How did you get interested in apologetics?

Why is apologetics so important?

What evidence do we have outside of the Bible that God exists?

Does evolution disprove God?

If God is so good, why does He allow evil to happen?

How can God be moral if He kills innocent people in the Old Testament?

What is the #1 book you'd recommend for apologetics?

Can we believe in inerrancy of scripture in light of manuscript evidence?

How can you explain errors in the Bible?

What proof do we have outside of the Bible in the resurrection of Jesus?

Is there any evidence for the miracles found in the book of Exodus?

Why does the Bible teach that God "hates" some people?

Is it okay for Christians to doubt their faith?

Why and how is Christianity the only way to get to heaven?

How can a good God watch people burn in hell forever?

Why do you believe the Bible was written by God and not man?

Did people tamper with the old testament prophecies to make them appear to be fulfilled?

How do I practically share my faith with unbelievers?
