Low Carb Dump Meals

Low Carb Cookbook A low carb diet restricts the amount of carbohydrates you eat, asking you to focus instead on healthy fats, lean proteins, and high fiber vegetables that have little sugar. Most people choose to adopt a low carb eating plan to lose weight and lower blood sugar. Dump meals are meals that are simple to cook. The idea is to combine a number of ingredients into one pot, and then leave it alone until the food is finished cooking. There's no marinating, braising, stirring, or excessive preparation. It's a great way to save you time and effort. This book will make it easy for you to follow a low carb diet. You'll learn: - What to eat and what avoid while following a low carb diet - Low carb slow cooker recipes - Low carb salad recipes - Low carb oven dump recipes The dump meal recipes in this book are healthy, easy, and absolutely delicious. Anti-Cancer Smoothies

Cancer Fighting Foods Whether you have cancer or you're at risk of cancer because of your family history - the way you eat can have a major impact on your health and your ability to fight or manage your disease. Cancer is notorious for sapping the strength and nutrition out of a person's body. You'll need to replace a lot of the vitamins, nutrients, and minerals that certain drugs and treatments deplete. The anti-cancer smoothies in this book are made of healthy and tasty vegetables, fruits, spices, and herbs that are known to fight cancer. These superfoods provide antioxidants, minerals, vitamins, and fiber that will boost your immune system, detox your body, and help you beat cancer. Tasty and healthy ingredients are not all these smoothies bring to the table. There's also the convenience that's provided by a meal that simply gets prepared in a blender. If you don't have the energy to cook - you don't have to. If you're not feeling up to a meal at dinnertime but you're hungry before bed - make a smoothie. If you need something quick to grab for breakfast that you can take with your pills - a smoothie can be prepared the night before and left to chill in the fridge. Whether you're fighting off cancer or working hard to prevent it, you need to allow yourself as much rest and peace as possible. Anti-cancer smoothies can help. I am a minibombo book: a little book buzzing with a big idea. If you have always wanted a pet, but your parents have never let you ... this is the book for you. Because, inside the pages of this book, your new cat awaits. Isn't he sweet? Just look at him twitch his tiny nose! As a pet-owner, it's your job to wake him up (call out his name), softly stroke his back (with your finger) and shelter him from the rain (your hand makes a great umbrella!). It's quite hard work - phew! - but it's so much fun. From minibombo, the creators of The White Book and Black Cat, White Cat comes a playful picture book that cleverly encourages you to interact with the physicality of the page itself, and a book that will, with the help of your imagination, bring a purr-y, fluffy cat to life. Miaow! Check out minibombo.com to find plenty of fun ideas for playing and creating inspired by this book! An interactive concept book for all cat lovers! Will appeal to fans of Hervé Tullet's Press Here, Richard Byrne's This book just ate my dog! and Mo Willems' Pigeon books Look out for The Dog Book and The Hamster Book - the other titles in the Paper Pets series

The teachings of the Native Americans provide a connection with the land, the environment, and the simple beauties of life. This collection of writings from revered Native Americans offers timeless, meaningful lessons on living and learning. Taken from writings, orations, and recorded observations of life, this book selects the best of Native American wisdom and distills it to its essence in short, digestible quotes — perhaps even more timely now than when they were first written. In addition to the short passages, this edition includes the complete Soul of an Indian, as well as other writings by Ohiyesa (Charles Alexander Eastman), one of the great interpreters of American Indian thought, and three great speeches by Chiefs Joseph, Seattle, and Red Jacket.

Rebelde the snail can't stop asking his fellow molluscs awkward questions, starting with: why are we so slow? When he is finally banished from the snail community because of this, he is forced to travel the world alone. As he explores in his slow snail-like way, Rebelde makes new friends and goes on plenty of adventures, gaining wisdom from every new encounter. But when he finds out his friends are in danger, he decides to rush home to warn them. Will he get there in time to save them? Luis Sepúlveda's bestselling The Story of a Snail Who Discovered the Importance of Being Slow is a wonderful ode to diversity and unity, celebrating the importance of being slow in a world obsessed with speed.

The perfect story for anyone who's ever felt overshadowed. One little girl dreams of being a star. But whether it's finding Mom's lost wedding ring or winning the costume prize, her big sister always shines brighter. In her grandfather's eyes, though, she is a star. As he dries her tears and they both gaze up at the night sky, he tells a story about how everything and everyone is made of stardust and we all shine in different ways. With illustrations from new talent Briony May Smith, this is a touching story about being true to yourself from award-winning author Jeanne Willis.

In this funny chapter book from the bestselling middle grade adventure series, time travel to ancient civilizations with a beloved mouse journalist. Imagine my surprise when I, Geronimo Stilton, was offered the chance to travel back in time again! Professor Paws von Volt entrusted me to lead my family on a secret journey in his new time machine. This voyage took us to ancient Rome, to the great Maya Empire, and to the Palace of Versailles during the age of the Sun King! Along the way I competed in a scary chariot race, saved some mouselings from a hungry jaguar, and was forced to organize a huge party for the king who had everything. What a wild trip through history! Praise for Geronimo Stilton's books: "Lightning pace and full-color design will hook kids in a flash." —Publishers Weekly

John Alcorn | Evolution By Design is a celebration of the life and work of legendary graphic designer and illustrator, John Alcorn (1935-1992). A never-before released overview of one of the most versatile designers of the 20th century, replete with revealing essays and several hundred images spanning over 4 decades, from the artist's formative years to his untimely death at age 56. His unique style can be found in hundreds of books (Random House, Simon & Schuster, Rizzoli, Longanesi, Guanda) movie posters (Fellini's "Amarcord"), magazines and record covers. Alcorn's career included a sound training at the Push Pin Studios, the celebrated design studio founded by Milton Glaser, Seymour Chwast, Reynold Ruffins, and Edward Sorel. His work has been exhibited in various locations including The Louvre in Paris.

The Journey Through Time

The Story of a Snail Who Discovered the Importance of Being Slow

Rare edition with unique illustrations. Hans Christian Andersen was a Danish author best known for writing children's stories including "The Little Mermaid" and "The Ugly Duckling." But he didn't just write short stories, and his intended audience wasn't restricted to children. In addition to his fairy tales, Andersen wrote poems, plays, novels, travel books, essays, and more. He hungered for recognition at home (Denmark) and abroad-and he got it! Eventually. Today, his stories can be read in over one hundred languages. But no matter what language they're in, Andersen's tales have got something for everyone. In them, you'll find beauty, tragedy, nature, religion, artfulness, deception, betrayal, love, death, judgment, penance, and-occasionally-a happy ending. They're complex tales, but since Andersen himself was pretty complex, we like to think that art imitates life. Or something like that. "The Ugly Duckling" is a literary fairy tale by Danish poet and author Hans Christian Andersen. The story tells of a homely little bird born in a barnyard who suffers abuse from the others around him until, much to his delight (and to the surprise of others), he matures into a beautiful swan, the most beautiful bird of all. The story is beloved around the world as a tale about personal transformation for the better.

A Bag of Marbles

If you choose to share 'the facts of life' with children at a young age, this is the perfect book to do so. It gently guides the reader through each stage of a child's development within the womb with charming illustrations and simple explanations, inviting lots of discussion and providing answers to all those questions. Shortlisted for the Junior Science Book Award (now the Royal Society's Science Prize).

Molecules of Emotion

Lucas was convinced he was born to fly. He spent hours watching birds and airplanes in flight and tried to design his own sets of wings -- many times. But each time they failed. He wrote letters to Santa, pleading for help, but was disappointed with the toy wings and capes he received. Then one day, something magical happened, without him even knowing it. His mother put a book in his hands -- and Lucas began to fly. And fly. And fly. Both a delightful story and a celebration of the wonder of books and their power to transport us to places beyond our imagination. Ages 4 to 8. Hardcover picture book with dust jacket. Full color throughout. 42 pages. 8-3/4 inches wide by 11-3/4 inches high. Rocio Bonilla was born in Barcelona, Spain, and received her Bachelor of Fine Arts degree from the University of

Barcelona. She has worked as a photographer, painter, and teacher, and now spends most of her time illustrating books and painting children's murals. As a mother of three, she is continually fascinated by the unique and extraordinary universes that children create, as well as their enormous willingness and generosity to share them with others.

Tip the Mouse Doesn't Want to Eat

This "I Spy" book takes children through a spooky old house at night where they search for spooky items. Children look for bats, lizards, frogs, owls and tombstones. From its rickety gate to its cobwebbed attic, this haunted house contains 13 spooky environments. Readers will marvel at Walter Wick's beautifully executed photographs as they travel through each enchanting scene and solve the rhyming riddles, reading the story along the way. Over two million "I Spy" books have been sold to date.

John Alcorn

Children love using the beads to solve problems in these books. With the concepts they learn, they are ready to apply their skills about the house. We help the Counting Kids to add and to subtract. The readers is asked to solve simple addition and subtraction problems by manipulating a string of movable beads. On board pages.

How Santa Really Works

The Ugly Duckling (Illustrated)

"From the depths of the sea to the energy of fall camping trips, peer inside Tom Schamp's whimsical and topsy-turvy world to see day-to-day life detailed and enlivened. Children and parents alike will find something new on every page of Show and Tell Me the World; vibrantly illustrated settings pair with cunning word play to reveal the nuances of everyday life."--Page 4 of cover.

Back to the Future

Halli loves the old stories from when the valley was a wild and dangerous place when the legendary heroes stood together to defeat the ancient enemy, the bloodthirsty Trows. Nowadays heroics seem a thing of the past. But when a practical joke rekindles an old blood feud, Halli spots a chance for a quest of his own.

Mac Undercover (Mac B, Kid Spy #1)

A special edition celebrating 30 years of a picture book phenomenon. A success since its publication in 1989, *The Story of the Little Mole* has delighted adults and children alike to become an all-time humour classic. This hilarious picture book tells the tale of a little mole who wakes up one morning only to have one of the other animals 'do its business' on his head. The Little Mole then sets out to track down the culprit to exact his revenge in his own little way. This new anniversary edition is a fantastic way to introduce children to the amazing world of books. This children's classic by story and illustrator duo Werner Holzwarth and Wolf Erlbruch is now reissued in a special anniversary edition, with accompanying marketing and publicity campaign.
