Chrismukkah

A veritable cornucopia of seasonal delights, this handy (and often hilarious) lifestyle guide walks us through all the Chrismukkah events, history, and lore. You'll learn about hybrid holiday traditions in decorating (ornaments, wreaths, menorahs, dreidels); innovative tchotchkes (Chrismukkah cards, stockings, lights); and a plethora of menorah options (Godzilla or snowman, anyone?). Plus, the book includes rollicking games to play and songs to sing, along with easy-to-follow recipes for Latkes with Sugar Plum Fairy Sauce, General Saul's Chicken, Mama Mia Matzah Pizza!, Blitzen's Blintzes, and other Noel Noshes. Your yuletide happy hours will never be the same once you start mixing a Yule Plotz, Meshugga Nog, or Manishevitz Mulled Wine.

Chrismukkah

Christmas meets Hanukkah for millions of mixed-faith families who deck their trees with Stars of David and spin the dreidel under mistletoe. Here is a one-of-a-kind, amusingly illustrated, and endlessly entertaining guide to the joys--and oys--of celebrating Chrismukkah, the hybrid holiday.

Jewish Identities in Postcommunist Russia and Ukraine

The most comprehensive surveys ever undertaken of Jews in Russia and Ukraine show that their sense of Jewishness is powerful but detached from religion. Their understandings of Jewishness differ from those of Jews elsewhere and create tensions in their interactions with other Jews, especially in Israel. This book examines in depth post-Soviet Jews' attitudes toward religion, intermarriage, emigration, anti-Semitism, and rebuilding Jewish life.

Contemporary American Judaism

No longer controlled by a handful of institutional leaders based in remote headquarters and rabbinical seminaries, American Judaism is being transformed by the spiritual decisions of tens of thousands of Jews living all over the United States. A pulpit rabbi and himself an American Jew, Dana Evan Kaplan follows this religious individualism from its postwar suburban roots to the hippie revolution of the 1960s and the multiple postmodern identities of today. From Hebrew tattooing to Jewish Buddhist meditation, Kaplan describes the remaking of historical tradition in ways that channel multiple ethnic and national identities. While pessimists worry about the vanishing American Jew, Kaplan focuses on creative responses to contemporary spiritual trends that have made a Jewish religious renaissance possible. He believes that the reorientation of American Judaism has been a "bottom up" process, resisted by elites who have reluctantly responded to the demands of the "spiritual marketplace." The American Jewish denominational structure is therefore weakening at the same time that religious experimentation is rising, leading to the innovative approaches supplanting existing institutions. The result is an exciting transformation of what it means to be a religious American Jew in the twenty-first century.

A Cultural History of Jewish Dress

A Cultural History of Jewish Dress is the first comprehensive account of how Jews have been distinguished by their appearance from Ancient Israel to the present. For centuries Jews have dressed in distinctive ways to communicate their devotion to God, their religious identity, and the proper earthly roles of men and women. This lively work explores the rich history of Jewish dress, examining how Jews and non-Jews alike debated and legislated Jewish attire in different places, as well as outlining the big debates on dress within the Jewish community today. Focusing on tensions over gender, ethnic identity and assimilation, each chapter discusses the meaning and symbolism of a specific era or type of Jewish dress. What were biblical and rabbinic fashions? Why was clothing so important to immigrant Jews in America? Why do Hassidic Jews wear black? When did yarmulkes become bar mitzvah souvenirs? The

book also offers the first analysis of how young Jewish adults today announce on caps, shirts, and even undergarments their striving to transform Jewishness from a religious and historical heritage into an ethnic identity that is hip, racy, and irreverent. Fascinating and accessibly written, *A Cultural History of Jewish Dress* will appeal to anybody interested in the central role of clothing in defining Jewish identity.

Jews, God, and Videotape

Discusses how media technology impacts the Jewish experience. This title explores mid-twentieth-century ecumenical radio and television broadcasting, video documentation of life cycle rituals, and museum displays and tourist practices as means for engaging the Holocaust as a moral touchstone

A-Z of Intermarriage

Most Jewish communities continue to cite intermarriage as the most serious threat to Jewish continuity. Contrary to the view that intermarriage is a crisis for Judaism, *The A-Z of Intermarriage* reveals that intermarriage can be a force for good in the lives of Jewish families and communities. Written by Rabbi Denise Handlarski, an intermarried rabbi, *The A-Z of Intermarriage* is part story, part strategy, and all heart, as well as a coming together of religious source material, cultural context, and personal narrative. Fun to read and full of helpful and practical tips and tools for couples and families, this book is the perfect "how-to" manual for living a happy and balanced intermarried life. This book is for people who: - Are intermarried, open to intermarriage, or considering intermarriage - Have family members or friends who are intermarried or entering into an interfaith/intercultural relationship - Are seeking models, guidance, and tips about creating a happy relationship and family - Are interested in points of view about intermarriage and/or Judaism they have never heard or considered - Love "how-to" books - Want to know more about Jewish approaches to life, learning, and love

Beyond Chrismukkah

The rate of interfaith marriage in the United States has risen so radically since the sixties that it is difficult to recall how taboo the practice once was. How is this development understood and regarded by Americans generally, and what does it tell us about the nation's religious life? Drawing on ethnographic and historical sources, Samira K. Mehta provides a fascinating analysis of wives, husbands, children, and their extended families in interfaith homes; religious leaders; and the social and cultural milieu surrounding mixed marriages among Jews, Catholics, and Protestants. Mehta's eye-opening look at the portrayal of interfaith families across American culture since the mid-twentieth century ranges from popular TV shows, holiday cards, and humorous guides to "Chrismukkah" to children's books, young adult fiction, and religious and secular advice manuals. Mehta argues that the emergence of multiculturalism helped generate new terms by which interfaith families felt empowered to shape their lived religious practices in ways and degrees previously unknown. They began to intertwine their religious identities without compromising their social standing. This rich portrait of families living diverse religions together at home advances the understanding of how religion functions in American society today.

Religion, Food, and Eating in North America

The way in which religious people eat reflects not only their understanding of food and religious practice but also their conception of society and their place within it. This anthology considers theological foodways, identity foodways, negotiated foodways, and activist foodways in the United States, Canada, and the Caribbean. Original essays explore the role of food and eating in defining theologies and belief structures, creating personal and collective identities, establishing and challenging boundaries and borders, and helping to negotiate issues of community, religion, race, and nationality. Contributors consider food practices and beliefs among Christians, Jews, Muslims, and Buddhists, as well as members of new religious movements, Afro-Caribbean religions, interfaith families, and individuals who consider food itself a religion. They traverse a range of geographic regions, from the Southern Appalachian Mountains to North America's urban centers, and span historical periods from the colonial era to the present. These essays contain a variety of methodological and theoretical perspectives, emphasizing the embeddedness of food and eating practices within specific religions and the embeddedness of religion within society and culture. The volume makes an excellent resource for scholars hoping to add greater depth to their research and for instructors seeking a thematically rich, vivid, and relevant tool for the classroom.

Go for it! B2

Zielniveau B2 Das Lehrerhandbuch in englischer Sprache enthält: • Hinweise zum Aufbau des Lehrwerks • eine Einführung in die didaktische Konzeption • Informationen (im Vorwort) zum GER und 2018 Begleitband • methodische Tipps zum Training der verschiedenen Fertigkeiten • detaillierte Hinweise zu den einzelnen Unterrichtsschritten sowie Informationen zu Sprachgebrauch und kulturellen Besonderheiten • die Lösungen zu den Übungen des Kursbuchs • viele Anregungen für Variationen und zusätzliche Übungen

This coloring book is perfectly suitable for kids between age 1-3 years, but is great for any age of child that wants to explore fun with both Christmas and Hanukkah in a new and exciting way!

Chrismukkah

It's Chrismukkah time of year again -- yet all across America, Jews, Christians and even famous Chrismukkan Sean Penn can't figure out how to celebrate this blessed day (or couple of days, maybe). Thank goodness we have Chrismukkan scholar Gersh Kuntzman to share the historical origins and rituals associated with this mixed-faith hybrid holiday. Whether discussing traditional Chrismukkah rites such as "the Measuring of the Children," "the Refusal of the Gift," or "the Burning of the Sacred Herbaceous Green Plant," offering recipes for such Chrismukkah delicacies as Ham Latkes and Savory Oyster Hammentaschen, or uncovering the long-lost Charles Dickens novella A Chrismukkah Carol, Kuntzman's wildly entertaining Chrismukkah treasury is the perfect remedy from those other holidays.

'Twas the Night Before Chrismukkah

When holiday spirit is lacking in the O.C., Seth, Ryan, Marissa, and Summer decide to volunteer as Santa's helpers for Sandy, Kirsten, Julie, and Jimmy for eight days.

My Two Holidays

When Sam's classmates talk about which winter holiday each one celebrates, he gets embarrassed because his family enjoys both Christmas and Hanukkah.

A Kosher Christmas

Christmas is not everybody's favorite holiday. Historically, Jews in America, whether participating in or refraining from recognizing Christmas, have devised a multitude of unique strategies to respond to the holiday season. Their response is a mixed one: do we participate, try to ignore the holiday entirely, or create our own traditions and make the season an enjoyable time? This book, the first on the subject of Jews and Christmas in the United States, portrays how Jews are shaping the public and private character of Christmas by transforming December into a joyous holiday season belonging to all Americans. Creative and innovative in approaching the holiday season, these responses range from composing America's most beloved Christmas songs, transforming Hanukkah into the Jewish Christmas, creating a national Jewish tradition of patronizing Chinese restaurants and comedy shows on Christmas Eve, volunteering at shelters and soup kitchens on Christmas Day, dressing up as Santa Claus to spread good cheer, campaigning to institute Hanukkah postal stamps, and blending holiday traditions into an interfaith hybrid celebration called "Chrismukkah" or creating a secularized holiday such as Festivus. Through these venerated traditions and alternative Christmastime rituals, Jews publicly assert and proudly proclaim their Jewish and American identities to fashion a universally shared message of joy and hope for the holiday season. About Christmas

Christmas characters and food, Christmas-linked holidays and music, Santa Claus and traditions. Related to Annunciation, Incarnation; Crucifixion; Advent, the four weeks preceding Christmas; and the period between the day after Thanksgiving and the Sunday after New Year's Day, the American holiday season. Christmas or Christmas Day is a holiday celebrating the birth of Jesus, the central figure of Christianity. Aspects of celebration may include gift-giving, Christmas trees, display of Nativity sets, church attendance, the Father Christmas/Santa Claus myth, and family gatherings. Users of the Gregorian calendar observe the holiday on December 25. Some Eastern Orthodox Churches celebrate on December 25 by the Julian calendar, which currently corresponds to January 7 on the Gregorian calendar. These dates are merely traditional; the great majority of scholars agree that the actual birthdate of Jesus is unknown. In Western culture, the holiday is characterized by the exchange of gifts among friends and family members, some of the gifts being attributed to Santa Claus (also known as Father Christmas, Saint Nicholas, Saint Basil and Father Frost). However, various local and regional Christmas traditions are still practiced, despite the widespread influence of American, British and Australian Christmas motifs disseminated by film, popular literature, television, and other media.

First Things

'Beautifully put-together with wonderfully crafted, full-on flavour recipes for everyone. A proper family feast of a cookbook!' Tom Kerridge 'This is a gorgeous book.' Nigella Lawson 'Lennie and Jessie are as madly entertaining to read as they are to be around. They are also brilliant storytellers so every recipe is as personal as it could be: a classic Jewish chopped liver served on Friday night dinners, aromatic Beef Stifado eaten on Greek holidays or an orange and pistachio cake created by son and brother. I adore this family.' Yotam Ottolenghi 'This book encapsulates humour, kindness, bucket loads of love and, most importantly, good food. I'm so happy to have the Ware family in my life and in my kitchen.' Sam Smith 'damned good food' The Telegraph 'Mum. Guess what?' 'What Jessie?' 'We've written a cookbook'. 'I know darling! Do you think anyone will want to buy it?' 'Well, it's the recipes we've made our guests – the really good ones. Like the Sausage and Bean Casserole we made Ed Sheeran, the Drunken Crouton and Kale Salad we made Yotam Ottolenghi and the two Blackberry and Custard Tarts we served Nigella.' 'You ate a whole one before she arrived, darling.' 'It's a bloody good recipe mum.' Cooking through Table Manners is like having Jessie and Lennie at the table with you: brash, funny and full of opinions. In true Ware style, their cookbook is divided into Effortless, A Bit More Effort, Summertime, Desserts and Baking (thanks to Jessie's brother Alex), Chrismukkah (Christmas, Hanukkah and celebrations) and, of course, Jewish-ish Food. These delicious, easy dishes

are designed for real people with busy and sometimes chaotic lives with the ultimate goal of everyone eating together so unfiltered chat can flourish.

Table Manners: The Cookbook

From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

American Book Publishing Record

Michelle Lopez—the wildly popular and critically acclaimed blogger behind Hummingbird High—teaches busy people how to make cookies, pies, cakes, and other treats, without spending hours in the kitchen. If anyone knows how to balance a baking obsession with a demanding schedule, it's Michelle Lopez. Over the past several years that she's been running her blog Hummingbird High, Lopez has kept a crucial aspect of her life hidden from her readers: she has a full-time, extremely demanding job in the tech world. But she's figured out how to have her cake and eat it too. In *Weeknight Baking*, Lopez shares recipes for drool-worthy confections, along with charming stories and time-saving tips and tricks. From everyday favorites like “Almost No Mess Shortbread” and “Better-Than-Supernatural Fudge Brownies” to showstoppers like “a Modern Red Velvet Cake” and “Peanut Butter Pretzel Pie” (it's vegan!), she reveals the secrets to baking on a schedule. With rigorously tested recipes, productivity hacks, and gorgeous photographs, this book is destined to become a busy baker's go-to. Finally, dessert can be a part of every everyday meal!

SPIN

Toby Tails is about Debra's life experiences and how Yahuah (God), after thirty seven years, answered her prayer of owning her own horse. In doing so she would learn more about Him and herself than she ever thought possible. Filled with Scriptures this book is written to open spiritual eyes and reveal to believers, the Word, in a new way through her unique opportunity as a horse trainer! *Toby Tails* is for anyone wanting a closer walk with Yahuah through His Son and the uncompromised wisdom and guidance of the Holy Spirit and His Word from Genesis to Revelation.

Weeknight Baking

Explores the ways American Jews have reshaped Hanukkah traditions across the country In New Orleans, Hanukkah means decorating your door with a menorah made of hominy grits. Latkes in Texas are seasoned with cilantro and cayenne pepper. Children in Cincinnati sing Hanukkah songs and eat oranges and ice cream. While each tradition springs from its own unique set of cultural references, what ties them together is that they all celebrate a holiday that is different in America than it is any place else. For the past two hundred years, American Jews have been transforming the ancient holiday of Hanukkah from a simple occasion into something grand. Each year, as they retell its story and enact its customs, they bring their ever-changing perspectives and desires to its celebration. Providing an attractive alternative to the Christian dominated December, rabbis and lay people alike have addressed contemporary hopes by fashioning an authentically Jewish festival that blossomed in their American world. The ways in which Hanukkah was reshaped by American Jews reveals the changing goals and values that emerged among different contingents each December as they confronted the reality of living as a religious minority in the United States. Bringing together clergy and laity, artists and businessmen, teachers, parents, and children, Hanukkah has been a dynamic force for both stability and change in American Jewish life. The holiday's distinctive transformation from a minor festival to a major occasion that looms large in the American Jewish psyche is a marker of American Jewish life. Drawing on a varied archive of songs, plays, liturgy, sermons, and a range of illustrative material, as well as developing portraits of various communities, congregations, and rabbis, *Hanukkah in America* reveals how an almost forgotten festival became the most visible of American Jewish holidays.

Toby Tails

Ryan, Marissa, Seth, and Summer celebrate the holidays by volunteering to be Santa's helpers.

Hanukkah in America

ELLEgirl, the international style bible for girls who dare to be different, is published by Hachette Filipacchi Media U.S., Inc., and is accessible on the web at ellegirl.elle.com/. ELLEgirl provides young women with insider information on fashion, beauty, service and pop culture in a voice that, while maintaining authority on the subject, includes and amuses them.

The OC

A comprehensive guide for parents, teachers, counselors and librarians to 500 children's fiction books that portray more than 100 common issues kids face, from bullies, siblings and fear of the dark to divorce, moving and chronic illness. The only comprehensive source of great children's books on nearly every issue kids experience.

Focus On: 100 Most Popular Television Series by Warner Bros. Television

As the number of Jewish-Christian marriages in America continue to rise, couples find themselves searching for ways to reconcile love and religion. Even when each partner has no particular religious life, they are confronted with related conflicts. Should children be raised in one faith and not the other? Who decides which holidays to celebrate and how? How can couples deal with extended family members who may not understand or accept their interfaith marriage? Readers will find an array of reactions and approaches as the couples profiled in this book describe how they tackled these topics. Each personal narrative offers fresh insight into interfaith families by giving examples of the successes and failures, struggles and triumphs of everyday situations and major life decisions.

Focus On: 100 Most Popular Fox Network Shows

Want an excuse to get friends together? Or are you looking for an idea for a party your friends will never forget? This ultimate party-planning book for teens includes eighty-seven original ideas (and original takes on classic ideas) for great bashes. Inside you'll find parties of all kinds, such as an Anti-Valentine's Day soiree, a haunted house party, and a season finale get-together. Also includes party-planning tips, hosting etiquette, and how to avoid typical party pitfalls. Each idea contains historical background information, a description of what you'll need, and guidelines of how to set it up. Fun illustrations, safety, and money-saving tips are included.

ELLEgirl

A Cultural History of the Home presents an authoritative survey from ancient times to the present. The set of six volumes covers over 2800 years of history, charting the changing nature and uses of domestic space throughout history. This volume, A Cultural History of the Home in the Modern Age, explores the place of and the cultural practices associated with the home from 1920 to the present day. As with all the volumes in the illustrated Cultural History of the Home set, this volume presents essays on the meaning of home, family, the house as a physical space, furniture, work, gender, hospitality and religion. A Cultural History of the Home in the Modern Age is the most authoritative and comprehensive survey available on the home in the modern period.

Books to Grow with

To: Santa From: Anna My new dad and stepbrother celebrate Christmas, so you're coming to my house for the very first time. And I think you must be REALLY tired of cookies. I'm going to leave you the best Santa treat ever. Anna is excited that Santa will be visiting her house for the first time, and she wants to leave Santa a treat that blends the holidays her new family celebrates: Christmas and Hanukkah. She expresses this idea to her stepbrother, Michael, who insists that Santa doesn't need anything but his sugar cookies. Anna imagines Santa has to be bored with cookies by now and is determined to find a Jewish recipe that he'll enjoy. The catch? It has to be something easy for Santa to grab and go. It can't be matzo ball soup—soup in a sleigh with galloping reindeer will never do. It can't be noodle kugel—imagine that by the handful. What a mess! And as certain as Anna is that Santa would devour tzimmes, she knows he just doesn't have the time to sit and enjoy a hearty stew on Christmas Eve. Anna retreats to her thinking corner to figure out the perfect finger food for Santa, not wanting to disappoint him on his very first visit to her house. In this humorous and endearing picture book, blending both Christmas and Hannukah, a little girl and her stepbrother compete to leave Santa the best treats

ever. Latkes for Santa Claus concludes with Anna and Michael's winning recipes, ready for children to replicate for Santa in their own kitchens.

Interfaith Families

If you love Christmas movies, as in you check the Hallmark Channel guide starting in July, then hang on to your stockings, because here comes the merriest of indulgences in print. It's "The Proposal" meets "The Holiday." First meet Robyn Lane. She's always dated struggling creative types, including her current squeeze (Perry, an actor). For this year's Chrismukkah celebration, her parents would love her to bring someone stable, reliable, steadily employed. You know, with health insurance and a 401(k). Now let's meet Sidney Bellows. Her parents already plan her professional life (she's an attorney at her father's law firm). If she brings her current boyfriend (Will, an attorney) to the family Christmas extravaganza, her parents will have their wedding planned by New Year's Eve. Leave it to a mutual friend (and copious amounts of wine) to find a playful solution: Swap those boyfriends, fool the parents, and enjoy the holidays. It's perfect! Robyn can show off a successful attorney boyfriend, and Sidney's high-society family won't ring those wedding bells when they meet a flaky actor beau. The fun isn't in the theory, it's in the practice. Will turns out to be the boy-next-door Robyn crushed on hard throughout her teenage years. Sidney's family fawns all over Perry like he's an Oscar-winner rather than a D-list wannabe. Fool the parents? Enjoy the holidays? Swapping boyfriends never sounded so good or went so bad. Take time to read this one. It's like Christmas in July. - - - - - THE BOYFRIEND SWAP by Meredith Schorr A Henery Press book

87 Ways to Throw a Killer Party

Every year, Emma and her parents celebrate Hanukkah with her father and his family, and Christmas with her mother and their friends

A Cultural History of the Home in the Modern Age

A perfect gift for the holiday season, no matter what you celebrate! I am a mix of two traditions. From Daddy Christmas and Hanukkah Mama. How lucky am I? Holiday time at Sadie's house means golden gelt sparkling under the Christmas tree, candy canes hanging on eight menorah branches, voices uniting to sing carols about Macabees and the manger, and latkes on the mantel awaiting Santa's arrival. Selina Alko's joyous celebration of blended families will make the perfect holiday gift for the many Americans who celebrate both Christmas and Hanukkah.

Latkes for Santa Claus

_____ WINNER OF THE MAN BOOKER PRIZE _____ 'Full of wit, warmth, intelligence, human feeling and understanding. It is also beautifully written with that sophisticated and near invisible skill of the authentic writer' - Observer 'Wonderful ... Jacobson is seriously on form' - Evening Standard _____ Julian Treslove, a professionally unspectacular former BBC radio producer, and Sam Finkler, a popular Jewish philosopher, writer and television personality, are old school friends. Despite very different lives, they've never quite lost touch with each other - or with their former teacher, Libor Sevcik. Both Libor and Finkler are recently widowed, and together with Treslove they share a sweetly painful evening revisiting a time before they had loved and lost. It is that very evening, when Treslove hesitates a moment as he walks home, that he is attacked - and his whole sense of who and what he is slowly and ineluctably changes. _____ 'How is it possible to read Howard Jacobson and not lose oneself in admiration for the music of his language, the power of his characterisation and the penetration of his insight? ... The Finkler Question is further proof, if any was needed, of Jacobson's mastery of humour' - The Times 'There are few writers who exhibit the same unawed respect for language or such a relentless commitment to re-examining even the most seemingly unobjectionable of received wisdoms' - Daily Telegraph

The Boyfriend Swap

On a snowy night in a far-off place, many years ago, a special meeting was about to take place between Blitzen, Santa's curious and hungry reindeer and a village shopkeeper who was busy preparing delicious treats for his family's Hanukkah celebration.
