Girlhood, interdisciplinary and global in source, scope, and methodology, examines the centrality of girlhood in shaping women's lives. Scholars study how age and gender, along with a multitude of other identities, work together to influence the historical experience. Spanning a broad time frame from 1750 to the present, essays illuminate the various continuities and differences in girls' lives across culture and region--girls on all continents except Antarctica are represented. Case studies and essays are arranged thematically to encourage comparisons between girls' experiences in diverse locales, and to assess how girls were affected by historical developments such as colonialism, political repression, war, modernization, shifts in labor markets, migrations, and the rise of consumer culture.

Girlhood

Sexual behavior and prostitution in Indonesia from Islamic viewpoints.

In the name of sex

This collection aims to attract attention to the admirable achievements of indigenous builders in Indonesia and to contribute to a broader sense of commitment to the endangered architectural heritage in the region. It presents the second part of the results of a research project on vernacular architecture in western Indonesia, sponsored by the Royal Netherlands Academy of Sciences. The volume is intended to provide an introduction to all relevant vernacular architectural traditions and developments in western Indonesia.

Indonesian Houses

Sexual behavior among university students in Indonesia.

Sex in the kost

Campus violence on Higher Education and State (IPDN) in Indonesia.

Manusia Dan Masyarakat

A brilliant debut from 'one of the most original new voices of Latin American literature' (Mario Vargas Llosa) 'For anyone who has read the entire works of Gabriel García Márquez, *The Informers* is a thrilling new discovery' Colm Toibin, *Guardian* 'One of this year's outstanding books' *Financial Times* When Gabriel Santoro publishes his first book, a biography of a Jewish family friend who fled Germany for Colombia shortly before World War Two, it never occurs to him that his father will write a devastating review in a national newspaper. Why does he attack him so viciously? Do the pages of his book unwittingly hide some dangerous secret? As Gabriel sets out to discover what lies behind his father's anger, he finds himself undertaking an examination of the guilt and complicity at the heart of Colombian society, as one treacherous act perpetrated in those dark days returns with a vengeance half a century later.

Mereka Membunuhku Pelan-Pelan

Every decision is a trade. Learn to think about the ones you should do — and the ones you shouldn't. Trading books generally break down into two categories: the ones which claim to teach you how to make money trading, and the memoir-style books recounting scandals and bad behavior. But the former don't have profitable trades to teach; if they did they'd keep those trades to themselves. And the latter are frequently entertaining, but they don't leave you with much you can apply in your own life. *The Laws of Trading* is different. All of our relationships and decisions involve trading at some level. This is a book about decision-making through the lens of a professional prop trader. For years, behavioral and cognitive scientists have shown us how human decision-making is flawed and biased. But how do you learn to avoid these problems in day-to-day decisions where you have to react in real-time? What are the important things to think about and to act on? The world needs a book by a prop trader who has lived, breathed and taught trading for a living, drawing upon years of insights on the trading floor in real markets, good and bad, whether going sideways, crashing, or bubbling over. If you can master the decision-making skills needed to profitably trade in modern markets, you can master decision-making in all walks of life. This book will teach you exactly those skills. Introduces, develops, and applies one law per chapter, making it easy not only to remember useful concepts, but also to have them at the ready in any situation. Shows you how to find and think about the "special edge" of your organization, and yourself. Teaches you how to handle the interaction of people with artificially intelligent (AI) machines

that make decisions, a skill that is rapidly becoming essential in the AI-driven economy of the future. Includes a "bonus" digital ancillary, an Excel spreadsheet with various worked examples that expand on the scenarios described in the book. Do you need to make rational decisions in a competitive environment? Almost everyone does. This book will teach you the tools that let you do your job better.

Harmony and Hierarchy in a Javanese Kampung

With a wealth of information about an array of performance genres related to the fighting art of pencak silat, this volume articulates for the very first time fascinating dimensions of the beauty, philosophy and diversity of Southeast Asian cultural life.

The Informers

A newly revised 20th anniversary edition of Tunku Halim's first novel. Shazral leads a comfortable life as a corporate lawyer in Kuala Lumpur, complete with sports car and hot girlfriend. But a call from his kampung tells him that his estranged father is dying. Shazral had left the kampung in anger almost a decade ago, but now feels the irresistible pull to return. His father isn't just an ordinary villager but the most respected bomoh in the area. And when Pak Abas with his dying breath wants Shazral to accept his "inheritance", he is not just talking about physical property. While fighting both the literal and figurative demons of the past and present, Shazral also needs to decide whether to accept the supernatural but potentially terrifying destiny of his heritage. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 11.0px 'Helvetica Neue'; color: #000000; -webkit-text-stroke: #000000} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 11.0px 'Helvetica Neue'; color: #000000; -webkit-text-stroke: #000000; min-height: 13.0px} p.p3 {margin: 0.0px 0.0px 0.0px 0.0px; font: 11.0px 'Helvetica Neue'; color: #000000; -webkit-text-stroke: #000000; min-height: 12.0px} span.s1 {font-kerning: none} (Buku Fixi) (Fixi Novo)

The Laws of Trading

Setiap hari manusia di seluruh dunia berkarya dengan caranya masing-masing. Semua bekerja dengan harapan membuat bumi yang lebih baik, tempat kita berdiam bersama. Buku ini adalah kumpulan peristiwa inspiratif, unik dan mengharukan dari berbagai belahan dunia yang menggambarkan betapa orang-orang baik masih ada dimana-mana. Ada 56 kisah dalam buku ini, yang diharapkan dapat membantu pembaca menyegarkan hari-hari dan membawa perspektif positif dalam melihat dunia. Bagi mereka yang berkecimpung dalam dunia pendidikan, training, atau yang kerap didaulat untuk berkhotbah atau berceramah, kisah-kisah dalam buku ini dapat dipakai sebagai ilustrasi.

The Fighting Art of Pencak Silat and its Music

"A novel par excellence that is destined to become a classic' of almost byzantine splendour . . . At its best worthy of comparison with Gabriel García Márquez" Catherine Taylor, Irish Times "Afonso Cruz is one of the strongest voices in contemporary Portuguese literature" Antonio Saez Delgado, El Pais At the age of forty-two, Bonifaz Vogel begins to hear a voice. But it doesn't belong to the mice or the woodworm, as he first imagines. Nor is it the voice of God, as he comes to believe. It belongs to young Isaac Dresner, who takes refuge in the cellar of Vogel's bird shop on the run from the soldier who shot his best friend. Soon Vogel comes to rely on it for advice: he cannot make a sale without first bending down to confer with the floorboards. Thus begins the story of two Dresden families, fractured and displaced by the devastating bombing of the city 1945, their fates not only intertwined, but bound also to that of a life-sized doll commissioned by the artist Oskar Kokoschka in the image of his lost lover. Based on a curious true story, Kokoschka's Doll is an imaginative and playful novel that transports the reader to Dresden, Paris, Lagos and Marrakesh, introducing them to an unforgettable cast of characters along the way. Translated from the Portuguese by Rahul Bery Rahul Bery's translations from Portuguese and Spanish have been published in Granta, The White Review, Words Without Borders and the T.L.S. His first full-length translation, Rolling Fields by David Trueba, was published in 2020. From 2018 to 2019 he was translator-in-residence at the British Library. With the support of the Creative Europe Programme of the European Union

DARK DEMON RISING

Buku dengan judul menyentuh Ketika Ibu Melupakanku ini menarik untuk dibaca oleh siapa saja. Buku ini mengisahkan tentang seorang anak yang berada dalam ketidaktahuan tentang penyakit ibunya. Saya menyambut baik terbitnya buku ini diiringi ucapan selamat dan apresiasi kepada penulis buku

ini D.Y. Suharya yang juga seorang penggiat Alzheimer. Buku ini bagus, inspiratif, layak dibaca, dan memuat pesan moral. — dr. Nafsiah Mboi, Sp. A. MPH, Menteri Kesehatan RI Tak ada anak yang ingin dilupakan orangtuanya. Mungkin lebih banyak anak yang melupakan orangtuanya. DY Suharya mempunyai pengalaman hidup yang indah bagaimana ia lebih mengerti ibunya justru pada saat sang ibu 'melupakan' dirinya akibat Alzheimer. Kesadaran yang menggugahnya untuk membuat bermacam gerakan memerangi pikun seperti diderita sang ibu. Buku yang menyentuh hati saya. — Petty S Fatimah, Editor In Chief/Chief Community Officer Femina Magazine Saya mengenal DY Suharya sudah lama, waktu itu dia bekerja di radio paling hits di Jakarta bernama Prambors dan saya bekerja di majalah paling hits di Indonesia, majalah HAI. Sempat lama tak berjumpa, lantaran DY pindah ke Amerika. Lalu namanya blessing in disguise, kami bertemu secara tidak sengaja di Pacific Place dan saya langsung tertarik mendengar cerita DY tentang ibunya yang terkena Alzheimer. Menurut saya cerita ini harus dijadikan buku, sehingga membantu lebih banyak anak yang seperti DY tahu lebih dini tentang penyakit ini. Sekarang saya sangat senang karena ceritanya sudah rampung dan sangat berharap buku ini bisa memberikan inspirasi positif bagi banyak orang. — Yoris Sebastian, Founder OMG Consulting dan Penulis buku Creative Junkies Kisah ini seperti drama kehidupan, tapi nyata! Menggugah apalagi menyangkut soal ibu, sosok terpenting di dunia ini. Buku ini sangat dalam, kaya pembelajaran tentang hidup, kasih sayang, dan inspiratif. — Erwin Parengkuan, Public Speaker & Entrepreneur Berbagai alunan cerita di dalamnya sangat menarik. Menampilkan sebuah pencarian makna hidup bersama ibunda dengan demensia dan kita bisa belajar banyak darinya. Buku ini memberikan warna yang berbeda pada pembaca, khususnya pada mereka yang hidup berdampingan dengan demensia Alzheimer dengan masalah gangguan memori dan perilaku. Seperti mata air di tengah musim kemarau pada mereka yang “mencari jawaban atas kegelisahan dan keputusasaan” menghadapi demensia Alzheimer. Dengan kapasitas penulis yang mengalami sendiri dalam merawat ibunda tercinta dan sebagai aktivis dalam membantu menanggulangi demensia Alzheimer, lengkaplah buku ini menjadi sumber inspiratif yang memberikan pencerahan pada semua orang yang ingin mengenal lebih lanjut maupun yang menghadapi langsung demensia Alzheimer. — Dr.dr. Yuda Turana, Sp.S, Dept Neurologi, FK UNIKA Atma Jaya dan Penulis Stop Pikun Usia Muda

Kerupuk Kampung untuk Gadis Berkacamata Bill Gates

Seolah tak pernah kehabisan ide cerita, kali ini, Remy Sylado hadir kembali dengan novel paling gres dan terbarunya ini. Empat novel terdahulu karyanya yang sudah kami terbitkan dalam seri ini adalah Perempuan Bernama Arjuna 1: Filsafat dalam Fiksi (Bandung: Penerbit Nuansa Cendekia, 2013); Perempuan Bernama Arjuna 2: Sinologi dalam Fiksi (Bandung: Penerbit Nuansa Cendekia, 2014); Perempuan Bernama Arjuna 3: Javanologi dalam Fiksi (Bandung: Penerbit Nuansa Cendekia, 2015), dan Perempuan Bernama Arjuna 4: Batakologi dalam Fiksi (Bandung: Penerbit Nuansa Cendekia, 2016). Masih dalam seri yang sama, novel Perempuan Bernama Arjuna 5: Minasanologi dalam Fiksi ini bertutur dengan memikat ihwal “safari” intelektual dan kultural pasangan pengantin baru, Arjuna dan Jean-Claude van Damme, di Tanah Minahasa, perjalanan mereka berdua mengunjungi tempat kelahiran ibu suami Arjuna di Tomohon, dan juga pentingnya pesan perdamaian, kebhinnekaan, dan toleransi dalam kehidupan beragama dan bermasyarakat di kalangan masyarakat Minahasa bagi bangsa Indonesia dewasa ini. Sarat dengan berbagai wawasan dan informasi sejarah dan budaya, “hidangan lezat” Minasanologi dalam novel ini terasa sangat nikmat untuk kita santap sebagai makanan bergizi bagi batin dan jiwa kita. Selamat membaca!

A comprehensive Indonesian-English Dictionary

Anak istimewa pasti datang pada orangtua istimewa. Endang Setyati bukan hanya ibu istimewa, ia juga perempuan istimewa. Ujian sekaligus rahmat terbesarnya adalah hadirnya Habibie Afsyah-seorang difabel penderita muscular dystrophy (penciutan otot) dan skoliosis-anak kandung semata wayangnya. Endang menolak menyerah pada nasib. Cita-cita yang diembannya sejak dulu adalah menjadi orang sukses. Dan kali ini, ia tak bisa melangkah sendiri. Ia harus mengajak Habibie dalam setiap langkahnya. Bersama Habibie, sukses itu sudah dalam genggamannya. Kesuksesan terbesarnya adalah mengantar Habibie-dalam segala keterbatasannya: fisik, ilmu, uang-menjadi orang yang mandiri secara finansial dan berani berkompetisi di lingkungan ‘normal’: Menjadi seorang netpreneur yang kiprahnya diakui banyak orang. Tanpa disangka, dalam perjalanannya mengantar Habibie pada kesuksesan, Endang menemukan potensi yang selama ini terpendam. Hebatnya, itu ternyata mampu menginspirasi banyak orang. -KawanPustaka- #SuperEbookMaret

Kokoschka's Doll

A taut new novel by the award-winning author of *The Sound of Things Falling* 'one of the most original voices of Latin American literature', Mario Vargas Llosa 'An affecting, carefully paced work of psychological realism' *Times Literary Supplement* As Colombia's famed political cartoonist, Javier Mallarino, strolls through downtown Bogotá before a public celebration of his career in the grand Teatro Colón, he contemplates the start of his professional life; how he set down his oils and took up a pen to begin drawing caricatures for a living. But the celebration has far-reaching consequences- as he leaves the theatre a figure from his past, now a young woman, emerges from the crowd and forces Mallarino to confront an incident that took place in his home half a lifetime ago, calling into question his reputation and the value of his life's work.

Massa

Issues on social problems in Brunei and Malaysia.

The Bank's World

Scraps of Hope in Banda Aceh examines the rebuilding of the city of Banda Aceh in Indonesia in the aftermath of the celebrated Helsinki-based peace mediation process, thirty years of armed conflict, and the tsunami. Offering a critical contribution to the study of post-conflict politics, the book includes 14 documentary videos reflecting individuals' experiences on rebuilding the city and following the everyday lives of people in Banda Aceh. Marjaana Jauhola mirrors the peace-making process from the perspective of the 'outcast' and invisible, challenging the selective narrative and ideals of the peace as a success story. Jauhola provides alternative ways to reflect the peace dialogue using ethnographic and film documentarist storytelling. *Scraps of Hope in Banda Aceh* tells a story of layered exiles and displacement, revealing hidden narratives of violence and grief while exposing struggles over gendered expectations of being good and respectable women and men. It brings to light the multiple ways of arranging lives and forming caring relationships outside the normative notions of nuclear family and home, and offers insights into the relations of power and violence that are embedded in the peace.

Ketika Ibu Melupakanku

Surga Buat Habibie

MAAF. Di dalam buku ini tidak ada aksi panjat gunung tanpa tali. Atau ejen-ejen sulit memakai cermin mata hitam waktu malam sambil berguling tembak-menembak tanpa tercicir cermin mata atau kotor baju. Juga tiada gajet-gajet canggih untuk membuat topeng menukar wajah atau pen yang boleh meletup. Ya, ini 'impossible' yang lebih hakiki. Kita temui saban hari. Dalam buku ini anda akan bertemu 'ejen-ejen' dengan mission yang lebih mencabar. Misi dan 'mission' merawat dan menyelamatkan nyawa. Buku ini membawa anda ke dunia 'baju putih' yang sebenarnya dipenuhi pelbagai warna selain PUTIH! Dunia kejururawatan. Dunia misi-misi dan 'rahsia-rahsia' di sebaliknya. Dunia impossible yang sebenarnya tidak lagi mustahil. Selamat menjalankan misi anda! "Awat. Mesej ini akan musnah sendiri dalam masa lima saat. Lima... empat... tiga... dua..."

Legislatif Jaya

Ratama Darmawan berusaha menjaga perasaannya agar tak menyesal kerana telah membuat sesuatu hal berupa nyawa seorang anak, darah dagingnya, terbunuh oleh tangannya sendiri, anak yang tak diinginkan sebelumnya olehnya, teramat sangat ia inginkan setelah menikah. Tapi sayang keinginannya tak terkabulkan. Apakah ini balasan dari kelakuan binatangnya dulu? "Kemarilah, Ana. Aku ingin menciummu." Ucapnya serak dengan tatapan kabut dan tajam yang membuat Ana melangkah cepat, agar emosi pria tempramen itu tidak meledak. Sebelum mencium, Ratama meneguk setengah cangkir minuman yang berada diatas meja. Dengan kasar Ratama menarik pergelangan tangan Ana, dan mencium Ana dengan mulut terbuka membuat Ana tersedak akibat minuman yang di salurkan oleh Ratama berasa pahit. Dengan terpaksa Ana menelan minuman pahit itu, beberapa menit kemudian,

rasa nyeri mulai menjalar diperut dan bagian intinya. "Maafkan aku, itu adalah obat peluruh kandungan. Aku tidak sudi memiliki anak dari seorang wanita simpanan"Ucapnya datar dan berjalan meninggalkan Ana yang telah merintih tak berdaya di bawah keramik dingin. Ana menjerit sakit dengan air mata yang berderai tanpa henti. Dan menyumpah serapah laki-laki kejam yang baru beberapa detik menghilang dari arah pintu. Bagaimana kalau Ratama tau, bahwa anak yang di anggapnya telah mati ternyata masih hidup?

Reputations

This highly informative book explores the world of Post-Soeharto Indonesian audio-visual media in the exiting era of Reform. From a multidisciplinary approach it considers a wide variety of issues such as mainstream and alternative film practices, ceremonial and independent film festivals, film piracy, history and horror, documentary, television soaps, and Islamic films, as well as censorship from the state and street. Through the perspective of discourses on, and practices of film production, distribution, and exhibition, this book gives a detailed insight into current issues of Indonesia's social and political situation, where Islam, secular realities, and ghosts on and off screen, mingle or clash.
