The Sleeper Awakes Annotated

How is this book unique? Annotated included A more well-known story One of the best books to read Extremely well formatted Matte Attractive cover "The Sleeper Awakes is science fiction novel by English writer H. G. Wells, about a man who sleeps for two hundred and three years, waking up in a completely transformed London in which he has become the richest man in the world. The main character awakes to see his dreams realised, and the future revealed to him in all its horrors and malformities. The novel was originally published, as *When the Sleeper Wakes*, in The Graphic from 1898 to 1903. "

The Sleeper Awakes

H. G. Wells's dystopian novel 'The Sleeper Awakes' was first published as a book in the year 1899. It narrates the story of a man who wakes up after a very long continuous sleep of hundred and three years. What happens next to him and how the world has changed for him is told interestingly in this novel.

The Sleeper Awakes (‰a &')

A troubled insomniac in 1890s England falls suddenly into a sleep-like trance, from which he does not awake for over two hundred years. During his centuries of slumber, however, investments are made that make him the richest and most powerful man on Earth. But when he comes out of his trance he is horrified to discover that the money accumulated in his name is being used to maintain a hierarchal society in which most are poor, and more than a third of all people are enslaved. Oppressed and uneducated, the masses cling desperately to one dream - that the sleeper will awake, and lead them all to freedom.

The Sleeper Awakes

"The Sleeper Awakes. A Revised Edition of *When the Sleeper Wakes*" by H. G. Wells. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten or yet undiscovered gems of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Sleeper Awakes. A Revised Edition of When the Sleeper Wakes

The *Sleeper Awakes* is a dystopian science fiction novel by English writer H. G. Wells, about a man who sleeps for two hundred and three years, waking up in a completely transformed London in which he has become the richest man in the world. The main character awakes to see his dreams realised, and the future revealed to him in all its horrors and malformities. The text published as *The Sleeper Awakes* in 1910 is a revised version of the novel *When the Sleeper Wakes*, which was published as a serial, then as a book, in 1899. The 2004 Project Gutenberg title page displays on four lines that suggest a subtitle: *The Sleeper Awakes; A Revised Edition of "When the Sleeper Wakes"; By H. G. Wells; 1899.*^[2] Library of Congress Catalog uses the subtitle.

The Sleeper Awakes Illustrated

This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

The Sleeper Awakes Annotated (Wordsworth Classics)

We are delighted to publish this classic book as part of our extensive classic literature collection. This book is a reproduction of an important historical work. Unlike some other reproductions of classic texts, We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. Also in books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve

to be made available for future generations to enjoy. We use state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. The novel was originally published, as *When the Sleeper Wakes*, in *The Graphic* from 1898 to 1903.

The Sleeper Awakes Annotated

The *Sleeper Awakes* is H. G. Wells's wildly imaginative story of London in the twenty-second century and the man who by accident becomes owner and master of the world. In 1897 a Victorian gentleman falls into a sleep from which he cannot be waked. During his two centuries of slumber he becomes the Sleeper, the most well known and powerful person in the world. All property is bequeathed to the Sleeper to be administered by a Council on his behalf. The common people, increasingly oppressed, view the Sleeper as a mythical liberator whose awakening will free them from misery. The Sleeper awakes in 2100 to a futuristic London adorned with wondrous technological trappings yet staggering under social injustice and escalating unrest. His awakening sends shock waves throughout London, from the highest meetings of the Council to the workers laboring in factories in the bowels of the city. Daring rescues and villainous treachery abound as workers and capitalists fight desperately for control of the Sleeper. We are happy to announce this classic book. Many of the books in our collection have not been published for decades and are therefore not broadly available to the readers. Our goal is to access the very large literary repository of general public books. The main contents of our entire classical books are the original works. To ensure high quality products, all the titles are chosen carefully by our staff. We hope you enjoy this classic.

The Sleeper Awakes

"*When The Sleeper Awakes*" is a dystopian science fiction novel about a man who sleeps for two hundred and three years, waking up in a completely transformed London, where, because of compound interest on his bank accounts, he has become the richest man in the world. The main character awakes to see his dreams realized, and the future revealed to him in all its horrors and malformities. Presented here are the two unabridged editions – original and revised – of this great classic with all of their revisions and additions. H. G. Wells (1866–1946) was an English writer who was prolific in many genres, including the novel, history, politics, social commentary, and textbooks and rules for war games. Wells is now best remembered for his science fiction novels and is called a "father of science fiction".

WHEN THE SLEEPER AWAKES (A Dystopian Sci-Fi Classic)

The *Sleeper Awakes* by H. G. Wells

The Sleeper Awakes by H. G. Wells

Herbert George Wells (21 September 1866 - 13 August 1946) was an English writer. Prolific in many genres, he wrote dozens of novels, short stories, and works of social commentary, history, satire, biography and autobiography. His work also included two books on recreational war games. Wells is now best remembered for his science fiction novels and is often called the "father of science fiction".

The Sleeper Awakes (Esprios Classics)

In "The Sleeper Awakes," an insomniac falls into a sleep-like trance for more than two hundred years, and awakes in a society in which the oppressed masses cling desperately to one dream that the sleeper will awake and lead them all to freedom.

Daring rescues and villainous treachery abound as workers and capitalists fight desperately for control of the Sleeper.

The Sleeper Awakes Illustrated

One afternoon, at low water, Mr. Isbister, a young artist lodging at Boscastle, walked from that place to the picturesque cove of Pentargen, desiring to examine the caves there. Halfway down the precipitous path to the Pentargen beach he came suddenly upon a man sitting in an attitude of profound distress beneath a projecting mass of rock. The hands of this man hung limply over his knees, his eyes were red and staring before him, and his face was wet with tears. He glanced round at Isbister's footfall. Both men were disconcerted, Isbister the more so, and, to override the awkwardness of his involuntary pause, he remarked, with an air of mature conviction, that the weather was hot for the time of year. "Very," answered the stranger shortly, hesitated a second, and added in a colourless tone, "I can't sleep." Isbister stopped abruptly. "No?" was all he said, but his bearing conveyed his helpful impulse.

The Sleeper Awakes

This carefully crafted ebook: "*When The Sleeper Wakes (A Dystopian Science Fiction Classic)*" is formatted for your eReader with a functional and detailed table of contents. The *Sleeper Awakes* is a dystopian science fiction novel about a man who sleeps for two hundred and three years, waking up in a completely transformed London, where, because of compound interest on his bank accounts, he has become the richest man in the world. The main character awakes to see his dreams realized, and the future revealed to him in all its horrors and malformities. Herbert George Wells (1866-1946), known as H. G. Wells, was a prolific English writer in many genres, including the novel, history, politics, and social commentary, and textbooks and rules for war games.

When The Sleeper Wakes (A Dystopian Science Fiction Classic)

Excerpt from *The Sleeper Awakes* The *Sleeper Awakes*, was written in that remote and comparatively happy year, 1898. It is the first of a series of books which I have written at intervals since that time; *The World Set Free* is the latest; they are all "fantasias of possibility;" each one takes some great creative tendency, or group of tendencies, and develops its possible consequences in the future. *The War in the Air* did that for example with aviation, and is perhaps, as a forecast, the most successful of them all. The present volume takes up certain ideas already very much discussed in the concluding years of the last century, the idea of the growth of the towns and the depopulation of the country-side and the degradation of labour through the higher organisation of industrial production. "Suppose these forces to go on," that is the fundamental hypothesis of the story. The "Sleeper" is of course the average man,

who owns everything did he but choose to take hold of his possessions and who neglects everything. He wakes up to find himself the puppet of a conspiracy of highly intellectual men in a world which is a practical realisation of Mr. Belloc's nightmare of the Servile State. And the book resolves itself into as vigorous an imagination as the writers quality permitted of this world of base servitude in hypertrophied cities. Will such a world ever exist? I will confess I doubt it. At the time when I wrote this story I had a considerable belief in its possibility, but later on, in *Anticipations* (1900), I made a very careful analysis of the causes of town aggregation and showed that a period of town dispersal was already beginning. Daring rescues and villainous treachery abound as workers and capitalists fight desperately for control of the Sleeper.

The Sleeper Awakes:

"A Story of the Days To Come" is a novella by H. G. Wells comprising five chapters that was first published in the June to October 1899 issues of The Pall Mall Magazine. It was later included in an 1899 collection of Wells's short stories, Tales of Space and Time. The chapter titles are: "The Cure for Love" "The Vacant Country" "The Ways of the City" "Underneath" "Bindon Intervenes" The novella depicts two lovers in a dystopian future London of the 22nd century and explores the implications of excessive urbanization, class warfare, and advances in the technology of medicine, communication, transportation, and agriculture. Like "When the Sleeper Wakes," published in the same year, the stories extrapolate the trends Wells observed in nineteenth-century Victorian London two hundred years into the future. The London of the early 22nd century is over 30 million people in population, with the lower classes living in subterranean dwellings, and the middle and upper classes living in skyscrapers and largely communal accommodations. Moving walkways interconnect the city, with fast air-travel and superhighways available between cities. The countryside is largely abandoned.

A Story of the Days to Come

Tono-Bungay is a semiautobiographical novel written by H. G. Wells. It is narrated by George Ponderevo, who is persuaded to help develop the business of selling Tono-Bungay, a patent medicine created by his uncle Edward. George devotes seven years to organizing the production and manufacture of the product, even though he believes it is "a damned swindle".

Tono-Bungay

The writings of H.G. Wells have had a profound influence on literary and cinematic depictions of the present and the possible future, and modern science fiction continues to be indebted to his "scientific romances," such as The Time Machine, The War of the Worlds and The Island of Doctor Moreau. Interpreted and adapted for more than a century, Wells's texts have resisted easy categorization and are perennial subjects for emerging critical and theoretical perspectives. The author examines Wells's works through the post-structuralist philosophy of Gilles Deleuze. Via this critical perspective, concepts now synonymous with science fiction--such as time travel, alien invasion and transhumanism--demonstrate the intrinsic relevance of Wells to the genre and contemporary thought.

Wells Meets Deleuze

Penguin Classics is the largest and best-known classics imprint in the world. From The Epic of Gilgamesh to the poetry of the First World War, and covering all the greatest works of fiction, poetry, drama, history and philosophy in between, this reader's companion encompasses 500 authors, 1,200 books and 4,000 years of world literature. Stuffed full of stories, author biographies, book summaries and recommendations, and illustrated with thousands of historic Penguin Classic covers, this is an exhilarating and comprehensive guide for anyone who wants to explore and discover the best books ever written.

The Penguin Classics Book

"Perfect Worlds offers an extensive historical analysis of utopian narratives in the Chinese and Euro-American traditions. This comparative study discusses, among other things, More's criticism of Plato, the European orientalist search for utopia in China, Wells's Modern Utopia and his talk with Stalin, Chinese writers constructing their Confucianist utopia, traces of Daoism in Mao Zedong's utopianism and politics and finally the rise of dystopian writing - a negative expression of the utopian impulse - in Europe and America as well as in China"--P. 4 of cover.

Perfect Worlds

This book examines the role of the synthesizer and electronics in shaping the dystopian sound of electronic music in 1970s Britain, presenting a musicological analysis of a variety of acts—including Cabaret Voltaire, Gary Numan, Throbbing Gristle, The Normal, Visage, Fad Gadget—and considering background, influences, and technological approaches.

Dark Waves

From his perspective in 1922, H.G. Wells wrote a "Short History of the World." This straightforward look at the world's timeline, from the first appearance of humans to the reconstruction after World War I is an engaging and concise adventure story that also happens to be true. Xist Publishing is a digital-first

publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes.

A Short History of the World

A wide-ranging survey of predictions about the future development and impact of science and technology through the twentieth century.

A History of the Future

Bowler traces ideas about progress using evolutionary biology to throw light on parallel changes in the understanding of social development.

The Song of Roland

On 15 August 778, Charlemagne's army was returning from a successful expedition against Saracen Spain when its rearguard was ambushed in a remote Pyrenean pass. Out of this skirmish arose a stirring tale of war, which was recorded in the oldest extant epic poem in French. The Song of Roland, written by an unknown poet, tells of Charlemagne's warrior nephew, Lord of the Breton Marches, who valiantly leads his men into battle against the Saracens, but dies in the massacre, defiant to the end. In majestic verses, the battle becomes a symbolic struggle between Christianity and paganism, while Roland's last stand is the ultimate expression of honour and feudal values of twelfth-century France. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Song of Roland

On 15 August 778, Charlemagne's army was returning from a successful expedition against Saracen Spain when its rearguard was ambushed in a remote Pyrenean pass. Out of this skirmish arose a stirring tale of war, which was recorded in the oldest extant epic poem in French. The Song of Roland, written by an unknown poet, tells of Charlemagne's warrior nephew, Lord of the Breton Marches, who valiantly leads his men into battle against the Saracens, but dies in the massacre, defiant to the end. In majestic verses, the battle becomes a symbolic struggle between Christianity and paganism, while Roland's last stand is the ultimate expression of honour and feudal values of twelfth-century France. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Song of Roland

Swift yet resonant, this masterful new verse translation conveys the immediacy, intimacy, and power of this greatest of Old French epic poems. John DuVal approaches the unadorned syntax of The Song of Roland in straightforward modern English, attuned to the nuance and detail of the narrative and the poetry of the original text. In his concise but thorough general Introduction, David Staines traces

the origins of the poem and its reception in medieval society, discusses its content and its themes, and in clear, accessible prose illuminates the epic poem's chivalric spirit. Footnotes provide glosses on events, characters, and medieval terms. Endnotes discuss editorial and translational issues. This edition also includes a selected bibliography, a map, and a glossary and index. An appendix provides the entire text of the Old French original.

The Song of Roland

The song of Roland by Isabel Butler. This book is a reproduction of the original book published in 1904 and may have some imperfections such as marks or hand-written notes.

The Song of Roland

On 15 August 778, Charlemagne's army was returning from a successful expedition against Saracen Spain when its rearguard was ambushed in a remote Pyrenean pass. Out of this skirmish arose a stirring tale of war, which was recorded in the oldest extant epic poem in French. The Song of Roland, written by an unknown poet, tells of Charlemagne's warrior nephew, Lord of the Breton Marches, who valiantly leads his men into battle against the Saracens, but dies in the massacre, defiant to the end. In majestic verses, the battle becomes a symbolic struggle between Christianity and paganism, while Roland's last stand is the ultimate expression of honour and feudal values of twelfth-century France. Nowhere in literature is the medieval code of chivalry more perfectly expressed than in this masterly & exciting poem, translated here by Dorothy L. Sayers, an expert in medieval literature perhaps best known for her sixteen crime novels.

The Song of Roland

The Song of Roland is an epic poem based on the Battle of Roncevaux in 778, during the reign of Charlemagne. It is the oldest surviving major work of French literature and exists in various manuscript versions, which testify to its enormous and enduring popularity in the 12th to 14th centuries.

The Song of Roland

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. The Song of Roland

This 1913 book contains Arthur Sanders Way's English translation of medieval French heroic poem The Song of Roland.

The Song of Roland

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

The Song of Roland

The Song of Roland is a book of poems by an anonymous author. It depicts a gory French tale of war, where General Charlemagne was ambushed in a remote Pyrenean pass, showcasing a symbolic struggle between Christianity and Islam.

The Song of Roland

Excerpt from The Song of Roland: Translated Into English Prose Whether this song corresponded to any part of the version of Roland that has been preserved in the Oxford Manuscript, we cannot know. But,

at least, that version, composed soon after the Con quest, gives us the kind of story the Normans liked to listen to. The Song of Roland

A contemporary prose rendering of the great medieval French epic, *The Song of Roland* is as canonical and significant as the Anglo-Saxon *Beowulf*. It extols the chivalric ideals in the France of Charlemagne through the exploits of Charlemagne's nephew, the warrior Roland, who fights bravely to his death in a legendary battle. Against the bloody backdrop of the struggle between Christianity and Islam, *The Song of Roland* remains a vivid portrayal of medieval life, knightly adventure, and feudal politics. The first great literary works of a culture are its epic chronicles, those that create simple hero-figures about whom the imagination of a nation can crystallize, observed V. S. Pritchett. *The Song of Roland* is animated by the crusading spirit and fortified by national and religious propaganda. This edition features W. S. Merwin's glowing, lyrical translation.

The Song of Roland

"Presented here in a [new] translation, *The Song of Roland* offers fascinating insights into medieval ideas about heroism, masculinity, religion, race and nationhood which were foundational for modern European culture. [It] is accompanied here by tow other medieval French epics about Charlemagne, both of which show him to be a far more equivocal figure than that portrayed by the Roland: the Occitan *Daurel and Beton*, in which he is a corrupt and avaricious monarch; and the *Journey of Charlemagne to Jerusalem and Constantinople*, which gives the heroes of the Roland a comic makeover."--Back cover.

The Song of Roland

The Song of Roland (French: *La Chanson de Roland*) is the oldest major work of French literature. It exists in various different manuscript versions, which testify to its enormous and enduring popularity in the 12th to 14th centuries. The oldest of these versions is the one in the Oxford manuscript, which contains a text of some 4004 lines (the number varies slightly in different modern editions) and is usually dated to the middle of the twelfth century (between 1140 and 1170). The epic poem is the first and most outstanding example of the *chanson de geste*, a literary form that flourished between the eleventh and fifteenth centuries and celebrated the legendary deeds of a hero.

The Song of Roland

Excerpt from *The Song of Roland: Translated Into English Verse* An apology for a new translation of the *Song of Roland* is perhaps not unnecessary. Several excellent versions in prose and verse already exist. It was with no view to supplanting them that the present volume was undertaken. But the writer feels certain that a work like the *Song of Roland* is susceptible of many interpretations. Hence he has not hesitated to attempt one of his own. It is proper to indicate certain interpolations and certain deviations from the Oxford text on which the present version is based. Laisses CXIIa, CXIIb, CXIVa, CXIVb, CXIVc, CXXVa, CXXVIIIa, CXXVIIIb, CXXVIIIc, CXXVIIIId, CXLIVa, CLIVa, are supplied from other sources than the basic text, with a view to filling up certain lacunae in the narrative. Other interpolations and deviations are indicated in the notes. It would be impossible to enumerate the various kindnesses shown me by others in carrying out this little adventure. I take great pleasure in acknowledging my indebtedness to Professor George Rapall Noyes who suggested this undertaking, to Professor Walter Morris Hart who made many crooked paths straight, and to Professor Rudolph Schevill who encouraged me in difficulty. Finally there is owing to my father, my mother, and my wife a debt of gratitude not to be expressed easily or in a preface. The Song of Roland

The leading edition of the work of the earliest known French woman poet—the subject of Lauren Groff's bestselling novel *Matrix* Marie de France (fl. late twelfth century) is the earliest known French woman poet and her *lais*—stories in verse based on Breton tales of chivalry and romance—are among the finest of the genre. Recounting the trials and tribulations of lovers, the *lais* inhabit a powerfully realized world where very real human protagonists act out their lives against fairy-tale elements of magical beings, potions and beasts. De France takes a subtle and complex view of courtly love, whether telling the story of the knight who betrays his fairy mistress or describing the noblewoman who embroiders her sad tale on the shroud for a nightingale killed by a jealous and suspicious husband. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The epic poem is the first and most outstanding example of the *chanson de geste*, a literary form that flourished between the eleventh and fifteenth centuries and celebrated the legendary deeds of a hero.

The Song of Roland

Daniel Karlin has selected poetry written and published during the reign of Queen Victoria, (1837-1901). Giving pride of place to Tennyson, Robert Browning, and Christina Rossetti, the volume offers generous selections from other major poets such as Arnold, Emily Bronte, Hardy and Hopkins, and makes room for several poem-sequences in their entirety. It is wonderful, too, in its discovery and inclusion of eccentric, dissenting, un-Victorian voices, poets who squarely refuse to 'represent' their period. It also includes the work of Elizabeth Barrett Browning, George Meredith, James Thomson and Augusta Webster.

The Song of Roland (1907)

The greatest Indian epic, one of the world's supreme masterpieces of storytelling A Penguin Classic A sweeping tale of abduction, battle, and courtship played out in a universe of deities and demons, The Ramayana is familiar to virtually every Indian. Although the Sanskrit original was composed by Valmiki around the fourth century BC, poets have produced countless versions in different languages. Here, drawing on the work of an eleventh-century poet called Kamban, Narayan employs the skills of a master novelist to re-create the excitement he found in the original. A luminous saga made accessible to new generations of readers, The Ramayana can be enjoyed for its spiritual wisdom, or as a thrilling tale of ancient conflict. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Song of Roland

This anthology is a thorough introduction to classic literature for those who have not yet experienced these literary masterworks. For those who have known and loved these works in the past, this is an invitation to reunite with old friends in a fresh new format. From Shakespeare's finesse to Oscar Wilde's wit, this unique collection brings together works as diverse and influential as The Pilgrim's Progress and Othello. As an anthology that invites readers to immerse themselves in the masterpieces of the literary giants, it is must-have addition to any library.

The Lais of Marie de France

More than fifteen centuries after its fall, the Roman Empire remains one of the most formative influences on the history of Europe. Its physical remains dot the landscape from Scotland to Syria. Its cities are still the great metropolises of the continent. Its law and institutions have shaped modern practice, and its ideal of a united Europe has haunted politicians ever since. Fully illustrated and featuring more than sixty full- colour maps, this atlas traces the rise and fall of the first great multinational state. It looks at its provinces and cities, its trade and economy, its armies and frontier defences; follows its foreign ward and internecine struggles; and charts its transformation into a Christian theocracy and its fall in 476.

The Song of Roland

Basho, one of the greatest of Japanese poets and the master of haiku, was also a Buddhist monk and a life-long traveller. His poems combine 'karumi', or lightness of touch, with the Zen ideal of oneness with creation. Each poem evokes the natural world - the cherry blossom, the leaping frog, the summer moon or the winter snow - suggesting the smallness of human life in comparison to the vastness and drama of nature. Basho himself enjoyed solitude and a life free from possessions, and his haiku are the work of an observant eye and a meditative mind, uncluttered by materialism and alive to the beauty of the world around him.

La Chanson de Roland

Ovid's poetical calendar of the Roman year is both a day by day account of festivals and observances and their origins, and a delightful retelling of myths and legends associated with particular dates." --from back cover.

The Penguin Book of Victorian Verse

The Vicomte of Bragelonne: Ten Years Later (Le Vicomte de Bragelonne ou Dix ans plus tard) is a novel by Alexandre Dumas, père. It is the third and last of the d'Artagnan Romances following The Three Musketeers and Twenty Years After. It appeared first in serial form between 1847 and 1850. The Man in the Iron Mask is the fourth and final volume.
