Shock and Aw!: Joke Book

This joke book rose from the ashes of the burnt books in Baghdad, contributed by George 'Dubya' Bush and jokers in and around Roli Books.

The Internet Joke Book

Humorous short-story jokes to brighten your day with laughter.

The George W. Bush Joke Book

George Dubya Bush, now a leader of the free world, seems set on carving out a reputation as President of the incomprehensible statement and downright funny one-liner. This collection of his sayings is a follow-up to the Ronald Reagan and Bill Clinton joke books.

The Joker's Joke Book

Hysterical illustrations and knee-slapping jokes make The Joker's Joke Book one of D.C. Comic's funniest creations. The master criminal is out to make the world helpless with laughter--and no one is better qualified!

The Practical Joker's Handbook The Sequel

Tim Nyberg, author of the hilarious, definitive guide to practical jokes, is back with The Practical Joker's Handbook: The Sequel. This compendium of all-new practical jokes is a wild, diabolical follow-up to the original. Like The Practical Joker's Handbook, this sequel is built upon contributions submitted to his

Web site from Nyberg's fans. Of course, the entertaining Nyberg has sifted through his warped fans' merciless suggestions to weed out the dangerous, the mean-spirited and the potentially litigious. As Nyberg says in the book's introduction, it's only a good practical joke if "both parties (eventually) find humor in the prank. "The Practical Joker's Handbook: The Sequel is a sly collection of blueprints for jokes and pranks to play at home, at work, at school, at the office — anywhere.

Dongri to Dubai - Six Decades of the Mumbai Mafia

Dongri to Dubai is the first ever attempt to chronicle the history of the Mumbai mafia. It is the story of notorious gangsters like Haji Mastan, Karim Lala, Varadarajan Mudaliar, Chhota Rajan, Abu Salem, but above all, it is the story of a young man who went astray despite having a father in the police force. Dawood Ibrahim was initiated into crime as a pawn in the hands of the Mumbai police and went on to wipe out the competition and eventually became the Mumbai police's own nemesis. The narrative encompasses several milestones in the history of crime in India, from the rise of the Pathans, formation of the Dawood gang, the first ever supari, mafia's nefarious role in Bollywood, Dawood's move to Karachi, and Pakistan's subsequent alleged role in sheltering one of the most wanted persons in the world. This story is primarily about how a boy from Dongri became a don in Dubai, and captures his bravado, cunningness, focus, ambition, and lust for power in a gripping narrative. The meticulously researched book provides an in-depth and comprehensive account of the mafia's games of supremacy and internecine warfare.

The Letters and Instructions of Francis Xavier

Few letters have been so enthusiastically received & so widely diffused as those of the sixteenth-century Jesuit missionary & Saint, Francis Xavier. Written from India, the Indonesian archipelago, Japan, & the island of Sancian off the coast of China, these letters were copied, recopied, translated into Latin, German, French, & other languages, & frequently printed for wider circulation. They are filled with information on newly discovered lands & cultures, & they are filled with the missionary spirit, the zeal for the honor & glory of God, which animated the whole of Xavier's life & work. They constitute a religious classic & an historical resource heretofore unavailable in English. Francis Xavier was one of the first companions & followers of Ignatius Loyola, the founder of the Society of Jesus (Jesuits). In 1540, he set off as a missionary to southern Asia, where in the midst of ten years of ceaseless labor he produced the 138 letters & instructions that this book contains. The translator of this highly readable English version, M. Joseph Costelloe, S.J., is well known in scholarly circles for his masterful translation of the definitive four-volume biography, FRANCIS XAVIER, HIS LIFE, HIS TIMES by Georg Schurhammer, S.J., published by the Jesuit Historical Institute in Rome.

The Mistake

He's a player in more ways than one ... College junior John Logan can get any girl he wants. For this hockey star, life is a parade of parties and hook-ups, but behind his killer grin and easygoing charm, he hides growing despair about the dead-end road he'll be forced to walk after graduation. A sexy encounter with freshman Grace Ivers is just the distraction he needs, but when a thoughtless mistake pushes her away, Logan plans to spend his final year proving to her that he's worth a second chance. How he's going to need to up his game ... After a less than stellar freshman year, Grace is back at Briar

University, older, wiser, and so over the arrogant hockey player she nearly handed her V-card to. She's not a charity case, and she's not the quiet butterfly she was when they first hooked up. If Logan expects her to roll over and beg like all his other puck bunnies, he can think again. He wants her back? He'll have to work for it. This time around, she'll be the one in the driver's seat ... and she plans on driving him wild.

Critics have praised the films of writer-director Whit Stillman for their exceptionally intelligent portrayal of the lives and loves of the urban haute bourgeoisie. His three comedies of manners -- *Metropolitan*, *Barcelona*, and *The Last Days of Disco* -- sparkle with urbane and ironic wit. In *Doomed Bourgeois in Love*, the cultural critic Mark C. Henrie brings together a collection of political theorists, literary critics, and classicists to explore the meaning of Stillman's films.

"Mr. Russell's book is the first by a non-Korean to explain the rise of Korea's entertainment industries....the book could hardly be more approachable."—Wall Street Journal "For a country that traditionally received culture, especially from China but also from Japan and the United States, South Korea finds itself at a turning point in its new role as exporter."—The New York Times From kim chee to kim chic! South Korea came from nowhere in the 1990s to become one of the biggest producers of pop content (movies, music, comic books, TV dramas, online gaming) in Asia—and the West. Why? Who's behind it? Mark James Russell tells an exciting tale of rapid growth and wild success marked by an uncanny knack for moving just one step ahead of changing technologies (such as music downloads and Internet comics) that have created new consumer markets around the world. Among the media pioneers profiled in this book is film director Kang Je-gyu, maker of Korea's first blockbuster film *Shiri*; Lee Su-man, who went from folk singer to computer programmer to creator of Korea's biggest music label; and Nelson Shin, who rose from North Korea to the top of the animation business. Full of fresh analysis, engaging reportage, and insightful insider anecdotes, *Pop Goes Korea* explores the hallyu (the Korean Wave) hitting the world's shores in the new century. Mark James Russell has been living in Korea since 1996. His articles about Korean and Asian cultures have appeared in *Newsweek*, *The New York Times*, *International Herald-Tribune*, and many other publications. He is currently the Korea/Japan Bureau Chief for *Asian Movie Week* magazine.

Pop Goes Korea

This New York Times bestseller intimately depicts urban life in a gripping book that slips behind cold statistics and sensationalism to reveal the true sagas lurking behind the headlines of gangsta glamour. In her extraordinary bestseller, Adrian Nicole LeBlanc immerses readers in the intricacies of the ghetto, revealing the true sagas lurking behind the headlines of gangsta glamour, gold-drenched drug dealers, and street-corner society. Focusing on two romances—Jessica's dizzying infatuation with a

hugely successful young heroin dealer, Boy George, and Coco's first love with Jessica's little brother, Cesar—Random Family is the story of young people trying to outrun their destinies. Jessica and Boy George ride the wild adventure between riches and ruin, while Coco and Cesar stick closer to the street, all four caught in a precarious dance between survival and death. Friends get murdered; the DEA and FBI investigate Boy George; Cesar becomes a fugitive; Jessica and Coco endure homelessness, betrayal, the heartbreaking separation of prison, and, throughout it all, the insidious damage of poverty. Charting the tumultuous cycle of the generations—as girls become mothers, boys become criminals, and hope struggles against deprivation—LeBlanc slips behind the cold statistics and sensationalism and comes back with a riveting, haunting, and true story.

Since the mid-1980s, broadcasting in the Federal Republic of Germany has been extensively re-regulated. The traditional duopoly of the public broadcasters Ard and ZDF has been challenged by new private networks in both radio and television. In two historic judgements handed down in 1986 and 1987, the Federal Constitutional Court set out terms for a new dual order of private and public broadcasting. But how were the guidelines of the court interpreted in practice? Pluralism, Politics and the Marketplace traces the economic and political influences which shaped the emergence of a pluralistic broadcasting system in the federal republic, and examines the conflicts between public and private broadcasting, both in West Germany and in the European Community as a whole.

A veteran journalist and former member of Parliament, Kuldip Nayar is India's most well known and widely syndicated journalist. He was born in Sialkot in 1923 and educated at Lahore University before migrating to Delhi with his family at the time of Partition. He began his career in the Urdu newspaper Anjam and after a spell in the USA worked as information officer of Lal Bahadur Shastri and Govind Ballabh Pant. He eventually became Resident Editor of the Statesman and managing editor of the Indian news agency UNI. He corresponded for the Times for twenty-five years and later served as

Indian high commissioner to the UK during the V.P. Singh government. His stand for press freedom during the Emergency, when he was detained; his commitment to better relations between India and Pakistan, and his role as a human rights activist have won him respect and affection in both countries. Author of more than a dozen books, his weekly columns are read across South Asia.

Beyond The Lines: An Autobiography

9 December 1971. 8.45 p.m. Torpedoed by a Pakistani submarine, the INS Khukri sank within minutes. Along with the ship, 178 sailors and 18 officers made the supreme sacrifice. Last seen calmly puffing on his cigarette, Captain Mahendra Nath Mulla, captain of the Khukri, chose to go down with his ship. This defining moment of the 1971 war between India and Pakistan is the basis of Major General Ian Cardozo's attempt to understand what happened that day and why. Major General Cardozo brings fresh insight into the hellish ordeal by including the heartfelt accounts of the survivors and of the members of their families. These accounts transform the stereotypical understanding of the incident; they also supplement it. We glimpse fear, trauma and death at first hand. In the annals of war writing, General Cardozo humanizes this cataclysmic event as never before.

Pakistan at the Knife's Edge is veteran journalist M.B.Naqvi's understanding of contemporary Pakistan and the directions the country could take or ought to. From the sacking of the Chief justice of the Supreme Court, Iftikhar Muhammad Chaudhry, by General Pervez Musharraf, to the return of Benazir Bhutto and her assassination on 27 December 2007, the book traces the lawyer's agitation to the general elections in 2008, and also the rise of more vocal civil society. M.B.Naqvi focuses on the lawyer's movement for judicial autonomy and reinstatement of democracy and derives great hope from it, the movement has become a locus for a more broad-based demand for democracy raised by civil society. So Pakistan is poised at knife's edge: which way will it go? A human rights activist and fervent supporter of liberal democratic dispensation, Naqvi presents a compelling blueprint for the future of the country.

Shadows across the Playing Field tells the story of the turbulent cricketing relations between India and Pakistan through the eyes of two men - Shashi Tharoor and Shaharyar Khan - who bring to the task not only great love for the game, but also deep knowledge of subcontinental politics and diplomacy. Shashi Tharoor, a former UN under-secretary-general and man of letters, is a passionate outsider, whose comprehensive, entertaining and hard-hitting analysis of sixty years of cricketing history displays a Nehruvian commitment to secular values, which rejects sectarianism in sports in either country. Shaharyar Khan, a former Pakistan foreign secretary, is very much the insider, who writes compellingly of his pivotal role as team manager and then chairman of the Pakistan Cricket Board at a time when cricket was in the forefront of detente between the two countries. In their essays, the two authors trace the growing popularization of cricket from the days of the Bombay Pentangular to the Indian Premier League. They show how politics and cricket became intertwined and assess the impact it has had on

the game. But above all, their book is a celebration of the talent of the many great cricketers who have captivated audiences on both sides of the border. If politics and terrorism can at times stop play, the authors believe that cricket is also a force for peace and they look forward to more normal times and more healthy competition.

Sixty glorious years of independence of India mark several milestones and immense contributions from great men and women who have become part of its history. For the first time ever, this book showcases post-Independent India's twenty greatest living personalities who have and continue to set extraordinary examples for the nation. Brilliantly orchestrated and edited by renowned author Anil Dharker, the book singularly establishes the unparalleled greatness and iconic status of these men and women, including A P J Abdul Kalam, Amartya Sen, Amitabh Bachchan, Sachin Tendulkar, M F Husain, Charles Correa and Sonia Gandhi, by some of India's best known writers - Srinivas Laxman, Prem Shankar Jha, Maithili Rao, Dom Moraes, Ranjit Hoskote, and Kumar Ketkar, among others. A fascinating saga spanning several decades, this book unfolds the charisma, exceptional destinies, talents and achievements of twenty men and women who continue to shape today's India. 'The previous evening while he (K C Pant, former defence minister) and Dr Kalam were going for a walk, the minister asked him: "What would you like me to do to celebrate the success of Agni tomorrow?" Replied Kalam, "We need 100,000 saplings at the missile research centre." Srinivas Laxman on A P J Abdul Kalam'

This is the story of men under fire, of the courageous Indian soldier inspired by his officers. While war is an extension of the politics of a nation, it ultimately falls to the lot of the soldier to face combat on the ground. Schooled in the culture of 'Service before Self', soldiers of the Indian Army take their challenges head-on, turning adversity into opportunity, overcoming impossible situations with a smile. While some of their deeds of valour are rewarded, many more need to be remembered. What makes these men the way they are? This book helps us understand better the Indian soldier and his degree of commitment to the Indian Army, and to the nation that he serves.

Exploring the meaning of a Buddhist story, this book is a testimony of faith in the urgent relevance of India's spiritual traditions to the future of life on Earth, and it is an inquiry into the meaning of some central notions of these traditions. The value of spiritual traditions and of life itself is at stake here. In the Introduction, Ramchandra Gandhi raises the Ayodhya issue to international and universal levels. In the text, he offers a solution on the local and national levels. The temple mound in Ayodhya --the sacred hill on which the present Babri Masjid was built, also known as "Sita's Kitchen"--was originally a sacred place of the Adivasis (the aboriginal inhabitants of the subcontinent). It was sacred to the Goddess, the great nurturing earth, the fecund source of all life, the aboriginal presupposition of all later religions. As an aboriginal place sacred to the Mother Goddess, the hill in Ayodhya brings together all religions. Rather than a source of conflict, Ayodhya should become a meeting ground for the divergent religious traditions of the world to see their ultimate harmony. In the Buddhist story, the principal female character is an adivasi named Ananya ("not other"). The opposing sides come to see their oneness in Ananya. The frame-story is taken from the Vinaya-pitaka of the Pali Canon. It is the Bhaddavaggiyavattu or "The Story of the Group of Well-Off Ones."

The existing histories of the Partition of British India have very little chance of capturing the moods and mindsets, the helplessness and the frustration of those who steered the course. The histories written thus far have either focused on political narratives or on the ideological analysis. More recently, the spotlight has turned towards the madness and pathology of hatred and mass murders. The Last Durbar tells it as it was - without the epic quality of conventional writing filled with the rhetoric of freedom and greatness, and without the legalese and constitution-making vocabulary of the Transfer of Power. The personal and political meet and separate at the last durbar, with Louis Mountbatten on the throne, and the modern, constitutional 'durbars' hail the advent of freedom and bid farewell to each other. The play is based on private papers of Mountbatten, including verbatim records, testimonies, and discussions of the leading political figures. It is a nuanced and multi-layered account of the months and days that eventually led to the independent nations of India and Pakistan. Drama is the only genre of written history that allows us to fully portray the complexity of such a process and frame the atmosphere to the concentrated moment. The history of Partition has never before been told in this way.

The Bluestockings of Japan introduces English-language readers to a formative chapter in the history of Japanese feminism by presenting for the first time in English translation a collection of writings from SeitM (Bluestockings), the famed New Women's journal of the 1910s. Launched in 1911 as a venue for women's literary expression and replete with poetry, essays, plays, and stories, SeitM soon earned the disapproval of civic leaders, educators, and even prominent women's rights advocates. Journalists joined these leaders in ridiculing the Bluestockings as self-indulgent, literature-loving, sake-drinking, cigarette-smoking tarts who toyed with men. Yet many young women and men delighted in the Bluestockings' rebellious stance and paid serious attention to their exploration of the Woman Question, their calls for women's independence, and their debates on women's work, sexuality, and identity. Hundreds read the journal and many women felt inspired to contribute their own essays and stories. The seventeen SeitM pieces collected here represent some of the journal's most controversial writing; four of these publications provoked either a strong reprimand or an outright ban on an entire issue by government censors. All consider topics important in debates on feminism to this day such as sexual harassment, abortion, romantic love and sexuality, motherhood, and the meaning of gender equality. The Bluestockings of Japan shows that as much as these writers longed to be New Women immersed in the world of art and philosophy, they were also real women who had to negotiate careers, motherhood, romantic relationships, and an unexpected notoriety. Their stories, essays, and poetry document that journey, highlighting the diversity among these New Women and displaying the vitality of feminist thinking in Japan in the 1910s.

The Bluestockings of Japan

The blame for a country's mistakes often falls on its leaders. In some cases, however, a leader's greatest mistake is to promote the mistaken goals of his people. Was this the case in World War II Japan? This book considers that question in the story of Konoe Fumimaro, who served as Japan's prime minister during one of the most difficult periods of the country's history. This historical biography is a balanced account of Konoe and his service as prime minister before and during World War II. Governing from 1937 to 1941, Konoe played a key role in the struggle to develop Japanese foreign policy. Beginning with Konoe's education and political training, the author then explores the general mood of 1930s Japan and traces Konoe's rise through the political ranks, including his first term as prime minister, his decision to step down, and his eventual comeback. Especially emphasized is how the man himself affected this period of Japanese history. In his relentless work regarding Japanese-American diplomacy, he attempted to change the destructive course on which Japan was bent. Defeated in essence by his own military and its growing autonomy, Konoe nevertheless took the Japanese defeat to heart. The final chapter examines Konoe's war experience and its aftermath, which culminated in his suicide.

The Indus region, comprising the northwestern part of the Indian subcontinent (now Pakistan), has always had its distinct identity - racially, ethnically, linguistically and culturally. In the last five thousand years, this region has been a part of India, politically, for only five hundred years. Pakistan, then, is no 'artificial' state conjured up by the disaffected Muslim elite of British India. Aitzaz Ahsan surveys the history of Indus - as he refers to this region - right from the time of the Harappan civilization to the era of the British Raj, concluding with independence and the creation of Pakistan. Ahsan's message is aimed both at Indians still nostalgic about 'undivided' India and their Pakistani compatriots who narrowly tend to define their identity by their 'un-Indianness'.

This book will help librarians extend literary graphic novel collections to attract a large, untapped group of comic book readers with a sure-to-be-popular comic book collection. Do comic books belong in libraries? Absolutely—as Comic Book Collections for Libraries makes very clear. This illustrated guide defines the role of comic books in the modern library, provides a thorough grounding in the subject for beginners, and suggests new ideas for those already familiar with these perennial reader favorites. The book begins by introducing the structure of the comic book, industry players, and genres. The bulk of the guide, however, is comprised of actionable advice on such things as creating and maintaining the collection, cataloging for effective access, and promoting the collection, including how to feature comics with other library materials, such as movies and games. Drawing on the authors' experience, the volume answers numerous other questions as well. How can you tell which titles are age-appropriate for your library? Which titles are popular? How do you include characters that will appeal to diverse reader groups? Complete with checklists and a rich array of examples, this easy-to-use work can make every librarian a superhero.

THE ULTRA-VIOLENT AND SEXY MANGA SERIES THAT SPAWNED MULTIPLE HIT ANIME! Extra-dimensional beings known as the Nova have invaded our garden world, hellbent on wiping humanity off the face of the planet. The only hope is a specialized force of genetically-engineered female Pandora and their male partners known as Limiters, who represent the last line of defense against a monstrous foe. Kazuya Aoi is a teenager Limiter who enrolls in the prestigious West Genetics Academy. Having made a promise to his fallen Pandora sister, Kazuya must overcome his grief and become the best he can be. Enter second-year student Satellizer el Bridget, a frigidly beautiful and ruthless Pandora who has never lost a battle simulation. Can Kazuya pierce through her icy exterior and win her trust? More importantly, can he ready himself for an impending war?

Phantom Patrol

Tensions run high as the black giant Armaros looms threateningly over planet Earth, armed with the mighty Spear of Longinus. The pilots race to avert disaster, but Rei Quatre throws a wrench in their plans by kidnapping Misato! Meanwhile, Shinji is confronted by a strange white Evangelion that looks just like Eva-02, piloted by a familiar face. Can Shinji and his comrades save the world yet again, or are the forces arrayed against them just too strong this time?

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

The Anime Encyclopedia

Planet Jurai: the source of the sentient trees, the seat of an intergalactic empire, and the homeland of Ayeka, Sasami and Tenchi's grandfather Yohko. Not to suggest that the story actually takes place there, but it's nice background information, isn't it? When the queens of Jurai come to visit their daughters on Earth, you will feel Ayeka's embarrassment! See Ayeka's old hairstyle! Smell lots of Macaca fuscata (Japanese monkeys)! Hear the footsteps of an assassin! And taste Sasami's cooking! All this, plus three more strangely hilarious stories, involving Ryo-Oh-Ki, Sasami and the god of the sea!

Freezing Vol. 1-2

Rally Vincent and Minnie-May Hopkins, one an excellent marksman and the other an explosives expert, are Chicago's top bounty hunters and together, with useful friends and associates, they make up the Gunsmith Cats.

Neon Genesis Evangelion: ANIMA (Light Novel) Vol. 2

Arcadia's Knight Academy is the premier school for young men hoping to become a Sorceress's Knight. Only nobles, people with power and prestige, are allowed within these hallowed grounds—which explains why Caspian Ignis del Sol is hated by everyone. He's not a noble, or of even slightly noble lineage. As payment for being enrolled in the academy, Caspian is sometimes given tasks to perform that take him outside of the academy walls. This time, his job is to deliver a letter to a Sorceress living

in Ashtown, but when the train that he's riding on is attacked by a mysterious band of thugs in cloaks, he'll find that there is a whole lot more to this quest than he first imagined.

The Anime Movie Guide

The PLOT thickens! Kevin Swift returns home with Orin in tow. The last member of the Four Saints has also made a surprise appearance! Yet even with the Four Saints back together, there are still numerous problems that look insurmountable. The war between humans and yokai has become even more violent, assassins and dangerous plots threaten to tear the world apart, and Kevin lost his homework. While he can deal with the first two issues, that last one is causing him a whole slew problems. The troubles of a not-so-ordinary high schooler are never ending.

CD-ROMs in Print

High school drop-out Tenchi tries to survive life with his five alien, female boarders: Jurai princesses Ayeka and Sasami, mad scientist Washu, ditzy space cop Mihoshi, space pirate Ryoko, and the bioorganic spaceship Ryo-oh-ki.

Billboard

A light novel series exploring an alternate ending to one of the most influential anime series of all time! What if reluctant hero Ikari Shinji had saved the world? Now, at seventeen years old, he is the defacto leader of the EVA team. Under the leadership of Commander Katsuragi Misato, the Evangelion suits have been updated with advanced designs and powers, in preparation for the possible return of the monstrous Angels. Four copies of Ayanami Rei have been tasked with operating a global anti-Angel search-and-destroy program. But when one of these clones goes rogue, it's up to Shinji to stop her.

Gunsmith Cats Burst

Five sexy teachers, and a boy with lots to learn! Susumu Arisaka has just turned 18, and that means he can move out of the orphanage and into his childhood home. He's looking forward to finally living on his own, but five of his high school teachers have gotten there first. They're looking forward to helping him around the house - and teaching him a thing or two about life in the process. It's not at all what Susumu expected, and he's not sure if the situation's awful, or pretty darn great!
