Dirty Fighter

From the bestselling authors of Tempting Me comes another bad boy romance. Everyone has a dark past they would rather not dig up... Adam: I know what it's like growing up in a house like that. I had to do some things I'm not proud for. But it was all for her. I would do anything to protect her. But then we had to go our own ways, and I ended up taking part in underground MMA fights to live while on the run from the cops. She's back in town. It's been a few years since I've seen Brooklyn. I want her so bad. I wonder if she feels the same, after all this time? I still haven't told her my deadly secret... Brooklyn: Yea we were well off, but that was just for show. My dad was just another abuser. Adam was in school with me, though I thought he was a prick. Boy, was I wrong about that. He was there at my lowest point but we couldn't be together then. I've been living the dream working in Hollywood on the big screen. I just wish I had someone to share it with. My mom died so I had to go back to town. The same town I vowed not to ever go back. I wonder if anyone will know where Adam is now? I never got to tell him my deepest, most lethal secret. Dirty Fighter is a bad boy MMA romance with some mature themes. This is book five in the City Bad Boys Series. There is NO cheating, NO cliffhanger, and a guaranteed happy ending!

A Fighter's Desire - Part Two

~~* Second installment - prequel novella to the Gloves Off series by NYT and USA TODAY Bestselling author, L.P. DOVER. This story follows several of my fighters but focuses on one, Tyler Rushing, who not only fights in the ring, but fights against his desire for the one girl he can't have. Check out

the conclusion to his story in Tyler's Undoing.*~*~* When you're told to stay away from someone or something it only drives the urge to go after it more. In this case, that was exactly what happened. For years, Gabriella Reynolds--younger sister of MMA's Heavyweight Champion, Matt Reynolds--was warned by him to stay away from his fighter friends; she deserved better and they would only break her heart. Did she listen? Yes, for a while, but temptation can only consume you so much until you fall into its trap. There's a certain fighter she's interested in, and it just so happens that he's her brother's best friend, the only one that is completely off limits to her. However, she's not the only one fighting temptation. Tyler Rushing can't deny his attraction to her, but he's afraid she'll want more and he can't give that to her. When he finds out that's not the case ... everything changes. Secrets can be dangerous, but they can also be thrilling and intense. Gabriella and Tyler have no choice but to keep their time together a secret ... and it's a secret that'll stay with them forever. ** Make sure to check out the other novels in the Gloves Off series: A Fighter's Desire - Part One A Fighter's Desire - Part Two Tyler's Undoing Ryley's Revenge Winter Kiss: Ryley and Ash Paxton's Promise Camden's Redemption Kyle's Return Also, if you want to see more of the Gloves Off characters, be sure to check out the Gloves Off - Next Generation series: Craving the Fight Taking the Fight Wanting the Fight (More to come) This book will resonate with people looking to read: free romance reads, free romance books, free beach reads, free romance series starter, free books, romantic suspense, sports romance, MMA fighters, MMA fighter romance, underground fighting, angsty reads, angsty romance, dangerous love, hidden secrets, secret identity romance, friends to lovers romance, second chance romance, enemies to lovers romance, secret baby, secret baby romance, secret pregnancy trope, surprise baby, small-town romance, feel-good romance, contemporary romance, romantic comedy, series, romantic comedy series, racy, sexy, heartwarming, heart-warming romance, family, love, love books, kissing books, emotional journey, contemporary, contemporary romance, romance series, long series, long romance series, sassy, captivating romance, hot, hot romance, forbidden love, sparks, loyalty, swoon, beach romance, books for summer, books for the beach, beach series, wicked, dirty, fierce, alpha heroes, funny romance, laugh romance, modern romance, smart romance, something funny to read, billionaire, billionaire romance, love story, millionaire, wealthy heroes, happily ever after, happy ending, lighthearted romance, light romance, hot romance, romance for adults, funny romance, funny romance new, swoonworthy, romance series, romance series, romance books, beach reads, new adult, small-town, funny, female, stories, sensual, sensual romance, alpha male, dominant male, hot guy, fun summer reads, love and friendship, new romance series, hot romance series, steamy romance, romance series, family romance, big family, friend romance, friends to lovers, contemporary crush, love story, romance love, new adult romance, billionaire romance, contemporary romance and sex, romance billionaire series, friendship.

Stripped

Stripped of his title, his dreams, and his future until one woman opens his eyes. After you hit rock bottom, you're supposed to climb back up. That's the cliché. MMA fighter Zeke Powell has lost everything. His dreams of MMA titles are gone. His heart is shattered. And his family is a disgrace. He takes out his rage in the cage and punches everything in sight in the underground fight scene. One night, in one dark club, he sees a woman who makes him want to step back into the light. And fight for them both. Joelle may be an exotic dancer now, but she knows that this job isn't forever. She's focused and determined to change her life for her daughter. The very last thing she needs is a hot and heavy romance with a bad boy fighter. She's been there before, and it destroyed her life. But Zeke is different. His hunger for her is undeniable, he uses his body to protect hers, and he's hot as sin. Zeke's intensity melts her heart and knocks down the walls she put up as a single mother. They both learn that the past won't stay buried, and it threatens to take Zeke and Joelle back down. They're stripped of everything... even each other. Sometimes the toughest fights have nothing to do with the Octagon. ***This is a STANDALONE, full-length MMA sports romance novel featuring the men of the Great Wolves Gym and their passionate romances that lead to their true love and Happily Ever Afters. It DOES NOT contain cliffhangers. Stripped is Book 2 in the Uncaged MMA Fighter Sports Romance Series. Fans of Hold, you're going to want to get this! The Preacher's Son is back!*** Book Themes: Romantic Suspense, MMA Romance, New Adult, Possessive Alpha Male, Second Chances, MMA fighter, UFC Romance, Second Chances, Love Triangle

USA Today Bestselling author, Lexy Timms, brings you a sweet (and oh-so-sexy) romance about love, sweat, and tears. Violent, painfully loyal, and willing to win at all costs. Aedan Kearney learned from

an early age that the only person he could count on was himself. Growing up on the rough side of New York City, he's no stranger to a fight. He knows how to outlast the best of them—at least that's what he's trying to do. An ultimate fighter standing on the edge of something big. Rescuing a beautiful woman and her friends from two street thugs isn't exactly on Aedan's list of to-dos, but he can't just walk away. Rosalyn Thomas is sweet—so not the right kind of girl for him. She's above his pay grade, and out of his social class. Mesmerized by her beauty, he can't stop himself from tasting her just one time. Except the heart wants what the heart wants and Outside the Octagon, you never know what is going to happen. Tangled with the Fighter

Tangled with the Fighter is book 1 of A Beatdown and Bent Over Romance trilogy. Books 2 and 3, Tangled with the Boxer and Tangled with the Warrior are available everywhere now! I thought my life couldn't possibly get worse. Then I met him. He doesn't care that I'm a single mom struggling to keep my head afloat to provide for my daughter, that my life has no room for a washed-up MMA fighter, that the last thing I need in my life is a bad boy—an arrogant, womanizing, wrong-in-all-the-right-ways bad

boy. He thinks that just because he's hired me to keep his house in order, that I'm his to boss around. He thinks he knows me, knows what I want, what I crave, what I fantasize about. He thinks I'm his to enjoy. That he's going to make me beg and scream. The worst part of it all? I think he might be right.

Catching a Bad Boy

Saving my sister's life means catching a sinfully sexy bad boy. First, he wants me in his bed. I'm Kara Ford, and all I have is my sister-until her cancer diagnosis. Saving her will set us back thousands we don't have. My uncle Liam has the money-but there's a catch. He's the crime lord of Boston and he has a job for me. I have to catch legendary fighter Shane Wu and convince him to work for my uncle again. Easier said than done. Finding Shane is no problem. Getting him to do what I want is impossible. Until he propositions me, which is irresistible. I'm a virgin, you see, but I've never wanted a man like this before. This is one fight I'm not ready for. I'm Shane, MMA champion, and I'm going to f*ck Liam Ford's niece. When I meet Kara, all I can think about is having her. But no way will I let her seduce me into going back to her uncle. The crime lord of Boston is going to have to do more than send his sexy niece if he wants me to work for him. Although I won't resist a night... or two... making her scream my name. Virgins are more fun. When she wants me to stick around for more, those doe eyes are impossible to resist. Until some secrets come to light, and everything shatters around us. The fight for our love will be the biggest fight of my life. Full length romance, no cliffhangers, complete with a HEA and loads of strong language, sexy situations, lust, and love. This book is pure escapism from start to end.

Fighting for Love

**** A STEAMY, romantic suspense (STANDALONE) novel by NEW YORK TIMES and USA TODAY Bestselling author, L.P. Dover. If you love strong and sexy MMA fighters then this book is definitely for you.**** Fighting for someone's heart is more challenging than fighting for a title. For a time, many years ago, love had grown, love was made, and in the end ... love was lost. The decision to leave had been the worst mistake Shelby Dawson could have ever made. However, at the time—ten years ago—she felt her secret needed to stay hidden, even if it broke her heart and the heart of the man she loved. Back then, he was all hers and she was all his, but now things have changed and he isn't the same guy she knew. He happens to be the well-known MMA Heavyweight champion and famous bad boy, Matt 'The Destroyer' Reynolds, who once before struggled to help his family pay the bills. Now, he has money flowing with each undefeated win and an insurmountable number of women filling his bed. Everything is perfect for the illustrious fighter, until one day it all changes. In walks the girl from his past, the same girl who promised to stick by him but left and never looked back. Their second chance to make things right will not come easy, for when one mistake is made an unwelcome consequence soon follows. Someone out there wants to rip them apart and they won't stop until Matt and Shelby pay the ultimate price ... their love. **** Make sure to check out the other novels in the Second Chances series: Love's Second Chance Trusting You Meant for Me Fighting for Love Intercepting Love Catching Summer Defending Hayden Last Chance Intended for Bristol This book will resonate with people looking to read: romantic suspense, betrayal, dangerous love, hidden secrets, first love, tear jerker romance, heartbreak, finding love again, second chance romance, MMA fighters, MMA fighter romance, underground fighting, underground fighting ring, mystery, football players, athlete romance, small-town romance, feel-good romance, contemporary romance, romantic comedy, series, romantic comedy series, racy, sexy, heartwarming, heart-warming romance, family, love, love books, kissing books, emotional journey, contemporary, contemporary romance, sassy, captivating romance, hot, hot romance, forbidden love, sparks, loyalty, swoon, beach romance, books for summer, books for the beach, beach series, love in bloom, wicked, dirty, fierce, alpha heroes, funny romance, laugh romance, modern romance, smart romance, something funny to read, billionaire, billionaire romance, love story, millionaire, wealthy heroes, happily ever after, happy ending, lighthearted romance, light romance, hot romance, romance for adults, funny romance, funny romance new, long series, romance series, second chances series, swoonworthy, romance series, romance series, romance books, beach reads, new adult, small-town, funny, female, stories, sensual, sensual romance, alpha male, dominant male, hot guy, fun summer reads, love and friendship, new romance series, hot romance series, new small-town series, new beach read, friend romance, friends to lovers, contemporary crush, love story, romance love, new adult romance, billionaire romance, contemporary romance and sex, romance billionaire series, friendship, enemies to lovers.**

Kyle's Return

~ HE'S BACK! And this time he's not letting anything get in his way. KYLE'S RETURN IS THE LAST BOOK IN THE GLOVES OFF SERIES. *~* I promised myself I'd stay away from dangerous men, but I couldn't live up to that when Kyle Andrews came back to town. He's a manipulator, a guy who'll do whatever it takes to get what he wants, sabotaging anyone who gets in the way. After a fatal fight left him wounded, his UFC career comes to a close. He has nothing, but he's determined to get it all back. My name is Megan. I've known violence, pain, and what it feels like to be scared to live

another day. All of that changed the moment I refused to be a victim. Now that my psychotic ex, Alex, can't find me, I've been given a second chance. I owe my life to my friends. The same goes for Kyle. Without him, I wouldn't be able to feel. Everyone hates him. But for the life of me I don't. There's something about him I can't ignore. Being with Kyle makes me want it all. However, in loving a hated man, I didn't know it'd bring the life I fled from back to haunt me. Everywhere I go danger lurks and bad things happen. Kyle believes it's because of him, but I'm starting to think otherwise. I think Alex has found me, and if so, this time he's not going to let me go. ** Make sure to check out the other novels in the Gloves Off series: A Fighter's Desire - Part One A Fighter's Desire - Part Two Tyler's Undoing Ryley's Revenge Winter Kiss: Ryley and Ash Paxton's Promise Camden's Redemption Kyle's Return Also, if you want to see more of the Gloves Off characters, be sure to check out the Gloves Off - Next Generation series: Craving the Fight Taking the Fight Wanting the Fight (More to come) This book will resonate with people looking to read: free romance reads, free romance books, free beach reads, free romance series starter, free books, romantic suspense, sports romance, MMA fighters, MMA fighter romance, underground fighting, angsty reads, angsty romance, dangerous love, hidden secrets, secret identity romance, friends to lovers romance, second chance romance, enemies to lovers romance, secret baby, secret baby romance, secret pregnancy trope, surprise baby, small-town romance, feel-good romance, contemporary romance, romantic comedy, series, romantic comedy series, racy, sexy, heartwarming, heart-warming romance, family, love, love books, kissing books, emotional journey, contemporary, contemporary romance, romance series, long series, long romance series, sassy, captivating romance, hot, hot romance, forbidden love, sparks, loyalty, swoon, beach romance, books for summer, books for the beach, beach series, wicked, dirty, fierce, alpha heroes, funny romance, laugh romance, modern romance, smart romance, something funny to read, billionaire, billionaire romance, love story, millionaire, wealthy heroes, happily ever after, happy ending, lighthearted romance, light romance, hot romance, romance for adults, funny romance, funny romance new, swoonworthy, romance series, romance series, romance books, beach reads, new adult, small-town, funny, female, stories, sensual, sensual romance, alpha male, dominant male, hot guy, fun summer reads, love and friendship, new romance series, hot romance series, steamy romance, romance series, family romance, big family, friend romance, friends to lovers, contemporary crush, love story, romance love, new adult romance, billionaire romance, contemporary romance and sex, romance billionaire series, friendship.

Fighter's Fake Out

He's wanted her for years. She's never thought of him as anything but a teammate. When they pretend to be dating, will things heat up for real? All I've ever wanted is to be a champion female fighter, but I keep falling short. I have one last chance at redemption and need to focus all of my energy on it. Unfortunately, my sister is getting married and my crazy family are planning to set me up on a series of blind dates. The last thing I need is a guy distracting me from my big fight. The solution? I'll take fellow MMA fighter Jimmy Parker as my fake boyfriend to ward off any would-be suitors. The problem is, the more time I spend with Jimmy, the more I see through his cocky persona to the strong, big-hearted man beneath. Then an accidental shower interruption forces me to face the truth: I want him. But can our fake-relationship-turned-real survive my busy career and the wounds left by Jimmy's painful past? Author's note: This is a short romance / novella with a complete standalone romance story of approximately 25,000 words.

Don't You Leave

Don't You Leave is book 2 of A Full Mount Romance trilogy. Book 3, Don't You Refuse, is available everywhere now! Don't you dare tell me no. Don't you dare wander into my world, looking too sexy to ignore but too innocent to touch. Don't you dare f**k with my head on the night of the biggest fight of my life. Don't you dare make me throw my MMA career away for you. Don't you dare make me bleed, fight, and claw to make you mine. And if you do all that anyways... Then don't you dare say no when I tell you what I want in return: My ring on your finger. My baby in your belly. My name on your lips – moaning into the night. Forever.

Full Contact

“Sidney Halston has another knockout with her latest release in the Worth the Fight series. Full Contact is a heavyweight contender in the world of MMA romances.”—Smut Book Junkie Book Reviews How could she have been so stupid? When Jessica Cross decides to give her violently jealous

boyfriend—the otherwise influential and charming Dennis Stavros—a second chance, she very nearly becomes a statistic. After weeks of healing from a broken rib and collapsed lung, and with Dennis behind bars, Jessica finally feels ready to come out of hiding. But will she ever be able to take a chance on love again with someone new? Mixed martial arts fighter Slade Martin knows he has a bad reputation. Hell, he's probably earned it. So it won't be easy to convince beautiful, vulnerable Jessica that she can trust him—that from the moment she walked into his life, she's been the only one he's wanted. Powerful and confident, Slade knows he can honor his vow to protect Jessica body and soul. Winning her heart will be another matter . . . but a woman like Jessica is worth the fight. A Caged Heart Complete Series

THE KNOCKOUT Jasmine I never thought that it would come to this. I've watched my best friend's brother fight for years without letting myself go there. And now that tragedy has struck I can't help but be drawn towards him as we cling to each other like never before. I know he'll hate me once he realizes that his world fell apart... because of me... Cain I can't change the past but I'm damn well determined to move forward with Jasmine. How could I not? I've fantasized about her for years. And now with her at my side I can finally focus on winning my first title in the cage. But something just doesn't seem right... I feel like she's hiding something from me.... THE CHAMPION Amara After all that my daughter and I had been through the last thing I needed was to get myself involved with a cocky cage fighter, even if he was the most gorgeous blonde I'd ever seen. I just needed to focus on my job and move on to the next patient. But every time I saw him he disarmed me with his charm and made my heart do things I'd never seen before... Jackson After a devastating loss I thought I had lost everything - my belt, my team, my knee... But then this angel dedicated herself to my recovery and I found hope again. I had promised her that I'd never fight again but I have to get back in the cage to reclaim my dignity. And I can't do this without her... THE REBEL Stella I'm used to coaching knuckleheads both in and out of the gym. All I've wanted was to help my brother get a title of his own. But after what's happened, I have no choice but to start over... And partner up with one of our rivals... A sexy Scotsman known as the "the baby faced killer." Aaron I didn't make a name for myself in the fight clubs overseas by being a weak man. I go after what I want until I dominate the competition. Now that I'm in the States I have something to prove to everyone who's ever tossed me aside. The bonnie new trainer can definitely teach me something new... The popular MMA series is now in one complete boxset from author Veronica Maxim! These can be read as standalone books but it does include characters from the entire Caged Heart Series. "This romance contains mature language and themes intended for 18+ audiences."

has never lost a fight in his life. From the center of the ring to the never ending challenges life throws his ways, there's nothing that Jackson won't do to win. That's what he thought before he met Vanessa, the new nanny. Hired for her looks rather than her ability, Jackson's approach to Vanessa was handled just like everything else in life; a fight that he can and would win. But when she challenges him back in a way that he has never been challenged before, Jackson will have to ask himself how far he will go for victory...and whether this is one match that he can win? Vanessa: Vanessa is sick of being hired on her looks rather than her ability. So when mixed-martial art's champion, Jackson 'The Last Call' McCall hires her for the usual reasons, she is determined to prove that she is more than just a pretty face. Unfortunately, Jackson isn't as easy to resist as once thought and Vanessa soon finds herself exactly where Jackson wanted her, down by knockout. Determined not to become just another notch on Jackson's belt, Vanessa turns the tables on the world class fighter, matching him in a way that he never saw coming. The matchup of the century, these two fighters will do anything to win; especially if the prize for victory is access to the other's heart for all time... Tyler's Undoing

****Get ready to be knocked out MMA style in this steamy, romantic suspense by NYT and USA TODAY Bestselling author, L.P. DOVER. This novel will conclude Tyler's story. NO CLIFFHANGER. Just hot and sexy fighters who want to take you down to the mat.**** Through mutual understanding, Tyler's secret affair with Gabriella Reynolds has come to an end. It's a decision that not only saves their friendship, but it's one that will change his life forever. For the past couple of years, Tyler Rushing has been known as one of the UFC's most memorable and sexy heavyweight fighters. Now he has the chance to win the title and claim the fame he so deserves. He has everything he could ever want until Kacey Andrews walks through the door of his gym, wanting nothing to do with him. Keeping his eyes off of her is a challenge; there's an innocence about her that draws him to her, and he's not going to stop until he makes her his. Little does he know that Kacey Andrews isn't a stranger. She's a part of his world; he just doesn't know it. It's a secret she's worked hard to keep hidden. Kacey spent years trying to get away from the fighting world, away from the man who's hated among the MMA elite ... her brother, Kyle Andrews. Unfortunately, she's brought back into it when Tyler's relentless battle for her heart wins her over, drawing her in. The only problem is that secrets never stay buried forever. In the end, Tyler has a decision to make, and it's one that can possibly destroy his and Kacey's life ... forever. **** Make sure to check out the other novels in the Gloves Off series: A Fighter's Desire - Part One A Fighter's Desire - Part Two Tyler's Undoing Ryley's Revenge Winter Kiss: Ryley and Ash Paxton's Promise Camden's Redemption Kyle's Return** Also, if you want to see more of the Gloves Off characters, be sure to check out the Gloves Off - Next Generation series: Craving the Fight Taking the Fight Wanting the Fight (More to come) This book will resonate with people looking to read: free romance reads, free romance books, free beach reads, free romance series starter, free books, romantic suspense, sports romance, MMA fighters, MMA fighter romance, underground fighting, angsty reads, angsty romance, dangerous love, hidden secrets, secret identity romance, friends to lovers romance, second chance romance, enemies to lovers romance, secret baby, secret baby romance, secret pregnancy trope, surprise baby, small-town romance, feel-good romance, contemporary romance, romantic comedy, series, romantic comedy series, racy, sexy, heartwarming, heart-warming romance, family, love, love books, kissing books, emotional journey, contemporary, contemporary romance, romance series, long series, long romance series, sassy, captivating romance, hot, hot romance, forbidden love, sparks, loyalty, swoon, beach romance, books for summer, books for the beach, beach series, wicked, dirty, fierce, alpha heroes, funny romance, laugh romance, modern romance, smart romance, something funny to read, billionaire, billionaire romance, love story, millionaire, wealthy heroes, happily ever after, happy ending, lighthearted romance, light romance, hot romance, romance for adults, funny romance, funny romance new, swoonworthy, romance series, romance series, romance books, beach reads, new adult, small-town, funny, female, stories, sensual, sensual romance, alpha male, dominant male, hot guy, fun summer reads, love and friendship, new romance series, hot romance series, steamy romance, romance series, family romance, big family, friend romance, friends to lovers, contemporary crush, love story, romance love, new adult romance, billionaire romance, contemporary romance and sex, romance billionaire series, friendship.

Taking the Fight

L.P. Dover, the New York Times and USA Today bestselling author who brought you the tantalizing Gloves Off series, presents Gloves Off – Next Generation. This brand-new saga of interconnected standalones unites new characters with beloved originals in dark and sexy stories laced with suspense! Two months ago, everything changed. The enemy no longer feels the need to sulk in the shadows. Instead, he hides in plain sight and prepares his attack... against Reagan Jameson. Reagan knew this day would come. She proudly holds the featherweight title and is known as one of the sexiest female fighters in MMA history. She can handle her own, and that's exactly what she plans to do with Nikolai. Unfortunately, things aren't as they were before. When given an offer she can't refuse, Reagan is well aware nothing good will come of it. They promised her power, prestige, and money... a world full of intrigue and dangerous desires. Not being able to resist the allure, she gives in and becomes a pawn in their game. She's able to fool those closest to her into believing everything is okay... except for Braden Emerson. Braden's reputation as one of the toughest fighters in the circuit hasn't gone unnoticed. In fact, it's his skills that get him lured into the pit of danger. While he vows to keep Reagan safe no matter the cost, his desire for her is used against him. As passion ignites between the pair, they must work together if they hope to survive. Fighting for a title is one thing, but nothing beats the stakes of fighting for love. This is one TKO that could cost them everything. No cheating. No cliffhangers. Just hot, dirty-talking fighters who want to take you down to the mat. *** Want more GLOVES OFF sexy love stories? L.P. Dover, the New York Times and USA Today bestselling author who brought you the tantalizing Gloves Off series, presents Gloves Off – Next Generation. This brand-new saga of interconnected standalones unites new characters with beloved originals in dark and sexy stories laced with suspense! Fame. Money. Status. An infinite number of women standing ringside in hopes of one night with him. These are all the things Carter Reynolds loves about being MMA royalty. As a UFC Heavyweight champion, and the son of the illustrious Matt Reynolds, Carter thinks he has everything he could ever want. Until he comes face to face with Emma Jameson—the one who got away. The pair are bonded by a secret from their past, one that none in their inner circle can ever know about... Thanks to her father, Emma is no stranger to the MMA world. UFC Middleweight champion, Ryley Jameson, is known far and wide for his scandalous antics in and out of the ring. His fame put her in the spotlight at a very early age. It even led to her lucrative modeling career and the opportunity for her to travel the world. Now Emma is back with the family of fighters she left behind and quickly discovers a darkness that has wriggled its way into the MMA fold. Someone demands retribution for the sins of the past, and they've chosen to make Emma their first target. Determined to keep her safe, Carter will do whatever it takes to protect her, even if that means putting his life on the line. As hidden truths are revealed, Carter and Emma find that no one in their circle is safe... and this is only the beginning. No cheating. No cliffhangers. Fighting Dirty

He's the hottest MMA fighter in the game, and she's the woman he never thought he deserved in this steamy fan-favoUrite book in the Ultimate series from New York Times bestselling author Lori Foster. With the life he's led and the muscles he's gained, Armie Jacobson isn't afraid of anything. Except maybe Merissa Colter's effect on him. It's not just that she's his best friend's little sister; it's that she deserves better than him. Women pursue him for one night of pleasure, and that's all he wants to offer. Until rescuing Merissa from a robbery leads to the most passionate encounter of his life. Good girl meets bad boy. It's a story that rarely ends well. But Merissa is taking matters into her own hands. No matter how he views himself, the Armie she knows is brave, honourable and completely loyal. And as past demons and present-day danger collide, they're both about to learn what's truly worth fighting for...

Watcher Of The Dead

In the frigid wasteland of the north, Raif Sevrance, Watcher of the Dead, has endured many trials to lay claim to the renowned sword known as Loss. But the price of wielding the legendary weapon is high, and Raif is unsure if he is willing to pay it. Ash Marsh, Daughter of the Sull, still struggles to come to terms with her heritage, and the knowledge that the Watcher, armed with Loss, could be the one who will save the Sull - or end them. Raina Blackhail, widow of a murdered ruler and wife of his brutal successor, has seen her clan disgraced and has, herself, taken up the mantle of chief. But there are enemies both beyond her gates and within. And in the murky swamps of the Stillwater, two children will learn the secrets of the Marsh clan. Secrets so old they threaten everything . . .

Watcher of the Dead

The epic fourth novel of the Sword of Shadows fantasy series In this powerful saga of redemption and renewal, J. V. Jones brings to vivid life the magnificent tapestry of a world at once desperately fighting for survival against supernatural monsters and rent by internecine warfare. The frozen land at the north of the world was once ruled by a legendary nation of superhuman warriors. But that age has passed, leaving ancient clans to struggle for dominance as supernatural forces beyond their control threaten their very existence. Amid the chaos of world-changing violence, unlikely heroes emerge. An unwanted warrior, a forsaken woman of power, the betrayed widow of a slain clan chief: these are the heroes rising to claim what has been taken from them and to reshape the world. In a sharply observed narrative that illuminates these riven lives, Jones has crafted a human drama full of the excitement, suspense, and sheer storytelling power that have made the Sword of Shadows a fantasy series that transcends genre to become a memorable tale of human striving and triumph that speaks to readers as have few others.

A Cavern Of Black Ice

When Raif and Drey Sevrance return home to their clan as the only survivors of a vicious attack in which both their father and the clan chief, were killed, everything changes for Raif. Uneasy with the new chief's reign of brutality and his brother's acceptance of it, Raif welcomes his uncle Angus Lok's invitation to accompany him to Spire Vanis. Asariah March, Ash for short, is the beautiful ward of Penthero Iss, Overlord of Spire Vanis. Suspicious of Penthero's increasing interest in her developing body, when Ash overhears him planning to imprison her she flees, only to be cornered at the city gate by a band of the Overlord's elite guards. But as they close in on her, a stranger comes to the rescue - observed by a bemused Raif, Angus Lok plunges into the midst of the guards and snatches her to safety. For Angus knows that as this girl grows to womanhood she will develop powers which could destroy herself and the world if she doesn't learn to control them . . . and only Raif can protect her on her journey to understanding.

A Sword From Red Ice

The Long Night has begun. The Endlords and their dark army of Unmade prepare to unleash untold destruction upon the world. Every Sull warrior must step forward and fight, or risk the North falling into eternal darkness. Key to mankind's survival is the sacred warrior Ash March. But for Ash to realise her true potential as a Reach, and become the Sull's greatest weapon, she must keep herself safe as the perils that surround her multiply. Raif Sevrance has an equally perilous task. The exile must travel to the barren wastes of the Red Glaciers and recover the legendary sword named Loss. For Sull legend decrees that he who wields the Sword from Red Ice will bring terror to their enemies. But fulfilment of these goals may yet come too late. In the remote reaches of the Bitter Hills, the Endlords' minions have made a cataclysmic discovery: a crack in the Blindwall, an ancient and unguarded passage leading directly into the realms of men.

A Fortress Of Grey Ice

The war to end all wars is coming. The Endlords are preparing themselves for invasion. Now should be the time when city men and clansmen come together to fight the dark forces of destruction, yet they feud amongst themselves, unaware of the danger facing them. Only the Sull are preparing for war against the Endlords. They are an ancient, dwindling race, and they fear this fight might be their last. Sull legend speaks of The One Who Bears Loss, the warrior who will slay the Endlords, and they believe this warrior will be one of their own. Ash March is their most valued and sacred warrior, and it is Mal Naysayer's duty to bring her home to save her people. But thousands of leagues to the north, Raif Severance is learning that he alone can kill Endlords swiftly. An outcast and outlaw, Raif must betray his clan and forsake his beliefs, and raise the Fortress of Grey Ice. The Barbed Coil

When Izgard of Garizon put on the Coil and crowned himself King, he set in train a course of tumultuous events that would reverberate around the continent. For the Coil must have blood. And the first blood to flow is that of Berick of Thorn, the legendary conqueror of Garizon. His son, Camron, wants revenge and knows that Izgard can only be stopped by force of arms. He seeks out the man who knows most about Izgard's murderous hordes - Lord Ravis, a ruthless mercenary with a dark and secret past. And Tessa McCamfrey is about to become caught up in this dangerous and exotic world - with the piratical Ravis, a beautifully patterned gold ring and a role to play in the momentous events that unfold. Master And Fool

From dungeon to cathedral, from brothel to hermit's hut, the gambits of the mighty face the power of seers and stars. In the fortress of Bren, mad King Kylock and the wizard Baralis spread their sadistic terror across the shattered kingdoms. Meanwhile, the fallen knight Tawl and Jack, the baker's boy, meet in a quest to save widowed Melliandra and her unborn child. The conflict that follows will rewrite the meaning of Destiny and unknit the very fabric of Time ... MASTER AND FOOL is the conclusion to the Book of Words - an epic tale of grandeur and magic which has been acclaimed as one of the most brilliant fantasy debuts for many years. The Nightmare People

One night Ed Smith thought he was having a waking nightmare when he saw a monstrous face at his window, but in the morning his neighbors were missing. The people who later turned up were not quite right, and gradually Smith realized they not only weren't his neighbors, but weren't even human - they were the creatures he had seen . . .

Haunted Media

All about Battersea

By 1926, it seemed that John R. Brinkley's experimental rejuvenation cure—transplanting goat glands into aging men—had taken the nation by storm. Never mind that "Doc" Brinkley's medical credentials were shaky at best and that he prescribed medication over the airwaves via his high-power radio stations. To most in the medical field, he was a quack. But to his many patients and listeners, he was a brilliant surgeon, a savior of their lost manhood and youth. His rogue radio stations, XER and its successor XERA, eventually broadcast at an antenna-shattering 1,000,000 watts and not only were a megaphone for Brinkley's lucrative quackery but also hosted an unprecedented number of then-unknown country musicians and other guests. The Bizarre Careers of John R. Brinkley tells the story of the infamous "Goat Gland Doctor"—a controversial medical charlatan, groundbreaking radio impresario, and prescient political campaigner—and recounts his amazing rags-to-riches-to-rags career. A master manipulator and skilled con artist, Brinkley left behind a patchwork of myths and unreliable personal accounts that many writers have merely perpetuated—until now. Alton Lee brings Brinkley's infamous legacy to the forefront, exploring how he ruthlessly exploited the sexual frustrations

of aging men and the general public's antipathy toward medical doctors. Lee leaves no stone unturned in this account of a man who changed the course of American institutions forever.

The Bizarre Careers of John R. Brinkley

A thorough introduction to corporate finance from a renowned professor of finance and banking As globalization redefines the field of corporate finance, international and domestic finance have become almost inseparably intertwined. It's increasingly difficult to understand what is happening in capital markets without a firm grasp of currency markets, the investment strategies of sovereign wealth funds, carry trade, and foreign exchange derivatives products. International Corporate Finance offers thorough coverage of the international monetary climate, including Islamic finance, Asian banking, and cross-border mergers and acquisitions. Additionally, the book offers keen insight on global capital markets, equity markets, and bond markets, as well as foreign exchange risk management and how to forecast exchange rates. Offers a comprehensive discussion of the current state of international corporate finance Provides simple rules and pragmatic answers to key managerial questions and issues Includes case studies and real-world decision-making situations For anyone who wants to understand how finance works in today's hyper-connected global economy, International Corporate Finance is an insightful, practical guide to this complex subject.

'Brilliant' – V. E. Schwab, Sunday Times bestselling author of *A Darker Shade of Magic* For one apprentice assassin, the clock is ticking . . . Pyrre Lakatur doesn't like the description skullsworn. It doesn't capture the beauty of her devotion to Ananshael, God of Death. And she's not an assassin, but a priestess. Or she will be, if she can pass her final trial. The problem isn't killing, as Pyrre has spent her life training for this. The problem is love. To pass the trial, she will have fourteen days to kill seven people detailed in an ancient song, including one true love, 'who will not come again'. However, Pyrre has never been in love, time is short, and if she fails she'll be given to her god. Pyrre's not afraid to die, but she hates to fail. So a month before the trial begins, she returns to the violent city of her birth, where she once offered an abusive father to the god. Here Pyrre hopes to find love – and end it with the edge of her knife. 'Pleasantly grim and emotionally complex' – Kirkus Reviews 'Lush, evocative descriptions . . . remarkably intimate' – Publishers Weekly *Skullsworn* is a thrilling standalone set in the world of the *Chronicles of the Unhewn Throne* by Brian Staveley.

Skullsworn

"Slow violence" from climate change, toxic drift, deforestation, oil spills, and the environmental aftermath of war occurs gradually and often invisibly. Rob Nixon focuses on the inattention we have paid to the lethality of many environmental crises, in contrast with the sensational, spectacle-driven messaging that impels public activism today.

Slow Violence and the Environmentalism of the Poor

Ghosts and other supernatural phenomena are widely represented throughout modern culture. They can be found in any number of entertainment, commercial, and other contexts, but popular media or commodified representations of ghosts can be quite different from the beliefs people hold about them, based on tradition or direct experience. Personal belief and cultural tradition on the one hand, and popular and commercial representation on the other, nevertheless continually feed each other. They frequently share space in how people think about the supernatural. In *Haunting Experiences*, three well-known folklorists seek to broaden the discussion of ghost lore by examining it from a variety of angles in various modern contexts. Diane E. Goldstein, Sylvia Ann Grider, and Jeannie Banks Thomas take ghosts seriously, as they draw on contemporary scholarship that emphasizes both the basis of belief in experience (rather than mere fantasy) and the usefulness of ghost stories. They look closely at the narrative role of such lore in matters such as socialization and gender. And they unravel the complex mix of mass media, commodification, and popular culture that today puts old spirits into new contexts.

Haunting Experiences

This volume introduces readers to regulatory theory. Aimed at practitioners, postgraduate students and those interested in regulation as a cross-cutting theme in the social sciences, *Regulatory Theory*

includes chapters on the social-psychological foundations of regulation as well as theories of regulation such as responsive regulation, smart regulation and nodal governance. It explores the key themes of compliance, legal pluralism, meta-regulation, the rule of law, risk, accountability, globalisation and regulatory capitalism. The environment, crime, health, human rights, investment, migration and tax are among the fields of regulation considered in this ground-breaking book. Each chapter introduces the reader to key concepts and ideas and contains suggestions for further reading. The contributors, who either are or have been connected to the Regulatory Institutions Network (RegNet) at The Australian National University, include John Braithwaite, Valerie Braithwaite, Peter Grabosky, Neil Gunningham, Fiona Haines, Terry Halliday, David Levi-Faur, Christine Parker, Colin Scott and Clifford Shearing.

Analogies help us think, learn, and communicate. The fourteen case studies in this volume help readers make sense of contemporary cyber conflict through historical analogies to past military-technological problems. The chapters are divided into three groups. The first--What Are Cyber Weapons Like?--examines the characteristics of cyber capabilities and how their use for intelligence gathering, signaling, and precision strike compares with earlier technologies for such missions. The second section--What Might Cyber Wars Be Like?--explores how lessons from several wars since the early 19th century, including the World Wars, could apply or not apply to cyber conflict in the 21st century. The final section--What Is Preventing and/or Managing Cyber Conflict Like?--offers lessons from 19th and 20th century cases of managing threatening actors and technologies.

This volume in the highly respected Cambridge History of Science series is devoted to the history of science, medicine and mathematics of the Old World in antiquity. Organized by topic and culture, its essays by distinguished scholars offer the most comprehensive and up-to-date history of ancient science currently available. Together, they reveal the diversity of goals, contexts, and accomplishments in the study of nature in Mesopotamia, Egypt, Greece, Rome, China, and India. Intended to provide a balanced and inclusive treatment of the ancient world, contributors consider scientific, medical and mathematical learning in the cultures associated with the ancient world.

Sword of Shadows

This is the first comprehensive commentary on Aeneid 11. The commentary treats fully matters of linguistic and textual interpretation, metre and prosody, grammar, lexicon and idiom, of Roman behaviour, social and ritual, as well as Virgil's sources and the literary tradition. New critical approaches and developments in Virgilian studies have been taken into account with economy and fairness. The Latin text is presented with a facing English translation. The commentary is followed by an appendix on Penthesilea and the Epic Cycle and a second appendix which discusses the weaknesses of Aeneid 11. The book concludes with English and Latin indices. In approach and learning, this commentary continues Nicholas Horsfall's impressive work as a commentator and will advance our understanding of the Aeneid and the poet Virgil.

A Sword from Red Ice

This book has been well received in many places and in many countries. It was awarded a ranking in the top ten publications on behavioral medicine in the year that it first appeared. When, in 1977, we began to fit the components of Cancer, Stress, and Death together, the established medical view was that each subject represented a different discipline, and that to integrate fields so diverse in information content was to seek to achieve a synthesis beyond reasonable limits. Had we been required to concern ourselves with the knowledge of each component in its entirety, this might have been so, but our concern, of course, was to integrate only those items of knowledge in any one field that could bear upon the field of interest of another. Moreover, we were concerned that physicians and scientists take account of the inner forces that shape motivation and individual behavior, as well as the cultural identity of individuals, and we hoped that the biopsychosocial way in which we believed would gain ground and win support. Now, with need for a second edition, one can hardly conceive of not bringing together diverse contributions in one volume. Such syntheses as we have made clearly confirm that one can arrive at several levels of understanding of human situations through wise integration of biological paradigms within various social, cultural, and psychological parameters-which essentially is a simple way of defining the biopsychosocial way.

Barbie or Lego? Reading maps or reading emotions? Do you have a female brain or a male brain? Or is that the wrong question? On a daily basis we face deeply ingrained beliefs that our sex determines our skills and preferences, from toys and colours to career choice and salaries. But what does this mean for our thoughts, decisions and behaviour? Using the latest cutting-edge neuroscience, Gina Rippon unpacks the stereotypes that bombard us from our earliest moments and shows how these messages mould our ideas of ourselves and even shape our brains. Rigorous, timely and liberating, *The Gendered Brain* has huge repercussions for women and men, for parents and children, and for how we identify ourselves. 'Highly accessible... Revolutionary to a glorious degree' Observer

The Wooden Sword

It has been twenty years since the god-like Augurs were overthrown and killed. Now, those who once served them the Gifted are spared only because they have accepted the rebellion's Four Tenets, vastly limiting their own powers. As a young Gifted, Davian suffers the consequences of a war lost before he was even born. He and his friends are despised beyond their school walls for the magical power they wield: a power that Davian, despite his best efforts, cannot seem to control. Worse, with his final test

approaching and the consequences of failure severe, time to overcome his struggles is fast running out. But when Davian discovers he wields the forbidden power of the Augurs, he unwittingly sets in motion a chain of events that will change his life and shake the entire world.

Cancer, Stress, and Death

This book documents nearly 500 US and Canadian locations where wildlife refuges, nature preserves, and similar properties protect natural sites that lie within the North American Great Plains, from Canada's Prairie Provinces to the Texas-Mexico border. Information on site location, size, biological diversity, and the presence of especially rare or interesting flora and fauna are mentioned, as well as driving directions, mailing addresses, and phone numbers or internet addresses, as available. US federal sites include 11 national grasslands, 13 national parks, 16 national monuments, and more than 70 national wildlife refuges. State properties include nearly 100 state parks and wildlife management areas. Also included are about 60 national and provincial parks, national wildlife areas, and migratory bird sanctuaries in Canada's Prairie Provinces. Many public-access properties owned by counties, towns, and private organizations are also described.

The Gendered Brain

Once upon a time 'The Scientific Revolution of the 17th century' was an innovative concept that inspired a stimulating narrative of how modern science came into the world. Half a century later, what we now know as 'the master narrative' serves rather as a strait-jacket - so often events and contexts just fail to fit in. No attempt has been made so far to replace the master narrative. H. Floris Cohen now comes up with precisely such a replacement. Key to his path-breaking analysis-cum-narrative is a vision of the Scientific Revolution as made up of six distinct yet narrowly interconnected, revolutionary transformations, each of some twenty-five to thirty years' duration. This vision enables him to explain how modern science could come about in Europe rather than in Greece, China, or the Islamic world. It also enables him to explain how half-way into the 17th century a vast crisis of legitimacy could arise and, in the end, be overcome.

Dungeon World

When examining the ebb and flow of events in the region called Central Asia, one is struck by the magnitude of the impact that this area has had throughout history. Yet in spite of this record, very little is known about this part of the world today. Central Asia always has found itself wedged between Europe and Asia, and as such, has been at the crossroads of relations between the two. In physical terms, this can be seen graphically in the trade routes of the Great Silk Road. In philosophical terms, it is an area where Western beliefs met and mingled with Eastern ways, often resulting in unusual and unique hybrids of thought and culture. Nor has the area's significance been limited to that of providing a meeting place for other cultures. For over 100 years, between the thirteenth and fifteenth centuries, the armies of Genghis Khan and later Tamerlane spread from Central Asia to conquer and exert their influence over an area larger than the conquests of Alexander, Rome or Hitler. The repercussions of these conquests can still be seen today and serve as a reminder of the impact the region has had, and may again have, on world events.

The Shadow of What Was Lost

George R.R. Martin's A Song of Ice and Fire series is a worldwide phenomenon, and the world of Westeros has seen multiple adaptations, from HBO's acclaimed television series to graphic novels, console games and orchestral soundtracks. This collection of new essays investigates what makes this world so popular, and why the novels and television series are being taught in university classrooms as

genre-defining works within the American fantasy tradition. This volume represents the first sustained scholarly treatment of George R.R. Martin's groundbreaking work, and includes writing by experts involved in the production of the HBO show. The contributors investigate a number of compelling areas, including the mystery of the shape-shifting wargs, the conflict between religions, the origins of the Dothraki language and the sex lives of knights. The significance of fan cultures and their adaptations is also discussed.

Worcestershire in the Nineteenth Century

The iLLamanati have emerged from hidden places of the Earth to shed light on the dark side of human endeavors by collating and publishing literature on the secrets of the Illuminati. Representing the Grand Llama, an omniscient, extradimensional light being who is channeled by our Vice-Admiral, Captain Space Kitten, the iLLamanati is organized around a cast of interstellar characters who have arrived on Earth to wage a battle for the light. Bloodlines of the Illuminati was written by Fritz Springmeier. He wrote and self-published it as a public domain .pdf in 1995. This seminal book has been republished as a three-volume set by the iLLamanati. Volume 1 has the first eight of the 13 Top Illuminati bloodlines: Astor, Bundy, Collins, DuPont, Freeman, Kennedy, Li, and Onassis. Volume 2 has the remaining five of the 13 Top Illuminati bloodlines: Rockefeller, Rothschild, Russell, Van Duyn, and Merovingian. Volume 3 has four other prominent Illuminati bloodlines: Disney, Reynolds, McDonald, and Krupps.

A Naturalist's Guide to the Great Plains

He's been run through with a sword; He's been shot at point blank range; He's got reputation and respect as one of the hardest bastards in Britain... Cass Pennant is a man who lets his fists do the talking. One of the hardest men in Britain, he lives his life on the edge of the law, giving respect where respect is due and dishing out terrible retribution upon anyone who dares to cross him. Cass's life story reads like a Hollywood gangster movie. He tells the amazing stories of how he once saved the life of World Boxing Champion Frank Bruno when skinheads were attacking him with knives; and how he was shot three times in the chest in a South London nightclub but still kept of fighting. As Cass says, 'I've been a bad lad and I've done some good in my life but I'm not ashamed of anything I've done or the choices I've made. I don't owe anyone anything. It ain't nobody's business but my own...'

How Modern Science Came Into the World

Events are coming to a climax in the Banished Lands, as the war reaches new heights. King Nathair has taken control of the fortress at Drassil and three of the Seven Treasures are in his possession. And together with Calidus and his ally Queen Rhin, Nathair will do anything to obtain the remaining Treasures. With all seven under his command, he can open a portal to the Otherworld. Then Asroth and his demon-horde will finally break into the Banished Lands and become flesh. Meanwhile Corban has been taken prisoner by the Jotun, warrior giants who ride their enormous bears into battle. His warband scattered, Corban must make new allies if he hopes to survive. But can he bond with competing factions of warlike giants? Somehow he must, if he's to counter the threat Nathair represents. His life hangs in the balance - and with it, the fate of the Banished Lands

The authors analyze the prospect that Iran will further invest in Yemen's Houthis and develop them into an enduring proxy group. The authors examine the history, current relations and trajectory, and possible future of the Houthi-Iran relationship.
