert, Trina Solet, Jay Bell, J.M. Snyder, Devon Cross, T.J. Lorenzo, Eden Finley, L.A. Xenobiotics in the Urban Water Cycle

Thirteen chilling short stories to keep you up at night--but only if you dare. You never know what's out to get you. Though you might think you're safe from monsters and menaces, everyday objects can turn against you, too. A mysterious microwave. A threatening board game. A snowman that refuses to melt. Even your own heartbeat has its secrets. Thu-thump. Thu-thump. When you stop to listen, each beat sounds more menacing than the last. Master storyteller Josh Allen brings thirteen nightmare scenarios to life in this page-turning collection that's perfect for budding horror junkies. In his wondrous world, danger waits behind every doorway . . . even in the most ordinary places. Eerie illustrations by award-winning artist Sarah Coleman accompany the stories, packaged in a stunning hardcover edition complete with glow-in-the-dark jacket. Readers will sleep with one eye open!

Roommate

When a new bookstore in the County Cork Irish village of Kilbane closes the book on an author's life, it's up to Garda Siobhán O'Sullivan to resolve the story . . . Between training the new town garda and trying to set a wedding date with her fiancé, Macdara Flannery, Siobhán is feeling a bit overwhelmed. But an author event at the new bookstore featuring Irish writers taking up residency in Kilbane offers a welcome distraction. One author, Deirdre Walsh, spends more time complaining about the unfairness of the publishing industry and megastar bestselling authors like Nessa Lamb instead of her own body of work. After the evening ends in a battle of words, Deirdre's body is found the next day in the back of the store—with pages torn from Nessa's books stuffed in her mouth. Now, Siobhán must uncover which of Kilbane's literary guests took Deirdre's criticisms so personally they engaged in foul play . . . “A mélange of clues from classic mysteries plus plenty of Irish charm produce an enjoyable read.” —Kirkus Reviews “Outstanding . . . O'Connor reinforces her place as the queen of the cozy police procedural.” —Publishers Weekly (starred review)

Only If You Dare

A brilliant Rex Stout murder mystery featuring Nero Wolfe and Archie Goodwin A bomb explodes in the desk drawer of a top TV executive. Was it intended for him or the man who opened the drawer? They each had enemies enough to die a dozen times over. Was it the jealous wife or the ambitious partner? The secretary who got passed around like an inter-office memo? Or the man who couldn't wash the blood off his hands? Nero Wolfe didn't want any part of it—but he was up to his neck in the

toughest case of his career! “It is always a treat to read a Nero Wolfe mystery. The man has entered our folklore.”—The New York Times Book Review

Murder in an Irish Bookshop

In this bare-knuckled adrenaline ride from New York Times bestselling author Erica Spindler, Alex Clarkson's worst nightmares are about to come true... A sinister, hooded figure... When Alexandra Clarkson starts having terrifying visions filled with blood and ceremonial images, she tries to find a rational explanation – maybe her mind is playing tricks on her, resurrecting creepy tableaux from her research on religious ceremonies and sects. But when Alex's mother, Patsy, commits suicide without leaving behind any information, Alex is left wondering: could she be haunted by something from the childhood she doesn't remember? Naked, writhing bodies... Detective Daniel Reed was the last person to speak to Patsy. What he reveals to Alex is shocking. Twenty-five years earlier, Patsy was married to Harlan Sommer, one of Sonoma County's most prominent vintners, when their infant son disappeared without a trace. The loss destroyed the Sommers' marriage, causing Patsy to leave and take Alex with her. A dead child... Called on to investigate the identity of a baby's remains unearthed in a Sonoma vineyard, Reed had picked up a trail that led him to Patsy in San Francisco. Now Reed and Alex both wonder if the cold bones could be her baby brother Dylan, and Alex decides to accompany Reed back to Sonoma for the investigation. No sooner does she arrive, however, than she is drawn deep into the search for a twisted killer...

Please Pass the Guilt

As a child, Bailey Browne dreamed of a knight in shining armor swooping in to rescue her and her mother. As she grows older, those dreams transform, becoming ones of a mysterious stranger who will sweep her off her feet and whisk her away from her ordinary existence. Then, suddenly, there he is. Despite the ten year difference in their ages, her working class upbringing and his of privilege, Logan Abbott and Bailey fall deeply in love. Marriage quickly follows. But when Logan brings her home to his horse farm in Louisiana, a magnificent estate on ninety wooded acres, her dreams of happily-ever-after begin to unravel. A tragic family history she knew nothing about surfaces, plus whisperings about the disappearance of his first wife, True, and rumors about the women from the area who have gone missing—and when another woman disappears, all signs point to her husband's involvement. At first Bailey ignores the whispers, even circumstantial evidence against Logan mounts. But finally, Bailey must make a choice: believe what everyone says—or bet her life on the man she loves, but is realizing she hardly knows. From the author of Justice for Sara, Erica Spindler's The First Wife is a thrilling new novel that will have you gasping on every page.

While it's clear that there isn't a single gene that causes depression, data do suggest that there are genetic factors, likely a combination of genetics that affects brain function.

In a study of cab drivers in London, MRI scans revealed that when compared to controls, there were structural differences in their hippocampus (a part of the brain known to deal with spatial learning and memory).

Medications commonly prescribed for depression inhibit the reuptake of dopamine and serotonin, and have also been shown to affect the expression of neurotrophins.

We can't experiment on live human brains in the lab, so outside of tools like MRI we often have to rely on animal models, and it's really hard to study something like depression in rodents.

We have tests to represent "depression-like behaviors" in non-human animals, but there are big questions about whether those tests are really getting at the human experience.

The Masterpieces of Shirley Jackson

This is a collection of three horror stories by Shirley Jackson: The Haunting of Hill House, The Turn of the Screw and The Lottery.

Shirley Jackson

Presents a brief biography of Shirley Jackson, thematic and structural analysis of her works, critical views, and an index of themes and ideas.

Life Among the Savages

A darkly funny account of family life from the author of The Haunting of Hill House and The Lottery 'Sometimes, in my capacity as a mother, I find myself sitting open-mouthed and terrified before my own children' As well as being a master of the macabre, Shirley Jackson was also a pitch-perfect chronicler of everyday family life. In Life Among the Savages, her caustically funny account of raising her children in a ramshackle house in Vermont, she deals with rats in the cellar, misbehaving imaginary friends, an oblivious husband and ever-encroaching domestic chaos, all described with wit, warmth and plenty of bite. 'Jackson's family chronicles have a genuinely subversive aspect ... Read today, her pieces feel

surprisingly modern - mainly because she refuses to sentimentalize or idealize motherhood' The New York Times Book Review 'Comic masterpieces, laced with hints of the discontent that lies beneath' Guardian

Come Along with Me

A bewitchingly brilliant collection of never-before-published letters from the renowned author of "The Lottery" and *The Haunting of Hill House* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS • "This biography-through-letters gives an intimate and warm voice to the imagination behind the treasury of uncanny tales that is Shirley Jackson's legacy."—Joyce Carol Oates Shirley Jackson is one of the most important American authors of the last hundred years and among our greatest chroniclers of the female experience. This extraordinary compilation of personal correspondence has all the hallmarks of Jackson's beloved fiction: flashes of the uncanny in the domestic, sparks of horror in the quotidian, and the veins of humor that run through good times and bad. I am having a fine time doing a novel with my left hand and a long story—with as many levels as grand central station—with my right hand, stirring chocolate pudding with a spoon held in my teeth, and tuning the television with both feet. Written over the course of nearly three decades, from Jackson's college years to six days before her early death at the age of forty-eight, these letters become the autobiography Shirley Jackson never wrote. As well as being a bestselling author, Jackson spent much of her adult life as a mother of four in Vermont, and the landscape here is often the everyday: raucous holidays and trips to the dentist, overdue taxes and frayed lines of Christmas lights, new dogs and new babies. But in recounting these events to family, friends, and colleagues, she turns them into remarkable stories: entertaining, revealing, and wise. At the same time, many of these letters provide fresh insight into the genesis and progress of Jackson's writing over nearly three decades. The novel is getting sadder. It's always such a strange feeling—I know something's going to happen, and those poor people in the book don't; they just go blithely on their ways. Compiled and edited by her elder son, Laurence Jackson Hyman, in consultation with Jackson scholar Bernice M. Murphy and featuring Jackson's own witty line drawings, this intimate collection holds the beguiling prism of Shirley Jackson—writer and reader, mother and daughter, neighbor and wife—up to the light.

The Letters of Shirley Jackson

From the author of *The Haunting of Hill House* and *We Have Always Lived in the Castle*, four classic novels of subtle psychological horror. Shirley Jackson--the beloved author of *The Lottery*, *The Haunting of Hill House*, and *We Have Always Lived in the Castle*--is more and more being recognized as one of the finest writers of the American gothic tradition, a true heir of Edgar Allan Poe and Henry James. Now, Jackson's award-winning biographer Ruth Franklin gathers the subtle, chilling, hypnotic novels with which she began her unique career. Her haunting debut tale *The Road Through the Wall* (1948) explores the secret desires, petty hatreds, and ultimate terrors that lurk beneath the picture-perfect domesticities of a suburban California neighborhood. In *Hangsaman* (1951)--inspired by the real-life disappearance of a Bennington College sophomore--the precocious but lonely Natalie Waite grows increasingly dependent on an imaginary friend. *The Bird's Nest* (1954) has not one but four protagonists: the shy, demure young Elizabeth and, revealed with a series of surprising twists, her other, multiple personalities. At the beginning of *The Sundial* (1958), the eccentric Halloran clan, gathered at the family manse for a funeral, becomes convinced that the world is about to end and that only those who remain in the house shall be saved. In what is perhaps her most unsettling novel, Jackson follows their crazed, violent preparations for the afterlife. Here is the perfect companion to *Shirley Jackson: Novels & Stories*, Library of America's edition of Jackson's landmark story collection, *The Lottery*, and her brilliant late novels *The Haunting of Hill House* and *We Have Always Lived in the Castle*.

Shirley Jackson: Four Novels of the 1940s & 50s (LOA #336)

The creeping unease of lives squandered and the bloody glee of lives lost are chillingly captured in these tales of wasted potential and casual cruelty by a master of the short story.

The Lottery and Other Stories

Shirley Jackson was one of America's most prominent female writers of the 1950s. Between 1948 and 1965 she published six novels, one best-selling story collection, two popular volumes of her family chronicles and many stories, which ranged from fairly conventional tales for the women's magazine

market to the ambiguous, allusive, delicately sinister and more obviously literary stories that were closest to Jackson's heart and destined to end up in the more highbrow end of the market. Most critical discussions of Jackson tend to focus on "The Lottery" and *The Haunting of Hill House*. An author of such accomplishment--and one so fully engaged with the pressures and preoccupations of postwar America--merits fuller discussion. To that end, this collection of essays widens the scope of Jackson scholarship with new writing on such works as *The Road through the Wall* and *We Have Always Lived in the Castle*, and topics ranging from Jackson's domestic fiction to ethics, cosmology, and eschatology. The book also makes newly available some of the most significant Jackson scholarship published in the last two decades.

A Companion to American Gothic

Family squabbles and apocalyptic prophecies come together in this unique, wonderful novel. In the wake of the Halloran family's patriarch falling (or, perhaps, being pushed) down the stairs, his elderly mother seizes control of the family home and threatens to kick many of the inhabitants out. This alone would be enough to cause an uproar, but his sister sees a vision in which he foretells a coming apocalypse that will only spare those left in Halloran house. Now the family must prepare for the coming of a strange, new world – and determine if anyone else will be invited to join them. The Shirley Jackson Collection

A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.

The Lottery

The unsettling story of a young woman's descent into mental illness, from the author of *The Haunting of Hill House* and *We Have Always Lived at the Castle*. 'An amazing writer' Neil Gaiman Elizabeth Richmond is almost too quiet to be believed, with no friends, no parents, and a job that leaves her strangely unnoticed. But soon she starts to behave in ways she can neither control nor understand, to the increasing horror of her doctor, and the humiliation of her self-centred aunt. As a tormented Elizabeth becomes two people, then three, then four, each wilder and more wicked than the last, a battle of wills threatens to destroy the girl and all who surround her. *The Bird's Nest* is a macabre journey into who we are, and how close we sometimes come to the brink of madness. Shirley Jackson's chilling tales of creeping unease and casual cruelty have the power to unsettle and terrify unlike any other. She was born in California in 1916. When her short story *The Lottery* was first published in *The New Yorker* in 1948, readers were so horrified they sent her hate mail; it has since become one of the most iconic American stories of all time. Her first novel, *The Road Through the Wall*, was published in the same year and was followed by five more: *Hangsamen*, *The Bird's Nest*, *The Sundial*, *The Haunting of Hill House* and *We Have Always Lived in the Castle*, widely seen as her masterpiece. Shirley Jackson died in her sleep at the age of 48. 'The world of Shirley Jackson is eerie and unforgettable ... It is a place where things are not what they seem; even on a morning that is sunny and clear there is always the threat of darkness looming, of things taking a turn for the worse' - A. M. Homes Shirley Jackson is unparalleled as a leader in the field of beautifully written, quiet, cumulative shudders' - Dorothy Parker

'Shirley Jackson is one of those highly idiosyncratic, inimitable writers ... whose work exerts an enduring spell' - Joyce Carol Oates

The Bird's Nest

An examination of the novels and short stories of the modern American writer concentrates on such well-known works as *The Lottery* and *The Haunting of Hill House*.

Shirley Jackson

Still known to millions primarily as the author of the "The Lottery," Shirley Jackson (1916–1965) has been curiously absent from the mainstream American literary canon. A genius of literary suspense and psychological horror, Jackson plumbed the cultural anxiety of postwar America more deeply than anyone. Now, biographer Ruth Franklin reveals the tumultuous life and inner darkness of the author of such classics as *The Haunting of Hill House* and *We Have Always Lived in the Castle*. Placing Jackson within an American Gothic tradition that stretches back to Hawthorne and Poe, Franklin demonstrates how her unique contribution to this genre came from her focus on "domestic horror." Almost two decades before *The Feminine Mystique* ignited the women's movement, Jackson's stories and nonfiction chronicles were already exploring the exploitation and the desperate isolation of women, particularly married women, in American society. Franklin's portrait of Jackson gives us "a way of reading Jackson and her work that threads her into the weave of the world of words, as a writer and as a woman, rather than excludes her as an anomaly" (Neil Gaiman). The increasingly prescient Jackson emerges as a ferociously talented, determined, and prodigiously creative writer in a time when it was unusual for a woman to have both a family and a profession. A mother of four and the wife of the prominent New Yorker critic and academic Stanley Edgar Hyman, Jackson lived a seemingly bucolic life in the New England town of North Bennington, Vermont. Yet, much like her stories, which channeled the occult while exploring the claustrophobia of marriage and motherhood, Jackson's creative ascent was haunted by a darker side. As her career progressed, her marriage became more tenuous, her anxiety mounted, and she became addicted to amphetamines and tranquilizers. In sobering detail, Franklin insightfully examines the effects of Jackson's California upbringing, in the shadow of a hypercritical mother, on her relationship with her husband, juxtaposing Hyman's infidelities, domineering behavior, and professional jealousy with his unerring admiration for Jackson's fiction, which he was convinced was among the most brilliant he had ever encountered. Based on a wealth of previously undiscovered correspondence and dozens of new interviews, Shirley Jackson—an exploration of astonishing talent shaped by a damaging childhood and turbulent marriage—becomes the definitive biography of a generational avatar and an American literary giant.

Shirley Jackson: A Rather Haunted Life

Winner • National Book Critics Circle Award (Biography) Winner • Edgar Award (Critical/Biographical) Winner • Bram Stoker Award (Nonfiction) A New York Times Notable Book A Washington Post Notable Nonfiction Pick of the Year Named one of the Best Books of the Year by Entertainment Weekly, NPR, TIME, Boston Globe, NYLON, San Francisco Chronicle, Seattle Times, Kirkus Reviews, and Booklist In this "thoughtful and persuasive" biography, award-winning biographer Ruth Franklin establishes Shirley Jackson as a "serious and accomplished literary artist" (Charles McGrath, New York Times Book Review). Instantly heralded for its "masterful" and "thrilling" portrayal (Boston Globe), Shirley Jackson reveals the tumultuous life and inner darkness of the literary genius behind such classics as "The Lottery" and *The Haunting of Hill House*. In this "remarkable act of reclamation" (Neil Gaiman), Ruth Franklin envisions Jackson as "belonging to the great tradition of Hawthorne, Poe and James" (New York Times Book Review) and demonstrates how her unique contribution to the canon "so uncannily channeled women's nightmares and contradictions that it is 'nothing less than the secret history of American women of her era'" (Washington Post). Franklin investigates the "interplay between the life, the work, and the times with real skill and insight, making this fine book a real contribution not only to biography, but to mid-20th-century women's history" (Chicago Tribune). "Wisely rescu[ing] Shirley Jackson from any semblance of obscurity" (Lena Dunham), Franklin's invigorating portrait stands as the definitive biography of a generational avatar and an American literary genius.

Shirley Jackson: A Rather Haunted Life

The perfect read for Halloween, this new hardback volume of Jackson's finest stories reveals the queen of American gothic at her unsettling, mesmerising best There's something nasty in suburbia. In these

deliciously dark tales, the daily commute turns into a nightmarish game of hide and seek, the loving wife hides homicidal thoughts and the concerned citizen might just be an infamous serial killer. In the haunting world of Shirley Jackson, nothing is as it seems and nowhere is safe, from the city streets to the country manor, and from the small-town apartment to the dark, dark woods...

We Have Always Lived in the Castle

Stories of magic, superstition, and witchcraft were strictly forbidden in the little town of Salem Village. But a group of young girls ignored those rules, spellbound by the tales told by a woman named Tituba. When questioned about their activities, the terrified girls set off a whirlwind of controversy as they accused townspeople after townspeople of being witches. Author Shirley Jackson examines in careful detail this horrifying true story of accusations, trials, and executions that shook a community to its foundations.

SHIRLEY JACKSON

The dark side of life lurks just around the corner from the safe avenues of the familiar. In *Mistresses of the Dark*, twenty-five leading female writers dare to stray from the path of the ordinary and venture into the shadows. Nadine Gordimer imagines a nightmare relationship between a father and son. Eudora Welty and Flannery O'Connor conjure grim Gothic visions of private desperation. Specters of loss haunt tales by Alison Lurie and A. S. Byatt, and an atmosphere of unease blows through stories by Shirley Jackson and Doris Lessing. The contributors include a Nobel laureate, a Pulitzer Prize winner, and recipients of the Booker Prize and the National Book Award.

Mistresses of the Dark

'Hilarious, subversive, sharp without being lethal, and loving without an ounce of sentiment, Shirley Jackson's more-or-less autobiographical account of life as a mother of four and faculty wife (and brilliant writer) is an eternal, comic joy' Amy Bloom 'Our new house was waiting for us, eager, expectant, and empty' Shirley Jackson skewered the trials of domestic life in 1950s America with wry wit and uncanny precision. In this sequel to *Life Among the Savages*, her four offspring have now grown into fully-fledged demons. As their house starts to burst at the seams, the Jackson clan somehow manage (without really planning it) to move into a larger home, only to take the chaos - absent furniture, vanishing children, misbehaving refrigerators, an avalanche of books - right along with them.

The Magic of Shirley Jackson

This exceptional compilation contains more than fifty short stories, novellas and poems, both classic and modern, by some of the most distinguished writers of all time. Masterful works by Bram Stoker, H.P. Lovecraft, Mary Shelley, Sheridan LeFanu, Isaac Bashevis Singer, Tennessee Williams, Isaac Asimov, J.R.R. Tolkien, in addition to little-known masterpieces of fantasy and terror by such authors as Stanley Ellin, Patricia Highsmith, John Dickson Carr and Damon Runyon, make this one of the most wide-ranging, outstanding collections of its kind. Marvin Kaye provides fascinating prefatory notes to each selection and an annotated bibliography of other recommended reading, as well as an Introduction and Afterword providing further insights into the genres of terror and the supernatural.

Raising Demons

The sweep of the book encompasses almost two centuries as it reconsiders in detail such classics of literature as Mary Shelley's *Frankenstein*, tales of Edgar Allan Poe, Robert Louis Stevenson's *The Strange Case of Dr. Jekyll and Mr.*

The Summer People

The house next door to the Kennedys appears to be haunted by an all-pervasive evil, and the couple watches as a succession of owners becomes engulfed by the sinister force, until the Kennedys set out to destroy the house themselves.

Masterpieces of Terror and the Supernatural

A collection of the best science fiction short stories of the 20th century as selected and evaluated by critically-acclaimed author Orson Scott Card. Featuring stories from the genre's greatest authors: Isaac Asimov • Arthur C. Clarke • Robert A. Heinlein • Ursula K. Le Guin • Ray Bradbury • Frederik Pohl • Harlan Ellison • George Alec Effinger • Brian W. Aldiss • William Gibson & Michael Swanwick • Theodore Sturgeon • Larry Niven • Robert Silverberg • Harry Turtledove • James Blish • George R. R. Martin • James Patrick Kelly • Karen Joy Fowler • Lloyd Biggle, Jr. • Terry Bisson • Poul Anderson • John Kessel • R.A. Lafferty • C.J. Cherryh • Lisa Goldstein • Edmond Hamilton In much of the science fiction of the past, the twenty-first century existed only in the writers' imaginations. Now that it's here, it's time to take a look back at the last one hundred years in science fiction through the works of the most celebrated and acclaimed authors of the century—to see where we've been and just how far we've come. Along with a critical essay by Orson Scott Card reassessing science fiction in the twentieth century, *Masterpieces* includes short fiction by writers who have forged a permanent place for science fiction in the popular culture of today...and tomorrow. It offers a glimpse of the greatest works that mixed science with fiction in trying to figure out humanity's place in the universe. Featuring bold, brave, and breathtaking stories, this definitive collection will stand the test of time in both this century and those to come.

75 Short Masterpieces: Stories from the World's Literature

With a stunning new cover look, King's chilling classic of a small new England town about to be engulfed in terror. Turn off the television - in fact, why don't you turn off all the lights except for the one over your favourite chair? - and we'll talk about vampires here in the dim. I think I can make you believe in them. Stephen King, from the Introduction. 'Salem's Lot is a small New England town with the usual quota of gossips, drinkers, weirdos and respectable folk. Of course there are tales of strange happenings - but not more than in any other town its size. Ben Mears, a moderately successful writer, returns to the Lot to write a novel based on his early years, and to exorcise the terrors that have haunted him since childhood. The event he witnessed in the house now rented by a new resident. A newcomer with a strange allure. A man who causes Ben some unease as things start to happen: a child disappears, a dog is brutally killed - nothing unusual, except the list starts to grow. Soon surprise will turn to bewilderment, bewilderment to confusion and finally to terror . . .

More Things Than are Dreamt of

Shirley Jackson and Domesticity takes on American horror writer Shirley Jackson's domestic narratives – those fictionalized in her novels and short stories as well as the ones captured in her memoirs – to explore the extraordinary and often supernatural ways domestic practices and the ecology of the home influence Jackson's storytelling. Examining various areas of homemaking – child-rearing and reproduction, housekeeping, architecture and spatiality, the housewife mythos – through the theoretical frameworks of gothic, queer, gender, supernatural, humor, and architectural studies, this collection contextualizes Jackson's archive in a Cold War framework and assesses the impact of the work of a writer seeking to question the status quo of her time and culture.

The House Next Door

NOW A MAJOR MOTION PICTURE STARRING ELIZABETH MOSS AND MICHAEL STUHLBARG!
“Susan Scarf Merrell brilliantly weaves events from Shirley Jackson’s life into a hypnotic story line”
in this darkly thrilling novel about the author of *The Haunting of Hill House* and *The Lottery*. Two imposing literary figures are at the heart of this captivating novel: celebrated author Shirley Jackson and her husband, Stanley Edgar Hyman, a literary critic and professor at Bennington College. When

a young graduate student and his pregnant wife—Fred and Rose Nemser—move into Shirley and Stanley's home in the fall of 1964, they quickly fall under the magnetic spell of their brilliant and unconventional hosts. While Fred becomes preoccupied with his teaching schedule, Rose forms an unlikely, turbulent friendship with the troubled and unpredictable Shirley. Fascinated by the Hymans' volatile marriage and inexplicably drawn to the darkly enigmatic author, Rose nonetheless senses something amiss—something to do with nightly unanswered phone calls and inscrutable accounts of a long-missing female student. Chillingly atmospheric and evocative of Jackson's own classic stories, *Shirley* is an elegant thriller with one of America's greatest horror writers at its heart. *The Washington Post

Masterpieces

Shirley Jackson's *Hangsamen* is a story of lurking disquiet and haunting disorientation, inspired by the real-life, unsolved disappearance of a female college student. 'Shirley Jackson's stories are among the most terrifying ever written' Donna Tartt, author of *The Goldfinch* Natalie Waite, daughter of a mediocre writer and a neurotic housewife, is increasingly unsure of her place in the world. In the midst of adolescence she senses a creeping darkness in her life, which will spread among nightmarish parties, poisonous college cliques and the manipulations of the intellectual men who surround her, as her identity gradually crumbles. This edition includes a Foreword by Francine Prose. Shirley Jackson's chilling tales have the power to unsettle and terrify unlike any other. She was born in California in 1916. When her short story *The Lottery* was first published in *The New Yorker* in 1948, readers were so horrified they sent her hate mail; it has since become one of the greatest American stories of all time. Her first novel, *The Road Through the Wall*, was published in the same year and was followed by five more: *Hangsamen*, *The Bird's Nest*, *The Sundial*, *The Haunting of Hill House* and *We Have Always Lived in the Castle*, widely seen as her masterpiece. Shirley Jackson died in her sleep at the age of 48. 'An amazing writer' Neil Gaiman 'The world of Shirley Jackson is eerie and unforgettable ... It is a place where things are not what they seem; even on a morning that is sunny and clear there is always the threat of darkness looming, of things taking a turn for the worse' A. M. Homes 'Shirley Jackson is unparalleled as a leader in the field of beautifully written, quiet, cumulative shudders' Dorothy Parker

'Salem's Lot

' "Of course, no one would want to say anything about a girl like this that's missing..." ' Malice, paranoia and creeping dread lie beneath the surface of ordinary American life in these chilling miniature masterworks of unease. Penguin Modern: fifty new books celebrating the pioneering spirit of the iconic Penguin Modern Classics series, with each one offering a concentrated hit of its contemporary, international flavour. Here are authors ranging from Kathy Acker to James Baldwin, Truman Capote to Stanislaw Lem and George Orwell to Shirley Jackson; essays radical and inspiring; poems moving and disturbing; stories surreal and fabulous; taking us from the deep South to modern Japan, New York's underground scene to the farthest reaches of outer space.

Shirley Jackson and Domesticity

"As we approach the centenary of [Jackson's] birth comes this ... compilation of fifty-six pieces--more than forty of which have never been published before. Two of Jackson's children co-edited this volume, culling through the vast archives of their mothers papers at the Library of Congress, selecting only the very best for inclusion"--Dust jacket flap.

Shirley

"52 great authors, their best short fiction, and their insights on writing"--Cover.

*Winner of the 2019 Shirley Jackson Awards for Novel *The Believer Book Awards, 2019: Editors' Longlists in Fiction *The Northern California 'Golden Poppy' Book Awards 2019, Fiction longlist *2020 VCU Cabell First Novelist Award Longlist *A Best Book of 2019 —Vulture, Entropy, Buzzfeed, Thrillist "Etter brilliantly, viciously lays bare what it means to be a woman in the world, what it means to hurt, to need, to want, so much it consumes everything." —Roxane Gay, author of *Bad Feminist* "I loved every page of this gorgeous, grotesque, heartbreaking novel." —Carmen Maria Machado, author of *Her Body and Other Parties* A surreal exploration of one woman's life and death against a landscape of meat,

office desks, and bad men. The Book of X tells the tale of Cassie, a girl born with her stomach twisted in the shape of a knot. From childhood with her parents on the family meat farm, to a desk job in the city, to finally experiencing love, she grapples with her body, men, and society, all the while imagining a softer world than the one she is in. Twining the drama of the everyday — school-age crushes, paying bills, the sickness of parents — with the surreal — rivers of thighs, men for sale, and fields of throats — Cassie's realities alternate to create a blurred, fantastic world of haunting beauty.

The Missing Girl

A darkly luminous new anthology collecting the most terrifying horror stories by renowned female authors, presenting anew these forgotten classics to the modern reader. Readers are well aware that Mary Shelley wrote *Frankenstein*: few know how many other tales of terror she created. In addition to *Uncle Tom's Cabin*, Harriet Beecher Stowe wrote some surprisingly effective horror stories. The year after *Little Women* appeared, Louisa May Alcott published one of the first mummy tales. These ladies weren't alone. From the earliest days of Gothic and horror fiction, women were exploring the frontiers of fear, dreaming dark dreams that will still keep you up at night. *More Deadly than the Male* includes unexpected horror tales by Louisa May Alcott and Harriet Beecher Stowe, and forgotten writers like Mary Cholmondeley and Charlotte Riddell, whose work deserves a modern audience. Readers will be drawn in by the familiar names and intrigued by their rare stories. In *The Beckside Boggle*, Alice Rea brings a common piece of English folklore to hair-raising life, while Helene Blavatsky, best known as the founder of the spiritualist Theosophical Society, paints a picture of *A Witch's Den* as vivid as any vision conjured up by the great pulp writers. Edith Wharton's great novel *The Age of Innocence* won her the Pulitzer prize, yet her horror stories are known only to a comparative few. Readers will discover lost and forgotten women who wrote horror every bit as effectively as their male contemporaries. They will learn about their lives and careers, the challenges they faced as women working in a male-dominated field, the way they overcame those challenges, and the way they approached the genre—which was often subtler, more psychological, and more disturbing.

Let Me Tell You

A collection of chilling tales from the dark heart of American literature. A masquerade ball cut short by a mysterious plague; a strange nocturnal ritual in the woods; a black bobcat howling in the night: these ten tales are some of the most strange and unsettling in all of American literature, filled with unforgettable imagery and simmering with tension. From Edgar Allan Poe to Shirley Jackson, Nathaniel Hawthorne to Zora Neale Hurston, the authors of these classics of supernatural suspense have inspired generations of writers to explore the dark heart of the land of the free. The stories in this collection have been selected and introduced by Laird Hunt, an author of seven acclaimed novels which explore the shadowy corners of American history. Contains: 'The Masque of the Red Death', Edgar Allan Poe 'Young Goodman Brown', Nathaniel Hawthorne 'The Eyes', Edith Wharton 'The Mask', Robert Chambers 'Home', Shirley Jackson 'A Ghost Story', Mark Twain 'Spunk', Zora Neale Hurston 'The Yellow Wallpaper', Charlotte Perkins Gilman 'An Itinerant House', Emma Frances Dawson. Laird Hunt is an American writer and translator. He has written seven novels, including *Neverhome*, which was a *New York Times* Book Review Editor's Choice selection, an IndieNext selection, winner of the Grand Prix de Littérature Américaine and The Bridge prize, and a finalist for the Prix Femina Étranger. His *In the House in the Dark of the Woods* is also available from Pushkin Press. A resident of Boulder, CO, he is on the faculty in the creative writing PhD program at the University of Denver.
