Whether you want to (1) discover 100 of the best crockpot recipes of all time, (2) create delicious meals with little effort, or (3) save time and money, then this is the recipe book for you! The Best Crockpot Cooking Recipes This Crockpot Recipe Guide includes the most delicious and healthy main dishes, side dishes, breakfasts, lunches, and even mouthwatering desert dishes. There are 100 recipes that you can put in your crockpot or slow cooker in the morning before work and come home and eat within minutes something delicious. Crockpot recipes are not only easy and quick, but they are extraordinarily tasty. Cook for tenderness and flavor. The secret behind the marvel of slow-cooked meals is the sustained low temperature and the sealed environment. Because the temperature is low and the cooking time is extended, even the toughest cuts of meat are effectively broken down to the point that they melt in your mouth. The closed cooking environment traps all the flavor and moisture, infusing tasty juices throughout the dish. When done correctly, everything you cook in a crockpot will be very good. Delicious recipes for breakfast, lunch and dinner. In this book you will find all kinds of recipes including those that you can start in the morning or overnight and eat in about 8 hours. There are also recipes that only take a few hours to cook in a crockpot. Make main dishes like meatloaf, pot roast or lamb chops. Cook a whole chicken or opt for some elegant cranberry glazed chicken or Chinese Cashew Chicken. Pork roast, pork chops and maple glazed ham are a breeze in a slow cooker. Whip up some seafood including crab legs, tuna noodle casserole and a Louisiana seafood gumbo in. Soup, stew, and vegetarian recipes. This recipe book also has a plethora of soups and stew recipes including chicken noodle, beef stew, French onion soup and Irish stew that will keep your family coming back for more. Pasta can be made in slow cookers

and you will find Alfredo and tomato recipes including lasagna and ravioli. If you aren't a meat eater, do not despair. There is a complete vegetarian section using beans, quinoa and couscous to make luscious main dishes that also serve as side dishes for those who do eat meat including Bolonaise of Cauliflower and Mushroom Stroganoff. Appetizers stay warm throughout a party while vegetables and side dishes are easy additions to family dinners. For more adventurous cooks, the slow cooker can be used to make homemade breads, warm sandwiches, and delectable desserts. The award-winning 1,001 cookbook series—which has sold 750,000 copies across all titles—has earned its popularity through how its writers and editors curate and test the recipes, as well as by featuring complete nutritional data, such as calories, fat, cholesterol, carbohydrates, and diabetic exchanges. This latest offering in the bestselling series has been completely refreshed and updated for maximum ease of use.

1,001 Best Slow-Cooker Recipes

Sip, Slurp, Soup, Soup (caldo, Caldo, Caldo)

A rhythmic text with repetitive phrases relates how the children watch Mamá make soup (recipe included) and go with Papá to get tortillas before enjoying the results of her labor.

Sip, Slurp, Soup, Soup (Caldo, Caldo, Caldo)

"On rainy Sunday mornings when Mam? pulls out her tall, dark soup pot with tiny white spots, we know it will be a caldo day. Caldo, caldo, caldo. " The kids know they are in for a special treat when Mam? begins preparing her delicious beef vegetable soup. Mam?'s caldo "fills up a warm spot inside us," and stops the sniffles, softens a cough, settles the stomach, and soothes a backache. It even massages tired feet! The children lick their lips in anticipation as she chops onions, garlic, potatoes, turnips, carrots, corn, and celery. Then it's off to the tortilla store to help Pap? bring home the warm tortillas that will complement the delicious caldo perfectly. The tortillas are so hot, and the children are so hungry, that they can't resist. "One, Pap?, please?" they beg on the way home. Popular children's book author Diane Gonzales Bertrand's rhythmic narrative, combined with Alex Pardo DeLange's colorful illustrations, captures a warm-hearted family ritual shared by many cultures. Sip, Slurp, Soup, Soup / Caldo, caldo, caldo transforms a common everyday meal into a captivating family celebration and will charm children and adults alike. It also includes an easy caldo recipe that can be used by children, parents, and teachers.

Many Ways to Learn

Ten theme-based units suggest creative activities based on the theory of multiple intelligences. The monthly themes kick off the school year with "my favorites (favorite books, people, colors, etc.), then move on to apples and pumpkins, harvest, stories about runaways, hot soup (for January), authors,

weather (for March), ecology, and careers, closing out the year with a June unit on friendship. Units offer key questions, a framework addressing each of eight learning styles, a one-week sample lesson plan, lists of related children's literature, and reproducible handouts to ease implementation. How to Teach English Language Learners

This hands-on book offers teachers a much-needed resource that will help maximize learning for English Language Learners (ELLs). *How to Teach English Language Learners* draws on two wide-ranging teacher quality studies and profiles eight educators who have achieved exceptional results with their ELL students. Through highly readable portraits, the authors take readers into these teachers' classrooms, illustrating richly what it is they do differently that yields such great results from English learners. Because most teachers profiled work within a three-tiered Response-to-Intervention framework, the book shows how to implement RTI effectively with ELLs—from providing general reading instruction for the entire classroom to targeted interventions with struggling students. Written by noted ELL educators Diane Haager, Janette K. Klingner, and Terese Aceves, *How to Teach English Language Learners* is filled with inspiring success stories, teaching tips, activities, discussion questions, and reflections from these outstanding teachers.

There's a Name for this Feeling: Stories / Hay un nombre para lo que siento: cuentos

In the title story, Lucinda hatches a clever plan to get her boyfriend back and is crushed when she ultimately realizes that it's impossible to force a guy to love you. Like all young people, she ignores the advice of her mom and learns that lesson—and many more—the hard way. In this bilingual collection of ten short stories for young people, kids deal with both serious and humorous consequences after they ignore their parents' suggestions and disobey rules. At a friend's house on New Year's Eve, Raymond plays with fireworks even though he promised his parents he wouldn't. Kids on a track team search for a mysterious naked woman with embarrassing results. And two girls in a wax museum are in for a surprise when they ignore the signs about touching the figures. These short and accessible contemporary stories are alternately amusing and poignant as they explore issues relevant to today's youth. Teens deal with everything from grandparents suffering from dementia to difficult customers at a first job. And in one story, a young girl grieves the loss of her baby, a miscarriage her mom calls a "blessing." These stories highlight the emotional tailspins of living in a complicated world.

Close to the Heart

Books that expand children's horizons and stimulate their imaginations are the focus of this 12th edition, an annotated bibliography of selected children's books published between 1996 and 1998. The 20 chapters in the book contain traditional and nontraditional categories of literature: Stories of the Universe: From Questions and Observations to Discoveries and Inventions; Our Changing World; Exploring Our Past; Families; Struggle and Survival; School Life; Literacy; Picture Books; Mathematics; Poetry; Fine Arts; Sports, Games, and Hobbies; The Craft of Language: Passages, Profiles, and Puzzles; Fantasy Literature: Making the Impossible Possible; African and African American Voices and Experiences; Asian, Asian American, and Hawaii Pacific Voices and Experiences; Hispanic/Latino, Hispanic American, and Latino American Voices and Experiences; Native American Voices and Experiences; Gender Issues: Spunky, Clever, Caring, and Endearing Girls and Boys in Children's Literature; and Supporting Critical Conversations in Classrooms. New to this edition are extensive reviews of selected books, giving additional information on children's comments and reactions, ways the books have been used in the classroom, and other ideas about sharing the books with children. Introductions to each chapter (by the teachers, librarians, university faculty, school-age and university students, and parents who collaborated in choosing the books) share their processes, the issues they dealt with, and the decisions they made about the books in their section. Books are indexed by author, illustrator, subject, and title. (RS)

Adventuring with Books: A Booklist for Pre-K

This revised edition of an award-winning resource celebrates the lives and works of 35 Latina and Latino authors who write for today's young readers. Expanded to include 12 additional authors, updated information on the original 23 authors profiled, and 135 new titles, this comprehensive reference tool helps teachers, librarians, and parents stay current on one of the most dynamic areas of contemporary literature. Both established and emerging voices are profiled. Personal quotes and photographs introduce each biographical essay, presenting information gathered through interviews, personal communications, and research. A complete list of all books and works written by the author is included along with publication information. Annotations are provided for most of the titles, along with information on major themes, awards won, and recommended age levels. Evaluating Books for Bias provides helpful guidelines for examining and selecting books from a pluralistic perspective. Appendices offer further helpful information about the field, including special awards honoring books

by Latinas and Latinos, a calendar of holidays and special days celebrated by the Latino community, and listings of related resources and organizations. The author has also compiled ideas for classroom activities and ways for librarians to extend the literary experience. A title index and extensive topic index—including themes, curricular areas, and genres—help in planning story sessions and study units. This is a multipurpose resource for anyone who wants to help young readers connect with contemporary literature in a meaningful way.

NEA's Read Across America

This book presents theoretical, research based, and classroom practices that explore the use of multicultural children's literature to support the linguistic, academic, and psychological development of Latino children in the process of becoming bilingual and acquiring English. The contributions cover a broad spectrum of issues related to the effective use of children's literature with Bilingual Learners (BL), including identity development, critical pedagogy, biliteracy development, and holistic literacy instruction.

Latina and Latino Voices in Literature

This comprehensive listing and discussion of poetic works supports the standards of all areas of the curriculum, helping librarians and teachers working with kindergarten through middle school students. This second edition of *Using Poetry Across the Curriculum: Learning to Love Language* offers a comprehensive list of poetry anthologies, poetic picture books, and poetic prose works in a wide variety of subject areas. While it maintains the original edition's focus on ideas and resource lists for integration of poetry into all areas of the curriculum, it is thoroughly revised to cover current issues in education and the wealth of new poetry books available. The book is organized by subject areas commonly taught in elementary and middle schools, and, within these, by the national standards in each area. Numerous examples of poetry and poetic prose that can be used to help students understand and appreciate aspects of the standard are listed. A sampling of units that arise from groups of works, writing and performance ideas, and links across the curriculum is also included. While many teaching ideas and topics provide references to the standards they meet, this title is unique in starting with those standards and making links across them.

Multicultural Literature for Latino Bilingual Children

Using Poetry Across the Curriculum

From East L.A. to the barrios of New York City and the Cuban neighborhoods of Miami, Latino literature, or literature written by Hispanic peoples of the United States, is the written word of North America's vibrant Latino communities. Emerging from the fusion of Spanish, North American, and African cultures, it has always been part of the American mosaic. Written for students and general readers, this encyclopedia surveys the vast landscape of Latino literature from the colonial era to the present. Aiming to be as broad and inclusive as possible, the encyclopedia covers all of native North American Latino literature as well as that created by authors originating in virtually every country of Spanish America and Spain. Included are more than 700 alphabetically arranged entries written by roughly 60 expert contributors. While most of the entries are on writers, such as Julia Alvarez, Sandra Cisneros, Lorna Dee Cervantes, Oscar Hijuelos, and Piri Thomas, others cover genres, ethnic and national literatures, movements, historical topics and events, themes, concepts, associations and organizations, and publishers and magazines. Special attention is given to the cultural, political, social, and historical contexts in which Latino literature has developed. Entries cite works for further reading, and the encyclopedia closes with a selected, general bibliography. Entries cite works for further reading, and the encyclopedia closes with a selected, general bibliography. The encyclopedia gives special attention to the social, cultural, historical, and political contexts of Latino literature, thus making it an ideal tool to help students use literature to learn about history and cultural diversity.

Libros Esenciales

Children's and young adult literature has become an essential medium for identity formation in contemporary Latino/a culture in the United States. This book is an original collection of more than thirty

interviews led by Frederick Luis Aldama with Latino/a authors working in the genre. The conversations revolve around the conveyance of young Latino/a experience, and what that means for the authors as they overcome societal obstacles and aesthetic complexity. The authors also speak extensively about their experiences within the publishing industry and with their audiences. As such, Aldama's collection presents an open forum to contemporary Latino/a writers working in a vital literary category and sheds new light on the myriad formats, distinctive nature, and cultural impact it offers.

Partnership Education in Action

More effectively meet the diverse literacy needs of the growing Latino population by learning how to evaluate and select quality Latino children's literature. Latinos are the fastest growing and largest ethnic minority in the United States. The number of Latino children is at a historic high. As a result, librarians and teachers in the United States must know how to meet the informational, cultural, and traditional literacy needs of this student demographic group. An ideal way to overcome this challenge is by providing culturally accurate and authentic children's literature that represents the diversity of the Latino cultures. Much more than simply a topical bibliography, this book details both historical and current practices in educating Latino children; explains why having quality Latino children's literature in classrooms and libraries is necessary for the ethnic identity development of Latino children; and offers a historical overview of Latino children's literature in America. Web resources of interest to educators working with Latino children are also included.

The Greenwood Encyclopedia of Latino Literature [3 volumes]

Latinos in the United States have fought hard to attain equality, especially in the field of education. The Praeger Handbook of Latino Education in the U.S. focuses on this fight for equal educational access and represents a significant addition to American educational literature. The contributors to this volume reveal that many Latino children still face challenges that were present many decades ago. In addition to such obstacles as cultural conflicts and racism, they also face teachers, curricula, and assessments that are not always respectful to their backgrounds. Educators, parents, policy makers, and communities across the country will find this work a goldmine of detailed historical and current information.

Latino/a Children's and Young Adult Writers on the Art of Storytelling

Presents information for classroom teachers on working effectively with students with limited English-language proficiency.

Dale is a former professor in the College of Education at Southern Illinois U. at Carbondale. In this Bibliography, she lists and annotates 254 titles of bilingual children's books containing both Spanish and English in the same volume, published during the past six decades. The text includes an introduction, table of contents, and subject indexing in both English and Spanish. Entries in the bibliography itself are arranged in alphabetical order by the author's last name and then by book title, and include brief summaries of the text (in English only), information on awards the book has won, and a list of reviews from Children's Book Review Index. English Language Learners

Educators, parents, policy-makers, and communities across the country will find this a significant addition to American educational literature and a gold mine of both current information and detailed historical facts. Latinos in the United States have fought hard to attain equality, especially in the field of education. This book focuses on the fight for equal educational access. The contributors reveal that many Latino children still face decades-old challenges. In addition to such obstacles as cultural conflicts and racism, they also face teachers, curricula, and assessments that are not always respectful to their backgrounds. Three major questions form the framework for this landmark work: How can schools address issues of educational equity for Latino students in the United States? How can curricula be

reformed to address the needs of these students? How can scholars, community activists, and parents collaborate for the benefit of Latino learners in the United States?

MultiCultural Review

A guide to Latino literature for young readers by literature professor Alma Flor Ada.

Bilingual Children's Books in English and Spanish / Los Libros Bilingües Para Niños en Inglés Y en Español

In its seventh edition, "Through the Eyes of a Child: An Introduction to Children's Literature" continues to be a visually stunning, theoretically sound, comprehensive overview of children's literature. It focuses squarely on selecting and evaluating quality literature to share with children and guiding them to appreciate and respond to that literature. This edition features multicultural literature and young adult literature in every chapter, expanded coverage of biographies and informational books and over 100 new children's titles referenced throughout. A children's literature CD-ROM accompanies the book and contains bibliographic information for thousands of titles, making it even easier to share quality literature with children and adolescents.
